FIFTIETH YEAR No. 149 — NEW CASTLE, PA., FRIDAY, MARCH 14, 1930.—28 PAGES — THREE CENTS A COPY

WITNESS SAYS IRENE SHOT CORPORAL PAUL

WILL SAYS FRANCE WANTS A LOT FOR IMAGINARY NAVY

(Special To The News)

BEVERLY HILLS, Cal., March 13.—Disarmament conference is getting on pretty good. All we got to do now is promise France that if somebody pounces on her, we will help pull 'em off, and in return for our being a night watchman for her, she will cut her naval blue prints down from 725 thousand tons to 625 thousand, a clean saving of a hundred thousand tons imagination.

WILL ROGERS

Mr. Hoover will tell 'em, "We are sorry, boys, but we took it serious and went there to sink and not to sign."

Yours,

WILL.

PA NEWC OBSERVES

Edward Prosser, of East Washington street, an Oak street school student, is very proud of his three gold fish. They are great pets—they stay right in the fish bowl and do not swim away. And intelligent: "Yes, indeed. Edward has named them. "Goldie," "Speckle," and "Beauty."

A local lady who was visiting a relative who is ill in the Jameson hospital, remarked to Pa Newc of the splendid service and the fine equipment of the new hospital. She is quite enthusiastic, Wednesday being the first visit she has made to the hospital.

Here is an example of what habit can do to one. An East Washington street lady, who was used to mailing her letters in a mailbox which was, until recently attached to a telephone pole on East Washington street, almost dropped her letter into the thin air, when the box was moved a few feet away.

Young Pa Newc was told, this morning, of a Neshannock avenue lady who named three little kittens, "Katey," "Kitty," and "Katty." Later on, the story goes, the lady changed the names to "Teddy," "Tommy," and "Tobey."

Oh, lest you forget—Monday is St. Patrick's Day.

A week from tomorrow will be the first official day of Spring.

Pa Newc is of the opinion that the plan to observe three months of daylight savings time in New Castle this summer, during the months of June, July and August, while not satisfying everybody, is a move that will meet with general approval. It has always been Pa Newc's contention that three months of daylight savings time are enough.

Tonight is the night—cathedral the place. Jameson Memorial hospital Benefit Minstrel. Hundreds will attend. Be there yourself.

When it rains, buckets which would ordinarily catch quarts of running sap from maple trees, are turned up-

(Continued On Page Two)

Daily Weather Report

Weather statistics for the 24-hour period ending at 9 o'clock this morning are as follows:

Maximum temperature, 45.
Minimum temperature, 28.
Precipitation, .03 inches; .20 inches snowfall.
River stage, 8.4 feet and falling.

FIRST DEGREE MURDER VERDICT IN GRIMM CASE

Jury Returns Verdict At 12:30 O'Clock This Morning In Court

DELIBERATED FROM 2:45 ON THURSDAY

Court Called Into Session At Midnight To Receive Verdict

(BULLETIN)

At 12:30 o'clock this morning, the jury brought in a verdict of "Guilty of murder in the first degree," with a penalty of life imprisonment, in the case tried in the Lawrence County court in which William Grimm was charged with the murder of Clark Rea. The jury went out at 2:45 o'clock on Thursday afternoon.

When the case was given to the jury by the court, Judge J. A. Chambers, in his charge informed the jurors that if the defendant was guilty of murder, he was guilty of first degree murder under the law. The court said that murder committed during a robbery was first degree, and that the jury would say whether the penalty would be execution or life imprisonment.

The court was called about midnight, and the jury came in about 12:30 o'clock and returned the verdict.

Killing Not Intended

In opening the case for the defense former Judge J. Norman Martin, said that it would be shown that the boys, in discussing the proposed robbery, had agreed that if there was any shooting done, that they were to shoot in the air. He claimed that Grimm had not fired his gun at all.

The purpose of the shooting, if it became necessary, he said, was merely to frighten the Rea brothers. Grimm, he claimed, had not known that Rea was shot until after he had entered the house. He asked the jury that they consider the age and reputation of Grimm in arriving at a verdict.

Defendant on Stand

William Grimm, the defendant, was the first witness called by the defense. I am 20 years old, he said in response to questions. My father's name is J. W. Grimm and my mother's Cora Grimm. They are present in the court room.

My father works at the Blair stripped Steel Plant. I have lived all my

Policewoman Killed In Saving Children

(International News Service)

GARY, Ind., March 13.—Mrs. Pearl A. Lanham, 32, a policewoman and mother of four children, today had given her life to save a group of grade school pupils she was escorting across the street.

Mrs. Lanham threw herself in front of an automobile in a frantic effort to push several children back out of the car's path. She was struck and hurled 80 feet by the impact. She was instantly killed.

DEATH RECORD

Robert S. Hindman, 88, West Sunbury, Pa.

Mrs. Arvillia Ketler, 66, 316 Reis street.

Theresa Forkum, 78, Almira Home.

Wampum Woman's Body Is Located In Ruins Of Fire

Searchers Find Mrs. Iva Cameron Lost Her Life When Home Burned

BODY IS ALMOST ENTIRELY CREMATED

Believe She Re-Entered Home To Save Children And Was Overcome

(Special To The News)

WAMPUM, Pa., March 13.—Terribly burned, the body of Mrs. Iva Cameron, wife of Donald Cameron, who met death Tuesday midnight, when their home on the former William Davidson farm, southwest of here just off the New Galilee road, was completely destroyed by fire, was located shortly after five o'clock Wednesday evening in a section of the ruins where it had been least expected to locate it.

The remains of Mrs. Cameron were in terrible condition, much of her body having been consumed in the terrific blaze that occured in the destruction of the home.

They were found by the group of Crescent Portland Cement company workmen after they had been engaged since early in the morning Wednesday in the effort to find the body

Body Is Located

Efforts were first centered in the attempt to locate the body in the basement at the foot of what had been the front stairway of the home, which landed on the first floor near the front entrance to the home. When the body was not found there, the workmen then started to hunt in the ruins in the basement over which the livingroom had been l[illegible]

Late in the afternoon the work was undertaken in that section of the ruins where the kitchen had been located and under a part of which there had been no basement.

It was in this part where there had been no basement that the body was

Scene Of Trial—Defendants Shooting Victim; And Donnie

The Lawrence county courthouse, with inset, left to right, Glenn Dague and Irene Schroeder, Corporal Brady Paul and Donnie Schroeder

MRS. BALDWIN TESTIFIES THAT BLONDE HELD GUN THAT STRUCK DOWN PAUL

Testimony of Woman Witness to Shooting on Butler Road is Feature of Thursday Night Session of Court Trial — Moore Completes His Story of Gun Battle.

Telling her story in a manner that carried conviction, hesitating not at all, and refusing to be stampeded by the grilling cross examination of the defense attorneys, Mrs. Eva Baldwin scored a telling blow for the commonwealth Thursday evening at the night session of the trial of Irene Schroeder, now in session in court room number one. There was nothing complex about Mrs. Baldwin's testimony. She saw a woman shoot Brady Paul on December 27th, she saw Brady Paul sway and reel in an agony of pain and she gave the jury these facts in a manner that left no doubt as to the honesty of the sincerity of the witness.

It is doubtful if the commonwealth has another witness whose testimony is as vital to the success of the commonwealth as was Mrs. Baldwin's. Clear eyed and steady nerved she sat in the witness chair reciting her narrative in an unruffled voice, and no attempt of the defense to confuse her or becloud her story changed it a whit.

Mrs. Baldwin lives at the end of the lane, near the point where Brady Paul was murdered and saw a woman shoot him on December 27th. This woman she did not attempt to indentify nor was it necessary for the previous witness, Private Ernest C. Moore had identified the woman as Irene Schroeder, the defendant.

The night session opened at seven o'clock and ended at 9:45. For the first hour Moore was under a cross fire of examination of the defense, but with minor deficencies that were of slight importance, he stayed to his story of the murder of Paul and the murderous assault upon himself on December 27th.

William L. Sampson, a boyhood chum of Glenn Dague's testified as did Charles Evans, a school boy chum of Irene's brother, Tom Crawford. Sammy Baldwin, young son of Mrs. Eva Baldwin followed his mother on the stand and told a story that tallied with that of his mother, save that when his mother rushed to the telephone to notify the police, Sammy stayed at the window and saw the rest of the tragedy.

Today it is expected that Mrs. Martha Williams will testify. Her testimony will be followed probably by that of George Book, the truck driver who saw the battle from his truck, and other witnesses who have testimony relevant to the events immediately after the shooting.

From all indications the commonwealth's case will not be ended until Monday or Tuesday, although excellent time is being made considering the wealth of testimony that is to be offered.

The account of the testimony on Thursday evening follows:

Evening Session

Patrolman Ernest Moore returned to the stand at the opening of the evening session.

Q. Who treated the wound on your nose?

A. Dr. Paul Wilson and Dr. Loyal Wilson.

Q. You said this afternoon you heard shooting at the rear of the car. Was that all done before you were shot through the windshield?

Objected to and overruled.

A. The shots at the rear were at the same time the shots came through the windshield.

Q. When you first started around the car where were you going?

A. To the front of the car.

Q. Were you going to the other side of the car?

A. I was going to the front of the car to get back of Irene and Glenn.

Q. Why did you want to go around the back of them?

A. Well, I couldn't pull my gun in front of them. I would have got shot.

Q. Did you count the shots at the back of the car?

A. No.

Q. Did you see both Irene and Dague's guns?

(Continued On Page Two)

All In Readiness For Hospital Show At Cathedral Tonight

Record Crowd Is Indicated For Tonight And Also Friday Night

Minstrel And Revue Include Best Of Local Array Of Talent

With every chorus and act rehearsed to the pink of perfection, directors of the second annual Jameson Memorial hospital benefit minstrel and revue early this afternoon pronounced everything in readiness for the opening curtain at the cathedral tonight, scheduled to rise at 8:15.

Never before perhaps in all New Castle's long history of minstrelsy has a performance of such a vast proportion and promising outlook been staged or attempted. Not excluded is the hospital's benefit show of last year, which tonight's and Friday night's program eclipses in more ways than one.

Not until shortly before noon today did the committee in charge of this year's entertainment cease activity, not until everything was done to assure its success. A month and more has passed by since those in charge commenced to lay the early plans, which finally will be consummated when the first performance goes off tonight.

Exceptional Talent

As far as talent is concerned the best of professionals would have to step on it tonight. Comedians, black-faced and every other kind, specialty dancers, end men, quartet contests, soloists and every kind of everything is billed for the entertainment this evening. To miss tonight would mean to go tomorrow night, and to miss that night would be too bad.

Tickets were selling today at a speed that caused show directors to smile contentedly and the committee in charge announces that Friday's house will be another big one.

Directors tonight are Pete J. Iodice, Dave Jones and Abe Levine, Iodice directing the revue; Jones the minstrel parts and Levine the orchestra. Each has willingly given of his spare time that the minstrel might be stamped one grand success.

"Looey" Jenkins and Tully Caiazza will have comedian parts while Joe Love and Harry Elwell will fill the parts of black-faced funny men. Be-

Only Three Months Of Daylight Savings Time For City This Summer

Daylight Saving Time will be observed only during the three summer months of June, July, and August, in New Castle during the coming summer, it was brought out at the meeting of the New Castle school board last evening.

Chairman Walter W. Duff, of the committee which had been named by the board last month to take the matter up with local industrial heads, reported back to the board that the committee had found that the tin mills in particular were only planning on observing these three months this year.

The committee asked to be discharged in view of the fact that no recommendation to the school board was necessary as it would not in any way effect the operation of the schools on standard time.

The decision to set aside only three months of June, July and August, for observing the change in time, will be a popular move locally it is felt. The matter has always been a bone of contention among local citizens.

Last year, it caused more than the ordinary amount of confusion because the schools operated on standard time, and in many homes, housewifes complained that they were forced to serve meals at all hours of the day because of this fact.

Local mill workers for the most part and the farmers in general, have always been opposed to daylight savings, contending that it worked a hardship on them.

While there will still be many opposed to the idea, the compromise of having the changed time for but three months, will it is felt, satisfy the majority of the citizens of the city.

Special Trial Editions

Starting Wednesday, when testimony was begun in the trial of Mrs. Irene Schroeder, in the Lawrence County court, The News began the issuance of a six o'clock edition. This plan will be followed daily for the duration of the trial. The six o'clock edition contains the complete details of the entire afternoon's session of court.

In the event of a night session of court, The News will issue an early morning edition, which will contain a complete account of the evidence presented at that session.

BE SURE YOU GET THE NEWS!

Arthur Mometer

What are those people shoving for a little fellow said, and why do they keep surging on, and battling ahead. Be still my lad, his auntie cried, and hold tight to my hand, we want to see the girl whose name is spread across the land. She never wrote a book I know, nor did a single thing that made her name the reason why they made the welkin ring. But with a gun, and what a gun, she bumped a fellow off, keep ho[illegible] of auntie's hand my boy and do not sneeze or cough. For we are bound with other folks, to hear what she will say, this lady with the iron nerve, it's forty-eight today.

Board Of Zoning Appeals Acts In South Side Case

Reaffirms Stand Taken Previously In Rubino-Ritchie Controversy

Board of Zoning Appeals, with every member in attendance, on Wednesday afternoon, met in executive session at the city building and considered the testimony taken in the case of Prospero and Mary Rubino against D. M. Ritchie by order of the Lawrence county court, in which the board was directed to take additional testimony and render a new decision.

The board at the conclusion of its executive session reaffirmed its original decision, which caused the case to be taken to the Lawrence county court, namely, sustaining the city engineer in granting a permit to D. M. Ritchie to construct a private garage on his property at South Mill and Reynolds street, which is located in the business district.

As the question involved brought up a new question not taken care of in the rules and regulations of the zoning ordinance, namely, the matter of a private garage in a business district, the board in rendering its decision Wednesday, handed down a rather lengthy opinion establishing a new zoning regulation for the city based on a reasonable interpretation of the rules and regulations of the ordinance as now in existence.

It is possible that it will mean a return of the case to the court unless the principals can come to some understanding in the matter.

In the case of the appeal of Mrs. Agnes Rhodes, denied a permit for the enlargement and improvement of her property at North and Quest streets, because of the lack of air, light and yard space, the board held a conference with Mrs. Rhodes and D. R. Bollard, her representative. The board suggested a change in the proposed plans that would give more light, air and yard space for the people residing in the proposed building, and Mrs. Rhodes is to have prepared a plan in accordance with the suggestions and present the same to the board. If the plans meet with the approval of the board, the improvement will be permitted.

WAMPUM WOMAN'S BODY IS LOCATED IN RUINS OF HOME

(Continued From Page One)

found. The assumption is that Mrs. Cameron in some manner got into the bedroom over the kitchen and was overcome by the smoke and fire and that her body dropped to the location where it was found when the building was destroyed by the blaze.

Following the finding of the body, Coroner J. P. Caldwell was called and viewed the remains, after which he issued a death certificate.

Mrs. Cameron was fifty years of age and the wife of Donald Cameron, master mechanic of the Crescent Portland Cement company. She was well and favorably known and her untimely death is a shock not only to the members of her family but to the many friends and the people of the entire community. She was an active member of the Wampum Presbyterian church.

She leaves to mourn her loss, her husband, and three daughters, Mrs. Paul Bannon of Struthers, O., Mrs. Robert McKim of Wampum and Jean Virginia at home.

She is also survived by her father, Edward Newton, who made his home with her, and three sisters, Mrs. Rillia Meyers of Ellwood City, Mrs. Howard McCune of Ellwood City and Bertha Newton of Akron, O., and one brother, Ralph Newton of Lillyville, Pa.

Funeral services will be held Friday afternoon at 2:30 o'clock in the Wampum Presbyterian church. Interment will be made in Savannah cemetery.

In spite of the apparent trend away from off-the-face hats, they remain popular, says a buyer recently returned from abroad. Turban shapes, too, are important, although many large hats are shown.

side down by the farmers around here. Pa Newc has noticed. If there isn't already a cover for maple syrup pails already invented, why, there is a chance for someone to do something.

Saturday, March 15, is the anniversary of the birth of Andrew Jackson.

Snow does not stay very long here, this time of year, and today the skies are clear again.

Incoming trains are bringing quite a number of local citizens home from Florida. Those who have arrived show signs of having obtained a fashionable winter tan.

There are plenty of local people who will be thankful when the construction work on the New Castle-Ellwood road at Cascade park is completed.

Pennsylvania is experiencing, at present, an epidemic of automobile thefts, according to the president of the Pennsylvania Motor Federation. It would be a good idea to keep your automobile locked, when parked.

A local motorist is enthusiastic about the completion of the William Penn highway, U. S. route No. 22, which furnishes a most delightful and direct route from Pittsburgh to Steubenville, O.

BUSINESS MEN DENY CHARGES MADE BY WETS

(Continued From Page One)

secretary of the Citizens Committee of one thousand, read a dozen telegrams from business men denouncing the statement of Grayson M. P. Murphy, New York "big business" man, that he did not know a single big industrial leader who did not flout the dry law.

Stagg Defends Youths

Alonzo A. Stagg, football coach of Chicago University, defended the country's youth and particularly denounced stories of widespread drinking among young people.

Wet members of the committee registered a protest when women witnesses who had promised to appear for cross-examination today failed to answer to their names.

Mrs. Henry W. Peabody of Beverly, Mass., who captained the women, sent a letter saying she would appear later in the day. No word was received from Miss Grace Von Braem Roberts, Mrs. Richard Aldrich and Mrs. John O. Blanchard, all of New York and Mrs. Maynard Thayer of California.

"This proves that my contention was right that each witness should be cross-examined immediately after testimony is given," said Rep. Celler (D) of New York, a wet. "I have important questions to ask concerning their testimony."

Celler protested yesterday when the committee voted to permit the women to testify without cross-examination but subject to questioning later.

Slander Part of Wets Program

Sherwood charged that "Slander and malicious libel" have become a part of the "stock in trade" of the wets.

"It has been alleged here by Mr. Grayson M. P. Murphy of New York, in particular that all the business men of his acquaintance violate the 18th amendment and his decided inference was that business men generally throughout the country disobeyed the law," said Sherwood.

"Of course this is far from the truth. But what is the effect of such statements of growing boys and girls or upon that section of the laboring population of the country which does not have the opportunity to know the truth and may be led to believe the worst?

Letters from many business men were read all taking issue with Murphy's statement. They came from Robert Garrett, banker, Baltimore: Clarence H. Kelsy, chairman Title Guarantee and Trust Co., New York: T. J. Gillespie, president Lockhart Iron and Steel Co., Pittsburgh: Cap. Robert Dollar, steamship operator, San Francisco: J. H. Marshall president Federal Wholesale Druggist Association, Minneapolis: Clarence H. Howard chairman Steel Castings Corporation, Chicago: J. C. Penny, chain store magnet: Ralph H. Burnside, lumberman, Portland, Ore., Geo. W. Coleman, president of the Babson organization, Boston: S. C. Gilmore, Hires-Turner Glass Co., Philadelphia: E. L. Smith, Chicago: C. M. Rodefer, Bellaire, O., and others

ALL IN READINESS FOR HOSPITAL SHOW AT CATHEDRAL TONIGHT

(Continued From Page One)

sides this quartet there'll be other funny makers galore.

Dixie Jamboree

"At a Dixie Jamboree" is what the minstrel is entitled, another southern musical melange. Songs, both old and new will be the opening offering of the different choruses, to be featured by incidental dancing by Hughie Hannon, assisted by Haydn Jones and Nick Faella. Then the program gets under way and the evening of fun will just be starting.

With a "Heigh-Ho Everybody" entitled song as the opener for the revue which comes when the minstrel has concluded, the girls under Miss Cecelia McCoy's direction, with Mrs. Al Evans as the soloist, will make their debut. Following that will be a program during which snappy choruses and lively tap dancers will entertain the crowd.

The ballet chorus girls under Miss McCoy's direction include Catherine Eagan, Charlotte Bartlett, Hazel Houston, Eleanor Blanning, Martha Jo McGoun, Doris Updegraff, Ruth Brenneman, Janet Brenneman, Elizabeth Connover, Dorothy Usselton, Hilda Newmark, Margarite Hogue, Jessie May Weaver, Louise Fink, Mollie Livingston and Eveline Shriver.

The tap dancing girls, under Miss Mary Louise Galvin's direction, are as follows: Betty Miller, Florence Milson, Rita Cooley, Mary O'Connor, Martha Salvin, Eleanore McKee, Nancy Kirkner, Beryl Dent, Mary Curtis, Kathleen Collins, Regina Stevans, Velma Sontag, Maxine DeLillo, Peggy Dent, Jeanie DeLillo and Thelma Greer.

Miss Frances Gibson will be a soloist during the evening.

Principals tonight are Mrs. Al Evans, Cecelia McCoy, Julia McCoy, Mary Lou Rea, Harold Black, Betty Rea, Al Evans, Robert Steinbrink, Lew Jenkins, Tully Caiazza, Joe Love, Harry Elwell, Randall Space, Mary Louise Galvin, Dave Jones, Chester Biddle, Bert Sanford, Russell Brenner, Dorothy Fletcher, Miss Frances Gibson, Fred Sheppard and Harry Sheppard.

High school girls will include "Jo" McGoun, captain, "Gladie" Biddle, Rosalyn Freeman, Jane Moore, Harriet Kline, Frances Aiken, Lucille Kison, Ethelyn Douthett, Frances Amon, Helen Sheaffer, Ruth Kelly, Evelyn Swanson, "Dot" Sankey, "Dot" Young, Evelyn Gerould, and "Dot" Cain.

All in all there'll be plenty to talk about after the show, and those who can't make it tonight must make it on Friday. The program that night will be an exact duplication of that of tonight with the same cast performing.

To rightly steer a benefit of this kind it takes a capable committee to do it. Reed McCullough and David Fisher are the general chairmen in charge and assisting them were other committeemen. Merchants of the city co-operated in a commendatory manner and the services they rendered are gratefully acknowledged by the committee.

Complete Program

The complete program for both tonight and Friday evening is given as follows:

"AT A DIXIE JAMBOREE"

Opening choruses include songs, old and new with incidental dancing by Hughie Hannon, assisted by Hadyn Jones and Nick Faella.

Host: Hughie Hannon.

Entertainers—Ralph Eakin, Kenneth Myers, Jack Ellis, Clarence Reese, Nick Faella, Lon Pearsall.

Guests: Wm. McCombs, Wm. Roberts, Roger Francis, Reed McCullough, Bert Sanford, Walter Ashton, Glen Evans, Dolph Jones, Henry Jenkins, Dave Jones, Lew Sweet, Harry Masters, Chester Biddle, Russell Brenner.

Apostles of Sunshine: Hadyn Jones, Paul Donley, Arch Cubbison, Tommy Blake.

Introducing Those Two Dark Knights—Hadyn Jones, Arch Cubbison.

"Beside On Open Fire-Place"—Bert Sanford.

"I Ain't Got Nobody"—Hadyn Jones.

"Mistakes"—Roger Francis.

"Black and Blue"—Arch Cubbison.

"Your Mother and Mine"—Chester Biddle.

Introducing Those Medicine Men For Your Blues—Paul Donley, Tommy Blake.

"Tain't No Sin"Tommy Blake.

"Aren't We All?"—Wm. McCombs.

"Why Can't You?"—Paul Donley.

"Davy Jones' Locker"Harry Masters.

"FINALE"—Entire Company.

Intermission.

Overture—Selection from "Desert Song"—Orchestra Director, Abe Levine.

Revue Program

"Heigh-Ho Everybody"—Sung by Mrs. Al Evans, assisted by Cecelia McCoy Girls and Principals.

"Ain't Cha"—Smith-Williams Institute Girls.

STAR LORE

NO STATIONARY BODY OF REFERENCE IN UNIVERSE

By Arthur DeV. Carpenter

There is no stationary body in the universe with which to compare the motions of other physical bodies. It used to be thought that the earth was stationary, and that the motions of the other planets might be determined from the earth's stationary vantage point. But all the movements of the heavenly bodies, as they fly through space, can only be compared with some other moving body. Everything as to motion is relative. Just as you may have the sensation on a railway train that you are moving backward, when in reality you are going forward, but you are watching the onrush of a faster train advance parallel with yours.

(Continued From Page One)

prune an additional $17,000 off the proposed budget for next year, and as a consequence were able to keep the school millage down to 16 mills, the same as last year.

Realizing that this would be a poor year to increase taxes, the board held a special session last week, in which as a committee of the whole, they were able to effect economies of $35,000. This was not enough for the purpose, however, and last evening, additional economies were proposed, which reduced the budget by $17,000 more. Then it was decided to charge the cafeterias at the two big Junior high schools, $500 each for janitor service, which is furnished by the board and the necessary $53,000 to keep the millage the same was saved.

It was a difficult task and all members of the board breathed a sigh of relief, when their object had been attained.

Make Reductions

It meant that they must cut off kindergartens for the coming year, and pernaps forever; do away with the annual summer school for backward pupils; prune the bill for teachers to a minimum amount; cut $10,000 from the sinking fund; reduce the amount estimated for supplies; cut off money used for extra janitor work, etc.

The further reduction last night was achieved by reducing the teaching force, an item of $5,800 be lopped off in this manner. Then it was decided that $2,750 could be cut off the estimate for janitorial work in various ways; $1,000 in revenue was raised by charging the two Junior high schools $500 each for janitor service and making it up out of the cafeteria receipts. It was brought out that by eliminating night swimming classes in the two Junior high schools, George Washington and Ben Franklin, that approximately a ton of coal would be saved nightly at each building, in addition to economies on the light bill. In these and other small economies, the board felt that they would be able to get by on a 16 mill basis and that millage was set for the coming year, with a per capita tax of $5 for those persons who do not own property.

In asking the two Junior high schools, Ben Franklin, and George Washington, to raise a sum of $500 from the cafeteria, it was brought out that the cafeterias are not now being operated for profit and that it is a difficult task to keep them from making money, in spite of the fact that a nourishing meal is being served students for approximately twenty-five cents. It was pointed out to the board that the sum requested could be raised without any noticeable effect on the quantity or quality of food served.

The annual request of the volunteer firemen of the city for their $5 exoneration was presented. This brought out the usual discussion, and although the board was trying to economize on other things, they finally decided that the volunteers, some of whom, it was admitted, do not attend a fire in a year, were entitled to this reduction and it was so voted.

It was pointed out by Attorney Roy M. Hazen that there was to be no cutting down on the amount of money to be paid each year for the retirement of the bonded indebtedness. Each year, the sum of $60,000 must be paid for the retirement of bonds. Additional bonds in the sum of $20,000 can be retired on an optional arrangement. An average had been set up which called for the retirement of $80,000 worth of bonds, with an additional $10,000 going into the sinking fund. This year, the board was not setting up the average of $90,000 as it had in past years, cutting the $10,000 from the sinking fund and not from the amount of money actually to be used in paying off the bonds. This was not clearly brought out at the meeting of the whole held last week.

Protests Received

Some protest was registered against doing away with the kindergartens last evening by several different organizations.

Mrs. J. L. Reed and Mrs. H. N. Drio, representing the Parent-Teachers association of the Arthur McGill school presented a written protest against the matter, and were also present in person to discuss the matter with the board.

Members of the board explained the situation to them and they departed satisfied, that the elimination of the kindergartens for the next year or two at least, was an absolute economic necessity.

A communication was also presented, protesting against this matter by the Parent-Teachers association and the Lawrence County Federation of Woman's clubs. The communication was signed by Mrs. Harriet M. Sweezy, president of the Parent-Teachers association. The communication was acknowledged and placed on file.

In discussing economies, A. C. Hyde, stated that he felt too much time was being devoted to the teaching of art and that too much money was being spent for this purpose in the schools.

Supt. Green stated that no more time was being spent than in other schools, and that the matter might have been stressed a little more than in some school systems, due to the fact that New Castle possessed an exceptional Art Department head in Miss Salomon.

Mr. McIlvenny stated that he felt the members of the board ought to spend a little more time in the schools and find out what was actually being done. A recommendation to this effect was agreed upon by the members of the board.

Kin-Ta Ok-La Club To Meet

The Kim-Ta Ok-La club or the Beaver people will meet at the home of Andrew Binder, 1119 Howard Way, on Friday evening and Eugene Gavin, known as Prince E-kus-kini, Sachem of Tellico, a full blooded Cherokee Indian will speak on the "American Indian". He will tell of the culture and history of the Indians of America. He plans to give similar talks every Friday evening. The officers of the organization are Principal Chief Prince E-kus-kini, War Chief Herman Siggelow; Chief Story Teller Elsie Siggelow; Chief of Finance M. Herman.

Deaths of the Day

Mrs. Anna McCormick DeForeest

Mrs. Anna McCormick DeForeest, wife of M. D. DeForeest of Sharon, a well known woman in Sharon and the New Castle district, died in her home shortly before midnight Wednesday night. Mrs. DeForeest had been down town Tuesday afternoon and was seized with a heart attack, she was taken home and medical aid summoned but no help could be given her and she passed away after a day's suffering.

Mrs. DeForeest was a daughter of Mr. and Mrs. William McCormick, pioneer residents of the Sharon district and was prominent in social and church activities, having been at the head of the district missionary union.

She is survived by her husband, a son William McCormick DeForeest and two daughters, Ruth and Evelyn at home. There was a number of relatives living in New Castle and Mrs. DeForeest was a frequent visitor here.

Funeral arrangements have not been completed.

Arthur B. Lewis Funeral

Funeral services were conducted Wednesday at 2:30 p. m. for Arthur B. Lewis from the family home, 210 Smithfield street, with Rev. C. J. Baker in charge. Mrs. Arch Davies and Mrs. John Wirey rendered "Sometime We'll Understand", and the many floral tributes spoke silently of the popularity of Mr. Lewis.

Pallbearers were Harry Lewis, Jack Thomas, David Bowen, Arthur Griffith, William Bowen and Wilbert Shod. Interment was made in the Oak Park cemetery.

John Dodds Campbell Funeral

Funeral services for John Dodds Campbell were held from the home of R. S. McCandless, near New Galilee, Wednesday afternoon at 2:30, and the house was filled with sympathizing friends. Rev. E. C. Henderson of the Moravia Presbyterian church officiated, with Dr. Wiley of College Hill and Rev. Reed of New Galilee R. P. church assisting.

Pallbearers were R. S. McCandless, J. S. McKeehan, C. T. Lee, James C. Coulter, Mont Alley and C. V. Ailey. Interment was made in the R. P. cemetery at New Galilee.

Theresa Forkum.

Miss Theresa Forkum, aged 78, who has been making her home for some time at the Almira Home, this city, died this morning after an illness of several months.

A short service was conducted at 1:30 this afternoon with Rev. H. C. Weaver of the First Methodist church in charge and the body was then taken to Rimersburg, Pa., where further services will be conducted Saturday afternoon and interment made in the Rimersburg cemetery.

A few nephews and nieces are the only survivors.

Mrs. Arvillia Ketler.

Mrs. Arvillia Ketler, aged 66, wife of Samuel A. Ketler, 316 Reis street, died at 5 a. m. today at the family home following an illness of a year's duration. Mrs. Ketler was born in West Virginia February 13, 1864, and was a resident of this city for some time.

She is survived by her husband; two sons, Houston Ketler of New Castle and Earl Ketler of Philadelphia, and six daughters, Mrs. A. Martin Graham, Mrs. Charles Fletcher of this city, Mrs. John McDowell of Philadelphia, Mrs. Samuel McDowell of Bradentown, Fla., Mrs. Mary Dugan of Baltimore, Md., and Mrs. Samuel Fletcher of Toledo, O.

Funeral arrangements have not been completed on account of the critical condition of a daughter, Mrs. Samuel McDowell, at the home of Mrs. A. Martin Graham, 323 Park avenue.

Robert S. Hindman.

The last member of one of the pioneer families of the West Sunbury district, Robert S. Hindman, aged 88, passed away at his home in West Sunbury Wednesday, March 12. Mr. Hindman was born in Cherry township, Butler county, August 30, 1842, and for years ran a grist mill at West Sunbury. His sister, Mrs. Mary Etta Wolford, preceded him in death exactly one year ago.

Mr. Hindman was a member of the West Sunbury Presbyterian church and was the last member of Co. C, 11th Pennsylvania Reserves, who took part in the Civil war.

He is survived by the following children: H. C., D. L. and C. K. Hindman of West Sunbury, Mrs. Kate Sproul and Mrs. Rhoda Teaby of West Sunbury, Mrs. Belle Glenn of Lynchburg, Pa., Mrs. Bernice Arner of Boyer, Pa., 17 grandchildren and four great-grandchildren. Fred C. Wolford and Mrs. Ida Davis of this city are a nephew and niece of the deceased.

Funeral services will be held Friday, March 14, at 2 p. m. from the West Sunbury Presbyterian church, with interment in the West Sunbury cemetery.

Engraving Plant Damaged By Fire

(International News Service)

PITTSBURGH, March 13.— Fire believed to have been started by spontaneous combustion broke out in the C. R. Moore Printing and Engraving plant today and swept through the plant for over an hour before being extinguished.

Damage was estimated at more than $100,000.

Archeologists went all the way to Palestine and after years of work dug up two ancient Philistine temples. If they'd gone to New York they'd have found a thousand.—The New London Day.

"SPRING CLEANING" has grown to be a more and more important phrase, going so far as to serve as the title of a witty drawing room drama by Lonsdale. In truth, Spring Cleaning IS important; even delightful, if negotiated with the assistance of Smith's, whose methods of handling clothes, rugs, drapes, et cetera, are remarkably thorough and conducive to long wear.

SMITH'S
WHERE DRY CLEANING IS AN "ART"

High School Girls Shun Home Economics

Girls of the senior high school are not much interested in the best methods of providing a home for the future, judging by the lack of interest they show in the splendid course in home economics which has been established at the high school.

Only seventeen girls are now taking the course, it was reported to members of the board of education at their meeting last evening, although a considerable number started out originally to take the course.

The course not only teaches them how to make a home, to cook, and bake, and sew, but teaches them home chemistry; what foods are compatible for digestive purposes; and a practical course in home nursing and care of the sick.

The board, when it established the course, felt that there would be a big demand for an education along these lines, but evidently the modern girl thinks about something else.

It was felt that in time, the girls would take to this new wrinkle in education, which would fit them for the highest plane of womanhood, and it was decided to leave the course in the curriculum for another year at least.

The Obelisk
New York City

The Obelisk in Central Park, New York City, is a faithful reproduction of Cleopatra's Needle, Egypt. Many of the modern shafts have been patterned after this wonderful monument. It was first erected at Heliopolis in the sixteenth Century, B. C. In 22 B. C., it was removed to Alexandria, Egypt. In 1879 it was presented to the United States by the Kredive of Egypt. It was placed in Central Park in 1881.

Whether you are planning a ten-foot monument or a three-foot, tablet we would like to furnish you an estimate of what it will cost you. We are experienced in monument work and worthy of your consideration.

WIMODAUSIS LUNCHEON PROVES HUGE SUCCESS

The Wimodausis met in the Cathedral Wednesday for a 1 o'clock luncheon, with Mrs. E. C. Eckenroad in charge, marking another of their successful gatherings.

A large crowd was present. The tables artistically decorated with bowls of cut flowers and spring shades completed the setting.

At this meeting the newly elected secretary, Mrs. C. A. Donges, was installed. Following serving of the menu a program in charge of Mrs. C. L. Hughes was given, which proved quite interesting as well as entertaining.

The program included a piano solo by Miss Helen Ewing, rendered in her usual pleasing manner; a vocal solo by Mrs. E. C. Griner, accompanied at the piano by Mrs. J. C. Miner, was well received. Little Barbara Parsons gave a group of readings that were well given and deserving of mention; and a quartet comprising Mrs. William Stritmater, Mrs. A. C. Dietterle, Mrs. A. M. Stump, Mrs. Harry Hammond and Mrs. D. G. Harris was an added feature that caused much favorable comment from their listeners. The program was brought to a close with a group of piano solos by Master Ralph Davies whose efforts pleased his audience.

Dinner-Bridge

Mr. and Mrs. Sumner Rowland of Highland avenue entertained at a dinner-bridge in their home Wednesday evening, covers being laid for ten at a nicely appointed table. A color scheme of green and white was carried out with spring flowers being used as a center piece for the table, flanked with tall green candles in crystal holders. Place cards were suggestive of St. Patrick's Day. The hostess was assisted in serving by her mother, Mrs. M. P. McKibben. The later hours were spent in bridge, high score honors being awarded Mr. and Mrs. Charles E. Allen. Mrs. Harry Hammond was presented with a lovely guest gift.

So and So Club.

The So and So club met at the home of Mrs. L. Allen Monday evening, marking one of the most interesting gatherings of the club. Discussion on many points that were helpful to the club, was featured throughout the evening. Plans were completed for a social to be held in the near future.

The next meeting will be at the home of Mrs. B. Davis, 10½ East Long avenue, on March 24 at 8 o'clock sharp.

1927 Bridge Club

Members of the 1927 Bridge Club were delightfully entertained Wednesday evening at the home of Mrs. Samuel Frank on Neshannock boulevard. Two tables of cards were in play during the social period, later followed by tempting refreshments served by the hostess, assisted by her mother, Mrs. J. A. McFall, and sister, Eleanore, who were also special guests of the club. The tables were attractively decorated in green and white appointments, suggesting St. Patrick, which was also cleverly carried out in the menu in every detail.

The next meeting will be in two weeks at the home of Mrs. Francis Eakin on Maryland avenue.

P. H. C. STAFF HONORS BRIDE AND GROOM

Among the many delightful social events sponsored by the popular degree staff of New Castle Circle number 5, Protected Home Circle none could have been more beautifully arranged than a dinner in the circle chamber Wednesday evening. The dinner was at 7 o'clock and was a courtesy to Mr. and Mrs. J. L. Colbert, a bride and groom of recent date, residing at the present in Crafton, Pa. Mrs. Colbert, nee Clara Cunningham, is the secretary and one of the most valued members of the team and while not living in the city, she will still continue in her office and in the interest of the team. The committee in charge of the splendid menu served to the entire team and a few special guests. Guests including the honored couple.

Following the dinner past president, L. E. Dandy, on behalf of the team presented Mrs. Colbert with a beautiful set of solid silver spoons. Mrs. Colbert in turn expressed her appreciation not only of the gift but also of her appreciation of her friends in the work of the organization.

Entertains Pupils

Miss Edna Weide entertained a number of her piano pupils at a recital and party at her home on South Mill street Wednesday evening.

A delightful musical program provided the entertainment, with the following pupils taking part: Josephine Biedka, Anna Giancola, Martha Alexander, Eleanor and Helen Markley, Marian Ginsberg, Caroline Landolfe, Genevieve Biedka, Pauline Master, Esther Wolfe, Rose Katz, Louise Shaffer, Katherine Sansosti, Josephine John, Enid Amos and Anna Rosenberg.

Special features were two readings by Louise Shaffer, Polish folk music by Genevieve Biedka and a Syrian song by Josephine John.

After the program various games were enjoyed and dainty refreshments were served by the hostess, assisted by her mother, Mrs. T. B. Weide, and Mrs. Paul Shaffer.

B. and A. Club Party

Jane and Helen Reynolds, Harding avenue proved charming hostesses Wednesday eevning when they entertained members of the B. and A. club in their home. Three tables of cards were in play during the evening and at the conclusion of play Eunice Woodcock pleasingly rendered several piano numbers and Jane Reynolds entertained with a number of vocal selections.

The hostesses were assisted in serving a dainty lunch by their mother, Mrs. George Reynolds and sister Katherine. The tables were each centered with a bowl of spring flowers and appointments were carried out in pastel shades.

Next Wednesday Mrs. Ethel Evans of Arlington avenue will be hostess to the club.

Entertain At Bridge

Helen Wallace and Irene Morris, delightfully entertained a number of friends Wednesday evening in the home of the former on Adams street.

Three tables of bridge were in play during the evening and lovely awards for high score were presented to Helen and Grace Sankey. At the conclusion of play each table was centered with a tall wax paper, tied with maline bow, and appointments were carried out in green and white tones when the hostesses served a tempting repast.

Birthday Surprise

A number of friends and relatives gathered at the home of Mrs. Harry Ruby of Almira avenue for a surprise birthday dinner at noon, Wednesday. Mrs. Ruby was the recipient of many beautiful gifts in honor of the occasion.

Those present included Mr. and Mrs. John Coulter, Mrs. John Forrest and daughter Marian, Mrs. Florence Coulter and son Jim, Mrs. Harry Coulter and children, Mrs. Ray Graham and daughter Evelyn, and Mrs. Aaron Boalich and children.

Honors Guest.

In honor of Mrs. A. H. Thomas of Greenville, Pa., who is her house guest, Mrs. Elmer Calnan of North Mercer street entertained a number of friends in her home Wednesday evening. Bridge featured the social hours with two tables in play. The prize for high score was awarded to Miss Gertrude Davies.

At a seasonable hour delicious refreshments were served by the hostess, assisted by Mrs. A. H. Thomas. A color scheme of green and white was used effectively throughout in the decorations.

Ladies Auxiliary of U. C. T.

The ladies auxiliary of the United Commercial Travelers will meet Friday evening at the home of Mrs. W. E. Eckenroad of 113 Fairfield avenue.

BUSINESS WOMEN HEAR THRIFT TALK

Carrying out their program for National Business Women's Week the Business and Professional Women's Club enjoyed a luncheon Wednesday, March 12, in the club room of the Y. W. C. A. The tables were prettily decorated and a delicious menu was served.

Miss Minerva Dean of Pittsburgh was a guest at the luncheon. Miss Dean gave a comprehensive talk on "Thrift" and especially stressed the value of systematic saving.

E. O. T. Club.

Mrs. Edward Taylor of East Washington street was a pleasing hostess to members of the E. O. T. club when she entertained in her home Wednesday evening, with 14 present. Cards formed the diversion of the evening, 500 being selected, with Mrs. William Sandman capturing the prize for honors.

At a chosen hour a delicious menu was served by the hostess, assisted by Mrs. W. Fulmer. St. Patrick suggestions were used in an attractive manner throughout the home, also napkins, place cards and shamrock favors, which marked each guest's place, added to the colorful setting for the occasion.

Mrs. Henry Taylor was a special guest of the club.

On March 26 the club will be received in the home of Mrs. Charles Faust on East Washington street at the regular meeting.

Birthday Honored

In honor of the birthday of their son, Joseph Jr., Mr. and Mrs. Frank Spinelli entertained at a party on South Mill street Wednesday evening to celebrate the occasion. Dancing and games were highly enjoyed during the social hours. Delicious refreshments were served at a later hour by Mrs. Joseph Spinelli, Jennie and Sara Spinelli, Mary and Clara Rozzi. The home was beautifully decorated in St. Patrick suggestions, with favors and cards of the same marking 50 places. Special guests were Mrs. Pasquale Tavalier and sons.

The honor guest received many beautiful gifts in memory of his birthday.

Unusual Club.

Miss Lena DeBiase was hostess to the Unusual club at her home on East Division street Wednesday evening.

During the business meeting Miss Julia DeBiase was taken in as a new member and arrangements were made for a theatre party to be held soon. The social hours were spent playing games, dancing and singing. Mrs. Carm Sacco won the regular club prize.

At a suitable hour the hostess served a delicious dinner, the table being beautifully decorated in blue and white, with a bouquet of carnations centering the table. Miss Millie Sacco assisted in serving.

The next meeting will be held at the home of Miss Louise Reda, Jefferson street.

Honor Recent Bride.

In honor of Mrs. James Martin, a bride of recent date, who was formerly Miss Eleanore Mae Staeph, Mrs. Elmer Kurtz entertained a number of friends in her home Wednesday on Moore avenue with Miss Ruth Kurtz as joint hostess, at a kitchen shower. Games of various sorts formed the entertainment of the social hours. Later, the hostess served a dainty lunch at tables beautifully decorated in St. Patrick appointments marking for 20 guests.

The honor guest received many lovely gifts.

Kard Club Organizes.

A group of women met at the home of Mrs. E. W. Crawford, 307 East Wallace avenue, Wednesday afternoon and organized the Kard club. Two tables of bridge were in play during the afternoon and at the conclusion of play the members enjoyed a delicious repast, served by the hostess, with appointments carried out in the season's colors.

Wednesday, March 19, the club will meet with Mrs. Paul B. Wells, Garfield avenue.

Rainbow Club Meets.

Members of the Rainbow club had a 1 o'clock luncheon Wednesday in the Third United Presbyterian church, after which they went to the home of Mrs. Arthur Maybray, Morton street, for their regular session. The afternoon hours were spent in a social manner with fancywork and general conversation.

W. H. Shaffer and family are moving from the Elmer property on Moody avenue to 2302 Highland avenue, on April 1.

Mrs. Robert Welsh, of Round street, who underwent a serious operation at the Jameson hospital, on Monday morning, is getting along as well as can be expected.

Mrs. E. C. Morrow, of North Walnut street, who was in the Jameson Memorial hospital as a result of an automobile accident, several weeks ago, is reported improving.

Mrs. Elmer Calnan and son Junior of North Mercer street and house guests, Mrs. A. H. Thomas and son Jack of Greenville, Pa., spent Wednesday with Mrs. Herbert Miller of Ellwood City.

Mrs. John Donahue, East Washington street, Mrs. Clarence Young, Harbor street, and Mrs. W. J. Shepard, East Washington street, left this morning for Pittsburgh, where they will visit the former's husband, in Mercy hospital.

SUIT IS ENTERED ON REALTY SALE

Earla E. Shurlock has filed a suit at the prothonotary's office against Morris Greenberg of Ellwood City, in which he claims $500. Greenberg had a plan of lots near Ellwood City and had sold several of them to Shurlock. Later some of the lots were taken back and a controversy arose over a refund.

BIRTHS

(Announcements to appear in this column must be signed with name and address of writer).

Born to Mr. and Mrs. Aaron Blews of Walmo, a son, on March 12, who will be named Aaron, Jr.

Mr. and Mrs. E. L. Hetrick of Arlington avenue announce the birth of a son on March 11. The baby has been named Clair Thomas.

Mr. and Mrs. Clifford Duncan of 1034 North Cedar street announce the birth of a daughter on March 12 who has been named Mildred Louise.

Mr. and Mrs. O. A. Rauschenbach of 340 E. Francis street, announce the birth of a son on March 12. The baby has been named Howard Herman.

Mr. and Mrs. Joseph Presnar, 1811 Pennsylvania avenue announce the birth of a son March 9. He has been named Edward.

P 12 P Club

Miss Kate Dobelek, of Northview avenue, entertained the members of the P 12 P club, Wednesday evening. The evening was most enjoyably spent with games and social chat.

Prizes were awarded the Misses Helen Krzos and Stella Cwynar.

A delicious luncheon was served by the hostess, assisted by her sister.

The next meeting will take place at the home of Miss Sophie Luke.

Pain is no longer pain when it is past.—Margaret J. Preston.

FUTILE

WORLD-WIDE reaction against Russia's "war against Heaven" suggests another crusade against the "unfaithful." Such a crusade to force religion upon the Russians would find devout and fervent recruits, but the day of crusades has gone. The world is too tolerant, too indifferent.

It is possible—Russia being what it has been and now is—that the soviets may be able to destroy the church as a powerful institution with vast property interests and a rich and influential clergy. It is conceivable that religion might, in that unhappy country, be outlawed, suppressed and destroyed to all outside appearances.

It is not so difficult, when backed by bayonets, to "socialize" factories, plants, mills, mines and farms. It may be that the collars of a socialistic serfdom can be forced around the necks of the people. They wore the collars of the czars for generations.

But you cannot destroy the religious faith of an old race by razing churches, forbidding religious services and teachings and persecuting the faithful. Persecution merely fans the fires of religious fervor.

Already religious societies are multiplying with a mysterious swiftness. They creep into and through factories and mines, even across the guarded thresholds of red barracks. It is a movement that defies the Red Terror. Machine guns have not stopped it. And it mocks at death and exile. Never before were the soviets so much in danger.

BY-PASS HIGHWAYS

The problem of through automobile traffic, which is was thought had been met by the construction of interstate highways, presents itself more forcefully than ever in those sections of the country where large cities dot the established transcontinental or intersectional routes.

Tourists, traveling long distances, want to avoid congested city streets and have sought what relief they could find by the selection of routes that avoided crowded traffic centers, but this is not always feasible. There has developed, in consequence, the theory of by-pass highways, designed to carry through traffic away from all dense centers of population and thereby expedite both motor freight and travel for pleasure.

The advantages to travelers, shippers and the cities themselves from this diversion of traffic are manifest. Through automobile traffic is no longer regarded as a trade stimulus by large cities. These urban centers are having enough difficulty with domestic traffic problems without encouraging their multiplication. Smaller cities, which have traffic problems correspondingly great, but want the tourist trade, favor by-pass highways because they separate those who want to trade with them from those who are speeding toward another goal beyond.

Those mapping the proposed Washington boulevard, which will connect Maine with Florida by way of the national capital, have in mind a highway that will make it optional with the motorist whether he will drive through or around cities along the route. Those who want to get to their ultimate destination will find their progress expedited and their trip made more comfortable. The others will be denied no sight-seeing privileges.

ALIENS ON THE PUBLIC PAYROLLS

The dismissal of municipal employes who are not citizens of the United States, which is reported from many cities, both large and small, throughout the country is a curious commentary upon the political patronage system which is supposed to be the controlling factor in the disposal of public employment.

In Detroit hundreds of non-citizens have been discovered on the public payrolls of non-citizens have been discovered on the public payrolls and dismissed, and war veterans have been told they have first claim upon the vacancies. In Springfield, Massachusetts, more than a hundred aliens were found on the payrolls. They must be dropped, according to an opinion of the Civil Service Commissioner, despite the fact that some have been working so long for the city that they are nearly eligible for pensions.

How do such things happen? It is difficult to understand how anyone could work for a generation in the public service in this country without becoming a citizen.

DR. COOK IN A NEW FIELD

Dr. Frederick A. Cook, physician and explorer, just released on parole from the Leavenworth penitentiary, announces that he proposes to dedicate the rest of his life to the work of curing drug addicts.

During the last five years he has lived in close contact "with one thousand of the worst narcotic addicts the world has produced." He adds, "They taught me more than I was able to teach them." It is quite evident that this man who claimed he had discovered the North Pole is a confirmed optimist. He is in good health and is prepared to look on the sunny side of life. He still clings to his North Pole claims. A man as persistent as that can hardly be placed in the down-and-out class.

But if he is able to discover a cure for narcotic degeneration he will be able to do the world a service that may be quite as important as if he had been the genuine discoverer of the Pole.

Once the number of rooms governed the price of a house. Now it's the number of baths.

Sentence Sermons

By Rev. Roy D. Smith, D. D.

NO MAN EVER MADE—

Enough restitution to pay his mother for all she expended on him.

A better reputation than when his wife can say, "He was a good man."

More trouble for himself than when he told his first lie.

A greater mistake than in thinking he could get something for nothing.

Enough new friends to atone for the old one he lost through deception.

Enough money to make him happy if his own son is a failure.

Any excuse to God that ever really covered anything up.

Fabric shoes, with accent on linen, are expected to be the outstanding models for summer.

Just Folks

By EDGAR A. GUEST

THE TRUTH

He muttered: "I've no word to say."
They led the guilty man away.

Sullen and obstinate he stood.
And would not answer when he could.

The charge against him to explain.
The judge appealed to him in vain,

The evidence conclusive seemed.
Outside the court a woman screamed.

"She's in a faint," the sheriff said.
The convict never turned his head.

"Let's get along," he murmured low;
"There's none to care how soon I go."

The evidence in court appears,
The facts are what the jury hears.

But now and then the truth may dwell
In what a woman dare not tell,

Today

Memories Fade.

Smallpox Also Marches.

A Small Big Item.

Pulling British Chestnuts.

By ARTHUR G. BRISBANE
(Copyright, 1930, King Features Syn., Inc.)

William Howard Taft, Chief Justice of the United States, President of the United States, Secretary of War, rode to his grave in Arlington Cemetery on a gun carriage, the first United States President to be buried there.

A military funeral was perhaps, not what he would have suggested, but he was entitled to it as former Secretary of War and Commander-in-Chief of the Army and Navy.

Before burial, the body of the late Chief Justice lay in state for two hours, in the Capitol, on a catafalque, upon which had lain the coffins of Presidents Lincoln, Garfield, McKinley and Harding.

How LINCOLN stands out in that, or any list. How soon men become unimportant and are forgotten.

Lincoln, never!

Ominous and threatening for India is the beginning of Mahatma Gandhi's campaign of "no violence, but refusal to obey" against the British.

Gandhi and his followers march in protest to make salt tax-free and smallpox marches with them.

Three are dead, twenty-two prostrated by the disease. The British have made a desperate fight against the various plagues in India, smallpox included, with the natives fighting against them.

It has never been possible to prevent natives bathing in the filthy Ganges, occasionally swallowing water upon which dead corpses are set adrift.

Under British rule the population of India has increased by 100,000,000. It would soon diminish under native rule, with the aid of smallpox and other plagues.

This small item of news interests managers and stockholders of railroad and steamship lines:

An airplane driven by a Diesel engine flew from Detroit to Miami in 10 hours, 15 minutes, without stopping, with Chief Engineer Willson of the Packard campany, and Walter Lees, pilot.

And the trip cost for fuel $8.50.

When such flying is done on a big scale, airships with power enough to defy all storms will be able to take passengers from the Atlantic to the Pacific for $5 each.

You will be able to travel 3,000 miles for less than it costs to send your voice on the telephone wire today.

It is said that President Hoover is willing to listen, but not enthusiastic about that "guarantee by Uncle Sam suggestion." Welcome information regarding the "suggestion" is that in consideration of France obliging England as regards battleship building, the United States shall undertake to send men to be killed and money to be spent in Europe, in case another nation should attack France.

The plain English is that we are to pull chestnuts out of the fire for our British friends and underwrite future war difficulties of France, an admirable nation, but one that has been at war pretty steadily for twelve centuries.

There is plenty of money in the country; the difficulty is to get it.

Secretary Mellon needs $450,000,000 for Uncle Sam.

The public offers to buy twelve hundred ninety-one million dollars worth of Treasury certificates. There is plenty of water in the oceans, lakes and rivers. The trouble is to get it on dry soil that needs it.

There is plenty of wealth in the United States. The trouble is to distribute it widely, evenly, consistently.

New York City, fighting the "Reds," proposes to deport all alien radicals. The police furnishes employers with lists of radicals on their payrolls and the radicals are dismissed by the hundreds.

While men fight men even with considerable odds on one side there is no great objection.

But it is suggested that New York expel children of "Red radicals" from public schools. That is like a suggestion to put all the sick people out of hospitals. What is the purpose of our public school system? Will its managers admit that it cannot cure a child of his radicalism and make him an admirer of what radicals call our "capitalistic system?"

Mr. J. P. Morgan's new yacht, costing $2,500,000 is the largest private craft ever built.

The world might once have envied Mr. Morgan. Now it is pleased to have him encourage the shipbuilding industry.

A modest cloak and suit buyer can travel to Europe on a boat free to anybody more comfortably than Mr. Morgan can go on his big private yacht "Corsair."

Mr. Morgan's $2,500,000 yacht is an inexpensive toy compared with such a ship as the Bremen, which would cost $50,000,000 in the United States.

We live in democratic, almost "socialistic," days without realizing it.

The public park is finer than anybody's private estate. The fastest trains are for the general public, not for private cars, and the finest ships are for everybody.

The elder J. P. Morgan would be interested to hear about this handsome "Corsair," built by his son who so closely resembles him.

The original "Corsair" was a small boat by comparison, but the late J. P. Morgan enjoyed it.

On a Saturday he would go aboard from a dock on the Manhattan side of the East River. And on Sunday morning, in the dining saloon he would play religious music, most dolefully, on a machine driven by foot-power.

Family Stuff. BY FONTAIN FOX

Hints and Dints

Sun sets tonight 6:05. Sun rises tomorrow 6:13.

A Philadelphia policeman killed a large black bear at 40th and Ogden streets Saturday. The bear was cross and had likely ambled in from the woods in search of grub for the cubs. Its dangerous for any bear to try to hug one of those Philadephia cops right on the street.

That East Lackawanna roast guinea dinner with all the trimmings would be just like a barbecue for the very large number of people who have never even seen a guinea or heard one jabber.

Still, many an ornery man would be a good provider if his wife should lose her job.

Necesities are those simple things people can cut down a little when times are hard.

Playing It Safe
(Personals

ELBOW—Please give last two numbers of telephone so I may know it is right party.

A correspondent says: "Fuel is expensive and every little helps, so it is nice to receive chain letters to keep our home fires burning. It certainly does give one a real thrill of joy to see a chain letter go up in smoke. Check and double check.

"Diet makes a nation's history." Sounds reasonable. One of the great events of history was the Diet of Worms.

The law of supply and demand now seems to affect everybody except the weather man.

HORSE-SCOPE
"If the stars incite stay in at nght."

According to the stars much wind is foretold all through the summer months. Most of this will come through establishing radio channels.

This should be considered as a favorable day for starting automobile journeys—providing back seat drivers can be gagged before the start is made.

Planetary aspects indicate that small business men in Russia are likely to be in for a long period of "slow sledding."

Children born on this day will never repeat the things they hear from other children.

Benjamin Spanglewood was born on this day and will be remembered as the man who never shut off his alarm clock, and then crawled back into bed.

The census of unemployed won't look quite so bad if the census taker arrives while the boss is in.

The poor cotton planter made scarcely enough money last year to supply his family with rayon hose.

An Arizona man had his wife arrested for taking the family car away from its moorings and using it without his permission. His lordships action was overruled by the Justice of the Peace who decided that the woman had some rights about the place and could ride with her foot on the brake if she wanted to.

Lives of great men oft remind us, also, that a two-by-four can climb high if he gets the breaks.

Tow happy Americans would be—if they could do as they wish to do without wishing they hadn't.

Bachelors seldom attain greatness. They lose heart because they have nobody to blame for their mistakes.

When a Cleveland mammy cat came trailing home with five young skunks she had confiscated some place out in the big open spaces, she found all doors closed which meant no admission. The people saw her coming. That cat made a mistake.

AMERICANISM: Happily working wonders when obstacles are many: fearfully wondering whither we are drifting when we haven't anything to worry about.

People weren't better in blue-law days. They just wanted their neighbors to be better.

Free people are those who berate their chosen leader if he doesn't keep them moral in spite of all they can do.

ONCE MORE

"Doctor, do you think the anesthetic will make me sick?"

"No madam," replied the surgean. "I think not."

But still she was not satisfied. "But" she continued, "how long will it be before I know anything?"

"Madam," replied the medicine man as he signaled to his assistant that he was ready, "don't you think that's asking a great deal of the anesthetic?"

Many strangers were seen on the streets of New Castle Monday, many of whom were drawn here, no doubt by the trial of Irene, but the real arrivals were the many robins, with their cheerful greetings and bright plumage, just like they had come up on dress parade from the orange groves of Dixie.

Pharaoh got all the farm land, too, but he swopped grain for it instead of using a Federal farm loan.

When you see Marines toying experimentally with chopsticks, it means China has seized a few Standard Oil boats.

Another way to make your husband suffer is to gush about the wonderful home of your lucky girlhood friend.

You can't acquire noble birth, but you can get the same nice feeling of superiority by being more righteous than your neighbor.

At this time of the year boys and girls should use considerable pressure when spreading apple butter on their bread so as to fill up all the air holes and other cavities, just like a dentist filling a tooth. This means more applebutter to the square inch and makes better licking. Yours for better business.

Another way to save the children would be to limit their reading to the old dime novels that were supposed to corrupt their dads.

The serpent was commanded to bruise mortal heels, and does it very nicely when a No. 6 foot is inserted in a No. 3 snakeskin slipper.

Somebody threatened to throw a bomb into the senate chamber, reminding the tariff tinkerers that they had not fixed a rate on pineapples.—The Toledo Blade.

Honkin' th' horn for crossin's is a good enough practice, but what saves accidents is usin' th' eyes, th' ears an' th' brakes.

The World AND THE Mud Puddles

NORTH AMERICAN CAMELS.

Does the Reader know that camels were once used in the deserts of the Southwestern United States and that today stray camels are to be found in North America?

Jefferson Davis was Secretary of War under President Pierce and it was the same Jefferson Davis, afterward President of the Confederate States, who conceived in 1854 the idea that the United States Army, occupying the new acquired Territory from Mexico, could be well supplied with necessities by Camel Trains, until Railroads might be built.

After two years perseverance by Davis, Congress appropriated $30,000.00 for an expedition to the Near East to purchase camels and transport them to the United States. Lieutenant Edward F. Beale, afterwards a citizen of San Diego, California, headed this expedition in 1855 on board the U. S. S. "Supply." He who afterwards Admiral Porter of the Northern Fleet during the Civil War, was Captain of the "Supply" on this trip.

After making visits to various ports, observing the adaptability of the camel in warfare and in all kinds of climate, the expedition returned to Galveston with thirty-three camels. Soon after two camps were established, one near El Paso and the other at Bakersfield, California.

Through change in administration Davis was unable to carry on his experiment and his successor who became interested was prevented from using the camels on account of the outbreak of the Civil War. Finally, the camels were disposed of by auction to circus owners, zoos, mines and California ranchers.

Several of the descendants of the escaping camels have been seen recently in the Northern Mexican States and last December a party was organized to capture one which was devastating truck gardens of the residents of Brawley, Imperial County, California.

The camel was too clever for the hunters and is still at large.

Bible Thought For Today

A Searching Question— And why call ye me Lord, Lord, and do not the things which I say?—Luke 6:46.

Prayer:

"Take my will, and make it Thine;
It shall be no longer mine."

Symposium of Editorial Views By Newspapers of Nation on Important Subjects as Edited by Consolidated Press Association

Many Think Hoover Entitled To More Than One-Year Test

President's First Mile Post Reached With Great Variety Of Judgments As To His Achievements

Countrywide expressions of judgment as to the first year of the administration of President Hoover are notable for a tone of sincerity in which there is very little attempt to view the matter from a partisan standpoint. A fairly large proportion of the printed comments makes the point that one year is too short a time to determine the results of White House policies. Favorable statements are based on a belief in the wisdom of the executive, while criticism is largely for an alleged lack of political skill.

The BUFFALO EVENING NEWS remarks that "Mr. Hoover has taken the wise course in refusing to become excited or resentful and in allowing his opponents to bring upon themselves the public reaction which inevitably overtakes aimless and endless talkers. It may well happen that the results in the coming months will add this attitude to the record of Hoover successes."

"More time, more patience, more knowledge will be required before fair opinions concerning him can be formed," thinks the BROOKLYN DAILY EAGLE, while the MEMPHIS COMMERCIAL APPEAL states: "Hoover's lack of partisanship that is costing him the advocacy of partisans may rebound to his benefit. His first year has not been propitious. Results have been disappointing. He has three more years in which the skies may brighten and things take an upward turn. Depressions in this country are short-lived and ephemeral. Prosperity can quickly dissipate the clouds of political opposition."

"It can be truly said," according to the ST. LOUIS GLOBE-DEMOCRAT, "that his larger plans are either in process of application or are still to be inaugurated, and no just appraisal can now be made of the character of his administration. Any judgment, therefore, is premature." Calling the first year "one of trial and adjustment" and believing that "as his term proceeds he may see the necessity of asserting that leadership which lies latent in him," the HARTFORD COURANT "looks forward with continued confidence."

"His best record," avers the CHARLESTON EVENING POST, "has been made in the field of international affairs. His attitude toward the London conference aided greatly in making it possible for that endeavor to start with some hope of success. * * * He has impressed the nation with the fact that he is a man of good intentions, a first-rate executive and a person keenly aware of social problems. As a politician he has been far less impressive. Unfortunately, there is a large body of opinion in this country which regards a high degree of political acumen as the most necessary element of character for success in the White House. It remains for the Hoover administration to demonstrate whether or not this view is correct."

"Convincing tests of the effectiveness of the methods employed by the close-reasoning president," says the CHICAGO DAILY NEWS, "will be awaited with deep interest by the public. In view of the sanity of those methods, and of the manifest honesty of purpose which dominates them, it is a fair guess that the coming three years of the president's term will be successful." The NEWARK EVENING NEWS asserts: "The country has not lost confidence in the soundness of Mr. Hoover's ideas. Considering that he has inaugurated policies of doubtful popularity, and that he has no united party support, a year may be too short a time for measuring him accurately."

"If business 'picks up'," as viewed by the ROANOKE WORLD-NEWS, "Hoover's stock will come back; if it continues to decline, Hoover's popularity will suffer. Of course, this is not altogether fair to Hoover. But it is a fact, nevertheless, and it might as well be recognized. Hoover does not stand nearly so high in the estimation of the American people today as he did one year ago. No longer is he looked upon as a miracle man who can accomplish marvels impossible of achievement by less gifted mortals. That he is doing his best is generally conceded. That he is a wizard is no longer believed."

Among newspapers which hold that a single year is not sufficient for an adequate test of an administration are the MUSKEGON CHRONICLE, the RUTLAND HERALD, the YAKIMA REPUBLIC, the INDIANAPOLIS STAR, the PITTSBURGH POST-GAZETTE, the SAVANNAH PRESS, the ALBANY EVENING NEWS, the KALAMAZOO GAZETTE, the BUTTE DAILY POST, the JERSEY CITY JOURNAL, the PROVIDENCE BULLETIN, the SYRACUSE HERALD and the HARTFORD TIMES. In criticism of his record, the RALEIGH NEWS AND OBSERVER argues that "most of his so-called achievements have been only initiated," and that "the best that can be said is that some of them are in process." Enumerating predictions which were made at the beginning on the subjects of prosperity, farm relief, government reorganization, prohibition and peace, the DAYTON DAILY NEWS contends that, "while no fair mind would expect a president to clean up such an order in a single year," yet "unhappily, the year ends with Mr. Hoover well begun in none of the five."

Lack of clear-cut policy is charged by the ATLANTA CONSTITUTION, the MILWAUKEE JOURNAL and the ST. LOUIS POST-DISPATCH. The BIRMINGHAM NEWS says: "The record is one that may incite pride only on the theory that 'Make 'em weep, make 'em laugh, but keep 'em waiting' contains the last word in American statecraft." The ASHEVILLE TIMES believes that "if the congressional elections were held today, they would probably reveal popular discontent with both president and Republican party." The LYNCHBURG ADVANCE concludes that "the first year as president has not revealed him as a great executive." The CHATTANOOGA TIMES doubts that he "can line up the independent Republicans," assuming that cooperation is necessary to success.

With the judgement that Mr. Hoover is "neither a consistent scientist in government nor a skillful politician," the BALTIMORE SUN adds: "It is far too early to make any broad generalizations about the probable success of Mr. Hoover in the White House. His first year, however, has forcefully suggested the need of one vital readjustment in his program. That is the establishment of some clear goal toward which he is bound, and from which he cannot be driven by a blast from the senate."

More complimentary is the statement by the CHARLOTTE OBSERVER that "people disposed make fair and impartial review of the situations that have confronted Hoover since he took up the reins of government, cannot escape the conclusion that he has managed affairs with a master hand." Other strong indorsements come from the NEW YORK TIMES, the KANSAS CITY JOURNAL-POST, the SOUTH BEND TRIBUNE, the ALTOONA MIRROR, the BOSTON TRANSCRIPT, the JACKSON CITIZEN PATRIOT and the CINCINNATI TIMES-STAR.

Praising the president's leadership in the task of advancing disarmament and world peace, the WASHINGTON EVENING STAR says of other features of his administration: "Mr. Hoover tackled the problems confronting his administration without delay. He had promised to call a special session of congress to deal with farm relief and tariff revision. The results have been considerable and of moment to the country, politics to the contrary notwithstanding."

Praise for the character of his administration and its achievements comes from the SPRINGFIELD MASS., UNION, UTICA OBSERVER-DISPATCH, the HELENA MONTANA RECORD-HERALD, the WORCESTER EVENING GAZETTE, the CLEVELAND NEWS, the NEW CASTLE NEWS and the LINCOLN STATE JOURNAL.

"The critics have not harmed Hoover, but rather have rallied about him a warmer and a heartier support," avers the SEATTLE TIMES, while the BELOIT DAILY NEWS believes that "there has been piled up a good deal of reason for the nation to be increasingly impatient with certain professional politicians who have played the role of unreasonable obstructiveness." The SCRANTON TIMES finds predictions of disaster "unless he is able to demonstrate greater party control" but the GREEN BAY PRESS-GAZETTE contends that "he will have to break away from some of the traditions and policies of the Republican party."

Referring to present farm conditions, the OMAHA WORLD-HERALD recalls: "We were assured that here at last was a man fitted for and worthy of the high office. Here was a man who understood economics, to whom the variations in the flow of commerce were not mysteries." The results are condemned by that paper.

Prayer In Congress

The house met at 12 o'clock noon. The chaplain, Rev. James Shera Montgomery, D. D., offered the following prayer:

Almighty God, hear us, as our hearts are heavy, because his hour is come. One of our best beloved and most eminent citizens has crossed his Jordan, and we turn to Thee. We see goodness and mercy in his face, and it was a face that never wore a veil. A smile was always in his eye, and it was never shaded only with sympathy and pity. In him was the union of the art of living and the fine grace of life, and at threescore and ten it was an unbroken idyl of tranquil happiness. Blessed Father, we are grateful for the touch of his soul, so memorable and forever beautiful.

The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures; He leadeth me beside the still waters; He restoreth my soul; He leadeth me in the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil, for Thou art with me. Thy rod and Thy staff, they comfort me. Thou preparest a table before me in the presence of mine enemies; Thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life, and I will dwell in the house of the Lord forever. Amen.

NEW YORK, Mar. 13—There's one way to keep your husband from noticing other girls and that is to be just as attractive as they are.

When Mrs. Somebody Schmierer recently brought a charge against Mrs. Christiana Hunter of taking the affection of her husband, the judge advised her to "go to the nearest drug store, get yourself some rouge, powder and lipstick, and doll yourself up for your husband."

It is the province of kings to bring was about; it is the province of God to end them.—Cardinal Pole.

Grandfather Makes Visit To Donnie Last Night

Donnie, little son of Irene Schroeder, bronde triggerwoman on trial for her life at the present time, held a reunion with his grandfather Joe Crawford of Benwood, West Va., also his mother's three sisters, Mrs. F. H. Muldoon, Mrs. Mamie Baum and Mrs. Ruby Schroeder, all of Wheeling. F. H. Muldoon husband of one of the sisters was also present.

The interesting little family reunion took place in the county detention home in the presence of Parole Officer Jack M. Dunlap.

Donnie seemed more interested in seeing his "grandad" that he has been in being with his mother or any of his other relatives.

He made a real demonstration when his grandfather appeared on the scene last night and spent practically all his time with the grandfather, who saw him again for the first time since the little fellow was found in Bellaire in January and removed to this city. The visit lasted between half and three quarters of an hour and did not appear half long enough for Donnie and the grandfather.

"How do you like it here?" questioned the grandfather of Donnie.

"All right. How do you like it? was the quick rejoiner of the little fellow.

When the grandfather and Donnie got together there was considerable whispering between them, evidently concerning something that interested them alone.

The grandfather expressed himself as pleased with the treatment of Donnie stating that he was growing, looking fine and in excellent condition.

W. C. T. U. and L. T. L.

Harbor Union Meets

The Harbor Union of the W. C. T. U. met in the home of Mrs. Herman Byler, Wednesday and an interesting program followed the devotionals, which were conducted by Mrs. Byler.

The work of the L. T. L. was discussed and pamphlets on Tithing and other subjects of interest were read. Persistent prayer in behalf of the temperance cause was particularly stressed. At the close of the business session the hostess served a delicious lunch.

The April meeting of the union will be held with Mrs. A. T. Eckles.

Croton Union Meets

The Croton Union of the W. C. T. U. met Wednesday at the home of Mrs. Jess Hinkson, Ray street, with 15 members present. One new member was received. The vice president, Mrs. Annie Williams, presided at the meeting in the absence of Mrs. E. C. Morrow, who is ill in the hospital. A numbers of reports were given as to sick calls, flowers and money spent in relief work.

Mrs. T. C. Armstrong gave a splendid talk on Light Line Unions and Mrs. E. A. Cook read a paper on. "White Ribboners of Japan.' Mrs. Ed Nolan related a true story: Mrs. E. E. Blaine gave a reading, "The A. B. C. of Peace and "What Prohibtion Brings," was the topic of Mrs. Spear Gibson. At the conclusion of the business session a social period was enjoyed and a dainty lunch was served by the hostess and her daughter Lois, with Mrs. VanHorn and her daughter Olive as aides.

The April meeting will be held at the home of Mrs. Barbara Smith, on Dewey avenue.

Central Union to Meet

The Central union of the W. C. T. U. will meet in regular monthly session Friday evening at the Y. W. C. A. at 7:30 and Mrs. Samuel Rearick will conduct the department of missions and temperance.

Arrangements for the membership drive will be completed at this time.

SPIRITUAL MEETING

Mrs. Cobb, 310 Locust street will conduct a spiritualist meeting in her home Saturday evening at 8 o'clock.

Rosy Cheeks
for indoor days

Crisp cold air brings a touch of color to every one, but it soon passes unless good health keeps it there. Shredded Wheat is an ideal indoor-weather food. It contains the mineral salts that make healthy red blood and the bran that promotes regular habit even though exercise is restricted. Plenty of nourishment—and easily digested too. Eat Shredded Wheat every morning—a biscuit or two with hot milk for a delicious, vitalizing breakfast.

Regional Chief To Confer With Council And Board Tonight At 7:30

Major Roy F. Seymour, of Pittsburgh, regional executive for Region Three of the Boy Scouts of America arrived in New Castle this morning to attend a special conference with local scout officials at the Greer building headquarters tonight. The meeting hour is 7:30 o'clock.

Scouter certificates will be presented to the members tonight and it is of supreme importance that every member of the county council and executive board be present.

Major Seymour will speak.

Ask Dickey To Be Candidate

Attorney Thomas W. Dickey of this city is being importuned by political leaders of Beaver county to be a candidate for Congress it was learned Wednesday afternoon. A representative of the Beaver County men came to New Castle for the purpose of asking Mr. Dickey if he had considered their invitation sufficiently to give them an answer.

Whether or not he will get into the fight is unknown as he gave no definite answer to the messenger on Wednesday. Mr. Dickey has been out of active politics since he served a term as district attorney some twenty years ago. He has interested himself as a citizen but has not been a candidate since then.

Sheriff Johnston Gets Police Ropes

Sheriff Frank N. Johnston this morning borrowed from the city police force, a considerable number of lengths of rope used by the police in ropping off the streets on occasions of parades, and where dangerous condions may exist.

The sheriff proposes using the rope in providing an aisle from the jail to the rear door of the court house, when the prisoners are being taken to and from the court house.

He also plans to use some of it in front of the court house to hold back and control the crowd of curiosity seekers who are making it hard for those having business there to get in.

In Religious and Fraternal Circles

Mabel Ryan Class To Meet

Members of the Mabel Ryan class of the Christian and Missionary Alliance will meet Friday evening at the home of Mrs. Roy Houk, 503 Grant street. Officers will be elected at this time.

W. B. A. 98

The W. B. A. 98 will hold their regular business session Friday evening at 7:15 in the K. of P. hall. At the conclusion of the business session, cards will be enjoyed.

D. of A. to Meet.

Willard council 46 of the Daughters of America will hold their regular meeting Friday evening at 7:30 in the McGoun hall. All officers will be in their places at 7:30 as a card party will be held at the conclusion of the business session.

Plans will also be completed for the membership campaign which they will launch soon.

Mission Study Class.

The mission study class of St. John's Lutheran church will meet Friday evening at 8 o'clock at the home of Mrs. Harry Miles, Albert street. The mission study book "From Jerusalem to Jerusalem" will be taken up and studied for the next six meetings. Mrs. Herman Hess will be in charge of the lesson.

Hart Queen Esthers.

Mrs. Cecil Woodard of Lutton street entertained the Hart Queen Esthers of the Epworth church Tuesday evening. At the close of the business meeting a delicious lunch was served by the hostess, assisted by her sister, Mrs. John Mariacher.

Miss Jane Watkins was a special guest.

Girls Meet in St. Andrew's.

The Girls' Friendly society, a band of girls between the ages of 12 and 15, met in the guild room of St. Andrew's Episcopal church for their initial meeting Wednesday evening. Plans were made for making crepe paper Easter baskets during Lent and also to make new linen covers to be used in the church for covering the vestments.

The girls chose the first Wednesday of the month as the date for their monthly business meeting and at last night's business session selected officers. Anne Hitchen was chosen president, Josephine Cartwright secretary and Mildred Gregor treasurer. Mrs. David Lewis, Mrs. Ethel Evans and Mrs. William Wignall were chosen as honorary associates and will act as an advisory board to the girls.

Wednesday, March 19, will mark the date of the next meeting when the girls will meet at 8:30 p. m. in the church.

Service Star Legion

Members of the Service Star Legion will meet tonight at 7:30 in the Legion Home, North Jefferson street, for their regular business meeting.

Spiritual Message

A spiritual message circle will be held at the home of Mrs. A. E. Guthrie, 1219 South Jefferson St., Fisher apartment No. 3, Friday evening at 8 o'clock. Mrs. A. E. Guthrie will be assisted by Miss M. Davis.

CHOIR REHEARSAL CHANGED

The choir of Trinity Episcopal church will meet for rehearsal Saturday evening at 8:30 instead of Friday as scheduled.

PATROLMAN WOUNDED WHEN PAUL WAS SHOT AND KILLED, ON STAND

Will Continue His Testimony At Night Session Of Court—Gives Graphic Story Of Battle—Tells Of Identifying Irene In Jail At Phoenix Later

Holding his emotions in check with a very apparent effort, Patrolman Ernest Moore told the jury this afternoon how his fellow officer and friend, Corporal Brady Paul, was murdered on the Butler road on December 27th, 1929. As he narrated the brutal slaying, a hush fell over courtroom number one and spectators leaned forward, gripped by the tale he told. Moore was still on the stand at adjournment and will go back on at seven o'clock for the night session.

As he sat up on the witness stand Moore talked in a rather nervous tone of voice. At times his voice dropped until it seemed that the jury might not hear as well as they should. The horror of that December day, when his buddy was shot down, when he himself miraculously escaped death at the hands of the bandits, has left its mark, and the composure that marked him as an officer before the shooting has been replaced by a nervousness which will take time to overcome.

A Graphic Story

In spite of the shattered condition of his nerves, Moore told a clear story, reciting how he and Paul had gone out to the Butler road at noon of December 27th, stopped the Chevrolet car containing Irene Schroeder, Glenn Dague and Tom Crawford and Donnie. How Irene and Dague had gotten out of the car, held Paul up and how he (Moore) was wounded by the man in the back seat.

There was no attempt at heroics or sympathy seeking in Moore's story. It was a graphic account of a brutal slaying, with no attempt made to tell anything but the truth. Who actually fired the fatal bullet into Paul's body, Moore does not know. "I am not positive", he said. "I heard shots, and heard somebody say 'I got one'." Then the black pit of oblivion as he sank to the roadway, stunned from the bullet that hit him in the head.

All the time Moore was on the stand, Glenn Dague sat glowering at the left of the judge's bench. The smug complacency that had marked him since coming into court gave way to a look of rage, while over at the counsel table Irene's eyes snapped out a message of hate. To them it may be the story that will send them to the electric chair.

The court room was fairly well crowded this afternoon, the crowd being kept down by the splendid work of the deputies who are on the job. The testimony of this afternoon follows:

Afternoon Session.

David Parker, of Butler, was the first witness called at the opening of the afternoon session.

Q. Were you in Butler on December 27?
A. Yes.
Q. Did you see the defendant?
A. Yes. She was sitting in a car in front of the company I work for. She was reading a newspaper and later leaned back in the seat. There were other parties in the car. The man walked across the street, looked at my car, opened the door and gave the car a very good once over. Then he went towards Main street.
Q. How far was this from Main street?
A. I would say 75 feet.
Q. Near the Butler store?
A. Yes.
Q. What time was it?
A. Between ten and ten fifteen.
Q. How many other persons did you see?
A. Two others.
Q. See any of them?
A. Only Dague (pointed him out).
Q. How was he dressed?
A. Dark overcoat and stiff hat.
Q. Describe the other man?
A. I couldn't describe him as I didn't look at him closely.
Q. How long did you see the car on the street?
A. About fifteen minutes.
Cross examined by Jarrett.
Q. How long did you look into the car?
A. About ten minutes.
Q. Was it Dague that looked your car?
A. I can't say.
Q. Well you identified him didn't you?
A. Yes, but not as the man who looked at my car.

Butler Police Chief.

Palmer West, former chief of police of Butler, was the next witness. He is an officer of the force at present.

Q. You were chief of police on December 27, 1929?
A. Yes.
Q. Did you get any information about the holdup of the P. H. Butler store?
A. Yes. The sergeant got the message and Officer Morgan and I went to Wish Angert's store.
Q. Did Morgan talk to Angert?
A. Yes.
Q. Did you get a description of the bandits?
A. Yes.
Q. What did you do?
A.I told Sergeant Lovett to notify the state police and Morgan and I went out in search of the bandits.
No cross examination.

Police Lieutenant.

Joe Morgan, lieutenant of police on the Butler police, was called.

Q. On duty December 27?
A. Yes.
Q. Did you hear Lovett getting the report of the robbery?
A. Yes, I heard the conversation.
Q. Did you talk to Wish Angert?
A. Very slightly. He told me the number of men in the job.
Q. Did you get any information as to which way the robbers went?
A. Yes.
Q. What did you do?
A. The chief and I went out the Kittanning road looking for the bandits.
Q. Were the police on the lookout for these people?
A. Yes, all day.
No cross examination.

State Policeman Called.

First Sergeant Martin J. Crowley, of Troop D of the State Police at Butler, was called.

Q. Are you stationed at the barracks?
A. Yes.
Q. Where did you get information on this robbery?
A. From Lee Lovett of the Butler city police.
Q. Did you get any direction from your captain?
A. Yes, he said to send out radio information and that he would send the information to the teletype at Harrisburg.
Q. Did you get the information on your receiving set?
A. Yes, at 11:55.
Q. Are there any other receiving sets in western Pennsylvania?
A. Yes, about 30.
Q. What other instruction did you get?
A. To call New Castle, Mercer, New Brighton and other places to give the alarm.
Q. What did you do?
A. I called New Castle and got Corporal Brady Paul and told him we had information about the robbery and that we thought the robbers were headed toward New Castle.
Q. What did he say?
A. Said he would get out on it right away.
Q. Why did Paul go?
A. There were no state police there.
Q. Did you tell him the sex of the robbers?
A. Yes, I told him a man and a woman pulled the job and perhaps another man.
Q. Did you call anyone else?
A. Yes, New Brighton, Mercer, Zelienople and Kittanning.
Q. Did you get more descriptive evidence in your second report?
A. Yes.
Q. What did you do with it?
A. Later sent it into Harrisburg.
Q. Did you get other reports?
A. Yes, that two highway officers had been shot near New Castle.
Cross examined by Jarrett.
Q. You say you called Brady Paul at 11:40.
A. Yes. I have a record of it.

Photographer Testifies.

Clark Rutter, a photographer, was the first New Castle witness called.

Q. Were you called on to make certain photograph near the Baldwin home on the Butler road?
A. Yes.
Q. Was there a Chevrolet car on the road?
A. Yes.
Q. Did you see Mrs. Baldwin, Mrs. Williams, George Book, Howard Zeigler?
A. Yes.
Q. Was a car put into position.
A. Yes, they indicated the position.
Q. Did you take photograph?
A. Yes.
Witness identified the pictures.
Q. Did Mrs. Baldwin point out where she had been and did you take a picture then?
A. Yes.
Cross examination failed to change the testimony.

Milholland Testifies

C. H. Milholland, a civil engineer was called. He showed the jury a map of the Butler road at and near the point where Brady Paul was murdered. He pointed out to the jury the various points of the distance and explained what the various scales of distance were.

In the cross examination Dickey brought out the fact that the trees in the lane leading to the Baldwin home had been trimmed since the date of the murder.

Mr. Milholland's testimony was lengthy but almost all technical. A recess was taken as he was excused.

Ralph Nullingham was called.

Q. Where do you work.
A. McCoy Motor company.
Q. Did you go out to the Baldwin farm on February 21.
A. Yes.
Q. What kind of car did you take.
A. A 1929 Chevrolet coach.
Q. What did you do.
A. Put in position where the photographer could take pictures of it.
He described the taking of the pictures, with witnesses pointing the positions.

Ernest Moore, the patrolman who was wounded on December 27th, was called. After describing how he and Paul went out the Butler road to the Baldwin lane, his examination was as follows:

Q. What did you and Paul do?
A. Stopped the Chevrolet coach.
Q. What was said?
A. Paul asked the driver for an operator's license.
Q. Where were you?
A. Right beside him.
Q. What did the driver say?
A. Nothing.
Q. What did you do?
A. Went to the rear of car.
Q. Hear anything said?
A. Paul said, take it out of the case.
Q. Where were you then?
A. I was leaving Paul to look at the rear license.
Q. After you looked at the license what did you do?
A. I was just turning around and Paul backed into me, hitting my left arm.
Q. Anybody else there that you saw?
A. Yes, the operator and the lady. The lady had a gun on Paul.
Q. Had you heard any other conversation?
A. No.
Q. You say the woman was back of the operator?
A. Yes.
Q. Who was the operator of the car?
A. Glenn Dague.
Q. Where is he?
A. There he is (pointing to Dague).
Q.Who was the woman?
A. Irene Schroeder. (He pointed out Irene.)
Q. What was Paul's position?
A. Both hands out and up.
Q. What was Dague doing ?
A. Had his gun drawn on Paul.
Q. Did the woman change her position?
A. Yes. She stepped behind Dague in the direction of Butler and pointed her gun at Paul.
Q. He covered you?
A. Yes.
Q. What was said by Mrs. Schroeder?
A. Stick 'em up.
Q. Anything said by Paul to you?
A. Pull your gun, Moore.
Q. What did you do?
A. Raised my left hand, pulled my gun with my right hand and started around the car.
Q. Why did you go around the car
A. For protection.
Q. What happened.
A. The man in the back of the car shot me in the nose.
Q. Did you continue to travel around the car.
A. Yes, and the man in the back seat shot again.
Q. Where did you go then.
A. Round to the front and got down in front of the radiator.
Q. While you were in front of the car what happened.
A. Several shots fired through the windshield at me.
Q. Did you remain crouched.
A. Yes.
Q. What then.
A. When I raised up I was shot at.
Q. Did you see Dague while you were in front of the car.
A. Yes, he was on the side where Paul was.
Q. Where was he.
A. Right at the left front window.
Q. What was he doing.
A. Had his gun drawn.
Q. Did you shoot at Dague.
A. I don't know.
Q. Why.
A. I was shot in the head and went down to the ground.
Q. Do you have your cap here.
A. I do.
Witness shown cap with holes in it and identified.
Q. Do you have a mark on your forehead where you were struck.
A. I do.
He showed the scar on his head and nose.
Q. What happened when you was shot.
A. I fell backwards and lost consciousness.
Q. Did you hear anything said.
A. I heard someone say, I got one.
Q. What happened then.
A. Some man helped me to a car.
Q. Where were you taken.
A. To the Colonial hotel.
Q. At the time you started around the car after Paul had told you to draw your gun did you see what was going on.
A. Paul was backing up.
Q. Did you hear any shooting before the first shot from the rear of the car.
A. I did not.
Q. How many shots were fired at the rear of the car.
A. Four or five or six.
Q. At the time Paul bumped into you where was his gun.
A. In his holster.
Q. What side was his gun.
A. On his right side.
Q. How old are you.
A. Twenty five.
Q. What became of your gun.
A. I don't know.
Q. What make gun did you have.
A. A Colt 38 special.
Q. Who furnished it.
A. The State in April or May 1927.
Q. Do you know the number.
A. Yes, A-526328.
Q. When did you next see your gun.
A. In Phoenix, Arizona.
Q. Were you there when Schroeder and Dague were brought back.
A. Yes.
Q. Who had the gun.
A. Sheriff Wright.
Q. Did you leave it in Sheriff Wright's possession.
A. Yes.
Q. Did you examine the number at that time.
A. Yes. It was mine.
Q. When you were brought to the Colonial hotel how long did you stay.
A. Just a couple of minutes.
Q. Where did you go.
A. To Kelley's undertaking room and then to the hospital. He was in the operating room.
Q. Did Mrs. Crowl go into the operating room.
A. Yes.
Q. How long were you in there.
A. Just a few minutes.
Q. Who attended you.
A. Dr. Loyal Wilson.
Q. Was Paul dead.
A. Yes. Dr. Wilson told me while he was dressing my head.
Q. Are you still with the Motor Patrol.
A. Yes, at Greensburg.
Q. From your position at the time of the shooting could you see who was firing.
A. No.
Q. How was Dague dressed.
A. Long dark coat and a hat.
Q. How was the woman dressed.
A. Long dark coat and dark hat.
Q. How was the man in the rear seat dressed?
A. An overcoat and a derby.
Q. Could you tell anything of his size?
A. No.
Q.Did he get out at any time?
A. No.
Q. Did you observe anything of Dague's face?
A. He had a mustache.
Q. When did you next see Dague and Irene?
A. In the Maricopa county jail.
Q. Did you identify them?
A. I did.
Q. At the time you identified Mrs. Schroeder in the Maricopa jail was she alone?
A. No, she was with other prisoners.
Q. Was Dague alone?
A. No, with other prisoners.
Q. All together?
A. Yes.
Q. Did you pick him out?
A. Yes.
Q.Did you pick out Mrs. Schroeder?
A. Yes.
Q. Was there anything said by you or anyone that she was Irene Schroeder?
A. Yes. Mr. Evans said hello, Irene.
Q. What did she say?
A. She said she was Mildred Winthrop.
Q. Anything said to Dague?
A. I told Sheriff Wright that he was the man.
Q. Did you shoot while you were on the Butler road?
A. I am not positive.
Q. Why?
A.Whenever I went down I was pressing the trigger and I don't know if it went off.
Q. At whom did you have the gun pointed?
A. At Glenn Dague.
Q. Have you seen the Chevrolet since the shooting?
A. Yes.
Court adjourned at this point.

The varied length of sleeves this season makes gloves of more importance than for some time.

WITNESS

ERNEST MOORE

In Senate Ring

Eben S. Draper, of Hopedale, Mass., former army captain and governor of the state, has announced his candidacy for the United States senate.

MRS. BALDWIN TESTIFIES THAT BLONDE HELD GUN THAT STRUCK DOWN PAUL

(Continued From Page One)

A. Yes.
Q. How far was Mrs. Schroeder from Paul?
A. Four or five feet.
Q. Tow close were Irene and Glenn together?
A. Right together.
Q. How close were their guns?
A. About 2 feet apart.
Q. Who had the smaller gun?
A. My impression is that Glenn Dague.
Q. What size were the guns?
A. A 38 and a 32. Irene had the 38 and Dague the 32.

Cross Examination

Q. Who got the message in the hotel?
A. Paul.
Q. You knew you were going to hunt for bandits?
A. Yes.
Q. You stopped several cars?
A. Yes.
Q. Any other Ohio car?
A. Can't recall.
Q. As you came to the car who stopped it?
A. Corporal Paul.
Q. Where were you?
A. To his right.
Q. How was he dressed?
A. Cap, leather coat, side arms on top leggings, shoes, and breeches.
Q. What was the first thing Paul said?
A. Asked him for his driver's license.
Q. You knew they don't use driver's licenses in Ohio don't you?
A. Yes.
Q. What did the driver do?
A. Handed him a wallet?
Q. Didn't Paul have his gun drawn?
A. No, sir.
Q. Didn't the occupants of the car tally with the description?
A. Yes.
Q. Did he hand the wallet back?
A. I don't know.
Q. Paul and you were on side facing New Castle?
A. Yes.
Q. Did the driver look into the wallet?
A. Can't say.
Q. Remember who opened the door?
A. No, sir.
This line of cross examination objected to by Margiotti as misleading.
Q. You were standing beside Paul?
A. Yes, and as he had the wallet turned and went to the rear.
Q. When did you first see the occupants of the car on the road?
A. After they got out.

Saw Occupants

Q. You didn't have your eyes on occupants of car?
A. I saw them in the car.
Q. How far back did you go?
A. Directly behind it.
Q. Did you go back
A. I turned around and saw Glenn Dague and Mrs. Schroeder.
Q. You couldn't see Paul's hands?
A. I could.
Q. Did you testify at the preliminary hearing?
A. I did.
Q. Weren't you asked if you could see Paul's hands and didn't you say you could see his right hand.
A. Don't remember.
Q. Did you answer this question: Was there anything in it, meaning his right hand and didn't you say no, sir?
A. Yes.
Q. So you couldn't see both his hands?
A. As he as backing up you mean?
Q. Yes?
A. No, I couldn't see both his hands until he was turned around.
Here Moore illustrated how he stood using a desk as the automobile.
Q. Did you go around the car?
A. Yes.
Q. You say Paul bumped into you.
A. Yes.
Q. You say you bumped into his gun. Objected to because the witness didn't say so. Court sustained the objection.
Q. At the preliminary hearing were you asked could you see his hand and you said you could see his right hand.
A. Yes, sir.
Q. You were asked where did he have it (his hand) and didn't you answer I could not say.
A. I don't remember.
Jarrett here objected to what he said was a shaking of Margiotte's head to which Margiotte replied that he did not know he was shaking it and certainly was not trying to aid the witness.
Q. When he said draw your gun did you say you raised your left hand and drew with your right?
A. Yes.
Q. Were you asked did you run in a crouching position and did you say you ran around the rear of the car?
A. Yes.

Crouching Near Car.

Q. Were you crouching or standing as you ran around the car.
A. Crouching.
Q. You left Brady Paul standing there?
A. Yes.
Q. You were asked what did you do and did you not answer I raised my left hand, pulled my gun and stepped around the car?
A. Yes.
Q. Now you say you didn't pull your gun out of your holster?
A. I didn't have it clean out.
Q. How far on the right hand side did you get?
A. Just around the corner.
Q. Were you nipped on the nose when you were on right handside of car or the part of radiator?
A. Right hand side of car.
Q. Your gun out yet?
A. No.
Q. Still in the holster?
A. Yes.
Q. As soon as you were in front of the radiator you got down?
A. Yes.
Q. How many shots fired at you there.
A. Three two of them thru the windshield and one thru the window.

Holes In Windshield.

Q. How many holes in the windshield?
A. Three on right hand.
Q. How many on left?
A. One.
Q. When you got in front of radiator where were the woman and man?
A. Behind the car.
Q. As Dague came around did you fire?
A. I don't remember.
Q. Do you remember firing any shots at all?
A. I don't remember.
Q. After you were struck on the nose did you increase your speed?
A. Yes.
Q. When you were in the county jail how did you identify Glenn Dague?

SAW SHOOTING

MRS. EVA BALDWIN

Who saw corporal Brady Paul Shot and Testified on Thursday night.

A. He came out and I identified Glenn Dague by his mustache and his peculiar eyes.
Q. Nobody else in the cell but Dague, was there?
A. Twelve or fifteen men in there.
Q. Was he shackled?
A. Yes.
Q. Wasn't he the only one shackled?
A. Yes.
Q. Who did you identify first Dague or Irene?
A. Irene.
Q. Was she handcuffed?
A. I didn't see.
Q. Who was in that cell.
A. Two other women, one colored and one white.
Q. Irene was the only blonde in there, wasn't she?
A. Yes.
Q. You said when you looked at the license plate Irene and Dague covering Paul with a gun.
A. Dague was covering Paul. Irene ran behind him with her gun.
Q. You couldn't see the barrel of her gun?
A. Yes, I could.

Covered By Dague's Gun.

Q. Were you covered with a gun?
A. By Dague's gun.
Q. You didn't notice these guns until Brady Paul bumped into you?
A. No.
Q. The minute you saw those guns you beat it around the car didn't you?
A. I paused a moment.
Q. When you left Paul there you could be several feet away couldn't you?
A. Yes, 3 or
Q. Didn't you pull your gun?
A. I was pulling it out.
Q. That was after Paul ordered you to pull your gun?
A. Yes.
Q. Your instructions are to obey orders, aren't they?
A. Yes.
Q. How long was it from time Dague pulled his gun until you left?
A. Practically no time at all.
Q. You were running in a crouching position to the front of the car?
A. Yes, just a little.
Q. Did any one use the words "get back"?
A. Yes, Dague said that to Paul more than me.
Q. When you looked at the gun you were looking into the barrel?
A. Yes.

Dague's Gun Aimed at Him.

Q. The Dague gun was pointed at you?
A. Yes.
Q. Didn't it look larger than the other?
A. No, it didn't.
Q. Didn't you make your identification of these guns as to eye before Brady Paul said "pull your gun" or after?
A. When he said it.
Q. you saw both guns pointed at the same time?
A. Yes.
By Margiotti:
Q. At the time you went around the car on whom did Mrs. Schroeder have her gun?
A. On Paul.

Gun is Shown.

Q. I now show you a gun, commonwealth exhibit 19, handed to me by Officer Funk. Whose is it?
A. It was assigned to me.
Q. Is that the gun you had on the Butler road and which you next saw in Phoenix, Arizona?
A. Yes.
Q. What mark was on the base of the gun?
A. "S. H. P."
Q. Is it on there now?
A. No.
Q. Was it on in Phoenix, Arizona?
A. No, it had been filed off or rubbed or sandpapered off.
By Dickey:
Q. When you went out on the Butler road your gun was filled?
A. Yes, with five shells.
Q. Was Paul's?
A. I don't know.
Q. It's customary, isn't it, when you hunt bandits?
A. Yes.
Q. Did you have your belt filled with ammunition?
A. Yes, sir.
That's all.

Sampson Called.

William M. Sampson was called out of order in order that he might return to his home in Elm Grove, W. Va.

Q. How far is Elm Grove from Benwood, W. Va.?
A. About 11 miles.
Q. How long have you lived there?
A. About 13 years.
Q. Do you know Glenn Dague.
A. I do.
Q. Did you see him in the court room today?
Objected to as immaterial. Overruled.
A. I did.
Q. Who was he?
A. Walter Glenn Dague.
Q. Did you ever know him by any other name?
A. Since we were small boys.
Q. When did you last see him before December 27, 1929?
A. About January, 1929.
Q. Where was he living?
A. At Valley Grove?
Q. How far from Benwood?
A. Approximately 17 miles.
Q. Where was Dague last employed?
A. Scott Motor Co., Wheeling, W. Va.
Q. When?
A. First of 1929.
Q. From childhood to January 19, when did you see him?
A. Excepting when he was in the army, constantly.
Cross examined by Dickey:
Q. Seen him since you came up here?
A. Only in the court room.
Q. Dague was in the army for some time?
A. Yes.

Evans Testifies.

Charles Evans of Benwood, W. Va., was called.

Q. How long have you lived there?
A. All my life.
Q. Did you know the defendant?
Q. Yes.
Q. Who was she?
A. I knew her as a child as Irene Crawford.
Q. Did you go to Phoenix?
A. Yes.
Q. Did you see Mrs. Schroeder?
A. Yes.
Q. Who took you into to see her?
Witness named a party of people who went from New Castle.
Q. Did you say anything to her?
A. Yes.
Q. What did you say to her?
A. I said hello Irene.
Q. What did she say.
A. She said are you speaking to me, my name is Mildred.
Q. Were you in the governor's office at the extradition hearing?
A. Yes.
Q. Did the governor say anything?
A. He called her and she didn't say anything and he called her again. She said are you speaking to me.

Not a Blond Then

Cross examination by Dickey.
Q. You went out to identify Irene.
A. Yes and Joe Wells.
Q. Did you ever play around with her.
A. No. I went to school with her brother and saw Irene at his home.
Q. How long has it been since you saw Irene.
A. About ten years.
Q. Was she a blond then?
A. No her hair was darker.
Q. Was Irene shackled to the bench in the cell in Phoenix?
A. No.
Q. Was Irene going to school when you went to school with her brother?
A. I don't think so.
By Margiotti.
Q. You spoke of Joe Wells. Why were you taken out to see Joe Wells.
Objected to and withdrawn.
Q. Did you have an explanation about Joe Wells. Objection overruled.
A. Yes.
Q Make it.
A. When I was summoned to go to Phoenix it was not known whether the man held in Phoenix was Tom Crawford or not.

Mrs. Baldwin Testifies

Mrs. Eva Baldwin of the Butler road was called.

Q. Were you at home December 27 last?
A. I was.
Q. Who else was at home?
A. My boys, Samuel and Raymond.
Q. Was your husband home at the time of the shooting.
A. He was in the barn.
Q. How was your attention attracted to the officers?
A. Raymond said that two officers were in the driveway. I said we would watch and see what they would do. I went to the west window. The boys were in the hall.
Q. When you got to the window what did you do?
A. I watched the patrolmen.
Q. What did they do?
A. They walked back and forth.
Q. See any automobiles?
A. Yes.
Q. Were any cars going to Butler stopped.
A. No they were waved past.
Q. Any from Butler stopped?
A. Yes they stopped a number.
Q. What happened?
A. About the sixth car was stopped in front of our driveway.
Q. What part of it could you see?
A. All of it.
Q. Did the trees obscure it?
A. Can't say they did.
Q. Were there any changes in physical conditions between December 27 and February 21 when the pictures were taken?
A. None except that the trees were pruned.
Commonwealth offers the pictures taken from the Baldwin porch in evidence.
Objected to by defense and overruled by the court.

Saw Shooting

Q. While you were at the window what did you see the officers do?
A. I saw the officers stop the car. One walked to the drivers side. The other was at his side. The taller officer went to the window and the other went to the rear of the car. The taller one I learned after was Brady Paul and the other E. C. Moore. The door came open and a man came out and then a woman. The woman came around to the right of the man. The man and woman had a gun in their hands. Some one yelled get back and Brady Paul backed up, with his hands up (illustrating). The woman was on this side of the man with the gun in her hand. They were along side of each other. The man had his gun drawn and Paul was backing up. He passed the back of the car. He hesitated for an instant at the back of the car. Then I saw the woman fire.
Q. How far was she from the rear of the car.
About five feet.
Q. Where was the man?
Q. Just turning.
Q. What indicated that she fired.
A. I heard the shot and saw the smoke and saw Paul sway.
Q. Then what did you do?
A. I went to the phone.
Q. What did you do?
A. Called the Princeton operator and had him call the New Castle police. Then I went to the rear of the house and called my husband.
Q. While you were at the telephone did you see anything?
A. No. I heard several shots but didn't hear anything.
Q. After you got through telephoning where was the car?
A. It was gone.
Q. At the time this woman fired at Paul what position was Paul?
A. His right hand was at his side I don't know if he had his gun or not.
Q. How was the man who got out of the car dressed?
A. He had on an overcoat and a soft hat.
Q. How was the woman dressed?
A. In black.
Q. When she fired the one shot did Paul fall or remain standing?
A. He remained standing.

Woman Fired First

Cross-examined by Jarrett.
Q. The first shot that you heard fired was the shot the woman fired?
A. The first one I heard.
Q. How many were fired when you were at the telephone?
A. Eight or ten.
Q. How far was the woman from the back of the car?
A. Five or six feet.
Q. Did you see a third man then?
A. I think not.
Q. You say you saw the smoke of the gun?
A. Yes.
Q. You can't be mistaken about that?
A. No sir.
Q. You were looking through the west window?
A. Yes.
Q. Curtains on the window?
A. Yes.
By Margiotti:
Q. What kind of day was it when the shooting occurred.
A. Clear.
Q. And when the picture was taken?
A. Clear.
That's all.
Samuel Baldwin, son of the preceding witness, was called. His testimony was similar to that of his mother. After his mother went to the telephone he saw Irene shoot Paul again, and saw Paul fall.
Court adjourned as the witness finished at 9:45 p. m.

Railroad Briefs

Going to Sharon

Superintendent H. T. Frushous supervising Agent E. A. Fenton and Division Engineer C. W. Van Nort, local officials will attend the opening membership dinner of the Sharon Chamber of Commerce as guests tonight. Congressman T. D. Cochran, Mercer, will be the principal speaker, and the Castle Singers, composed of R. E. Johns, George Anthony, J. O. Stritmater and Harry Evans will furnish musical entertainment.

Returns From Meeting

C. W. Van Nort, division engineer for the Erie and Ashtabula division returned this morning from Chicago, where for the past three days he has been attending sessions of the engineering department of the American Railway Association.

At Indianapolis

It was announced at local P. R. R. headquarters today that J. A. Sonnhalter, division freight agent of the company at Youngstown is in Indianapolis attending the meeting of the traffic department of the Pennsylvania system.

Railroad Rambles

R. W. Wray, general superintendent of motive power for the central region of the Pennsylvania was a caller here Wednesday. With local officials he inspected the shops and enginehouse here.

J. A. G. Gormley, head of the joint car record agency of the Shenango and Mahoning Valleys is reported to be recovering from a week's illness at his home on Euclid avenue.

H. T. Frushour, P. R. R. superintendent will go to Cleveland following a Sharon dinner tonight, and tomorrow attend a staff meeting called by General Superintendent P. L. Grove.

Members of the Women's Aid of the Pennsylvania are planning a St. Patrick's Day card party, to be held at third floor headquarters of the Aid in the local freight office building.

(International News Service)

CHICAGO, Ill., March 14.—Library authorities have pointed out that the growing leisure available to the American public is best indicated by the fact that in 1929, families bought 227,000,000 copies of 19,187 titles of books of all sorts. Book clubs, it is claimed, are not responsible for the biggest interest in reading, as they account each month for only 80,000 to 100,000 of the millions of books that are brought out in the same period.

Americans Seek To Break Tieup In Conference

American Delegates Turn Efforts Toward Breaking Existing Deadlock

FAINT HOPES FOR SUCCESS ARE HELD

Negotiations Continue In Private Between Chief Delegates Today

By HARRY R. FLORY
International News Service Staff Correspondent

LONDON, March 13.—The American delegates turned their efforts toward mediating the differences of the other delegations in an attempt to find a key which may open the deadlock now existing at the London naval conference.

Hopes of breaking the deadlock sufficiently to enable a real five-power agreement appeared to be faint, however.

Private Discussions.

The negotiations were continued in private discussions between the French and Italians and the British and Americans. A meeting of the "big five", originally scheduled for 4 o'clock this afternoon, was canceled in order to give more time for the private discussions. Secretary of State Henry L. Stimson and Ambassador Dwight W. Morrow were closeted together at the Ritz hotel for an hour this morning. Following this conference, Secretary Stimson took a 20-minute walk in Green park alone, deep in thought.

Call on MacDonald.

Later, Stimson and Morrow called upon Foreign Minister Briand, while conferences between Briand and MacDonald and Dino Grandi, chief Italian delegate, are scheduled for this afternoon.

Reijiro Wakasuki, Japanese chief, discussed the progress of the Japanese-American cruiser negotiations with Premier MacDonald this morning, and broached the question of a three-power pact if a five-power treaty becomes impossible.

Tardieu Tarries.

PARIS, March 13.—Contrary to previous expectations, Premier Andre Tardieu will not go to London to participate in the disarmament conference until next week, it was learned today.

Before he crosses the channel he is determined to catch up with three sleepless nights occasioned by the hectic budget debate in the chamber of deputies.

Service Men Win Shoot Last Night

Members of the Service Men's Rifle Club defeated the Nonpariel Club in a Match shoot at the Armory last night, winning out with a total score of 954 to 910.

Dunlap was high for the Service Men with a score of 183 out of a possible 200, while Turner was high for the Nonpariels with 162 out of a possible 200. Four positions were shot, offhand, kneeling sitting and prone.

The scores follow:

Service Men	
Dunlap	183
Allen	173
Fauzy	156
Anderson	153
Robinson	146
Bovard	143
Total	954

Nonpariels	
Turner	162
Bruno	159
Swogger	156
Rohrer	153
McDermott	145
Jamison	135
Total	910

Life is a long lesson in humility.—Barrie.

A Load Off Your Mind!

Enjoy the Thrill of Health as Mandrake Frees You of Constipation Poisons Overnight—No Drugs!

How about giving your bowels a treat, you sufferers from chronic constipation? A few Mandrake Pills tonight will get you more results than a whole boxful of any ordinary laxative! They will free you of old matter which clogs your insides until you feel all stuffed up, dizzy and fagged out. They will banish that gas, bloating, biliousness—that sick headache, no appetite, bad taste, foul breath and dead tired fatigue. They bring sound sleep, new energy, clear complexion and feeling of youthful health. Tell the druggist you want *sugar-coated* Schenck's Mandrake Pills. No drugs to endanger your system — but natural Mandrake and other herbs. Make you feel like a million dollars—but cost only a quarter!

The Halle Bros. Co.

HOTEL CASTLETON

It's the Touch of Taffeta

that makes these straws so new

Look for it at the nape of the neck in a quaint bow or on the brim in a tailored ribbon. It is just one of the old-fashioned-new fashioned ideas characteristic of 1930—a season of delightful inconsistencies.

And until you've tried taffeta and straw in one of the new brimmed hats that tilt away from the face you cannot realize how becoming it is . . . and how utterly charming and feminine.

P. R. R. Women In Monthly Meeting

Interesting Session Is Held In Y. W. C. A. Parlors; Full Program

All departments were represented at the regular March meeting of the Women's Aid of the Erie and Ashtabula division of the Pennsylvania railroad, held in the parlors of the Y. W. C. A. here.

Mrs. H. T. Frushour, superintendent, opened the business session by summing up all activities of the month just preceding. Plans were made for a card party, to be held on March 17 in the new room of the meeting room on the third floor of the local freight house. Mrs. J. S. Richards will be in charge at that time. The final report of the membership drive was also given and indicated highly satisfactory results, the percentage for the year surpassing that of 1929.

Following the business session Richard E. Johns of the superintendent's office entertained with several vocal selections, his rendition of "Traveling on the Pennsylvania", composed by Walter Goodwin and dedicated to the Pennsylvania railroad, was enthusiastically received. Miss Elizabeth Mitchell of the Sharon freight office also sang beautifully. Readings were given by young Jack Sowash, Billy Campbell and Donald Moran. The Misses Jean DeLillo, Maxine DeLillo and Peggy Dent, dancing pupils, exhibited considerable talent in their dance numbers. Little Jean can sing, too, and as a blackface commedienne put her number over big. Maxine and Peggy were also good in their Russian and novelty dances. Michael DelBene of the New Castle freight house whistled some favorite tunes, and H. E. Yoho put on a magician act.

The program was under the direction of Mrs. E. A. Fenton of the supervising agent's department, assisted by Mrs. G. A. Guinagh and Mrs. J. P. Weyrick, as well as other members of her staff. Dainty refreshments were served and St. Patrick's Day colors were carried out.

The aid will meet next in the New Castle freight house with Mrs. E. C. Johnston in charge.

CLARK REA MURDER CASE ABOUT READY FOR JURY VERDICT

(Continued From Page One)

life in Lawrence County and twelve years in New Castle. I have been working in Philadelphia lately.

I went to school at the Union High school, and before that at Volant.

I know Charles Llewellyn, Jess Martin and Jack McDevitt. We made plans to visit the Rae home in Neshannock to get some money. We did not plan to do anything else.

We did not plan to injure or kill any one. The night before we went out each cautioned the other not to fire any shots. If anything turned up we were to run.

I did not fire any shots that night. I do not know who fired the shot that killed Clark Rea.

Did Not Know Rae Shot

When I went into the house that night I did not know that Rae had been shot. I never told the officers that I knew Rae had been shot before I went into the house.

I did not tell Barrett, McAnaney or Powers that we all found own guns and then entered the house. I did not know that was in the statement I signed. I did not authorize it to be put in the statement.

Cross Examined

Cross examined: You say that in planning this you had several conferences?

Just on the night that we went out there.

You always planned not to do no shooting?

Yes sir

Guns were to be used only to frighten the old men?

Yes sir

Why did you have to have your guns?

There was no reason

Why Take Guns

The reason you took your guns was because you intended to use them if you had to in order to get the money?

No, it was not

The last time you went out was the only night that all of you had guns?

Yes, it was

You had been out previously when all did not have guns?

Yes sir

The first time you went out you got cold feet?

Yes

Each of these visits was at night?

Yes, about 8 o'clock

And on each occasion the old men warned you to go away?

Twice they did

Once you told Rea's you were Mont Block's boys?

Yes

One of these old men threw a chair at you after you had broken the window, why did you not go away then?

I did. I went to another window.

And you then entered with your gun drawn?

I did

This closed the examination of the defendant.

Character Witnesses

Defense then called the names of a number of character witnesses all of whom were sworn together.

Francis Shrontz, called. live on English Ave. Have lived there 22 years. In tire business. Have known Grimm 7 or 8 years. Know his associates. His reputation is good.

Cross examined: Ever hear of Grimm having been arrested for larceny about two years ago?

I did not

Ever heard that he was arrested in 1927 for malicious mischief?

No, I did not

Never heard anything but good about him?

Never did

Ever hear of his being arrested for tampering with an automobile?

I did not

You don't know who he runs around with?

Some of them

Never Heard of Record

C. W. Crawford: I live on Simpson street. Know Grimm, know people with whom he associated. His reputation is good

Cross examined: I knew Grimm when I worked with him at Shenango Pottery

Did you know that Grimm was arrested in 1927 charged with larceny and receiving stolen goods?

I did not

Did you know he was arrested for malicious mischief?

No, I did not

Did you know he had been arrested for tampering with an auto-

I did not

If you had known these facts would it have changed your opinion

It would not

James G. Walsh: I have known Grimm for several years and his reputation is good.

Cross-examined: I never heard of Grimm's having been arrested and having been in jail

Record News to Him

William Heckathorne: I live on Sampson street. Have known Grimm 4 or 5 years. His reputation is good

Cross examined: Did you know Grimm had a crminal record?

I did not

If you had known that you could not have testified as you did?

No

Arney Biddle: I live on English Ave. I have known Grimm for some time. His reputation is good

Cross-examined: I never heard of Grimm having been in trouble

If you had heard from others that Grimm had been arrested could you say he had a good reputation?

I am testifying only as to my own knowledge of him

Witness was asked if he knew the difference between reputation and character

He was not certain

Judge Chambers explained that character is what we are, reputation what we are thought to be

Further examined withness said that in giving his answer that Grimm's reputation is good, it had been partly on his own knowledge.

Knew Grimm 10 Years.

John Ward, Milton street. "I have known Grimm about 10 years. His reputation is good.

Cross examined. "Where do you work?"

"I work for the city on the street department."

"Did you know of this boy's criminal record?"

"I did not."

Alvin Heckathorn. South Mill street. "I have known Grimm for some time. His reputation is good."

Cross examined. "Did you know of his record?"

"I did not."

Charles Jones, Mahoning township. "I worked in the pottery with Grimm for some time. His reputation is good."

Cross examined. "Did you know of his criminal record?"

"I did not."

William Ayers, Union township. "Known Grimm. His reputation is good. Never heard of his criminal record."

Knew Of Trouble.

Mrs. Bertha Boughters, State street. "I have known Grimm five years. His reputation is good."

Cross examined. "Did you know of his former trouble in this court?"

"I had."

"And you say he has a good reputation?"

"Yes, Sir."

William Grimm, defendant, recalled to witness stand, and asked regarding his former record. Objection raised by prosecution, and witness withdrawn. This closed testimony for defense.

Prosecution then offered records of September session 1927, showing that William Grimm had been one of the boys who entered Smith & McQuiston garage and carried away merchandise. Record showed that Grimm had pleaded nolle contendere to the charge of breaking and entering and had been sentenced 10 days to the county jail.

This closed the evidence.

Arguments for the defense were made by Attorney R. L. Wallace and for the prosecution by Attorney Walter Braham.

Judge Chambers delivered his charge to the jury this afternoon in which he laid down the law applicable to murders committed during the perpetration of a robbery.

Forney Case In Hands Of Jury

(International News Service)

PITTSBURGH, Mar. 13—With both commonwealth and defense having rested their cases, decision on the guilt or innocence of Alfred W. Forney, reputed slot machine racketeer, today reposed in the hands of a criminal court jury here.

Forney is alleged to have been the "big shot" in a widespread slot machine ring in this city.

ILL WITH PNEUMONIA.

George Mee, Sheep Hill road, is confined to a local hospital today with a severe attack of pneumonia. Mr. Mee was removed to a hospital soon after he reached New Castle yesterday from an extensive visit in Florida.

Aged Man Missing, Nurse Is Sought For Questioning

Hospital Doorman In Pittsburgh Missing—Believed Kept Company With Young Nurse

(International News Service)

PITTSBURGH, March 13.—Maurice Wertheimer, 67-year-old hospital doorman, who has been missing from his home since last Saturday, may have disappeared as the result of a December-May romance, police indicated today.

Wertheimer, detectives learned, had been keeping company with Ruth Wilmer, 21, a former nurse at the hospital. They said store records revealed that the doorman had bought the nurse an expensive fur coat and other clothing and that she had posed as his granddaughter, the detectives said.

Miss Wilmer, whose home is in McKeesport, a suburb, was sought for questioning in connection with Wertheimer's disappearance.

Senate Committee Hears Of New Cure In Cancer Disease

(International News Service)

WASHINGTON, March 13.—Before an audience of leading scientists, Drs. W. B. Coffey and John D. Humber today told the senate commerce committee they had formulated an "extract" which they believe defi- checked and killed the malign... growth of cancer.

The "extract" Dr. Coffey said, was refined from the tissue in the "cortex of the supernal glands." He said his experiments showed one injection of the "extract" relieved pain, two injections ended pain and regular treatment resulted in "the cancer or malignant group sloffing off and dying.".

Sum Appropriated To Recondition Vessel

(International News Service)

WASHINGTON, March 13.—An appropriation of $300,000 to complete the restoration of the U. S. S. Constitution, now at Boston navy yard, was provided in a bill sponsored today by Rep. McCormack (D) of Boston. McCormack explained that a campaign to raise the money by contributions from school children had brought in $400,000, but that another $300,000 was necessary to complete the work.

Chicago Civic Opera Building Fire Damaged

(International News Service)

CHICAGO, Mar. 13.—Fire of undetermined origin broke out today on the fourth floor of the new $20,000,000 Civic Opera building. The blaze was quickly extinguished. Damage was slight.

BOY SCOUT NEWS

Banquet Date Set.

The Lawrence County Council fathers, mothers, and scouts banquet will be held on Thursday evening, March 27, in the First Presbyterian church, corner of North and North Jefferson street, at 6:30 o'clock.

The merit badge exhibition will be held in the First Christian church the same evening. The exhibition will be open before and after the banquet to give everyone an opportunity to see it.

The banquet tickets will be on sale within a few days. This ticket includes admission to the merit badge exhibition. Persons who desire to see the exhibition but will be unable to attend the banquet, will be admitted to the exhibition for a special charge.

Christian Church Troop.

The First Christian church Boy Scout Troop No. 15 held its regular weekly meeting on Tuesday evening, March 11, in the First Christian church. The meeting was in charge of Scoutmaster Sidney Smith, Assistant Scoutmaster Glen Montgomery, and Senior Patrol Leader Ralph Montgomery.

The opening exercises, led by Senior Patrol Leader Montgomery consisted of the scout oath, allegiance to the flag and the scout laws and explanations.

After a few interesting games, including a knot tying game and a relay race, the patrols were sent to their corners where good turns were received and dues collected and contest points checked.

Some very interesting patrol stunts were given by the various patrols; The Indian patrol gave a stunt with a prominent jewelry store in Paris as the setting; the Silver Fax gave a safety play featuring a railroad accident and a trial; and the Pine Tree patrol gave two patrol yells.

Several important announcements were made. The first aid team will meet at the home of Sidney Smith at 718 Brooklyn avenue, this evening, March 13th, at 7:45 o'clock.

The meeting was closed by Russell Book blowing taps.

Scribe, Herbert Rodgers.

SCHULZ TO ATTEND BANK CONFERENCE

Frank A. Schulz of the Lawrence Savings and Trust company will leave this evening for Philadelphia, where he will attend the sessions of the Central Atlantic States Bank Management Conference, to be held Friday and Saturday.

The meeting is being held under the auspices of the Commission on Banking Practices of the American Bankers Association and bankers associations of the various Middle Atlantic states.

Board Votes Against Taking School Movies

Object To Commercializing Schools Along With Industrial Plants Of City

SUPERINTENDENT REPORTS ACTIVITIES

Members of the Board of Education at their meeting last evening, voted against the proposition advanced by a moving picture production company, of taking moving pictures of the children in the schools for an exhibition of New Castle's "most essential" industry.

Dr. Green stated that he felt that it was entirely a commercial proposition, it being the idea of the promoters to take pictures of local industries along with those of the children and to show them in one of the school auditoriums on a percentage basis.

He stated that better films of the leading industries could be procured and shown in the schools for the school children than this particular firm could produce and that to his mind, it was merely a scheme on someone's part to make money at the expense of the school system.

The board voted permission for Miss Gladys Rich, music supervisor in the schools; and Miss Esther Gibbons, teacher of music in one of the schools to attend the National Music Supervisors Convention in Chicago from March 24 to 28 at no loss in salary.

Summer School For Seniors

On recommendation of Walter W. Duff, the board voted to hold a summer session for those members of the senior class who needed additional credits to graduate. It developed that 24 Seniors would graduate with the class under condition, and that many of them were making plans to attend college next fall and needed the credits which could be obtained at this summer school to fill college requirements. This had been promised them before the board had made their decision to do away with the summer session, and it was voted to hold a special class for these pupils. The cost would be about $300, it was explained.

The board voted to rent the Cathedral auditorium for the use of the local schools for the annual competition of the Northwestern Scholastic Music Association, which will meet here April 25th, New Castle being host to the other schools in the district on this occasion.

Mr. McIlvenny objected to renting the auditorium, when there were several good school auditoriums which could be used, and was the only one who voted against the proposition.

Superintendent C. C. Green, presented his monthly report, showing the total enrollment in the local schools as being 10,748 during the month of January, with an average attendance of 10,181 during the month a percentage of 95.

Report of the Americanization classes at the Lincoln and Garfield building, showed a total enrollment of 68, with an average attendance of 46 during the month.

Report of attendance officer Mrs. Biersmith showed that 410 cases were reported during the month, and that 82 notices were served on parents or guardians.

Dental Report

The report of Misses Emma J. Dodds and Helen E. Wilson, school nurses, showed that 145 emergency dressings and treatments were given during the month; six room inspections were made; 14 homes were visited; 44 visits were made to schools, business, hospitals, and clinics; 51 interviews were held with principals, teachers and parents; 20 hours were spent with Junior high school clinics; and 219 T. A. T's were given.

The report of Miss Lois E. Biggins, and Miss Bernice Swank, dental hygienists, showed 1909 re-examinations and 157 new examinations; 63 children sent to dental clinic; 185 sent to family dentist, 20 schools and 66 rooms were visited; 112 health talks were given, 129 prophylaxis completed and 136 emergencies treated.

The report of School Dentist, Dr. C. M. Booher, showed 152 examinations; 151 sittings and 12 treatments. He made 114 deciduous extractions and 2 permanent extractions, filled 71 teeth with amalgam, 19 with cement and six with gutta percha.

Report of the monthly medical inspection by Dr. Mary Baker showed one examination for employment certificate; 11 vaccinations, 190 rooms inspected, a total of 21 conferences held, and 263 T. A. T. injections. She spent 37 hours in clinics, the central office and in giving first aid advice.

The Thrift report for the month of February showed that Highland school led in the amount saved per pupil during the month with an average of 48 cents per pupil. Arthur McGill school stood next with 34 cents per pupil, while Oak street had 25 cents per pupil and Rose avenue, 23 cents. Aiken, Lincoln and Garfield, and Pollock school only averaged seven cents per pupil and Terrace but five.

Cafeterias Report

The report of the George Washington cafeteria, submitted by Mrs. H. D. Taylor, manager of the cafeteria, showed assets of $2000.46 and liabilities of $337.02, which consisted of accounts payable, leaving a net worth of $1663.44. Net income for the month of February was $49.50.

The report of the Ben Franklin cafeteria by Ruth E. Wallace, manager, showed net income for February of $67.85, and a net worth at the end of the month of $1424.00.

Both institutions have cash in checking or savings accounts of over $1,000.00.

Report of the Senior high school cafeteria, showed a net income of $20.09, evidence of the fact that the cafeteria was operated on a more narrow margin of profit. The net worth was given as $680.87 by T. E. Miller, auditor of the cafeteria.

Report of Business Manager H. M. Marquis for the month showed an expenditure of $2280.29 for school supplies during the month.

Protest Proposal To Increase Rates On Steel Products

(International News Service)

PITTSBURGH, March 13.—Formation of plans to protest the proposal by the interstate commerce commission to increase freight rates on manufactured iron and steel products within the Pittsburgh industrial area was begun today in the wake of a meeting of industrial representatives in this city.

The meeting, held under the auspices of the Pittsburgh Chamber of Commerce, also asked that the Chamber support the firms in their protest. Consideration of the request will be taken up at the monthly meeting of the board of directors of the Chamber late today.

No formal action was taken by the meeting as a whole. Individual firms, however, probably will lodge individual protests, representatives said. The contention was raised that the added boost in freight tariffs would place the Pittsburgh area at a disadvantage with outside competition.

New Castle Office Wins Sales Trophy

Reposing in a conspicuous place in the office of the Bell Telephone company, is a handsome silver trophy cup, which was awarded to the New Castle district, for securing the largest number of sales to patrons outside working hours, among the various competing districts in Western Pennsylvania.

The award was made in the New Era Sales contest being conducted by the company, being awarded each month to the district leading in this effort. The district winning it the most number of times during the year, will receive it permanently.

CORNER MILL AND NORTH STREETS

Here they are—!
Our newest Printed Frocks

—The arrival of so many intriguing designs is an occasion of interest to every smart woman and girl.

$10.00 and $15.00

—When frocks like these take to print, the result is fashion news* of the first order. For they sponsor the small dotted and flowered patterns that modish women are wearing charmingly...and practically...all day long.

—What could be more appropriate for morning shopping than a polka-dotted navy dress, with cape-like collar?... for afternoon bridge, or dining, than a demure rose-printed dress with short flaring sleeves? Then there are lily-of-the-valley and leaf motifs, and the like...seen in frocks with peplums, boleros, and other intricacies of fashion.

*It's welcome financial news, too, to read that they're modestly priced!

What SUITS you?

—The answer's in this group of new suits, at

$49.50

—For therein are types for the very young and the graciously mature...for those who are flattered by a saucy peplum jacket, and those whose distinction is heightened by a three-quarter or seven-eighths length coat.

—As to fabrics: there are covert cloths, navy tricovas, and basket weaves, and imported tweeds in brownish, reddish and blue tones... with blouses so smart as to deserve a fashion story of their own!

Other smart suites $25 to $79.50

Protective against March "weathering"—

Helena Rubenstein Treatments

—Our Beauty Parlor has a facial prescription for every type of skin . . . normal, dry, oily or acne-troubled. And by the pleasant, sure Helena Rubenstein method, our deft operators can preserve the beauty of your skin . . . aiding and correcting even difficult complexion faults.

Note: A complete line of Helena Rubenstein preparations is to be found in our toiletries section.

Independent Oil Producers Battle For Tariff Duty

(International News Service)

WASHINGTON, March 13. — Undaunted by the investigation of the senate lobby committee the independent oil producers continued today their fight to have written into the tariff bill a duty on oil.

"As it is now in the oil business, three large groups using foreign oil determine the price and are destroying the domestic oil producer," Wirt Franklin of Ardmore, Oklahoma, declared in a prepared statement. Franklin told the lobby committee that he was head of the independent lobby. "The whole theory of the imposition of a tariff whether competitive or protective is based on the idea that, give the American market to the American producers, and domestic competition will regulate the price," Franklin added.

If the groups using foreign oil succeeded in beating an oil tariff, Franklin asserts, then they will have a complete monopoly and be able to fix prices to suit themselves.

Chocolate Milk And Candy Ruled Out Of Schools

Sale Will Be Discontinued In Various Buildings After Easter, Board Votes

Sale of chocolate milk and chocolate candy in the schools and school cafeterias after Easter was ruled out by the school board at their meeting last evening.

This decision was arrived at after an opinion had been expressed by local children's specialists, and an expression from Dr. C. W. Wycoff of Cleveland, noted specialist. The recommendation was made by Mrs. Douthett, Mrs. Nothdurft and Dr. Cleland, who had been named by Chairman Woolcock to make an investigation of the matter.

This committee conferred with Dr. Mary Baker, school physicial and Dr. William Wallace, local baby specialist, both of whom were agreed that the serving of milk and especially chocolate milk in the schools, was of doubtful value and in some cases injurious.

The committee found that some parents were sending children to school without their breakfasts, knowing that they would receive the milk ration during the course of the morning. It was also the opinion of the doctors that it had an injurious effect on their appetites and many children as a result did not eat what they should at the noon hour.

Dr. Wycoff of Cleveland, in his expression on the matter stated that the giving of extra nourishment at midmorning and mid-afternoon was entirely unnecessary for the average child.

In part Dr. Wycoff said:

"There are some poor sections in every community where the children do not have enough to eat at home and go to school with insufficient breakfast; or whose parents will not buy milk at home for them; or they may be malnourished from refusing to drink milk at home, while they will drink milk at school.

"In such cases, it is quite all right but these cases are few, and no school is justified in taking on such responsibility. It is not the purpose of our educational system."

In regard to the sale of candy at school cafeterias, the investigation revealed the fact that children were eating candy in place of their school lunches.

The date of discountinuing the sale was set at Easter time, to enable the cafeterias to dispose of the stock of candy they now have on hand.

CREAM FOR CATARRH OPENS UP NOSTRILS

Tells How To Get Quick Relief from Head-Colds. It's Splendid!

In one minute your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh will be gone.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh—Relief comes so quickly.

Police Dog Blamed With Deer Killing

RIDGWAY, Pa., March 13.—Three deer have been killed in the vicinity of Ridgeway within the past few weeks, the last one having been found on Tuesday. A large police dog which has been running wild in the woods is blamed for the destruction of the animals.

Game Warden E. W. Turley with a number of volunteer sportsmen have been hunting for the dog for several days but have failed to find it. A Stunisalo of Brandy Camp, shot at the dog near his place a few days ago and wounded it, but it escaped at that time.

Lawyer, Daughter Have Death Escape

ALTOONA, Pa., March 13.—While en route to Hollidaysburg to attend a trial in the Blair county court, in which he is associate counsel, Attorney Simon H. Sell of Bedford met with a mishap at Cessna that resulted in the loss of his automobile and might have cost the lives of himself and daughter who accompanied him.

The car left the road, overturned and caught fire. The lawyer got out quickly and released his daughter before either were burned. Both escaped injury.

Pastors Wife Is Injured In Skid

BEAVER FALLS, Pa., March 13. — Mrs. Mabel Doak, wife of Rev. A. M. Doak of Darlington, was injured when the automobile in which she was riding skidded at the top of the Fallston hill and upset in a ditch. She was treated for an injury to her back and bruises and cuts about the body by Dr. S. W. Irvine at the Providence Hospital.

Mrs. Doak is serving on the jury in Beaver this week and was en route to court when the accident occurred.

Skull Is Fractured By Assassin's Blow

YOUNGSTOWN, O., March 13.—George T. Dyke, 43, former flier and Canadian war veteran, was found dead lying back of a speakeasy on East Boardman street.

Dyke had been struck on the head and his skull fractured. He worked for a dental supply company.

Police prepared to file a murder charge against a suspect under arrest.

Goitre Not A Disease

Milwaukee Doctor Makes Remarkable Discovery

Milwaukee, Wisc. — It has been brought to light by scientific research that goitre is not a disease and is not to be treated as such. Dr. A. A. Rock, Dept. F 26, Box 737, Milwaukee, Wis., a prominent goitre specialist for over 24 years, has perfected a different method of treatment for his patients that has proved remarkably successful. This same method is now being used for a home treatment of goitre cases all over the country with astonishing results. The Doctor states that goitre is a condition which grows worse with neglect and recommends immediate attention no matter how small the growth may appear. He strongly opposes needless operations. Dr. Rock is the author of a book that tells in a simple way about treating goitre at home. He has published this book at his own expense and will send copy free to anyone interested. Write him today.—Adv.

If Ruptured Try This Free

Apply it to Any Rupture, Old or Recent, Large or Small and You are on the Road That Has Convinced Thousands

Sent Free To Prove This

Every ruptured man, woman or child should write at once to W. S. Rice, 1013-N Main St., Adams, N. Y., for a free trial of his wonderful stimulating application. Just put it on the rupture and the muscles begin to tighten; they begin to bind together so that the opening closes naturally and the need of a support or truss or appliance is then done away with. Don't neglect to send for this free trial. Even if your rupture doesn't bother you what is the use of wearing supports all your life? Why suffer this nuisance? Why run the risk of gangrene and such dangers from a small and innocent little rupture, the kind that has thrown thousands on the operating table? A host of men and women are daily running such risk just because their ruptures do not hurt nor prevent them from getting around. Write at once for this free trial, as it is certainly a wonderful thing and has aided in the cure of ruptures that were as big as a man's two fists. Try and write at once, using the coupon below.

FREE FOR RUPTURE

Revival Services Will Close Sunday

Simpson M. E. Church Will Bring A Successful Campaign To A Close

Rev. H. L. Johnson, pastor of the Simpson M. E. church, announces that the revival services, which have been so spiritually successful, will be brought to a close Sunday evening.

Rev. Mark Smith, an evangelist and musician of note, has been delivering powerful and timely messages each evening and will continue them nightly until Sunday. The Cooper Sisters, radio singers, will be heard in splendid musical presentations Friday evening, and Sunday will be featured by three big evangelistic services at 10 a. m., 2:30 and 7:30 p. m.

Rev. W. C. Tyrrell Will Have Series Of Special Sermons

Rev. W. C. Tyrrell, pastor of the Primitive Methodist church, announces that he will have a series of three special sermons on the coming three Sunday evenings, beginning March 16, when he will have as his topic, "A Little Man Who Was Greatly Surprised"; on March 23, "The Signs of the Times", an up-to-date sermon, and on March 30, "A Presumptuous, Impulsive Man's Downfall and Recovery". In addition to the sermons there will be other added features, with the singing of good, old-fashioned hymns.

Oak Street P. T. A. Will Meet Friday

All members of the Oak street Parent-Teacher Association are urged to be present at the meeting Friday afternoon, at which time representatives from the health department of the Federation of Woman's Clubs will be present and ask the co-operation of the parents in securing a census of the children who will enter school next semester, for the purpose of having them examined prior to starting to school. These physical examinations will be conducted by a state representative who will be in the city soon for that purpose.

Mrs. William Cosel will also present the treasure chest proposition, which is for the purpose of promulgating peace throughout the world through the children. These treasure chests are being filled by the school children and will be sent to the children of the Philippines.

Blast In Store Kills Farm Boy

GALLIPOLIS, O., March 13.—Olan Williams, 12-year-old son of Louis Williams, farmer, of Amelia, was burned to death near Batavia. He used kerosene to kindle fire in the kitchen stove today.

For That Cough Which Weakens

THE longer it hangs on, the harder it is to get rid of a stubborn cough. Sleepless nights and loss of strength and appetite often result.

Eckman's Alternative, with its many years of successful use, may be needed to free you from a persistent cough. It is the calcium chloride preparation, without alcohol or narcotics, which tones up the system and restores strength while checking the cough. Your druggist always has it.

ECKMAN LABORATORY, INC.
PHILADELPHIA

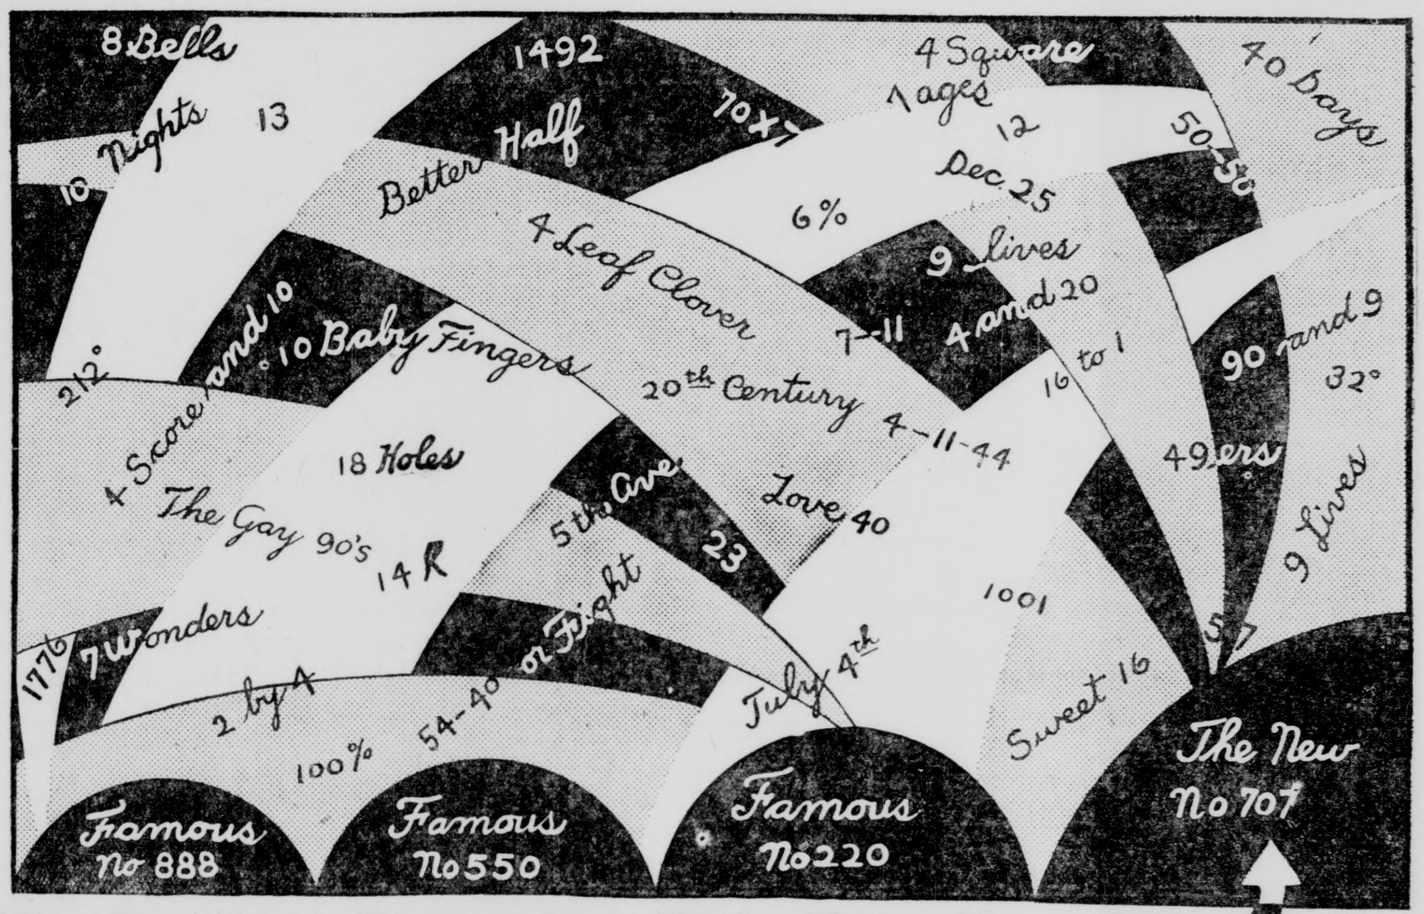

"The Only Company Who Can Make Ladies Go to the 2nd Floor for HOSIERY"

—So Said One of America's Leading Department Store Buyers of Hose

Fisher Brothers sell their ladies' Hosiery only on their second floor. It is the consensus of opinion among merchandise men that women buy stockings in a hurry, and therefore must be served on the street floor. But women do take time to buy Fisher's "Special" Hose. They are willing to go to our 2nd Floors . . . only incomparable value can change habit. If Fisher's are famous for anything, it is their ladies' "Special" full fashioned stockings at $1.29.

FAMOUS NUMBERS
How Many Do You Know?

We Predict Fame for This New Number

Fame is a fickle thing. It is always a seemingly intangible thing that makes it. We believe this new number in ladies' hosiery will reach great heights of popularity because it looks like sheer-chiffon, but has the weight and wear of service weight. The heels are curved in the new fashion, the feet knit in the new low slipper effect, and it is silk from top to toe with under reinforced lisle tops and feet to to aid wear. Certainly the new spring browns and greys are here in all their hues. All "Special" hosiery come in three proportions: Extra long, medium, and out sizes. Sizes 8 to 10½.

All $1.29

No. 888
Number 888 is a 4 strand very sheer chiffon of 45 gauge. It is silk from top to toe and comes in either French panel heels.

No. 555
Number 555 is semi-service silk to the welt of 7 strand 42 gauge. Plain heels. All colors.

No. 220
Number 220 is heavy service weight ten strand 42 gauge silk. All colors and sizes. Always $1.29.

No. 707
Number 707 is 7 strand 45 gauge service weight that looks like chiffon. Curved heels. All sizes and colors.

FISHER BROTHERS

Scott Township High School Notes

The Harlansburg high school gave an entertainment Friday evening, March 7, at the Liberty grange hall. $13.55 was taken in.

The high school basket ball teams will play Shenango, March 15, on the Harlansburg floor.

Irene Eakin and Gladys Harlan will participate in the literary contest at Wampum, March 14.

A very interesting program was given last Friday afternoon by the Speedwell society.

This Friday the following program will be presented by the Mayflower society:

Song—school.
Recitation—Alton Richeal.
Prophecy—Charlotte Cummings.
Piano solo—Mary Double.
Song—school.
Pessimistic paper—Claire Stoner.
Current events — Monas Cunningham.
Optimistic paper—Josephine Kirk.
Violin solo—Norman Montgomery.
Song—school.
Music—Francis Cameron.
Reading—Monas Harlan.
Music—Dorothy Woods.
Jokes—Clark Brown.
Surprise feature—committee.
Closing song—school.

The following books have been purchased: Recreation of Brian Kent, Sorrell and Son, Freed, and The Covered Wagon. This was sponsored by the W. C. T. U.

Raymond Cunningham and Paul McConnell were recent visitors at the high school last week.

U. S. To Improve St. Louis Docks

(International News Service)

ST. LOUIS, March 13—An expenditure of $100,000 of government funds for the improvement on municipal docks here, is to be made soon, according to J. P. Higgins, traffic manager of the Mississippi Warrior Service, and operating engineer for the Mississippi section of the Inland Waterways Corporation.

This improvement, it was learned is part of the $10,000,000 Inland Waterways improvement plan outlined in the War Department's appropriation bill which has received the support of President Hoover.

Bids for work will start as soon as official consent is received from Washington, Higgins said.

PAIN AFTER EATING?

"I have tried many medicines and none have given me the satisfaction that ACIDINE has," says Miss Mildred Wagner, 275 Clair St., Bridgeville, Pa., and she continues "After eating a meal (no matter what I ate) I would be troubled by a lot of gas. I now take a little of ACIDINE after each meal and it always relieves the pains around my heart."

If you, too, suffer from gas, sour stomach, colds, too much acid and the resulting indigestion, go to your druggist and get marvelous ACIDINE at once. ACIDINE combats stomach trouble surely, safely, swiftly, successfully. ACIDINE is guaranteed to help in your case or money back.

ACIDINE

Pipeline To Boost Soviet Oil Exports

(International News Service)

BAKU, March 13.—Soviet oil exports to European and Mediterranean markets will be boosted about 20 per cent this year by the recent completion of the first long pipeline in the U. S. S. R. It connects the oilfields of Baku on the Caspian sea with the port of Batum on the Black sea and was built with the aid of American engineers, especially the "Ragaz" company, the Russian branch of the New Jersey Oxygen company, which supplied the welding apparatus and gases.

The pipeline will also make the Soviet Petroleum syndicate a more dangerous competitor with American and British and Dutch oil interests since it will save 10 rubles a ton on petroleum transportation costs before the oil is pumped aboard tankers.

Costume jewelry has achieved unprecedented importance this season, says a recently returned traveler from Paris. White and colored crystals are foremost, while pearls seem to have been somewhat replaced for evening by rhinestones.

The Way OF THE World

By GROVE PATTERSON

UNDER ONE FLAG

There are students from almost all the countries of the world in American universities. If they could be assembled they would be found to be loyal to almost the same ideals. Their lives would be motivated by the major purpose of advancing civilization. Here is the hope of the world, the hope of universal peace. Here is the major program of life—the co-operation of friendly men in the friendly effort to unite the nations of the earth on a high level of honestly and justice and love.

* * *

GIVING DIGNITY

We may come far from agreeing on the meaning and forms and performances of religion. We may think it is absurd to believe what somebody else confidently believes. The faith of one may be no faith at all to another. But no matter how greatly your neighbor differs from you, if you observe in him the patient, gentle effort to make it of Christianity a simple way of life, you are going to see the light. You are destined to come suddenly to the conclusion that in this daily gentleness and patience—helpful in a thousand little ways—is dignity and reverence and beauty.

* * *

GREATNESS

Strange how little attracted and fascinated we are by the possibilities of greatness that lie in the common man—even in ourselves. There is an occasional deed which seems to be great in itself, intrinsically great. But, mostly being great is doing little things in a great way. We can do all the better things in a big way One can illuminate the dingiest shop by the light of personality—and that personality may reveal itself in a manner as simple as a smile and friendly greeting.

* * *

APPRECIATION

There is nothing quite so pitiful as to observe the cut that ingratitude or the lack of appreciation has made Especially are elderly people sensitive when they have done their best and find that nobody cares. May we never let the honest emotion of the heart or the honest effort of the mind go unnoticed and uncared for. Achievement is no more glorious than failure when both are animated by the sincere effort to do one's part.

* * *

WHAT THE BOSS SAYS

The boss who used the same methods with all his men is not very intelligent. Some men have to be told, others asked. Some men rarely have to be either told or asked. A boss who has not a fairly keen analysis of human nature is not a real executive. He is just a fellow with his name on the door.

Counsel Appointed For Bertha Blunt

Woman Charged With Murder Of John Henry King Unable To Employ Attorney

Bertha Blunt, indicted for the murder of John Henry King, colored, at a house on Home street on the night of March 2, was brought into court Wednesday afternoon. She told Judge Chambers that she had been unable to raise money to employ a lawyer to defend her, and asked that the court appoint counsel. Judge Chambers appointed Attorneys James W. Rhodes and Gilbert Long.

At the preliminary hearing Bertha was represented by Attorney Edwin Logan and expected to employ him at the trial, but was unable to raise the necessary funds. It is expected that the case will come up for trial during the present term. Bertha will claim self defense.

Seven miles from Camden, N. J., there is a village governed entirely by colored men. A few days ago the only two white men of the place were arrested, charged with bootlegging.

Peter's Adventures

BY MRS. FLORENCE SMITH VINCENT

PROPHET

"Quee, quee, quee!" What a cheery chirp it was! Peter glanced about and caught sight of a frail little insect that made him think of Cicada but was not nearly so handsome.

"Oh, there's the Weather Prophet," cried Peter. "I've heard him singing many times. How did he get his name, can you tell me?"

"That I can boy," said Dragon-Fly. "The cheery fellow got his name because he really is a Weather Prophet. He sings when the Winter is coming and all of us can tell by the note in his voice when to expect the cold weather. In the summer he is not so tuneful. Quietly he stays among the cool green leaves, never uttering a sound until nightfall. When twilight falls he ventures out to croon to us that night will spread its dark blanket over us shortly. When the frost begins to paint the trees and drawn patterns on the ground, when all the other insects are too cold to chirp too discouraged even to think of anything else but finding a warm place to hide in, Mr. Tree Cricket bravely sings on. Fainter and fainter grows his voice, and more feeble. At last he, too, is chilled, his voice is stilled. Never yet has Tree Cricket failed to tell us when it is time to prepare for a long winter's sleep."

"You must love him," said Peter.

"We do, and we trust him," replied Dragon-Fly. "He is wise and he is cheery. He looks on the bright side of things when right well he knows his days in the sunshine are numbered. The rest of us grow grumpy as winter comes, but never does the Weather Prophet. He sings to keep our spirits up. He forgets his own troubles and does his best to give us comfort."

* * *

Next: "Flying High."

"OH, THERE'S THE WEATHER PROPHET!" CRIED PETER

Why March Is Most Dangerous

March is the most dangerous month of the year because the change of season is more than a good many systems can stand. Too often it is true that the sick "last only till spring." But if the system is fortified, if the impurities are driven from the blood, and the nerve tissues fed with wholesome and strength-giving pure food medicine, there is no danger in the change of seasons.

FATHER JOHN'S MEDICINE

is invaluable as a tonic in the spring. It strengthens the system and drives out the poisonous waste matter—builds up the body. It is this power that has made it so successful in treating colds and throat troubles. No weakening stimulants, morphine or other dangerous drugs.

LETTERS TO THE NEWS

The Canadian Cure

Editor News:
Dear Sir:

At this time, when there is so much one-sided, unfair, unpatriotic, lying propaganda in the WET PRESS of this country, where so many editors are using their influence to glorify criminals, condone lawlessness and nullify the constitution, the following clipping from the Christian Endeavor World is an informing side-light on the Canadian system of government control which the wets so frequently urge and recommend.

That system, as is becoming increasingly clear, is popular with the wets simply because it gives them more liquor and greater license. Here are seven questions which were addressed to that influential paper, the Toronto Globe by a gentleman in Philadelphia, with the illuminating answers of an editor of the Globe:

"1. Is it your opinion that government control makes for real temperance? Answer: NO.

"2. Does government control decrease or increase the consumption of liquor? Answer: LIQUOR CONSUMPTION HAS DOUBLED IN ONTARIO IN TWO YEARS.

"3. Does government control decrease or increase the number of drunken drivers of automobiles? Answer: DRUNKEN DRIVERS HAVE MULTIPLIED BY TEN, WHILE CARS HAVE DOUBLED.

"4. Have deaths from accidents due to drunken drivers increased under government control? Answer: YES, ENORMOUSLY.

"5. Have industrial accidents decreased under government control? Answer: NO. INCREASING SEVEN PER CENT FASTER THAN PAY-ROLLS.

"6. Has government control eliminated the bootlegger? Answer: LARGE BOOTLEGGER ELIMINATED, BUT SMALL BOOTLEGGER MULTIPLIED.

"1. Has government control proved of any benefit to the young people? Answer: NO."

These replies are in accord with everything learned from Canada. The dominion would repudiate the system of government control tomorrow if it were not for the immense sums obtained by Canadians from illicit liquor sold to the United States. The majority of the people of Canada are ashamed of the whole miserable business. Some day they will get courage enough to overthrow it."

From the above testimony it would seem "to be fair to conclude that if we want a GREATER CONSUMPTION OF LIQUOR, MORE DRUNKEN DRIVERS on our highways, where we are now killing an average of EIGHTY PEOPLE every day; if we want to INCREASE our INDUSTRIAL ACCIDENTS seven per cent faster than our pay-rolls MULTIPLY OUR SMALL BOOTLEGGERS, put in operation a system that will from every standpoint be DETRIMENTAL to our BOYS and GIRLS and YOUNG PEOPLE, overthrow a system, that according to careful students, has saved ONE HUNDRED THOUSAND LIVES and FIFTEEN BILLION DOLLARS in the ten years of its operation, we should adopt the Canadian system. "Wine is a mocker, strong drink is raging and whosoever is deceived thereby is not wise."

JAMES L. COULTER.
New Wilmington, Pa.

Flowers Aid In Mental Cures

(International News Service)

DANVILLE, Pa., March 13—Flowers, bright beautiful and fragrant are part of the cure prescribed for patients at the Danville hospital maintained by the state for those suffering mental diseases.

Flowers adorn the rooms of patients in profusion, and six greenhouses, with 11,500 square feet of ground space each, asure an adequate supply of the beautiful "medicine."

Flowers beds, garden beds, evergreens, ferns and other growing things dot the lawns of the hospital site, spreading their cheerful hope of green and growing things that the environment of the patients may be conducive to their early recovery from their ills.

Monday Is Tuesday In Western Village

(International News Service)

GRAND JUNCTION, March 13—Coates Creek, Colo., a little village 40 miles south of here, has been off its calendar, and nobody seems to know how long the situation existed.

Roy King, a resident of Coates Creek, came to Grand Junction and discovered that it was Thursday all over the world while it was believed to be Wednesday in Coates Creek.

Unable to believe that his village could be a day off in its calculation, King bet fifty cents he was being kidded, was convinced of his error and lost his bet.

Before he went back to Coates Creek, he said his fellow residents had celebrated Christmas and New Year's a day late.

The Monday previous, he said, the school house was closed because everyone in the little community was observing Sunday.

A beach bag made of linen and shaped like a fish is a late novelty. It is carried by a ring.

Costs 85 Cents A Month To Lose Pounds Of Ugly Fat

Thousands of Women Know This Is True

How would you like to lose 15 pounds of fat in a month and at the same time increase your energy and improve your health?

How would you like to lose unhealthy fat that you don't need and don't want, and at the same time feel better than you have for years?

How would you like to lose your double chin and your too prominent abdomen and at the same time make your skin so clean and clear that it will compel admiration?

How would you like to get your weight down to normal and at the same time develop that urge for activity that makes work a pleasure and also gain in ambition and keenness of mind?

Get on the scales today and see how much you weigh—then get an 85 cent bottle of Kruschen Salts which will last you for 4 weeks. Take one half teaspoonful every morning in a glass of hot water and when you have finished the first bottle weigh yourself again.

Now you can laugh at the people who pay hundreds of dollars to lose a few pounds of fat—now you will know the pleasant way to lose unsightly fat and you'll also know that the 6 vitalizing salts of Kruschen (Salts that your blood, nerves and glands must have to function properly)—have presented you with glorious health.

After that you'll want to walk around and say to your friends, "One 85 cent bottle of Kruschen Salts is worth one hundred dollars of any fat person's money."

Leading druggists America over sell Kruschen Salts—you can always get it at Eckerd's of New Castle, Inc.

Westminster Debaters Take Southern Trip

Dr. C. A. Dawson To Accompany Team On Tour Of South

DR. C. A. DAWSON

(Special To The News)

NEW WILMINGTON, March 13.—An extended trip, taking them to seven different states for a schedule of eight intercollegiate debates in a period of two weeks is the good fortune of James Chambers, New Castle; Paul Campbell, Pittsburgh; Frank Douds, Beaver; and Fred Williams, Carnegie, members of the Westminster college debate team.

In charge of Dr. C. A. Dawson, head of the department of English and coach of the team, these men leave here Saturday morning on an extended southern trip which will take them to Maryland, South Carolina, Georgia, Florida, Alabama and Kentucky. The team will travel by automobile, with Scott Hadden, Meadville, a sophomore, at the wheel.

On Saturday night, Waynesburg college will be met in a dual contest at Waynesburg, Pa. Two nights later, Monday, March 17, a debate will be held with Western Maryland college at Westminster, Md. Erskine college, Due West, S. C., will be met on the platform three nights later, March 20. On the following evening, Georgia Wesleyan college will be met at Macon, Ga.

Rollins college, Winter Park, Fla., will be met March 24 in what is planned as a radio debate to be broadcast over a chain of southern stations. The following evening will find the Westminster team at Southern college, Lakeland, Fla., for another dual forensic contest. Spring Hill college, Mobile, Ala., will be met two nights later, on March 27. The final contest on the schedule will be held March 29 when the Westminster team meets representatives of Transylvania university at Lexington, Ken.

The questions which will be discussed in these platform battles are: Resolved: That the evils of the machine age outweigh the benefits; Resolved: That the United States should withdraw from the Kellog Peace Pact; and Resolved: That the nations of the world should adopt a policy of total disarmament except what is needed for police protection.

Some of the contests will be of three-man teams and some will be of two-men teams. The regular team is James Chambers, Paul Campbell and Frank Douds, but Fred Williams, debate team manager, will also take part in some of the contests, replacing one of the other speakers.

Only one of the schools on the schedule, Waynesburg, has ever been met before on the forensic platform by Westminster. So far as is known, this is the most pretentious debate schedule ever undertaken by a district college and certainly the most extensive schedule ever arranged for Westminster teams. Following the Transylvania contests, the last on the trip schedule, the team will start for home, arriving here about April 1.

So far this year the Westminster mens' team has won one contest and lost one. Allegheny college was defeated at Meadville while Bethany received the judge's decision over Westminster in a dual debate at Bethany, W. Va., last week. Fred Williams, Paul Campbell, Wilson Botsford, Pittsburgh, and Paul Quimby, Sharon, are the men who were in these contests.

Junior Class Honors Prof. A. T. Cordray

NEW WILMINGTON, Pa., March 13—In appreciation of his services as director of the junior play, "The Cat and the Canary" which was produced twice for the benefit of the yearbook, members of the Westminster College junior class yesterday presented Professor A. T. Cordray with a leather bill fold. Herbert Miller, class president, stated in his presentation speech that the success of the junior plays was primarily due to the coaching of Professor Cordray.

Murder Jury At Colonial Hotel

Jury in the Clark Rea murder case has been kept at the Colonial Hotel on East Washington street, occupying rooms on the third floor. Tipstave Henry Mershimer had charge last night. Mrs. Jennie Forsman was also appointed as there are two women on the jury. The jurors are not allowed to speak to any person aside from the tipstaves.

Trinity Church Will Have Brothers Of St. Barnabas

Next Sunday an unusual treat is in store for all who worship at Trinity church, the corner of N. Mill and E. Falls streets, in the visit of the Brothers of St. Barnabas, who always give a wonderfully inspiring message from the depth of their unusual experience and the sincerity of their self-consecration on behalf of the poor, the friendliness and the incurables.

It is expected that Brother Gouverneur Hance, to whose love of humanity, vision, earnestness and genius for organization, the great work of the homes at North East and Gibsonia is due, will speak, which he always does in a most telling way. The results this man has accomplished already in his life time is one of the modern miracles.

Brother Charles, in charge of St. Barnabas House by the Lake, will also be present and say a few words. All who know him intimately admire greatly his strong, manly, yet beautiful Christian character.

Brother George, who makes friends wherever he goes, is expected, too.

That western Pennsylvania people may know and realize this wonderful undertaking, so near at hand (and therefore perhaps unknown to many in this neighborhood) especial attention is called to this opportunity.

The work of the St. Barnabas Brotherhood is an illustration of the application of old principles and methods in the best modern up-to-date way, to present conditions. No man can receive the splendid care in either of the homes which they give, unless he is penniless, friendless and incurable. Thus, the most neglected by the world are given what Christianity alone can give.

College Linguists Plan French Club

NEW WILMINGTON, Pa., March 13.—Initial plans have been made by Westminster College students to organize a French club at the college. At a meeting called by Miss Mary E. Stewart, head of the department of modern languages, 15 students discussed such an organization.

An organization meeting will be held this evening at the home of Miss Stewart at 7 o'clock. The club will be for upper-classmen only and will be for those who are majoring in French or who have a special interest in the language.

Willard Grange

The regular meeting of the Grange was held March 11. The program brought to light many experiences and comments from members.

The program for March 25 will be in charge of the Chadwick Dean, Ed Boak, S. J. Hunt, Lester McCracken families with grange work taking a prominent part. The men are to conduct a men's beauty contest with the ladies as judges. A prize shall be awarded the most popular beauty. The contest is in charge of Everett Boak and George Dean. Mae Magee and Thelma Dean will give a piano and clairnet solo.

Packards are leading with a score of 40. Fords are in a hole 695, but they will get out.

RICH HILL

Mr. and Mrs. Fred Downs of Volant announce the birth of a daughter who has been named Agnes May.

Mrs. William Drake of Rich Hill is confined to her home with illness caused from a stroke.

Miss Mildred Cornman of Volant is spending a few days with Mrs. William Miller.

Mr. and Mrs. Charles Criner of Butler and Mrs. Pearl Gibson of New Castle called on Mr. and Mrs. S. B. Dicks on Sunday.

Miss Gladys Sontag of Rich Hill spent the week end with her aunt Miss Alberta Welker recently.

Mrs. C. M. Rohrbaugh who underwent an operation in the Youngstown hospital is improving.

Walter Barkley of New Wilmington was a business caller in Harmony, on Monday evening.

Mr. and Mrs. Dewey Shifflett and daughter Ruth called on Mr. and Mrs. S. B. Dicks on Tuesday evening.

Miss Mildred Cornman of Volant and Kenneth Brenneman of Harlansburg, Mr. and Mrs. George Floyd of New Wilmington spent Sunday evening with Mr. and Mrs. Walter Barkley of New Wilmington.

Miss Elizabeth Morrow of Rich Hill has returned home after spending a few weeks with her grandmother Mrs. Morrow of Youngstown.

Mrs. Henry Barkley of Rich Hill is spending a few days with her sister Mrs. C. Rice of Ellwood City.

Mrs. Mary Barkley of Rich Hill has returned home after spending several months with her daughter Mrs. Geo. Gross of the Harlansburg road.

Mr. and Mrs. George Floyd of New Wilmington called on Mr. and Mrs. S. B. Dicks on Monday evening.

New Castle callers were: Mr. and Mrs. Sontag and children Gladys and Earl, Mr. and Mrs. James McConnell, Mr. William Dicks, Mrs. Walter Barkley and Mr. and Mrs. George Floyd.

Mrs. Scott Kirk, Mrs. B. T. McDowell and Rev. C. M. Rohrbaugh all of Rich Hill motored to Youngstown recently to visit with Mrs. C. M. Rohrbaugh who is confined in the hospital.

Mr. and Mrs. Walter Barkley of New Wilmington were the dinner guests of Mr. and Mrs. E. C. Cotton on Wednesday evening.

Sold in Baltimore 42 years ago for $2, a picture of George Washington changed hands frequently and is now the property of school children who raised $75,000 in small donations, and paid that sum for it.

Buying gloves and then matching them in a frock is the latest ensemble idea in New York.

How a Family Doctor made Millions of Friends

FIFTEEN years after his graduation, Dr. Caldwell became one of the best-known members of his profession. A single prescription made him famous. And for forty years it has continued to make friends.

As fast as people could tell others about the marvelous way this prescription corrects constipation and relieves other troubles caused by sluggish bowels, demand for it spread until Dr. Caldwell was forced to have it filled in quantities; bottled and distributed through drug stores.

Today, Dr. Caldwell's Syrup Pepsin, as it is called, is the world's most popular laxative. Millions of people would never think of using anything else when they're headachy, bilious, feverish, or weak; when breath is bad, tongue is coated or they are suffering from nausea, from gas, or lack of appetite, etc.

Dr. Caldwell's Syrup Pepsin as you buy it from your drug store is made in accordance with the original formula from only herbs and other pure ingredients. It is pleasant tasting; its action is thorough in the most obstinate cases; gently effective for women and children. Above all, it represents a doctor's choice of what is safe for the bowels.

Civic Clubs Hit "Junior Racketeers"

Petty Extortion Practiced By Juveniles Brings Protest

(International News Service)

NEW BRUNSWICK, N. J., March 13.—Petty extortion, practised by New Brunswick youths on motorists who park their cars at night while attending theatrical performances, movies, and public meetings, brought a protest today from the three service clubs of the city. Resolutions adopted by Kiwanis, Lions and Exchange clubs were forwarded to the City Commissioners, through the Commissioner of Public Safety, to put a stop to the practice.

The resolutions declare that almost invariably, if the owner of an automobile refuses to accept and pay for the services of the young "volunteer" watchers, he finds his car scratched or his tires deflated and is subjected to "unpleasant molestation."

The resolution requests that the watchers be instructed that their employment is dependent only upon the pleasure car owners, and that they are not entitled to demand anything for their services, nor to demand that motorists hire them.

Frasier Heads Teachers Colleges

(International News Service)

GREELEY, Colo., March 13.— Dr. George Willard Frasier, president of Colorado State Teachers College here, has been elected president of the American Association of Teachers Colleges.

Dr. Frasier is the first president to be elected by popular vote. Heretofore the president of the American Association of Teachers Colleges was selected through a nominating committee appointed by the serving president. A new method was adopted recently, providing the presidents be nominated by mail vote and elected in annual convention.

Dr. Frasier received a large mail nominating vote and was accorded a big majority in the convention recently held at Atlantic City, N. J.

The retiring president of the organization is Dr. H. W. Rockwell, president of the State Teachers College, Buffalo, N. Y.

Uncle Sam's Family Has Heavy Washing

(International News Service)

PEORIA, Ill., March 13—About 200,000 tons of family clothes are cleansed each week in the United States' 7,000,000 electric washers. In a year the total reaches the staggering sum of almost 10,000,000 tons.

"In these homes the weekly washing average fifty pounds in weight" says the household research bureau. "Every Monday then 350,000,000 pounds of ma's kitchen aprons, pa's socks, Enda's pinafores and Junior's rompers are tumbled into tubs. In all, 175,000 tons of soiled clothing go into the hot water each week. In the course of the year the total becomes 9,100,000 tons."

STUDENTS "COVER" CLASSROOM BRAWL

(International News Service)

BOSTON, March 13.—In "ye good old days" if two students engaged in fisticuffs in a classroom they were severely chastized; but when a similar occurence developed in a Boston University school of Journalism class, the professor had his class write a feature article about it. The fight started over a newspaper story.

Social Rendezvous Becomes Grocery Shop

(International News Service)

BALTIMORE, Md., March 13.—The Gill home at 929 Charles street here is going to be remodeled into a grocery shop. The home was formerly the centre of social life in Baltimore.

It would be so much more considerate for France to save up her various cabinet crises till after the arms conference is over, and then run them off all in a row.—The Beloit Daily News.

How long will this energy last under the strain of a COUGH?

A single day of coughing saps more vitality than three square meals a day can give you!

THREE square meals daily—containing enough energy to do the thousand and one routine tasks of the day!

Yet, all this energy can so easily be wasted by a violent, irritating cough, leaving you utterly exhausted, without strength or ambition.

Medical science tells us that coughing uses up energy more quickly than any other bodily exertion.

That is why it is so important to check coughs at the start.

Pertussin quickly relieves the cough by getting at the immediate cause. It loosens the phlegm, soothes the irritation and quiets the cough spasm.

It is the safe method because Pertussin is a purely herbal remedy and contains no dope or harmful drugs. It is pleasant to take and will not upset the stomach. In addition, any druggist can tell you that doctors have prescribed Pertussin more often than any other advertised cough remedy.

It is safe for every cough and for every member of the family.

"DON'T COUGH YOUR ENERGY AWAY"

Pertussin

DAGUE IS BROUGHT INTO COURT ROOM AT MORNING SESSION

Victims Of Store Hold-Up At Butler Point Out Mrs. Schroeder And Dague As Two Of Trio In Hold-Up In That City Prior To Flight Toward New Castle

Positive identification of Irene Schroeder and W. Glenn Dague as the bandits who held up the P. H. Butler Store in Butler, Pa., bound and gagged the proprietor Wish Angert, and a customer Fred Altenberg, then fled in a car towards New Castle on December 27th, 1929, was made by witnesses called in the case against Irene Schroeder for the murder of Brady Paul, in Lawrence County Court Room No. 1.

It might have been termed Butler Day, for every witness called at the morning session, save some additions made by Drs. Kaplan and Wilson, were from Butler, Pa., and at noon when they had finished they had painted a picture for the jury of what happened in the P. H. Butler Store on the morning of December 27th, 1929.

Dague In Court

W. Glenn Dague, paramour of Irene, wife deserter and co-bandit with the Trigger Blonde, was brought into court this morning for the purpose of identification. Late Wednesday afternoon a motion was made by Attorney Charles J. Margiotti for the commonwealth asked that Dague be brought into court for the purpose of identification. The defense opposed the motion and Judge Hildebrand withheld his decision at that time and Dague was not brought in.

This morning Margiotti renewed his motion and without argument the court granted it. Dressed neatly in a light suit, shaved closely, and with his mustache closely trimmed, W. Glenn Dague, who will be tried for murder at the close of the Schroeder trial was brought into court and seated with Sheriff Johnston on the other side of the court room from Irene.

Complete accounts of other sessions of the trial of Mrs. Irene Schroeder are to be found on inside pages of this issue.

His every action showed him eager to speak to his blond buddy. Smiling he looked over, and as she half turned he bowed his head and moved his lips.

Not so Irene. She hardly looked at him, and no sign of recognition was on her face as she sat at the counsel table, as stoical as the Indian who captured her in Estrella mountains.

Story Well Built

The story that the commonwealth is presenting to the jury for its consideration is well built and presented in such a chronological order that the story of the crime with which Irene stands charged is being re-enacted. For some reason there has been little cross examination and what there has been has resulted in a repetition of the story told by the various witnesses.

Anger gleamed from the eyes of Wish Angert today as he told the story of his holdup on December 27th, 1929. As he reached the point where he was bound and gagged and his till robbed, he became more intense in his statements and when he was asked if the man standing up, (Dague) was the man who bound him hand and foot, then gagged him with handkerchieves, he said most emphatically, "exactly."

Many witnesses arrived from Butler this morning. It is expected that the Butler angle of the affair will be cleaned up this afternoon, although at the noon recess, the state police of the Butler Barracks had not testified. At least one, First Sergeant Crowley of Troop D, was to be called.

The gun battle in St. Louis between Irene Schroeder, Glenn Dague and the St. Louis police will be recounted on the stand. William Kiessling, a member of the Missouri Metropolitan Police is here, with the uniform coat which was riddled by the shots of the bandits. He will probably be called late Friday afternoon.

The testimony of the witnesses this morning follows:

Dr. Paul Wilson was recalled to the stand as court opened. He testified as to the relative size of the three wounds on Brady Paul's body and said they were all of one size.

Dr. Eliah Kaplan was also recalled and described the burned area about the wound in the abdomen.

Butler Hotel Man

William A. Stewart a hotel man of Butler, Pa., was called.

Q.—Do you know where the Butler store is?

A.—Yes.

Q.—How far from the Arlington hotel?

A.—Three blocks away on the same street.

Q.—Which direction?

A.—North.

Q.—On December 26 were you on duty?

A.—Yes at 6 p. m. I went on, and off at 6 in the morning.

At this point Margiotti renewed his motion to bring in Glenn Dague and the court granted it. Previously he had withheld his decision in the matter.

(Dague was brought in by Sheriff Johnston at 9:25.)

Q.—Do you know Irene Schroeder?

A.—I saw her once on December 26, at night.

Q.—What time?

A.—About 10 o'clock.

Q.—Alone?

A.—She was with two men and a little boy.

Stewart described the two men as one 5 foot 4 inches high, the other taller with a reddish mustache.

Q.—Do you see the man with a mustache in court?

(He looked around but could not locate Dague.)

Q.—Have you seen him since?

A.—Yes in the jail about a week ago.

Q.—What about the boy?

A.—He seemed about 6 years old and an awful nice, bright little boy.

Registered At Hotel

Q.—Did they register?

A.—Yes, from Dillonvale, O., as the Cartwright family.

Q.—Who registered?

A.—The tall man.

Q.—Will you produce the register?

A.—I can.

Q.—Did you get a good look at these people?

A.—Yes I took them to their rooms.

Q.—Did you notice anything outside?

A.—Yes I saw their car—I thought it was a Chevrolet.

Q.—Can you identify the woman?

A.—That is her I believe (pointing to Irene.)

No cross examination.

Butler Witness

Harry Baney of Butler, Pa., was called.

Q.—Where do you work?

A.—At the Diamond Motor.

Q.—Were you on duty, December 26 and 27?

A.—Yes I came to work about 7 on the morning of December 27.

Q.—Did you see the defendants?

A.—Yes they came in for the car.

Q.—What kind of a car was it?

A.—It was a Chevrolet, a two door coach.

Q.—What kind of a license?

A.—An Ohio license.

Q.—What time did they come in?

A.—About 9 o'clock, two men, a little boy and a lady came in.

Q.—How were the men dressed?

A.—A lightish gray suit, a dark overcoat and a light cap.

Q.—What did they do?

A.—Paid me 75 cents, got into the car and drove away.

Q.—Did you see them in jail?

A.—No.

Q.—Observe anything about the tall man.

A.—He looked kind of funny.

No cross examination.

Butler Store Proprietor

Wish Angert, proprietor of the P. H. Butler store in Butler was called.

Q. Where is your store located?

A. Northwest corner of Main street.

Q. Is it built right up to sidewalk?

A. Yes.

Q. How long have you worked there?

A. Four years.

He described the interior of the store.

Q. Where is the cash register as you enter the store.

A. On the shelving on the left hand side.

Q. Where is the wareroom in reference to the storeroom.

A. Back of the icebox.

Q. Were you working December 27, last?

A. I was.

Q. State if someone came in around eleven o'clock to purchase?

A. Yes, a man came in about twenty minutes to eleven.

Q. What did he want?

A. A can of milk.

Q. Did you serve that man?

A. I did.

Q. What did he do when you gave him the milk?

A. He looked around the store.

Q. Who was in the store?

A. Roy Dickey and Bert Bissel.

Q. Did you see the man again?

A. Yes, in twenty or thirty minutes.

Woman With Him

Q. Who was with him?

A. A lady.

Q. Who was in the store when the woman came in?

A. Just myself.

Q. What had become of Bissel and Dickey?

A. They left.

Q. What did the lady ask for?

A. Three pounds of apples.

Q. Where was she?

A. About ten feet from me.

Q. Did you get the apples?

A. Yes, I started to look for them when a man drew a gun on me.

Q. Did you see him come in?

A. Yes, he came in the same front entrance as the woman.

Q. What did he do with the gun?

A. Pointed it at my left side and said do you see this.

Q. Did you see it?

A. I did.—(Laughter).

Q. What did he say?

A. Told me to get into the other room and keep quiet. Then the woman drew another gun.

Q. What happened?

A. I started for the wareroom and they were in back of me.

Q. You went into the wareroom?

A. Yes and they followed.

Q. What happened?

Lady Holds Gun

A. The lady held the gun on me and took my watch. The man took ropes out of his pocket.

Q. What did she do with the watch?

A. Dropped in into a bag.

Q. What did the man do with the ropes?

A. He tied my arms in back of me and pulled it tight.

(He illustrated how he was trussed up.)

Q. What was the woman doing?

A. Going through my pockets.

Q. Did she get anything?

A. A brown leather pocketbook.

O. What was in it?

A. A ten dollar bill, my driver's license and a check for $8.40.

Q. Were these articles taken with her?

A. Yes.

Q. Then what?

A. The man tied my feet with ropes.

Q. Then what?

A. He put a handkerchief in my mouth and tied another around my mouth. Then he tripped me and put me to the floor. I struck a truck on the floor.

Q. Where was the woman?

A. Out in the store?

Q. When did she go out there?

A. While the man was gagging me.

Cash Register Rings

Q. Hear anything?

A. The register ringing.

Q. What else did you hear?

A. I heard a second person in the store walking around.

Q. Could you see into the store or could you be seen.

A. I could not.

Q. What did the man do?

A. When he dropped me to the floor the lady came back. She came back and got a pocket book of my wife's.

Q. What happened.

A. The lady went out when a customer, Fred Altenberg came in.

Q. Was she with him.

A. Yes right in back of him.

Q. Is he an old man?

A. Yes.

Tie Up Customer

Q. What was done with him?

A. Same as was done to me.

Q. Was he gagged?

A. Yes, by the man, the same as I.

Q. Did he tie his legs.

A. Yes, with ropes.

Q. Could he be seen from the storeroom?

A. No.

Q. What did this woman do to the customer?

A. That's about all.

Q. When you were on the floor what was done?

A. They left the wareroom.

Q. Did they leave together?

A. Yes.

Q. Did you hear anything?

A. I heard a customer walking around.

Q. Did you see who it was?

A. No.

Q. Hear anything?

A. Yes, a motor starting.

Q. You heard the car start out?

A. Yes.

Q. How was the woman dressed?

A. Black hat and coat.

Q. How was the man dressed?

A. Black overcoat, stiff hat and a reddish mustache.

Q. When did you see them next?

A. In the New Castle county jail, January 10.

Identifies Irene

Q. Do you see the woman in the court?

A. I do. (emphatically). There she is (pointing to her.)

Q. Do you see the man?

A. I do.

Dague was ordered to stand up and, Margiotti said:

Q. Is that the man.

A. Exactly.

Q. When did you say you saw them next?

Counsel for the defense said: he said January 10th.

Witness corrected himself and said it was a Saturday in February.

Q. When you were bound and gagged what did you do?

A. I started to roll toward the door.

Q. Who came in first.

A. William Bittendoffer, a druggist.

Q. What did he do?

A. He cut the ropes, and I went to the telephone and called the city police.

Cross Examined

Cross examination by Jarrett proved to be a repetition of what the witness said, in the main.

Q. What did the woman say to you when she left?

A. Asked me where the cigarettes were.

Q. Did she take your keys with her?

A. Yes.

By Margiotti:

Q. Did you check your cash register?

A. Yes, it was short $69.00 and some odd cents.

Q. What was the value of the watch?

A. Fifty dollars.

Q. Will you describe the kind of gun the man had?

A. Yes, a dark blue, long gun.

Q. Automatic or cylinder.

A. Cylinder.

Q. And the woman's gun?

A. It was blue steel and looked larger.

Identifies Articles

Witness shown his wife's pocketbook which was stolen. He identified it. Shown a check which he said was a check taken from his store. Identified a deposit slip, a bank book, which were stolen on December 27.

Q. About what time was it when these people left your store?

A. About 11:15.

Q. Did you describe the barrels of the guns?

A. They were rather long.

At this point Margiotti told the court that he had a certificate of illness from Fred Altenberg, a witness who was to be called. He asked permission to call him out of order later. Granted. A recess of 10 minutes was taken.

Roy Dickey of Butler was called. He is a sheet metal and furnace merchant.

Q. Were you in the R. H. Butler store on December 27, 1929?

A. I certainly was.

Q. What time was it?

A. Around ten o'clock.

Q. Anyone come in?

A. Yes, a man came in. His eyes ran me over from head to foot. He purchased a can of milk, but kept eyeing me over. I haven't seen him since until this morning.

Q. Will you point him out?

A. I will. (He pointed out Dague.)

Cross-examined by Jarrett.

Q. You say he eyed you from head to foot?

A. He certainly did.

Q. Kept his eyes on you all the time?

A. Yes, sir, he did.

By Margiotti.

Q. How was this man dressed?

A. Dark overcoat, stiff dicer, rosy cheeks and nice muffler.

Bert Bissett, also of Butler, was was called, but testified but briefly, as he was only in the Butler store a few minutes.

Mrs. Angert Testifies

Mrs. Wish Angert, wife of the proprietor of the P. H. Butler store, was called.

Q. Were you in the store at the time of the hold-up?

A. No.

Q. Did you have any article in the store that morning?

A. Yes, my pocketbook with the store bank book, five dollars in one dollar bills, and other articles.

Other Man in Store

Mrs. Lila Burkholder of Butler was called.

Q. Were you in the P. H. Butler store on December 27?

A. Yes, about 11:15.

Q. Was there any person in the storeroom?

A. Yes, there was a man about five feet from the door. He was dressed in a light suit of mixed material and a soft hat. He was about five feet five.

Q. Did he go into the wareroom?

A. No.

Q. Did you hear anything in the bath room.

A. Yes sir, a commotion.

Q. Then what?

A. A woman came out followed by a man very closely.

Q. How did she come out.

A. She had her hand in her sleeve.

Q. Did she go by you.

A. They came directly toward me and kept her eyes on me. She brushed against my left arm. She said the manager will be out in a minute.

Had you seen her before?

A. No.

Identifies Irene

Q. Seen her since?

A. Yes she is sitting at the counsel table.

Q. Did the man say anything.

A. No.

Q. How was he dressed?

A. A stiff hat and long black overcoat and a reddish mustache.

Q. What did they do?

A. He opened the door and the woman went out followed by the man in the stiff hat and then the other man.

Q. How did they go.

A. South on Main street.

Q. Toward Brady street?

A. Yes.

Q. How long did you wait?

A. A few minutes.

Q. Did you see Wish Augert and Fred Altenbery?

A. No.

Cross examined by Jarrett.

Q. Which side did she pass you.

A. My left side.

Q. The overcoat the man had on did it come to his knees?

O. Came below his knees.

Q. You say about the first man in the room. Was he as tall as the second man?

A. No.

Q. Do you think you could identify the first man?

A. No except that he was neatly dressed.

Identify Articles

Mrs. Augert was re-called and identified her pocketbook which was stolen on December 27. Also identified articles inside.

Wish Augert was recalled and identified a key which had been stolen from him.

William Diffenderfer of Butler, a clerk in the drug store next to the Butler store was called.

Q. Did you go into the Butler store.

A. Yes, between 11:15 and 11:20.

Q. What did you find.

A. Found Mr. Angert and Mr. Altenbery bound on the floor.

I cut the ropes and removed the gags from their mouths.

Q. What did Angert do.

A. Called the police.

Mrs. Emma Green of Butler was called.

Q. Where do you live.

A. On West Cunningham St.

Q. On morning of December 27 were you on Brady street near the Butler store.

A. Yes.

Q. Where were you coming from.

A. Home.

Q. Which side of the street were you on.

A. Same side as the store.

Q. Did you open anything.

A. An automobile near a pole about twenty feet from the store.

Q. Was the engine running.

A. I wouldn't swear to it.

Q. Anyone in the car.

A. Didn't pay any attention.

Q. Did you proceed toward corner.

A. Yes.

Q. Whom did you see.

A. A lady and two men came out of the Butler store. The lady came down the sidewalk and the men in the street in a hurry. The woman was dressed in a black coat and had her hands in her sleeve.

Q. What happened.

Ohio License

A. They all got into the car.

Q. What kind of a car was it.

A. A Chevy with an Ohio license.

Q. At the end of West Brady is Mercer and then half a block to the Butler road.

A. Yes.

Q. How were the men dressed.

A. The taller man had on a dark overcoat and stiff hat. The other man had on a mixed suit.

Q. Have you seen the woman since.

A. Yes. There she is, (pointing to Irene).

Q. Have you seen either of the men since.

A. Yes. One of them, sitting over there, (pointing to Dague).

Cross examined by Jarrett.

Q. What was the weather like?

A. Clear.

Q. Were the windows of the car up or down?

A. Don't know.

Q. Did she step off the curb or onto the street and into the car.

A. Onto the street and then into the car.

Q. You cant be mistaken about the overcoat and hat on Dague?

A. No sir.

Q. From what little you saw of these people that day you positively identify them today.

A. Yes sir.

Q. Did Dague have a mustache?

A. Yes.

Q. You saw him in Jail?

A. Yes.

Q. When you went there did you tell the sheriff why you were there?

A. No.

Q. Your mission was to identify Dague?

A. Yes sir.

Q. When you walked into where Dague was did they unlock the door and let him out?

A. Yes sir.

David Parker was called but did not answer.

Another Butler Man

Harry Booher of Butler, was called.

Q. How far is your home from Brady street?

A. Three or four doors.

Q. Were you on Brady street on the morning of December 27.

A. Yes.

Q. What side of the street were you on?

A. Same side as Mrs. Green. She was less than a block away. I saw an automobile on the street and saw people coming down the street and get into the car.

Q. Which way did it go?

A. Towards New Castle.

Cross examined by Jarrett.

Q. Do you know the population of Butler?

A. No sir.

Police Officer Called

Lee Lorett of Butler, desk sergeant of the city police was called.

Q. Were you on duty December 27.

A. Yes.

Q. Did you get a call from Wish Angert?

A. Yes, between 11:15 and 11:20.

Q. Did he make a report to you?

A. Yes, he told me of the robbery and I notified Patrolman Morgan and Chief West.

Q. You gave them the information and they went to Wish Angerts?

A. Yes.

Q. Did you send out any report?

A. Yes, about 11:25 after West and Morgan got back. Called Sergeant Crowley of the State Police. I told him that the store had been held up and that the machine was supposed to be going towards New Castle.

Q. Did you talk with the people in charge of the store?

A. Yes. I learned there were two men and a woman and turned this information over to Crowley.

Q. What was done by the police department of Butler as to apprehend the people.

Objected to but objection withdrawn.

A. The motorcycle officers were sent out and also the other officers. Some of them went out on the highways.

Q. When did you get information concerning the car which was used?

A. Angert told me it had sounded like a small car.

No cross examination.

Court adjourned for noon recess.

55 foreign countries maintain consulate generals in New York City.

On Way To Court Session

Sheriff Frank Johnston and Mrs. Johnston escort Irene Schroeder to court room from jail. (Irene in center.)

BEREAVED BY SPEEDING MOTORIST

Mrs. Scott and little Joey, 3, waited in vain for the return of Patrolman Joseph Scott of the New York City Police. Motorist making 60 miles an hour had run him down and left them widow and orphan. The hit-and-run driver made his escape despite a determined chase by a brother policeman.

"TWO LITTLE MAIDS" FROM SIAM

Miss Phongsie Xavier, left; Miss Ob Chaturongkul.

"Two little maids" from Siam, both members of aristocratic Siamese families, are spending some time at the school for nursing of Western Reserve university, Cleveland, to observe the work being done there. They were sent as fellows by the Rockefeller Foundation. Both are graduate nurses and highly educated.

Conference Of Girl Scouts To Be Held April 28, 29, 30

Miss Warner will be assisted in the training work by Miss Marie Aftreith, assistant naturalist of national headquarters.

Minister Gives Review Of New Book, 'Four Square'

"Four Square" is the story of a four-fold life of John R. Oliver. Here is a man any one of whose four activities would keep an average person busy. The present day interest in psychology and psychiatry will put this book in demand. Dr. Oliver, a physician, originated and developed his present office Medico-legal advisor to the courts of the city of Baltimore. This volume will be of interest to judges, lawyers, physicians, those engaged in College work, and clergymen.

In his private practise of psychiatrist, he is making a contribution to one if the newer sciences; as a professor in a University he gives us information about the trends in life among our youth.

He deals sparingly and with delicacy about the years of uncertainity and spiritual loneliness through which he passed, ending finally in the contentment and happiness of his present ministrations.

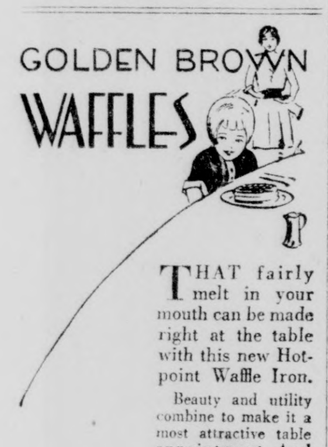

This review has been contributed by Dr. P. C. Pearson. The book is in the public library.)

Clean out the clothes closets, putting the clothing out of doors to air and to freeze the moths, then spray closets with moth preventatives.

Don Jose Mojica, tenor of Chicago Civic Opera Co.

Concert tomorrow night, Friday, March 14, sponsored by Civic Music Association of New Castle. Next week is the week called "membership week" when all applications for membership for next season must be in. Those who buy their membership cards before tomorrow night's concert may hear Mojica free.

THAT fairly melt in your mouth can be made right at the table with this new Hotpoint Waffle Iron.

Beauty and utility combine to make it a most attractive table appointment. And while it makes delicious waffles, it is not just a "waffle baker." It will bake 52 different treats — sandwiches, cakes, cookies, etc.

Its new heat indicator makes it easy to prepare perfect waffles every time.

We have it on display — come in and see it today.

Its age is a private matter

It is very difficult to discover, by its appearance, how old a Lincoln is. Lincoln believes in making automobiles so beautiful that they are always modern — so durable that they simply won't wear out. The age of a Lincoln is no one's concern—least of all its owner's. On the boulevards a Lincoln of last season and the newest model share honors equally with Lincolns years older than either.

So fine is this car that a year or so of use does not perceptibly detract from any of its splendid qualities. Lincoln owners are often men who can, and do, provide the best professional care for their cars. Sometimes such well-kept cars are available at very attractive prices from Lincoln dealers. The wisdom of investing in such a motor car is quite evident, and shrewd buyers are quick to take advantage of the opportunity.

A few such Lincolns are now to be seen on our floor. Every one is in perfect mechanical condition. We are always glad to demonstrate them to you, without the slightest obligation. Drop in today.

THE LINCOLN

The Parent Problem

by GARRY C. MYERS, Ph.D.

Bad Child Often Asks Attention

Some young children in the presence of guests, or hosts, behave very badly.

"I don't see why Wembo acts that way," observes his humiliated father, who adds, "He doesn't do such things when we are alone," or, "He never so behaves at home."

The father merely may be putting up a sham alibi in self-defense. It is probable that Wembo is no worse than he usually is. The parents at this time are peculiarly sensitive to his bad conduct. It is the disapproval of their friends which arouses them. On the other hand, the father actually may have been stating facts when he averred that the lad had never been so naughty.

* * *

Most guests and hosts judge a child's general training by the way he acts in their presence. While such assumptions are approximately correct most times, there are some exceptions. An occasional child, whose behavior has been considered good by the family and close neighbors, may actually appear, in the presence of strangers, to be badly spoiled.

Suppose, for instance, Wembo's father and mother and the neighbors had been very chummy with Wembo, had answered all his questions and had encouraged him to express himself freely.

Suppose they have guests for dinner, and the parents in their efforts to prove hospitable hosts, turn their whole attention to the company for fifteen or twenty minutes, and suppose, moreover, these guests make no effort to include young Wembo in their conversation. The lad attempts to get an audience once or twice, perhaps, but fails. He is wounded by the unaccustomed treatment. He just cannot bear to be ignored so long. Even his parents have said nothing to him or about him for a period which seems a day. He makes up his mind to get attention. Already very angry, he easily can show some temper. He does. His parents are chagrined. They scarcely know what to do. The boy senses their predicament and finds that the guests have turned their eyes on him. His parents coax, or scold, or threaten, or even punish him. No matter what they do, he is the center of the stage. He has captured every one's attention. Any pain he may have to endure is much to be preferred by him to the agony of being treated as if absent. He has hit upon a formula that works. Next time he happens to be in a similar situation he applies the formula again.

* * *

If Wembo is taken with his parents to visit in another home, similar instances may arise. The child may at first receive an undue amount of attention, only to be ignored for extended periods of time later. Moreover, certain privileges about the house at home may be denied him now. The results are obvious.

When you go with your child to another's home, or when you have guests in yours, see to it that the child is not ignored for long intervals, and that he feels himself a welcome member of that group. Don't, on the other hand, let him get too much attention. Try to turn him into activities at which he can earn worthy approval. If your child usually conducts himself properly be very loathe to punish him when in the presence of strangers he breaks forth in bad behavior. Study his problem with great care and try to avoid the things which will annoy him.

* * *

Tomorrow: Sissy Sam.

Old Sore Tortured For 30 Years

She Is Happy Now

For 30 long, pain-tortured years, Mrs. J. C. Henderson of North Carolina had an ulcer on her ankle—no matter what treatment she tried or amount of money she spent—nothing helped her distressing condition.

Someone suggested Peterson's Ointment to her—she admits she was doubtful but she was so discouraged with this never-ceasing agony she was willing to try anything.

Before Mrs. Henderson had finished her second box of Peterson's, the ulcer had completely disappeared—she was overjoyed to think that at last she could enjoy living.

Peterson's Ointment accomplishes these near miracles because it's so powerfully healing. Even one application instantly relieves the pain and soreness of bruises, piles, boils—a few days treatment entirely banishes pimples, blackheads—even the long standing cases. A 35c box proves it—all drugstores.

THE QUESTION BOX

CENTRAL PRESS WASHINGTON BUREAU

Answers to questions of information and fact can be obtained by writing to Central Press Bureau, P. O. Box 126, Washington, D. C., and enclosing a self-addressed, stamped envelope. No answers will be given to marital, medical or legal questions.

Did such a coin as the dollar circulate in what is now the United States as early as 1763?

In the fifteenth century the Bohemian Counts of Schlick began coining a silver piece which, because their mint was at Joachimsthal, was called the Joachimsthaler; presently abbreviated to thaler and then changed by the Low Germans into daler. Being a fine coin, it became more or less internationalized as the dollar. The Spanish introduced it into the new world, where it was widely current long before the U. S. coinage act of 1792.

Please tell something of the Rosicrucian Order. xz

What was known in the early 17th century as the Rosicrucian Order appears really to have consisted of a number of isolated individuals who employed a somewhat mystical tone and the terminology of science to popularize certain moral and religious reforms held by them more or less in common, but without any definite organization. The supposed society was represented as having been named after Christian Rosenkreuz, who seems, however, to have been at most a legendary character.

Why are Nova Scotians called bluenoses?

According to some accounts, after the potato of that name, an important Nova Scotia product; according to another version, because of the naval hue imparted by Nova Scotia's severe winter climate.

When, where and by whom was the Mormon church founded? Please outline Brigham Young's career.

The Mormon church (officially the Church of Jesus Christ of the Latter Day Saints) was organized under the New York state laws at Fayette, Seneca county (N. Y.), April 6, 1830, by Joseph, Hyrum and Samuel H. Smith, David and Peter Whitmer, Jr., and Oliver Cowdery. There were a few other adherents, but their names are not of record, six being enough, under the law, to form a religious society. Brigham Young, born in 1801, was an early member of the flock. He became the church's president in 1840 following Joseph Smith's death, led the Mormons to Utah, founded Salt Lake City, was first governor of Utah after the territory's organization, and remained head of the Mormon organization until he died in 1877.

Please name the continents.

According to some reckonings, there are North and South America, Europe, Asia, Africa, Australia and Antarctica. Some geographers call Australia an island. Some lump Europe and Asia together, as Eurasia. Some refuse continental recognition to Antarctica.

Oak St. P. T. A. Will Meet Friday

Members of the Oak street P. T. A. will meet Friday afternoon at 2:30 and all members are urged to be present as there will be representatives present from the health department of the Federation of Woman's clubs to present the topic of pre-school age child examination.

Mrs. William Cosel will also present the subject of the treasure chests that are to be sent to the Phillipines as a peace movement between the children of the world.

Georgette is approved to Paris stylists for feminine types of spring neckwear.

A New and Better Shave by Gillette

A new Blade
A new Razor

(PATENTS PENDING)

THE GREATEST SHAVING IMPROVEMENT IN 28 YEARS

MILLIONS of faithful, well-worn Gillettes are now going to win an honorable discharge. Sure—they're good old razors! And if you have to wait for your dealer to get his supply of the New Gillette Razor, your old Gillette will operate with the new blades.

But once you have tried the New Gillette Blade in the New Gillette Razor you will never be satisfied to shave with anything else!

Many important changes

What have we done to the Gillette Razor and the Gillette Blade? Not just one thing, or two things, or three. We have made a dozen important changes which, when you add them all together, make an entirely new and greatly improved shaving tool.

Take "razor pull," for example. Do you know why your old Gillette "pulled"? Perhaps you blamed the blade; but the fault was not in the blade. Our laboratories examined tens of thousands of used razors; our engineers talked to twenty-seven thousand hard-to-satisfy shavers.

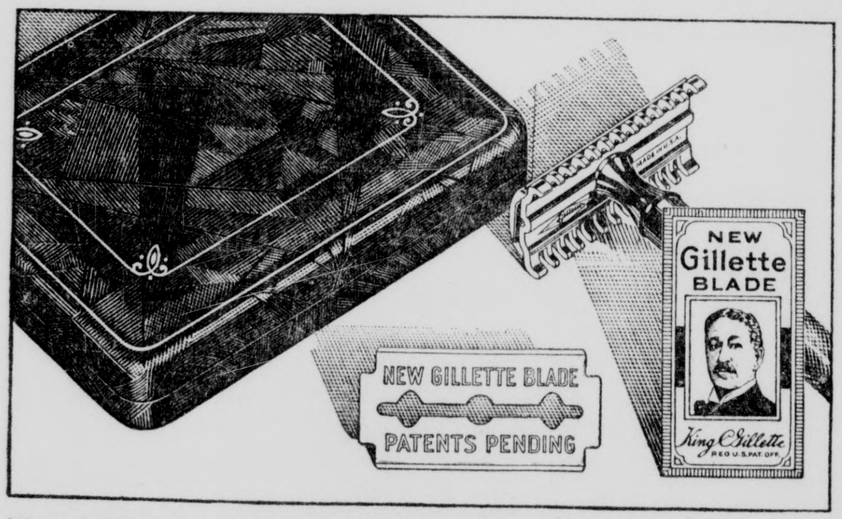

What did they find? A razor "pulls" because its working parts have been dropped and dented on floor or wash basin.

Perhaps the dent is microscopic. Just the same it makes a difference. When you handle a Gillette, you are dealing with a fine precision tool. Even the smallest dent can throw it out of alignment. Hence "*pull*." Now look at the corners of the new razor. See those heavy lugs? You can't dent those corners by any ordinary accident. But suppose, by some terrific abuse, you *should* dent them. Never mind. The ends of the blade have been cut out. The blade is no longer held at the corners. Therefore, a dented razor-corner can't possibly affect the smoothness of your shave.

No more blade wiping

Another thing. The new blades are processed to resist rust. Think what that means in convenience and time saving. No more do you have to take the razor apart to wipe the blade. No more cut towels. Just loosen. Turn guard at right angles. Then re-tighten. Hold under hot running water for rinsing. Shake well. Lay on the shelf.

The old posts are gone. How many a good edge was lost by bumping against those posts. Now the razor blade turns at right angles for rinsing. No taking apart for cleaning.

The new Gillette Razor, 24K. gold-plated, in beautiful case, complete with New Gillette Blade . . . . . Price $1.00 *Other De Luxe models at $5.00 to $75.00*

QUICK FACTS

1. *New blade can be used in your old Gillette*
2. *New processed steel; new blade resists rust*
3. *Cut-out corners of blade prevent "razor pull"*
4. *To clean, turn guard at right angles ... then re-tighten ... rinse ... shake dry*
5. *New shape guard channel gives full shaving clearance*
6. *New shape guard teeth meet skin smoothly, naturally*
7. *No projecting posts to dull blade edges*
8. *Reinforced razor corners prevent damage if dropped*
9. *Square blade ends safer to handle*
10. *Shaves easier around mouth, nose, ears*
11. *New blades same price as old*
12. *New razor, 24K. gold-plated, with one new blade, in case, $1.00*

New shape guard teeth

Notice the guard teeth . . . longer . . . turned back farther. They glide over the skin like velvet. You hardly feel the razor slide over your face.

See the ends of the blade . . . square . . . not round. Much easier to handle with slippery fingers. Less chance of having to fish for the blade down the drain pipe. And, being almost flush with the cap, the blade shaves much better around the difficult corners of the mouth, ears, and nose. The famous guard channel beneath the blade edge allows the blade to meet the beard full and clear, yet with perfect safety. This has hitherto been an exclusive feature of high priced Gillettes selling at $5.00 to $75.00. Now you have it in the $1.00 model.

See your dealer today

Gillette factories are working at capacity to supply all dealers as soon as possible. See *your* dealer today. Tomorrow he may be sold out . . . an inconvenient delay for you. Give your face this good news *now!*

All of which means that for $1 you can buy the greatest shaving improvement, the biggest money's worth in shaving comfort that has been offered in the past twenty-eight years.

$1.00 *for ten and 50c for five*

GILLETTE SAFETY RAZOR CO., BOSTON, U. S. A.

ANKLE LENGTHS FEATURE SPRING EVENING GOWNS

By ALICE LANGELIER
International News Service Staff Correspondent

PARIS, March 13—Evening gowns are evenly divided this spring into ankle-length dresses and formal gowns with more or less of a train.

The princess silhouette is still a favorite with many of the courturiers, fitting the bodice snuggly and hooking it beneath one arm. Extremely original ones recently seen at the Lido come in black velvet running up to high collars which fastened at the back of the neck and with ends handing down the nude back.

Molyneux makes a gala evening gown with little train of printed chiffon in tones or rose and trims it with double ruching of the same material. The lower ruffle of the skirt reaches the ankles in front and sweeps a bit of the floor in back.

Just touching the floor all around is a most decorative ensemble of brown and yellow, the cape and very full flounces being of brown tulle and the rest of the gown in golden yellow.

Redfern favors the princess frock for evening, varying it by draping or quaint neck arrangements. An Empire yellow faille has a waist-length full cape of the same trimmed with two wide ruffles of black lace.

Suzanne Talbot stresses toe-length evening gowns, very often made of lace. One in fine white lace has the intricate design outlined in faint black lines so that the effect of both grey tones and printed material is achieved.

Expose New Liquor Racket

(International News Service)

ONTARIO, Cal., Mar. 13—A two-man international racket that has cost Southern California druggists gallons of good whiskey and plenty of hard money has just been brought to a close here.

Hereski Nakamura, a Japanese who is handy with pen and ink is charged with writing many ficticious prescriptions and an equal number of worthless checks with which to pay the druggists. Robert Welsh, American, is charged with passing the prescription and checks with great success.

Ford Purchases Blue Spruce Trees

(International News Service)

LOVELAND, Colo., Mar. 13—Henry Ford has purchased a half carload of Colorado blue spruce trees, which will be shipped from Loveland to Detroit, Mich., to be planted on the Ford estates.

The trees are six years old and average about three feet in height. The branches are covered with bluish-gray berries in autumn making the trees desirable for decorative purposes.

JUST WHAT THE HALF SICK, TIRED OUT PERSON NEEDS

THE DRUGLESS WAY TO HEALTH

Every person needs Vitamins A and D—the vitalizing substance you are supposed to get from the various foods you eat.

Half sick, run down, nervous, anemic men, women and children need them and need them badly.

If you could depend on getting these precious health promoting Vitamins in the daily food you eat—you would not have to go further.

But it is seldom done. You would have to eat a variety of foods that are Vitamin tested and that is next to impossible. An able chemist after years of experiment has taken Vitamins A and D from pure Norwegian Vitamin tested cod liver oil and put them in small sugar coated tablets—as easy to take as candy.

In two of these energy creating tablets you get the equal of one full teaspoon of Pure Cod Liver Oil—almost a miracle.

You avoid the fishy taste and the repulsive smell—but you do get the Vitamins—you are sure you are getting them.

Your doctor when he tells you to take cod liver oil will tell you that he is prescribing it for the Vitamins it contains.

Now when we say to ailing people whose health is below par that they are sure of getting these Vitamins in the new and improved McCoy's Cod Liver Oil Extract Tablets we are simply stating a proven truth.

And when we say to your physician that for every ailment, malady, underweight or rundown condition for which he prescribes cod liver oil that McCoy's are equally as good we are making a statement of fact—if it were not true we could not make it.

So all people who are striving for robust health, for greater energy, for keen mind and more power of endurance can now get all the precious Vitamins A and D they need by taking McCoy's Cod Liver Oil Extract Tablets as directed. No drugs—Vitamins only.

And remember also that these tablets, rich in Vitamins, work wonders with puny, frail, underweight children whose bones and teeth are not developing properly and especially is this true when there are any signs of rickets.

Ask any druggist in America for McCoy's—precious but inexpensive—take them with every assurance that they are equally as potent in Vitamins as liquid cod liver oil. 60 tablets 60 cents.

Present Opera At Slippery Rock

Senior High School Pupils Star In Play—Other News Notes

(Special To The News)

SLIPPERY ROCK, March 13.—"The Chimes of Normandy," a comic opera in three acts was presented by the Slippery Rock senior high school on Thursday evening, March 6. The production was directed by Mrs. Arnold, assisted by Miss Griffin, Miss Moss, Miss Allen, Miss Eichler, Mr. Carson, Mr. Hogg and members of the music and art elective classes.

The cast included besides a chorus of fifty voices—

Germaine, The Lost Marchioness—Joan McCormick.
Serpolette, The Good For Nothing—Margretta Eisenberg.
Village Maidens:—
Gertrude—Vera Pisor.
Jeanne—Evelyn McCoy.
Manette—Ruth McDonald.
Suzanne—Mildred McCullough.
Henri, Marquis of Corneville—Dale Adams.
Jean Grenicheux, a fisherman—John Grossman.
Gaspard, a miser—Norman Straub.
The Bailli—Joe Gibson.
Notary—Albert Miller.
Registrar—Charles Elliott.
Assessor—Robert Hines.

Mrs. Arnold and her co-workers are to be commended on the success of the outstanding musical event of the year.

PARENT-TEACHERS MEETING.

The Parent-Teacher association met in the training school assembly room Monday evening. The president, Hugh Fergiro, conducted the business meeting. The program on character education followed. Dr. L. H. Wagenhorst gave suggestions from scientific investigations as to the need for character training. A. B. Dennison, What we are doing in our junior and senior high school to develop good character. The responsibility of the church towards boys and girls of 'teen age by Rev. H. C. McClure.

Mrs. Hugh Fergus was the only member of last month's visiting committee to report on having visited the school. The banner award was a tie between second and third grades. The visiting committee for this month are Mrs. Glenn Dunlap, Mrs. Ed. Matthews, Mrs. B. P. Stillwaggon, Mrs. Dave Pattison and Mr. O. E. Reed. Refreshments were served by the social committee.

SLIPPERY ROCK NOTES.

Miss Marjorie Aiken returned home Sunday from the Bashline-Rossman hospital where she has been taking treatment for a sinis infection.

Mr. and Mrs. J. E. Snyder of Grove City, were dinner guests Thursday evening of Mr. and Mrs. J. E. Stoops and attended the high school opera.

Miss Jean Weir and Ralph Lorenz of Imperial, and Miss Edna Miller of New Castle, were week-end guests in the L. L. McCullough home.

Mr. and Mrs. H. L. Headland and Mr. and Mrs. T. J. Heim were Pittsburgh visitors Saturday.

Tuesday visitors in Butler from Slippery Rock were Mr. and Mrs. C. O. Uber, Mr. and Mrs. D. C. Porter, Mr. and Mrs. Geo. Hartzell, Mr. and Mrs. J. E. Stoops, Mr. and Mrs. Walter Hess, Miss Rice and Mrs. R. P. Adams.

Mrs. Collerd and daughter, Mary Jane, and mother, Mrs. Ross, were Mercer callers Sunday.

The regular meeting of Slippery Rock Grange will be held March 14. The Rebekiah lodge will give the proto be a good one.
gram for the evening which promises

The Presbyterian Missionary society met in the church Friday afternoon. Mrs. Scott was the leader. Special music by Mrs. Demit and Mrs. Bolton. Mrs. Scott read a paper on "Japan" and Mrs. R. P. Adams on "Scenes From Ellis Island." Refreshments were served by Mrs. Maybury, Mrs. Allison, Mrs. Wilson, Mrs. Bard, Mrs. Offutt, Mrs. Stillwaggon, Mrs. Grossman and Miss Maybury.

MIST-LIKE DROPS

WHEN cod-liver oil is *emulsified* it is broken up into myriads of mist-like drops quite as Nature provides the butter-fat in milk. That is why

SCOTT'S EMULSION

more than fifty years ago won world-wide recognition as cod-liver oil in a form that people could take and enjoy.

When you need cod-liver oil, take Scott's Emulsion. It's easy to take—digests readily.

Artillery Has Distinguished Service Record

Pennsylvania National Guard Unit Dates Back To Revolutionary Days

(International News Service)

WILKES-BARRE, Pa., March 13—Organized in 1775 as the 24th Regiment Connecticut Volunteers, the 109th Field Artillery of the Pennsylvania National Guard has a record of continuous service since then, participating in all of the wars of the United States with the exception of the War of 1812.

The Connecticut Volunters were organized to serve in the American Revolution and were so named for the very good reason that the Wyoming Valley, was then part of Connecticut. By the Decree of Trenton, in 1782 the Valley was awarded to Pennsylvania and that portion of it which had been Westmoreland, became Luzerne County, Pennsylvania.

The 109th, with headquarters in this city has been authorized to wear on its regimentals banners of battles in all of the wars of the United States in which it participated.

Make dresses bright as new!

DIAMOND DYES are easy to use; go on smoothly and evenly; NEW. Never a trace of that re-dyed look when Diamond Dyes are used. Just true, even, new colors that hold their own through the hardest wear and washing.

Diamond Dyes owe their superiority to the abundance of pure anilines they contain. Cost more to make. Surely. But you pay no more for them. All drug stores—15c.

Diamond Dyes
Highest Quality for 50 Years

Report Of Four Branches Of Public Library Is Given

Total branch circulation of the New Castle free public library during the month of February, 1930 was 9,092, according to Miss Alice Sterling librarian.

There are four branch libraries and the main library. The circulation of the Mahoningtown branch library for February was 2,551; the Jameson hospital library circulation was 209; the South Side branch was 3,678 and the East Side branch was 2,654.

White Slaves Sold In State In 1819

(International News Service)

GREENSBURG, Pa., March 13—Just 111 years ago it was that the last recorded sale of white persons at public auction in Greensburg was held.

March 5, 1819 saw an entire family sold here. There was the father, 40; the mother 45 and the son 15 according to an advertisement in a Greensburg newspaper and in handbills circulated throughout the immediate countryside.

The family was of German origin, and lacking the money to pay for their passage to the United States agreed to sell their time and services to earn the money as a common practice in these days.

They were advertised as "German Redemptioners," because the terms of their contract permitted them to purchase their freedom with the payment of the balance due on the passage money.

The last sale of a negro slave in Greensburg took place in 1840, when a woman was sold "on the block."

Youth Stealing Bread Fatally Shot By Police

Mother Declares Victim Stole Only To Keep Family From Starvation

(International News Service)

BUFFALO, N. Y., March 13.—A 17-year-old youth said by his relatives to have stolen bread from a store here to save them from starving, died in Milliard Fillmore hospital today after he was shot in the head earlier in the morning by a policeman. The youth, Derwood Nunemaker, fled on his command to halt, the policeman said.

An older brother, Lester, 28, who stopped at Patroleman A. E. Andres' order to halt, was held by police.

Andres said he had been detailed to watch a store where bread left in front of the store each morning had daily disappeared. When he saw two men coming out of the store this morning, he ordered them to stop, but when the younger of the two dodged into an alley, he fired.

Mrs. Lester Nunemaker, mother of the two, told police her husband had been out of work for four months and that they had had no food lately. "Lester has ben trying daily to get work," she told them, "but could get none and we were faced with starvation."

College Catalogs Come Off Press

NEW WILMINGTON, Pa., March 13.—The catalog issue of the Westminster college bulletin came off press this week and will be distributed next week. This is the second of a series of three large booklets which the college will have published within a period of two months.

The triennial register of alumni was published late in December but was not distributed until this month. This contains the names, classes, addresses, and occupations of all alumni up to and including the class of 1929.

The third booklet, a book of views of the campus and students organizations and activities, will go to press soon. Dr. C. A. Dawson, head of the department of English, is planning the book. A large collection of new photographs of libraries, classrooms, laboratories, and dramatics as well as athletic, forensic, and social pictures will be found in the viewbook. This bulletin will supplement the catalog.

MILK OF MAGNESIA NOW IN TABLET FORM

Soluble, Pleasant, Accurate, Safe

Again science has triumphed and today the medical and dental professions are prescribing Lac-Ma Milk of Magnesia Wafers.

Children who fight against taking unpalatable liquid magnesia actually crave Lac-Ma Wafers, because they taste like candy.

Lac-Ma Wafers keep perfectly under all conditions. You get more for your money as there are 96 teaspoonfuls in each package. No danger of freezing or precipitating.

Lac-Ma comes in an attractive package, which, due to Lac-Ma being concentrated, can be carried in your vest pocket. Remember, it is not necessary to add water to Lac-Ma. Of course you can if you wish, but Lac-Ma will dissolve quickly if just placed upon the tongue. At Your Druggist and always sold and recommended at all leading druggists.

Minor Accident Reported To Police

Car Damages Atlantic Avenue Property When It Skids Into House

Clarence J. Dilks, R. D. No. 9 was enroute north on Atlantic avenue at Etna street Tuesday night. The street was wet, due to snow. An Ohio license car was ahead of his machine, as a car came out of Etna street. There was also a macine parked on the east side of Atlantic avenue at this point. The Ohio license car suddenly applied its brakes and its wheels skidded. Dilks swung to the right to avoid this machine and his car went into the Burns residence at 145 Atlantic avenue, damaging the property and his machine to some extent.

Revenue Office Open At Night

The U. S. internal revenue office, in the Lawrence Savings and Trust building will continue open until 5 o'clock this afternoon and will remain open probably till 10 o'clock on Friday and Saturday evenings, it was announced today.

Large numbers filed income tax reports today and from now until the 15th a heavy volume of work is expected, it was said.

LADIES AUXILIARY VETERANS OF FOREIGN WAR TO HOLD DANCE

The Ladies' Auxiliary of the Harry L. McBride Post 522 of V. F. W. will hold a dance and benefit card party on the night of April 12 in Danceland. It was believed by some that this dance was being sponsored by the American Legion, but such is not the case, the organization having no connectionn whatsoever.

Mrs. Floss Potter is chairman in charge of arrangements.

Curtailment of gasoline production would be another way to stepping on the gas.—The Omaha World-Herald.

OH, THESE WOMEN!

By LEOLA ALLARD

"Irish James" of Chicago seems to have stirred the girls considerably with his announcement that the only girls worth marrying were not looking for husbands, but were satisfied with good jobs. He explained that he meant "worth while" because they worked and knew what it was to be tired and not want to go galavanting through the night lights after a hard day's work.

A nice Irish girl from Chicago approves heartily of James, and has this to say:

"I heartily agree with Irish James of Chicago, because the lazy, extravagant, cheating and altogether useless girls are the one who first marry the men of ideals and dreams. When they get wise to them—divorce! Then lo and behold, we girls who work from 10 to 12 years get a chance at them. But Lord what a job we wish on ourselves!

"Our second hand husbands are disillusioned so we must walk around on egg shells and mind our P's and Q's. Is is worth it? My dear lady, marriage, be it good, bad or indifferent, is always worthy of the effort.

"This is my third attempt, and if it falls, I'll hie back on the highways and byways where men, whole hearted or bruised hearted may be found. My first plunge was a dud sure, I being more to blame than he. We are still on good terms. He had just returned from war, and I was still a dreamer. Add two such cases and the result will be failure.

"My second attempt—ah me! That was love, pure and simple. Another wreck. The second attempt lasted six years. The so-called Grim Reaper harvesting. I term it the last call of Morpheus. I was the bread winner. But he was the home maker. What a marvel he was! Always clean linen for my next day's work, always a neat apartment, ice in the box and a pot of coffee perking when I came home. Allah be kind to him.

"And now this effort, eight months old on Monday. Sweet as can be and straight as a die. Love? Who knows? For I am walking on the aforementioned egg shells. But I am experienced and know the game. For that's what it is—give and take—equally.

"So please don't be too harsh with Irish James. Men's likes are not as resilient as women's. Give him time and he will plunge again, and find happiness. We all do. Please pardon this long letter but your column is my rosary and I'm always for you."

M. G. C., Chicago.

Why Simple Stomach Troubles so Often End on Operating Table

"BECAUSE it could have been so easily avoided, no case is more pitiful, than that of the man or woman who is forced to undergo the surgeon's knife as the result of neglecting simple stomach ailments," said a New York physician recently.

You, for instance, may look on an acid stomach as nothing to fear. Yet in reality, it is a most alarming condition on account of its great tendency to develop stomach ulcers.

Face facts. If you suffer gas and bloating after meals, loss of appetite, constipation, headaches, if your breath is bad, your tongue coated, the best thing you can do is to go to the nearest drug store and get a bottle of Tanlac. Besides getting quick relief, weak, disordered stomachs which seemed utterly to have stopped working the way they should, have shown almost a miraculous return to normal activity through the remarkable stimulating effect of Tanlac. One woman, Mrs. May Ogle, says: "Tanlac saved my life. I had stomach troubles for 10 years. Gas nearly killed me and I was in bed for weeks at a time. Doctors said it was gall stones and gall bladder. Spent lots of money but suffering increased and all hope was lost. Certainly a harder task for Tanlac could not be found yet it succeeded. Now in the best health in 10 years and eat everything." Tanlac is not a "patent medicine"—it's a real medicine so do not accept a cheap substitute. Fully guaranteed to give satisfaction or money back. At all druggists.

N. E. A. Membership In State Gaining

Many More Teachers Joining National Association During Past Year

WASHINGTON, D. C., March 13.—Pennsylvania ranks fifteenth among the states and territories in the percentage of its teachers who are members of the National Education Association, the latest enrollment figures of the association reveal.

Of the estimated 64,000 teachers in Pennsylvania, 21,206 or 13.13 per cent of the total were members of the association the first day of the year, as compared with 19,316 who were enrolled January 1, 1929.

However, the membership in the State association increased from 58,324 on the first day of 1929 to 59,072 at the start of 1930.

ARMORY DOG, WORLD WAR VET, LAUDED IN DEATH

(International News Service)

ST. JOHNSBURY, Vt., March 13.—"Shep" the armory dog, is dead.

There are countless "Sheps" throughout the canine world, it being a common name for dogs, but the death of this one was of importance to every man who has served with the 172nd Infantry, Vermont National Guard.

A veteran of the "big rumpus across the Pond" Shep was so important that the flag on the Armory was flown at half mast on the day of his demise.

A big husky, red and white fellow, but never a bully, Shep realized his seniority over any new addition that might dispute it, and he earned it for he was one of the last famous "War Dogs."

Born in Camp Devens, Mass., early in 1917, Shep was left in care of the members at the Armory as his owner, Carl Stinson left to "go across." Later he also went to France and there "met-up" with his master.

When Staff Sergeant Stinson returned here at the close of the war, Shep, a veteran then, returned with him. He took up his abode at the State Armory, and till the end of his days, that was his home. He had a soft bed in the boiler room, and his rations consisted of parts of the mess of the men in the Armory.

In summer, when the regiment went to Fort Ethan Allen for its maneuvers, Shep sitting proudly on the running board of Sergeant Stinson's car, was always one of the first arrivals. After paying his respects to the headquarters staff, he wandered around the encampment to get acquainted with some of the newcomers, both canine and human, and to visit some of his old cronies, and incidentally to take a fall out of any young recruit pup that disputed his superiority.

That Shep was the "top boss" of the camp as far as the canine population was concerned, was not in doubt for ten years.

At evening parade, Shep always stalked gravely in the rear of the company, and as it passed in review before Colonel Tinker, the old dog held his tail at "attention" and his eyes "right."

CUPS OF AMBER FOR JADED NERVES

WHEN a brood of troubles swarms, brew yourself a pot of Tetley Tea. Slump into an easy chair, slip into comfort and slip out of worries. • As Tetley's quick "pick-up" touches low nerves you'll feel your spirits go into high. Two cups of this glowing amber will change blue vistas to rosy visions. • Your grocer has Tetley Tea in packets of pounds, half pounds, quarter pounds and in tea bags for individual service. Follow the fine old English recipe on the package . . . and get more than 250 cups from every pound.

TETLEY TEA

Rea Murder Trial Ready For Defense Testimony Today

Commonwealth Concludes Presentation Of Testimony Last Night

Witnesses Tell Of Scenes At Rea Home And Of Confessions

Wednesday Afternoon

When the case of William Grimm, charged with the murder of Clark Rea was resumed before Judge Chambers Wednesday afternoon, Francis Barrett was called for examination.

On the night of January 15th Barrett said that he had gone to the Rea home with District Attorney John Powers and Mr. McAnaney. First they had gone to the Kelly undertaking rooms and viewed the body.

When they reached the Rea house they found Will Cunningham and several others. Witness saw the heel mark on the window sill.

Later witness saw Wm. Grimm and William Llewellyn in the Joyce pool room on January 17th. He was looking for Jesse Martin, William Grimm and Charles Llewellyn. Witness did not know Charles Llewellyn but knew William.

Mr. McAnaney spoke to William Llewellyn and asked him to call William Grimm and Charles Llewelyn.

They went out and got into a car driven by witness. William Llewellyn and witness were in front seat. McAnaney and Grimm in the back seat. We drove to Falls street near The Castle hotel, continued witness. I told William Llewellyn we wanted to question the boys.

William Grimm spoke up and said he knew what it was about. It was about some furs.

I told him it was about something more serious. I asked Grimm if he knew Jesse Martin, he said that he did.

Grimm then interrupted again about the furs. I told him we did not want to hear anything about the furs. I told him it was about the Rea murder.

I said to Grimm if he knew who had been implicated in the Rea murder we wanted to know about it. I turned to William and asked him to have his brother tell us if he knew anything.

William said to his brother to tell anything he knew. Charles Llewellyn then admitted that he had been to the Rea farm. Grimm did the same thing. Both said they had been out to the farm, that there had been some shooting and that they had taken some money.

They said that all of them had shot. They said that they had planned for some time and had made several trips to the Rea farm.

Once they went with a colored man. Once they had asked at the home to be pulled out of the mud. They were refused, got cold feet, and came back to town.

Again they had gone out and had asked for oil. Refused they again weakened and came home.

About 6:30 on January 15 the Llewellyn boy went to see the Grimm boy. Coming back together they met Jack McDevitt and Jesse Martin. They went to the Leslie House expecting to meet someone but were disappointed.

They then went out to the Rea farm. Martin and Grimm were to go to the east window. Llewellyn and McDevitt to the west window. When the east window was crashed, those on the other side came around, and all fired into the room.

Three went in the west window. Martin remaining out to watch. McDevitt, Grimm and Llewellyn went in. When they entered one man was lying on the floor. The other man, Elias Rae was near the east window. McDevitt covered him with a gun. The old man fell to the floor and put up his hands. McDevitt got 54 cents from him.

Llewellyn and Grimm covered the man on the floor because he was moving. McDevitt then come to the man on the floor and took some money from his pockets. It was afterwards found to be $53.

They then searched the bed. Martin told them to hurry. Coming out they started back to town, letting McDevitt out near B. & O. station. Martin was let out near Rohrer's gun store. Llewellyn and Grimm then drove on to Llewellyn's home where Llewellyn told Grimm to take the guns out of the car. They put the guns in another car in the garage. Witness said they drove to Lewellyn's and Grimm got three guns and brought them to his car.

We then drove to the office of District Attorney John Powers. In the party were William Grimm, Charles Llewellyn, McAnaney and myself. William Llewellyn started to cry when Powers came out from another room. Powers put his arm around him and told him it was too bad.

As there was a crowd at the district attorney's office getting ready to go to Arizona for Irene Schroeder, we decided to go to the Castleton hotel. The boys were told of their rights. Charles Llewellyn and William Grimm then both made statements which I reduced to writing.

Llewellyn made his statement first. Grimm then made his. They were in the presence of each other when the statements were made.

After the statements had been written they were given to the boys to read. District Attorney Powers told them if there were any changes to make they could do it before signing. They said there was not. They signed them.

The statement of William Grimm was then produced and identified by witness. It consisted of six pages. The statement of Charles Llewellyn consisting of five pages was then identified. Papers were all signed in the presence of District Attorney Powers and William Llewellyn.

The guns were identified by the boys. Later the boys told to whom each gun belonged. They were all 22 calibre. They said McDevitt had a 32 calibre.

Gun produced as an exhibit was identified by witness as the gun which Grimm had said belonged to him. Other guns were also produced and identified as belonging to Llewellyn and Martin. Guns were delivered to County Detective W. H. Lee. They were all labeled according to information given by the boys.

The written statements were shown to the boys by District Attorney Powers, who told them to look them over as he was going to turn them over to the county detective. The boys said they were all right.

Witness stated that he had been asked to work on the case by District Attorney Powers. He had done police work on the Mexican border in the U. S. Army.

Cross examined. How long had you known Grimm?

Had not known him.

Did you know Llewellyn?

I knew William Llewellyn.

In carrying on this investigation in the car, who asked the questions?

We both asked questions.

Did the boys object to answering your questions?

No, not particularly. Grimm was a little reticent at first.

When you began to talk to them the thing they had in mind was about some furs?

That was what Grimm said. Llewellyn said he was sick of the whole thing and wanted to make a full breast of it.

When you suggested going to the district attorney's office, they went willingly?

They did.

They were not under arrest?

No, we had no power to arrest.

Were the guns all of the same make?

Yes. Young America, Junior.

Direct examination. When did you go to Llewellyn's for the guns?

After we had talked to the boys on Falls street.

Bullet shown witness. Identified as 22 calibre, same as guns received from the boys .

Louis B. McAnaney told about being with Barrett and district attorney at the Rea home. Arrived there. Arrived 10:30. Examined premises. Saw mark of rubber heel.

Witness corroborated Barrett as to their activities on the night of January 17th, when Grimm and Llewellyn were found in the poolroom and taken to Falls street where the boys were interrogated about the murder.

Witness said that Grimm at first denied any knowledge of the Rea case.

Then Charles Llewellyn looked over at Grimm and said that he was going to talk, as he could not sleep or eat. He then said "we did."

Witness then related the stories as told by the boys, substantially the same as told by Barrett.

After the robbery, on the way into town, the boys said they divided the money.

Grimm was given $11, Llewellyn $11 and Martin and McDevitt a few cents more. McDevitt said to Grimm and Llewellyn that they had 12 or 20 cents more coming to them. The boys said that was all right.

Witness then told about the confessions having been taken at The Castleton, when room 218 was secured.

District Attorney Powers told the boys to be careful what they said as all that was said could be used against them.

The boys said they did not care. They wanted to tell the whole truth.

Signed statements made at The Castleton were identified.

Guns shown witness. What are these?

The guns we got at the Llewellyn home on English avenue. They were turned over to the county detective.

Have you had any military experience?

Yes. Fourteen months in the U. S. Army, seven months in France.

Cross examined. Are we to understand that both you and Barrett both asked questions when you had the boys in the auto?

We did.

Did not one of the boys tell you that when they went into the Rea house they did not know that one of the men had been shot?

I do not think so.

Dr. H. E. Zerner testified that he had held a post mortem on Clark Rea on January 16th. He was assisted by Dr. Stutz. Death had been caused by a bullet in the brain.

Witness marked the bullet and gave it to Coroner J. P. Caldwell. It was a 22 calibre bullet.

District Attorney Testifies.

District Attorney John S. Powers was called. He testified that he had instructed Barrett and McAnaney to make an investigation of the Rea case.

They came to his office about 9 o'clock on the night of January 17th, going to The Castleton hotel, statements were taken there from William Grimm and Charles Llewellyn.

Witness said that he had informed the boys that anything they might say could be used against them.

After the statements had been written out they were given to the boys to read over. Powers told them that if there was anything in the statement they wanted to take out they could do so.

Statements were identified by Powers, who said he had seen the boys sign them. He took the statements and the guns and turned them over to County Detective Lee.

Cross examined. Did you tell the boys the statements would or could be used against them. That it would be used against them?

County Detective Testifies.

County Detective W. H. Lee testified that District Attorney Powers had turned two statements and three guns over to him.

Statements and guns were shown witness and identified. He said they had been in his possession ever since.

Lee said he had some experience with firearms in the U. S. Army. He had been in a machine gun corps. He had been instructed on army pistols.

Defense here asked to cross examine witness.

Picking up one of the revolvers former Judge J. Norman Martin pointed it at Lee asking him to look at the hole.

That is a much smaller barrel than you have been used to, is it not?

Yes, much smaller.

What did you do with the guns?

I put them in envelopes and took them home. Later I rented a strong box at a bank and put them in it.

Prosecution offered statements made by Grimm and Llewellyn as exhibits.

Defense asked to read them first. Permission granted.

After reading, objections raised as to Llewellyn's alleged confession, on grounds that Llewellyn had been told that anything he might say would be used for or against him, also that Llewellyn had not been indicted as an accomplice of Grimm.

Attorney Braham believed statements admissible.

Objection was over-ruled and offer admitted.

Statement of Charles Llewellyn was then read by Attorney Muse to the jury. It told of three visits made by the boys to the Rea home. On the third trip, all four boys had revolvers. The confession outlined the shooting and robbery as testified to by Barrett and McAnaney, who were witneses to it.

Confession of Grimm was then offered. Objection to it was over-ruled by Judge Chambers and statement was read to jury. It outlined the murder and robbery practically the same as the confession of Llewellyn.

Gun of William Grimm, carried on the night of the murder of Clark Rea, was then admitted as evidence.

Guns of Jess Martin and Charles Llewellyn offered and admitted. All three guns were given to jury for examination. Guns were then given back to County Detective Lee.

The Commonwealth closed at five o'clock Wednesday night.

KONJOLA BRINGS NEW HEALTH TO THIS YOUNG LADY

Severe Attack Of Nervousness Soon Yields To Power Of New Medicine.

MISS DOROTHY M. CHEW

"I suffered from a nervous ailment for a long time," said Miss Dorothy M. Chew, Witmer, near Lancaster. "My blood appeared to be in very bad condition, and skin eruptions were a source of annoyance and worry. I became irritable and indifferent to my work and my friends. My appetite was poor and my weight was going down alarmingly. I tried many medicines but nothing helped me in the least.

"Finally my grandmother, who had taken Konjola and had been helped wonderfully, prevailed upon me to take this new medicine. After the first bottle I seemed to sense a change in my condition. I kept up the treatment and my nerves began to grow steady and strong. I slept well at night and my appetite so improved that I ate heartily and enjoyed each meal. I took on weight and became stronger and more energetic each day. My skin has cleared up and I am in excellent health."

Konjola is sold by Love & Megown, the druggists, 204 East Washington St., this city.

GARDNER

It is probable that on March 11, nearly every Gardner resident was among the many millions who received the thrill of their lives, and experienced the undreamed of pleasure of hearing the voice of Commander Richard E. Byrd, as he responded to the greetings which were sent to him at Dunedin, in New Zealand. Surely we can say now with Samuel F. B. Morse, "What hath God wrought."

Mr. and Mrs. James Kennedy of New Castle, came to Gardner last Sunday afternoon to see their relatives at the home of Mr. and Mrs. T. J. Shaffer, Russell King of Shenango Stop and Sylvester Shaffer of New Castle, also visited at the same home.

On Tuesday of last week, Mrs. C. W. Fenton of the Ellwood road went to Mars, to attend the funeral of a relative.

Last Tuesday, Mrs. L. A. Robison of Gardner spent the day with their relatives, Sergeant, and Mrs. Percy Knight of New Castle. Miss Nuna Brest of New Castle is a guest this week of her sister Mrs. Robison.

Miss Florence Zehner, daughter of Mr. and Mrs. William Zehner of the Ellwood road, has gone back to her position in the Ellwood City high school, after recovering from an attack of grip.

Mrs. John Zehner of the Ellwood road has been ill for some time but is now improving nicely.

Mr. and Mrs. Willard Kennedy of Gardner spent Monday evening at the home of the former's brother, Mr. and Mrs. Garth Kennedy of the Butler road.

Mr. and Mrs. George Stetson of East Brook entertained Mr. and Mrs. Frank M. Hay of Gardner and their children at a delicious six o'clock dinner last Sunday.

Rev. J. R. Routledge pastor of the Providence Baptist church and Mrs. Routledge, came to Gardner on Monday to a home where there has been illness.

Mr. and Mrs. S. G. Hazen, of Ellwood City came to Gardner on Saturday as they were on their way to Warren, Ohio, to see Mrs. Hazen's little nephew, a beautiful child not yet a year old who has lost both father and mother. Mr. Hazen just returned from Fort Madison, Iowa, where his brothers, Ira, Elwin, Pierce, and their only sister Mrs. Bertha Brown of Youngstown, all went in Mr. Hazen's car to be present at the golden wedding anniversary of their eldest brother, Dr. Hazen a dentist of Fort Madison. It is more than fifty years since Dr. Hazen began his very successful career at Harlansburg. After gaining a winsome bride, there, the young couple went West, and now have one of the most beautiful homes, and are among the most highly esteemed citizens of that flourishing city. There were 114 guests at the golden wedding anniversary, who opened their eyes very wide at seeing four brothers and a sister, in the receiving line with the bride and groom. The youngest one is almost sixty. This is certainly a noteworthy record.

Henry Robison, and Mr. and Mrs. Urey and their three children, all of New Castle, were all guests at the home of Mr. and Mrs. L. A. Robison of Gardner last Sunday evening.

Mr. and Mrs. Philip Moore of Gardner entertained the family of the former's brother, Mr. and Mrs. Lloyd Moore, and children of New Castle, and also their uncle and aunt Mr. and Mrs. John Irwin and two children, of the Harlansburg road, all of these were guests on last Sunday.

Rev. Claude Downs, pastor of Savannah M. E. church has commenced revival services with his congregation. Prayer meeting tonight will be at the home of Mr. and Mrs. William Mayberry, on Friday night at the home of Mr. and Mrs. John C. Reed of the old Pittsburgh road. Next week there will be preaching every night by the pastor and the music will be conducted by Mr. McKenzie of New Castle. Mrs. Charlie Smith of Savannah was removed to the New Castle hospital on Tuesday as a heavy cold was causing illness.

On Thursday of last week the Woman's Mission Circle of Center United Presbyterian church held an all-day meeting at the parsonage. An excellent tureen dinner was served at noon, after which officers were elected, and the lesson was taught by Mrs. Johnston, the pastor's wife is making the Mission study book, from Jerusalem to Jerusalem, exceeding interesting and instructive.

Last Friday evening Mr. and Mrs. Charles McGary of Gardner entertained Miss Helen Drumm of New Castle and Miss Margaret Brenner of Rose Stop at six o'clock dinner, and on Tuesday two sisters of Mr. McGary, Mrs. Mockle, and her daughter Marjorie of New Castle and Miss Margaret McGary of near New Wilmington.

WOMEN WITH NERVES MIGHT PROFIT

Lady Says World's Tonic Made Her Life Bearable

Women who suffer from "Nerves" might profit by the experience of Mrs. M. Zubus of Ambridge, Pa., who told an interviewer about months of real distress happily ended by this great medicine. "Life," she said, "was getting unbearable because of my extremely nervous condition. I was so nervous I screamed whenever I heard a sudden noise, and I had neuritis all of the time. Every night when I lay down pains would shoot through my arms and legs, and I lay a long time before I could go to sleep.

Often I got up in the morning with a severe headache, and I moved around all day as miserable as I could be. Sometimes I thought I was losing my mind. I would lay my pocket-book down on a chair and the next minute forget where it was, or I would start to do something and forget what it was. Every day or so it seemed as if some one was putting a knife right into my back. I had to keep close control of my tongue, because I was so frightened every time an unusual noise occurred that I scolded every one around me.

"My children scooted every time they saw me coming, and I do not know how my husband ever stood those awful months. Of course I was treated for these troubles, but I might as well have saved my money. One day I was talking of my troubles with a neighbor, an elderly woman of much experience, who told me that I needed a good tonic, and said that the best one she had ever found was the new medicine called World's Tonic. I brought a bottle home with me next day, but thought so little of it that I let it lie on the shelf for a week before I used it.

"I felt so miserable one morning that I got that bottle and began to take the medicine. In a few days I felt better. I began to get rid of the pains, and I had less headache. In a week the headache all disappeared, and I have not had it since. My nerves settled down. I became calmer, and I was not frightened so easily. My children began to come to me, and my husband talked of how much better I was. Now, at the end of five weeks' treatment, I feel well, and I know that I am so, thanks to World's Tonic, a marvel of help to nervous women." World's Tonic can be obtained at Eckerd's, McKee's, Paisley's, Smith's or of any other first class drug store. (A-57)

VICKS VAPORUB

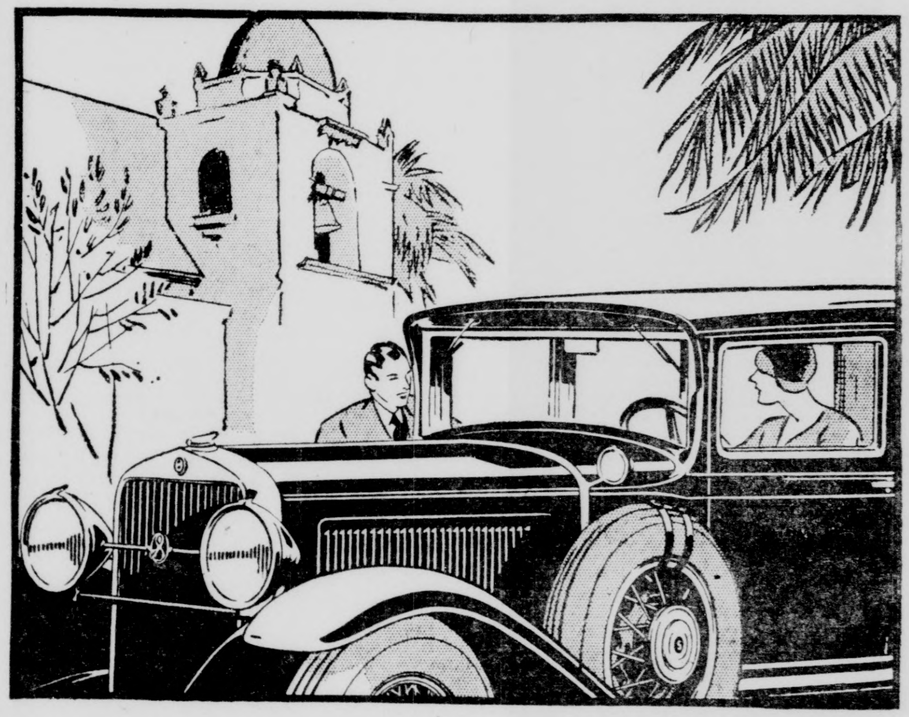

OVER 17 MILLION JARS USED YEARLY

It costs less than 12 sixes -and it's an EIGHT

STUDEBAKER COMMANDER

$1495 TO $1695 AT THE FACTORY

Seasoned...brilliant

Although no six can match the pliant, eager performance of this great Straight Eight by Studebaker, The Commander's price is *less than that of 12 different six-cylinder cars!*

100,000 Studebaker Eights now in owners' hands offer convincing evidence of sound design, proved by time and travel. And added to that is the fact that Studebaker Eights hold the greatest world and international records, plus more American stock car records than all other makes of cars combined.

Price and performance thus prove The Commander Eight as remarkable a value as its beauty clearly indicates. This beauty of line and finish, inspired by the world champion spirit of Studebaker Eights, carries through to each small appointment. The Commander Eight is a motor car measurably finer than its price implies—with the heritage of Studebaker's 78 years of quality manufacture.

STUDEBAKER EIGHTS COST NO MORE TO OWN OR TO OPERATE

Dictator Eight Club Sedan	$1195	Commander Eight 4-Door Sedan	$1515
Dictator Eight 4-Door Sedan	$1295	President Eight 4-Door Sedan	$1795

Studebaker also builds three lines of champion sixes at lower prices: The Dynamic New Erskine, $895 to $1125; The Dictator Six, $1005 to $1295; The Commander Six, $1345 to $1575. Prices at the factory.

Better Business Bureau Endorses Local Projects

Approve Plan For Three Months Of Daylight Saving During Coming Summer

TO ASK ACTION ON ROAD IMPROVEMENT

Members of the Better Business bureau of the New Castle Chamber of Commerce approved a number of civic projects at their dinner meeting in the Elks club last evening.

The daylight saving committee consisting of W. J. Offutt, J. F. Perelman and C. Ed Smith, Jr., reported that it was their understanding that the industries of New Castle desire to observe daylight saving time during the months of June, July and August during the coming summer.

The committee recommended that the merchants cooperate with the industries and endorse this period in which to observe the change in time. The members of the bureau approved the recommendation of the committee and will cooperate with the industries of New Castle in this matter.

The matter of further improvement of highway No. 956 leading through Volant and Leesburg was called to the attention of the Better Business bureau and the endorsement of the project was given by action of the bureau. The improvement desired will start at the end of the present concrete road and continue north to the borough of Volant and thence east over the Potter run road to the Perry highway and will give better highway service to the communities located in that portion of the county.

The Better Business bureau endorsed the employment of the Wertz Advertising Service as a means of stimulating greater interest in New Castle. This service is for the purpose of creating a greater civic consciousness and community loyalty and it is hoped will produce greater cooperation between and among business interests of the city.

The matter of holding an industrial exhibition of products manufactured by industries of New Castle and Lawrence county was discussed and the matter referred to the April meeting for definite action.

A report on Dollar Day was received and it was considered to have been a successful effort this year.

An excellent report was submitted on the improved lighting in the business section by E. J. Friederich of the P. & O. company. He stated that the candle power that would be installed in New Castle in the near future would average from 1½ to 2½ greater than that which is now being used, with approximately the same cost to the city, because of a lowering of lighting schedules. The bureau extended a vote of thanks to the P. & O. for their successful efforts in securing this better lighting for the city.

The meeting, which was presided over by President Emanuel Shenkan, was attended by the following:

J. F. Perelman, Frank W. Hill, L. E. Lull, L. F. Flynn, Carl E. Paisley, W. Galdblatt, Walter Dietterle, John S. Abel, E. J. Abel, Jerold Meyers, C. A. Donges, M. Edel, John Connery, J. Lee Clark, Alvin Shenkan, DeLace Cole, Martin Uhrin, David Silverman, Jack Gerson, M. H. Cransfield, J. S. Tonner, F. S. O'Connor and Alfred W. Chilton.

Abdominal Pains Dangerous Signal of Gall Bladder

Physicians say thousands have Gall Bladder trouble and think it's stomach pains, indigestion or intestinal distress. Nature's warnings are constipation, biliousness, head pains, dizziness and especially pains under the ribs on the right side. If neglected gall bladder inflammation leads to gall stones and the surgeon's knife.

This is caused by lack of fluid in the bile, and the bile thickening so the gall bladder will not empty.

But thanks to a scientific new home treatment called Klax-Ko which can be relied upon to bring joyful relief. Klax-Ko acts on the liver, gall bladder and intestinal tract.

Klax-Ko is guaranteed to thin the bile, overcome gall bladder inflammation, lazy liver, constipation and bring you genuine benefit. Get a 30-day treatment today from Eckerd's of New Castle, Inc., or your own druggist.

French Government Budget Is Approved Victory For Tardieu

Chamber Of Deputies Approve Budget And Extend Confidence Vote To Tardieu

(International News Service)

PARIS, March 13—Premier Andre Tardieu won a sweeping victory in the chamber of deputies today when his government's budget was adopted by a vote of vote of 416 to 112, after a tiresome twenty four hour session.

The vote on the budget at 9:30 a. m. today followed spirited debate and a series of minor rebuffs to the Premier which he squelched only by asking for and receiving a vote of confidence which turned the tide in favor of the government. The confidence vote, won 320 to 260, gave the Premier a majority of 60.

Premier Tardieu's first goverment fell on February 17 on a minor budget question which brought out the full strength of the left wing. The budget of his present government, somewhat revised during debate upon it, won hearty support from the majority of the left wing.

Judge Fines Own Wife For Speeding

(International News Service)

HOUSTON, Texas., March 13.—Mrs. Ralph Fowler stood meekly before the bar of justice after she had been arrested for a traffic violation.

"One buck and costs," said the judge "and don't do it again."

"Yes, sir," said Mrs. Fowler.

"This hurts me more than it does you," said the judge, reaching for his pocketbook so that he might pay the fair one's fine. For she was his wife.

The motor cop who tagged Mrs. Fowler knew she was the judge's wife when he stopped her, he said.

Brother And Sister Will Lead Same Play

HELEN BLAHA

FRED BLAHA

NEW WILMINGTON, Pa., Mar. 13.—When the class in acted drama at Westminster college produces "The Honey-moon" in the Little theatre early in May, Miss Helen Blaha and Fred Blaha, daughter and son of Mr. and Mrs. Julius Blaha, New Castle, will take leading roles.

Miss Blaha, a freshman, will play the leading role as Juliana, while her brother Fred, a sophomore, will play the part of Orlando, a soldier home from the wars. Both had dramatic experience while at New Castle high school and both have appeared in college plays.

Pupils Rehearse For Spring Revue

George Washington School Performance Slated For March 20 And 21

Elaborate arrangements for the George Washington junior high school spring revue, to be presented by the students of the school under faculty supervision on Thursday and Friday evenings, March 20 and 21, were being hurried to completion today, but week away from the night of the opening performance.

A complete round of acts, including musical specialties, dancing and dialogues is a part of the bill for those two nights. Rehearsals are going forward and every student has given indication of performning at their best.

The revue is the work of Miss Gladys Rich, supervisor of music in the New Castle schools, with Miss Elizabeth Owens and Miss Betty Glover assisting. Over a hundred Washington pupils will take part, including those from 7B through to the 9A classes.

It is planned to make the revue an annual affair.

LOCAL TEACHER TO JUDGE CONTEST

Miss Marjorie Rhodes of Englewood avenue will go to Slippery Rock Friday evening, where she will act as a judge in a debate to be given at the Slippery Rock State Teachers' College.

TWO CASES OF MEASLES

Pauline Butz, 6, 504 North Mercer and Betty Murphy, 6, 817 Oak street, have measles, according to city health department reports today.

Lines Drawn For Steel Battle At Youngstown, Ohio

Directors Of Sheet And Tube Recommend Merger With Bethlehem Steel Company

(International News Service)

YOUNGSTOWN, March 13.—Battle lines were being drawn today for what is expected to be one of the bitterest wars in the history of the steel industry following the recommendation late yesterday by directors of the Youngstown Sheet & Tube company of the merger of the property with Bethlehem Steel corporation.

The fate of the proposed consolidation now rests in the hands of stockholders of Sheet & Tube. The deciding vote will be cast April 18. Between now and that date, it is predicted, there will be waged a "battle of proxies" comparable only to the now historic oil war of the Rockefellers over the Standard Oil company of Indiana more than a year ago.

The recommendation of the Sheet & Tube directors for the steel combine was regarded in financial circles today as a signal victory for the veteran steel chief, James A. Campbell, chairman of the board of the Youngstown concern. From every indication, however, the war has just begun.

Strong opposition exists against the merger on the part of the Mahoning valley shareholders in the Sheet & Tube company. Especially in Youngstown is ther antagonism to the consolidation on the ground that this district will suffer loss of leadership and identity in the steel world.

Two Philadelphia Alleged Robbers Halted By Police

(International News Service)

GREENSBURG, Pa., March 13.—Martin N. Burns and Daniel Burns, both 21 and both claiming to be Philadelphia men, were arrested by state police here today and held as suspects in connection with the robbery of two garages and theft of a new automobile in Philadelphia last night.

Descriptions of the bandits were flashed over the state police telegraph circuit following the robberies. A detail of state police, watching the Lincoln highway east of here, intercepted the men in a new automobile.

The youths said they are not brothers.

Council Sabbath Will Be Observed

Mrs. Dorothy Fuldheim Will Be Speaker On Friday Evening

The New Castle section of the Council of Jewish Women will observe Council Sabbath at Temple Israel tomorrow, Friday night at 8:00 o'clock. The committee in charge has been very fortunate in securing Mrs. Dorothy Fuldheim of Cleveland as speaker for this occasion. Mrs. Fuldheim is possessed of a dynamic personality and readily holds her audiences both by a gift of rare eloquence and the power of convincing ideals.

The community at large both Jewish and Nonjewish no doubt recalls the course of interesting lectures she has recently given in our city and will be glad to avail itself of this opportunity of listening to her inspiring message.

Members of the local council will participate in conducting these special services, which are free to all and no collections are made. The services will be followed by a social hour with the ladies of the local Council acting as hostesses.

Saturday morning services at 10:30 a. m.

Sunday afternoon at 2:30 p. m., the Temple religious school will hold their Purim exercises.

The pulpit flowers will be furnished by Miss Ida Cohen honoring the birthday of her mother Mrs. Harry Cohen and by Rabbi and Mrs. Menkes in honor of the birthday of their son Sherwood.

Business Women Sponsor Vacation Guidance For Girls

In connection with National Business Women's Week the Business and Professional Women's Club is sponsoring a vocational guidance program for the girls of the senior and junior high schools of the city.

A few short years ago if a girl was suddenly faced with the necessity of supporting herself the only occupation open to her was teaching. The modern girl faces a new situation. There is such a wealth of vocational opportunities open to her today that her problem becomes not one of choice but of selection. If she is to choose wisely accurate information about possible openings is essential.

The National Federation is deeply interested in the vocational problems of girls, and is studying the situation. The work is being carried on through local libraries where books are examined and listed, through employment agencies serving women and girls, and through the public schools.

Friday morning, Miss Carey, general secretary of the Y. W. C. A. will speak to the girls of the Senior high school along general vocational lines. Following this will be group talks.

Violet King Hund has already met with the girls of the George Washington junior high and has discussed with them the opportunities open to the girls of today. Friday Mrs. Hund will speak at the Benjamin Franklin junior high on the preparation necessary for a successful business or professional life.

End Bunion Pain Forever

No Need to Suffer Another Day Those Agonising Torturing Pains

There is one simple yet inexpensive way to reduce inflamed, swollen toe joints and get them down to normal, and that is to apply Moone's Emerald Oil night and morning, and people who suffer from such enlargements would be wise to reduce them before they reach a more or less chronic stage.

Ask any first class druggist for an original two-ounce bottle of Moone's Emerald Oil (full strength) and refuse to accept anything in its place. It is such a highly concentrated preparation that two ounces last a long time, and furthermore if this wonderful discovery does not give you complete satisfaction you can have your money refunded.

Special note: People who want to reduce swollen or varicose veins should get a bottle of Emerald Oil at once. By applying night and morning as directed they will quickly notice an improvement which will continue until the veins and bunches are reduced to normal.

Maybe John Struck Wife With All Three

(International News Service)

CHICAGO, March 13—The question before the court was whether John Korinek was wearing his rubber hand or his steel one when he slapped his wife.

"It was the steel one," Mrs. Mae Korinek, insisted in asking Judge Harry A. Lewis to grant her a divorce today.

"No" Korinek protested, "It was the rubber one."

"And then it developed that Korinek had one of each material to take the place of the one which was shot off in a raid two years ago while he was a constable.

Judge Lewis accepted Mrs. Korinek's version—or decided it didn't matter—and granted the decree.

Ryan Becomes Exalted Ruler Of Local Elks

May Be Youngest Ever To Serve In Country; Other Officers Named

APRIL 9 DATE SET FOR INSTALLATION

Members of the Benevolent Protective Order of Elks, New Castle Lodge No. 69, met at the home last night and elected as their exalted ruler one who it is believed will be the youngest exalted ruler of any Elk lodge in the entire United States. Edward F. Ryan, active in Elkdom for the past several years was elevated to this rank.

Other officers who will serve the lodge from April 1 of this year to March 31 of next were chosen at the same time Ryan was honored. Installation services will occur at the lodge home on Wednesday, April 9 with G. G. Barker of Corry Lodge No. 769 officiating.

Officers named last night besides the new exalted ruler are as follows:

Esteemed leading knight, R. H. Updegraff; esteemed loyal knight, John Hite; esteemed lecturing knight, Edward P. Ryan; secretary, Jacob Cosel; treasurer, George W. Thomas; tiler, W. J. McNeill; trustee, Ernest M. Withers; representative to the grand lodge, Clark H. Buell; alternate repsentaive, George W. Thomas.

Edward F. Ryan, R. H. Updegraff and George W. Thomas were chosen as representatives to the state association, with C. L. Hughes, Clark H. Buell and John Hite as alternates.

A large number of Elks were present for the election last night. A feed was staged immediately following.

Dentists To Aid Township School

Society To Provide Volunteer Services For Dental Work At Shenango

Dentists of New Castle will co-operate with the Shenango high school Parent-Teacher association in furthering its dental work among the children of the school, it was decided at a meeting of the New Castle Dental society held at the Elks club. Dr. J. L. Reed has been chairman of a committee to secure the volunteer services of the dentists here.

The P. T. A. of Shenango has installed complete dental equipment, according to Prof. C. B. Book, who appeared before the club society. He explained the association's purpose and outlined just what they are planning to do.

Joseph J. Sakman, of Pittsburgh, was the principal speaker of the evening, bringing the dentists a most enlightening address on denture, technique.

Rules Of Court To Be Revised

Mercer County Attorneys Named To Revise Rules Of Procedure In Court Cases

MERCER, Pa., March 13.—The rules of the court will be revised and made up to date by the committee composed of Robert M. Gilkey of Greenville, Louis Weisen of Sharon, and M. L. McBride of Grove City who were appointed by Judge J. A. McLaughry.

The rules being used at the present time were formulated in 1911 and since then have been amended. They do not cope with the present conditions and different codes of literature are used today.

The committee will visit other counties and study their court laws and gather other materials before they make the necessary changes.

TO TEST CATTLE

Preparations are being made for the tuberculosis test of the cattle of Mercer County this year. Dr. Milo of the State Department arrived in Mercer on Monday to confer with County Superintendent Hager and the county commissioners. It is thought that the work will be delayed in Mercer County until the roads are dry and the weather is settled.

All the cattle in the county will be tested this year which will mean about 38,000 or 49,000 heads.

BIRTHS EXCEED DEATHS

The number of births in Mercer County this year exceeded the number of deaths by 888. There were 2220 deaths and 1332 births.

ENTERTAINS WITH LUNCHEON

Mrs. E. B. Reed entertained at a one o'clock luncheon Tuesday afternoon at her home on South Pitt street. Covers were laid for 24 guests at tables that were beautifully decorated with pink tulips.

The out of town guests included, Mrs. Wray Campbell, Mrs. C. F. Fithian, Mrs. E. C. Hoyt, Mrs. R. C. Gregory, Mrs. Leonard Shelley and Mrs. H. O. White of Grove City, Mrs. Walter Humes of Sharon. Mrs. G. M. Young of Long Beach, California, was hostess of the party.

Mrs. Reed will entertain again on Thursday afternoon.

TO OPEN BIDS

Bids will be opened on Saturday by the County Commissioners for the 41 voting machines to be supplyed for Grove City, Greenville, Sharon, Sharpsville and Farrell. Following the let of the bid 14 machines are to be delivered at once and the rest by the fall election.

SUIT IS FILED

A suit has been filed by the Nathan Rosenblum company of Sharon aginst the K. F. Brown company to recover $734.42 and interest. This money is due on goods sold to the Brown company. The Brown company has a number of stores with the headquarters in Grove City. The King Market which was open in Mercer for a short while was conducted by them.

Paris stylists are discussing the length of gloves for formal daytime wear. Six or eight-button lengths have been sanctioned by some

Drug Store Thugs In Pittsburgh Get $600 In Robbery

Daring Holdup Of Drug Store Nets Thugs Fine Sum—Police Battle Bandits

(International News Service)

PITTSBURGH, March 13.—Three armed bandits held up the Anderson pharmacy here early today, looted the cash register of $600 and made good their escape, at least temporarily, after running a gauntlet of police gunfire.

The automobile used by the bandits was later found abandoned. Possibility that one or more of the dozen shots fired by pursuing police had found their mark was indicated by three bullet holes in the car.

Samuel Shriber, manager of the store, ran into the street after the bandits fled. His shouts attracted the attention of Patrolman Leonard Brown, who commandeered a passing automobile and a wild dash through the northside district began.

Other officers took up the chase and a running gun duel ensued, two of the bandits in the fleering car pouring a steady stream of bullets at the pursuing cars. None of the patrolmen was hit.

The bandit car whirled around an intersection, through an alley and came to a halt near a street corner. When police leaped from their machines the trio had fled.

The machine was found to have been stolen here recently.

Paul Donley Is Former Resident

Participated In Many Minstrel Shows Of The Past In This City

Paul Donley, blackface minstrel performer and one of the end men in the Jameson Memorial Hospital Benefit show this evening and Friday night at the Cathedral, was a resident of this city until he went to Sharon a few years ago and became a member of the fire department of that city. While here he participated in some of the more famous minstrel productions put on here from time to time by the Eagles, Elks, Temple club and others. He was also an end man in the hospital benefit show held here last year. He is an expert in end men gags and a singer of ability and will be heard this time in one of Al Jolson's latest songs. Since going to Sharon he has participated in numerous shows there and is heard frequently from station WKBN of Youngstown.

North Beaver Grange Will Present Play

The North Beaver Grange will present their play "Deacon Dubbs" in the North Beaver high school Tuesday evening, March 18, at 8:15 p. m.

The regular business meeting of the grange will be heard Thursday, March 27, in the grange hall.

TEACHER RESIGNS SCHOOL POSITION

Members of the Board of Education at their meeting last evening, accepted the resignation of Helen Allison, effective April 1. Miss Allison was recently married.

Card Of Thanks

We desire to express our sincere gratitude and thanks to the neighbors and friends for their kindness and sympathy in the great loss of our father, John C. Balser, and for the beautiful flowers, also to those who furnished cars.

1t* CHILDREN.

Do you see *what's left out of this* Rice Pudding Recipe?

Beat 2 eggs and add 1½ cups hot milk, ¼ teaspoon salt and ¼ teaspoon nutmeg. Pour mixture over 2 cups of steamed rice. Bake in buttered dish set in a pan of water, for about 45 minutes at 325°, or until custard is set.

Of course you know what's left out! Sugar! And if you add one-half of a cup you will have perfect results and a most nourishing dessert in the bargain. Try this recipe soon.

As the palatability of a pudding depends upon sugar, so does the taste appeal of certain familiar foods depend upon a dash of sugar. For example, canned or fresh vegetables, also stewed fruits, are much more appetizing when flavored thus. Try a dash of sugar in stewed corn, peas or carrots. And don't forget that cereal sprinkled with sugar tastes better.

The more you enjoy healthful fruits and vegetables the more you will eat of them. Most foods are more delicious and nourishing when flavored with sugar. And no doctor will restrain you from using a dash of sugar any more than he will restrain you from using a pinch of salt. The Sugar Institute.

Report Of Dr. Baker Shows Many Defective

Report of Dr. Mary Baker, school physician, for the school year of 1930, reveals the fact that 45 per cent of the pupils examined in the local elementary schools were found defective, or 2879 out of 6,344.

A total number of 4,602 defects were found which are classified as follows:

Pupils underweight, 645; a percentage of 10 per cent; pupils having defective vision or other eye defects, 641; a percentage of 10 per cent; pupils having diseased or enlarged tonsils, 1922; a percentage of 30 per cent; pupils having nasal obstruction, 1,200; or 18 per cent; pupils having defective hearing or other aural defects, 47; or .7 per cent; pupils having cardiac (heart defects) 46; or .7 per cent; miscellaneous defects, 107; or 1.7 per cent.

There were 3306 pupils immunized against diptheria with T. A. T., a percentage of 52 per cent.

Through the courtesy of one of the local shoe stores, the use of a pedograph was procured for making an examination for flat feet and weak or weakening arches. The pupils of the Ben Franklin school were examined, 1475 in number, and 136 pupils were found to have flat feet, while 315 had weak arches.

The pupils found with these defects will be given a course of exercises that will help correct this defect.

Posterity pays for the sins of their fathers.—Quintus Curtius Rufus.

A COLD

As soon as you realize you've taken cold—take some tablets of Bayer Aspirin. Almost before your head can stuff-up, you feel your cold is conquered. Those aches and pains you felt coming on will soon subside. Relief is almost instantaneous! Even if your cold has gained headway, and your temples throb and your very bones ache, these tablets will bring prompt relief. It is better, of course, to take Bayer Aspirin at the very first sneeze or cough—it will head-off the cold and spare you much discomfort. Get the genuine, with proven directions for colds and headaches; neuralgia, neuritis, sore throat, and many important uses.

BAYER ASPIRIN

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid

Butler Minister Holds Services At Tabernacle

Each evening the crowd increases in numbers and interest at the Alliance Gospel Tabernacle, where Rev. H. Miller Herr of Butler, Pa., is holding a Bible conference. Wednesday evening his topic was most instructive and interesting, speaking from Mark 4:35 on the subject, "Jesus In The Boat". He began by saying that the soul that is adjusted to the Lord Jesus Christ will be satisfied and that our lives are like a sea and in crossing to the other side we want to be accompanied by Jesus, as were the disciples of old. He also brought out the fact that so many have Jesus in the boat but forget he is there until the storms and troubles arise.

"The Real Man" is the subject for tonight's conference and the studies will be resumed next Tuesday afternoon at 2:30 p. m.

ALMIRA HOME PRAYER SERVICE POSTPONED BY DEATH

The prayer services which were to have been given in the Almira Home this evening by members of the Third United Presbyterian choir and members of the church has been postponed by a death, which occurred at the home.

COURT DECIDES DAGUE WILL NOT BE BROUGHT IN FOR IDENTIFICATION

Jurors Are Taken To Scene Of Crime Before First Witnesses Are Heard —Blonde Gun-Woman Again At Scene Of Brady Paul Shooting.

Glenn Dague, the insurance salesman who deserted his wife and children for the sunshine of Irene's smile, will not sit in the court with the Trigger Blonde as she is tried for the murder of Brady Paul. Overruling a motion of the commonwealth late this afternoon Judge Hildebrand refused to allow Glenn Dague to be brought into the court room for "identification purposes," and Irene will continue to sit alone.

It was the purpose of the commonwealth to bring Dague in and as witnesses identified Irene Schroeder, to identify Dague also who was with Irene when Brady Paul was murdered on December 27th. When Attorney Margiotti made the motion, counsel for the defense objected strenuously and after some deliberation Judge Hildebrand overruled the motion "for the present at least."

Irene On Road Again

Once again Irene Schroeder stopped at the lane to the Baldwin Farm on the Butler Road. Once again she saw the long lane of trees that leads down to the home, rode past Adams street, and for a time might have imagined herself again on the road with Glenn Dague.

The difference was today that she rode in the custody of the sheriff, and with her rode the jury, the court, counsel and newspaper men who went to the scene of the shooting of Brady Paul for the purpose of familiarizing them with the place.

The taking of testimony this afternoon was in the main, routine. Drs. Kaplan, Loyal Wilson and Paul Wilson were called and established the death of Brady Paul, the first link necessary in the chain of evidence which the commonwealth hopes will link the Trigger Woman to the arms of the chair that hurls its victims into eternity.

Sisters In Court

Irene's sister, Mrs. C. H. Muldoon, of Wheeling, W. Va., and her husband, a traction forman, arrived in the courtroom after the luncheon recess. With them were Mrs. Ruby Schroeder, of Bellaire, Ohio, and Mrs. Mary Baum, also sisters of the blonde gunwoman. The three sisters will be used to bulwark Irene's defense, in all probability as character witnesses.

Irene's sisters each went the blonde and buxom defendant one better, so far as avoirdupois goes, when they swept into the courtroom. All are considerably larger than Irene herself well above average weight.

The three smiled a heartening recognition to Irene when she was led into the courtroom at the beginning of the afternoon session. The smiles were replaced by tears, however, after Irene had taken her seat at defense counsel tables with her back to the sisters.

With the sisters was old Crawford, father of Irene and grandfather of Donnie. The old man is a respectable looking old gentleman and is respected in Benwood, W. Va., where he lives.

Paul's Mother Sobs

Defense and prosecution counsel tables are in close proximity to each other in the courtroom. When Irene walked to her seat she almost brushed the arm of Mrs. Vinta McGugin, mother of the slain patrolman, for whom a place had been made at the prosecution table.

During Powers' detailed recital of the Enghart holdup, the wild ride on the Butler-New Castle highway and the gun battle with the bandit car, Irene sat staring indifferently at the district attorney.

Mrs. McGugin broke down and sobbed as Powers, in a resonant voice, recited the wounding of Paul and the officer's death. Irene flashed the slain officer's mother a quick sideglance and faced again to the fore.

Go To Scene

At 2:15 District Attorney Powers closed his remarks to the jury and Margiotti asked that the jury be taken to the scene of the murder

There being no opposition offered by the defense the court ordered Sheriff Johnston to secure a bus which was done.

Accompanied by the court, by tipstaves, counsel, sheriff and deputies, newspapermen, camera men and some spectators the jury walked over the ground where Paul was shot, went down the Baldwin lane, visited the Williams home and at the suggestion of attorneys various points of interest were shown.

"Who Can Smile

The only incident of the trip occurred when a photographer asked Irene to pose for a picture. As she did he said.

"Smile pretty Irene."

With only the suggestion of a grin she said, "Who the———could smile when they are going to the pen for life and their heart is breaking?"

The jurymen, muffled in greatcoats, huddled together in little groups, seeking to escape the piercing northwind that howled across the flat.

The women members of the jury, Mrs. Jennie Curtis and Mrs. Gladys Rosenthal, were so impressed with their duties as jurors, however, that they conscientiously inspected the terrain in the vicinity heedless of the cold.

Want Dague Brought In.

As the jury returned to the court room, Margiotti moved that Glenn Dague be brought into court for the purpose of identification.

Dickey objected vigorously, arguing that it might jeopardize his client's interest.

Argument ensued with Margiotti offering citation from the supreme court to show authority for such a move.

The conference in the matter was private, counsel gathering around the bench and presenting their arguments

Apparently there was considerable of an argument as both sides could be seen gesticulating and pressing their points home in a vigorous manner.

The motion of the Commonwealth to bring in Glenn Dague was overruled.

First Witness.

Dr. Eliah Kaplan was the first witness called. Questioned by Margiotti.

Q. Where do you live?
A. New Castle for 25 years.
Q. What school are you a graduate of?
A. Jefferson Medical School 1913.
Q. Are you connected with any hospital?
A. Jameson Memorial.
Q. Were you there December 27, 1929?
A. Yes, about 12:30 o'clock.
Q. Where?
A. In the operating room on the fifth floor.
Q. How did you know?
A. I was leaving the hospital when I was told an emergency case had been brought in.
Q. What was his condition?
A. Extreme collapse.
Q. What did you do?
A. Felt he was suffering from internal hemorrage from gunshot wound. And we gave him an injection. We called a surgeon, Dr. Loyal Wilson.
Q. What occurred?
A. Dr. Wilson ordered a hypodermic and some ether.
Q. Was he operated on?
A. No, as I was giving him ether we saw he was dying.
Q. Did he die?
A. Yes.
Q. Did you see Mrs. Crowl there?
A. Yes, she was talking to the patient although I didn't hear what was said.
Q. What was the condition then?
A. Restless but still conscious.

Cross examined by Dickey.

Q. You say he was in extreme collapse and did not know what he was doing?
A. Yes.
Q. Did that continue all the time?
A. Yes.

By Margiotti:

Q. Could he talk?
A. Yes, he was weak but he could talk.
Q. Did you hear his statement?
A. Yes while he was on the operating table.
Q. Were they coherent?

Objected to as the doctor hadn't heard what was said.

Objection overruled.

A. Well I was interested in his condition but he said certain words but I don't know what he said.

The doctor explained that what he meant was that the patient was extremely restless but conscious and able to talk.

Q. Could he talk rationally?
A. Yes.
Q. Could he talk rationally when Mrs. Crowl was there?
A. Yes.

Cross examined by Dickey.

Q. What was his mental condition?
A. Well, a man in pain might be restless but know what he was doing.
Q. You stated you didn't know what was said?
A. I paid no attention.
Q. You wouldn't say he was coherent would you?
A. Yes.
Q. How long was he in the operating room?
A. I can't say.
Q. Dr. Loyal Wilson was in there?
A. Yes.
Q. Was any anaesthetic administered?
A. I started to give him ether but he was dying and I stopped.
Q. Did you give him a hypodermic?
A. Yes, morphine.
Q. Would that have any effect on his speech?
A. It didn't have time to act.

Dr. Wilson Called

Dr. Loyal Wilson was called.

Q. You are a practicing physician and surgeon?
A. I am.
Q. What school?
A. West Penn Medical School.
Q. Are you engaged now and were on December 27.
A. Yes.
Q. Have you had experience in observing gun shot wounds and treating them?
A. Yes, I have.
Q. Any experience in autopsies?
A. Yes.
Q. Were you called to the Jameson hospital on December 27 to see Brady Paul?
A. Yes, just at lunch time.
Q. Where was Brady Paul?
A. On either an operating table or a hospital truck.
Q. What was his condition?
A. Suffering great pain—restless.
Q. What was done?
A. He was so restless we thought it advisable to give him a few whiffs of ether but he was dying and we discontinued it.
Q. Was Mrs. Crowl in the operating room?
A. Yes. She was near Paul's head.
Q. Pay any attention to conversation?
A. No. It was a case of extreme excitement, the patient was in agony.
Q. Were they talking loud?
A. No.
Q. What was his mental condition?
A. It was all right. He was suffering pain, lunging about, crying out.
Q. Did you hear his conversation?
A. No.
Q. When he talked to Mrs. Crowl what would you say about his ability to talk.
A. I would say he was rational.
Q. Was Mrs. Crowl in the hospital when you got there?
A. She was.
Q. Was this conversation between Mrs. Crowl and Brady Paul before the ether was given?
A. It was.
Q. Did you perform an autopsy?
A. Yes, asisted by Dr. Paul Wilson.
Q. How soon after death?
A. About 1:30 or two o'clock. He died at 12:55.
Q. In the autopsy did you notice any wound?
A. Yes. A gunshot wound in left arm, in left leg and two in the abdomen. I extracted the bullet in his arm.
Q. Describe the wound in the abdomen?
A. It was made about one inch from the menth costal cartilage, thru left lobe of liver, under the liver, passing thru the center of the right kidney and left the body between 11th and 12 ribs.
Q. Did it pass thru soft organ?
A. Yes, through the liver and the kidney.
Q. Did you open the abdomenal wall?
A. Yes.
Q. Did the bullet strike any bone?
A. No
Dr. Wilson illustrated on himself where the bullet entered and passed out.
Q. Was there any deflection?
A. Evidently there was not.
Q. Will you describe the wound in the left arm?
A. It entered above the elbow and went through the arm. I took it out with my fingers. It had evidently struck a bone and was marked up.
Dr. Wilson illustrated how the bullet entered the left arm.
Q. Describe the wound in the leg?
A. The wound was about five inches below the knee joint.
Q. Did that pass in front or back of same?
A. Back.
Q. Did you determine cause of death?
A. Gunshot wound in abdomen causing hemorrhage and death.
Q. Who did you give the bullet to?
A. To John A. Funk.
Q. Anything else?
A. Another bullet.
Q. Was Howard Kelley the undertaker present when Brady Paul died?
A. Yes.
Q. Did you place any mark on the bullet from Brady Paul's arm.
A. Yes, I placed a cross on it.
Q. When did Kelley hand you the bullet?
A. In the hospital before the autopsy.
Q. You turned the bullets over to John A. Funk?
A. Yes.
Q. Did you open the left pants leg?
A. No.
Q. Were there any markings at point of entrance to wound in left arm and leg?
A. I didn't notice any.
Q. Did you know Brady Paul in his lifetime?
A. Not until I saw him in the hospital.

Witness shown picture of Brady Paul and identified it as the deceased man.

Q. Was this time you were called in the afternoon?
A. Yes, it was just about lunch time.

Cross examined by Jarrett.

Q. When you got to the hospital room who was there?
A. Dr. Kaplan, Brady Paul, Mrs. Crowl, Howard Kelley and the operating force was coming and going.
Q. You said there was confusion and excitement.
A. Oh, yes.
Q. How long had you been in the room when Mrs. Crowl talked to Brady Paul?
A. A few minutes.
Q. How long was the conversation?
A. Short.
Q. How close was she to Brady, Paul?
A. Right up against him, helping to hold him.
Q. He was tossing in pain?
A. Yes.
Q. Did you hear anything Mrs. Crowl said to Brady Paul?
A. No.
Q. Were you there when he died?
A. Yes.
Q. How soon after death did Kelly come in?
A. He was there when he died.
Q. He gave you a bullet?
A. Yes. I think immediately after his death.
Q. From time you got into room did you say anything to Brady Paul?
A. I think not.

Dr. Wilson illustrated on Jarrett's body how bullets penetrated the body of Brady Paul.

Q. How tall was Brady Paul?
A. About 5 ft. 10.
Q. About how heavy?
A. About 180.
Q. How old?
A. In the twenties.
Q. Was he a well developed man?
A. Yes.
Q. Remember the size of the bullet hole at entrance on abdomen?
A. About size of a lead pencil.
Q. At the point of exit did the bullet pass thru muscle.
A. Yes.

John A. Funk came into the court room at this junction and turned over the bullets given him by Dr. Wilson. Dr. Wilson identified the bullets as the ones taken from Brady Paul's body.

Dr. Wilson was excused at 5:12 p. m. and Dr. Kaplan was recalled.

Q. Did you attend the autopsy?
A. No.
Q. Did you notice the wound?
A. Yes.
Q. Did you notice the point of entrance?
A. Yes.
Q. How could you tell it was entrance?
A. It was scorched.

Cross examined.

Q. You've said it was scorched?
A. Yes.

Dr. Paul Wilson was called. He assisted Dr Loyal Wilson in the autopsy.

Q. Where did you graduate?
A. Harvard Medical 1928.
Q. On the staff of Jameson Memorial hospital?
A. Yes.
Q. Did you assist in the autopsy of Brady Paul?
A. Yes.

He described the wounds. His testimony corroborating the testimony of previous physicians.

Dr. Wilson was excused at 5:18 and court adjourned for the day.

Br-rr-r! winter is here!

What to do about colds

MEDICAL men have come to an interesting conclusion about colds. They say that *lubrication* of the nasal passages prevents deadly germs from getting a foothold. Interesting to Mr. Average Man, because this is something he can do for himself with the doctor's full sanction.

Every night before retiring introduce a little "Vaseline" Petroleum Jelly into the nostrils. It's absolutely safe. It coats the delicate nasal membranes and protects them.

Equally good for the throat, too. Just take half a teaspoonful, if your throat is husky or irritated. Feel the relief. And don't worry about swallowing it. That's good for you because it has a slightly laxative effect. Just what you need if you feel a cold coming on.

Maybe you can go through the whole winter without getting colds if you'll only take this simple, safe precaution. Get a jar or tube of "Vaseline" Jelly now. It costs only a few cents at the nearest drug store.

Recognition Banquet For H. S. Students Is Well Attended Here

Seventy-Six Athletic And Literary Luminaries Of High School Feted At Banquet

ELLWOOD CITY, March 13—The annual Recognition banquet to athletic and literary honor students of the high school, was given last night by the Board of Education.

Covers were laid for 76 in the Lincoln school and a delicious menu was served by the Domestic Science department. Principal Bell acted as Master of ceremonies, and introduced the various student speakers as follows: William King, representing the football team, gave a short talk, outlining the activities of the team during the past season, and thanking the school for its cooperation: Miss Virginia Blazin, representing the girl's basket ball team, spoke of the seasons progress in a few well chosen words of commendation: Ralph McKim of the boys basket ball team game a fine talk: Miss Janice Bartel of the Literary teams, spoke well for that department: Frank Fusco, the student manager for the boys, gave his version of his activities during the past season and gave a toast to the girls: Miss Eleanore Cox, student manager for the girls, responded with a toast to the boys.

Mr. Paul Leyda, of the faculty, awarded medals to the literary luminaries of the season, with a few remarks, commending them for their high placing of the local school in literary contests during the season just past: Ray Mattox, representing the Board of Education, presented the athletic awards. The banquet was highly successful, and this measure of appreciation will spur the athletes and literary students on to greater efforts next season.

Princess Ileana of Rumania got as much notice the world over, as if she had gone ahead and married the count.—The Lincoln State Journal.

Officers Elected At Castlewood Club

Third Anniversary Of Club Celebrated At Koach Home

ELLWOOD CITY, March 13—Mrs. Levada Koach of First street entertained the members of the Castlewood Club Wednesday afternoon the occasion being the annual election of officers and the third anniversary of the club.

The new officers are: President, Mrs. Bertha Wetzel of New Bedford: vice president Mrs. Gertrude Herge: secretary, Mrs. Levada Koach: treasurer, Mrs. Minna Wiley: chaplain Mrs. Nancy Fox: news reporter Mrs. Dorothy Hoak, sick committee, Mrs. Ruth Walker, Mrs. Mary Forbush and Mrs. Viola Allen.

A delicious tureen menu was enjoyed with 14 present and a birthday cake bearing three candles was on display. On April 9 the club will be guests of Mrs. Minna Wiley of Wiley Hill.

Funeral Service Held Wednesday

ZELIENOPLE, Mar. 13—Dorothy Mae, the eight months old daughter of Mr. and Mrs. Frank Hollerman of Main street, died Monday after a brief illness of pneumonia. The parents Frank and Goldie Myers Holterman, two sisters and two brothers survive.

Funeral was held from the home Wednesday afternoon at two o'clock in charge of Dr. M. M. McAllbech of the English Lutheran church and burial in the local cemetery.

W. C. T. U. MEETING

ELLWOOD CITY, March 13.—The regular monthly meeting of the W. C. T. U. takes place Friday evening at the home of Mrs. J. E. VanGorder of Line avenue. The session opens at 3 o'clock and important business will be discussed.

Trusty Saves Day

Because he was a "trusty trusty," George Hollenbeck, above, has an honorable discharge from the Sioux City, Ia., jail. He battled two fellow prisoners after they shot a jailer in a daring jailbreak. When the men seized an elevator and dropped to the basement, Hollenbeck ran down six flights of stairs, warned officers and aided in recapturing the pair.

Music And Health Demonstration On Friday Evening

ELLWOOD CITY, March 13.—Friday will be a red letter night in the Lincoln school gymnasium, for hundreds of students have been drilled to take part in the music and health demonstration which will be presented on that night.

The play will be presented before the student body this afternoon in the form of a dress rehearsal. There will be drills, marches, musical selections and an operetta by the Circle school entitled "The Smuggleman". This will be well worth viewing, and a large crowd is expected at the performance Friday night. Professor of Music Paul Winter will have charge of the orchestra selections, and the various teachers will assist with the rest of the performance.

INTERMEDIATE SOCIETY

ELLWOOD CITY, March 13.—The Intermediate society of the Church of God will enjoy a social Friday night at the home of Mr. and Mrs. Vincent LeFevers of Hazen avenue.

Opening Service At Lutheran Church For Lent Season

Interesting Series Of Lenten Services At Church Here

ELLWOOD CITY, March 13—The opening Lenten service at the Lutheran church took place Wednesday night with Mrs. C. D. Ross in charge. The topic of the evening was "Humble and Adoring Prayer."

Miss Mary Blocher and Mrs. Harry Felton contributed vocal solos to the success of the evening.

Papers were read by Mrs. Clarence Hollerman, Mrs. W. P. Gregg and Mrs. Ferd Bingle. Tonight there will be another Lenten prayer service with Mrs. Harry Keistling in charge. The topic will be "Sympathetic and Understanding Prayer."

Bible Class Has Election Of Officers

ELLWOOD CITY, Mar. 13—Members of the Welcome Bible class of the First Presbyterian church enjoyed their monthly tureen dinner and business meeting Wednesday at the church.

A feature was the election of officers as follows: President E. C. Porter: vice president E. B. Yahn: secretary, Mrs. Lydia Douds, assistant Mrs. Geo. Rapp: treasurers, Mrs. Harry Brown, Mrs. Alice McCune: visiting committee: Mrs. Joseph Moorhead, Mrs. Wm. Farrel, Miss Mary Benford and Mrs. Bartel.

Social committee, Mrs. E. B. Yahn, Mrs. John Callen, Mrs. E. E. McPherson and D. M. Veon.

Membership committee: Mrs. W. A. Kerr, Mrs. Elizabeth Patterson, Mrs. Fred Jackson and Mrs. Ray Chambers.

Mrs. Howell Jenkins Entertains Club

ELLWOOD CITY, March 13—Mrs. Howell Jenkins of Ewing Park entertained the members of the Smart Set club at her home Wednesday afternoon with a one o'clock luncheon.

Covers were laid for eight at one large table centered with a spring arrangement of flowers and the place cards bore the early Easter note.

The afternoon hours were spent playing bridge, with the resultant honors going to Mrs. Theodore Markwort and Mrs. Ray Aylesworth. In two weeks Mrs. Markworth will entertain at her home on South Ellwood Heights.

Mrs. Daugherty Is Club Hostess

ELLWOOD CITY, March 13—Mrs. Harry Daugherty of the New Castle road entertained the members of the S. O. B. club Wednesday evening.

Two tables of 500 were in play and score honors went to Mrs. Arthur McIlwaine and Mrs. Nathan Yoho. A special guest was Mrs. Hamlin of Youngstown. Later the hostess served a delicious chicken luncheon. In two weeks Mrs. Arthur McIlwaine will entertain.

RUSCILLE FACES SECOND CHARGE

Held On Charge Of Allegedly Passing Counterfeit Money, At Pittsburgh

PITTSBURGH, Pa., March 13.—Michael A. Ruscille, under $10,000 bond for several months for his appearance in United States court here on a charge of embezzlement of $30,000 from the First National Bank of Ellwood City, last evening with James V. Vozzolo was committed to jail for Federal court accused of passing counterfeit money. Both men were unable to provide bond after a preliminary hearing before a Federal commissioner. They are business men of Ellwood City and Ruscille was formerly head of the trust department of the bank.

Ruscille and Vozolla were arrested Sunday with a woman, by state highway patrolmen near Delmont on suspicion that they had passed bogus counterfeit Federal reserve notes at stores on the road from New Kensington to Greensburg. The trio were turned over to the United States secret service men here. It was later established the woman had no guilty knowledge of the passing of the worthless money. She will be held as a material witness, and is at liberty on her own recognizance.

The men are accused of buying articles at the store of Ann Benn in Parnassus and tendering a bogus $10 note in payment, according to the witnesses.

During the hearing last evening Ruscille was recognized by government officials as the man who had been held under bond on the embezzlement charge.

LOSES FINGER IN ACCIDENT

ZELIENOPLE, Pa., March 13—G. E. Willis had the end of his little finger taken off in a car door Monday evening. Mr. Willis is employed as driver for the Lara Crucible plant and after unloading a truck in a car, attempted to close the door. His finger caught in the heavy door, the glove was torn from his hand and the end of his finger cut off. The glove, with the end of the finger, to the first joint was found on the ground after he was taken to a doctor's office.

BIRTHDAY ANNIVERSARY

ELLWOOD CITY, Pa., March 13—In honor of the birthday anniversary of their son Andrew, Mr. and Mrs. Chas. Gallagher entertained a number of his young friends Tuesday evening. Games were enjoyed followed by the serving of a birthday luncheon by the hostess assisted by Mrs. Jacob Culp.

The honor guest received a number of birthday gifts.

Those present were the Misses Margaret Parker, Irene Falen, Delphine Hartzell, Fay Gallagher, Amy Ketler, Aletha Kirker, Mazie Falen, Frances McElwain, Mabel Wehman, Virginia Hartzell and Roberta Haynes: Messrs. Clair Kirker, Glenn Gallagher, Robt. Koch, Harold Hollerman, Wayne Gallagher, Harold Frazier, Lorraine Ketter, James McElwain, Harry Parker and Mr. and Mrs. W. E. Lloyd.

Y. P. C. T. MEETING

ELLWOOD CITY, March 13—Members of the Y. P. C. T. of the Church of God will meet Friday night for their regular meeting. The topic of discussion will be "Personal Evangelism."

—Social at Wertumburg school Friday evening. Entertainment and lunch. Benefit of school and community club. 1t

May Get Judicial Post

Owen J. Roberts, special Government oil counsel, of Philadelphia (above), is one of the men who are being considered by President Herbert Hoover as a possible successor to the Supreme Court bench to fill the vacancy created by the recent death of Associate Justice Edward Terry Sanford.

Dirigible's Skipper

Commander Vincent A. Clarke, now attached to the naval air base at Lakehurst, N. J., has been named to succeed Lieutenant-Commander Herbert V. Wiley as the commander of the giant naval dirigible Los Angeles.

Funeral Service Of Mr. McCullough

ELLWOOD CITY, Mar. 13—Funeral services for William McCullough of Burnstown, who passed away late on Wednesday morning at his home, will take place Saturday morning from St. Agatha's church.

The deceased leaves his wife and six children. Interment will be made in the Locust Grove cemetery.

Take Pepsin This New Way and End Indigestion

Delightful Elixir With Real Pepsin, Menthol and Other Supremely Good Stomach Aids.

If you have a weak, bad acting, rebellious stomach it won't take but a couple of weeks to turn it into a strong, healthy one, capable of digesting the heartiest meal without after distress.

Your stomach needs pepsin—needs it three times a day at every meal and the stomach remedy that you need is Dare's Mentha Pepsin. It will do you more good in two weeks than all the old time relievers will do in a lifetime.

That's just the reason that its sales in good drug stores all over America are enormous—that's why Eckerd's of New Castle, Inc., McKee's Kut Rate Store, Love and Megown is selling dozens of bottles every week.

Stop that acute indigestion in a few minutes with just one tablespoonful of this grand stomach regulator. you'll learn the secret of how to always have and keep a strong healthy stomach.

Take it regularly for two weeks and you'll learn the secret of how to always have and keep a strong healthy stomach.

Only for People Who Want the MOST IN RADIO

9-tube Philco Screen Grid Plus, the super-radio for super-performance

New Features Found Only in This New Super-Philco

1. Automatic volume control and anti-fading device, which tends automatically to equalize the reception from strong or weak stations and *hold* the reception, reducing the fading of distant stations.
2. Automatic reduction of background noises, including static, at any given volume or distance. This improvement is achieved by an entirely new circuit in which among other features, two tuned circuits are placed between the aerial and the first screen grid tube.
3. New power, literally enormous, which brings in far-distant stations, even in the daytime. This feature gives you fascinating daylight programs. And in the evenings a far wider selection of programs is available.
4. New, super-acute selectivity over the entire dial, produced by a 4-gang armored condenser and the two tuned circuits between the aerial and first screen grid tube. This brings in those distant stations, which you have perhaps never heard, even in the midst of strong local stations.
5. Almost concert-hall volume without tone distortion, made possible by the new Philco multiplex detector circuit, the first absolutely linear detector circuit ever produced in any radio. For parties and dancing this feature provides the volume you want with flawless tone, absolutely undistorted.

The Philco Lowboy

Beautiful open-face cabinet, with genuine butt walnut raised side panels and set-back center panel of bird's-eye maple. Philco Electro-Dynamic Speaker and Philco Acoustic Equalizers built in.

Only $149.50

All-Electric No Aerial Needed Single Dial Control

In addition to these features, the Philco Screen Grid Plus gives you the wonderful, clear, rich, full Philco tone—the "real-life" tone entirely free from distortion at any volume. Only Philco exact balancing of all electrical units can give you this faithful reproduction of voice and music exactly as projected in the broadcasting studio. You must hear it to appreciate it.

HIGHLIGHTS OF HISTORY

By J. Carroll Mansfield

America In The 20th Century
The Presidential Election Of 1912

THE YEAR 1912 WAS A PRESIDENTIAL ELECTION YEAR. IN THE DEMOCRATIC CONVENTION A NUMBER OF CONTENDERS FOR THE NOMINATION APPEARED, EACH STRONGLY SUPPORTED BUT LACKING A MAJORITY. AFTER MANY FUTILE BALLOTS A DEADLOCK SEEMED INEVITABLE. FINALLY, ON THE 46TH BALLOT, WOODROW WILSON, GOVERNOR OF NEW JERSEY, WON THE NOMINATION. THOMAS MARSHALL OF INDIANA WAS NAMED FOR VICE-PRESIDENT.

WHEN THE "REGULAR" REPUBLICANS CARRIED THE RENOMINATION OF PRESIDENT TAFT AND VICE-PRESIDENT SHERMAN, THE "PROGRESSIVE" FACTION THAT FAVORED THEODORE ROOSEVELT WITHDREW FROM THE CONVENTION, AND FORMED A NEW PARTY, THE "PROGRESSIVE PARTY" (NICK-NAMED THE "BULL MOOSE PARTY"). THE PROGRESSIVES NAMED ROOSEVELT FOR PRESIDENT AND GOVERNOR HIRAM JOHNSON OF CALIFORNIA FOR VICE-PRESIDENT.

THE CAMPAIGN WAS BITTERLY FOUGHT AND WAS UNIQUE BECAUSE THE CANDIDATES OF THE THREE MAJOR PARTIES WERE ALL LIBERALS AND THE THREE PLATFORMS MUCH ALIKE. THE DIVISION OF THEIR PARTY, HOWEVER, HAD WEAKENED THE CHANCES OF THE REPUBLICANS AND PROGRESSIVES. OCTOBER 14, ROOSEVELT WAS SHOT BY A CRANK IN MILWAUKEE, BUT QUICKLY RECOVERED.

ON NOVEMBER 5, ELECTION DAY, WOODROW WILSON WAS THE VICTOR AT THE POLLS, RECEIVING 435 ELECTORAL VOTES, AS AGAINST 88 FOR ROOSEVELT AND 8 FOR TAFT. TO CROWN THEIR SUCCESS THE DEMOCRATS CARRIED THE HOUSE OF REPRESENTATIVES BY A MAJORITY OF 147.

TOMORROW—EARLY CAREER OF WOODROW WILSON.

Supreme Court To Rule On Whether Buyer Is Guilty

Attorney General Mitchell Intends To Have Highest Court Rule On Question

(International News Service)

WASHINGTON, March 13—The question of whether the purchaser of liquor is equally guilty with the seller under the Volstead law will be put squarely up to the U. S. Supreme Court for decision atorney General Mitchell announced.

The department of justice, Mitchell indicated, wants showdown on this Moot question, and is taking the only method of procuring it by putting it flatly to the Supreme Court for decision.

The recent case in Boston (United States vs. Farrar) in which a Federal District Judge held that the buyer of liquor was not guilty of a felony because of the purchase will be used as the test case.

Another case (U. S. vs. Norris) is now before the high court on appeal. This involves, however, the element of conspiracy, and is not square to the issue as is the Farrar case from Boston.

State Streams Well Stocked By U. S. Government

Many Fish And Eggs Distributed In Pennsylvania Streams Last Year

WASHINGTON, D. C., March 13.—Pennsylvania fishermen will find pleasure in the announcement of the department of commerce that during the fiscal year of 1929 the bueau of fisheries distributed throughout Pennsylvania a total of 1,761,070 fish and fish eggs for the stocking of streams and lakes.

Such distribution throughout the entire country during the year totaled 7,060,369,500 fish and fish eggs, an increase of nearly a quarter of a million over the prior year.

Brook trout were by far the most desired fish for stocking in Pennsylvania, with rainbow trout coming second and Loch Leven trout third.

The distribution of fish and eggs in the Keystone State during the year is reported by the fisheries bureau as: 5,740 catfish; 367,375 rainbow trout; 153,050 Loch Leven trout; 1,178,880 brook trout; 8,464 crappie; 29,677 large mouth black bass; 1,250 smallmouth black bass; 150 rock bass; 16,430 sunfish, and 54 yellow perch.

RECORD CROWDS ATTEND TOURNEY

Mercer County Basketball Eliminations Draw Record Throng At Grove City

GROVE CITY, March 13.—Officials of Grove City College in charge of the Mercer county tournament completed last week state that the largest crowds that ever attempted to enter the gym, crowded in Saturday evening. About 1800 being packed in the gym.

The officers in charge of the crowd maintained order at all times and complimented the officials at the end of the game on the orderly manner in which those attending the game conducted themselves.

Following the game between Farrell and Sharon the cars were piloted through the congested streets without a mishap and the fans of both Farrell and Sharon were started safely on their road towards home.

This week in the college gym will be held the Northwestern tournament. The games start on Wednesday evening.

MEET ON CANVASS

A meeting will be held on Thursday evening in the United Presbyterian church of the trustees for the annual canvass which will be held on Sabbath, March 16th. Dr. Beeler of the Grove City College will be the speaker of the evening. Refreshments will be served.

CLASS TO MEET

The regular monthly business meeting of the Aokuji Bible class of the Presbyterian church will be held in the home of Mrs. Clarence Woods, 801 Stewart avenue, on Thursday evening at 7:30 o'clock. Officers for the coming year will be elected at this meeting.

Special Program For Anniversary At City Mission

Rev. C. C. Mahoney, former local pastor but now located at Oil City and W. H. Rech will celebrate their spiritual anniversary at the City Rescue Mission.

A special program has been arranged to commence promptly at 7:30 p. m. tonight. It will take the place of the regular evening service.

Good Luck

The man who doesn't have good luck with gasoline doesn't use "STANDARD"

ACTUALLY the "Good Luck" you have with "Standard" products is the result of the extra merit built into them. In "Standard" motor fuels, for instance, there is no sacrifice of all-round performance for a single talking point. In knock-rating, ESSO is in a class by itself, but knock-rating is unimportant unless it is found with quick-starting, lightning pickup and a low end point. "Standard" fuels have all these in the proper balance. For years they have had an end point of 400°—and lower. It is because "Standard" Gasoline and ESSO meet all the requirements of good gasoline better that everybody says: "You'll have good luck with 'Standard'."

"STANDARD" GASOLINE, "STANDARD" MOTOR OIL and ESSO, the Giant Power Fuel, are products of the Standard Oil Company of Pennsylvania

College Play Casts Announced By Cordray

(Special To The News)

NEW WILMINGTON, Pa., March 13.—Professor A. T. Cordray, director of the Westminster college little theater organization, has announced casts for two productions which the students will present within the next two months. The first, "The Importance of Being Earnest" by Oscar Wilde will be the senior class play. The second, "The Honey-moon" by Joe Tobin, will be produced by the class in acted drama of the college.

For the junior play, "The Importance of Being Earnest", Prof. Cordray has selected the following characters: John Worthing, played by Dale Cleland, Portersville; Algernon Moncrief, played by Douglas Anderson, Philadelphia; Canon Chasuble, played by Donald Cleland, Portersville; Gwendolyn Fairfax, played by Gretchen Turner, Cambridge Springs; Cecily Cardew, played by Harriet Martin, New Castle; Lady Bracknell, played by Anna Mae Johnston, Turtle Creek; Miss Prism, played by Helen Cushman, Sharon; and Lane and Merriman, butlers, played by Wesley Anderson, New Wilmington, and Richard Liston, North Bessemer.

For the acted drama class production, "The Honey-moon", Prof. Cordray has selected the following: Duke Aranza, Kenneth Hemer, New Kensington; Count Montalban, Raymond Black, West Sunbury; Rolando, Fred Blaha, New Castle; Balthazar, David Hunter, Bellevue; Lampedo, William Gamble, Butler; Jacquez, Paul Gamble, Sharon; Lopez, Ted Anderson, New Wilmington; Juliana, Helen Blaha, New Castle; Zamora, Helen Baerman, Pittsburgh.

The leads in these two plays are Gretchen Turner, Harriet Martin and Dale Cleland in "The Importance of Being Earnest," and by Kenneth Hemer and Helen Blaha in "The Honey-moon".

Prisoners Given Additional Terms

(International News Service)

MOUNDSVILLE, W. Va., March 13—Charlie Marks and Earl Clark convicts who sawed the prison bars that enabled Bana and Adrian Bias and Basil Childers to escape last December 18, had five years tacked on to their sentences today by Judge Jas. F. Shipman.

Clark had been sentenced to two years but Judge Shipman revoked this sentence and gave him five years because of his testimony in behalf of Marks who was convicted by a jury. The judge scored Clark for allegedly perjuring himself on the witness stand.

Adrian Bias went on trial this morning charged with escaping from the prison. His brother Dana, has been sentenced to five years imprisonment. Childers was to be arraigned in court later in the day.

Dr. Hugo Eckener denies that he plans to fly the Graf Zeppelin across the Atlantic next month, but he will fly to South America in May.

Carriers' Meeting To Bring Leaders

Committees Are Named For Postmen's One-Day Session Here May 24

Prominent state and national leaders of the National Letter Carriers' association will come here for the annual meeting of postmen of the North West Pennsylvania district, to be held here on Saturday, May 24, officials of New Castle Branch No. 22, who are making arrangements, have been assured.

Committees that are to function for the meeting, which will bring postmen here from all sections of the North West district of the state, have been named. They are as follows:—

General committee: Thomas Davis, Mont Forney, Carl Weide and George Swisher; entertainment: Edwin Rehill, Ernest Claire, Francis Augustine and Ben McCann; chair committee: William Clarke and Clarence Gillespie; refreshments: John Wilson, Francis Augustine, Walter Leslie, William Ice, Robert Maxwell and Jesse Wilson.

Sessions of the one-day meeting will be held at Danceland hall.

Itching Quickly Relieved

Seemingly unbelievable, according to many is the quickness with which Resinol relieves the itching of rashes, eczema or almost any itching condition of the skin. This ointment originated by a physician 35 years ago has become a standby in thousands of homes, where it is also used for burns, sores, chafing, etc.

Resinol Soap not only aids in treating skin disorders, but it's daily toilet use tends to keep the skin clear and smooth.

FREE

Sample of each, enough for a weeks trial. Write Resinol, Dept. 8S, Baltimore, Md.

Rentz Writes Of Trip With Alf Williams Out In California

Giving an interesting account of a recent trip in California, and pointing out the wonderful road system in that district, Fred L. Rentz, president of The News Company, writes the following account of incidents during his visit:

Los Angeles, Cal., March 10, 1930.
George W. Conway, Esq.,
Editor The News,
New Castle, Pa.

Dear George:

I am going to tell you something about how people can get around out here on the wonderful roads. On Thursday morning at nine o'clock, get that unseemly hour, Alf Williams and his wife picked us up at the hotel we are stopping at and we started out on a trip.

The first place we stopped at was Sawtelle. The largest soldiers' home in this country is located here. Soldiers from all wars are here. We saw our good old friend W. T. Daugherty, a veteran of the Civil War here. He has been very ill and has been in the wonderful hospital there. He asked if New Castle was still growing and asked how his old friend Phil Wagner was getting along.

From there we went on through to Santa Monica, Venice, El Secundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Wilmington, and Terminal Island. We saw Mrs. Margaret Fullerton, who used to run a boarding house in the Shaw building, North Mill street here. She is nearly blind, but still her jolly good self for all that. Bert York is also here and is foreman in a big ship yard. From there we went to Long Beach and this is where Alf Williams lives. Here we saw I. A. Williamson, Sam Armstrong, Ned Bryant. We were calling at the home of Miss Harriet Blanchard, but she was not at home. Mrs. Rentz was in the house and I was sitting on the front porch. A lady came along on the sidewalk and kept looking at me and came up the steps and asked if I was not Mr. Rentz. I told her she had me spotted right. She said she was Mrs. A. McCormick of Park avenue, New Castle. You can find New Castle folks everywhere and most of them are glad to see me. Or maybe it's the other 99 and ¾ per cent of this family.

We were the guests of Alf and his wife at dinner at the Pacific Coast Club and this is some affair, with the ocean running right up to it's back step.

Most all of this trip was along the ocean front. The Pacific ocean is a beautiful sight and it can be seen for miles along the roads.

Five years ago when we were out here Long Beach did not look so large. In 1920 the census figures were 55,000. The population is estimated now at 165,000. No wonder. They have roads and streets from 80 to 100 feet wide. Wonderful hotels, clubs and schools. They have a city park of 400 acres nearby, with two municipal golf courses with fine club houses. They have a big recreation pier running out into the ocean. They spend millions every year to make their city attractive to new industries and people. A great Ford plant is about ready to start. There are four or five big branches of Eastern tire companies running full blast. They have hundreds of small industries, all working day and night. They spend money here to get twice as much back. They have the spirit that wins.

We travelled 150 miles on this trip and all the roads were from 60 to 100 feet wide and it was solidly built up all the way all day long. We did not pass a vacant square of land. Everywhere was activity and hustling.

We got back to the Biltmore at nine o'clock, tired, but happy over what we had seen on the trip.

All these western cities build roads, parks, playgrounds for children and grownups first and it is not long before the people are there and the cities are being built up with population and industries. You cannot get people to go where there is nothing to attract them. No wonder people come out here.

One of those former New Castleites who is now here permanently boosting here handed me a slip of paper on which he had written the following: "California, the land where Spring never comes in the summer. The summer never comes in the fall. The Fall comes in the Winter and the Winter don't come at all." That's German poetry all right.

Having been made an honorary member of the New Castle Lions club before I left New Castle, I attended the meeting of that club in the Biltmore on Friday noon. The man who sat next to me was born in Mercer, Pa., and he is the United States District Attorney for Los Angeles county. His name is Samuel W. McNabb. He is a second cousin of Mrs. "Bill" McLaughry of New Wilmington. He sure is a fine chap. He is also related to the McConnells of Mercer. He used to work in a printing office in Sharon. He is also an ex-mayor of some city out here and I being one also we have something in common.

A bird was selling rabbits feet and he asked me to buy one for luck. I told him the rabbit that foot came from had four feet and it surely did not bring any luck to it. That stumped him all right.

There is a place here called "Horse Shoe Canyon and no one is allowed to smoke there except in their own homes. Quite a few places do not allow smoking and hundreds of men work in those places. I hope I never see the day when I have to eat with one hand and hold a cig in the other.

This is a country of waiting. The smaller the human is the longer one has to wait to see him. My office door is always open in The News office and anything can blow into it—and believe me they do. I think I will try the waiting plan when I get back home. Lots of the actors and managers fear being touched by people who panhandle. They keep them waiting so long they get old and go to the poorhouse rather than wait any longer.

Some men out here work eleven hours a day seven days a week for $18. They ought to start a union of some kind.

They have the biggest jail in the world in Los Angeles. It was made to hold 1,400 people and has 1,666 in it now. A speaker at the Lions club, the chief jail keeper told what a wonderful jail it was, but as far as we are concerned we would rather pay our own way. All the jail keepers and pen wardens were at this meeting, including all the judges and everyone who had anything to do with putting people in jail. The speaker of the day was even dressed in the costume they wear in the jail. Omygosh.

We met S. M. Love and his sister Luella here. They are of the New Castle Love family and lived there many years ago. The brother and sister have always lived together. They are cousins of Miss Jane Love and she visited with them quite a lot when she was out here a few years ago. They lived at Uplands, Cal.

If some of those strenuous boys back in New Castle want to play a real game they should go in for pony polo. The players ride a horse and hit a ball with a long handled mallet. This is a game played by pink toed high hatters and is not for me of course. I liked the action in the game I saw from the road and only stopped when a policeman told us the price of admission.

We had a call from R. H. Chambers, of the Chambers Motor Co., in New Castle. Mr. Chambers has lived in New Castle for five years and only a few blocks away from our home, but I had never met him. We had to come out here over 3,000 miles to get acquainted. I will make it my business to see him when I get back home as he is a fine gentleman and we had a fine visit. He is in Whittier, Cal., for sometime yet.

At Santa Ana, where Mr. and Mrs. James C. Flemming live they had what is called a "Home products banquet." Forty-six varieties of food were served, which is produced in the territory around there.

A gent named "Cockeye" Herring admitted to the police here yesterday that he was hired to kill a man for $50. Cheap!

Mr. and Mrs. Percy MacNab and daughter Louise took us out to the Lion farm on Saturday. The owner of the farm Mr. Gay, is well known to movie fans. He furnishes and trains all the lions for movies. He had 165 of them on hand the day we went. He was feeding them at the time. It takes two horses a day to feed his outfit. I had my picture taken with one of the lions, big as a house cat, in my arms. Meow! The farm is at El Monte, about 20 miles from Los Angeles. For variety the young lions are given a lamb chop one day and a pork chop the next, but they all come from the same horse.

We saw and smelled a big pipe being smoked by a bozo in an elevator yesterday. We were raised among horses, bulls, cows, sheep, Billy goats and other farm animals, but thank goodness we have picked up a bit of decency while we were travelling away from our youthful environment. A burning boot smelled better than that pipe in the small closed elevator. Heinz preserve us.

On Friday night Mrs. Genevieve McCreary Weide took us in her car to the ranch of Howard Scott. It is about 35 miles from Los Angeles. Mr. Scott is married to the former Ruth McCreary who lived at East Brook and has been out here about ten years. They also have a fine home in Los Angeles, but use the ranch for week ends.

All the cities out here build bridges and overhead and underground crossings for railroads and street car crossings. Millions are spent in this way to make things safe for travel. The first thing they do is to make streets and bridges and tunnels to atract people to come and live in those places. They build streets and then build the school houses afterwards and they build plenty of fine school houses.

All of the newspaper men who write departments get much mail from people who do not sign their names. We call that "nut mail." We have been getting quite a bit of it here. Nut mail from nuts is about right.

On Sunday we were at the Home of Percy MacNab for dinner and as it was Mrs. Rentz's birthday, Miss Louise MacNab had baked a birthday cake and it had candles on it, not as many as the usual birthday cake, because they did not have enough candles. It was great anyhow and Mrs. Rentz was highly pleased—and so was I. After the meal we took a ride in the MacNab silk lined cabriolet and saw the great Hollywood Bowl. It seats 22,500 and is a natural bowl, the seats being built on concrete steps on the natural base. Great concerts by world-famed artists are held here three or four days each week during the summer. When season tickets are bought each concert costs a customer 25c. Single admissions are 50c. This gives the people wonderful music at almost no cost.

In coming back through Pasadena we called on Mr. and Mrs. Alex Crawford Hoyt at their wonderful home there. They have it for the winter.

On Sunday evening the MacNabs, Miss Bess Coyle and Mr. and Mrs. James Conkle were visiting us. Miss Coyle is here with her sister and used to live in New Castle. Mrs. Conkle was Alice Buffinger before she was married. Mr. Conkle was an employe of The News for many years before coming out here.

About the time they were here Dr. Leonora Gageby called me and told me W. T. Daugherty had died on Saturday. The funeral was in Los Angeles on Monday morning. Cliff Chambers was coming up to see us and we all went out to the Rosedale cemetery where Mr. Daugherty was buried. While we were sitting in Mr. Chambers' automobile near the open grave a lady came up and asked us if we knew where the Daugherty burial was to take place. She was Mrs. George W. G. Buffinger, formerly of New Castle. She was surprised to learn who we were. We also met Mr. and Mrs. Robert Stewart and their daughter Sue. Mr. Stewart was a printer on the old Guardian in New Castle and had also worked on the Democrat for Jeff McCleary. Mr. and Mrs. Ray Gibson and their son, Ray, Jr., and daughter Shirley were at the funeral. Mr. Gibson was formerly of New Castle. Two of Mr. Daugherty's daughters, Mrs. Sam Armstrong and Mrs. Nellee Harrison and her son Walter were at the funeral as was also Sam Armstrong the son-in-law of Mr. Daugherty. Sam Armstrong was an old school mate of mine at the Reynoldstown school. They were all glad to see us. At the first part of this letter we told of talking to Mr. Daugherty in the hospital and we were glad that we were able to be at the cemetery when his folks arrived there. We were the only residents of New Castle present at the sad rites. Little did we think that so soon after talking to our old friend we would be called upon to see him buried. His casket was draped with the good old Stars and Stripes which he so ably helped to defend during the Civil War.

Mr. Daugherty's wife died out here several years ago. She was before her marriage, Miss Lovie Jones, and she taught me in No. 6 in the Reynoldstown school years ago. Many will remember her kindly.

According to some reports reaching me from New Castle the impression seems to prevail that Aimee McPherson has got me. She has not, but I am not going to say anything against any religion or race. Those who do good have my undying respect. Aimee keeps a lot of wildcats out here in restraint and keeps the police from doing a lot of hard work so let her go ahead and do the good she is doing.

We had the pleasure of meeting an old friend this morning, Frank Strawhecker, former New Castle contractor who is building skyscrapers here and doing well. His son is in the business with him.

I hope my letters are not giving any of my friends in New Castle high blood pressure.

Yours until the winters become more mild in New Castle.

FRED L. RENTZ.

Piles Disappear
No Cutting or Salves Needed
External treatments seldom banish Piles.
Nor does cutting remove the cause.
The cause is internal—bad circulation of the blood. The veins are flabby—the bowel walls weak—the parts almost dead.
To quickly and safely rid yourself of piles you must free the circulation—send fresh, healthy blood to heal and strengthen the affected parts. Internal treatment is the one safe method. Ointments and cutting won't do it.
J. S. Leonhardt, M. D., a specialist, set at work some years ago to find a real internal remedy for piles. He succeeded. He named his prescription HEM-ROID, and tried it in 1000 cases before he was satisfied. Now HEM-ROID is sold by all druggists who have authority to refund the purchase price to any dissatisfied user. It's a harmless tablet, easy to take, and can always be found at McKee's Kut Rate Store, Eckerd's of New Castle, Inc.

Itching Ends When Zemo Touches Skin
—thousands say. It's wonderful the way soothing, cooling Zemo brings relief to skin which itches and burns. Even in most severe cases, itching disappears almost as soon as Zemo touches the tender and inflamed surface. To draw out local infection and help to clear away unsightly blemishes, we know of nothing better than invisible Zemo. Always keep this family antiseptic on hand. Use it freely. It's safe as can be. 35c, 60c and $1.00 All dealers.

Notice—Rural Folks!
We Are Now Showing Many New Things That Are for the Convenience of Our Rural Friends

Costs You Nothing
to have this wonderful new Aladdin coal oil (kerosene) mantle lamp and enjoy all the pleasures and comforts of a perfectly lighted home. Aladdin light is just like sunlight, yet soft and beautiful. Perfectly safe—no smoke, odor or noise. Saves its cost in less than a year.
TWICE THE LIGHT on HALF the OIL
Recent tests by the Government and noted scientists at 35 leading Universities prove the ALADDIN GIVES MORE THAN TWICE THE LIGHT and BURNS LESS THAN HALF AS MUCH OIL as the best round wick, open flame lamps on the market. Thus the Aladdin will pay for itself many times over in oil saved, to say nothing of the increased quantity and quality of pure white light it produces. A style for every need.
Beautiful New Hand Decorated Shades in Glass and Parchment
An entirely new idea in shades for Kerosene lamps. Makes it possible with the Aladdin to not only light country homes as efficiently but as artistically as well. These new shades add an unsurpassed beauty and charm to home illumination, that you appreciate.

Says Invention Is Not Creation

(International News Service)

CHICAGO, Ill., March 13.—If Edison had been a caveman 50,000 years ago, would he have invented the telephone and the incandescent lamp?

This question is answered with a flat negative by Waldemar Kaempffert, author of "Invention and Society," the latest booklet in the Reading With a Purpose series, issued by the American Library Association.

Mr. Kaempffert, director of the Rosenwald Museum of Science and Industry, established in Chicago, is prominent in bringing scientific inventions before a wide public. In his new booklet, Kaempffert points out that invention is a growth, not a creation.

Watt, Morse, Bell, Edison and Marconia" he writes, 'must be regarded as fuses that blow and that enable society to short circuit itself by following the lines of least resistance."

HAPPENINGS IN WORLD OF SPORT

Titans Cleanest In Tri-State Conference

Westminster Team Scores More Field Goals, Has Less Fouls Than Any Team In District

Seventeen Field Goals Against Thiel Largest Number In Single Game

NEW WILMINGTON, March 13—Coach John Lawther's Westminster College basketball team which won the Tri-State Conference class B, and district championships this year with 14 victories out of 16 games played, scored more field goals than opponents and committed less personal fouls during the district schedule.

The Titans scored 183 field goals to 96 by opponents. Thiel was held to no field goals in two first haves, Grove City was held scoreless from the field for one half and Carnegie Tech was held scorless during the first 20 minutes of play. Thus the Lawthermen averaged a little better than 1 field goals per game to six for opponents.

Real Law Scores

During the first haves of the 16 district games, Westminster scored 89 field goals as compared with 39 scored by opponents during first haves. During the second halves of the contests, The Titans scored 94 field goals as compared with 57 scored by opponents.

On only four occasions were opponents able to score 10 or more field goals on the Westminster club. Grove City scored 10 in the first game of the season: Bethany scored 11 when the Titans were defeated at Bethany, W. Va., Allegheny, with a last half rally in the game at New Wilmington, scored 10: Duquesne in defeating the Titans at Pittsburgh scored 11 On seven occasions, Lawther's outfit held opposing teams to five baskets or less. Thiel scored two baskets in the game at New Wilmington and two in the game at Greenville. Bethany, after defeating the blue and white at Bethany by scoring 11 baskets, was held to three field goals. Geneva was held to four goals from the field in the game played at New Brighton. Wayesburg defeated 50-13, was held to two field goals. Washington and Jeferson scored only three times from the field in the game played at New Wilmington. In the final game on the home floor, Grove City was held scoreless from the field during the first half but made five goals in the second period.

Seventeen Goals Highest

In 11 games on the schedule the Westminster passers scored 10 or more field goals. In the Grove City game at Grove City the Titans scored 12 times from the field, while 14 field goals were made by the Lawthermen in the Grover game at New Wilmington. Eleven goals were scored against Thiel at New Wilmington, while 17 were chalked up in the Thiel game at Greenville.

In the Carnegie Tech game, Westminster scored 11. When Bethany came to New Wilmington for a return game after having scored 11 field goals to defeat the Titans at Bethany, W. Va., the Lawthermen retaliated by allowing the Bisons but three goals while they were ringing up 14. The Titans scored 11 goals against Allegheny at New Wilmington and 12 against the Methodists at Meadville.

Against Washington and Jefferson, Westminster scored 1 field goals in the rough game at Washington, Pa., and scored 10 in the game on the home floor. The largest scoring from the field came in the Wayesburg game at New Wilmington when the Titans scored 18 field goals to win by a 50-13 score.

While Lawther's proteges were putting the ball through the hoops they were guilty of less fouling than their opponents. A total of 181 fouls were called on Westminster players during the 16 game district schedule, while 216 fouls were called on opponents.

A Peoria boxer has been playing billiards for a week. Ten more days and he will have scored as many kisses as a movie hero.

Philip Rice Is Real Iron Man

Rice, Former Duquesne High Star, Proves Self Premier Guard In Tri-State

NEW WILMINGTON, Pa., March 13.—Phillip Rice, Duquesne, Pa., star guard on the Westminster College team which won the Tri-State Conference and Pittsburgh district championships this year, is the only member of Lawther's team to play in all halves of the 16 district games on the schedule.

PHILIP RICE

Rice, a sophomore, turned in an outstanding season at guard in his second year with the Lawthermen. In addition to playing a fine defensive game. Rice tallied 24 field goals and 12 fouls for 60 points during the season.

Kenneth Delahunty, Indiana, Pa., star forward, played in 31 out of a possible 32 halves during the season and accounted for 40 field goals and 26 fouls, or a total of 106 points. Captain Glenn O'Donovan, Pittsburgh, forward; William Crowell, Sharon, center; and Marshall Fisher, Boardman, O., guard, each played in 30 halves. Capt. O'Donovan scored 25 field goals and 19 fouls for 69 points; Crowell scored 51 field goals and 21 fouls for 123 points; and Fisher scored two field goals and 10 fouls for 14 points.

Harry Brownlee, Lock Haven, center and guard, played in 24 halves; Daniel Considine, Akron, O., forward, played in 18 halves; Michael Kocheran, Duquesne, forward, played in 12 halves; and John Hamas, East Rutherford, N. J., forward, and Ted Blaner, Sharon, guard, each played in 10 halves.

ROCCO HOPES TO EVADE AL'S LEFT

Scarney Has Been Tossing Lefts At Rocco In Training Bouts

YOUNGSTOWN, O., March 12—Al Zill who has been handling the boxing affairs of Emmett Rocco, Ellwood City heavywhight during the past month today said the Pennsylvania Monday night at New Castle would unfurl a lot of stuff when he meets Al Friedman, Boston in a 10 round bout.

"Rocco has been out of the ring for some time prior to the bout with Frankie Simms at Cleveland and although I believe the decision should have been a draw I will admit that Rocco is capable of doing better and will when he battles Friedman who got the scare of his life when he boxed Tuffy Griffiths" said Zill.

"Emmett gave the fans of Jolly bowl a good chance to draw their conclusions when he boxed Al Keeley, a southpaw. Everyone versed in boxing knows a left hander is a problem at any time but the blows that Keeley landed failed to jar Rocco and Emmett had him going when Keeley sustained a fracture of a bone."

During the past week Rocco has been taught to evade a fast left hand. Harold Scarney, a clever light-weight who jabs like lightning has been training with Rocco and when Friedman starts his volley of lefts next Monday night, Zill says Rocco will have no trouble keeping them off his face.

Jack Dempsey To Battle Carnera

(International News Service)

NEW YORK, March 13.—Jack Dempsey will return to the ring and his first battle will be against Primo Carnera in Chicago in September, according to reports circulated here today. Dempsey, it was said, will promote the bout himself.

Walter Friedman, Carnera's chief American adviser, was said to be so confident of the reported Dempsey-Carnera fight that he refused a bout for Carnera with Kayo Christner here in the Garden, it was reported.

BY RUBE GOLDBERG

Asbeck, Huge Yank Rook May Become Another Sisler

By WILLIAM RITT
Central Press Sports Writer.

LAKEWOOD, O., March 13.—The most highly publicized rookie now laboring to win plaudits and gold pieces in the trappings of a major league ball club is going to show the big town fans his ability is as great as his size, according to citizens of this suburb of Cleveland.

The rookie is Fred Asbeck, University of Michigan graduate, and New York Yankee pitching hopeful, who towers six feet five and one-half inches in his silk-lisle foot garments, but beats six foot six in boots and cleats. Except for size, they think hereabouts he is another George Sisler.

Fred's a Lakewood boy, so the folks here ought to know. They've watched Fred soar up from boyhood, an all-around athlete who made playmates look pitiful while laboring on diamond, gridiron and track for Lakewood high. Fred starred in each of those sports.

Concentrates on Baseball.

Coming to Michigan, Fred looked like ready money to Coach Fielding Yost who was then personally guiding the destinies of the Wolverine pigskin pack. But Fred injured an ankle and was lost to the Ann Arbor football forces. So he concentrated on baseball.

How well Fred concentrated can be told briefly by quoting figures furnished by any citizen of Lakewood or alumnus of Michigan, for that matter.

In his sophomore year Fred hurled such elegant ball that Michigan finished but half a game out of first place in the Western conference race. That was in 1927. In 1928 and 1929 Michigan won the title and in each of these years Fred went through without a defeat.

So much for Fred's collegiate hurling ability.

Can He Hit!

As a batter Fred left nothing to be desired. He knew those broad shoulders and big frame behind his bat and ground out some historic percentages. Fred finished the 1928 collegiate season with the enviable mark of .406. But he wasn't satisfied with even that and to prove he could do better he swatted the spheoroid in 1929 for a neat .408.

Last summer the University of Michigan baseball team invaded Japan for a series of ball games with colleges there and promptly eclipsed the record made in Nippon in other American colleges in recent years by winning all but two of 13 games from

FRED ASBECK

such crack outfits as the Waseda and Keio schools. Much of this was due to the potency of Fred's good right arm and his death-dealing ashen war club.

Owing to his great size the little yellow men, though fast and clever, were duck meat for Mr. Asbeck who maced their offerings to the far corners of oriental parks.

Fred Another Sisler?

Until Asbeck loomed on the horizon at Michigan no other ball player could be spoken of in the frat houses and on the campus than George Sisler who went from the Wolverine school to Columbus.

A coincidence is that Sisler was also a pitcher in college, but owing to his great hitting ability was made over into a first baseman with remarkable success. This might happen to Asbeck save for the fact that such a capable young chap as Lou Gehrig guards the initial bag for the Yanks.

However, there is some reason to doubt that the Yanks will keep Fred on the mound if his batting in big league competition lives up to his collegiate reputation. It's not good business to permit a swell hitter to remain idle in at least three games out of four.

Shawkey Confident Yanks Will Be Well Up In Pennant Race

By JAMES L. KILGALLEN
International News Service Sports Writer

ST. PETERSBURG, Fla., Mar. 13—"The Club that beats the Yankees out of the 1930 pennant will know they have been in a fight."

This was as far as Bob Shawkey, new manager of the New York Yankees, would go today in the way of predicting what his troupe would do this season.

"Just say we'll be in there trying all the way," said Shawkey.

Nineteen Pitchers

Ruth was out shagging balls with the enthusiasm of a rookie as Shawkey looked the players over. Nineteen pitchers were working out on the sidelines and in the 'bull pens.'

Shawkey said the Yaunkees were being re-built and that is why he has so many youngsters in camp.

Ruth, of course, will be the Yanks' big seige gun, it is Shawkey's present intention to use Allen Cooke, in left field, the post left open by the departure of Bob Muesel to Cincinnati.

The infield probably will be comprised of Gehrig at first, Lazerri at second, Koenig at short and Chapman at third.

Behind the bat Shawkey plans to use Dickey and Hargrave. He has been decidedly impressed by Americus Polli, the black haired pitcher up from St. Louis with a record of having won 22 games and lost only 9 last year.

Rookies Look Good

Two other good looking young pitchers are Vernon Gomez, a Southpaw, who won 18 and lost 11 with San Francisco last year and Louis McEvoy, a right hander who won 22 and lost 12 with Oakland last season. Shawkey said that if young Walsh, who looks like this famous father, is anywhere near as good as his dad he will do. He lacks experience more than anything else.

Shawkey plans to put the burden of the pitching early in the season on his veterans—Hoyt, Pennock, Pipgras, Sherid, Zachary and Heimach. Either Polli or Comez, or both, may break in quickly as starting pitchers.

Young Buccaneers Trip Wampum Stars

The Young Buccaneers of the "Y" downed the Wampum High stars 57 to 45, in a game played at the Wampum Opera House floor. The feature of the game was the clever work of Whiteman of the Buccos who made ten field goals, and the fine playing of DeMark of the Stars with seven baskets. It was a good game despite the lopsided score. Wallace also played a great game for the Buccaneers making seven field goals.

The summary:

Y. Buccos 57		Wampum 45
Ross	P	DeMark
Wallace	C	Ferructl
Whiteman	C	Galbreath
George	G	Julius
Deep	G	Caplan

Subs: Y. Bucco, Pegnato

F. G., Whiteman 10, Wallace 7, Ross 5, George 4, Deep 2, DeMark 7, Ferructl 3, Galbreath 3, Julius 2, Caplan 5.

Time of quarters 10 minutes

Referee, Bill Ryan.

Locals Workout At Washington High

Coach Bridenbaugh Sends Cohorts Through Another Long Scrimmage

Special Train Arranged From P. & L. E. Station To Leave Saturday

The New Castle high school basketball team was sent through another long workout on Wednesday afternoon at the George Washington Junior High school gymnasium. Coach Phil Bridenbaugh is rounding his passers in shape for Saturday night when the local cagers enter the semi-finals of the W. P. I. A. L. tourney at the Pitt Stadium against the winner of the Duquesne-North Braddock game tonight. A long scrimmage between the first team and the second team ended the long rehearsal.

Third Scrimmage This Week

The scrimmage last night was the third this week and after one hour and a half Coach Bridenbaugh called it a night. Shooting fouls and shooting from all angles of the large gym was also part of the practice. The local undefeated ball carriers will wind up practice on Friday afternoon.

The first team composed of Rowe and Hannon at forwards, Alexander at center and Uram and McAuley at guards looked fairly good against the second stringers. There still is some room for improvement. It is expected that New Castle will be in good condition for Saturday.

Both North Braddock and Duquesne have good teams. New Castle must play real basketball to defeat either quintet.

Faculty Manager Ralph H. Gardner has arranged a special train which will leave the P. & L. E. station on West Washington street on Saturday afternoon at 5:45. Coming back the train will leave Pittsburgh at 10:00 o'clock. Special street cars have also been chartered at Pittsburgh to transport the fans from the station to the Pitt Stadium. Tickets for the game were placed on sale on Wednesday morning at the Sporting Goods store on East Washington street and at the Senior high school.

FRIEDMAN TRAINS AT PHILADELPHIA

Pummels Weiss And Lygett But Uses Collins To Develop Speed

PHILADELPHIA, March 13—Al Friedman who punched his way into the glare of pugilistic spotlight by almost knocking out Tuffy Griffiths at Boston last Friday night is training here for his 10-round battle with Emmett Rocco of Ellwood City at New Castle's Jolly bowl, Monday night.

He was called into action here by the ringwise Al Lippe woh says that while he expects Friedman to win he wants to have the Jewish heavyweight champion in supberb fighting condition. Lippe terms Rocco a tough, strong, puncher, in fact a fighter who can turn the tide of battle with a punch from either hand.

The Bostonian punched Sam Weiss and Jimmy Lygett around for six rounds yesterday after which he traveled four fast rounds with Marty Collins, the speedy welterweight. Lippe figures that Friedman must win from Rocco if he is to mingle with Paoline, Maloney, Risko and others now ensnaring big purses.

Rocco and Friedman have fought twice, once in New Castle and the last time at Cleveland. There was little to choose between them in either bout according to Lippe. Rocco captured the New Castle decision and Friedman was granted the award at Cleveland.

Friedman, accompanied by Lippe, will leave Philadelphia Saturday evening and arrive in New Castle, Sunday. He will do only calisthenic exercise in a New Castle gymnasium. Friedman expects to weigh about 183 pounds. Rocco, it is reported will tip the scales around 188.

SHENANGO GIRLS FINISH NEAR TOP IN COUNTY RACE

Township School Sextet In Second Place As County League Tilts End

Shenango high school's basketball sextet was in second place in the county high league when it closed this season's schedule only a short time ago. Besides attaining this distinction in the county race it was the only team in the field to defeat the strong New Wilmington girls' team.

This is Shenango's third year to have a girls' basketball team, and next year they promise to be contenders for the first place title. Miss Elva McCasland, coach of the girls is deserving of considerable recognition for the excellent way she has handled the team. Miss McCasland has for the last three years before her graduation from Slippery Rock, been a members of the championship team there.

Last Nights Fights

(International News Service)

AT OAKLAND, Cal.—Denny Lenhart, Seattle heavyweight, knocked out Jack Beasley, Oakland (1).

AT SANFRANCISCO—Louie O'Neill, San Francisco welterweight and Kintara Usada, Japan drew (6).

Announce Westminster's Spring Track Schedule

NEW WILMINGTON, Pa., March 13—Graduate Manager A. A. McDonald announced yesterday that the Westminster College track team will have five meets on the schedule this spring. Of this number, three contests have been arranged for New Wilmington.

The U. P. cinder-path and field men open the season against Carnegie Tech at Pittsburgh Saturday, April 26. Grove City, defeated last year at Grove City, will be met at New Wilmington Saturday May 3. Allegheny, defeated at Meadville last year, will be met at New Wilmington Saturday May 10. Geneva, who defeated Westminster by five points in the dual meet at Beaver Falls last year, will be met at New Wilmington Saturday, May 17.

The anual Tri-State Conference championship meet will be held at Geneva College, Beaver Falls, on Memorial day. Westminster placed second in the conference last year pushing the Covenanters hard until the last event, the javelin, which Len Friedman won with ease.

Track practice started indoors on Monday night at 7:15 with 25 candidates reporting. Members of the varsity basketball squad and players in the intra-mural basketball league which closes this week will report next week. A group of 45 candidates, including 15 freshmen of ability, should give the blue and white a strong team this spring.

HERE AND THERE IN SPORTS' LAND

John J. Koebert is ill with heart trouble in a Waynesburg hospital. He is well known in horse racing circles in western Pennsylvania.

Stella Walsh, Cleveland, broke the women's 220-yard race mark by running the distance in 26 1-10 seconds at New York.

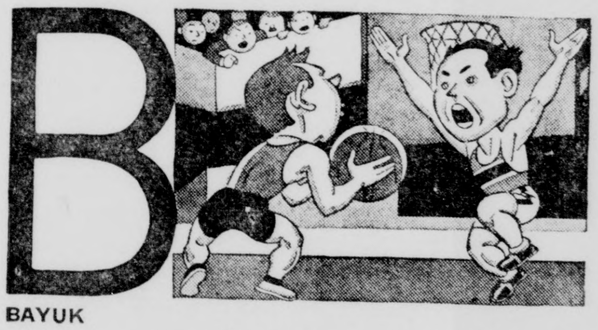

Sir Lindsay, ridden by Lord Fingall, amateur jockey, won the National Hunt chase over a four-mile course at Cheltenham, England.

John Doeg defeated Karl Hodges, 6-3, 6-4. Gilbert Hall won from Marcelle Rainville 6-3, 8-6. Emmett Pare vanquished Kenneth Stewart 6-5, 6-2 and Gus Feuer beat Ray Palmer 9-7, 6-4 in the Florida east coast net play at Ormond Beach.

Pitt Panthers defeated the Washington-Jefferson basketball team 67-20.

George Cook and Knockout Christner went the distance last night at Youngstown though it looked like a foul in the first when Cook was hit low and the bout was stopped for a time. K. O. Huske stopped Red Jadaberg in the second.

WHAT DOES "B. P." MEAN TO YOU?
TO SOME IT MEANS
BASKETBALL PLAYER

BAYUK

. . . bobbing and weaving around the court with fast and fancy footwork . . . grabbing the ball . . . snappy dribbling . . . then a flashy flip to the net. But to thousands, "B. P." means "BAYUK PHILLIES"—the ten-cent cigar made of the only tobacco that's fit to be smoked. In other words, RIPE tobacco!

You don't find any flavorless, over-ripe leaves in "PHILLIES." Nor unripe, bitter ones either. Every leaf in a "PHILLIE" is ripe—taken right from the hearts of the choicest plants. No wonder "PHILLIES" are kind to your tongue. No wonder you hang on to the end—till people tell you to get a pin. Next time you watch the boys pass the ball—take a pocketful of "PHILLIES." Every one scores a double-decker!

Seek To Prevent So Many Fouls In Boxing Battles

Would Incorporate Baumes Law For Boxers Who Foul So Often

FOURTH TIME AND YOU STAY OUT

By DAVID J. WALSH
International News Service Sports Editor

NEW YORK, March 13—There may be a boxing Baumes law on the books here within a matter of a week or so for chronic offenders in the so called "foul racket," the Baumes law being one of those provisions so simple in operation that blind justice doesn't even need her pair of scales. She uses a blackjack, rampant on a field of craniums.

Specifically, the law provides that fourth offenders are to be given a private bed room, tastefully furnished in Indiana limestone and all they give up is the best of their lives. So when James A. Farley, chairman of the local boxing commission, admitted to the writer today that he was "seriously considering" a paralel in shotgun justice for the hardened practitioners of the below-the-bosom punch here it semed that at last dire deeds were about to be prepetrated in rebuttal.

Tentatively and briefly, Farley's program is this:

First offense—three months.
Second offense—six months.
Third offense—one year.

He isn't as technical as Mr. Baums and so he made no provision for fourth offenders. Maybe the third out retires the side and they start a new game. Anyhow, justice in all cases will be tempered with reason.

Gerson Jewelers Defeat Plumbers

The Gerson Jewelers of New Castle defeated the Blumberg Plumbers 15 to 13, in a hard fought battle in the Jewish League of Youngstown, played at the Ohio floor on Wednesday night. It was a close and exciting game all the way. It was the 20th victory of the year for the Gersons against 9 defeats.

The score at half time favored the Plumbers 9 to 5, but the last half rally of the locals was too much for the Youngstowners. It was on fouls that the locals looked good, caging five of them, against one for the losers. The Plumbers outscored the Gersons from the field six to five. Mike Jaffee a new member of the Plumbers recently with East High, Youngstown, was the whole works making nine of the thirteen points scored by his team. Plant, H. Levine and Solomon played the best ball for the locals.

The summary:

Jewelers 15.		Plumbers 13.
Solomon	F	H. Lackey
Rogovin	F	D. Lackey
Cohen	C	M. Jaffee
Davids	G	Cross
H. Levine	G	Max. Jaffee

Subs.—Ulansky, Mitman, Sac. Levin, Plant. Field Goals—H. Lackey, Mike Jaffee 4, Max Jaffee, Solomon, Plant 2, H. Levine 2. Fouls—Plumbers, 1 out of 6. Gersons—5 out of 20. Referee—Fairfurlo. Scorer—Morris Levine.

Kandy Kids Top Falcon Juniors

The Wampum Kandy Kids registered their sixth consecutive win of a new winning streak when they overcame the lead of the Polish Falcon Juniors on the New Castle floor, and emerged the victors by a 33 to 24 count. The game was very interesting and hard fought and for a while, it looked as if the Falcon Jrs. might upset the "Kids", but during the second half of the game, the tide turned and there was nothing to it but Wampum.

The game opened up very fast and after ten minutes of hard basketball, the Falcons were on the long end of a 9 to 2 score. With the beginning of the second period, the defense of the Wampum team tightened and the New Castle team was held to one field goal while the "Kids" dropped in 3. This left the score still in favor of the Falcons by a 11 to 8 count.

With the beginning of the third quarter, J. Kolodziejski dropped in two counters and it looked bad for the Wampum team. Before the New Castle team knew what had happened, the Wampum team set sail a terrific attack and were leading by a 21 to 18 score as the last period was about to begin. The last quarter was easy for the Wampum team as they outscored the Falcons 12 to 6.

Aiello and Ferrucci were the outstanding stars for the "Kids" while J. Kolodziejski and Koszela were the shining lights for the Falcon Juniors.

Friday night the Kandy Kids will oppose the Manhattans of Ellwood City and the Wampum Indies will tie up with the Polish Falcons in a benefit game.

Kandy Kids		Falcons
White	F	Noga
Boone	F	Koszela
Aiello	C	J. Kolodziejski
Ferrucci	G	Dudek
McKim	G	A. Kolodziejski

Subs—Wampum: Roberts, Demark; Falcons. Buyny. Field Goals—Wampum: White 3, Boone 2, Aiello 5, Ferrucci 3, Demark 2; Falcons: Noga 2, Koszela 3, J. Kolodziejski 5, Dudek. Fouls—Wampum: White, 0 out of 1; Boone, 2 out of 4; Aiello, 0 out of 2; Demark, 1 out of 1. Falcons: Koszela, 1 out of 3; Dudek, 1 out of 1; A. Kolodziejski, 0 out of 1. Referee—J. Mahalic. Timekeeper—Cegielka. Scorer—Sturgeon.

GEM BLADES . . . a change for the best

Officer . . . *"Looks like your razor skidded today."*

Motorist . . . *"It's nothing to joke about. The way my blades run, I'm thinking of growing whiskers."*

Officer . . . *"You'd better change to the Gem, mister, and watch your shaving troubles speed away.*

When you get a bad shave, it's the blade's fault. When you get two bad shaves, it's your fault for giving a bad blade a second chance.

Change to the Gem. There's not a bad blade in a thousand—but there are scores of great shaves in every package. And remember the economy of *genuine* Gem Blades:—you get more shaves per blade.

FROM TEE to GREEN

By ROY GROVE
Central Press Sports Writer

It is a surprising fact that nine golfers out of ten know the rules of golf only on the surface.

Walter Hagen has attributed his success many times to his knowledge or the rules and his ability to translate and transpose them.

"A rule is a rule, and why not take advantage of it. It is to your disadvantage, isn't it?" That was Sir Walter's exclamation to the writer during the National open of 1923.

On this occasion Hagen's ball lay in disputable territory. Whether his ball was in what was to be considered a trap, or was just laying on the outside of the sand, made a "whale of a difference" with an approach of some 50 yards.

He held the classic up for some 20 minutes while the officials argued with him. The decision meant that Hagen would ground his club in taking his stance or he would not, and that took some deciding when the title meant one stroke by laying the ball dead to the pin.

Hagen took advantage of a ruling in his first year of the British Open.

His tee shot, on this occasion, lodged in an old rotted tree stump and embedded. He must play it as it lay, according to the rules, also it is ruled that he must play his own ball. There was nothing to identify the ball as Hagen's. It was buried that deep. He was granted permission to identify his own ball. He lifted the ball, and in doing so, took all the dirt with it that the law allowed. He said it was his ball and replaced it. The earth was very loose when he took his stance, and offered him an excellent chance to get out and to the green.

Strokes mean a great deal in working for an Open crown. This action of Hagen's should not be confused as unsportsmanlike, the business of the game must be taken into consideration when a professional makes the game his business.

Turner Makes High Score In Contest

Nonpariel Hunting And Rifle Club Has Interesting Competition

H. C. Turner made the high score in an interesting shoot held at the armory this week by the members of the Nonpariel Hunting and Rifle club.

Competition was keen and in turning in a score of 170 out of a possible 200, Turner did some first class shooting. His nearest competitor was L. McDermott with 162.

Twenty shots in all were made, five prone, five sitting, five kneeling and five standing. The club holds a shot every week and its members are showing some excellent marksmanship as a result of this week's competition.

The scores were as follows: H. C. Turner 170; L. McDermott 162; C. Rohrer 159, R. E. Shaw 154, W. L. Ashton 154, H. L. Bruno 149, E. R. Swogger 145, C. White 136, L. Drake 134, W. G. McKee 123, H. R. Nlain 120, L. L. Reed 118, W. R. McKee 116, C. B. Bowder 101.

Coaltown Five Takes Victory

The Coaltown regulars beat the Reducing Club 18 to 17 in a hard fought battle last night. The Old Timers who make up the Reducing Club tried hard to beat the youngsters, but fell one point shy. The same teams will play again on Friday night at 8 o'clock at the Coaltown floor, and the game should draw a large crowd.

Johnson and Blews led the attack for the Coaltown team, with Kemp and Murphy the stars for the losers.

The Coaltown team would like to book games with the following teams: Croton, Harlansburg, Mt. Jackson, Hillsville and others in the semi-pro class. For games call Manager Johnston at 4677-R after 6 p. m. any day.

The summary:

Coaltown 18.		Reducing C. 17.
Johnson	F	Murphy
Blews	F	R. Earl
J. Earl	C	M. Downing
Ward	G	Gibson
Downing	G	Kemp

Field goals—Johnson 3, Blews 5, Downing, Murphy 2, Gibson 2, Kemp 3. Fouls—Coaltown, 0 out of 3. Reducing Club—3 out of 6. Referee—Smith.

No reason to get excited because Babe Ruth gets $5,000 more a year than President Hoover. Hoover signed up for four years. Babe for only two.

China has 30,000 idols and America only one, but he's paid $80,000 a year.

Boosters Lose To Hub Club In Thrilling Game

Boosters Drop To Hubbard, Ohio, 29-27—Acmes Lose To Kandy Kids, Toddys Beat Wesley

The New Castle Boosters took another one on the nose last night from the Hubbard Hubs of Hubbard, O., in a feature game at the local "Y" floor. The final count was 29 to 27. It was one of the most exciting and thrilling games of the year at the local court.

The Toddy Five downed the Wesley M. E. team of the church league 26 to 24 in a preliminary game, and the Kandy Kids of Wampum socked the Acmes of New Castle 19 to 14 in another prelim battle.

In the first prelim the Acmes were not strong enough for the clever Kandy Kids of Wampum. The score at the half was 12 to 6 in favor of the Acmes, but the Wampum boys ran wild the final half to outscore the locals 13 to 2. McKim was the big gun for the Kandy Kids, with four buckets, while White and Ferrucci also played good basketball. For the Acmes the work of McLaughlin and Pollock featured.

Wesley Team Loses.

The Wesley team of the church league played the Toddy Five even the first half of their game 10-10, but fell by the wayside in the final half and dropped the verdict by two points. It was a real battle all the way, with Mottinger, W. Rech, Gibson, Lockley, Parker and Coen the big stars.

The end of the first half of the Booster-Hubbard bame found the teams on even footing at 18-18, but the locals lost steam in the final half and were bested by two points, 29 to 27. The playing of Kulich, Alexander and Lockley featured for the Boosters, with the work of Purucker and Shrader the best for the Hubbard team. It was the second time this year that the Hubbards have dropped the locals.

The summaries:

Wesley M. E. 24		Toddy's Five 26
Gibson	F	Nocera
Mottinger	F	Wallace
Hughes	C	Parker
W. Rech	G	Lockley
Critchlow	G	Coen

Subs—Fabian, Gennock.

Field goals—Gibson, Mottinger 4, W. Rech 4, Nocera, Parker 2, Lockley 5, Coen 3.

Fouls—Wesley 4 out of 8, Toddy's 4 out of 5.

Referee—Hood.

Acmes 14		Kandy Kids 19
McLaughlin	F	McKim
Pollock	F	White
Lutz	C	Aiello
Hodge	G	Ferrucci
Garvin	G	DeMark

Subs—Johns, Long.

Field goals—McLaughlin 4, Pollock 3, McKim 4, White 3.

Fouls—Acmes 0 out of 7, Kandy Kids 5 out of 12.

Referee—Brooks.

Boosters 27		Hubbard Hubs 29
Kulich	F	Purucker
Fraser	F	Rucker
Alexander	C	Weaver
Uhle	G	Shrader
Volesko	G	McFee

Subs—Lockley, Hammill, Weaver.

Field goals—Kulich 6, Alexander 2, Uhle, Lockley 2, Purucker 6, Hammill, Weaver, Shrader 3, McFee.

Fouls—Boosters 5 out of 9, Hubbard 5 out of 12.

Referee—Hood.

Jewelers To Play At Akron, Ohio, On Saturday Evening

Gerson Jewelers To Travel To Akron For Game With Fast Y. M. H. A. Team

The Gerson Jewelers basketball team of this city, sponsored by Jack Gerson, local well known jeweler, will make their longest trip of the season on Saturday night of this week, when they go to Akron to meet the fast Y. M. H. A. team at the Rubber City floor.

Last Saturday the Akron boys lost a tough luck battle to the Pittsburgh Y. M. H. A. team 34 to 27 and the Pittsburghers are rated as one of the fatest teams in the Smoky City. The locals look for a tough battle at Akron.

Coach Keith VanFossan has the boys in the best of shape for the impending game, and will try hard to bring back a victory Saturday night. Jack Gerson will personally escort the team to Akron, it was stated today by Manager Harry Davids. The Akron Y. M. H. A. team is composed of former college and high school stars.

Central Christians Trample Grovers 22-7

The Central Christians with Vago and Earl Bauman leading the attack, smothered the Grace M. E. church team of Grove City at Grove City 22 to 7, in a game played on Tuesday night.

The locals led at the half 14 to 4. The Grace M. E. team could not score effectively against the locals, making but three field goals. The Evans coached machine led the entire way.

The summary—

Grove City M. E. 7.		Cen. Christians 22
Bennett	F	Vago
Adams	F	Smith
Klink	C	E. Bauman
McIntyre	G	Cowmeadow
Dunn	G	Paulini

Subs.—A. Bauman. Field goals—Adams, Klink, McIntyre, Vago 3, E. Bauman 4, Cowmeadow, Paulini 2. Fouls—Grove City 1 out of 8. Christians—2 out of 8. Referee—Wells.

SCREEN-GRID *Leadership* *with* ATWATER KENT RADIO

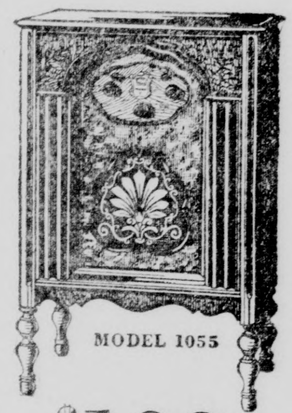

IT didn't take people long to find out that the Screen-Grid radio developed by Atwater Kent was a mile ahead of the field.

How they're buying it! For weeks they kept our stock cleaned out, while the great Atwater Kent factory doubled its production trying to catch up with the universal demand.

Right now we have Atwater Kents for immediate delivery. Can't tell how long this will be true, but it's your good fortune that it is true *now.*

What do you say to a real honest-to-goodness demonstration? That's the way to prove that what others have told you about Atwater Kent radio will be true in your own home!

Come in today—look—listen—see what *you* think!

Harlansburg Topped By Wesley M. E. Five

The Harlansburg Indies lost a tough basketball game the other evening 23 to 20 at the hands of the Wesley M. E. team of the New Castle Church league. The game was deadlocked at 20-20 at the end of the game and it took an extra-five minute period to decide the outcome.

The playing of W. Rech featured for the winners, this chap caging four baskets and a foul. Gibson and Fabian also played good basketball for the Wesley team. The outstanding star for Harlansburg was Jack Llewellyn who made seven baskets and two fouls for sixteen of his team's points. Cunningham and McCracken also played well for Harlansburg. Cunningham is a former New Castle High star gridder. The game was interesting throughout the entire five periods, and it was anybody's game until the whistle ended the affair.

Babe Ruth has his picture taken wearing golf knickers, a bathing shirt and tennis shoes probably to prove he's a ball player.

Maybe the reason Herr Schmeling is remaining in Germany so long is because he's waiting to be elected heavyweight champion.

Statement Of Clearing House

(International News Service)

NEW YORK, March 13.—Clearing house statement:

Exchanges 1,195,000,000.

Balance 168,000,000.

Federal reserve bank balance 153,000,000.

This much can be said for a letter sent by air mail: If it misses connections, it certainly misses them.—The Detroit News.

NEW YORK STOCKS

Moderate Rally In Stock Market Today

(International News Service)

NEW YORK, March 13.—Oil stocks and specialties were the leaders in a moderate rally on the big board today. A reduction in bankers acceptance rates and in the buying rate for acceptances by the New York Reserve bank strongly suggested a cut in the rediscount rate to 3½ per cent after the close of the market.

Industrial Alcohol moved up to above 109 and Simmons to 57. Electric Power and Light topped 77. Standard of New Jersey was up 1¼ at 65¼ in the lead of the oils. Sinclair gained a point at 27¼ and fractional gains were scored by Atlantic Refining, Texas Corporation etc.

Montgomery Ward was down fractionally at 44; Columbia Gas 89¾; Standard Gas down 1¾ at 113¼, Anaconda down 1½ at 71½ and American Smelting down 2 at 71½.

Call money renewed at 4 per cent. Cotton sold off 4 to 14 points. Wheat was fractionally higher.

Y. M. C. A. NOTES

Induction Service

Three new members, Earl Brookover, Joe McGaffic and George Miller, were inducted into the membership of the New Castle Phalanx Fraternity last night when the regular weekly meeting was held. Primus Alfred Owens and Mentor Jack Boyles were in charge.

Employed Group

Linden Bruce will meet with his junior employed boys at the Y tonight at 8 o'clock.

Decorations Up

Part of the Y. M. C. A. is gaily decorated today to announce the coming of the annual Y circus, for which March 28 and 29 have ben set as dates.

Feed For Pioneers

Pioneer club members will meet Saturday morning, with General Secretary R. L. Meermans in charge. A feed will follow the regular meeting. According to Mr. Meermans, Robert Mercer was the first member of the club to attain the required 100 points necessary to win a coveted Y triangle emblem.

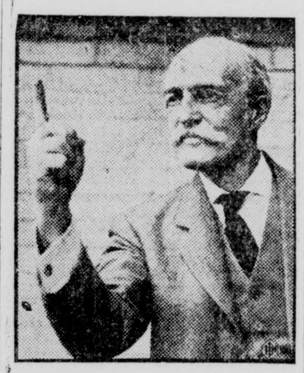

Arrange for Contest

The committee of the Queen Esther class and the Kings Son class of the Third United Presbyterian church, met at the home of Mrs. Esther Hook, of Beckford street, Wednesday afternoon.

Various plans and rules were made in regard to the contest which will start Sunday morning, March 16 and will continue until April 27. The losing side will banquet the winning side at a 7 o'clock dinner. The committee from the Queen Esther class taught by Mrs. Esther Hook were Mrs. Virginia Rinker, Mrs. Mildred Kraft, Miss Marjorie Watkins, and Miss Josephine Rose.

The committee from the Kings Son class which is taught by John Ulrich, were James Fox, Edward McKissick, and Carl Ulrich and Ed. Shiffler.

Ex-Governor Plans Re-election Fight

Former Governor Gifford Pinchot of Pennsylvania as he officially took the field in his campaign for re-election as the State's chief executive, in an address to newspapermen at Philadelphia. The former Governor declared he is out to break up the big trusts, but avoided committing himself on the prohibition wrangle.

Senator Joseph Grundy Takes "Senate Spanking" At Hands Of Tariff Voters

MASTER LOBBYIST FINALLY BEATEN

Setback Given Pennsylvanian Amuses Senate; May Win In Conference

By WILLIAM K. HUTCHINSON
International News Service Staff Correspondent

WASHINGTON, March 13.—Senator Joseph R. Grundy (R) of Penna., so-called "master mind" of the new billion-dollar high tariff alliance, to all appearances was a wiser but sadder man today following the senate's action in refusing increased protection for the pig-iron and aluminum industries,—two industries in which Pennsylvania is vitally interested.

The one-time "grand-daddy of all lobbyists," credited with engineering the recent tariff upsets in the senate, apparently was able to win increased protection for other industries, but he failed, and failed miserably when it came to the two industries closest to his state's industrial welfare. He could help California or Maine, Michigan or Alabama, Utah or New Jersey, on cotton, sugar, cement and glass, but he couldn't help Pennsylvania on pig-iron and aluminum.

"Tariff Spanking"

Having given Grundy a "tariff spanking," the Democratic-Insurgent coalition saw brighter prospects ahead after ten days of successive defeats at the hands of the billion-dollar alliance. The coalition leaders gained hope of obtaining another reversal on the sugar tariff, with a vote scheduled for today on the Nye motion to reconsider the $2 rate against Cuban imports, levied last week.

The Grundy setback amused the Senate and attracted far more interest than the sugar war. The Pennsylvanian has been looked upon as the "major domo" who arranged the negotiations that resulted in the Senate reversing itself and increasing tariff protection on sugar, cement, glass and a number of less important items during the fights, while coalition leaders charged votes were being bartered and traded. The Senate kept an eye on the pig iron and aluminum schedules.

Mellons Cited

Before Grundy entered the Senate Senator David A. Reed (R), of Pennsylvania, sponsored increased rates for both items. Reed, now in Europe, led the fights on the floor of the Senate, only to be defeated in the end by the coalition. At the time there were gentle reminders that Andrew W. Mellon, secretary of the treasurer and political czar of Pennsylvania, had a tremendous interest in aluminum. It was even charged that the Mellon family held an absolute monopoly over the aluminum business.

Thus, when the Senate began changing its mind and raising industrial rates, it was generally anticipated that two of the most desperate battles would be fought over pig iron and aluminum—with Grundy leading the fight for higher rates.

To the senate's amazement, nothing of the sort happened. Grundy merely suggested the higher rates, smashing attacks were delivered upon the proposal by coalition leaders and the suggested increases rejected. It occured so smoothly, some senators were unkind enough to suggest Grundy hadn't really tried.

Few Rates Retained

On aluminum, crude, the senate retained a rate of two cents a pound; on aluminum coils and bars, etc., 3½ cents a pound; on aluminum utensils, the important item, 25 percent advalorem. The latter rate was a reduction from the house rate of 55 advalorem, showing how badly Grundy was defeated. There wasn't even a record roll-call on aluminum. On pig-iron, the senate voted 42 to 31 to retain the rate of 75 cents a ton, instead of a $1.50 rate suggested by Grundy.

Friends of Grundy didn't view these defeats seriously. They pointed out that "Uncle Joe" had an "ace in the hole" in that ultimate rates on aluminum and pig-iron must be fixed in conference and the house previously executive, voted the rates desired by the Pennsylvanian. There was, of course, a chance that Grundy could win in conference but before the higher rates become effective, they must be approved by the senate and the senate which has twice rejected them.

Justice of Peace

Mrs. Margaret R. Gooch.

Mrs. Margaret R. Gooch, of Lexington, N. C., has been appointed justice of the peace by Governor Gardner. Mrs. Gooch is a widow and a kinswoman of Lady Nancy Astor, British member of parliament.

Young Plan Is Signed Today By Von Hindenburg

Young Reparations Plan For Germany Is Signed By President Von Hindenburg

POLISH TREATY ALSO SIGNED

(International News Service)

BERLIN, March 13—President Von Hindenburg today signed the Young plan.

The President's signature, making the plan a law, followed a Reichtag resolution declaring the law urgent and the federal council's approval of the resolution.

The Young plan, drafted by international experts at Paris last year was approved by representatives of Germany and the various creditor powers at the Hague last January. It replaces the Dawes plan which was in effect from Sept. 1, 1924 until Sept. 1, 1929.

The Young plan is retroactihe, taking effect from last September.

The President deferred signing of the Polish liquidation treaty which was passed yesterday by the Reichtag by a vote of 236 to 217. He stated that he desired an examination "to determine whether the simple majority of which the agreement was passed was sufficient to make it constitutional."

The decision to delay signing of the Polish treaty, was a distinct surprise to members of the Reichtag and government leaders, especially in view of foreign minister Curtius' declaration that this agreement was an integral and important part of the Young plan setlement.

Penna-Bo Plans For Anniversary

Penna-Bo Lodge Will Observe Eighteenth Anniversary In April

Penna-Bo lodge No. 326 to Brotherhood of Locomotive Firemen and Enginemen had their lodge meeting on Wednesday afternoon in the Woodman hall. There was a good attendance of members and during the meeting plans were made to observe the 18th anniversary of the organizing of this lodge with a tureen dinner preceding the lodge meeting on Wednesday, April 9.

In addition to planning this dinner the routine meeting was conducted. A social hour followed the meeting and refreshments were served by a committee comprised of Mrs. E. M. Druschel, Mrs. Joseph Ridley and Mrs. W. C. Powers.

LADIES AID SOCIETY

The Ladies Aid society of the Madison Avenue Christian church met on Wednesday afternoon with Mrs. Harry Boyd of Crawford avenue. A good attendance of members was present. During the afternoon a short business meeting was conducted and business of the society transacted.

The rest of the afternoon was spent socially in chat. At a seasonable hour delicious refreshments were served by the associate hostesses, Mrs. Boyd, Mrs. William Crane and Mrs. C. J. Rafferty.

MABEL WILSON LODGE

Mabel Wilson lodge to the B. of R. T. will join with 16 auxiliaries to B. of R. T. of the Pittsburgh district in a union lodge meeting to be held on March 27. The union meeting will be held in the Elks club in Pittsburgh.

STATIONS OF THE CROSS

The second of the Friday evening services of the Lenten season will be conducted in St. Margaret's church this week. Each Friday evening during the Lenten season there will be Stations of the Cross.

S. C. W. POSTPONED

The meeting of the S. C. W. Bible class of the Mahoning Presbyterian church scheduled for this evening with Mrs. Lewis Wettich has been postponed until next month.

CLASS MEETING

The Sabbath school class of the Mahoning Presbyterian church taught by Miss Evelyn Marshall will meet Friday evening at the home of Cora Koltrider of Ashland avenue.

C. H. U. M. Members Have Tureen Dinner

Dinner Event In Cline Home—Other News Notes Of Seventh Ward

Membesr of the C. H. U. M. club had a tureen dinner Wednesday evening in the home of Mrs. H. L. Cline on Lafayette street. The dinner was at 6:30. The table was attractive in spring decorations. A bowl of tulips centered the table and favors and appointments were carried out in pink and green. A sumptuous menu was enjoyed.

The after dinner hours were spent in playing 500. Prizes were won by Mrs. R. L. Stewart and Mrs. M. R. Olmstead.

In two weeks the club will be entertained by Mrs. Thomas Leichty of W. Clayton street.

GIVES SIXTH TALK

B. C. Stanley gave the sixth talk of a series on The Ten Commandments at the Prayer service Wednesday evening in the Mahoning M. E. church. There remain five more talks on this subject to be given by Mr. Stanley. They are proving interesting.

QUEEN ESTHERS

The Queen Esther Girls will meet Friday evening at the home of Mrs. Harry Wylie of West Madison avenue.

FIRST CLASS FRIDAY

Rev. W. W. Sniff will conduct his first pre-Easter class of a series Friday after school in the Madison Avenue Christian church. The past several years Mr. Sniff has conducted a series of classes just prior to Easter. The classes are for children and young people of the Christian church and other denominations. There is to be a series of six classes at which the Life of Christ will be the study. The class will meet the next six succeeding Friday afternoons.

TO GATHER OLD PAPER

Beginning next week pupils of Mahoning school will begin gathering up old paper and magazines. Pupils of the school will canvass the homes in the ward for old paper. This will be taken to the school and will then be sold and proceeds realized will go toward purchasing books for the school library. The groups of the school will each try to bring in the largest number of pounds of paper. The contest is on for one week.

ST. PATRICK'S DECORATIONS

St. Patrick's suggestions decorate some of the class rooms in Mahoning school. You can always tell what special day is near by the decorations in class rooms.

Mothers, Mix This At Home for a Bad Cough

You'll be pleasantly surprised when you make up this simple home mixture and try it for a distressing cough or chest cold. It takes but a moment to mix and costs little, but it can be depended upon to give quick and lasting relief.

Get 2½ ounces of Pinex from any druggist. Pour this into a pint bottle; then fill it with plain granulated sugar syrup or strained honey. The full pint thus made costs no more than a small bottle of ready-made medicine, yet it is much more effective. It is pure, keeps perfectly and children love its pleasant taste.

This simple remedy has a remarkable three-fold action. It goes right to the seat of trouble, loosens the germ-laden phlegm, and soothes away the inflammation. Part of the medicine is absorbed into the blood, where it acts directly upon the bronchial tubes and thus helps inwardly to throw off the whole trouble with surprising ease.

Pinex is a highly concentrated compound of genuine Norway Pine, containing the active agent of creosote, in a refined, palatable form, and known as one of the greatest healing agents for severe coughs, chest colds and bronchial troubles.

Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.

Reception Will Be Given For Missionary

Mrs. Carrie Donaldson Will Speak In New Wilmington And Volant Sunday

The various missionary societies of the First Presbyterian church have planned an informal reception in the church Friday at 3 o'clock in honor of Mrs. Carrie Donaldson of Albuquerque, N. M., who is one of the outstanding workers of the board.

An invitation has been extended to all women of the other churches of the city to take part in this reception and those interested in the missionary work will be sure to hear something interesting in the words of Mrs. Donaldson.

The committee in charge of arrangements includes, Mrs. A. B. Fankhouser, chairman, Mrs. J. Norman Martin, Mrs. D. A. Moore, Mrs. S. E. McCleary, Mrs. M. L. Porter, Mrs. J. G. McConaghy and Miss Ruth Sample.

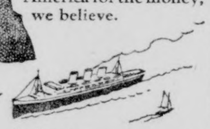

While in the city Mrs. Donaldson will be entertained in the home of Mrs. Howard Magill, Garfield avenue.

Sunday at the morning services in the New Wilmington Presbyterian church Mrs. Donaldson will tell of her work and at 3 p. m. Sunday she will speak in the Volant Presbyterian church.

Death Calls Two Members Of Erie Conference

The Women's Home society of the Erie conference of the Methodist Episcopal church has lost two of its most prominent members and diligent workers within the past week.

Mrs. J. H. Boyles of Emlenton, Pa., secretary of the hospital supplies for 25 years died at her home last week and today the conference is informed of the death of Mrs. N. D. DeForeest of Sharon, Pa. She has held office in the conference for many years and any good work that was attempted she could be counted on for more than her share. Funeral services will be held from her residence Saturday at 2 p. m.

Vets Hold Open House Program

Members of the Harry L. McBride Post, Veterans of Foreign Wars, held an open house program in the Legion Home Association building, last evening, which was largely attended.

Bingo, 500, and bridge were played during the evening and during the course of the program, a radio was given away, which went to Frank Cresce of 208 South Liberty street.

There was a large crowd present and a most enjoyable evening was spent by those in attendance.

INJURES HAND

Charles Albert Nail, of 223½ Clayton street, is unable to work at present because of an injury which he sustained to his hand, while at work. He injured his hand on Wednesday.

Bloody Clashes In India Reported As Result Of Uprising

Mahatma Gandhi's "March To Sea" In Protest Of British Rule Is Widening

(International News Service)

LONDON, March 13.—Numerous arrests and bloody clashes in various parts of India today followed in the wake of Mahatma Gandhi's sensation "march to the sea" in connection with his campaign of civil disobedience against British rule.

The most sensational arrest was that of Mayor Sengupta of Calcutta, reported in a Central News dispatch from that city. He was taken into custody on charges of sedition.

At Lahore, according to an Exchange Telegraph message, the well-known extremist leader Sherjung was arrested on similar charges. He is alleged to have revealed the existence of a widespraed conspiracy of political murders aimed at the overthrow of British rule in India.

As the result of discovery of this plot, governmental troops and police took stringent measures to prevent violence, and a systematic round-up of suspected characters and political extremists was begun.

A serious clash occurred at the Byculia station near Bombay, when scores of railroad strikers attempted to storm the station they were met by a strong detachment of police which routed the rioters after scores of the latter had been injured.

Meanwhile Gandhi, accompanied by a hundred of his most fervent supporters, planned to continue his march to the sea-coast from Aslali, where he halted to augment his force by new recruits. Urging his followers to "be ready to sacrifice your lives," he is marching to the coast to manufacture sale in direct defiance of British law in an effort to compel abandonment of the salt tax, chief source of British revenue in India.

Triple Action ends coughs FAST

Home from school with a bad cough

—Back in school the next day

"Will I ever forget the fright I had when Jane came home from school coughing, coughing—one cough right after the other. I put her to bed immediately and gave her a teaspoonful of Smith Brothers Cough Syrup every hour. "That night my little Jane slept peacefully. In the morning she smiled again—well as ever. I will be grateful all my life to Smith Brothers Cough Syrup .."—Mrs. A. Robeson.

Smith Brothers *Triple Action* Cough Syrup works so efficiently because 1. It soothes. 2. Is mildly laxative. 3. Clears air passages. Children *like* the flavor.

Made by the makers of Smith Brothers' Cough Drops Famous since 1847.

SMITH BROTHERS
Triple Action
COUGH SYRUP

Tax Card Shower Early Next Month

Taxpayers of New Castle will get their "April shower" early next month when thousands of tax cards showing what amounts are to be paid to the city for 1930 will be mailed by City Treasurer Louis McClung.

There is a one percent discount in April on city tax, face payment during May and June and city taxes become delinquent in July and one percent will be added.

The school tax will carry a one percent discount up to August and face payment can be made during September but after October 1 a penalty of five percent will be added.

City Police Receipts For February $595.50

Police fines and forfeits netted by the city during February amounted to $595.50, according to an audit compiled by Phil Greer, controller. The receipts for the department, however, total $659.60, as a fee inspection charge was made, dance permits granted, $3.10 came from miscellaneous sources and $15 was paid into the department as the result of a fire hydrant being broken.

Highland Class Plans Social Time

Members of the Men's Bible class of the Highland U. P. church are planning an evening of entertainment for next Monday evening, March 17, at 8 o'clock in the church.

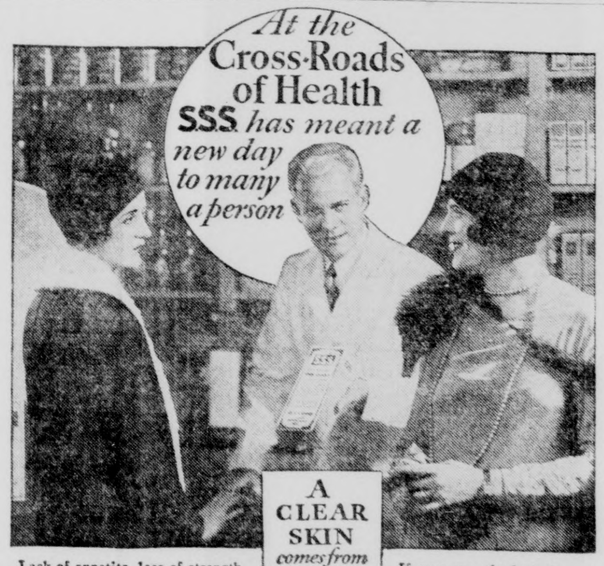

The committee in charge of the event has planned a program which will be entirely devoid of speeches, and will consist of some fine entertainment.

Each member of the class has been asked to bring a guest with him and a pleasant evening is being looked forward to. Lunch will be served at the conclusion of the program of the evening.

EMERGENCY CLUB MEMBERS GATHER

The New Castle Hospital Emergency club had a splendid meeting Wednesday when they gathered at the hospital for their usual social time. The hosesses for the day were Mrs. P. Conway and Mrs. Anna Dagnon.

The afternoon hours were spent in sewing on linens. Prizes were awarded to Mrs. Anna Dagnon and Mrs. Edward Vandergrift, Sr. April 9 marks the date of the next meeting, with Mrs. James Eagan and Mrs. D. E. Sullivan as associate hostesses.

Lack of appetite, loss of strength, skin eruptions, that "tired feeling" and other human ills may be due to a lack of red-cells in your blood.

If you are tired—lack pep—if your skin is not clear—if your appetite is "gone"—you owe it to yourself and friends to try S.S.S.

"My despair was so great I could have cried. The good cheer and merry happiness of others only mocked at my condition. I had begun to wonder why life could be so cruel. No appetite. No strength. Skin blemishes always embarrassed me. Aches and pains coursed through my body. I wanted to restore my health and live. What was I to do? . . . happily the day came and I found the right road to Health when a friend recommended S.S.S."

You may be one of the thousands with a low blood count—to this may be attributed "run-down" systems, skin troubles, and even more serious ailments. It is very dangerous to let the blood count remain below normal.

With an increase in the red-blood-cells you will be on the right road to Health. This is Nature's way to body power and to clear skin. Naturally, with your strength restored, it is easier to fight disease and infection; to enjoy your food and to sleep soundly. When firm flesh takes the place of that which was once flabby, you will feel strong—your nerves will become steady—more happiness and friends will follow.

S.S.S. You owe it to yourself and friends to give S.S.S. a trial. It helps Nature build rich, red blood. Thousands of users have testified to its benefits in unsolicited letters of gratitude. All drug stores sell S.S.S. in two sizes. Ask for the larger size. It is more economical. © S.S.S. Co.

BOAST NOW ABOUT PROHIBITION POLL, WILL WARNS WETS

(Special To The News)

BEVERLY HILLS, Cal., March 14.—The wet papers better get their editorials in this week.

WILL ROGERS

I see this morning by the "American Ballot Box Weekly" that the national poll from just a few states shows the "repeal of the amendment" leads by 38,000. Thirty-one thousand of this is due to New York City and the other to Hoboken, New Jersey and Chicago.

But boy, wait till the returns from America start coming in.

Yours,

WILL.

PA NEWC OBSERVES

On the bill board of the Y. W. C. A. there is a poster which certainly is a good suggestion. The poster is headed "Welcome, friend, to New Castle, Penna." Then, there is this paragraph—"I live in New Castle because I like it. Because it is a good town, with rich future prospects. Because it has fine churches, schools and people. Because work conditions are excellent. In short, I am proud and happy to be a resident of New Castle, Pennsylvania."

Sol Davis told us of a very interesting sight Thursday. There was a black cat and her two coal black kittens on one side of North street and the mother very anxious to get across to the other side. Traffic was rather heavy but the wise old mother took one over first, that is, guided it over in safety. Then her problem was to keep the one taken over from coming back while she took the other. She finally succeeded. There was one thing she did, however, that might be a lesson to some people, whenever a car came she always piloted her offspring in a hurry back to the starting point instead of going on across the street.

The birds are coming in flocks now it seems, a half dozen robins were holding a jamboree in Pa Newc's back yard this morning. Singing for their breakfast, I guess.

A lovely red bird was singing in a tree in front of Pa Newc's last evening. Several red birds have been reported about town. Seems as if the birds know it will soon be warm here.

There was a beautiful sunrise this morning—looked a lot like spring had arrived even though th atmosphere was cold.

Just take a squint at Will Rogers' philosophy today, before you get too enthusiastic about this wet and dry poll business.

A rather peculiar incident happened in front of The News last night. Two young ladies riding in a large car were looking for parking space on Mercer street. Not finding space the two stepped from the car and attempted to push a car to make room for their vehicle. They found the car locked. Finding this futile they got in the car again and backed into another car and in this way managed to find a parking space until they came back. Women are certainly clever these days.

Pa Newc observed a chic looking young lady sitting in a car bearing a

VERDICT IN GRIMM CASE; FIRST DEGREE; LIFE IMPRISONMENT

Jury Brings In Verdict At 12:30 O'Clock This Morning

TOOK CASE ABOUT 2:45 P. M. THURSDAY

Three Other Youths Face Same Charge As That Against Grimm

"Guilty of murder in the first degree with life imprisonment," was the verdict returned by the jury in the case of William Grimm, charged with the murder of Clark Rea, Neshannock township bachelor. The verdict was returned in Court Room No. 2 shortly after midnight this morning.

The case was given to the jury about 2:45 Thursday afternoon after a charge by Judge Chambers in which he pointed out the law relative to murders committed during the commission of a robbery. Judge Chambers' charge was very clear, particularly as to the point, that all persons concerned in a robbery, where a murder is committed, are equally guilty.

All Equally Guilty

It does not matter under the law, whether the person on trial actually fired the shot that causes death, he pointed out. The mere fact that he is with others in the commission of a robbery, places the responsibility upon him for all that happens during that robbery.

In the case tried the testimony for the commonwealth and the testimony of the defendant himself, showed that the murder was committed during a robbery.

From reports heard this morning it appears that the jury was unanimous on the point of first degree murder, the only difference of opinion, being over the life imprisonment or the death penalty.

Ten For Life

It had been learned that after the jury retired the case was discussed for a short time and then a ballot taken. On the first ballot it is reported there were ten for murder

Sheriff Says Error Made In Printing Of Juror's Cards

Through a typographical error, the jury cards sent out by Frank Johnston for the jurors of March 17th, were printed as March 10. These were yellow cards. Immediately upon finding the error the sheriff sent out a second set of cards property printed, these being dark blue. Jurors who have been sent two cards will understand why the second set.

Hoover Is Told Tariff Work Is About Finished

Leaders Inform President Hoover Tariff Bill Should Be Enacted By End Of Next Week

Insurgent-Coalition Ready To Admit Defeat In Jousts With Grundy Alliance

(International News Service)

WASHINGTON, March 14.—Battered and groggy from repeated impacts of the new Grundy high tariff alliance the remains of the Insurgent-Coalition in the senate prepared today for their last stand—an attempt to reduce the duties on hides and leather.

So confident is the new alliance that Senators Watson of Indiana, Republican floor leader, and McNary (R) of Oregon, assistant leader, last night informed President Hoover that the long pending bill would be passed by the end of next week.

Machine Rides High

Even the most optimistic of the old Insurgent-coalition see no chance to stop the Grundy machine in the hides and leather battle.

Yesterday was one series of defeats for the old Insurgent-Coalition, starting with sugar and cement and going down the line to rayon, the last measure voted upon. An attempt to reduce the duty on rayon from 45 to 40 cents a pound was lost by a 38 to 30 vote.

Prior to the rayon vote the Grundy machine had voted 32 to 29 to place a 15 per cent. ad valorem on all cotton cloth containing more than 15 per cent wool under the higher wool tariffs. This had been bitterly fought by Senator Walsh (D) of Massachusetts.

Although Grundy's two amendments—pig iron and aluminum—were beaten on the floor he steam rollered through all the others that he was interested in. Administration and coaltion leaders alike pointed out that the Pennsylvania still had an ace in the hole for when the bill goes to conference he is more than likely to see his amendments inserted.

COUNCIL BUYS TRAFFIC LIGHT

Council convened today in city hall and purchased a center suspended type of light which will be installed at East Washington street and Croton avenue. Council believes the traffic situation will be solved by the adoption of the light, which will cost $640. Traffic police stationed there will be removed.

The light will operate as follows: When green shows and allows traffic east, red will stop traffic west. When the west green flashes traffic east will be checked. Turns into Croton avenue will be made on the green light.

The light will be suspended in the center of East Washington street.

By ROBERT S. THORNBURGH
International News Service Staff Correspondent

WASHINGTON, March 14.—American taxpayers have until Saturday midnight to get their returns on 1929 incomes into the hands of internal revenue collectors or in the mail.

Treasury experts today were relying on an increase of more than ten percent in the corporation tax to offset a possible loss in individual taxes resulting from the collapse of speculative stock values.

Information obtained indicated that corporations had an exceedingly prosperous year in 1929, despite the recession in the closing months, and exceeded income records of the year before.

Hospital Benefit Draws Large Crowd Excellent Program

Great Cathedral Filled For Minstrel And Revue

Expect Another Capacity "House" At Performance This Evening

Snappy costumes, witty jokes, new songs, and an entirely new setting, combined with a bevy of pretty and entrancing girls in the choruses, combined to make the annual Minstrel and Revue for the Jameson Memorial hospital, an event which will be long remembered by the capacity audience which was in attendance at the opening production last night.

From the opening chorus by the minstrel men to the grand finale, the show was presented with a precision which would have done credit to a professional organization. It might well be termed that because the great majority of those who are

Close To Million In Damage By Fire At Everett, Mass.

Fourteen Buildings Of Merrimac Chemical Company Levelled To Ground By Flames

(International News Service)

EVERETT, Mass., March 14.—Fanned by a high northwest wind, flames swept through a section of the plant of the Merrimac Chemical company in South Everett today.

Fourteen buildings of the plan were levelled by the onrush of flames Twelve firemen were overcome. Fifty others suffered from inhaling sulphur fumes. More than 200 men, women and children residents of the neighborhood were driven to the street. Fifty trolley cars of the Boston Elevated railway were destroyed.

The loss was estimated at between $600,000 and $1,000,000.

(International News Service)

WASHINGTON, March 14.—The Pennsylvania railroad today asked the interstate commerce commission for authority to issue and sell $60,000,000 of 40-year 4½ per cent gold debenture bonds.

NEWS SPECIAL EDITIONS

As announced at the start, The News is publishing special editions containing the complete evidence presented at the trial of Irene Schroeder at the conclusion of each session.

The first morning edition was published today at 8 o'clock, giving complete details of last night's court procedure. The first night session was held Thursday.

The two o'clock edition contains the morning session in full, the six o'clock edition contains the afternoon session complete, and the 8 o'clock edition in the morning, issued when there is a night session, contains that session complete.

BE SURE YOU GET THE NEWS!

JURY GETS TESTIMONY ON HOW BRADY PAUL WAS SHOT BY WOMAN

Eye-Witnesses In Accord As To Fact That Woman Fired Shot That Struck Down State Highway Officer—Details Of Gun Battle Graphically Portrayed

Link by link, the commonwealth's chain of evidence against Irene Schroeder for the murder of Corporal Brady Paul on December 27, 1929, is being forged, and as each link is added to the lengthening chain the certainty of guilt seems more and more apparent.

Thursday night and this morning's sessions in Court Room No. 1, were perhaps the most vital portions of the commonwealth's case against the Trigger Blonde. By six eye witnesses the commonwealth showed that Corporal Brady Paul met his death at the hands of a woman, and this woman was identified as Irene Schroeder.

At the opening of court, the commonwealth recalled Mrs. Eva Baldwin and Ralph Newingham for minor additions to their testimony. Then more of the kind of testimony that is expected to secure meting out of the extreme penalty to the Gun Girl. Raymond Baldwin, fourteen year old son of Mrs. Eva Baldwin told of seeing the woman fire the shot, saw Paul fall, saw a man kick Ernest Moore out of the road of the automobile, and then saw the car drive away.

Mrs. Martha Williams

Mrs. Martha Williams, a neighbor of the Baldwin's told of being at her window when the "death car" was stopped, of watching the officers stop automobiles, of seeing a man and a woman get out and of hearing a shot and seeing smoke issue from the woman's hand.

George Book was the last witness of the morning session. He told of driving his truck towards New Castle and stopping in front of the Williams home shortly after the noon hour. He described the shooting as he saw it and like Mrs. Williams, "saw the smoke coming from the woman's hand."

Repeated assaults of the defense upon cross examination failed to shake the testimony of the eye witnesses in any material point. Back and forth the defense attorneys took the witnesses over their story, and at the end the salient feature stood out clearly, a woman shot Brady Paul, and that woman was identified as Irene Schroeder.

Still Stoic

Her usual stoicism marked the blond this morning as she sat in court. One might almost imagine her a modern Galatea as she sat there, unmoved, expressionless, silent, listening to the testimony in as detached a manner as the most casual spectator. That same iron nerve which carried her across a nation, shooting it out with cops has not yet deserted her and the slight indisposition of two days ago has passed. She is still garbed in the lace trimmed black dress, with the heavy black coat. The spring straw hat has been replaced by a chic black cloche hat which sets down on her head much like a headgear on a football center's head.

Apparently Attorney Charles J. Margiotti, special counsel for the commonwealth is confident of the outcome for on several occasions he refused to quibble over the admissability of evidence and withdrew the question at issue. With as much haste as seems expedient he puts the witnesses through their examination and by tonight that part of the testimony which deals with the actual shooting of Brady Paul will be in.

Other Witnesses

This afternoon it is expected that Howard Kelley, the undertaker who took Paul to the hospital, Mrs. John A. Crowl who was with him in the operating room when he died and several other witnesses who assisted in the taking of Paul to the hospital, will be heard.

The next step will probably be the testimony of Ray Horton and Elsie Nickum from whom the bandits stole an automobile after the death of Paul. Then the testimony of witnesses who have knowledge of what happened between New Castle, Wheeling, and Parkersburg, then St. Louis, Mo., and then Phoenix, Arizona.

The testimony taken this morning follows:

MORNING SESSION

Ernest C. Moore was recalled to the stand at the opening of court. He identified a picture of Brady Paul Commonwealth offers in evidence a picture of Brady Paul.

Mrs. Eva Baldwin was recalled. Her

Women To Keep America Dry

Raymond Robins Says Women Will Keep 18th Amendment Intact

MAJOR PARTIES ARE DRY OF NECESSITY

International News Service Staff Correspondent

WASHINGTON, March 14.— Men put the 18th amendment into the constitution and women will keep it there, Col. Raymond Robins, social economist, declared today before the house judiciary committee when he appeared as one of the dry witnesses to refute the mountain of testimony concerning prohibition's failure already laid before the committee by the wets.

"Arithmetic is on our side," Robins said. "If men put the 18th amendment into the constitution, women will keep it there. Enactment of the 19th amendment (the Woman Suffrage amendment) assures the future of prohibition.

Prohibition To Stay

Both major parties are dry, he said, "because they dare not be otherwise."

He predicted that President Hoover "will win every appeal to the country on the prohibition issue."

Prohibition was brought about as a moral advanture of America in "seek-

Davis Ready To Announce

Expect Secretary Of Labor To Formally Enter Race For Senate

PECULIAR BATTLE COMING IN STATE

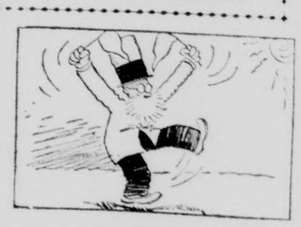

By GEORGE R. HOLMES
International News Service Staff Correspondent

WASHINGTON, March 14.—James J. Davis, who has gratified his ambition to serve as Secretary of Labor in the cabinets of three presidents, will formally announce his candidacy for the senate from Pennsylvania within the next 48 hours.

With the backing of the powerful and very wet Vare machine in Philadelphia, Davis enters the list against Senator Joseph R. Grundy, who is supported by the powerful Mellon interests. Thus, with ex-governor Gifford Pinchot having thrown his hat into the ring as a candidate for Gov-

(Continued On Page Two)

There's a set of clubs in the window case, with shafts that are made of steel, and I'm wondering much how those clubs would act, and just how those shafts would feel. For I'm getting a yen for the open fields, where the wild, wild golf hounds run. I want to get out for another chance, at making a hole in one. I want to get out on a wind swept knob, where the view shows a far away green, and a flock of caddies with loaded bags, ah me a delectable scene. There's a set of clubs in the window case, they're for sale if you want to pay, what the merchant asks for those works of art, it's bright, forty-six today.

SERVICE MEN PUT TO WORK

Legion Employment Bureau Is Accomplishing Some Excellent Results

At the American Legion Employment Bureau, Room 203 Greer Building, E. T. McKee, supervisor in charge, stated this morning that a number of former service men who have been out of work, have been put back to work through the efforts of the bureau.

Thursday one was placed as a truck driver and today one was placed on the railroad.

There is however a much greater demand than can be filled and people and concerns are being called up and asked to assist in the unemployment problem of ex-service men and members of their families and the public is urged to co-operate in every way possible.

Residents of the city are urged to remember that the Legion Bureau can supply their needs along house cleaning workers, in fact along any kind of handiwork that may be desired for an extended period of time or for a day or a part of a day.

Where women members of the families of former service men desire to help out the unemployed head of the home, they too may register at the bureau and every effort will be made to get them employment.

Those having employment for persons in any line of work would be conferring a favor to the American Legion by calling 3216.

Brotherhood To Hear Good Speaker

Dr. Clarence Allen Of Erie Will Address Men Of Croton District Tonight

Members of the Second Mile Brotherhood of the Croton M. E. church are looking forward with expectancy to the appearance of Dr. Clarence E. Allen, pastor of the First M. E. church of Erie, at their monthly dinner meeting in the church this evening.

Dr. Allen is one of the outstanding ministers in the Erie Conference of the Methodist Episcopal church and will have a message of interest to every man in the community.

The women of the church will serve dinner promptly at 6:30, followed by the program of the evening. A large attendance of men from the district is expected present.

Scout Chief Leaves After Conference

Major Roy F. Seymour, regional Boy Scout director for Region Three, who conferred with local Boy Scout leaders at a meeting of the executive council and county board last night relative to important council business, left the city for Philadelphia this morning.

Mr. Seymour's headquarters are located in that city.

CAPITOL—"Show of Shows" with 100 noted ctars and 1000 beauties. All talking, singing and dancing. Gorgeous musical extravaganza.

PA NEWC OBSERVES

(Continued From Page One)

Virginia license near the corner of Mill and Washington streets and she was smoking a cigaret.

Some local people are wondering if the prohibition poll being conducted by a certain magazine is on the up-and-up as it claims. They have been regular subscribers for a good many years and have not received a ballot.

Only 17 young women in the senior high school are interested enough in a coure in home making to take the study, it is revealed. Girls nowadays seem to think it is no use when can openers are so cheap.

Pa Newc observes plenty of loose newspapers lying about the streets, having been blown off people's front porches. They are placed there unsolicited by some out-of-town papers in an attempt to build up circulation but evidently the majority of people are well satisfied with the New Castle News.

Pa Newc noticed a doctor trying to park his car in a very limited amount of space in front of his office on North street this morning. The car wouldn't fit in, however, and he finally gave up in disgust.

No doubt there's many a "regusted" income tax payer having a headache today and will be asking for a "re-stention" of time as our friends Amos and Andy will be doing.

DAVIS READY TO ANNOUNCE

(Continued From Page One)

ernor against both the Vare and Grundy organizations the stage is set for another Keystone primary of the Donnybrook fair variety.

To Remain in Cabinet

Secretary Davis does not plan to retire from the cabinet while he conducts his primary campaign, which will run until May 20, the day on which Pennsylvania goes to the polls.

To intimations from some administration leaders that it might be well for him to retire because of possible political embarrassment to Mr. Hoover, Secretary Davis has reported that he has a notable example to guide him in hanging on as a cabinet member. He pointed out that President Hoover conducted his primary campaign for the presidency while ensconsed in his berth as secretary of commerce, not resigning until after the nomination at Kansas City.

A curious situation is about to arise in connection with the Davis candidacy, and its relation to the Hoover administration.

Four years ago, Wm. S. Vare himself mopped up two dry opponents in the memorable primary of 1926 on a platform that was wringing wet. Vare used to hold aloft during his speeches an old fashioned nickel beer glass and pledge himself to labor for its return.

Distinctly Moist

Secretary Davis himself, if not as wringing wet as Vare, is at least distinctly moist. His campaign will be conducted accordingly—thus affording the country the spectacle of a Hoover cabinet officer campaigning on an anti-prohibition platform. Incidentally, he will be campaigning, too, in a sense, against a brother-cabinet officer, Secretary of the Treasury Mellon, whose interests are back of Grundy.

Grundy has taken no open position on the prohibition issue for the forthcoming campaign. To all direct questions as to his stand "the granddaddy of all lobbyists" has returned the enigmatic reply, "we in Pennsylvania believe in the constitution."

Pinchot is in no quandary about his stand. He is bone dry. It got him a poor third in a three-cornered senatorial race four years ago.

Prohibition Issue

The prohibition issue also has been cast into the Massachusetts senatorial primary today by the announcement of Ex-Senator Wm. M. Butler that he will stand for the senate again as a dry, and opposed to tinkering with the 18th amndment or the Volstead law. Butler ran as a dry in '21 and was defeated by Senator Davis I. Walsh, a wet, in a campaign in which Walsh talked beer from one end of the bay state to the other.

With so many hectic primary campaigns getting under way agitation was renewed here today to get the Norris resolution out of its pigeonhole and passed. This resolution sets up a senatorial committee—headed by Reed of Missouri, four years ago, that resulted in the Illinois and Pennsylvania "scandals" that eventually barred Wm. S. Vare and Frank L. Smith from taking the senate seats to which they were elected.

SATURDAY LAST CHANCE TO FILE 1929 TAX BLANKS

(Continued From Page One)

timates the treasury has been able to prepare, the stock market break having contributed a confusing factor of uncertainty, the March collections should be approximately $550,000,000 and that of the fiscal year $2,400,000,000.

If the anticipated corporation tax increase materializes, the income from that source in the year ending June 30 will be about $1,358,000,000, a gain of $123,000,000 over 1929. To meet the treasury estimates, an individual collection of $1,042,000,000 would be necessary. Last year individual taxes yielded $1,095,541,000, a gain of $212,814,0000 over 1928. Most of that gain came from speculative profits.

The treasury estimated that income and corporation tax collections this year would exceed 1929 by $69,000,000.

Heavy Yield

If the unexpected occurs and the stock market loss is offset by other factors, there may be another abnormally heavy yield of taxes that will assure a continuance of the 1930 incomes of the one per cent tax reduction applicable to earnings of 1929, provided business improves.

If at all possible the rate will be maintained, more for its psychological effect on business, than from its actual dollars and cents saving to the taxpayer. If a reduction is to be made it will be announced as early as possible in the year, instead of waiting until the message is sent to congress in December. Experts said the government's revenues must be assured and that business conditions must show improvement to warrant the 1929 rate.

Westfield Will Have Every Member Canvass Sunday

The trustees of the Westfield Presbyterian church are introducing a new plan for the annual every member canvass Sunday morning. At the regular service, the pastor, Rev. Ross M. Haverfield, will speak on "This Side of the Envelope" of the current expense portion of the budget, and immediately following the sermon the pledge cards will be distributed and all members present will sign their cards and return them to the trustees who will be in charge of this part of the service. It is hoped a large number of the congregation will be present.

The Sunday school will meet at 12:15 p. m. with the assistant teachers and officers having complete charge of the school. Assistant superintendent W. R. Fox will conduct the worship period.

Christian endeavor will be at 8 o'clock and Velma Fullerton is the leader.

All church dues should be paid to the trustees before April 1.

Sweet are the slumbers of the virtuous man.—Addison.

STAR LORE

WHEN THE SUN BECOMES A POINT OF REFERENCE

By Arthur DeV. Carpenter

As the sun and all of the physical bodies constituting the Solar system are rushing through space with great velocity, and the Sun's rush determines the rush of all the other bodies under its control, the sun is a relatively stationary body from which to compute the motions of everything in the solar system, just as a moving ship is relatively stationary with reference to the chairs and other furnishings upon its decks. In this sense the sun becomes a fixed point of reference. But only for members of the solor system. Stars that the sun is overtaking will show increasing parallax as observed over long periods of time."

WOMEN TO KEEP AMERICA DRY

(Continued From Page One)

ing a better human life" because of the extension of education and a rise in the standard of living, he said.

As a result of the wrangling and quarreling of the committee during the last few days, the 79-year-old chairman, Rep. Graham instituted some iron-clad rules today to govern the future conduct of the hearings.

He ended the controversy over the alleged coaching of witnesses by Mrs. Henry W. Peabody of Beverly, Mass., by asserting that Mrs. Peabody had not deleted that portion of the record which charged her with coaching, although offered an opportunity to do so.

Graham summarily ruled out an effort of Rep. Dyer (R) of Missouri, to read a telegram from Robert Dollar, the shipping magnate, denying there were bars on his ships, and an effort by Rep. Laguardia, (R) of New York, to introduce statements of Dollar line passengers that the ships did carry bars.

India's Stormy Petrel In Anti-British Rally

Mahatma Gandhi, fiery Indian revolutionist and mystic, is leading a band of seventy volunteers on a dramatic march to Jalalpur for the purpose of opening a campaign of civil disobedience to the British Government. The battle-scarred leader left behind a speech to his followers, which he called his "last message and testament." (Lower) Madeline Slade, daughter of a British admiral, has joined Gandhi's campaign against the Crown.

Ed. Stevenson Resigns Post

Council Accepts Plumbing Inspector's Resignation Presented Today

Council met in city hall today and accepted the resignation of E. S. Stevenson, city inspector of plumbing.

The resignation was presented immediately before council adjourned. Mayor W. H. Gillespie, when questioned when Stevenson's successor would be appointed, replied he did not wish to state the time. He also refused to say who would be recommended for the position.

Council passed Councilman Reeves' resolution thanking Mr. Stevenson for his service since becoming inspector of plumbing.

It is understood the Journeymen Plumbers local here has presented the names of three plumbers who would be acceptable.

They are Harold Dunlap, Roy Haines and Lawrence Bryan.

VERDICT IN GRIMM CASE; FIRST DEGREE; LIFE IMPRISONMENT

(Continued From Page One)

in the first degree with life imprisonment. One was for murder in the first degree with the death penalty, and one did not vote.

The reason that the one did not vote was because he was not quite clear on the matter of life imprisonment. He thought that the court might make the penalty 25 years imprisonment. When it had been explained by some of the other jurors that the act of 1925 says that it must be life imprisonment or death on a first degree verdict, he cast his ballot for life imprisonment.

Many Ballots Taken

From the time the first ballot was taken, between 3 and 4 p. m. until an agreement was reached at about midnight, dozens of ballots were taken which resulted in eleven for life imprisonment and one for the death penalty. Finally the juror who had been holding out for the death penalty changed his ballot to life imprisonment, and there was a unanimous ballot for life imprisonment.

The tipstaves in charge of the jury were then notified. Judge Chambers was then notified. Judge Chambers was summoned, also Prothonotary R. M. Campbell and Attorneys Walter Braham, who with George W. Muse had represented the prosecution, and R. L. Wallace, who with J. Norman Martin represented the defense.

Verdict Is Taken

When they arrived at the court house Grimm was brought in from the county jail by Sheriff Frank Johnston, and the verdict was taken. Grimm stood up while each of the jurors repeated the verdict. Grimm, who appeared to be very nervous when he was brought into the court room, appeared to be relieved when he learned that he was not to go to the electric chair.

There are still three other cases, growing out of the Rea murder, the defendants being Charles Llewellyn, Jesse Martin and Jack McDevitt. They are each entitled to separate trials, should they demand it, or they could enter pleas. No definite information as to what they intend to do has yet been given out.

ANGLO-AMERICAN PARITY AGREEMENT GOES INTO DISCARD

(Continued From Page One)

tative program of approximately 100,000 tons of warships.

Ready to Accept.

The American delegation to the parley, although reluctant, is prepared to accept this augmented figure and let the earlier program of 1,200,000 tons go by the board. This decision has been necessitated by the final realization by both British and American delegates that it is impossible to persuade France to reduce her tonnage demands appreciably.

In this connection, the British admiralty has executed a complete about face. Previously, this board estimated Britain would require a 400,000-ton increase in the Anglo-American parity figures if the French retained their total demands. Now it appears that 1,000,000 tons will prove sufficient.

British Need Increase.

After a close inspection of the French figures, an admiralty expert admitted today that the effective French fleet of 1936 and thereafter would total only 660,000 tons. Therefore, the British feel they need an increase of 35,000 tons in cruisers and 50,000 tons in destroyers over the total agreed upon by President Hoover and Prime Minister MacDonald.

This means, of course, that the United States can automatically claim the right to a similar increase in figures in order to preserve parity, but it was pointed out in American circles that it really means very little actual increase, since old destroyers can be retained in order to maintain the necessary destroyer strength of 200,000 tons.

Building of 35,000 additional tons of cruisers is considered to be worth the price of a five-power agreement.

Deaths of the Day

Mrs. Edith McDowell.

Mrs. Edith McDowell, wife of Samuel McDowell of Bradentown, Fla., died at the home of her sister, Mrs. J. Martin Graham, 323 Park avenue, about 11 o'clock this morning after an illness of about nine months. Sadness is added to her death in the fact that her mother, Mrs. Arvilla Ketlar, died at her home, 316 Reis street, Thursday.

Mrs. McDowell was a member of the Evangel Presbyterian church of Philadelphia.

She is survived by her husband, her father, Samuel W. Ketlar; two brothers, Houston Ketlar of this city and Earl Ketlar of Philadelphia; and five sisters, Mrs. J. Martin Graham, Mrs. Charles Fletcher of this city, Mrs. John McDowell of Philadelphia, Mrs. Mary Dugan of Baltimore, Md., and Mrs. Samuel Fletcher of Toledo, O.

A double funeral will be held for Mrs. McDowell and Mrs. Ketlar Saturday at 2:30 from the Ketlar home, 316 Reis street, with Rev. W. E. McClure officiating. Interment will be made in Graceland cemetery.

Funeral of George B. Wiley.

Funeral services for George B. Wiley of North Beaver township were held from the family residence Thursday at 1 p. m. with Rev. Ross M. Haverfield in charge. A host of friends and relatives attended to pay their last respects and many beautiful floral tributes added the sympathy of those who could not attend.

Pallbearers were Carl Hoffmaster, Cloy Welker, O. C. Welker, Roy W. Wiley, Clarence Ruthrauff and William Fox. Interment was made in Lake Park cemetery, Youngstown, O.

Funeral of James W. Bryson.

Funeral services were conducted by Rev. S. E. Irvine of the First U. P. church Thursday afternoon for James W. Bryson. Pallbearers were Charles Bryson, Jr., Marlin Bryson, Charles Cochran and Delbert Drake.

Interment was made in Oak Park cemetery.

George Mee.

George Mee, Martha street, aged 70, died at midnight Thursday in the hospital, following an illness of several years duration. He was born in County Clare, Ireland, 70 years ago and came to this country when a young man, having been a resident of New Castle the past 50 years.

He was a retired Pennsylvania railroad employe, a member of the P. R. R. veterans' association and of St Mary's church.

His wife, Mary Mee, died in 1922 and he is survived by one son, Austin of this city.

Funeral services will be held Monday at 9 a. m. from St. Mary's church and interment will be made in the church cemetery.

Mrs. Eleanor Piper Locke.

Mrs. Eleanor Piper Locke, aged 95, widow of James H. Locke, died at the family home, 911 South avenue, Wilkinsburg, Pa., Thursday at 3:30 p. m. from the infirmities of age. She was born in Prospect, Butler county, February 2, 1835, the daughter of Samuel and Sarah Pillow Piper and was a resident of this district until 15 years ago.

Mrs. Locke was well known in Scott township, where she resided and was active in all church work and social activities of the community. She was a member of the South Avenue Methodist church of Wilkinsburg, Pa.

She is survived by two daughters, Annetta and Annie, at home, and a son, Rev. Alfred C. Locke, district superintendent of the Erie district, Erie, Pa.

Funeral services will be held at the family home in Wilkinsburg Saturday at 2 p. m. with Dr. John M. Versteg, pastor of the South Avenue M. E. church in charge. The body will then be brought to New Castle and funeral services will be held in the Harlansburg Baptist church upon the arrival of her son, Rev. A. C. Locke, from St. Petersburg, Fla.

Wants To Connect With City Sewer

Will Build $25,000 Building If Council Will Give McCombs Sanction

Thomas McCombs today made application to city council, during a formal meeting at City hall to be desired to connet a new building which he proposed to construct, with the city sewer system.

He informed council that the building he proposes would cost $25,000, and be located at Euclid and Wilmington avenue, immediate outside the city limits.

The building would be a good building with the lower floor front devoted to storerooms, rear devoted as a milk plant and the upper portion would be divided into apartments.

William Nunn said that he believed Mr. McCombs' request should be granted as the section is now good as a business district and no residences are being built there.

The section, in the city, adjacent to where McCombs desires to build and connect with the city sewere is in an "A" zone.

He had received approval, he said of neighboring property owners of his project.

Council instructed Mr. McCombs to comply with the zoning law relative to signers granted permission present the same and it would receive consideration.

ROOF FIRE CALLS OUT DEPARTMENT

Firemen from Central and No. 2 station were called to the home of Frank Hyde of 605 Logan street at 10:14 this morning, by an alarm from box 213.

Sparks from the chimney had ignited the shingle roof on the house, causing damage of approximately $15.

Knitted sports costumes feature flaring skirts and cape themes.

OFFICERS ENTERTAINED IN DELIGHTFUL MANNER

One of the most delightful parties of the season was held at the Elks Thursday evening when Mrs. Byrdie Sturdy entertained at a 6 o'clock dinner in honor of her officers of the year of the New Castle Chapter No. 105 Order of the Eastern Star, Mrs. Capitola Biles, Mrs. Anne Melvin, and Mrs. Laura French. Dr. and Mrs. J. V. Flaherty, Mrs. Anna Wagner and Mrs. Elizabeth Wignal were the special guests of the occasion.

Dinner was served in the private dinning room, at a table beautifully decorated in pastle hues, with a specially designed tulip forming the centerpiece. Miniature tulips of the same artistic design in delicate pink were placed at each guests place, and tall silver rock-cut crystal candle sticks trimmed with sterling silver held in the same kind of holders tied with bows of tulle made a most attractive setting.

After dinner, Mrs. W. H. Martin, in behalf of the officers presented Mrs. Sturdy with a shower of beautiful handkerchiefs. Miss Anne Jenkins, a bride of recent date, received a beautiful bridge lamp. A period of bridge followed, which was highly enjoyed, with prizes for honors being awarded to Mrs. Margaret Gibson, Mrs. Anna Wagner and Mrs. Margery Brinton.

Epworth Class Meets.

Members of the Epworth Bible class were entertained for their March meeting in the home of Mrs. F. H. Cypher, 411 Boyles avenue, Thursday evening. Mrs. J. C. McMichaels presided at the business session after which an entertaining program was presented, with Mrs. A. G. Marshall presenting a number of readings and novel games were played.

A dainty lunch with clever appointments carried out in tones of green and white was served to 42 members by the hostess with Mrs. G. M. Lusk, Mrs. A. C. Lusk, Mrs. N. W. Calderwood, Mrs. L. D. Nelson and Mrs. C. M. Cypher as aides.

Mrs. R. A. Stitzinger, Croton avenue, will be hostess to the members April 10.

O. & P. Club.

The O. & P. club was entertained Tuesday evening at the home of Mrs. Edward Ward on East North street. The guests of the occasion numbered 26 and the diversions of the evening were cards and games of various kinds. At a seasonable hour dainty refreshments were served by the hostess, who was assisted by her daughters, Mrs. Vanus and Miss Lenora Ward.

INTERESTING TALK FOR L. A. B. CLUB

The L. A. B. club members were delightfully entertained Thursday in the home of Mrs. Howard McClimans on Meyer avenue for their usual meeting. During the transaction of the business of the club, plans were made for a 6 o'clock tureen dinner to be held at the home of Mrs. Percy Wallace on Richelieu avenue on Thursday, March 27. The committee in charge are Mrs. Carl Smith and Mrs. Bertha Smith.

The exchange of comic St. Patrick gifts was a feature of the club, with Mrs. Percy Wallace winning a prize. At a chosen hour a delicious lunch was served by the hostess, assisted by Mrs. Carl Smith. The table decorations were cleverly carried out in tones of green and white. This was followed by an interesting talk given by Carl Smith, a special guest, who has just returned from a six weeks journey to California. He told of many experiences and places he visited that proved quite entertaining to those present.

DINNER IS GIVEN FOR WORTHY MATRON

Miss Marjorie Rhodes, worthy matron of Shenango chapter 333, O. E. S., was honored last evening when the members of the drill team of the chapter gave a beautifully appointed dinner for her at Mrs. Burnside's. The tables were centered with pink rosebuds in green vases and green and white were carried out in the accessories. Covers were marked for 24 and a shower of dainty handkerchiefs was tendered the honor guest.

Mrs. Anna Rowland and Mrs. May Young were special guests of the team.

C. S. C. Club

Members of the C. S. C. club gave a St. Patrick's party in the Duca Deli Abbruzzi hall Wednesday evening. About seventy-five guests were present. Dancing was the pastime of the evening. Vocal selections were rendered by Francis DeSantis, Helen Ross and Andy DiLorenzo.

At a seasonable hour refreshments were served, green and white tones were carried out in serving as they were used effectively in decorating the hall. Refreshments were served by the hostesses with Mrs. Clyde Kennedy, Mrs. Ralph Lemer and Mrs. J. P. Prioletti as their aids. Those in charge of the affair were Miss Ida and Clara Prioletti, Marie and Rose Pavia, Mrs. Arthur Prioletti, Annetta Morgan, Lena Malls and Alice Massa'ro.

Out of town guests were Misses Emma and Mary Nerone, Miss Marie Massaro, Bill Zona, George Massaro of Youngstown, Misses Loretta and Lee Tatti of Detroit, Mich.

Section is Entertained.

Mrs. Ray Lindsey of East Washington street received the members of Section C. of the Y. L. B. class of the Third United Presbyterian church in her home Thursday evening for the regular monthly meeting.

The devotional period and business session were in charge of Mrs. George Kemp. Election of officers resulted in Mrs. Charles Douglass being chosen president, Mrs. Carl Peterson, secretary, and Mrs. J. C. Lutz, treasurer. Following the business session the women enjoyed a social hour and the hostess, assisted by Mrs. Howard Gross, served a delicious lunch.

The April meeting will be held at the home of Mrs. J. C. Lutz, Beckford street.

ROSENBLUM-MARKS WEDDING NUPTIALS

A pretty wedding was solemnized Thursday afternon at the home of Mrs. Abe Levine of Leasure avenue, when Hazel, daughter of Mr. and Mrs. Samuel Rosenblum of Butler, Pa., became the bride of Lawrence Marks, son of Mr. and Mrs. Jacob Marks of New York City, with Rabbi J. B. Menkes officiating.

The home was beautifully decorated with palms and ferns banked around the room, presenting a pleasing background.

The bride was attractive in a gown of ivory chiffon trimmed with duchess and rose point lace, carried an arm boquet of orchids.

The couple were attended by Mr. and Mrs. Abe Levine.

Following the ceremony, a tempting buffet lunch was served.

Mr. and Mrs. Marks left immediately for an extended motor trip.

East Side Social Club.

Mrs. George Black, North street, was a charming hostess to the members of the East Side Social club Thursday evening when they entertained their husbands. Music and 500 featured the evening hours, four tables being in play and high scores were held by Mr. and Mrs. L. O. Nicholson, Mrs. D. H. Warnock and Earl White, for which they were awarded lovely prizes. Mrs. Cecil Gordon was received as a new member.

A sumptuous repast was served by the hostess at the close of play and she was assisted in serving by Mrs. Carl Black and Mrs. Earl White. A color scheme of green and white was cleverly carried out in appointments and menu.

Mrs. C. S. Black, Sampson street, will be hostess to the club April 3 at a chicken dinner.

Open Door Class Entertained.

The Open Door class of the Third United Presbyterian church was entertained Wednesday evening at the home of Mr. and Mrs. Carl Nowalk 1019 Beckford street.

During the business session officers were elected for the coming church year. Merrit Reynolds was chosen president; George Kuder, vice president, Mrs. Merrit Reynolds, secretary; Mrs. Edward Millison, assistant secretary, and Mrs. Carl Nowalk, treasurer. At the conclusion of the business session games and music were enjoyed and at a late hour a delicious repast was served by the hostess.

There were 12 members present and the out of town guests were Mr. and Mrs. W. H. Burdette and daughter Phyllis of Sharpsville, Pa.

Surprise Farewell.

About 20 friends and neighbors of Mrs. Herbert Tustin, Norwood avenue, gathered at her home Thursday evening as a surprise in order to say farewell to her in a fitting manner before she leaves for her new home in Chester, W. Va. Cards and music featured the evening hours.

At the conclusion of play the guests produced a most sumptuous lunch with green and white tones being carried out in the appointments. Mrs. T. I. Vogan and Mrs. Robert Shoaff had the lunch in charge.

The party presented Mrs. Tustin with a lovely gift as a remembrance.

O. U. Girls Elect Officers.

Members of the O. U. Girls of the Central Presbyterian church met in the church parlor Thursday evening for their monthly meeting and annual election of officers. Ada Carpenter was elected president for the coming church year; Helen Miller, vice president; Ina Tucker, secretary, and Margaret Tucker, treasurer. At the conclusion of the business session a social hour was enjoyed and the girls served a "box" lunch which each had prepared.

Ada Carpenter will be hostess to the society for the April meeting.

Bake Sale

Young Ladies of St. Margaret's church will hold a bake sale, March 15, in the store room adjoining Mahoning Market. Miss Anna Gallagger, chair lady. —It*

SAWALLA CLUB ENJOYS LUNCHEON

Mrs. A. C. Auberger of Hillcrest avenue was a pleasing hostess to members of the Sawalla club Thursday when she entertained in her home at a tastefully appointed 1 o'clock luncheon. Green and white tones were used effectively in the decoration of the table, which was carried out in a clever manner throughout the menu. Mrs. Carl Holmes assisted in serving.

A period of bridge followed, with prizes for honors going to Mrs. George Campbell and Mrs. Albert J. Tindall. The regular guest prize was given to Mrs. Norman Cox.

The next gathering of the club will be with Mrs. Samuel Boughter on Norwood avenue Thursday evening, March 27.

Queen Esther Meeting

On Thursday evening, March 13th, the Wesley Queen Esther Girls were entertained by Miss Louise Birt at the home of her sister, Mrs. S. L. Davies, of Borough Line street. Devotionals were in charge of Agnes Schuler and Ruth McClafferty. A short business meeting followed. Guessing games and contests formed much merriment during the social hour.

At a seasonable hour delicious refreshments were served by Mrs. Davies and Mrs. Birt. St. Patrick's Day colors of green and white were beautifully carried out in all appointments.

Mrs. J. F. McLaughlin, 526 West North street, will receive the girls on April 10.

Stephenson Circle Meets.

Members of the Stephenson circle of the First Methodist church were received in the home of Mrs. J. C. Leohner, Highland avenue, Thursday afternoon for their regular monthly meeting with 48 members answering roll call.

Mrs. Ernest Griner pleasingly rendered two "spring" songs and Mrs. Lockley led the devotional period. Mrs. E. C. Boehm gave a splendid review of the chapter from the study book "In the Path of Glory" being the topic.

At the conclusion of the program Mrs. D. R. Bollard's group served dainty refreshments.

Iona Kensington Meets.

Members of the Iona Kensington met Thursday at the home of Mrs. V. Arthur Smith, Fairmont avenue, and bingo formed the amusement of the hours with prizes being awarded to Mrs. L. H. Gormley and Mrs. Cora Dufford.

At the close of play the hostess served a most tempting lunch at a table beautifully centered with a bowl of green foliage, while small shamrocks marked each place. A color scheme of green and white was cleverly carried out in the menu.

Mrs Cora Duffner of Highland avenue will entertain the club March 26.

A. N. O. Club

Mrs. J. J. Smith of Huron avenue received members of the A. N. O. club in her home Thursday with 10 present. Bingo formed the chief diversion, prizes were awarded to Mrs. Bessie Evans, Mrs. John Hallowhich and Mrs. Paul Sidler. At a chosen time, tempting refreshments were served by the hostess having as her aides, Mrs. Jess Dufford and Mrs. W. L. Campbell.

The next meeting will be on Mar. 27 at the home of Mrs. Charles Morgan on East Washington street.

E. W. S. Club

Mrs. C. J. Rafferty of North Cedar street entertained the members of the E. W. S. club in her home Thursday evening. Mrs. John Popham was a special guest. The hours were spent in cards. Prizes were won by Mrs. Frank Nugent, Mrs. Fred Beard, Mrs. John Popham. At a seasonable hour delicious refreshments were served by the hostess assisted by Mrs. Popham.

In two weeks the club will meet with Mrs. Mary Devera' of North Jefferson street.

Semper Fidelis

Members of the Semper Fidelis club gathered Thursday afternoon in the P. and O. room for a business meeting. At this time plans were completed for the dinner to be held March 16, also, the sewing for the Jameson Memorial hospital. A period of discussion on current topics followed. Another special business meeting will be held on Wednesday, March 26, with Miss Mary Maciariello.

The regular meeting of the club will be held in the P. and O. lodge on April 9.

Joint Hostesses.

Mrs. Thomas T. McCombs of Wilmington avenue and Mrs. Jack Slaver of Moody avenue were joint hostesses Thursday afternoon at the Elks club which is one of the series of luncheons to be given by the First Methodist church. Covers marked for eight guests at an attractively appointed table in tones of pink and white with tall pink tapers in crystal holders presenting a pretty scene for the occasion.

TUESDAY KENSINGTON ENJOYS GATHERING

Members of the Tuesday Kensington were delightfully entertained in the new home of Mrs. Paul D. Weller on Clenmore boulevard Thursday for their regular meeting, having several guests for the event. Lunch was served at daintily appointed tables, in delicate shades of summer, by the hostess, assisted by Mrs. W. H. Williams, Mrs. Harry Remley and Mrs. William Stewart.

In two weeks, the ladies will be received at the home of Mrs. J. Q. Roberts on Park avenue.

HIGHLAND BOOK CLUB MEMBERS HAVE MEETING

Mrs. E. A. Fenton, of Clenmore boulevard, was a charming hostess to the members of the Highland Book club when she entertained in her home Thursday, at a 1 o'clock luncheon. Places were laid for 12 guests at a beautifully decorated table in delicate shades with a bouquet of cut flowers forming the centerpiece.

Bridge was later enjoyed, also radio music and social chat. In two weeks Miss Carrie Bleakley will be hostess at Mrs. S. Seh's.

Swastika Club.

Mrs. C. F. Fike of Cleveland avenue entertaimad the Swastika club Thursday evening in her home, having Mrs. Everett Arrow as a special guest. Cards formed the chief diversion, with prizes going to Mrs. James Shaffer and Mrs. James Blaine for honors. Dainty refreshments were served at a suitable time by the hostess, assisted by Mrs. Carl Gilmore. St. Patrick decorations were used effectively in the decorations of the table.

In two weeks Mrs. Carl Gilmore of Cleveland avenue will be hostess to the club members.

Bestyette Bridge Club.

The Bestyette Bridge club members enjoyed their usual gathering Thursday when they met at the home of Mrs. Samuel Frank, on Neshannock boulevard. Prizes for card honors were won by Miss Dorothy Boyles and Mrs. Clara McClymonds. At a late hour, refreshments were served by the hostees assisted by her mother, Mrs. J. A. McFall and sister, Eleanore McFall, who were special guests of the occasion.

In two weeks, Mrs. Clara McClymonds will entertain at her home on East Wallace avenue.

Five W Club.

Members of the Five W club were entertained in a delightful manner at the home of Mrs. Floyd Lusk on Neshannack boulevard Thursday for their regular meeting. Mrs. E. Brady was a special guest of the club.

The evening hours were spent socially in chat and radio music, later being followed by tempting refreshments served by the hostess at a prettily appointed table with pink and white tones predominating, covers marking for six guests. Plans were completed for a theatre party to be held in two weeks.

Entertains Faculty

Mr. and Mrs. Charles G. Lindner were pleasing hosts to the faculty of the Shenango High school when they entertained in their home on Euclid avenue Thursday evening.

Music and various games were later enjoyed.

At a selected hour, Mrs. Lindner served a delicious lunch assisted by Miss K. Alcorn and Miss Brenner. The table was attractive in a color scheme of green and white, with place cards marking each guest's place.

Sisterhood Dance.

One of the delightful social events of the season was a dance given by the Temple Israel Sisterhood in the assembly room of Temple Israel Wednesday evening. A fine crowd attended and an enjoyable evening was spent in dancing with excellent music.

Ladies team No. 1 was in charge. At a late hour a buffet lunch was served by the ladies. Out of town guests were present from Beaver Falls, Sharon, Butler and Youngstown.

Y. O. A. Club

The Y. O. A. Club will meet with Mrs. G. Wilfred Thomas of Maryland avenue Monday evening instead of Wednesday evening of next week.

B. Y. C. Club

The B. Y. C. club that was to have met with Mrs. Trevor Griffith on Dewey avenue, has been postponed indefinitely.

Quen Sewing Circle.

The Queen Sewing Circle was entertained at the home of Mrs. C. J. Kenehan on Federal street, Thursday afternoon with nine present. Mrs. Johnston of Beaver Falls, was a special guest. A brief business meeting was held, later being followed by a general social time.

At a seasonable hour dainty refreshments were served by the hostess, assisted by her daughter, Mrs. William Benninghof and her granddaughter, Miss Margaret Kenehan.

In two weeks, the Circle will be received in the home of Mrs. James Richards, on Chestnut street.

O. E. A. Club

Members of the O. E. A. club met at the home of Mrs. Harry Davies on DuShane street Wednesday for their regular meeting, with all members present. Three tables of 500 were in play, prizes being awarded to Mrs. Clarence Clinginsmith and Mrs. Earl Chassee. At a seasonable hour, the hostess served a dainty lunch assisted by Mrs. Clinginsmith.

In two weeks, Mrs. Ernest Treehorn of Norwood avenue will entertain.

MISPLACING THE BLAME

WHEN Senator Wagner, of New York, attacked President Hoover for the government's failure to have at hand statistics on seasonal unemployment, he was shooting at the wrong bird. Congress is his prey.

Recent governmental history vindicates the executive branch while placing full responsibility upon the legislature. In 1921 Herbert Hoover, as chairman of the national conference on unemployment, named a committee to draft recommendations to investigate "business cycles" and their cause and control.

Chief among the recommendations of that committee was a proposal that congress pass the necessary legislation for the compilation of data on unemployment.

Nine years have passed and what has congress done? Nothing. In fact the executive branch of the government is the only one that has done anything about the present siege of unemployment.

As usual, congress has adopted the philosophy of the man whose roof leaks. When it rains he cannot fix it and when it shines there is no need to fix it.

Shortly after that 1921 report was made business began to recover and congress blindly assumed that prosperity had become perpetual. The present slump found congress asleep with the job untouched.

THE PRESIDENT TO THE BOYS OF AMERICA

In his address at the dinner given by the Boy Scouts of America to inaugurate a five-year expansion program, President Hoover developed part of his philosophy of life. He asserted that the scout ideals furnished the solution of what we are wont to call "the boy problem," and that they were a powerful agency in guilding the first steps of democracy. His tribute to the organization, which is now twenty years old, was well merited. All will agree with him that it has opened the portals of adventure for the boy, has taught him the joys of nature, the value of discipline and of unity of effort and the democracy of play. Mr. Hoover well says: "The priceless treasure of boyhood is his endless enthusiasm, his store of high idealism and his fragrant hopes. His is the plastic period when indelible impressions must be made if we are to continue a successful democracy."

The importance of this and similar organizations lies in the fact that the boys of today are to be the men of tomorrow. If they begin right, they are apt to end well. The president feels that, if the principles which dominate the Boy Scouts would animate all, we should have a better class of citizens and consequently better government. In the course of his remarks he said: "The idea that the Republic was created for the benefit of the individual is a mockery that must be eradicated at the first dawn of understanding." This bare statement is likely to cause some controversy. The republic and the people are synonymous terms; and in any successful form of government, particularly in a democracy, there must be concessions; but it can hardly be urged that it is necessary for the individual to give up all his rights. Everybody, of course, must give up something for the general good. The old slogan puts this expressively, "One for all and all for one."

President Hoover performs a public service in his encouragement of the Boy Scouts. They now have a membership of one million, and the distinguished speaker was correct when he said we had the raw material for ten million more.

BETTER BUSINESS ETHICS

It is a wholesome sign of the times that business and professional men are much concerned over the ethics of their own particular occupations. Many trade associations, service clubs and other commercial bodies have committees on business standards and printed codes of ethics to guide their members. Colleges and universities offer lecture courses on the subject, books are being written on it and there are organizations dedicated to the improvement of the standards of business conduct.

However, the public is not overly impressed by mere organization or printed codes, standards and platforms. It judges the ethics of a business by the ethics of the individual members of that business. It does not buy goods from trade associations, but from individual concerns. What really matters is not the publicly announced and purposely high-sounding and sonorous code of an impersonal association, but the actual everyday conduct of the individual business man, firm and corporation.

But there is not a consumer who has not convinced himself by actual experience that merchants, especially, are doing more than talking about service. Modern business has learned that "honesty is the best policy" and that "he profits most who serves best." And it matters little to the consumer whether business is rendering better service for purely selfish reasons or because it has become morally conscious.

Profits are a worthy, honorable goal, but if they are the only aim of business, then the commercial system is doomed. And it follows naturally that, since the commercial system shows no evidence of decay, profits are not the one and only goal of modern business.

Still, the word "sweetie" sounds about as good as "suitor."

No, psittacosis isn't the same disease as Chicago politicosis.

Progress is a great thing, but it certainly messes up the streets.

The ideal man, it seems, is always married to some other woman.

Don't exercise on a full stomach. If you must exercise, do it standing.

The height of some men's ambition is to come to work in a pair of golf pants.

It is possible to love a slow thinker unless he is ahead of you in a cafeteria.

Merely to howl for equality is to confess an inferiority that isn't entitled to it.

Every wise husband apologizes frequently to his wife, but he seldom knows what for.

A large part of Russia is better off than it was under the Czar. It's the part that is dead.

Some people indulge their appetites in the things they enjoy, and some keep good health.

61 YEARS IS ENOUGH

CLEVELAND, O., March 14.—Fire Chief George A. Wallace, 81, is planning to retire May 31, which will mark his sixty-first anniversary as a fire fighter here.

The varied length of sleeves this season makes gloves of more importance than for some time.

What passes for courage is sometimes only successful effrontery.

Today

All About Wheat.
Something About Goats.
Rye And Corn.
And Uncle Sam's Experiment.

By ARTHUR G. BRISBANE
(Copyright, 1930, King Features Syn., Inc.)

CHICAGO, Ill., March 13.

The government worries about prohibition, about what England, France and Japan will do in the way of permitting us to build ships and about some other things. It ought to worry about WHEAT.

It is no longer a question of pleasing the farmer or holding farm votes for the Republicans. It is a question affecting the business of the United States, interests of all the business men, the welfare of all the workers.

Facts and figures follow from reliable sources. Government and business men are invited to consider them and predict the final result of the government's attempt to corner wheat, buying it for more than the world's market price and storing it.

This country, last week, exported 880,000 bushels of wheat. Canada last week exported 4,700,000 bushels.

Canadians have turned their wheat into cash. Our government takes the farmer's wheat and turns it into the grain elevators to be stored, to increase the unsold "carry over".

The government fears that a serious slump in wheat prices might have a bad effect on general business.

More important is the possibility that artificially holding up wheat prices may in the end produce disaster.

If government continues to buy at prices that make wheat exportation impossible, July first, with the crop of winter wheat ready for storage, will find no empty elevators to hold it.

The grain elevators in the United States are practically full now.

Nobody will buy wheat from the farmers in July when he has no place to store the wheat, and those that are really pessimistic say that when July comes it won't be a question of price, but a question of wheat being UNSALABLE.

May wheat sold in Chicago Wednesday at a price a fractionally higher than Liverpool's price which controls the world's wheat markets.

Between Chicago and Liverpool there is a transportation charge of from 15 to 18 cents a bushel.

The government holding back American wheat is turning over the wheat markets of the world to the Argentine, Russia and Canada.

Unless government can get rid of the wheat it is storing, and others are storing, what will be done with the July crop, where will it be stored, how will it be sold?

Some men that understand grain, invited to join the grain board, declined. They knew what would happen.

In Minneapolis the government buys wheat from farm cooperatives for $1.25 a bushel, against a normal price of $1.01 a bushel. In Kansas City the government is paying $1.15 a bushel, normal price $1.

United States elevators now hold 155,000,000 bushels of wheat, biggest storage in history.

Everybody knows that the government and the grain board have a sincere desire to help the farmer and protect business generally.

But serious mistakes have been made with the generous desire to help.

A few months before the government began to buy wheat at artificial prices, May wheat was selling at $1.60 a bushel. The price is now $1.10, F. O. B. Chicago.

Corn has suffered ten cents a bushel for lack of elevator storage.

Some men, looking ahead, are building new elevators as fast as they can, certain that the government will be compelled to rent or buy them to take care of the July crop.

One Chicagoan said today:

"I am getting rid of my wheat, emptying my elevators to rent them to the government. I have 800,000 bushels of government wheat stored in one of my elevators and I know it is going to stay there indefinitely. The government pays me 15 cents a bushel for storage per year, $120,000 a year rent for my elevator. That suits me."

The banker who suddenly found himself in the silk business when he refused to extend credit, will sympathize with Uncle Sam who finds himself suddenly in all kinds of business.

Millions have been advanced on cooperative creameries, on beans, on fruits.

According to a circular of the National City bank of New York, the government has advanced eight million dollars on goats. It is supposed that the wool when shorn will pay the debt.

This writer, having tried raising angora goats, can testify that that isn't a certainty.

Grain men believe that the only hope of avoiding disaster, when the July wheat comes on top of the present storage, lies in the possibility of a serious world crop shortage.

Winter acreage this year shows two per cent increase. With government advertising its intention to buy above the market, sowing of spring seed probably will show a great increase.

Barring government miracles, it looks as though nothing but a bad crop failure could prevent disaster about July 1.

The amount actually bought by the government, about 40,000,000 bushels thus far, can make no great difference. If government sold it for 10 cents a bushel to get rid of it, Uncle Sam's loss would be "small change".

The possible effect on farmers, on general price of wheat and on business, is the serious question.

The attempt of the government, and the earnest desire of President Hoover to help the farmers, are in every way praiseworthy.

Government finds no difficulty

Hints and Dints

Sun sets tonight 6:07. Sun rises tomorrow 6:11.

The size of the floating population depends on whether you mean the outboard motor addicts or those floating checks.

"The tide must be harnessed for work," says Brisbane. But that's just what sends them to Reno to get untied.

Some women love children, and others dread having anything sticky smeared on their clothes.

Russia thinks she can abolish all gods, but how is she going to work crossword puzzles without "Ra."

Considering how often one bumps you from behind, it's strange no car is named Nemesis. Nemesis got you in the end.

Recently published statistics show that autos outnumber bathtubs 3 to 1. This interesting fact has caused one reader to burst into verse. Here's his offering:

Bathtubs abound,
In Amerikee,
But compared with cars
They're one to three

The reason why
Is plain to a dub:
Where can you go
In a porcelain tub?

Fundamentals change little. Primitives didn't try to swat golf balls, but they had fleas.

Using sound waves to start machinery isn't a new idea. The sound of a horn has been used for years to start leg machinery.

HORSE-SCOPE
"If the stars incite, stay in at night."

The stars predict that during the summer months many passwords will slip by the memories of our citizens. During this sway there will be much shuffling and stalling at certain doorways, which will result in temporary delays prior to "blowing the tops off the tall ones."

Neptune is in a position which indicates that an unusual amount of hooey will be passed about by sonorous sounding gents who specialize in pleasing platitudes. Business conditions are expected to be greatly improved as a result of this professional palaver.

Children born on this day will never be full of pep when they wake up in the morning.

Andrew Angleworm was born on this day and will be remembered as the man who permitted his wife to buy all of his clothes.

Men will approve the suggestion that women put their feet on the desk. The new women has been putting her foot down long enough.

Enforcing the law is much like singing the notes of the national anthem. The whole thing is a flop if you can't reach the high ones.

"I was with a girl last night."
'What's she like?"
"Everything. Beefsteak, potatoes, lobster salad, ice cream: everything."

How bitter your heart, as you read modern books to reflect that you once got licked for reading dime novels.

New stories exaggerate, and doubtless there are many Chicagoans who have never been shot at.

It takes grit to get any place in this world. A few years ago spinach was almost unknown.

AMERICANISM—Thinking ourselves efficient because we make needless haste to keep pace with the man who lopes as foolishly to keep pace with us.

Statues of Justice show her holding an evenly balanced pair of scales, and the thought is further emphasized by the nicely parted whiskers of Mr. Hughes.

HARD UP!

"Need any more talent for your motion picture dramas?"

"We might use you. Had any experience at acting without audiences?"

"Say, what do you think brought me here?"

Why not divide each city block into four sections, thus providing extra streets for traffic and twelve more corners for filling stations?

When they stop speeding by limiting the speed of motors, perhaps they can stop crime by doing away with money.

Mrs. Gadder—"Well, my dear, did you enjoy your shopping trip today?"
Mrs. Shopley—"No, I didn't. I found exactly what I wanted in the very first store."

A magazine writer foolishly describes matrimony as a school. There's no school in which the ones who try least are first to graduate.

The Goverment is doing a complete job. First it loaned money to relieve the farmers, and now it is relieving them of their farms.

"Do you know a reliable fortune teller?"

'Well, Dun and Bradstreet are rather good."

Remote control may be new to engineers, but wives away on a visit practiced the art ages ago.

Mrs. Hightone: "So you enjoyed the museum, Mrs. Briggs?"

Cleaning Woman: "Yes, ma'am and I learnt something real useful in the Egyptian section."

'Well, now, that's fine."

"Yes ma'am. There was an attendant polishin' the floor, and I picked up quite a useful wrinkle from him."

The World AND THE Mud Puddles

MORE SUCH CROPS NEEDED

There came a man in days of old,
To hire a piece of land for gold,
And urged his suit in accents meek,
"One crop alone is all I seek;
The harvest o'er, my claim I yield,
And to its lord resign the field."

The owner some misgivings felt,
And coldly with the stranger dealt;
And found his last objection fail,
And honeyed eloquence prevail;
So took the proffered price in hand,
And, for "one crop", leased out the land.

The wily tenant sneered with pride,
And sowed the spot with acorns wide;
At first like tiny shoots they grew,
Then broad and wide their branches threw;
But long before those oaks sublime,
Aspiring reached their forest prime,
The cheated landlord moldering lay,
Forgotten, with his kindred clay.

—L. H. Sigourney.

Speaking of rules of etiquet, there is the fixed, unchanging cordiality that goes with somebody giving you money.—The Fort Worth Record-Telegram.

Just Folks

By EDGAR A. GUEST

AT A FLORIDA DRESSING STATION

When you are dallying with the rich
Down in a tropic clime,
You dress for breakfast, after which
There comes your golfing time.
So at the club with other men
You must undress and dress again.

At noon you trip to take your shower
Your flannels then you don,
But you undress within the hour
And a bathing suit put on,
And when your ocean dip is o'er
You must undress and dress once more.

The garb you wear at eight o'clock
You must not wear at three
'Twould give the millionaires a shock
That same old suit to see.
So up you go and change your duds,
Your shoes and socks and shirt and studs.

Floridians say there's much to see;
That trees are all in bloom,
But you've no time for scenery
You're in your dressing room
Unbuttoning and buttoning up
From breakfast till the hour you sup.

But when the restful night slips down
You speak a grateful prayer
And don the good old slumber gown—
The garb you longest to wear.
And as you jump in bed, you say:
"Here ends the dressing for the day!"

(Copyright, 1930, Edgar A. Guest)

Sentence Sermons

MOTHER NATURE—

May be generous but she is never indulgent.
Owes no child anything more than an opportunity.
Never seems to draw the color line.
Has a warm heart for the industrious but a hard hand for the slothful.
Is never deceived by any artificial social distinctions.
Is kindest to those from whom she exacts most for they grow fastest.
Can never be fooled by any pretty pretensions.

Abe Martin

Women are great thing. They hug an' kiss when they meet an' knock after they separate.

"Please sir, may I have a raise? I'm goin' to git married," said Tell Binkley's stenographer this morning.

Daily Editorial Digest

Symposium of Editorial Views By Newspapers of Nation on Important Subjects as Edited by Consolidated Press Association

"Red Thursday" In America Called Pink, Pale And Futile

Americans Find That Theories Backed By Russians Had No Appeal To Workers In This Country When Demonstrations Were Held

Communist demonstrations in the United States, on "Red Thursday," are declared by the press to have revealed the complete failure of the Russian cult to make headway in the United States. Notwithstanding domestic questions of employment, the alien influence was ignored by Americans generally.

"They must have suffered a grievous disappointment," avers the NEW ORLEANS TIMES-PICAYUNE, while the OKLAHOMA CITY TIMES holds that "their wildest efforts could avail little." The LYNCHBURG NEWS calls the event a "pink-tea affair," the BANGOR COMMERCIAL views it as "not so very red," and the CHAMPAIGN NEWS-GAZETTE sees the groups as "pale pink." The SIOUX FALLS ARGUS-LEADER calls them "overrated."

"Communism has no place in America and Communists should have none," declares the LOS ANGELES EVENING EXPRESS, which characterizes the doctrine as a "foreign excrescence, brought here by persons who are out of sympathy with American ideals and traditions and institutions. Both the doctrine and its devotees should be sent back to whence they came," this paper advises. To the ELMIRA STAR-GAZETTE the propaganda of the Communists is "a bad form of mischief making that should be set down by force if necessary."

The ATLANTA JOURNAL says regarding the weak showing made by the Communists on March 6, "Evidently, the theories which have reduced Russia to so wretched a state are not congenial to American minds." As to the condition of the people of Russia under the Soviet, the LONG BEACH PRESS-TELEGRAM states: "Conditions in Russia today are many times worse than in America. Aside from the shortage of food and shelter, the restruction of the ideals of home life, the crushing of religion, and the exercise of other policies obnoxious to American standards, Russia is in constant fear of enemies, both from within and without. Class is arranged against class.***A system of government that can sustain itself at home only by wholesale espionage on its own people, by threats backed by terrorism, and by maintaining the largest standing army on the face of the earth is not a system that carries any appeal in the United States," concludes this journal.

But with the unemployed, driven to seek relief from an intolerable condition, the press has keen sympathy and voices anxious interest. On this matter the YOUNGSTOWN DAILY VINDICATOR is outspoken: "It is detrimental to the cause of the unemployed that their spokesmen should be Communists, for the Communists admit they are acting under orders from Moscow in stirring up demonstrations in this country and Americans are not likely to stand for anything of that sort. But, "this paper containues, "the problem of unemployment troubles everybody, and it would be a mistake to let anyone get the ieda that we are heartless in dealing with it."

The ANN ARBOR DAILY NEWS says: "Unemploymentis not a joke for anybody who suffers from it. Whenever and wherever it occurs practical remedies should be found without delay." In the opinion of the SAVANNAH MORNING NEWS, "Hungry men do not reason very carefully; philosophy does not thrive on an empty stomach. So, with the agitators should be restrained from causing trouble, it is well to deal gently American citizens who have the misfortune to be unemployed," advises this paper.

"The Communist, in a country like the United States, where the average honest workman enjoys luxuries unknown to the kings of a few generations ago, knows that he cannot get anywhere unless he seizes upon unemployment periods, states the MADISON WISCONSIN STATE JOURNAL, "and so the communist takes the initiative, and inspires the unemployment demonstration, and some of the unemployed find this a means to express their grievances."

The thought of the CHICAGO DAILY NEWS is that "indications that idle men would prefer to work if they had work to do are in themselves encouraging from the point of view of a sympathetic public. Such men should not be left to follow wrong-headed or malevolent leadership. Their need should not be ignored," contends the News.

"The sorriest spectacle to be witnessed is the cunning with which the advocate of those erroneous theories attach themselves to those who would not listen to their tirades if idleness did not supply the opportunity for the un-American subjects," declares the FORT WORTH RECORD-TELEGRAM.

Although the Communist pretends to be the friend of the working man many editors point out that the labor unions in America are his most relentless foes. And yet, Russian money is being expended in America for the double purpose of creating sentiment in favor of world revolution and to bring legitimate labor organizations into disfavor," as the HARRISBURG TELEGRAPH notes, saying further: "They would like to have it appear that trades unions are back of the riots Soviet employees stir up, so that public opinion would be turned against them and their destruction made possible, for the labor organization, as we know, is bitterly opposed to Communism. It regards the Russian scheme rightly as a deadly enemy." As the NEW YORK TIMES says: "The fact that organized labor discerns in communism the foe of the trade union will explain why labor displays less patience with communism than is exhibited by bourgeois liberals and radicals."

As to the Communist menace in this country, the LOUISVILLE COURIER-JOURNAL rates "the Red menace as no more alarming today than when 'General' Coxey marched his army on Washington." The ASBURY PARK EVENING PRESS says: "Whatever value is attached to Communistic principles has always been vague, and the party's failure to formulate a feasible program has not aided its attempt to solicit support. Now, after ten years of campaigning, Communist demonstrations and propaganda have declined from a menace to a petty annoyance," this paper asserts.

Indeed "it has ben established repeatedly that this country is a poor field for these mischief-makers," contends the MANCHESTER UNION.

"Our Communists are noisy but not powerful," as the FORT WAYNE NEWS-SENTINEL puts it.

"Their power is almost solely of the lung," agrees the DAYTON DAILY NEWS, while it estimates that "there is about one communist to every 150 square miles of the United States, so not even with all their lung power can the communists enclamor the whole country." However, notes of warning are sounded in some quarters. The DANBURY NEWS, while agreeing that "the widest freedom of speech permissible under the law has always been enjoyed here, and should be enjoyed," still declares: "But there must be no confusion of license with liberty."

The Way OF THE World

By GROVE PATTERSON

DOUBT

Let's not be sorry we have doubts. Intelligent human beings are not expected to believe everything that is told them. Knowledge has come through doubt. There have been preachers who condemned religious doubt, but they were not thoughtful. Doubt should stimulate us to think and thinking should lead us to change our policy for the better.

NOT RATIONAL

We are curious creatures, behaving in many ways as though we were not grown up. Hearing the roar of an airplane engine we look up though there is no danger that the airplane will run over us and knock us down. Hearing automobiles all about us, we rarely look both ways, and we are run over.

No use looking up at an airplane but every reason to look both ways on the street.

THE REASON

Living in the world would be a simple matter if there was a simple reason for everything. But there are so many reasons for the queer things we do. One reason may begin away back in childhood and another may have developed in the last hour. All our lives we are making decisions. Character and behavior are made on the basis of these decisions. An act today will have its inevitable effect later. People say: "Why did he do it?" There are a thousand reasons impossible to untangle.

BELIEVING IN EACH OTHER

Dr. Daniel Poling, president of the World Christian Endeavor society, says faith and the willingness to make sacrifices for the common good are the two pillars on which the peace of the world can be built. Too bad so much which is called faith is made up of pleasant words. There never was a conference among the nations for decreasing armament or navies which did not begin with beautiful expressions of faith and belief and generosity. And yet one wonders just how much real faith there is.

"DORMORANT"

Don't be a dormorant. What's a dormorant? It's a person who acts as a moron does, because he has never been mentally awakened. They may be a mind but the possessor has been too lazy to use it, to call it to work.

The moron is defective. He can't help being a moron. We can make dormorants of ourselves, by mental laziness.

Bible Thought For Today

The All-powerful One—What manner of man is this: for he commandeth even the winds and water, and they obey him.—Luke 8:25.

Prayer:

"Christ without, our safety
Christ within, our joy:
Who, if we be faithful,
Can our hope destroy."

Those Chicago racketeers who are trying blackmail upon famous stage personanges may be of the opinion that some actors ought to be made to pay for the privilege—and possibly they're right, at that.—The Shreveport Journal.

A free country, apparently, is one in which anybody may climb today and scorn those who were his own kind yesterday.

Fire Season In Forests Nears

March Winds, With Absence Of Snow, Dry Up Ground Fast

HARRISBURG, March 14.—Drying March winds and the general absence of a blanket of snow throughout Pennsylvania are a reminder that the spring forest fire season is just around the corner and may open up earlier than usual this year, according to a statement by Charles E. Dorwoth, Secretary of the Pennsylvania Department of Forests and Waters.

The forest fire season in Pennsylvania ordinarily gets under way in March, although most of the spring fires are encountered in April. "Regardless of how early or late the serious period of fire hazard may be," said Secretary Dorworth, "it is the function of this department to be prepared to meet it, and aside from plans to intensify and improve the fire fighting organization and equipment in every possible way, the cooperation of the general public is not to be overlooked.

"With the complete co-operation of the public, the elimination of forest fires in Pennsylvania can be greatly simplified. Without this cooperation, or to the degree that it is absent, difficulty and discouragement will always be present. Furthermore, it is the people after all who can do more than any other agency to reduce the cost or practically eliminate it.

"The benefits of reducing forest fires go much further than the saving of funds to the Commonwealth, just as forest protection does much more than guarantee an adequate supply of wood for our people. Productive forests and more home grown timber mean millions of dollars to our wood-using industries, more employment for our people and vastly increased benefits to the general welfare.

"The forest problem in Pennsylvania is in many ways a problem of our land usage. Besides hundreds of acres of former farm land abandoned during the past decade and being reclaimed by trees, there are immense areas of once devastated mountain lands on which the forests are being restored by reduction of fires and extension of planting.

"Our forests are the home, the protection, and the feeding grounds of a wonderful variety of wild life, and well protected forests mean better hunting and better fishing. The inestimable value of our forested areas for health and recreation must be safeguarded by vigilant control of fires. State-wide forest protection means that our water supplies will be safeguarded and that the beauty spots and outdoor play places in Penn's Woods will be protected for all our citizens, as well as for the Nation's tourists who are visiting Pennsylvania in increasing numbers."

County Home Now Meets Rules For Care Of Inmates

HARRISBURG, March 14.—Taking its place as one of the finest county homes in every respect in the State, the Mifflin county home, condemned for more than fifty years, closed finally and permanently in 1926 by the State Department of Welfare, is now operating with a population of forty inmates after an extensive renovation and rebuilding program, according to a report of the bureau of assistance to Mrs. E. S. H. McCauley, State Secretary of Welfare.

The Mifflin county home is cited in the Department of Welfare's report as an indication of what can be done at moderate cost to bring a totally inadequate and useless plant to take its place among the best institutions of its kind.

The cost of the building program amounted to $78,000 which the county bore. The building has a capacity of 85 inmates. Every modern facility has been provided with attention to clean comfortable beds, adequate bathing and toilet facilities, completely equipped, well ventilated kitchens with a special diet kitchen, and electric refrigeration.

JACKSVILLE

Cyrus Alben and Edwin Humphrey were Harlansburg callers Thursday evening.

Bert Wilson spent the week end with his family near Franklin.

Mrs. J. C. Dean and Mrs. Clarence Hogue and daughter Marjorie were calling on Slippery Rock friends Monday evening.

Saturday evening about twenty five of the Jacksville young people motored to David Studebaker's near Fredonia and enjoyed an oyster supper and basketball game.

Roland Kelly is reported on the sick list.

Several from our community attended the "Junior Play" at Slippery Rock recently.

Don Banks of Canton, Ohio, was a business caller in town Tuesday.

Russell Wilson who works in Butler was calling on friends Monday.

Mrs. R. P. McGowan who has been on the sick list for the past three weeks is somewhat improved.

Kenneth Wimer of near Slippery Rock spent the week end with his grandparents Mr. and Mrs. Frank Wimer.

Mrs. Kaufman who spent the winter with her daughter Mrs. Sam Cornelius has moved to her home near Rocky Hill.

P. J. McCleary has been working at Mt. Jackson the past several days.

Floyd Book and family of near Zelienople has moved to the home of his father William Book.

Mrs. William Humphrey who has been ailing for some time does not improve as fast as her friends would like.

Mr. and Mrs. Dan McDeavitt of Pittsburgh were visitors at the latter's mother, Mrs. Roy McGowan's on Sabbath.

Mr. and Mrs. F. W. Wimer and Mr. and Mrs. John Wimer were New Castle shoppers Saturday.

Mr. and Mrs. James Miller and family of Harlansburg were calling on relatives Monday.

Mrs. J. C. Dean and Mrs. Clarence Hogue and daughter, Marjorie, spent Saturday with Mrs. W. Willis Alben.

Mrs. William Elliott will be hostess to the Ladies Missionary Society at her home on Friday evening, March 14.

The ladies of Jacksville W. C. T. U. held their March meeting with Mrs. Margaret Elliott near Moore's Corners. Thelma Humphrey acting as leader for the afternoon in the absence of the regular leader. Bible lesson was followed by prayer by Mary Maxwell of Slippery Rock and Rev. McClung of Plaingrove. Several were absent who were on the program. Mrs. J. C. Dean gave a reading. Rev. McClurg gave an interesting talk on "Evangelism." Roll call was another feature of the afternoon which proved quite interesting. Mrs. Miriam Grossman had charge of the business session followed by lunch served by hostess and aides. The April meeting to be at the home of Mrs. Sarah Stickle.

Present Program At Lincoln School

Interesting Program Presented At South Side Institution This Morning

An interesting program was presented to the students of the Lincoln with Miss Mildred Updegraff and Miss Richards in charge of the program. The program consisted of a play, "The Village Shoemaker," the school faculty quartette sang, and poems. Miss Sankey was in charge of the music end.

The play was about a wizzard shoemaker who comes to a little town and succeeds in taking away the trade of the home town shoemaker. By means of magic the new village shoe meddler captures several of the children of the village. A search was conducted throughout for the lost children. In the meantime while one of the village men is hunting for the children the Fairy Mother shows how the magic power of the wizzard can be destroyed and the children rescued. They lived happily ever after is the ending of the play. The play pleased the students greatly and was a fine piece of work on the part of the elementary graders.

The program presented follows:

Devotions—School .....

Flag Salute—School

Quartette—Prof. James H. Hughes, Miss Helen Kyle, Peter Grittie Jr., and Miss Lillian Sarver

Play—"The Village Shoemaker"

The characters follows:

Ralph ..... Anthony Colella
Minna ..... Sophie Alliski
Harry ..... Victor Cobas
Peddle Shoemaker .. Harry Downing
Miller ..... Cletus Jones
Miller's Wife ..... Mary Bashara
Lisbeth ..... Kathryn Boys
Freda ..... Rose Nader
Handa ..... Anna Turko
Anna ..... Freda Weatherby

Poem "A Boy's Song"—Edward Fortney

Poem, "The Wind"—Mary Jeannette

Poem "The Day is Done"—Charlotte Whitenen

Poem "The Owl and the Pussy Cat"—Jean Tinsley

Tent Hall News

Mrs. Walter Graham and Mrs. F. A. Montgomery and Lloyd attended a birthday dinner in Youngstown Saturday for Miss Thresa Thompson.

Mr. and Mrs. Elmer Baird visited Miss Elizabeth Houston Sunday evening, who is a patient in the Youngstown hospital.

Mr. and Mrs. Joe Wright and sons Floyd and Glenn took dinner Sunday at Arthur Wrights.

Miss Bertha Porter is visiting her sister, Mrs. George Allen.

Mrs. John Kuhn is slowly recovering from her recent illness.

The Mahoning Valley Grange had an interesting program Tuesday evening in keeping with St. Patrick's day.

Mr. and Mrs. MacBaird and children took dinner Sunday with Mr. and Mrs. Roy McBride.

Elmer Baird was a business visitor in New Castle, Wednesday afternoon.

Mr. and Mrs. Earl Cover visited Mrs. Ellis Harry in the North Side unit hospital in Youngstown last week.

Marion Carlisle returned to school this week after being absent several weeks recovering from an appendicitis operation.

Mr. and Mrs. Elmer Baird and children were dinner guests Saturday at her brother's Vernon Fisher's near Princeton and later visited her parents, Mr. and Mrs. Thomas Fisher in Princeton.

Mr. and Mrs. C. E. Campbell and daughter Rita Mae visited Mrs. Grace Kuhn, Sunday.

Mrs. Nelson Philips and sons took dinner Saturday evening at F. A. Montgomery's. Mrs. Philips and family are moving to Cleveland soon.

Betty, Jack and George Shehy are ill at their home with the measles.

Miss Margarita McElwain returned to Kretzer's Monday after spending the week end with home folks at Rose Point.

Word has been received from Miss Eva Baird and her father, who are spending the winter at Bartow, Fla., that they will return next week.

The King's Daughters of Mahoning met at the parsonage Wednesday. In spite of the inclement weather the attendance was large. A sumptuous chicken dinner was enjoyed at noon. In the afternoon devotionals were led by Mrs. Earl Cover and was followed by the yearly business meeting and election of officers. The following being elected, president, Mrs. Elmer Baird; secretary, Mrs. Roy McBride; treasurer, Mrs. Earl Cover, and thankoffering secretary, Mrs. Park Baird.

Mrs. Will Shehy and three little boys returned from New Castle, Monday evening, where she has been recuperating from her recent illness at the home of her parents, Mr. and Mrs. George Scott.

Mr. and Mrs. A. M. Cunningham were callers at Roy McBride's Sunday afternoon

Check dandruff!

You, too, can say goodbye to hair-worries, if you'll learn this simple method of caring for the hair. It is known to hundreds of stage and screen stars; used by thousands of women and girls, who haven't time for laborious methods.

Sprinkle a little Danderine on your brush tonight. Then as you brush your hair you'll feel the soothing, toning effects.

For over 30 years, specialists have recommended Danderine; to dissolve the crust of dandruff; stop falling hair; tone the scalp, encourage the hair to grow long, silky and abundant.

The first application gives your hair new life and lustre; makes it softer; easier to manage; holds it like you arrange it. Evidence beyond doubt proves the benefits of its regular use.

Danderine

Former Chicago Magistrate Held For Embezzlement

Judge James Feron, Arrested For Embezzlement—Recognized By Man He Sentenced

(International News Service)

OAK PARK, Ill., March 14.—Judge Feron, whose arrest was caused when he was recognized by a man whom he once sent to jail, today was held in $35,000 bond on charges of embezzling $15,408 of the suburb's funds.

The former jovial magistrate, now near a state of collapse, was arraigned yesterday before the bar where he had administered justice himself for two years. His bond was set at $35,000 and hearing was set for March 22.

A country-wide search for Feron ended Wednesday night when he was recognized and arrested in a Chicago motion picture theater.

TODAY

helping bankers, other financial institutions and even individual stock speculators, through the Federal Reserve.

When money is needed the Federal Reserve bank prints it, lends it to banks, on commercial paper, at a reasonable rate, and the banks make whatever they can, by relending.

That is high finance. Helping the financiers, the government understands, but helping farmers by buying their wheat, goats' hair, etc., when they can't sell to anybody else, is something new.

The grain elevators are full now. On July 1 when the winter wheat crop comes, what will be done with it?

Government might say "go ahead and sell it for whatever you can get, abroad, and I will pay what you lose."

But that would be dumping, and Europe probably would not allow it.

Britain would not let Canada's wheat farmers be ruined by United States dumping.

On July first this country will have 250,000,000 bushels of wheat "carry over" from 1928 to 1929.

That is 50 per cent more than a year's normal export.

Government may have a plan that will take care of 250,000,000 bushels "carry over", plus the winter wheat crop when July first comes, but the plan has not been published.

Those familiar with wheat and other grain markets, remember that Patten and others that were indicted for attempting to do secretly what the government is now doing openly. They wonder what the government solution of the problem will be and they worry about it.

We produce more wheat than we can use. We must sell it abroad sooner or later.

The whole world knows that we are buying and storing it artificially, and knows also that barring miracles, it should be able to buy American wheat at its own price for the next two or three years.

What will be the effect of that situation?

This is a good deal about wheat, but what is mere discussion today may be a serious part of the American problem next July, and cause the problems of our little statesmen sent to England, and our earnest drys and wets, to seem unimportant.

The question does not interest wheat growers, dealers and spectators only.

It interests every American, every man in and out of a job, every man in business.

It requires wise handling.

It puts upon President Hoover's shoulders as serious a responsibility as any president has ever borne, outside of war time.

Ninth World Is Being Hunted By Scientists Now

Believe That Ninth World Exists Somewhere In Heavens—May Meet Success Soon

(International News Service)

LAKE GENEVA, Wis., March 14.—Working on a technical location furnished by Harvard University astronomers, University of Chicago scientists at Yerkes Observatory today prepared to photograph the new giant planet discovered at Lowell Observatory, Flagstaff, Ariz., yesterday.

The giant high-powered telescopes with which Yerkes Observatory is equipped were focussed on the approximate location last night, with little success. It may take several nights before satisfactory results can be recorded, Prof. S. B. Barret announced here today.

Yerkes astronomers announced that discovery of the ninth world by Lowell Observatory has ended more than a year of vain search by University of Chicago scientists to locate the same planet.

Prof. Barret explained that the Yerkes search was based on erroneous calculations.

The late Dr. Percival Lowell's predictions in 1911 as to the existence of the new world were based on a highly complicated mathematical formula in which he plotted the course of the then hypothetical new planet.

Some women insist on their rights, even t' th' right o' drivin' on both sides o' th' street at one time.

Hubby Threw Knives, Wife Wants Divorce

Rose Sagriponti has filed an application at the prothonotary's office to get a divorce from her husband, Marino Sagriponti, on the grounds of cruelty. Mrs. Sagriponti claims that he beat her, threw knives at her and threatened to kill her. They were married in April, 1917 and lived together until January, 1930.

JURY GETS TESTIMONY ON HOW BRADY PAUL WAS SHOT BY WOMAN

(Continued From Page One)

testimony was merely to add a few minor details as to position of objects near her home when the commonwealth took pictures on February 21. No cross examination.

Ralph Newingham was recalled and testified that the car he drove on Feb. 21 for the pictures was the same model Chevrolet coach as the one in which Irene Schroeder and Dague rode on December 27.

Boy Testifies

Raymond Baldwin, son of Mrs. Eva Baldwin was called to the stand.

Q. What grade are you in?
A. Eighth grade.
Q. Did you see the motor patrol at your lane December 27?
A. Yes. I watched them stop cars on the Butler road. After stopping 6 or 7 towards New Castle a Chevrolet came along and was stopped by Brady Paul. He walked to the window of the car and Ernest Moore was in back of him. A man got out and a woman followed. Both pulled their guns and pointed them at Brady Paul. He backed up towards Butler.. The two people had their guns pointed at Paul. Ernest Moore was by the front fender.
Q. Did you see any shooting?

Woman Shot Paul

A. Yes the woman shot Brady Paul.
Q. How could you tell she shot?
A. By the smoke and the noise.
Q. Did you watch Moore?
A. Yes he was down back of the radiator and would raise up as if to shoot.
Q. Who was near Moore.
A. Dague.
Q. What did the man do?
A. He was stooped over Moore.
Q. When was this?
A. While Moore was in the roadway.
Q. Had Moore fallen down? Objected to.
Q. What position was Moore in when the man was over him.
A. He was lying on the ground.
Q. After you noticed this man lean over Moore did you look on the other side?
A. Yes, Paul was behind a pole shooting.
Q. Was that after you had seen the man stooping over Moore?
A. Yes.

Paul Fired

Q. How many shots did Paul fire?
A. About two.
Q. Where you at home when the engineer and photographer were at your home?
A. Yes.

Witness identified a picture of the view from the Baldwin home. The picture was then admitted as evidence, objection being overruled.

Cross Examined by Dickey

Q. Did you hear someone say get back?
A. Yes.
Q. And you could hear that from the house?
A. Yes sir.
Q. How far it it to the road?
A. I don't know.
O. Isn't it about 400 feet?
A. I don't know.
Q. Could you see Brady Paul's hand?
A. No.
Q. What was in the man and woman's hand?
A. Guns.
Q. Did you notice where Moore left Paul?
A. Just after Paul went to the window.
Q. You can't be mistaken about seeing the smoke from the gun in the woman's hand?
A. No sir.
Q. Did you notice Paul as be went back to the pole?
A. No sir I wat watching the car.
Q. How many times did the woman shoot. Once?
A. Yes.

Mrs. Williams Called

Mrs. Martha Williams who resides next to Mrs. Baldwin was called.

Q. You were home on December 27?
A. Yes.
Q. What did you see about noon?
A. Saw two officers park their motorcycle in the Baldwin lane. They were stopping cars going towards New Castle. They stopped a Checrolet car. The taller one went to the door while the other one went around the car. A man got out of the car followed by a woman. The woman had her hand extended. Then I went to an adjoining window, a front window.
Q. What did you see them?
A. Well, I didn't have a good view of the rear of the car—I saw Moore crouched down in front of the radiator. I saw Corporal Paul and the lady at the rear of the car. She had her hand extended towards Paul I heard a shot and saw smoke from her hand.
Q. How far was Paul from the woman?
A. About 8 feet.
Q. Did you see anything at the front of the car?
A. Saw a man stooping over Moore.
Q. Did Paul get to the pole?
A. Yes.
Q. Up to that time had he shot?
A. No.
Q. Did he shoot?
A. Yes at the car as it was leaving.
Q. How many shots did he fire?
A. About 4.
Q. How was the man dressed?
A. A long dark overcoat and soft hat.
Q. How was the woman dressed?
A. Black coat and black hat.

Cross Examined by Jarrett

No change in the testimony of Mrs. Williams.

Howard Zeigler who resides on the Butler road saw the officers when they were in the lane. His attention was first attracted by a screeching brakes.

Q. Where were you then?
A. On the davenport.
Q. What did you do?
A. Went to the window and looked out.
Q. Did you point out the place you were standing to the photographer?
A. Yes.
Q Did you have an unobstructed view of the officer as well as the automobile?
A Yes, Paul stayed at the door of the car and Moore went around back A man and woman got out and they each had a gun in their hand. Paul backed up with the woman covering him. I saw his left hand but couldn't see Paul's right hand as they were in the road
Q Could you see them back of the car
A No, just the back of the woman and the man. I couldn't see Paul or Moore
Q Was the man next the car or the woman?
A The woman
Q Then what?
A I saw Moore coming around the front of the car and raise up
Q Did you see anyone in the car?
A No sir
Q What became of the man at the back of the car?
A He came around the side of the car
Q Where was Moore then?
A Getting down in front of the radiator
Q Did the man walk or run?
A Walked fast
Q What was Moore doing?
A Raising up
Q What did he do?
A Aimed at the left side of the car
Q Did he have anything in his hand
A A gun
Q Did you see the woman and Paul after you saw the woman disappear back of the car?
A I did not

Moved Moore With Foot

Q Did you see what the man did?
A He moved Moore over with his foot
Q Then what?
A Brady Paul was going towards the pole and the man ran after him and shot
Q Then what?
A The man ran back to the car, got in and the car left
Q Where was Paul?
A About 15 feet from the telephone pole
Q How many shots did the man fire at Paul?
A One
Q How was Paul going?
A Stooped over
Q Did Paul fire?
A Yes, once at the car as it was leaving.

Commonwealth offer an evidence a picture taken from where Zeigler saw the shooting. Objected to and omitted.

Short Recess

A recess of ten minutes was taken before Zeigler finished his direct testimony.

Q. Did you see the car go by?
A. Yes.
Q. Who was in it?
A. A man and a woman in the front seat and a man in the back seat.

Cross examined by Dickey.

Q. You say Moore went down once?
A. Yes.
Q. Then did he go clear down?
A. Yes.
Q. What kind of a day was it out there Howard?
A. Clear day.
Q. Did you go out of house when car drove away?
A. Yes.
Q. Did you notice a truck?
A. Yes it was backing up.
Q. Where was Ernest Moore when you first saw him?
A. In the road stopping cars.
Q. See him walking around the car?
A. Yes.
Q. Did you notice what his gait was?
A. He was walking, kind of bent over a little bit.
Q. Did he have a gun in his hand?
A. Not as he was coming around to the front. He did when he got to the front of the car. He drew it then.

George Book

George Book, a truck driver who saw the battle from his truck on the Butler road was called.

Q What kind of truck did you have?
A. A Ford.
Q. Were you on the Butler-New Castle road that day?
A. Yes.
Q. What time were you in the vicinity of the Baldwin home?
A. Shortly after 12 o'clock.
Q. When you came towards the William's home did you see a car?
A. Yes. I saw one there and two highway patrolmen.
Q. Did you designate to the engineer and photographers where you were on the road?
A. Yes.
Q. Did you travel toward the car?
A. For a while. I stopped about 125 or 150 feet from the car.
Q. Did you observe the position of the car ahead of you?
A. Yes.

Witness identifies two pictures taken from where his truck was. Commonwealth offers both pictures in evidence. Objected to and overruled. Offer admitted.

Q. Did you see any officer?
A. Yes. One on one side of car and one just around behind it.
Q. See anybody getting out of car?
A. A man and woman were just getting out of the car as I came around the curve.
Q. Which was first?
A. The man.
Q. What did they do?
A. Looked to me as though the man gave Paul a shove. Then the woman backed Paul up.
Q. Where was she?
A. On the left side of the car.
Q. What happened?

Heard a Shot

A. I heard a shot.
Q. Where was the woman?
A. Right in front of Paul.
Q. Where was Paul with reference to the center line of the road?
A. To the north.
Q. You say you backed up?
A. Yes.
Q. Was Moore about when the shot was fired?
A. He was around the side of the car.
Q. Did you back fast or slow?
A. As fast as I could go.
Q. When you stopped did you look forward?

Paul Falls

A. Yes, then I saw the woman backing Paul up the road. Saw smoke coming from her hand. Paul fell. He went down completely.
Q. At the time Paul went down and you saw the smoke how did she have her hand?
A. Extended toward Paul.
Q. Did you notice where Paul had his hand?
A. I couldn't see.
Q. Was the shot fired by the woman?
A. Yes sir.
Q. Up to when he fell did you see Paul do any shooting?
A. No.
Q. Was there any other person between you and the car?
A. No sir.
Q. When Paul fell where did the woman go?
A. Back to the car.
Q. What did Paul do.
A. Got up.
Q. Was he facing New Castle.
A. Yes.

Witness then illustrated Paul's position.

Went to Pole

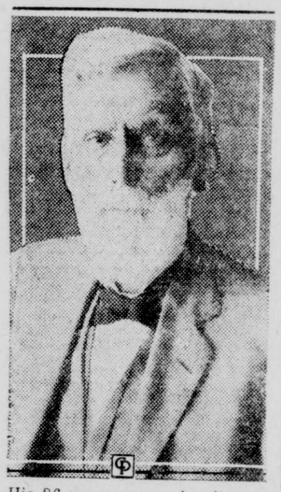

Q. Did you have your attention on Paul as he went from where he fell to the pole.
A. Yes.
Q. How far did he have to go.
A. About 40 feet. Then he raised his gun.
Q. Did the car start to move.
A. Yes very shortly after.
Q. Did Paul shoot.
A. I do not know.
Q. Did you see Paul after the car went away.
A. Yes. I brought him in to New Castle.
Q. Did he get into the truck.
A. I took him by the arm and helped him.
Q. Where did he ride.
A. On the seat. He sat up for a while and then laid his head on my arm. He said, see where I got shot and showed me his coat.
Q. What did you do with Paul.
A. Took him to Kelley's undertaking room.
Q. Who took him in.
A. A couple of men helped him in.

Cross-examined by Dickey.

Q. You don't know who fired that shot.
A. No sir.
Q. You say the man shoved Paul.
A. Yes he shoved him a little.
Q. Did you see Moore.
A. Yes at the rear of the car.
Q. Was he standing still.
A. Yes.
Q. Was Brady Paul at the back of the car.
A. Didn't notice.
Q. As a matter of fact you didn't see anyone shoot.
A. I saw the smoke.
Q. Did you know if the shot struck.
A. I couldn't say.
Q. When Paul got to the pole did Paul shoot.
A. I can't say.
Q. Did you hear other shots.
A. Yes.
Q. When Brady Paul fell how did he go down.
A. Sideways.

Court adjourned for the noon recess.

Veteran Seeks Office

His 86 years are no handicap to General R. A. Sneed, commander of the United Confederate veterans, who is seeking his third nomination for state office in the Oklahoma Democratic primaries. General Sneed is state treasurer at present and aspires to the secretaryship of state, which office he held before he became treasurer.

FRIEND ESCORTS KEYES TO PRISON

His last appeal lost, Asa Keyes, widely known Los Angeles district attorney, who himself sent more than 5,000 persons to state's prison, has taken his place behind the bars in San Quentin prison, California, convicted of bribery in connection with the Julian oil cases. Keyes is shown here en route to the jail, left, in custody of Deputy Frank Cochran, a life-long friend.

Winners in Miami Contest

(Left to right) Miss Alberta McKellop, who as "Miss California," won second prize in the Miami Beauty Contest. Miss Janet Eastman, as "Miss Texas," was adjudged "America's Sweetheart," carrying the highest honors to the Lone Star State, and Miss Margaret Ekdahl, as "Miss Florida," was awarded third place. They will journey to Rio De Janiro, where they will compete for the title of "Miss Universe."

(International Newsreel)

Plans to Take Record From Zep

John Henry Mears, New York business man and world famous globe girdler, seated in the cockpit of a training plane at Central Airport, Camden, N. J., where he is taking flying instructions. His purpose is of course the unswerving determination to get one more hold on the record for the around-the-world trip. In 1920, with Pilot Captain Charles B. Collyer, he used a plane for a major part of the globe-circling exploit in which he established a record of 23 days. The record was shortlived, however, for the very next year the Graf Zeppelin made the trip in 21 days.

MOTHERS CLUB HOLDS MEETING

International Institute Organization Hold Meeting On Thursday Night

The Polish Mothers club of the International Institute for Foreign Women on Pennsylvania avenue held its regular meeting on Thursday night at the institution home, according to Miss W. J. N. Sroczynska, who is at the head of this organization.

Chat and games were the pastimes followed by refreshments. It was voted upon by the club to have a theatre party on Monday night. A picture concerning Poland and its people will be seen at a local theatre.

The club will hold its next meeting on Thursday, March 20. The Merry Circle club will hold its meeting on Tuesday night at the institute home.

Gas Companies To Spend $10,000,000

(International News Service)

BOSTON, Mass., March 14—Gas companies in New England will spend $10,000,000 for extensions and improvements this year, C. D. Williams, Executive secretary of the New England Gas Association reported to the New England Council. A new water gas plant in Brockton will cost $75,000. The Eastern Gas and Fuel Associates will spend $6,000,000. Capital improvements in Manchester, N. H., will cost $450,000.

1 Umbrella Stolen; 8 Are Returned

(International News Service)

LOS ANGELES, Cal., March 14—Ben Gundelfinger, took an old umbrella to church and as a result had eight good ones today.

His old one disappeared from the vestibule of the church. He advertised that he knew who took it and would prosecute unless the umbrella was left on his front porch.

Two days later he found eight umbrellas there.

Coast Children Return To School

(International News Service)

MARYSVILLE, Cal., March 14.—School vacation is over for hundreds of California pupils. Schools in the Sierras, on account of snow, are forced to reverse the customary schedule, and take their vacation in the winter. This week they reopened in many mountain districts.

First Vacation In Ten Years

(International News Service)

NEW YORK, March 14.—Leopold Zimmerman, veteran Wall street banker, has reason to enjoy his vacation, for it is his first in ten years. Now 76 years of age Mr. Zimmerman can boast of not having been away from his office for a single day in many years.

Steel Worker Is Fatally Injured

(International News Service)

PITTSBURGH, March 14.—Frank Tosch, 19, of Alicia, Pa., who suffered severe injuries when he was crushed under a load of steel bars in the Clairton works of the Carnegie Steel company late yesterday, died in the West Penn hospital here today.

Boy Scout News

POOL MEET

Rotary Troop No. 1 held its regular weekly meeting last night at the Ben Franklin gymnasium with scoutmaster LeRoi Norton, Assistant Scoutmaster Hite and assistant McCandless and 30 scouts present.

The main features of the evening was a swimming tournament between the Ben Franklin swimming team and Troop 1, in which the Franklin boys nosed out the scouts by a score of 53 to 44.

The summary follows:

40 yd. free dash—Clark first; Ben second and McClure third.

40 yd. breatstroke—Nigro, Woodworth and Myman.

40 yd. backstroke—Fleming, Benn and Grommes.

60 yd. backstroke—Allen, Thomas and Coazzo and Wyman tied for third.

60 yd. breaststroke—Nigro, Woodworth, Clark.

60 yd. backstroke—Fleming, Benn and McLure.

10 yd. free—Thomas, Hoon and Wyman.

Diving—Thomas, Allen, Thomas and Wyman.

Plunge—McLure, O'Laughlin and Wyman.

Relay—Winning team composed of Nigro, Fleming and Thomas.

Officials were: Starter, Norton; scorer, Hite; judge McCandles.

High scorers of the meet were Allen with 15 points. Thomas was second with 15.

Next on the program was a grand inter-patrol athletic meet. The Eagle partol won the "hundred" and the "mile" the Beaver patrol won the "long jump" and several others and the Pine Tree patrol won the "quarter" and the furlong.

The meeting closed with the Lord's prayer

Scribe "Bill" McBurney.

Safety Rally At Hillsville

Limestone Company Employes Take Part In Program In Hillsville School Building

Employes of the Lake Erie and Union Limestone companies participated in a safety rally held in the Mahoning township Consolidated school building in Hillsville last evening, approximately 1000 being in attendance.

The program of the evening was in charge of Joseph Leper, superintendent of sanitation and safety.

Addresses on safety measures were made by J. R. McCleary and L. W. Lippincott of Erie, along the lines of accident prevention.

Vocal numbers were rendered by Fred Coates and Bob Morrison with Miss Bessie Hoffmaster at the piano. Movies showing accident prevention work and modern methods in safety were followed by a film for the children.

In conclusion Walter W. Duff manager of the companies, gave a short talk.

A joke's a very serious thing.—Churchill.

Jurors Called For Court Next Week

Two Panels Of Sixty Each Summoned To Appear On Monday, March 17

Two panels of petit jurors, each comprising sixty names, have been summoned for the week of court, beginning March 17. The following for court room No. 1:

Local Doctors At Ohio Banquet

Drs. John Foster, J. L. Popp and W. A. Womer were among those who attended the annual banquet of the Mahoning County Medical and Mahoning County Dental Societies in Youngstown last evening.

A fine program of entertainment was presented consisting principally of vaudeville numbers by entertainers from Youngstown theatres.

The principal address of the evening was delivered by S. G. Rose of Cleveland.

Alleged Detroit Slayer Is Held In Pittsburgh

(International News Service)

PITTSBURGH, March 14—Charged with shooting a Detroit policeman to death during a holdup in that city last Saturday, Pete Kulczyick, 17, was held by Allegheny county authorities today awaiting the arrival of Detroit officers.

Kulczyick was trapped in a south side dwelling where he had gone to keep an appointment with a girl last night. Four county authorities were waiting when Kulczyick arrived. He was seized and overpowered as he entered the door.

Mercer County Man Is Held For Court

Arrested By State Troopers With Large Quantity Of Liquor In Possession

MERCER, Pa., March 14.— Harry Frisk, aged 24, of Springfield Township was arrested by Privates Knudson, and Harris of the State Troopers at No. 5 Mine on a liquor charge. At a hearing before Justice T. W. McClain he was held for court on $1500 bail which he was unable to furnish.

He had 18 pints and a five gallon can when they arrested him, and it is thought that there had been six more pints due to six empty spaces. Frisk has been under suspicion for some time and he was arrested with the liquor in a Ford touring car which was confiscated.

TO TEST CATTLE

Following the conference held by Dr. H. A. Milo of the State Bureau of Animal Industry, County Commissioners and County Farm Agent, W. S. Hagar, it was decided to make the fourth county wide tubercular test of cattle of Mercer county, starting Monday, April 21. There will be a staff large enough to complete the work before the farmers are ready to turn their cattle out to pasture.

Mercer County will be the first county in Eastern United States to make a county wide test and to become an accredited area.

IS RECOVERING

William Henry, of Sheakleyville who tried to commit suicide a few weeks ago is recovering at the Mercer Cottage hospital following an operation performed by Dr. D. E. Vogan, and is changing his views on life. He now expresses a desire to live.

TO SELL OUT FEW

The list for Sheriff sales at the present time is very small and but very few pieces of real estate have been issued. The sale will take place in April and the last day for filing will be April 20.

In the January sale it was the opposite with the largest list in Mercer county for a numberf of years. The decease shows that business conditions in Mercer county are not in such terrible straits as some would think.

CONTEST ENDS

The second annual Bird house contest sponsored by the Mercer Burbank club will come to a close on Saturday. The contestants are to have their houses in at the Farmers and Mechanics Bank not later than 10 a. m., where they will be received by a committee and arranged for judging. The judging will take place at 10:30 and the judges are Arthur Patterson, and Frank Dodds well known Mercer carpenters.

The bird houses can be inspected by the public at the bank either Saturday afternoon or evening. There will be several different types of houses this year and it is expected that the display will be very good as over 50 boys and girls have entered the contest.

Former Resident Of New Castle Is Called By Death

Word has been received here of the death of Jonh M. Hunter at a hospital in San Bernardino, Cal. Mr. Hunter was born and reared in New Castle. He left here about 20 years ago had resided in Nevada, Texas and California since that time. He was engaged in the oil leasing business at the time of his death.

Mr. Hunter was 52 years of age. He leaves two brothers, Norman M. Hunter of San Bernardino, Cal., and William George Hunter of Los Angeles, Cal. Miss Effie McKibben and Mrs. Harry McKibben of this city are cousins of the deceased and Mrs. Frederick J. Lindorfer, a niece.

Mr. Hunter's death was due to heart trouble. He died on March 3rd and was buried in Mountain View cemetery, San Bernardino on March 7.

Trinity Church Has Bible Study

Sunday Evening Service Will Deal With Coming Of The Holy Spirit

The reaction from the Bible Study, conducted for the 1st time last Sunday evening in Trinity church, have been very favorable. It is believed increasing interest will be generated as progress is made in the consideration of the book of the Acts of the Apostles, because it is so modern in its appeal, being a record of action and victory over difficulties.

The plan of service taking advantage of the permissions given in the New Book of Common Prayer, worked out very well and met general approval.

Next Sunday evening one of the greatest Chapters in the whole New Testament, will be considered, namely the second, giving an account of the coming of the Holy Spirit, on Whitsunday, the 1900th anniversary of which will be celebrated next June 8th.

B. & O. Engineer Dies In Youngstown

J. Carl McGoun, aged 57, 614 Cohasset Drive, Youngstown, O., and an engineer on the B. & O railroad for 37 years, died of pneumonia at 4 a. m. Thursday in St. Elizabeth's hospital.

Mr. McGoun was born in New Castle, the son of James and Susanna McGoun, and in 1910 was married to Alice Crum Wakelee. He was a member of the Nobles of the Mystic Shrine, Western Star lodge 21, F. & A. M.; Youngstown chapter 93 R. A. M., St. John's Commandery 20 K. T. and was past eminent commander of the commandery.

He is survived by his wife, a stepson, Willis J. Wakelee, Youngstown; a step-daughter, Mrs. William Dominick of Cleveland, and two brothers Harvey E. McGoun of North Mercer street, this city, and Horace McGoun of Sharon, Pa.

Funeral services will be conducted by the Knights Templar of St. John's Commandery Saturday at 2 p. m. at the residence. Rev. Joseph Lloyd will officiate and burial will be made in the Four Mile run cemetery.

Suit Is Filed To Recover Property

William McElwee, Jr., for the use of W. C. Henderson, has filed an action in ejectment at the prothonotary's office against A. J. Clark, to secure possession of a property on King avenue, Union township. Plaintiff claims that the defendant is $60 back in his rent.

A Real Cave Girl

Texas Girl Earns Way Through College Conducting Tourists Through Caverns

CARLBAD CAVERNS.

By Central Press

EL PASO, Tex., March 14. — Miss Frances Mildred Rister, pretty 17-year-old freshman in the Texas College of Mines here, is a real "cave girl" and she's attending college on the savings of her profession.

She has the distinction of being one of the girl guides who every summer conduct tourists through the great Carlsbad caverns in New Mexico, now being explored by the Frank Ernest Nicholson expedition.

Only three girls have held Miss Rister's post. She has made more than 300 trips, deep into the passages of the big cave.

Guide Language

"The guides have a language all their own," says Miss Rister. "Guides like myself who are just there during school vacations are called '90-day wonders.' The permanent guides are called rangers. Tourists who go through the caves are called 'dudes.' "The chief qualifications for being a guide are strong legs and the ability to answer the same 10,000 questions 10,000 times in rapid succession. You have to take a physical examination to become a guide. If you are more than 90 per cent fit, they take you through the caverns five times and then they hand you a lantern and tell you to go through by yourself. If you ever get back, you can have the job.

"I've never taken a party through that someone didn't crack what he thought was an original joke, saying 'I've seen the caverns at night, now I'd like to see them in the daytime.'

Lantern for Emergency

"A guide has to carry a 15-pound gasoline lantern, and a large, powerful flashlight. While the part of the caverns through which tourists are taken is lighted by electricity, the lantern is carried for emergencies.

"Carrying this heavy load, a guide gets disgusted with women who faint from the long, hard trip. They faint because the word has been spread around that folks who collapse will be carried out."

BESSEMER

On Friday evening a large number of ladies gathered at the home of Mrs. Joseph McIlvenny in farewell to one of their members, Mrs. James C. Ferrell. Those present were Mrs. Charles Weitz, Miss Anna Dite, Miss Esther Landman, Mrs. A. A. Shoup, Mrs. Matt Myers, Mrs. Albert Hedberg, Mrs. William Ebberts, Mrs. Lawrence Tennis, Mrs. A. L. Winters, Mrs. Frank Kelley, Mrs. P. W. Griffin, Mrs. Carl Montgomery, Mrs. Roy Wallis, Mrs. Joseph Martin, Mrs. Roy DeArment, Mrs. Alton Heard, Mrs. Harry Smith, Mrs. James Weisen, Mrs. W. J. Engle, Mrs. Robert Harmon, Mrs. George McKinney, Mrs. Alfred Lago, the honor guest and the hostess.

Mr. and Mrs. Warren Henry and family toured to Sharon and attended a birthday surprise party on the latter's mother, Mrs. Margaret Barnes, on Tuesday evening.

Callers in New Castle over the week-end were Mr. and Mrs. Alfred Swanson, Misses Martha and Selma Swanson, Mrs. D. C. Heilman and children, Mr. and Mrs. J. R. Chaney, Mrs. William Chaney, Frank Macek, Pauline Macek and Mrs. John Snezic.

George White of Columbiana spent Saturday with his parents, Mr. and Mrs. H. S. White and family.

Miss Pauline Macek of East Palestine spent the week-end with her sister, Mrs. Frank Macek and family.

Mr. and Mrs. M. M. Ferrell and daughter, Mr. and Mrs. J. C. Ferrell and family moved to Youngstown the early part of this week.

Mr. and Mrs. Ivan Groce of Poland spent Sunday visiting relatives in town.

Paul Macklin left Tuesday for Maywood, Ill., where he will spend some time with his brother and wife, Mr. and Mrs. Wilbur Macklin.

The condition of Carl Kanengeiser is very serious. He has been ill since November.

Mr. and Mrs. Kenneth Persing of the Glen spent Thursday evening with Mr. and Mrs. H. H. Persing.

Mr. and Mrs. Hugh Rice and children of Harpers Ferry spent Saturday afternoon with Mr. and Mrs. Lee Rice.

Mrs. Gerald Infield of Ellwood City spent the week-end with her parents, Mr. and Mrs. E. B. Manewal.

Callers at the home of Mr. and Mrs. Will Groce and family on Sunday were Mr. and Mrs. Robert Groce and children and Mr. and Mrs. S. V. Solinger of Emlenton.

Mrs. Lem Snyder of Edenburg spent Monday with her daughter, Mrs. Robert Penwell and family.

Mrs. Mary Gagliano spent Monday with her parents at Hillsville. Mr. Guylitto has been laid up with rheumatism.

Mr. and Mrs. Raymond B. Barger and daughter Beatrice and Jackie Clarke of Youngstown spent Monday afternoon with friends in town.

Mr. and Mrs. Mrs. Merrill DeArment of Conneaut Lake spent Sunday with their son and family, Mr. and Mrs. Roy DeArment. The latter will remain for a short visit.

Mr. and Mrs. Chester Chaddock and family spent Sunday with relatives at Lewistown, O.

The gospel crusade of the First Presbyterian church under the direction of Dr. B. Frank White, started Monday evening with a large crowd and continued each evening with a larger crowd. The servives begin each week day night at 7:45 and on Sunday at 11 a. m. and 7:45 p. m. Prayer services are being held each morning in three different districts of the town.

FRILLS FEATURE SPRING FROCKS SEEN IN PARIS

By ALICE LANGELIER
International News Service Staff Correspondent

PARIS, March 14.—Delightful details make the distinguishing feature of many smart models now being shown for spring and summer and prove once more the truth of the old, old staying about it still being the little things that count.

A clever use of gatherings on shoulders and elbows, a trick of using white yokes and deep cuffs inserted in dark materials to lighten the tone of practical clothes, little upstanding frills about the throat—all show the French care of details. Lingerie touches are at the neck and cuffs of most tailored frocks. Curved lapels and notched edges come on the classic tailleur to give it the desired feminine touch.

Boleros and bolero effects are numerous. Occasionally, the back of the skirt on an afternoon frock dips in sympathy with the bolero bodice.

Gold leather in scroll design outlines the neckline of a soft yellow crepe frock. At the front there are three gold tassels of beads. At the side are double flounces, one being of the palest green.

A taffeta frock has a drop shoulder decolletage with three loops of the material serving as little cap sleeves.

Fine black horsehair makes the upstanding frill around the slightly U decolletage in the front of a charming black taffeta gown. On another, oval panels are outlined by ruchings which also appear around the decolete in the back.

Cyber uses a most interesting raffia trimming on the flounces of a navy georgette gown. This dressmaker is also favoring old-fashioned eyelet embroidery which is one of the loveliest revivals.

Breaks Own Leg And Resets Bones

(International News Service)

DENVER, Col., Mar. 14.—It takes grit for a man to break his own leg and reset the crooked bones. That's what Carl Neilson, 46, a plasterer, did here recently.

Neilson was plastering several months ago when he fell off the scaffold and broke his leg. The doctor set it, but when the cast was removed the leg "looked like a twisted stove pipe," according to Neilson.

Neilson then sent his wife downtown and while she was away procured a rope and two heavy iron plates. Twisting the rope, he squeezed the plates, vise-like, upon his leg.

The bones gave way. X-ray pictures showed that he broke the bones in two places, creating a new fracture beside rebreaking the old one.

"The curtain was down for me," Neilson admits, "but only for a second. Then I went to work and I got things straight. I strapped the irons on, and let nature take her time."

Nature did. Surgeons say Neilson's leg is now a normal limb. His drastic cure, however, loosened a small splinter of bone which recently set up infection and made a minor operation necessary. He is said to be well on the way to recovery.

Wounded Gunman Dies In Hospital

(International News Service)

PHILADELPHIA, March 14.—The bullet-riddled body of "Petey the Gink," said to be a small-time racketeer, was dumped on the steps of St. Mary's hospital early today by two men who fled in an automobile.

The wounded man succumbed without revealing the names of his assailants.

The dead man's real name was John Scandon, according to police.

Three suspects have been arrested in connection with the shooting.

"Breathing" Piano Makes Appearance

(International News Service)

NEW YORK, March 14.—Something extremely novel for the public fancy is the latest instrument—a "breathing piano."

Dr. John Hays Hammond Jr., inventor, is responsible for this invention. The piano features sustained sound vibrations and tone shading, which results in effects similar to those rendered by string instruments and the human voice.

SALLY'S SALLIES

Some people strain a point to make it clear.

Ferguson To Seek Texas Governorship

(International News Service)

AUSTIN, Texas, Mar. 14.—James E. Ferguson, former governor of Texas, is definitely in the race for that office again. Ferguson was impeached while he was governor in 1917.

Whether or not Ferguson could, as the result of his impeachment, prove himself eligible for the office is expected to be questioned. The thirty-ninth legislature passed a law which would have removed his disbarment from the ballot, but the fortieth legislature repealed that law.

Ferguson contends his "pardon", effected by the thirty-ninth legislature's action, was unaffected by the fortieth legislature's repeal.

Ferguson's wife, Mrs. Miriam A. "Ma" Ferguson, first and only woman governor of Texas, was defeated at the polls by Dan Moody, the incumbent.

PURITAN MALT

—it's different

The "Controlled-Temperature Process" insures uniformity
Give two housewives the same material and ask them to bake bread.
One will produce a masterpiece—the other a lump of hardtack—out of the same flour.
The difference is in the skill.

Other manufacturers can buy the same barley and hops we use in Puritan.
But—we insure quality manufacture by the "CONTROLLED-TEMPERATURE PROCESS." The heat is watched during the malt making—not "just now and then" but every second—every minute—every hour of the twenty-four.
The uniformity of quality and results is one of Puritan's points of difference.
—Chances are you'll find a tenth more in the Puritan can than you've been getting.
—ask your dealer for Puritan. He has it.

Missionary Society Meets.

The missionary society of the Second Baptist church met Thursday evening in the home of Mrs. Adrian Jackson on West Washington street. Mrs. W. P. Nelson presided and 16 members answered roll call.

There was much business transacted and the society has outlined a great deal of work. Two new members were admitted to the membership. Mrs. Georgia Miller was a special guest.

The hostess, assisted by Mrs. Kate Dowe and Mrs. Etta Davis, served dainty refreshments at the conclusion of the business session.

April 10 the society will meet in the home of Mrs. Mabel Gardner.

Club Party.

The Junior Federated Girls club will have a party this evening in the home of Mrs. Lettie B. Williams.

Our graduate foundation Stylist will make proper fittings.

Skeleton Of Ancient Princess Is Found

(International News Service)

AVALON, Catalina Island, Cal., March 14—The skeleton of a child possibly another prehistoric princess, sacrificed to the ugly channel Indian sun god, Chinigchinick, now reposes in the growing collection of the Catalina museum.

The skeleton together with 27 treasure boxes, containing beads, necklaces, shell and carved stone ornaments were dug up by Professor Ralph Glidden, archeologist. Glidden is seeking the central portion of the sun temple. Some of the entrances have been unearthed.

A land slip destroyed the temple, which resembled the great Stonhenge monolith temple in Salisbury Plain, England.

Recent discoveries indicate that dogs were among the sacred animals of the pre-Columbia dwellers on this island.

Council Approves Veterans Request

Council today went on record as favoring the passage of a bill now before the U. S. senate and house of representatives relative to pensions for the veterans of the Spanish-American war. The motion was offered by Councilman Genkinger and passed unanimously.

One In Every Six Persons Has Auto In Illinois State

(International News Service)

CHICAGO, March 14—An automobile in Illinois for every five and one-half persons is the proud boast of the state's automotive industry, according to a survey on automobile consumption in Illinois recently completed by the research department of the Illinois Chamber of Commerce. A total of 1,410,913 passenger car licenses were issued in 1929 as compared with 1,314,003 in 1928.

Character is fate. (Destiny.)—Heraclitus.

Benefit Show To Be Shortened

Managers State That Program Will Be Speeded Up Tonight

Reed McCullough and Dave Fisher wanted it made plain to the patrons of the Jameson Memorial hospital benefit show, staged last night in the Cathedral, and which is scheduled for another performance tonight, that they were not trying for an endurance record in the opening show.

The show was advertised to get under way at 8:15 o'clock and the minstrel circle was ready and waiting for the curtain to go up, but owning to the fact that the orchestra under the direction of Abe Levine was just a little late, something like ten or fifteen minutes, the folds did not part until almost 8:30 o'clock.

The show should have been over at 11:15 o'clock, it had been timed in the rehearsals for just such an event. The minstrel was to take just so long and the "Revue" had its allotted time, but everything went the opposite, that is the later part of the show.

It was just two or three minutes to 12 o'clock midnight when the finale was over, and the big crowd filed out of the Cathedral, satisfied that they had seen a clever lot of performing, with local talent, but unanimous in their contention that the show dragged out too long.

This was not the fault of the committee as they wished to make it known today. The show is being repeated tonight and every effort is going to be made to speed the thing along and get it over by 11:15 o'clock if possible.

Arrest Mail Clerk In Office 17 Years

JOHNSTOWN, Pa., March 14. — Frank Kinzey today furnished bail in the sum of $1,000 for his appearance at the May term of Federal court in Pittsburgh to answer a charge of embezzlement. He is charged with opening mail at the Johnstown postoffice, where he has been employed 17 years.

Rev. E. J. Berquist Visits Friends Here

Rev. E. J. Berquist, former superintendent of the New Castle City Rescue Mission, now pastor of a congregation at Pinckney, Michigan, was a visitor in the city on Thursday afternoon and greeted old friends.

He was enroute to Knox, Pa., where he will conduct a series of revival meetings.

FOR BAD DEBTS

Mrs. Parsons: If woman was given the credit she deserves I don't think man would be quite so prominent in the world's history.

Mr. Parsons: Quite true, my dear. If she could get all the credit she wanted he'd be in the workhouse.—Tit-Bits.

New Kensington Man Is Jailed In Shooting Affray

(International News Service)

PARNASSUS, Pa., March 14.—Quay McHenry, 25, of New Kensington, near here, was being held in jail today pending police investigation into a shooting affray that resulted in the wounding of another man.

Walter Sharkey, 30, of Parnassus, was the victim. He was in the Citizens General hospital with a bullet wound in the left knee. Police said he was shot early today during an argument at his home.

Three Rescued In Sanitarium Fire

(International News Service)

PITTSBURGH, March 14.—Three persons were carried from a private sanitarium here early today when fire did $1,000 damage to a store on the first floor of the building. Firemen fought the blaze for an hour.

Those rescued, all negroes, were Mrs. Mathilda Faulkner, a nurse; her son, William, 3, and Miss Irma Drummond of Rankin, a patient, who underwent an operation yesterday.

The fire started in the rear of the Army and Navy store and spread towards the sanitarium of Dr. W. H. Christian.

Black cotton net, finely pleated, is shown for formal afternoon wear by a Paris house.

Rev. B. R. Lewis Will Preach At Hoover Heights

There will be a special interesting feature at the service of the Hoover Heights Tabernacle this evening. Rev. B. R. Lewis of DuBois will preach. Mr. Lewis is a former New Castle boy and is well known here. Since entering the ministry the blessing of God has attended his efforts. He has recently built a beautiful new church at his present charge. A large hearing is desired for him.

Mother And Son Are Reunited By Chance

PARIS, March 14.—How a mother and son were reunited after 44 years as the result of a chance meeting has been reported from Saint Omer, France. A strange miner recently entered a safe at Quivrechain, and told how his father had abandoned his mother in Quivrechain in 1885 and took him to America when he was 3 years old. His father died shortly after his arrival, and the lad was adopted by Poles, who made a miner of him. Eventually he returned to France working in a pit at Hensies and passing as a Polish miner. An elderly woman, a customer of the cafe listened intently to the story, then questioned the stranger about his father. After a barrage of queries she surprised the crowd by jumping to her feet and declaring that he was not a Pole, but a Frenchman, and that he was her son who had been taken from her 44 years ago.

Is It News—Man Bites Other Man

(International News Service)

MARSEILLES, March 14.—Maybe there isn't much news in this story because the man did not bite the dog.

But Pierre Berutti, stonemason did not get down on his hands and knees and nip the legs of pedestrians until the dog catcher arrived.

At the Pasteur Institute Berutti ceased barking and admitted that he was not suffering from rabbis but had hoped to collect damages from a neighbor whose dog bit him by simulating canine madness.

And right there he ceased to be news.

"How did you get on in the matrimonial lottery?"

"I drew a blank, but my wife drew a winner."—Pages Gaies, Yverdon.

Reported Coup D'Etat Proves To Be Dud

(International News Service)

PARIS, March 14.—Political foe of General Maxine Weygand, new chief of staff of the French Army, have been trying to picture him as a potential "Primo de Rivera" without much success.

They did succeed in drawing a large attendance to the Chamber of Deputies on an otherwise dull day by spreading rumors that sensational revelations regarding a projected coup d'etat would be read out of letters which the general was alleged to have sent Prince Napoleon Bonaparte.

The promised bombshell proved a dud. Questioned about the alleged letters a Socialist spokesman admitted that all he knew was a remark once dropped by Clemenceau, viz:

"General Weygand is the kind of man capable of seizing the reins of government."

This remark caused general hilarity in the Chamber. Members of the left wing of the chamber planned to challenge the government on the appointing of General Weygand to the high post formerly occupied by his mentor, the late Marshal Foch.

Some members of the right wing feel that the rumors depicting General Weygand as an aspiring dictator were inspired by Paul Painleve, former minister of war.

Table Etiquette 400 Years Ago

(International News Service)

PORTLAND, Ore. March 14—Table etiquette 400 years ago may not have attained the fine points of distinction offered today but, nevertheless the banquet board was not without its list of "do and dont's' according to an ancient handbook uncovered by students of economics at the Oregone State College.

It was considered proper table manners to throw bones, gristle, and uneaten parts of vegetables and meats behind one's chair, the 16th century manual declared. Other instructions read:

"At the beginning of the meal everybody should wash his hands in the presence of others in order that those who are going to put their hands in the same dish together may have no doubt about the cleanliness of the other's hands.

"It isn't proper" the book says, "to scratch yourself at the table, and one should abstain as much as possible from spitting on the floor, but if one has to, do it gentilely."

Student Aviator Killed In Crash At Erie Airport

ERIE, Pa., March 14—Arthur J. Kelley of Lawrence Park, a suburb, student flier, was killed Thursday afternoon about two miles from McCray field, Fairview, Pa., when a student club plane which he was flying went into a tail spin at a height of 3,000 feet and crashed to earth.

German Inscriptions Banned In Tyrol

(International News Service)

BERLIN, March 14.—German inscriptions will probably be banned in future from tombstones in former Austrian South Tyrol, now Italian territory.

According to messages from Innsbruck the Italian authorities announced that from now on all inscriptions have to be submitted to them for approval. The Tyrolese papers claim that this regulation practically means the end of German inscriptions on tombstones.

FREW'S

—Astral, suntan, tanglo (smart complexion tones), and the warm, yellow - beige shade called "topaz" extend our Artcraft color range to meet practically every style preference.

—Thus smart women are given still further reason for desiring these full - fashioned chiffon silk stockings .'. .daintily finished with picot tops and square heels.

(Main Floor)

Two groups among our many distinctive COATS

Types indispensable for spring

—If you would be certain of looking smart upon all spring occasions, you will include one coat from each of these groups in your wardrobe. They complement each other nicely...one type serving for utility wear and travel, while the other is reserved for more formal occasions. Yet within each group is such variation of design that choosing becomes a delight!

Coats for sports

$15.00

—Tweeds, of course, fashion the swankiest of these coats...in rose, green, blue, brown, grey, and unusual ombre effects...Each coat bears the mark of 1930's feminine grace in some such detail as a flared skirt, a cape or a scarf collar.

Daytime wraps

$49.50

—Black, navy and pirate blue give varying notes of formality to these coats. Tricova, basket weaves and wool crepes are three of their most interesting fabrics...set off by capes, galapin collars, galyak jabots, or fanciful scarfs. It's usual to see waistlines slenderly defined.

(Second Floor)

These hats have the casual sort of distinction

—that spells youth!

—They are prone to sponsor brims...brims that lift casually in front, and droop demurely at the side. In baku, braided straws, or lace-trimmed hairbraids, they are adapted for many purposes. The colors?...why, navy, black natural, piecrust and vivid shades, of course!

$8.50

(Second Floor)

Winsome new tub frocks please younger fashionables

—And delight mothers who scan their very modest price tags! Our entire junior and children's sections are devoted to spring apparel which equals these "wearables" in value and beauty. See the full array.

Panty frocks

$1.95

—Sizes 7 to 10, in English prints, ginghams and linenes, and sizes 2 to 6 in flower-colored prints ... all of excellent quality.

Girls' frocks

$1.95

—Sizes 7 to 14, in printed linenes ... some with skirts cleverly buttoned to the waist. Adorable for spring school wear.

(Second Floor)

Tot's dresses

$1.00

—A value surprise ... these hand-made voile frocks, in blue, yellow, pink and pale green ... made daintier with hand-embroidery. Sizes 1, 2 and 3.

Girls' blouses

$1.95

—English prints and printed voiles in delectable pastel tones fashion these ... with trilled collars in Peter Pan style. Sizes 7 to 14.

Legion Home Is Undergoing Many Repairs

Is Being Placed In First Class Condition At The Present Time

Extensive repairs and improvements are under way at the present time at the Legion Home on North Jefferson street.

It is the first time in quite a number of years that improvements and changes of the character now under way have been undertaken at the home.

The roof is undergoing extensive repairs and the building is being painted and redecorated on an extensive scale. The Home will be in first class condition, when the present work has been completed.

MEXICO REAPS BIG GAINS FROM GAMING CASINOS

(International News Service)

MEXICALI, Lower Cal., March 14.—A definite part of the dollar that the American pleasure seeker gambles away in northern Lower California, builds the roads, educates the children and lights the streets of Mexican communities.

This is the declaration of Governor Jose M. Tapia, who deplores gambling on principle.

Governor Tapia's statement was considered important in view of a recent order from President Pascual Ortiz Rubio, virtually stopping the reported practice of states issuing temporary gambling permits.

"It is our policy to discourage gambling among Mexicans," Governor Tapia said. "At the same time, however, we recognize gambling at Mexicali, Tijuana and Agua Caliente as necessary to attract tourists. Money derived from the gambling concessions and from tourist trade are absolutely essential to carry on the program of construction we have mapped out.

"Most of the patrons at gambling places is by American people from across the line. The Mexicans participate only on a small scale. The gambling houses are operated by Americans.

"We feel, therefore, that little harm is done to the Mexicans. The Americans come of their own free will.

"The money thus realized is used to good advantage. It builds schools and roads and provides many other improvements.

Young People Of Central Christian Have Get-Together

The young people of the congregation of the Central Christian church met in a get-together meeting in the dining room of the church Thursday evening and spent an enjoyable evening.

Elsie Baynham and Luella Rigby were in charge of arrangements and had arranged a surprise program, which was featured by a mock wedding, very cleverly presented and which caused a lot of amusement.

A delicious lunch was also served by the committee in charge.

Poison Ivy Used To Give "Kick" To Rum

(International News Service)

LURAY, Va., March 14.—The use of poison ivy to impart a "kick" to the liquor manufactured in the mountain stills of this vicinity was discovered during a recent raid by Sheriff E. L. Lucas of Page County.

Sheriff Lucas and his deputies discovered large quantities of poison ivy after raiding a still six miles west of here. The ivy although a deadly poison was not believed to have been used in large quantities and the distillation process was apparently sufficient to reduce its effect to the desired pronounced kick.

French Women Shun Public Scales

(International News Service)

PARIS, March 14.—Very few women wish to weigh themselves, at least in public. A free weighing machine put out on the boulevards in front of an American shoe shop has established this fact. Every day there is a long line of men waiting to "weigh in," for Parisians have a firm belief in the motto which is to be found on all the weighing machines in France, "Qui souvent se pese, se connait; qui bien se connait, bien se porte." Rarely does a woman step on the scales and then she is very petite and knows she will not tip them more than 100 pounds.

L. C. B. A.

The regular monthly meeting of the L. C. B. A. of St. Joseph's church was held Thursday evening in the church hall. All social events were discontinued until after the Lenten season. Plans will be made for a card party to be held some time in April or May.

Very interesting talks on the good of the association were given by members of the lodge. The next meeting will be held the second Thursday in April.

The Most Famous Boys' Suits In the State Are Fisher's "Castle Clothes" at 6.90

No other store can rival these Suits, for no other company makes boys' clothing in their own factory and sells them direct through their own stores.

ALL WOOL

"Castle Clothes" are all wool, tailored with care to the best known dimensions. They are wool (by wool we mean all wool, chemically tested) and come in a wide assortment of new tweed, blue cheviot, suiting, and herringbone materials. Each suit consists of coat, vest, and one pair of knickers. Sizes 6 to 16 years.

MATCHING PANTS

Boys will be boys and none of us wish them otherwise . . . yet they always do seem to ruin the wrong pair of trousers . . . and that is just why Fisher's always provide an extra pair of matching trousers for $1.95. You needn't buy them with the suit, for they will be here all season. Fisher Bros. "Castle Clothes" consist of coat, vest, and one pair of trousers because boys grow so fast, an extra matching pair of trousers for $1.95. **Boys' Store**

Boy Once Termed Failure, Now Nation's Vice President

(International News Service)

DENVER, Col., March 14.—A bold little boy scrambled on a pony, dug his bare heels into its flanks and dashed off across the darkened prairie. He had been told by an aged Indian woman to "get a horse and get out" because he'd "never amount to anything."

That was how Charlie Curtis—now Vice President Charles Curtis of the United States—left the Kaw Indian tribe and went to Topeka, Kansas.

The story was told by James H. Bailey, second cousin of the vice-president and a local post office employe.

"Charlie rode the seventy miles to Topeka. He was just thirteen years old, but it was not the first time that he had started out across the bald prairie alone.

"When he reached Topeka he did odd jobs, studying law during his spare time with Hibb Case, then a prominent Kansas attorney, and doing his best to get ahead. He worked diligently, earnestly, and when he was twenty-four years old, he was elected public prosecuting attorney at Topeka. Nor did he stop there. He soon afterward was elected to Congress.

"Charlie's at the top now," people used to say in Topeka, then. "Look at him, he's in Congress."

"But Charlie wasn't at the top of the heap then, and people have learned it, too. He wasn't going to stop there. After about eight years in the lower house he went into the senate, and now he's vice president of the United States.

"I didn't see Charlie Curtis for thirty-five years before he came to Denver during the campaign of 1928. The last time I saw him before that was when he was riding across the bridge at Topeka. He was young and handsome and as straight as an arrow.

"When I saw him here—met him and talked to him at the hotel—he was stooped, and showed the years that were upon him.

"Charlies is just a good, old fashioned, common man. He's ready to help anybody that will play square with him, and he'll sacrifice lots of time to be of service to others.

"I remember when I was delivering mail up at Boulder, there was a Mrs. Sanderson, whose husband was a freighter across the plains in the good old days. She had a lot of Indian depredation claims against the government, but her congressman didn't seem to want to do anything about it.

"Finally she decided to go to Washington herself to see what could be done. I gave her a letter of introduction to Charlie. When she returned she said he lost no time in getting the claims through and getting her money for her."

Bailey is thirteen years younger than his cousin. Vice President Curtis was seventy years old in January; Bailey will be fifty-seven in June.

"They tell this story of what happened in Council Grove, Kas., before I was born," Baile continued. "One day the Kaws heard that a rival tribe was coming down to wipe out Charlie's people. Charlie, then just 10 years old, started out afoot to Topeka—seventy miles away—to get help. There wasn't anything between Council Grove and Topeka but a lot of prairie and coyotes.

"But he never got there. The warring Indians came, but were turned back and some of Charlie's tribesmen set out to find him and bring him back."

Bailey explained the meaning of Kaw, which also explains Curtis' attitued toward America's efforts toward world peace.

"The Kaws were a branch of the Osage Indians," he said. "They were a peaceable people, who preferred to let the other branch do the fight. I mally the two branches split and the Osages called the Curtis' people Kaws, which is Indian for coward. But Charlie is no coward!

"Charlie is not a half-breed Indian, as some mis-statements have said. His mother was only half Indian. Curtis' grandfather was a full blooded Frenchman and his grandmother was a full blood Kaw, which made Charlie quarter-blood French and quarter-blood Indian."

GOOD LUCK CLUB

The fifth meeting of the Good Luck club was held at the home of Miss Sue Byers, 515 Moody avenue Wednesday evening. Chat, sewing and music were the chief diversions of the evening.

The hostess and Miss Pansy Davis served a delicious lunch. The next meeting will be at the home of Miss Isaphine Scholler, 1023 Dewey avenue, in two weeks.

A BUSINESS MATTER

Mortiz: Dad, what are morals?

Abe: Well, suppose you are in business and a client pays you $3000 instead of $2500. It is a matter of morals whether you pay him back half the difference or not.—Die Muskete, Vienna.

Claims Share in Millions Of Erlanger Estate

One of the few available pictures of Charlotte Fiscal, known on the stage as Charlotte Leslay, who seeks a financial settlement on her claim of being "widow" of A. L. Erlanger. Her claim is being upheld by her attorney, Max Steuer, who alleges that she has been known as Mrs. A. L. Erlanger for the past fifteen years. The estate of the late theatrical producer is estimated at $75,000,000.

Many Nationalities In Children's Band

(International News Service)

DENVER, March 14.—A "Little League of Nations" organization will function when the Globeville baby band performs for the child welfare committee of the Denver community chest here.

Led by Johnny Kay, 5, an Austrian, the baby band includes members of almost every nationality—Mexican, German, Russian, Czech, Italian, Spanish, French, among others.

Tennis Queen Sports Mysterious Diamond

(International News Service)

PARIS, March 14.—Who gave Suzanne Lenglen, celebrated French tennis champion the big diamond she is sporting on her left hand?

That is what a great many people are wondering among those who visit the dressmaking salons of Yvonne May where the temperamental French girl is now making another kind of racket.

She refuses to throw out even a hint about the giver and since young Baldwin seems to be nowhere about for the moment, he can't be asked. Suzanne will talk all she can about her new work, about which she is very enthusiastic, but not one word about that brilliant.

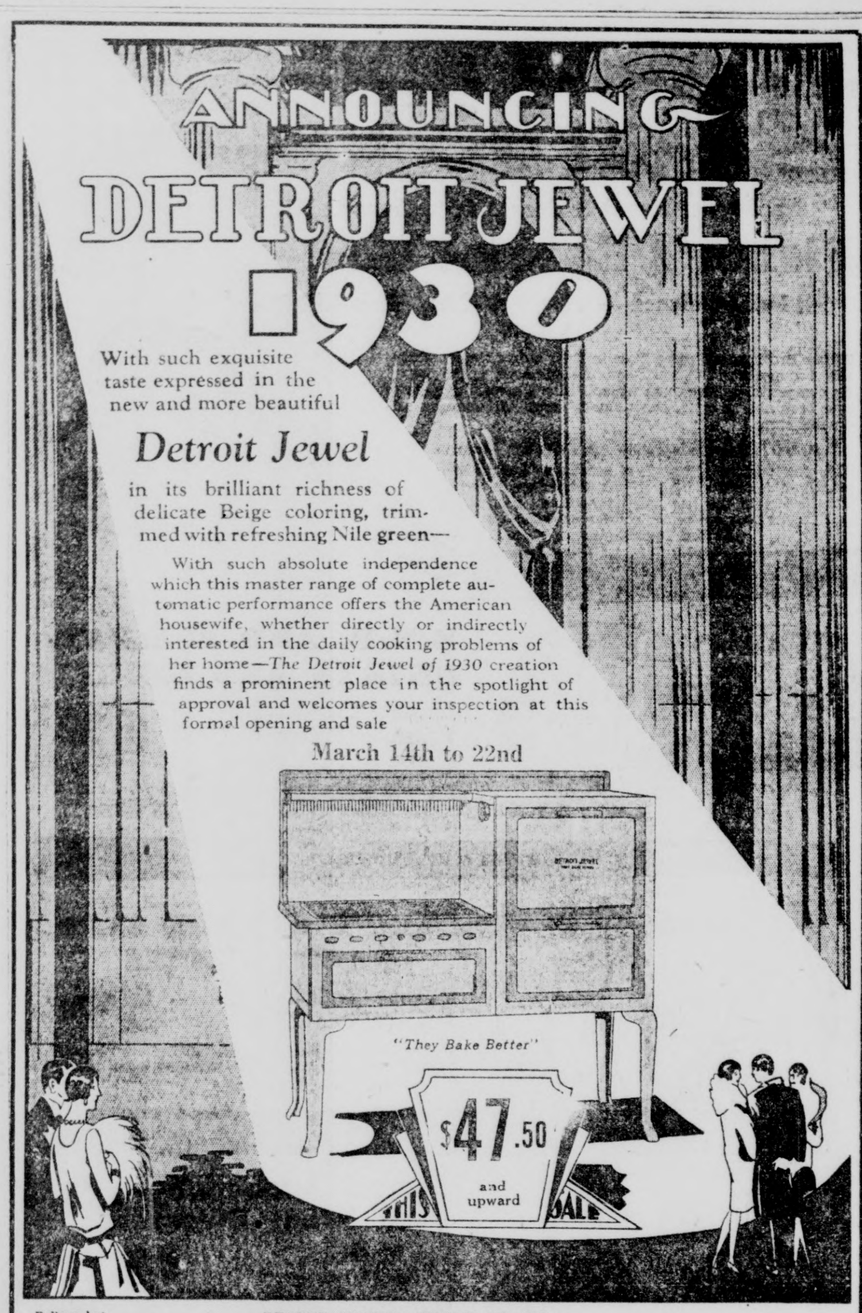

She is personally responsible for each model of the sports department and appears to be an expert in the new field which she has chosen.

Reindeer Farms Being Socialized

(International News Service)

MOSCOW, March 14.—The reindeer farms in the snowbound country near Murmansk within the Arctic circle are being socialized and collectivized just like the wheat ranches of the south. Many of the native Samoyeds have been induced to pool their herds in co-operative farms of about 5,000 head of reindeer, which are raised for their hides and to a lesser extent for meat. The collectivization movement is meeting strong opposition from the richer farmers who privately own about one-third of the total of 5,000,000 reindeer in the region.

Great thoughts come from the heart.—Vauvenargues.

Honors: Robert Aiken, Grace Bell, Sally Lou Byers, Lois Mae Curry, William Kelley, Harriet Kline, William Leivo, David Long, Mary Jane Metzler, George Muse, Sara McKee, Charles Perelman, Charles Rumstay, Clyde Shannon, Jewel Skanesky Lois Marion Smith, Robert Snyder, Jean Wimer.

Old Gold Placers Being Used Again

(International News Service)

PRESCOTT, Ariz., Mar. 14.—More than 60 years ago the first white men to settle in Arizona came to this spot drawn by the reports of trappers that gold was plentiful in the placers of Lynx, Big Bug and Granite Creek.

Today, California capital, equipped with the finest automatic machinery that science can build, is developing those old placers for new and important production.

A 400-acre placer field in the Black Canyon district near Humboldt, Ariz., 23 miles south of here, is under operation by a group headed by R. H. Cole.

The 12,000,000 yards of gold-bearing gravel in the field, has an average worth of $1 a yard.

The methods now employed are in striking contrast to the pans, riffle boxes, hollow-log sluices and crude tools of the first placer miners. Some of the "ancients" still survive here to watch with marveling interest the rapid and cheap operations of the trenchers, tractors, gasoline-driven washers and chemical amalgam plants now in use.

Ministerial Union Edits Daily Paper

(International News Service)

EL PASO, Tex., Mar. 14.—People here in these parts got an idea of how a newspaper looks with ministers as editors and writers.

Members of the El Paso Ministerial Alliance, who edited the El Paso Post for a day, "played up" human interest stories throughout.

The ministerial touch was imparted to crime stories, concerning youthful vandalism, murder, and preparations for executing a murderer.

So-called important news such as the London naval conference, Texas legislation and the congressional tariff battle, were given the "back seat," receiving scant attention and only small headlines.

Model Boy Plans Fling At Matrimony

(International News Service)

MANCHESTER., N. H., March 14—Manchester's model boy, Francis Harrington, who won a $200 prize for not drinking, smoking, swearing or gambling last year, is going to get married. Young Harrington, who is 19 years old, received his award from the Leopold Schepp Foundation. His bride-to-be is Ellen Young of this city.

Card Of Thanks

We wish to thank our friends and neighbors for their kindness and sympathy shown during the sickness and death of our son, Raymond. Also to those who sent flowers and donated cars.

MR and MRS W. H. BUCHANAN. 1t*

Attorney-General May Go to Supreme Court

Attorney-General William Mitchell may be named Associate Justice of the United States Supreme Court to succeed the late Edward Terry Sandford, who died a few days ago.

THE QUESTION BOX
CENTRAL PRESS WASHINGTON BUREAU

Answers to questions of information and fact can be obtained by writing to Central Press Bureau, P. O. Box 126, Washington, D. C., and enclosing a self-addressed, stamped envelope. No answers will be given to marital, medical or legal questions.

How does environment influence the life and activities of the individual.

To draw an extreme comparison, an Eskimo and an Amazon Indian are very dissimilar (are they not?), due to the dissimilar lives they are compelled to live, in order to survive at all in such different environments. However, it may be said that this is environment's influence on race rather than the individual. But suppose an Eskimo was placed in the Amazon jungle, would he not be forced to adapt himself to his new environment until, if he stayed, it had become second nature to him, as an individual? or vice versa? Certainly.

How did Nova Scotia receive its name?

Nova Scotia (New Scotland) originally christened by the French Acadia, was first referred to under its present Latin name in a land grant issued by James 1 of England to Sir William Alexander in 1621. The change was not definitely explained but the reason probably is to be found in the trio facts that James was a Scot, a classical pedant and eager to stamp out all memory of French influence in the region.

Please furnish all possible information concerning Judas Iscariot's parents and grandparents—their occupations, habits and characters.

That Judas' father's name was Simon is all that is known of his ancestry. Most authorities interpret Iscariot as meaning "man of Kerioth" which, if Kerioth in Moab is meant, might imply that Judas was of heathen origin, A few investigators, however, believe they have traced Iscariot's significance to "leather coat," whence they surmise that the apostle's family were leather workers. Either guess may be right or both wrong.

What is the field of labor in South America?—conditons and wages?

There is a field for some classes of European labor: not North American. Conditions are bad: the wages very low, according to North American standards, even in comparsion with the lower cost of living. This does not apply to a few highly skilled specialties, but to labor generally, otherwise. There is a fascinating field for the right kind of pioneers in the less settled regions, but 999 North Americans in 1,000 are too soft to stand the hardships. In the main South America is a field for capital.

Of what government departments are the U. S. coast guard and public health service?

Both are sub-divisions of the treasury department.

(NOTE: Charles P. Stewart's treatise on "Our Government" can be obtained by sending ten cents in coin to Central Press Washington Bureau, P. O. Box 126, Washington, D. D.)

(International News Service)

CHICAGO, March 14—A recent order by the State Commerce Commission provides for the operation by the local street car lines of feeder buses on the far north west side, including some of the trackless trolley type. They will be the first buses and trackless trolleys to be run in any part of the city.

Texas Town Seeks One Million Bats

(International News Service)

CAN SABA, Texas, March 14.—This is probably the only community in the world where the lowly bat is welcomed.

At least a million are wanted and the best of accommodations, including private and exclusive roosts, are offered as inducements.

E. E. Risien, a leading pecan grower of this state, has begun the bat-attracting move, contending that a million of them would completely protect pecan trees in the San Baba area from an insect menace. Risien already has a private roost which houses 1,000 bats.

He is sponsoring a campaign to raise $1,000 which would be used in constructing a huge roost in a graveyard. Here the million bats—if they can be induced to come here—will make their homes.

Divorce Deprives Little Tot Of Naps

(International News Service)

CHICAGO, Ill., Mar. 14.—Four year old Arline Nelson henchforth has to go without her regular afternoon nap, it was decreed in superior court here.

Judge Henry A. Lewis ruled that Arline must catch up on her sleep some other time when Mrs. Grace Nelson appeared before him to demand that her husband, Herbert Nelson change the hours allotted to him to have their daughter.

The child's visiting periods with the father interfere with the afternoon nap, Mrs. Nelson insisted. Her action for divorce is pending and the child spends three afternoons a week with Nelson.

"The baby can catch up with its sleep some other time," Judge Lewis ruled.

Free— something new

a new style of plate for serving cakes

with the purchase of two packages of Pillsbury's Cake Flour

This new cake flour has won a million women!

Only the good survives. Nothing but outstanding quality could persuade a million women to adopt a new cake flour during its first year—could keep on winning new users in constantly increasing numbers!

Baking tests indicate the reason for this extraordinary success. They show that Pillsbury's Cake Flour possesses three distinct superiorities: (1) It makes a cake that rises higher—a lighter, fluffier, more delicate cake. (2) It makes a cake with a softer, finer texture. (3) It makes a cake that stays moist and fresh longer.

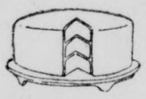

The secret is a new blend of certain rare types of wheat, unusually soft, milled to a silky fineness. Try Pillsbury's Cake Flour for yourself—test it with the most delicate, difficult recipes you know—before you've finished the first package you'll understand the superiority of this remarkable new cake flour.

Pillsbury's Cake Flour

If you've ever tried cutting and serving a cake from an ordinary plate, you'll appreciate this one. It stands up from the table on three little legs—you can slip your fingers under the edge, and carry

your cake without touching the frosting. Also, it is perfectly flat on top—your cake cannot sag in the middle, as it sometimes does when placed on an ordinary

curved plate. It is made of delicately colored glass, in a graceful attractive design. The top carries a beautifully traced figure, worked out in light lines. It is extremely

ornamental—and just as practical as it is good-looking. Your grocer will give you one free with the purchase of two packages of Pillsbury's Cake Flour.

For St. Patrick's Day

RIECK'S *Shamrock-Center* ICE CREAM

What could be more appropriate—and attractive—for your St. Patrick's Day dessert than this Rieck's Special—a quart brick of Vanilla Ice Cream with a Shamrock center of real Pistachio? It will give you 6 generous servings.

Your Rieck Dealer also has your favorite flavor in the De Luxe Package. Also a *special* flavor combination each week. Don't miss enjoying these delicious, extra-fine Rieck's Ice Creams.

RIECK'S ICE CREAM

This seal identifies a Rieck Dealer. Look for it!

A PRODUCT OF NATIONAL DAIRY

Congress Asked To Give Money To Cancer Cure Work

Drs. W. B. Coffey And John D. Humber, California Appear Before Senate Committee

EXPERIMENTING WITH CANCER

(International News Service)

WASHINGTON, Mar. 14.—An appeal to Congress to finance the medical profession in its research work for a cure for cancer was voiced to the Senate Commerce committee Thursday by Drs. W. B. Coffey and John D. Humber, of San Francisco, noted experimenters in treatment for cancer.

The cancer specialists were joined by Dr. Joseph O. Bloodgood, cancer expert of Johns Hopkins hospital, Baltimore, who urged the government to finance infantile paralysis and influenza research work as well as the experiments in cancer cures. The physicians declared the government could render a tremendous service to the American people by aiding the medical profession in finding relief and cures for malignant diseases.

Merely Experimenting

The two western cancer specialists denied having a "cure or treatment" for cancer but insisted they were merely "experimenting". Under their theory, they said, they found that an extract refined from the tissues of the glands above the kidneys would act as a deterrent and destroyer of cancer. Their research work is still in the experimental stage, they added, even though they had secured beneficial effects on 1300 patients.

In effect they told how their experiments indicated cancer was due to a deficiency in this gland extract. When the extract was injected into the body at any point, they said, pain vanished and the cancer began to sluff. They told of experimenting only on "hopeless cases" in which all other medical treatment had been abandoned and the patients given up to die.

Believe It Or Not, Thirty-One College Seniors Are Unkissed

Thirty-One Dartmouth College Senior Men Disclose Never Having Kissed Girl

(International News Service)

HANOVER, N. H., Mar. 14.—Two hundred Dartmouth college seniors would marry for money. But 121 others would wed for love alone.

There are 31 seniors who have never been kissed by a girl friend.

What Dartmouth college needs most is a course in etiquette, some seniors think. Others believe that course in golf, ballroom dancing, bicycling, and horseback riding, might profitably be added to the curriculum.

The above disclosures were made by students who will graduate from Dartmouth this year in a class questionnaire, the results of which were made public Thursday.

York Man Killed, Truck-Auto Crash

Man Killed Almost Instantly, Son Severely Injured As Auto Crashes Into Truck

(International News Service)

YORK, Pa., Mar. 14—Edward Surfield, 63, president of the Columbian Assurance company, was killed and his son, William, 30, was injured seriously Thursday in a head-on automobile collision at Jacobus, on the Susquehanna Trail, near here.

Harry W. Mack, driver of the truck into which the Surfield car crashed, was uninjured.

The Surfields were enroute to Baltimore when the crash occurred. The elder Surfield was driving and apparently failed to see the truck while rounding a curve in the road.

Deceased is survived by his widow, one daughter and three sons.

Will Establish Hunting Tracts Near Big Cities

HARRISBURG, Mar. 14—Following the extensive land purchase program for which the sum of $200,000 is set aside annually the Board of Game Commissioners is endeavoring to provide more suitable public hunting grounds for the small game hunter. Such areas, wherever possible, will be located near the centers of greater population.

So far a number of such tracts have been purchased and additonal ones are under contract for purchases as soon as title examinations have been completed. The areas already owned are as follows and comprise only public shooting grounds, no refuges having been established on them. In Lancaster county, 1642 acres in Clay township; in Chester and Berks counties 952 acres located in Warwick township of Chester county and Robeson and Union townships of Berks county; Bedford county, 3225 acres in Monroe township. This area centers in exceptionally good turkey country.

There is also a tract in Westmoreland county comprised of 4473 acres, near Johnstown, 765 acres of which have ben set aside as an auxiliary refuge.

No Building, Then Why Any Padlock

(International News Service)

PITTSBURGH, Mar. 14.—Mike Decco was advised by prohibition agents Thursday to appear in court because of a pending injunction to padlock his place.

To which Mike replied he would prefer having the agents visit his place instead.

The agents acceded to Mike's request. They found an empty lot at the address listed. Investigation disclosed the building had been razed.

The injunction was not filed.

Former Well Known Actress Is Dead

(International News Service)

LONG BEACH, Cal., Mar. 14.—Maude Leone, 45, former wife of Willard Mack, noted New York playwright and actor, and in her day, one of the brightest stars of the stage, died here Wednesday night, it became known Thursday.

Miss Leone's last stage appearance was five years ago as co-star with Marjorie Rambeau.

Girl Who Gave Up Luxuries Is Happy With Cowboy Mate

By MARIAN RHEA
International News Service Staff Correspondent

HOLLYWOOD, Cal., March 14.—There is such a thing as a smooth course of true love—this in spite of the matrimonial hazards braved by Katherine Thorne, Chicago heiress, when she gave up the luxuries rightfully hers as the daughter of Robert J. Thorne, multi-millionaire, for love in a cottage, with George Gillespie, dashing Arizona cowboy.

The truth of this was vouched for today by this young couple who, a year after their romantic elopement at Castle Hot Springs, Arizona, to the startled surprise of exclusive social circles of the bride's home city and the horrified consternation of her parents, are to quote the still enamored young husband, "happy enough to bust."

True, "hazards" are still with them, but now, these hazards are nothing more serious than the hillocks and pools and bunkers of the miniature golf course of which George, no longer the booted—and spurred Lochinvar of the desert, is the manager.

Hin ten-gallon hat replaced by a baret (yes, actually)—

His chaps discarded for the natliest of plus-fours and gaudiest of golf socks.

His flannel shirt exchanged for a flaming pink sweater.

His boots and spurs cast away in favor of black and white sport oxfords—

Young Mr. "Lochinvar" Gillespie now swings a golf club with the same skill that he once booked rambunctious steers with his swishing lariat.

And Mrs. Gillespie, or "The Button," as he affectionately calls her, helps him.

And likes it.

She likes to punch the bright new cash register, her especial job and to greet "customers" and even to instruct if there is a rush of business, she said today.

Of course, though, George is the chief instructor.

Golfing isn't as hard as cowpunching, he said, admitting that his score is 49 on the course where par is 48.

"You have to put your mind to it, just like you do when you're breaking bronchos," he explained.

It was a year ago recently that George and his demure, blue-eyed wife were married.

"A fine anniversary we had, too," they said today.

"If the next year brings us as much happiness as the last one has—well, we just won't be able to stand it, will we honey?" The ardent George asked "The Button."

"No, I guess we won't," she answered.

Forester Has Pet Civet Cat

(International News Service)

VISALLA, Cal., Mar. 14—Someday Martin Cuesta, concession superintendent in Giant Forest, Sequoia National Park, will read something about fools entering where angels dare not tread.

But so far he is perfectly happy in companionship of his pet civet cat which follows him around, eats out of his hand and sleeps at the foot of his bed.

Civet cats are supposed to be of a genuinely mean disposition most of the time.

Franco-American COFFEE

For Particular People

LETTERS TO THE NEWS

Letters intended for this column must be signed with name and address of writer

Eustic, Florida,
March 10, 1930.

Editor The News;
Dear Sir:

I have never been sorry for making Eustis my headquarters this year after finding Dr. Moore, our old pastor at Central Presbyterian church in such good shape physically. I know his many friends in New Castle will be glad to hear it, especially after the very sick spell he had last year. They will also be glad to know that he is not only beloved by his own people but by everybody in Eustis, black or white, rich or poor. They all have a good word for him.

As a pulpit orator, I haven't heard anyone to beat him. While his congregation here only numbers three hundred, during the tourist season his church is packed and for the morning services they always have to throw open the Sabbath school room.

Dr. Trainor of New Castle has driven over twice from Orlando, a distance of thirty-two miles, to hear him and he told me he would be over again, before he left for home. Dr. Moore has one of the best paying positions as pastor in this section of the state, $4,500 a year and a fine Manse. He is always glad to see any of his friends from New Castle, when they drop in.

Besides being a good pastor, Dr. Moore is a good all around man and likes to fish. He and I have been out together four or five times but today we had the best catch of all. We were on the lake five hours and came in with twenty-eight fine big ones. I am enclosing you a postal showing a morning catch, but our catch today beat it by six fish. Would have liked to have had a camera but I did not bring one with me this year.

These fish made five families happy by dividing the fish among them. If I could get a catch like that back home, I would invite The News force for a Fish Fry. As it is I must send the bunch something and as it is so hard to ship oranges, there being so much red tape about it, I think I will have to send some pecans, just to show them that I enjoy getting my home paper, even if the news is two days old when I get it.

Really, The New Castle News is hard to beat and Mrs. White and I enjoy it next to a letter from our own children. Tell Bart I hope he goes back to Harrisburg for another term.

Yours as ever,
WILLIAM M. WHITE.

TASTY TOAST

TOAST—thin, crisp and golden brown—is a favorite food because of its wheaty flavor. But it has other values. It requires adequate chewing and so gives needed exercise to the teeth. Toast and eggs form a good breakfast which is nutritive and yet so easily digested that it will not interfere with the day's work.

Bread occupies an important place in the diet of the normal individual, and properly baked bread made with milk is a wholesome, nutritious and inexpensive food.

Denver Firemen Have New Helmets

(International News Service)

DENVER, March 14. — The metal helmets which have been used by a number of the Denver Fire Departments have been joyfully discarded by the firemen and a new type of headgear of a lighter composition and different shape is now in use.

The new style helmets are practically the same shape as the metal trench hats worn during the war by the American soldiers, although lighter.

Maybe the naval conference and the tariff bill will make a hot race of it to a finish.—The Manchester Union.

Pilgrims Encounter Terrific Storms!

ON the sixty-first day of their tortuous voyage, two hundred men, women and children crowd the rails of the Mayflower for their first glimpse of America. Heading south from white sand-banks of Cape-Cod, the frail vessel encounters violent storms, perilous shoals and breakers—brave hearts are chilled with panic.

These programs, unique in the annals of radio broadcasting, have been arranged by a noted authority on Colonial history. They teem with action and suspense. On the air each Friday night from Station KDKA at 8 P. M. Don't miss them!

FREEDOM GASOLINES & MOTOR OILS

"KONJOLA DID WONDERS IN MY STUBBORN CASE"

Spent Thousands For Relief Then New Medicine Makes Short Work Of Dread Rheumatism.

MR. WM. BURROWS

"For thirty-five years I suffered from a severe case of rheumatism", said Mr. William Burrows, 2215 Myrtle street, Erie, Pa. "I spent thousands of dollars in a vain search for relief. There is no use trying to describe the knife-like pains that often shot through my body. Sufferers from rheumatism know what agony this dread ailment can bring. My general health and nervous system were badly affected and I was utterly discouraged.

"One day a friend advised me to try Konjola. I laughted at him but he insisted. Before two weeks had passed I knew, to my everlasting joy, that I had found the right medicine. My pains grew less and less until now, at the end of the fifth bottle of Konjola, I am almost free of this dread ailment for the first time in years. I shall continue the medicine, for my entire system has been benefited by its use. I can never express my gratitude for Konjola."

Konjola is sold by Love & Megown, the druggists, 204 E. Washington St., this city.

Autos Kill 250 In Two Months

February Death Toll Greater Than That Of Preceding Month

HARRISBURG, March 14.—During the months of January and February, 250 persons were killed in motor vehicle accidents in Pennsylvania. February's total was 130.

In February 2477 persons were injured, as against 2662 in January.

"The majority of the persons killed and injured were pedestrians," said Motor Vehicles Commissioner Benjamin G. Eynon today. "Despite continual agitation in newspapers magazines, from the platform and pulpit, and in school rooms, motor vehicle operators seem to be conducting themselves with an increasing disregard for persons afoot. In the average Pennsylvania municipality the pedestrian takes his life in his hands when he crosses the street even in suburban sections.

"In the city of Harrisburg alone since January 1, five pedestrians have been killed. In one case the operator of a vehicle tried to alibi himself by saying that as he approached an intersection a number of persons crossing the street, retreated to the curb, but that the person whom his truck killed did not retreat. There is nothing in the law compelling persons afoot, and legally in the cartway, to flee to the curb on the approach of a car or truck. There is nothing in the law excusing a motor vehicle operator traveling at such speed that he is unable to avoid striking a person legally in the cartway.

"Doubtless caution and courtesy will not become attributes of the average driver until the courts begin to send careless operators to jail for long periods. The law is that except at crossings protected by officers or signals the pedestrian legally off the curb—who has stepped from the curb in advance of motor vehicles coming from any direction, has right-of-way over all traffic. This provision has been upheld in supreme court decisions.

"The careless indifference with which Pennsylvanians regard the slaughter of pedestrians is amazing. Eventually, however, public sentiment will be aroused and will evidence itself in radical amendments to the motor laws, in all likelihood. If operators find these restrictions harsh and extremely irksome, they will have only themselves to blame."

The Motor Vehicles Bureau recently received an anonymous communication to the effect that in one case the operator of a truck purposely swung close to a girl in the cartway, thinking to frighten her. He swung too close, however, and the girl was killed.

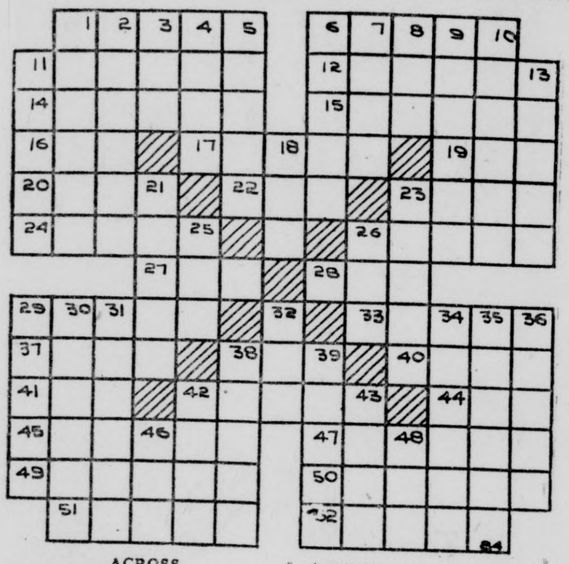

9 Months Old Baby Is Expert Whistler

(International News Service)

DALLAS, Tex., March 14—Although he is only nine months old and quite naturally, can' talk yet, Bobby Lee, son of Mr. and Mrs. Jack Kivett, is an accomplished whistler. And a veteran he is, too, having learned the art at least two months ago.

Not only does he whistle for his own amusement, but properly persuaded, will do solo numbers—slightly off key, perhaps—for the entertainment of his admiring friends.

Peter's Adventures

BY MRS FLORENCE SMITH VINCENT

FLYING HIGH

No sooner had Dragon-Fly finished telling Peter the story of Tree Cricket's life than he soared high into the air, where he could get a good view of all that was going on around him.

"The circus is over, boy!" shrilled he. "The crowd is making for home. If you and I hang around here it will not be long before we are the only two left on the circus grounds. How would you like to hop on my back and take a spin, hey?"

"Try me," chuckled Peter. "And you can fly fast as you want to. I shall not be afraid. I have ridden sky steeds before. But you'll have to come down to earth. I can't get to you, up there. Take care, Dragon-Fly! You almost caught your lacy wings on that thorn. Don't drop into the forget-me-nots, either. I scratched my finger and found out there was a blackberry vine hiding behind them."

"Ugh!" Dragon-Fly, who had dropped to the ground beside Peter, shuddered. "If there is one thing I can't stand the sight of, it is blood. I never look at any insect after I have snapped its foolish head off!"

"W-w-what?" In his horror, Peter stammered, but Dragon-Fly paid no attention, only chuckled.

"I've no time to stand talking here," said he. "Hop up on my back and hold fast, for I keep my mind on flying and if you were careless enough to fall off I should never miss you.

"Ready!" cried Peter.

Up shot Dragon-Fly, with a suddenness that made the boy's head swim. Straight toward the sky the flier soared until the boy began to wonder if he were shooting at the evening star. Then just as swiftly Dragon-Fly changed his course and flew to the left, straight ahead. Peter, feeling right-side up at last, peered cautiously down from between Dragon-Fly's wings.

Next: "Bumble Bee and Butterfly Flee."

UP SHOT DRAGON-FLY WITH A SUDDENNESS THAT MADE THE BOY'S HEAD SWIM.

Broadcast Talks On Care Of Teeth

HARRISBURG, March 14.—The Harrisburg Dental Society, co-operating with the Pennsylvania State Department of Health, has begun broadcasting educational talks on the care of teeth through the courtesy of radio station WCOD, Harrisburg. The talks will be broadcast indefinitely every Saturday from 5:45 to 6 p. m.

Dr. C. J. Hollister, chief of the dental division, State Department of Health, will be personally responsible for the broadcasting. In addition to his own talks, Doctor Hollister will broadcast material prepared for this purpose by the special committee of the Harrisburg Dental Society.

McDonald Speaks At Beaver High Letter Banquet This Evening

NEW WILMINGTON, Pa., March 14.—Graduate Manager A. A. McDonald of Westminster College will be the principal speaker at the Beaver high school letter banquet to be held tonight at 6 o'clock. Al Wierman, former Westminster student, and later Carnegie Tech athletic star, is coach at the Beaver school. He requested McDonald to make the speech at the banquet at which time football, basketball, and other letter awards are made.

McDonald will get back to New Wilmington tonight in time for the smoker which Kappa Phi Lambda fraternity is having for the championship Westminster basketball team. Tomorrow night, Coach John Lawther and McDonald will attend high school championship tournaments in Akron, O., and Grove City respectively.

Southwest Man Is Champion Radio Fan

(International News Service)

DALLAS, Texas, March 14.—After 111 hours—over four and a half days—of continuance listening to good and bad radio broadcasting, Chester Slaton of Dallas, has been declared champion radio listener.

Seven contestants in the radio audience marathon began the gruelling test, but one by one they toppled over for sleep and were eliminated. The last one to take a nap was Miss Betty Blake. Then Slaton was left.

He received a new radio set as prize, broke the world record of 106 hours and then took a nap.

Plan Survey Of Industrial Study

HARRISBURG, Mar. 14—The Department of Public Instruction today announced that seventy-eight leading Pennsylvania teachers and directors of industrial education have been named on committees to make an analysis of book material in the field of industrial education.

The committees cover the following subjects: Automotive, Bricklaying, Drafting, Electricity, English, Interior Decorating, Machine Shop, Mathematics, Patternmaking, Foundry, plastering, Plumbing, Printing, Safety, Hygiene, Science, Sheet Metal, Social Science, Tailoring, Welding and Woodworking.

A pamphlet, containing the criteria for the evaluation is being printed by the Department of Public Instruction for the information and guidance of members of the committees and publishing houses.

The matrimonial bark is wrecked by the matrimonial barking.

Soap and Hard Water Alone Will Not Give *Best Dish Washing Results*

Local housewives claim amazing results when new water-softening cleanser is added in washing anything. Takes ¼ the soap—saves ½ the time.

A NEW discovery is cutting dish washing time in half—eliminating greasy film on dishes and the scum in the dishpan—the penalties you local women have been forced to pay for the hardness of city water.

It is not a soap but a water-softening cleanser that makes any soap more effective in cleansing results by changing "hard" water to "soft". And you need use only one-fourth the soap formerly needed.

What It Is

It is a preparation called Climalene that you add to your washing water. Just a tablespoon or two.

Instantly, it takes all the harshness out of that water. Makes it soft as rain water.

At the same time, due to certain bland cleansing agents, it instantly DISSOLVES all dirt, stains and grime. And thus cuts washing time ONE-HALF or more.

Use the soap or soap flakes you ordinarily do. Then see for yourself the amazing results. During 1929 women used over 24,000,000 packages of Climalene for washing, for cleaning and in the dishpan.

Laboratory Proved

To assure results to you, we buy fine things, lingerie and delicate fabrics, costly china. Then by repeated washings, try to spoil or fade them.

Consider, please, what those things mean to you. Consider, too, that the minute you put this creation into water, all harshness is taken away—your hands protected from roughness, made soft, smooth and white. Then try it.

Remember the name—Climalene. Your grocer has it in 10c and 25c packages.

10c PACKAGES 12 oz. 32-oz. pkg. 25c

CLIMALENE
Water Softener and Soap Saver

Five Billion Feet Of Gas Is Wasted Daily

Tremendous Waste Of Valuable Product Brought To Light

INVESTIGATION IN CALIFORNIA OPENED

(International News Service)

SACRAMENTO, Cal., March 14.—Gas wasted in five large California oil fields is now passing the half-billion mark in cubic feet daily.

This enormous loss of one of California's most valuables products was reported to Governor Young by Fred Stevenot, director of natural resources.

Director Stevenot included in his report the announcement that demurrers filed by operators in the Santa Fe Springs injunction suit will be heard in Los Angeles superior court on March 12, while hearing of the Kettleman Hills case was continued to April 1 in Kings county superior court.

"Hearings before the oil and gas supervisor on gas wastage in the Elwood fields are also set for an early date," Stevenot reported. "The exact date, to be determined later, depends on progress made in the injunction proceedings now pending in Los Angeles and Kings county courts."

Total gas wastage in five fields was estimated at 569,302,000 cubic feet, as compared to a total of net production of nearly a billion and a half cubic feet in the state. This waste is segregated as follows:

Long Beach, 59,255,000 cubic feet daily; Santa Fe Springs, 265,462,000; Ventura, 28,021,000; Elwood, 22,025,000; Kettleman Hills, 173,516,000.

Director Stevenot also announced that his department has been requested to join with others in opposing the further exploitation of the Playa Del Rey oil field, located near Venice, Los Angeles county.

Watch the Kidneys Before and After Childbirth

DURING the period of pregnancy the kidneys have double work to do, which is apt to weaken them so that they fail to keep up their work of filtering the poison out of the blood-stream. This condition, unless looked after promptly, may kill the baby before birth and ruin the mother's health, too.

The expectant mother should have her urine examined every few weeks. This should be done by the attending physician or send sample to Dr. Pierce's Clinic, Buffalo, N. Y., for free analysis.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use Dr. Pierce's Anuric Tablets. All drug stores.

Every ailing woman may consult Dr. Pierce's Clinic, Buffalo, N. Y., by letter, absolutely without charge.

Send 10c if you wish a trial package of Anuric.

MOVES AFTER THIRTY EIGHT YEAR STAY

(International News Service)

BOSTON, March 14—Mrs. Margaret Butler, 81, widow of Wiliam Butler, once a prominent merchant here, is giving up her apartment, which she remained in for thirty-eight years, because the rent of $133 seems too high.

Don't Go to Extremes To End Constipation

When bad breath, or a coated tongue, biliousness or headaches warn of constitpation, don't take violent purgatives. There's no use when a candy Cascaret will stop the trouble in a jiffy; will cleanse your system pleasantly, and completely.

The relief you get so promptly from Cascarets is lasting. Cascarets are made from cascara, a substance which medical authorities agree *actually strengthens the bowel muscles.*

So Cascarets are a blessing to old folks with weakened bowels; to children; to anyone in need of establishing regular bowel habits. Ten cents a box—all drug stores.

ROUGHAGE IS ESSENTIAL IN REDUCING DIETS

Kellogg's ALL-BRAN Is Ideal Roughage

If you are following a reducing diet, it is doubly important that you take a regular amount of roughage into the system daily. Most reducing diets do not contain a sufficient amount of roughage. The result is constipation—thief of both health and beauty.

Kellogg's ALL-BRAN is recommended by many doctors and dietitians because it contains the bulk necessary to insure proper elimination.

Also, because it contains the iron needed to help prevent anemia—another danger in reducing diets.

ALL-BRAN is not fattening. Its bulk sweeps the system clean of poisonous wastes—helping to promote glorious health and beauty.

A popular way to eat Kellogg's ALL-BRAN is soaked in fruit juice. Try it! It is delicious with milk or cream. Sprinkle it over cereals, salads and soups. It adds flavor to cooked foods and is equally effective. Your grocer has Kellogg's ALL-BRAN. It is served in restaurants, hotels and dining-cars. Made by Kellogg in Battle Creek.

Kellogg's ALL-BRAN

Plan For Meeting Of Farmers In April

Grove City Commercial Club To Be Hosts At Gathering April 9

GROVE CITY, March 14.—The annual farmers meeting of the Grove City Commercial Club will be held this year on April 9th. The meeting will be held in the Penn Grove Hotel.

Robert Flint, of the committee in charge advises W. F. Schilling of Washington, D. C. ,a member of the board, will be principal speaker. Mr. Schilling is well known in Minnesota, his native state, and throughout the northwest for his work in organizing associations of agricultures and for raising pure bred cattle.

Members of the club are gratified at having been able to secure Mr. Schilling as his message will be of the utmost interest.

MODELS LINCOLN

Modeling a life size face of Abraham Lincoln for the production of the "The Copperhead" to be given this evening and tomorrow evening by the Crimson Masque in Carnegie Auditorium, a pupil of Grove City High School has repeated a previous triumph in sculpturing. Milton Stewart, son of Mr. and Mrs. Roy Stewart of Poplar Street, attracted considerable attention with a small figure last winter, and his latest work shows a marked improvement. He was commissioned to make a life size model for the play and the result was highly pleasing.

Amelia Pagganelli, 11 year old daughter of Mr. and Mrs. Anthony Paganelli, of South Broad street has been awarded a medal in a contest of essays on Abraham Lincoln conducted by a Pittsburgh paper, in which thousands of children took part. Amelia is a pupil in the fifth grade of the Grove City schools at Central building. The medal is bronze and on the face is carved the picture of Lincoln.

TO GIVE PLAY

"The Dream of a Clown" will be staged on Thursday and Friday, March 20 and 21 in the Carnegie Auditorium. The play is being sponsored by the Business and Professional Women's club and the proceeds are to be used for thier educational fund, to help girls through school.

The cast is made up of 70 prominent local men who carry the slogan, "All our Women are men, yet every one a lady."

TO RECEIVE CLUB

Mrs. M. W. Graham will receive the members of the General Hugh Chapter of the D. A. R. at her home on Pine street on Friday, March 14. Mrs. W. S. McKay of Greenville will speak on "The Menace of Radicalism." All members are urged to attend this meeting.

BEETLE QUARANTINE AFFECTS 16 COUNTIES

(International News Service)

BALTIMORE, Md. March 14—Sixteen counties in Maryland have been affected by the extension of the quarantine on the Japanese beetle, according to an announcement made by the Secretary of Agriculture.

New Anti-Pain Oil Works Wonders

Takes the Crick Out of Your Neck, The sharp shooting pains out of the shoulders—In a few minutes.

This new discovery is a combination of eucalyptus together with essential oils, turpentine-Camphor, Capsicum and other valuable ingredients that is now being offered the public under the name of "Anti-Pain Oil," formerly known as Snake Oil. It has proved to be an effective, agreeable remedy for aches and pains, chest colds, flu, coughs, etc. Thousands of sufferers are now being relieved by this new penetrating oil liniment.

For rheumatic pains, neuralgia, crick in the neck, sharp shooting pains in the shoulder, stiff joints and sore muscles, apply freely to affected parts. The oil quickly penetrates, bringing relief almost like magic. For chest colds, flu and sore throat, apply freely to affected parts, well greased with vaseline or lard. For coughs or hoarseness take ten drops on a lump of sugar.

Don't continue to suffer longer. Use this new and improved remedy, perfected after years of research and experimental work, instead of poisonous habit forming drugs. You will then know what it means to be free from pain.

Refuse imitations. Nothing like this new Anti-Pain Oil formerly known as Snake Oil.

Special introductory generous size bottle for 70c at your druggist. Now being sold and introduced by Eckerd's of New Castle, Inc.

BOSTON WOMAN AND KOREAN LEAD BLISSFUL LIFE

(International News Service)

SAN FRANCISCO, March 14.—East and west can sometimes meet with complete success, according to Dr. Y C. Yang, Korean physician of Honolulu, and his blonde wife, Mrs. Rita Waldron Yang, former Boston society girl.

Dr. Yang said today that he did not urge Orientals to rush into marriage with white women, but that he believed that "true love" could make a lasting bridge between persons of different races.

Complete agreement with her husband was expressed by Mrs. Yang.

"If a man and woman have the same cultural background and the same interests, there is no reason why differences of race should keep them apart," she declared.

"Too many people," Dr. Yang said, "marry emotionally, without proper contemplation of their mutual interests and desires. They do not look far enough into the future. Before my wife and I were married, we knew each other for five years. I was an instructor at Boston university, and she was secretary to the president. We examined our problem from all angles and when we were at last sure of ourselves, we marired. Time has proven that we did not make a mistake. We had decided that when we were married it would not be an experiment, but for the rest of our lives. That is the way we still feel about it."

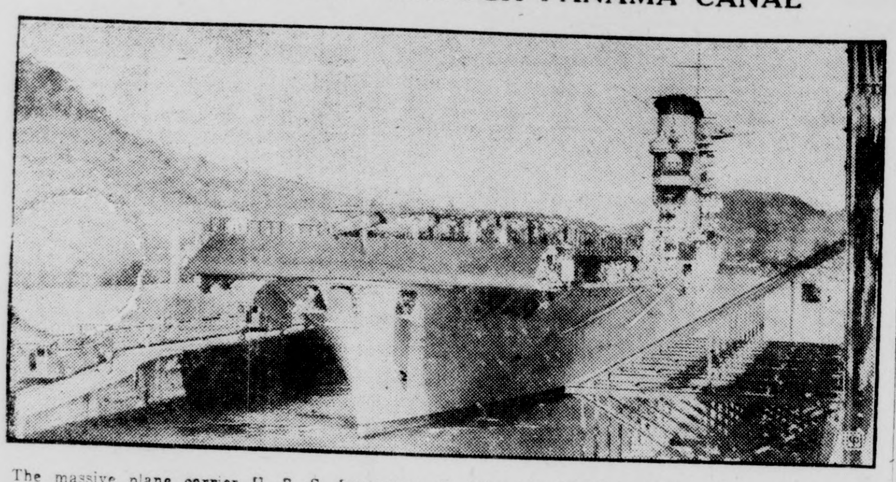

Pointing out that the "world is filled with race prejudice," Mrs. Yang declared that she and her husband might have been disheartened had it not been for their love and interest in each other.

Sheridan Avenue Woman Is Injured

Hit By Automobile While Crossing Street A Short Distance From Her Home

Miss Grace Lowers, 507 East Sheridan avenue, is confined to her home as a result of injuries sustained on Thursday evening near her home, when struck by the automobile of Anthony Pascarella of 514 Norwood avenue.

According to the report made to the police by Mr. Pascarella, he was driving north on Delaware avenue at Sheridan avenue, as a machine which had been parked on Sheridan avenue made a right hand turn onto Delaware avenue.

As this occurred, Miss Lowers ran across the Delaware intersection of Sheridan avenue and was struck by his machine. She was knocked to the street. Mr. Pascarella picked her up and removed her to her home.

A physician was called and found that she had sustained bruises about the body and was suffering a great deal from the shock resulting from the accident. As far as could be determined, her injuries were not serious and no bones were broken.

Insanity Gain Seen In France

(International News Service)

PARIS, March 14.—Madness is on the increase in Paris, at least there were three hundred more Parisians to be found within the mad-houses of the Seine department at the end of the year 1929 than during the previous one. This number has been steadily going up since the war.

But this does not mean unfortunately, that all of the 14,824 Frenchmen who are in the asylums are really mad. Many of them are only ill or a nuisance to their families and have been put away to be taken care of. A movement is now on foot to make these houses more like hospitals with well fitted laboratories, doctors, etc., to cure the mentally ill.

Pays For Stolen Melon After 15 Years

(International News Service)

SALEM, O., Mar. 14.—Fifteen years ago, Joseph Bova, Salem fruit store owner, missed a large water melon from his store here.

Recently he was accosted by a man who handed him 50 cents.

"That's to pay for the watermelon I stole from you 15 years ago," said the stranger walking away.

Rewarded For Saving Burning Child

(International News Service)

PITTSBURGH, March 14.—Frank Netz, painter, is the proud recipient of an honor button which he received from the Western Pennsylvania Humane society recently because of his valor in rescuing a child whose clothes were afire.

No Such Thing As Lazy Child University Physicians Say

(International News Service)

CHICAGO, Ill., March 14—A sweeping indictment of parents and teachers for causing many children to grow up into "misfits, failures and physical and nervous wrecks, who make life miserable for themselves and for others," was voiced here today by Dr. Julius H. Hess, of the University of Illinois college of medicine.

Dr. Hess scored the practice of heaping more work on a child who seems lazy and declared that there is no such thing as a lazy child.

"There is no such thing as a lazy child in the sense that this term is scathingly applied," Dr. Hess asserted. "The universal chacteristic of the normal child is action. ....

"Tire is a symptom and it may be the sympton of various conditions due to many causes," Dr. Hess continued. "To punish such a child in any form for being lazy is merely adding fuel to the flame.

"Overheating, and partaking of the wrong kinds of food with their resultant overtaxing of the digestive and eliminative organs and the consequent storing up of poisonous substances in the body, will cause this symptom of tire.

"Undereating, too rapid eating, insufficient sleep, over exercise, maladjustments in the family, (such as constant bickering between parents, misunderstanding of the child, constant scolding, punishment of the wrong kind or inflicted at the wrong time)—these influences, with many others, will produce reactions in the child that lead to disturbances of body function of which tire may be an outstanding symptom," the doctor said.

Serious Origins

"Occasionally this symptom of tire may have a much more subtle and serious origin. It may indicate some vague chronic infection, possibly a parasitic infection of the intestinal tract, or some such chronic disease as diabetes. When we gain more accurate knowledge of the function of the ductless glands of the body and are better able to recognize the symptoms of their abnormal action, we shall doubtless find that chronic time may be a symptom of altered function of these glands.

"The school program is often too intense for undernourished children. With music lessons, dancing, boys' and girls' clubs, heavy school work and often up too late at night and their bodies are tired to the point of exhaustion," Dr. Hess said. "If they fall behind or fail in their classes they are frequently called lazy and more pressure is put on them at home and in school.

"The study hours are made longer and the home-work is increased. A vicious cycle is thus established which means that malnutrition makes them more tired and being too tired adds to their malnutrition.

"Thus because of the ignorance of parents and teachers these children may grow up into misfits, failures and physical and nervous wrecks who make life miserable for themselves and for others," the doctor concluded.

LOYAL BAND CLASS MEETS

The Loyal Band class of the Third United Presbyterian church met in their class room Wednesday for the monthly meeting.Mrs. Harry Gibson, president, was in the chair and officers for the coming church year were elected. Mrs. Clarence Johnson was chosen president: vice president, Mrs. J. M. Wiles: secretary, Mrs. J. W. Wardman: treasurer, Mrs. Lale Christy: missionary treasurer, Mrs. Elmer Rice: building fund treasurer, Mrs. Edd Ryan: teacher, Mrs. Frank Book and assistant teacher, Mrs. J. M. Wiles.

A social hour ensued and a delicious lunch was served by the hostesses, Mrs. Charles Gee, Mrs. Edd Morse and Mrs. Don Warnock. Places were laid for fifty and St. Patrick's colors were used in the decorations.

The April meeting will be featured by installation of officers and a tureen dinner.

Girl Autoist Knocks Out Ride Stealer

(International News Service)

PEORIA, Ill., March 14.—A young man who attempted to force Miss Gladys Kirkman of this city to take him riding in her automobile now knows he's a knockout.

The youth stepped on the running board of her automobile and demanded that she drive him to "100 South Adams street".

"Sez you," she replied at the same time deftly planting an uppercut on the youth's handsome chin. She then notified police.

Aged Woman Keeps Fortune Hidden In Home Of Squalor

SEATTLE, March 14.— Happy in her adopted poverty Seattle's "Old Lady of the Lamps" who is worth a fortune, but who has lived alone in squalor for 16 years, was back in her ramshackle home here today.

Mrs. Francis Jackson, 83, who won her sobriquet because she insisted she could not afford electric lights, dipped into her $90,000 "rainy day" fund to return to her home in style from the sanitarium where she had been confined for a mental test.

The taxi ride was at the suggestion of Judge Everett Smith who declared her sane yesterday, at a hearing requested by her 61 year old son, William.

"Willie will starve unless I'm take care of him," Mrs. Jackson replied when the court told her she was too old to live alone and too rich not to enjoy some of the luxuries of life. "I'm a poor woman," she insisted, but she agreed to the expense of hiring a cab to take her home and the son whom she publicly forgave for having her committed to an asylum went along to live with her.

For 16 years it was disclosed she had lived on a diet of tea, toast and potatoes although a fortune, principally stocks and bonds were found concealed in tin cans beneath the baseboard behind her kitchen stove.

National Farm Outlook

By ARTHUR H. JENKINS
Editor, The Farm Journal
Written for Central Press

One of the things the bright minds of the farming industry are working on is the artificial drying of grass and other crops. Looking far ahead, it seems as if the future prosperity of the business might be closely bound up in the successful development of this process.

I think I can hear the casual reader ask: "What on earth has a drying machine to do with farm prosperity?" And indeed, the connection is not, at first sight, very obvious.

The point is—or rather the points are:

First: That farming is carried on chiefly to feed farm animals, not human beings. From 75 to 85 per cent of all farm products are for animals to eat.

Second: Farm animals must eat in winter, just the same as in summer, and to be profitable must be well fed.

Third: The best and most profitable feed for animals is young green plants—grass, clover, alfalfa or what you like—even young wheat and oats plants.

Finally: Most of these plants can be grown nearly everywhere in this country; but in the regions where they grow best they are hardest to keep.

* * *

Fitting these facts together in a simple pattern, it is plain to see that what farming wants is a good way to feed farm animals on young pasture grasses and other young plants all the year round, fall and winter as well as spring and summer. That is the food on which they thrive best—it is their natural diet.

But what has farming been doing, all these centuries? you may ask

Well, it invented the drying of hay by sunshine. That is not a bad method, except that when grass is cut for hay, it is already too old to make good food. Furthermore, in regions where plants grow best, the rainfall is so heavy that it is impossible to make hay regularly.

Then we invented ensilage, which is also good—the storage of chopped green plants in a deep pit or silo. But even ensilage has serious drawbacks.

In England and Europe they grow root crops like rutabagas and mangels, instead of our clover and corn. That is good, too, and makes passable winter feed.

* * *

But it seems that the very best solution would be to cut young plants at just the proper age, when they are fullest of protein, the most valuable element, and then, by quickly drying them artificially, store the dried product for the winter.

That is the nearest thing to having summer pasture all the year round. The feed itself is the best. It doesn't depend on the weather to dry. It is easy to store and keeps indefinitely.

So that is why, as I began by saying, the engineers are working on drying processes, and have already worked out at least one type that is in successful operation. We are sure to hear a great deal more of dehydration on the farm hereafter.

STRONG MAN NEITHER SMOKES NOR DRINKS

(International News Service)

PROVINCETOWN, Mass. March 14. —I had a secret dream to be the superman of my age" recounted Alfred Flores, professional strong man on a visit here, to friends who knew him as a puny, sickly youth five years ago.

Flores, who weighs 140 pounds and bends iron bars with his teeth as if they were cigarettes, said he never smokes, or touches liquor and eats plenty of vegetables.

Soviet Wars On Typewriter Imports

(International News Service)

MOSCOW, March 14.—To cut down the imports of typewriters, which must be paid for abroad in gold, the Commissariat of Workers Peasants' Inspection, the efficiency department of the government intends to establish from six to ten centralized typing bureaus where all the typing for government departments and business concerns will be done.

Several hundred typists now employed in hundreds of offices will be concentrated under one roof. They will work in two shifts of six hours each seven days a week. The plan, the Commissariat said, will not only cut down the number of machines needed in Moscow, but will enable the government to get twice as much work out of each machine.

French Casinos Yield Big Profits

(International News Service)

PARIS, March 14—France's total number of 166 casinos yielded eight million francs in gambling profits less than the year of 1928, according to statistics publiced for the new year. The sum, however, was respectable enough, some four hundred million francs. More than a third of this amount comes from the Rivieria, that is Cannie, Nice and Juan les Pins. Monte Carlo is not included, being in the Principality of Monaco.

AGED DESERTER SEEKING CLEAN BILL OF HEALTH

(International News Service)

ANNOPOLIS, Md., March 14—John Jakes, who is 83, said he is "getting up in years" and wants to die with a clear record. Ever since the Civil War, when he enlisted in the Union Army at the age of 15 and was wounded at the second battle of Bull Run, Jakes has been recognized by the War Department as deserter.

For years he has been urging Maryland's delegation in Congress to have the blemish against his name removed but with no avail. Some of those dropped his case, others died before they could argue it and now Rep. Gambrill, a Democrat, has sponsored a bill in his behalf in the House.

Jakes claims the desertion charge was unjustified because he merely returned to his parents after the war without receiving permission from his superior officers.

Should Congress grant him a sum of money to represent the pension he would have been receiving all these years if he had not been dishonorably discharged as a deserter, Jakes declared it would not change his mode of living. He won't be "foolish with it," he said, and scoffed at the suggestion he might buy himself an expensive automobile and have a chauffer to drive it. He doesn't like motor cars.

Germany Withdraws Airplane Subsidy

(International News Service)

BERLIN, March 14.—Charging the Reich with an attempt of "judicial murder" the Rohrbach Works, famous for their all-metal "Romar Flying Boats," announce their imminent "death" by the hand of the Reich Ministry of Traffic, meaning that a bankruptcy is inevitable, unless they are granted government subsidies.

Rohrbach claims that 200,000 marks are due him out of government funds voted by the Reichstag for the support of the airplane industry. Out of these funds 300,000 marks were allotted to the Rohrbach Works, of which 100,000 were paid.

The Ministry of Traffic holds that considering the general financial plight of the Reich the government could cancel the subsidies at any time because they were not bound by contract to pay.

Accusing the Ministry of partiality and undue preference given to other airplane works Rohrbach, in a communique to the press, bitterly complains that the "Reich runs the works at a time when the foundation of the Metal Flying Boat Corporation of New York promised favorable business in the nearest future."

NEED BETTER BREAKS

It takes precious little shove to send some men down hill, says a contemporary.

NEW TEACHERS SLATED TO TAKE JOBS AT HARVARD

(International News Service)

CAMBRIDGE, Mass., March 14— Resignation of one professor, appointment of two assistant professors, and five lecturers has been announced by Harvard University.

L. W. Collett, Professor of Geology, who came to Harvard as visiting lecturer in Geology in 1927 and was made Professor after holding that post for one year, resigned. He received his Dc. S. from the University of Geneva. He has held chairs as Professor of Geology at the University of Edinborough and at the University of Geneva.

Francis Otto Mattiessen, Instructor and Tutor in History and Literature has been appointed Assistant Professor and Tutor in History and Literature, effective next September. He was graduated from Yale in 1923, received his B. Litt., from Oxford in 1925, his A. M. and Ph. D. from Harvard in 1926 and 1927 respectively.

George Bodgan Kistiakowsky, at present assistant Professor of Chemistry at Princeton comes to Harvard next September as Assistant Professor of Chemistry.

Professor Selig Hecht of Columbia University comes to the Harvard Medical school as Howe lecturer on Opthalmology for the year 1929-1930, and Dr. Stewart Duke-Elder of London comes to assume the same lectureship in the year 1930-1931.

Boswell Magill Professor of Law at Columbia University, will be visiting professor of Law at the Harvard Law School for the first half of 1930-31. He has held a full professorship there since 1927.

Phillip de Vargas, Professor of History in Yenching University, China, will come to Harvard next September for the first half year as lecturer in Chinese.

Halvadan Koht, Professor in the University of Oslo, Norway, will lecture in history at Harvard for the first half of 1930-31.

Crusade Against Automobile Sheiks

ROCHESTER, Pa., March 14.—The Rochester Ministerial Association has launched a crusade against automobile "sheiks" who accost and insult unescorted women along the streets, inviting them for rides.

At a meeting of the association here one minister complained that his daughter had been accosted, while another minister reported his wife had been insulted when she resented an invitation for a ride.

Rev. Custer C. Rich, pastor of the First Baptist Church, and Rev. Homer K. Miller, pastor of the Bridgewater Presbyterian church, were named a committee to confer with Chief of Police Robert Compton in an effort to break up the practice.

Old Fashioned Girl Due To Return--With Petticoats

By GENE KOWSKE
International News Service Staff Correspondent

BOSTON, March 14.— "Goodbye Miss Flapper, hello Miss Prim."

That might be the salutation to the new Miss 1930, at least in regard to clothes.

Women, exercising their famous prerogative of changing their minds, have accepted fashion's mandate and are tending toward the formal stylists in the cotton industry from Paris reported to the National Association of Cotton Manufacturers.

"We shall see the petticoat back again," these fashion authorities declared, "but it will bear only a faint resemblance to that worn by grandmother.

"The whaling industry need not grow hopeful of a revival. There is no question of a return of the old-fashioned stay yet the foundation garments must be firm as to fabric, without weight and perfect as to fit.

"The new models of clothing must be worn, not thrown on in a hurry. Women must learn to walk and carry themselves as though they knew how all over again.

"More yardage and more clothes is the demand of the new mode. The showing of Paris models always includes a gesture of spreading the skirt to its fullest length."

Silks have changed their type entirely, the style experts reported. The extra yardage with its intricate cut demands a heavier fabric both in looks and in weight.

"As for pyjamas, Madam 1900 climbed into a wrapper and hid herself from view. But Modern 1930 dons her latest model pyjamas as wide in the trousers as a circular skirt and cut low in the back. Then she can lie out in the sun and concentrate on vitamines, and no one care who knows it."

East Brook News

HONOR ROLL

The honor roll for the six weeks period ending on March 5:

Freshmen: Dorothy Carrick and Mary Dudash.

Sophomores: Helen Simison and Mary Lapp.

Juniors: Alfred Barnes.

Seniors: Sophia Gardner and Samuel Leon Stunkard.

SENIOR CLASS PLAY

The seniors of East Brook high school will present the play, "Safety First" at the Shenango high school auditorium on Tuesday evening, March 18, at eight o'clock. This will be the second time for the presentation of the play by the class.

ATTENDS DANCE

Miss Ethel Martin attended the dance at Tech on Friday night.

ATTENDS WEDDING ANNIVERSARY

Mr. and Mrs. E. C. Bowden and family were guests at the home of the former's brother, Ralph Bowden, of Savannah, on Saturday. The occasion was a golden wedding anniversary of their parents.

EAST BROOK NOTES

Thelma and Floyd McFarland of the Harlansburg roead visited Vera and Chester McConnell Monday evening.

Mr. and Mrs. Henry Schumaker of Sharon were Sunday visitors of J. D. Rung at Lakewood.

Mr. and Mrs. Frank Sargent of New Castle were Sunday evening dinner guests at the home of Mr. and Mrs. W. W. Carrick and family.

Miss Parker and Thelma Kennedy from the Jamesn Memorial hospital spent Sunday at the home of the latter's parents.

Ruth Young returned to her home Saturday after spending some time in Cleveland, O.

T. R. Lyons and family, formerly of East Brook Station, moved to Darlington on Thursday.

J. B. Jameson and daughter, Kathryn motored to New Waterford, O., on Tuesday.

Mrs. Louise Butler, who has been visiting at the home of her daughter, Mrs. W. W. Carrick, left Wednesday for a few weeks' visit in the Pittsburgh vicinity.

Frank Hayes and family of Gardner were Sunday guests at the home of G. G. Stetson.

Aubrey Walton has resumed his studies after a brief illness at his home.

Mr. and Mrs. W. H. Wynder of East Brook visited Mr. and Mrs. Harry Wynder of New Castle Tuesday evening.

Mr. and Mrs. W. N. Christopher and children of Beaver Falls were Sunday afternoon visitors at the home of Mr. and Mrs. W. W. Carrick and family.

Willard Bowden, a student of Slippery Rock State Teachers' College, spent the week-end with his parents, Mr. and Mrs. E. C. Bowden.

Mrs. L. A. Linton was a Pittsburgh visitor Friday.

Miss Pauline McKinney of Wampum spent Wednesday night with Ethel Martin.

Charles Lusher and family were Sunday visitors at the home of Mr. and Mrs. E. C. Bowden.

Miss Ruth Patterson spent Friday with Mr. and Mrs. Byron Patterson of Walnut street.

Mr. and Mrs. James McConnell and son Walter of Rich Hill were Sunday guests of Mr. and Mrs. Oliver Kerr.

Ruth Maxwell and Pansie Nelson were New Castle callers on Thursday afternoon.

Messrs. Norman Kaehler and Dick Fieldhouse of Duquesne, Pa., called at the home of Mr. and Mrs. W. W. Carrick and family on Wednesday.

RADIOS INCREASE ON STATE FARMS, CENSUS REVEALS

Latest Survey Shows Steady Rise In Instruments Owned

HARRISBURG, Mar. 14—Approximately one of every four farms in Pennsylvania has a radio today compared with one in every ten farms in 1924 according to the bureau of statistics, Pennsylvania Department of Agriculture.

The number of farms having radios has increased rapidly during recent years, being 48,560 January 1 this year, 42,050 a year ago, 35,460 in 1928, 34,672 in 1927 and 10,378 in 1924.

Bucks county leads with 1970 farms having radios and is followed by Chester, Berks, Westmorelanl, Washington and Lancaster in order named.

Lawrence county farmers owned 720 radios in 1930, an increase of sixty over the preceding year and 90 over the figures in 1928. Mercer county farms owned 1,120 radios in 1930, the figures show.

Fear For Lindbergh's Life In Glider Tries

Colonel Lindbergh Has Two Narrow Escapes As Glider Barely Grazes Telephone Wires

CARMEL, Calif., March 14.—Some concern was felt hereabouts today for the safety of Col. Charles A. Lindbergh should he persist in trying to shatter the long distance glider flight record.

On the first of two takeoffs from a knoll on the Sidney Fish estate here yesterday the flying Colonel caused spectators to gasp when his motorless plane nearly grazed a string of telephone wires which border a pasture.

Both of Lindberg's attempts at a distance flight were spoiled by lack of wind.

Governor Fisher Issues Proclamation

Governor Of State Sets Aside This Week As Business Women's Week

Governor John S. Fisher has issued a proclamation setting aside the present week for the appropriate observing of Business Women's Week throughout the state. His proclamation follows:

WHEREAS, The National Federation of Business and Professional Women's Clubs has set aside the week of March tenth in order to invite the attention of the public to the achievements of business women and to emphasize the important contribution which women are making to the commercial, professional and civic life of the day, and

WHEREAS, there are in Pennsylvania four thousand women affiliated with this organization through thirty-seven clubs, and

WHEREAS, the problems of the business woman, her achievements and her interest in the welfare of her community is a matter of vital concern to all.

NOW, THEREFORE, I, John S. Fisher, Governor of the Commonwealth of Pennsylvania, do hereby designate and set aside the week commencing March tenth and ending March sixteenth as Business Women's Week, to be appropriately observed by the people of this Commonwealth.

Given under my hand and the Great Seal of the Commonwealth, at the city of Harrisburg, this twenty-first day of February, in the year of our Lord one thousand nine hundred and thirty, and of the Commonwealth the one hundred and fifty-fourth.

Signed—JOHN S. FISHER

By the Governor:

ROBERT R. LEWIS,
Secretary of the Commonwealth.

This is the uncertain season of the year when the weather is often like a batted ball, starting fair and rolling foul.—The Louisville Times.

It's a FAT-FIGHTER

OVERWEIGHT is dangerous. Life insurance practice in refusing "risks" proves that marked overweight, especially in middle age and after, is a cause for alarm.

Excess, flabby flesh generally results from decreased exercise and increased eating of rich foods. The highest authorities advise persons with a tendency to overweight to reverse this process.

Now the Master Healthizer supplies the exercise necessary to fight fat, *pleasantly, safely*. It exercises all the muscles thoroughly without strain on the heart. It tones the muscles, making them firm where once they were flabby and weak, stimulates elimination, and results in vigorous health and increased "pep."

Its excellent and stimulating effects can be almost instantly felt.

Come in and let us give you a personal demonstration. Let us explain all the benefits of the Master Healthizer to you.

Veteran Navy Man Continues Sky Research

Expects To Uncover New Wonders During Next Few Years

(International News Service)

MARE ISLAND, Cal., March 14.—Technically in retirement, Captain Thomas Jefferson Jackson See, for many years senior mathematician of the United States navy, today is keeping new scientific realms to conquer as he delves deeply into the mysteries of advanced astronomy.

At the age of 64 years, he says, he has only begun the researches in astronomical spheres — researches which already brought him world-wide fame.

For 30 years he has rendered valuable services to the navy and to the world at large as a mathematician and an astronomer.

"And I fully expect to devote the next 30 years to completion of the researches which I have started," Captain See said.

He is the author of 30 volumes of work ranking him with Newton and LaPlace. Eight of these volumes remain as published.

What his plans for the immediate future are, Captain See refused to reveal other than that they deal with researches having to do with millions of small comets in the solar system.

Since devoting himself to mathematics 50 years ago, Captain See has made discoveries and conducted researches which have brought him international fame.

Among the most outstanding theories advanced by him is the one dealing with the capture of small bodies in space to build up large ones, giving a wholly new view of the origin of the solar system.

Others are:

Dynamical theory of the Milky Way, with verified map of the universe, showing laws for the arrangements and distribution of hundreds of millions of stars and nebulae to a distance of 2,000,000 light-years, a problem on which Sir William Herschel labored 150 years. Captain See worked 21 years on this problem.

Connecting magnetism with the waves operating in electrodynamics, leading to the wave-theory of universal gravitation.

Wave-theory of atomic and molecular force and proof of the theory of gravitation, described as an advance in pure mathematics unparalleled since the founding of the School of Alexandria 22 years ago.

Dynamical theory of tides.

Establishing that mean distances of planets are invariable, and the solar system is stable as if destined for eternal duration.

There is enough conscience left in the world for every nation to be shocked at the way others treat undeveloped peoples.

FROM FRIDAY MORNING'S EIGHT O'CLOCK EDITION

MRS. BALDWIN TESTIFIES THAT BLONDE HELD GUN THAT STRUCK DOWN PAUL

Testimony of Woman Witness to Shooting on Butler Road is Feature of Thursday Night Session of Court Trial — Moore Completes His Story of Gun Battle.

Telling her story in a manner that carried conviction, hesitating not at all, and refusing to be stampeded by the grilling cross examination of the defense attorneys, Mrs. Eva Baldwin scored a telling blow for the commonwealth Thursday evening at the night session of the trial of Irene Schroeder, now in session in court room number one. There was nothing complex about Mrs. Baldwin's testimony. She saw a woman shoot Brady Paul on December 27th, she saw Brady Paul sway and reel in an agony of pain and she gave the jury these facts in a manner that left no doubt as to the honesty of the sincerity of the witness.

It is doubtful if the commonwealth has another witness whose testimony is as vital to the success of the commonwealth as was Mrs. Baldwin's. Clear eyed and steady nerved she sat in the witness chair reciting her narrative in an unruffled voice, and no attempt of the defense to confuse her or becloud her story changed it a whit.

Mrs. Baldwin lives at the end of the lane, near the point where Brady Paul was murdered and saw a woman shoot him on December 27th. This woman she did not attempt to indentify nor was it necessary for the previous witness, Private Ernest C. Moore had identified the woman as Irene Schroeder, the defendant.

The night session opened at seven o'clock and ended at 9:45. For the first hour Moore was under a cross fire of examination of the defense, but with minor deficencies that were of slight importance, he stayed to his story of the murder of Paul and the murderous assault upon himself on December 27th.

William L. Sampson, a boyhood chum of Glenn Dague's testified as did Charles Evans, a school boy chum of Irene's brother. Tom Crawford. Sammy Baldwin, young son of Mrs. Eva Baldwin followed his mother on the stand and told a story that tallied with that of his mother, save that when his mother rushed to the telephone to notify the police, Sammy stayed at the window and saw the rest of the tragedy.

Today it is expected that Mrs. Martha Williams will testify. Her testimony will be followed probably by that of George Book, the truck driver who saw the battle from his truck, and other witnesses who have testimony relevant to the events immediately after the shooting.

From all indications the commonwealth's case will not be ended until Monday or Tuesday, although excellent time is being made considering the wealth of testimony that is to be offered.

The account of the testimony on Thursday evening follows:

Evening Session

Patrolman Ernest Moore returned to the stand at the opening of the evening session.

Q. Who treated the wound on your nose?

A. Dr. Paul Wilson and Dr. Loyal Wilson.

Q. You said this afternoon you heard shooting at the rear of the car. Was that all done before you were shot through the windshield?

Objected to and overruled.

A. The shots at the rear were at the same time the shots came through the windshield.

Q. When you first started around the car where were you going?

A. To the front of the car.

Q. Were you going to the other side of the car?

A. I was going to the front of the car to get back of Irene and Glenn.

Q. Why did you want to go around the back of them?

A. Well, I couldn't pull my gun in front of them. I would have got shot.

Q. Did you count the shots at the back of the car?

A. No.

Q. Did you see both Irene and Dague's guns?

A. Yes.

Q. How far was Mrs. Schroeder from Paul?

A. Four or five feet.

Q. Tow close were Irene and Glenn together?

A. Right together.

Q How close were their guns?

A. About 2 feet apart.

Q. Who had the smaller gun?

A. My impression is that Glenn Dague.

Q. What size were the guns?

A. A 38 and a 32. Irene had the 38 and Dague the 32.

Cross Examination

Q. Who got the message in the hotel?

A. Paul.

Q. You knew you were going to hunt for bandits?

A. Yes.

Q. You stopped several cars?

A. Yes.

Q. Any other Ohio car?

A. Can't recall.

Q. As you came to the car who stopped it?

A. Corporal Paul

Q. Where were you?

A. To his right.

Q. How was he dressed?

Q. Cap, leather coat, side arms on top leggings, shoes, and breeches.

Q. What was the first thing Paul said?

A. Asked him for his driver's license.

Q. You knew they don't use driver's licenses in Ohio don't you?

A. Yes.

Q. What did the driver do?

A. Handed him a wallet?

Q. Didn't Paul have his gun drawn?

A. No, sir.

Q. Didn't the occupants of the car tally with the description?

A. Yes.

Q. Did he hand the wallet back?

A. I don't know.

Q. Paul and you were on side facing New Castle?

A. Yes.

Q. Did the driver look into the wallet?

A. Can't say.

Q. Remember who opened the door?

A. No, sir.

This line of cross examination objected to by Margiotti as misleading.

Q. You were standing beside Paul?

A. Yes, and as he had the wallet I turned and went to the rear.

Q. When did you first see the occupants of the car on the road?

A. After they got out.

Saw Occupants

Q. You didn't have your eyes on occupants of car?

A. I saw them in the car.

Q. How far back did you go?

A. Directly behind it

Q. Did you go back

A. I turned around and saw Glenn Dague and Mrs. Schroeder.

Q. You couldn't see Paul's hands?

A. I could.

Q. Did you testify at the preliminary hearing?

A. I did.

Q. Weren't you asked if you could see Paul's hands and didn't you say you could see his right hand.

A. Don't remember.

Q. Did you answer this question: Was there anything in it, meaning his right hand and didn't you say no, sir?

A. Yes.

Q. So you couldn't see both his hands?

A. As he as backing up you mean?

Q. Yes?

A. No, I couldn't see both his hands until he was turned around.

Here Moore illustrated how he stood using a desk as the automobile.

Q. Did you go around the car?

A. Yes.

Q. You say Paul bumped into you.

A. Yes.

Q. You say you bumped into his gun. Objected to because the witness didn't say so. Court sustained the objection.

Q. At the preliminary hearing were you asked could you see his hand and you said you could see his right hand.

A. Yes, sir.

Q. You were asked where did he have it (his hand) and didn't you answer I could not say.

A. I don't remember.

Jarrett here objected to what he said was a shaking of Margiotte's head to which Margiotte replied that he did not know he was shaking it and certainly was not trying to aid the witness.

Q. When he said draw your gun did you say you raised you left hand and drew with your right?

A. Yes.

Q. Were you asked did you run in a crouching position and did you say you ran around the rear of the car?

A. Yes.

Crouching Near Car.

Q. Were you crouching or standing as you ran around the car.

A. Crouching.

Q. You left Brady Paul standing there?

A. Yes.

Q. You were asked what did you do and did you not answer I raised my left hand, pulled my gun and stepped around the car?

A. Yes.

Q. Now you say you didn't pull your gun out of your holster?

A. I didn't have it clean out.

Q. How far on the right hand side did you get?

A. Just around the corner.

Q. Were you nipped on the nose when you were on right handside of car or the part of radiator?

A. Right hand side of car.

Q. Your gun out yet?

A. No.

Q. Still in the holster?

A. Yes.

Q. As soon as you were in front of the radiator you got down?

A. Yes.

Q. How many shots fired at you there

A. Three, two of them thru the windshield and one thru the window.

Holes In Windshield.

Q. How many holes in the windshield?

A. Three on right hand.

Q. How many on left?

A. One.

Q. When you got in front of radiator where were the woman and man?

A. Behind the car.

Q. As Dague came around did you fire?

A. I don't remember.

Q. Do you remember firing any shots at all?

A. I don't remember.

Q. After you were struck on the nose did you increase your speed?

A. Yes.

Q. When you were in the county jail how did you identify Glenn Dague?

A. He came out and I identified Glenn Dague by his mustache and his peculiar eyes.

Q. Nobody else in the cell but Dague, was there?

A. Twelve or fifteen men in there.

Q. Was he shackled?

A. Yes.

Q. Wasn't he the only one shackled?

A. Yes.

Q. Who did you identify first Dague or Irene?

A. Irene.

Q. Was she handcuffed?

A. I didn't see.

Q. Who was in that cell.

A. Two other women, one colored and one white.

Q. Irene was the only blonde in there, wasn't she?

A. Yes.

Q. You said when you looked at the license plate Irene and Dague covering Paul with a gun.

A. Dague was covering Paul. Irene ran behind him with her gun.

Q. You couldn't see the barrel of her gun?

A. Yes, I could.

Covered By Dague's Gun.

Q. Were you covered with a gun?

A. By Dague's gun.

Q. You didn't notice these guns until Brady Paul bumped into you?

A. No.

Q. The minute you saw those guns you beat it around the car didn't you?

A. I paused a moment.

Q. When you left Paul there you could be several feet away couldn't you?

A. Yes, 3 or

Q. Didn't you pull your gun?

A. I was pulling it out.

Q. That was after Paul ordered you to pull your gun?

A. Yes.

Q. Your instructions are to obey orders, aren't they?

A. Yes.

Q. How long was it from time Dague pulled his gun until you left?

A. Practically no time at all.

Q. You were running in a crouching position to the front of the car?

A. Yes, just a little.

Q. Did any one use the words "get back"?

A. Yes, Dague said that to Paul more than me.

Q. When you looked at the gun you were looking into the barrel?

A. Yes.

Dague's Gun Aimed at Him.

Q. The Dague gun was pointed at you?

A. Yes.

Q. Didn't it look larger than the other?

A. No, it didn't.

Q. Didn't you make your identification of these guns as to eye before Brady Paul said "pull your gun" or after?

A. When he said it.

Q. you saw both guns pointed at the same time?

A. Yes.

By Margiotti:

Q. At the time you went around the car on whom did Mrs. Schroeder have her gun?

A. On Paul.

Gun is Shown.

Q. I now show you a gun, commonwealth exhibit 19, handed to me by Officer Funk. Whose is it?

A. It was assigned to me.

Q. Is that the gun you had on the Butler road and which you next saw in Phoenix, Arizona?

A. Yes.

Q. What mark was on the base of the gun?

A. "S. H. P."

Q. Is it on there now?

A. No.

Q. Was it on in Phoenix, Arizona?

A. No, it had been filed off or rubbed or sandpapered off.

By Dickey:

Q. When you went out on the Butler road your gun was filled?

A. Yes, with five shells.

Q. Was Paul's?

A. I don't know.

Q. It's customary, isn't it, when you hunt bandits?

A. Yes.

Q. Did you have your belt filled with ammunition?

A. Yes, sir.

That's all.

Sampson Called.

William M. Sampson was called out of order in order that he might return to his home in Elm Grove, W. Va.

Q. How far is Elm Grove from Benwood, W. Va.?

A. About 11 miles.

Q. How long have you lived there?

A. About 13 years.

Q. Do you know Glenn Dague.

A. I do.

Q. Did you see him in the court room today?

Objected to as immaterial. Overruled.

A. I did.

Q. Who was he?

A. Walter Glenn Dague.

Q. Did you ever know him by any other name?

A. Since we were small boys.

Q. When did you last see him before December 27, 1929?

A. About January, 1929.

Q. Where was he living?

A. At Valley Grove?

Q. How far from Benwood?

A. Approximately 17 miles.

Q. Where was Dague last employed?

A. Scott Motor Co., Wheeling, W. Va.

Q. When?

A. First of 1929.

Q. From childhood to January 19, when did you see him?

A. Excepting when he was in the army, constantly.

Cross examined by Dickey:

Q. Seen him since you came up here?

A. Only in the court room.

Q. Dague was in the army for some time?

A. Yes.

Evans Testifies.

Charles Evans of Benwood, W. Va., was called.

Q. How long have you lived there?

A. All my life.

Q. Did you know the defendant?

Q. Yes.

Q. Who was she?

A. I knew her as a child as Irene Crawford.

Q. Did you go to Phoenix?

A. Yes.

Q. Did you see Mrs. Schroeder?

A. Yes.

Q. Who took you into to see her?

Witness named a party of people who went from New Castle.

Q. Did you say anything to her?

A. Yes.

Q. What did you say to her?

A. I said hello Irene.

Q. What did she say.

A. She said are you speaking to me, my name is Mildred.

Q. Were you in the governor's office at the extradition hearing?

A. Yes.

Q. Did the governor say anything?

A. He called her and she didn't say anything and he called her again. She said are you speaking to me.

Not a Blond Then

Cross examination by Dickey.

Q. You went out to identify Irene

A. Yes and Joe Wells.

Q. Did you ever play around with her.

A. No. I went to school with her brother and saw Irene at his home.

Q. How long has it been since you saw Irene.

A. About ten years.

Q. Was she a blond then?

A. No her hair was darker.

Q. Was Irene shackled to the bench in the cell in Phoenix?

A. No.

Q. Was Irene going to school when you went to school with her brother?

A. I don't think so.

By Margiotti.

Q. You spoke of Joe Wells. Why were you taken out to see Joe Wells.

Objected to and withdrawn.

Q. Did you have an explanation about Joe Wells. Objection overruled.

A. Yes.

Q Make it.

A. When I was summoned to go to Phoenix it was not known whether the man held in Phoenix was Tom Crawford or not.

Mrs. Baldwin Testifies

Mrs. Eva Baldwin of the Butler road was called.

Q. Were you at home December 27 last?

A. I was.

Q. Who else was at home?

A. My boys, Samuel and Raymond.

Q. Was your husband home at the time of the shooting.

A. He was in the barn.

Q How was your attention attracted to the officers?

A. Raymond said that two officers were in the driveway. I said we would watch and see what they would do. I went to the west window. The boys were in the hall.

Q When you got to the window what did you do?

A. I watched the patrolmen.

Q What did they do?

A. They walked back and forth.

Q See any automobiles?

A. Yes.

Q. Were any cars going to Butler stopped.

A. No they were waved past.

Q Any from Butler stopped?

A Yes they stopped a number.

Q. What happened?

A. About the sixth car was stopped in front of our driveway.

Q. What part of it could you see?

A. All of it.

Q. Did the trees obscure it-

A. Can't say they did.

Q. Were there any changes in physical conditions between December 27 and February 21 when the pictures were taken?

A None except that the trees were pruned.

Commonwealth offers the pictures taken from the Baldwin porch, in evidence.

Objected to by defense and overruled by the court.

Saw Shooting

Q. While you were at the window what did you see the officers do?

A. I saw the officers stop the car. One walked to the drivers side. The other was at his side. The taller officer went to the window and the other went to the rear of the car. The taller one I learned after was Brady Paul and the other E. C. Moore. The door came open and a man came out and then a woman. The woman came around to the right of the man. The man and woman had a gun in their hands. Some one yelled get back and Brady Paul backed up, with his hands up (illustrating). The woman was on this side of the man with the gun in her hand. They were along side of each other. The man had his gun drawn and Paul was backing up. He passed the back of the car. He hesitated for an instant at the back of the car. Then I saw the woman fire

Q. How far was she from the rear of the car.

About five feet.

Q. Where was the man?

Q. Just turning.

Q What indicated that she fired.

A. I heard the shot and saw the smoke and saw Paul sway.

Q. Then what did you do?

A I went to the phone.

Q. What did you do?

A Called the Princeton operator and had him call the New Castle police. Then I went to the rear of the house and called my husband.

Q. While you were at the telephone did you see anything?

A. No. I heard several shots but didn't hear anything.

Q. After you got through telephoning where was the car?

A. It was gone.

Q. At the time this woman fired at Paul what position was Paul?

A. His right hand was at his side. I don't know if he had his gun or not.

Q. How was the man who got out of the car dressed?

A. He had on an overcoat and a soft hat.

Q. How was the woman dressed?

A. In black.

Q. When she fired the one shot did Paul fall or remain standing?

A. He remained standing.

Woman Fired First

Cross-examined by Jarrett.

Q. The first shot that you heard fired was the shot the woman fired?

A. The first one I heard.

Q. How many were fired when you were at the telephone?

A. Eight or ten.

Q How far was the woman from the back of the car?

A. Five or six feet.

Q. Did you see a third man then?

A. I think not.

Q. You say you saw the smoke of the gun?

A. Yes.

Q You can't be mistaken about that?

A. No sir.

Q. You were looking through the west window?

A. Yes.

Q. Curtains on the window?

A. Yes.

By Margiotti:

Q. What kind of day was it when the shooting occurred.

A. Clear.

Q. And when the picture was taken?

A. Clear.

That's all.

Samuel Baldwin, son of the preceding witness, was called. His testimony was similar to that of his mother. After his mother went to the telephone he saw Irene shoot Paul again, and saw Paul fall.

Court adjourned as the witness finished at 9:45 p. m.

The law of supply and demand seems now to affect everyone except the weather man.—The Akron Beacon Journal.

SAW SHOOTING

MRS. EVA BALDWIN

Who saw corporal Brady Paul Shot and Testified on Thursday night.

"It Controls the Nerves"

"I am a saleslady in a store. My nerves got the best of me and I never had good finger nails because I could not stop biting them off. My appetite was poor and I was always tired. One of my friends told me about Lydia E. Pinkham's Vegetable Compound. I know that it controls the nerves because I have no desire to bite my nails now, and they are long and well kept. My appetite is enormous and I feel like a new person. I have recommended your medicine to many girls with the same good results."—*Ethel Fleetwood, 3023 Bandin Street, New Orleans, Louisiana.*

UNIVERSAL Washer and Dryer—

The Newer and Better Way to Solve Your Laundry Problem

When the new UNIVERSAL Washer and Dryer does your laundry work you are as fresh at the end as you were in the beginning—ready to enjoy the extra hours made possible by this new and better way.

Wash day becomes wash *hour*. Everything is done for you electrically—quickly and thoroughly. No wringer to take your attention—no water to empty by hand and the clothes are as spotlessly clean as you **want** them to be.

1 A new three-minute dryer expels surplus water quicker and more evenly than a wringer and with complete safety both to clothes and operator.

2 A small pump puts an end to all lifting of heavy water pails. After the clothes are cleaned turn a valve and the tub empties itself.

3 Through UNIVERSAL refinement of design the fastest and most thorough cleansing action known is at last made safe for the most delicate clothes.

4 The UNIVERSAL is positively safe in every respect for the operator and curious children. All moving parts are inclosed. Dryer cannot start until cover is securely fastened. Inclosed grease packed gears never wear out.

FREE Demonstration

Let us place the New UNIVERSAL in your home for a free trial and show you in terms of clean, wholesome clothes what this washer can do for you. Telephone us today.

Educator Hits Intelligence Tests

(International News Service)

WASHINGTON, Mar. 14.—Intelligence tests, used by the school authorities in various cities, should cause parents no alarm for they do not reveal the exact brain power of the pupils, Milton Fairchild, of the Character Education Institute, declared.

He said the tests merely disclose the mental characteristics and guide teachers in the training of various types of children. The slow thinker, Fairchild added, may actually be the creative and true thinker with vastly more brain power than the child termed "bright" by the tests.

As usual, the law doesn't mean what it says. The Pantages lawyers filed a "brief" of 1,132 pages.—The Indianapolis Star.

Gasoline Costs Slashed In Boston

(International News Service)

BOSTON, March 14—The price of gasoline in and about Boston has been cut to 14.5 cents, the lowest rate here since the World War. Officials of the various gasoline distributing companies deny that price cutting was is in progress.

Bladder Weakness Troublesome Nights Swiftly Relieved

If you are troubled with a burning sensation, Bladder Weakness, frequent daily annoyance, getting-up-nights dull pains in back, lower abdomen and down through groins—you should try the amazing value of Dr. Southworth's "Uratabs" and see what a wonderful difference they make! If this grand old formula of a well known Physician brings you the swift and satisfying comfort it has brought to dozens of others, you surely will be thankful and very well pleased. If it does not satisfy, the druggist that supplied you is authorized to return your money on first box purchased. This gives you a ten-day test of "Uratabs" without risk of cost unless pleased with results—so, if you would know the joys of peaceful, restful sleep and a normal, healthy bladder, start the test today. Eckerd's or any good druggist can supply you.

Necessity for larger quarters and better facilities to handle our ever increasing business has forced us to move.

Holley Denies He Was Driving Car While Intoxicated

Claims That Anderson Wise, Whom He Had Engaged, Was Operating Machine

Vernon Holley, an insurance agent, was placed on trial before Judge James A. Chambers on Thursday afternoon on a charge of driving a motor vehicle while intoxicated. The motor vehicle was overturned on Montgomery avenue.

Clarence Campbell, policeman, testified that he got to the scene of the accident soon after it happened, and on learning that the machine belonged to Holley, he had placed him under arrest.

He said that he had found Holley, with others, standing by the side of the machine, which had been righted when he arrived. Holley, he said, was very much under the influence of liquor. He fell down three times while standing near the machine.

Campbell called the patrol and Thomas Lynch responded. Holley was taken to police headquarters. Lynch testified that he had learned that there was a colored man riding with Holley at the time of the accident.

Dr. William Cleland testified that he had examined Holley at the police headquarters, and found him to be intoxicated.

James Steiner, of the police department, testified that he had taken down a statement made by Holley at police headquarters.

Holley was placed on the witness stand in his own defense this morning. He testified that on Saturday afternoon, December 28 he had been out collecting insurance and had become intoxicated. During the evening he had stopped at the residence of Charles Kennedy and later at the home of Walter Johnston. It was about 11 o'clock Saturday night when he arrived at the Johnston home. He was under the influence of liquor and when he sat down in the warm room he became drowsy and fell asleep. He slept in a chair all night.

Next morning he said that he was still under the influence of liquor. He did not want to go home to his wife and child in that condition, and realized that he could not drive his car. He said that he had secured Anderson Wise, a colored man, to drive the car for him.

He got into the car with Wise and Charles Kennedy. Not wanting to go home until he sobered up he said that he had directed Wise to drive around. They drove down the West Pittsburg road, coming out on the New Castle-Beaver road near West Pittsburg, and then driving north to Mahoningtown. On Montgomery avenue the wheels locked when Wise put on the brake, the car turned around and overturned. Help came and they were pulled out from under the car. Holley said that Wise had been driving all the time they were out.

Anderson Wise corroborated Holley. He said that Holley had asked him to drive the car, and that he was at the wheel when the accident occurred on Montgomery avenue. Wise said that when the car overturned Holley was thrown on top of him. Wise had one arm skinned and his coat torn. At this writing the case is still on trial.

Detroit Woman Is Victim Of Suicide, Leaps From Hospital

DETROIT, Mar. 14.—Mrs. Stefania Valentia, 30, leaped from a third floor widow in Providence hospital today and was killed instantly.

She had been taken to the hospital for an operation.

Chicago Man Is Killed By Fall

(International News Service)

CHICAGO, Mar. 14.—Frank D. Ketcham, 65, a widower, was killed today when he fell or jumped from the window of his room on the eleventh floor of a Michigan avenue hotel here.

His body, clad in a sweater, shirt, trousers and socks, was found in the street by a taxicab driver.

Forney Is Given Freedom By Jury

Pittsburgh Court Judge Reprimands Jury For Giving Freedom To Alleged Gambler

(International News Service)

PITTSBURGH, March 14.—Al Forney, accused of being a common gambler and of maintaining gambling devices, was acquitted of the charges by a jury in criminal court here today, but was ordered to pay the costs.

The "Scotch verdict" came as a surprise to a crowded courtroom. Judge Frank P. Patterson scored the ten men and two women for acquitting Forney who is reputed to have reaped thousands of dollars from the machines.

"Your term of service is concluded," Judge Patterson told the jurors after the verdict had been read. "It is usual to discharge a jury with thanks for its services, but in this case there has been such an utter disregard of the law and the evidence, I will not do that."

Uncle Sam's Cash On Hand Is Slim

(International News Service)

WASHINGTON, March 14.—The U. S. treasury, whose cash on hand ordinarily runs high into the millions, is almost broke.

The daily treasury statement today, showing the condition as of March 12 disclosed the cash balance was only $665,231.04.

Veteran treasury employes said they believed it costituted a record—that never in history had the cash on hand sunk so low.

Relief already is in sight, for early income taxpayers are beginning to pour money into the treasury, and there is also $480,000,000 in sight from the sale of the treasury certificates this week.

Organize W. H. M. S. At King's Chapel

Mrs. C. G. Farr organized an auxiliary to the Women's Home Missionary Society in the home of Mrs. T. F. Neal of the Youngstown road on Thursday afternoon. This is in connection with the King's Chapel Methodist church.

Officers elected were Mrs. J. A. Chapin president, Mrs. T. F. Neal recording secretary, Mrs. Henry Shilling corresponding secretary and Mrs. F. A. Pinkerton treasurer.

Y. W. C. A. Notes

Posters In Cafeteria

Considerable attention has been given the posters in the Y. W. C. A. cafeteria, made by the Senior Girl Reserve club. The posters are pictures of the products of five local industries, and several questions or interesting acts about the industries are printed beneath the pictures. From time to time, new posters will be put in the cafeteria.

At present, there are pictures of the Buckeye company products, the Johnston Bronze, Universal Fixture company (the first company to make colored bathroom fixtures,) the Shenange Pottery (largest plant in the world which makes hotel vitrified china,) and the American Can company products.

REV. G. E. BROWN WILL PREACH AT HOPEWELL CHURCH

Rev. George E. Brown, of Ellsworth, Ohio, will preach at both morning and evening services in the Hopewell Presbyterian church at New Bedford, Sunday.

Dr. C. G. Farr Speaks At Banquet

Dr. and Mrs. C. G. Farr of Almira avenue were guests at a banquet held in Slippery Rock Thursday evening. The event was held in the Methodist church at that place and Dr. Isenberg's Sunday school class was host to the congregation of the church at a 6:30 dinner.

Dr. Farr was the guest speaker and presented an interesting and well received address.

L. L. O. I. CONFERS DEGREE

The L. L. O. I. 24 met in their hall in the Clendennin building Thursday evening and conferred the second degree on a large class of candidates.

At the conclusion of the regular lodge meeting Mrs. Agnes Watson and her committee had planned an agreeable social hour and served a delicious lunch.

March 27 the members will enjoy a tureen dinner with Mrs. Eliza Houston in charge of arrangements.

Motor Club Heads To Meet Tuesday

Members of the new board of governors of the New Castle Motor Club will hold an important meeting in the Castleton Tuesday evening, March 18, at 8 o'clock.

Plans are now under way for an intensive membership drive, which will probably be brought up at this time, in addition to other business of importance to the organization.

More Petitions Are Filed Today

(International News Service)

HARRISBURG, March 14.—John L. Murphy, Philadelphia, today filed both Republican and Democratic nomination petitions with the bureau of elections as a candidate for the house from the first district.

He was the first candidate to file petitions for two parties.

Three Republicans filed petitions for the house. They were Carl C. Baldrige, Edgewood, 10th Allegheny; Thomas C. Evans, Portage, 2nd Cambria and Joseph G. Magyor, Monmouth, 1st Westmoreland.

SCOUT LEADERS

Lawrence County Council Boy Scout leaders will assemble tonight at 7:30 o'clock as the guests of Scoutmaster Edwin C. Schmid at an oyster supper in the dining room of the First Presbyterian church. This will be the regular monthly meeting of the leaders.

Plans for future Lawrence County Boy Scout activities will be discussed.

Y. M. C. A. NOTES

Swimming Tournament

Associations at Sewickley, New Brighton, Butler, Sharpsburg, Coraopolis, New Kensington and Tarentum will send contestants here for the annual swimming tourament of the central west district for which plans were launched by local physical directors today. The meet will comprise the championship meet for the district.

LOCAL BAND TO BROADCAST MUSIC

Franklin Crisci Rythm Boys of New Castle, a local musical band which is making good on the radio will broadcast from the WKBN station between 3:30 p. m. and 4 p. m. Saturday.

LOCAL P-O

E. R. Grotefend, assistant cashier of the Pennsylvania-Ohio Electric company here for some time has been promoted to cashier of the Salem, O. office of the company, it is announced.

Mr. Grotefend is susceeded here by Ernest Crawford.

Two Senior Men Make Trip With Westminster Debaters

James Chambers

Paul Campbell

Special to The News

NEW WILMINGTON, March 14—James Chambers, New Castle, and Paul Campbell, Pittsburgh, two members of the senior class at Westminster College, are members of the team which will leave Saturday for a trip to six southern states where eight intercollegiate forensic contest have been scheduled.

Chambers, a members of Kappa Phi Lambda social fraternity and of Tau Kappa Alpha national debating fraternity, has been active in forensics for four years. Campbell, a member of Phi Pi Phi fraternity and of Tau Kappa Alpha, has also been a member of debate teams for four years. Campbell was star halfback on the Westminster football team for the last three seasons.

These men, together with Frank Douds, Beaver; Fred Williams, Carnegie; Scott Hadden, Meadville and Dr. Charles A. Dawson, coach, will spend two weeks in the south returning to College April 1.

Protection Sought For U. S. Bald Eagle

(International News Service)

WHITE PLAINS, N. Y., March 14—The bill introduced into congress which would provide complete protection for the eagle in the United States, Alaska and the other territories is being supported by conservation societies in all parts of the country, according to Colvin Farley, secretary of the Westchester County Conservation association.

The American bald eagle, honored as the emblem of the nation ever since the days of "Old Abe", famous war eagle of the Union army, is not only being persecuted in many parts of the United States but, according to Farley, is actually being slaughtered by the thousands in Alaska where a bounty of 50 cents a head is offered in the belief that the eagle damages the production of salmon fishermen and fox fur farmers.

Lake Cargo Coal Rate Case Will Be Opened Again

Complaint Filed With Interstate Commerce Commission By Coal Traffic Bureau

RIGID PROBE TO BE UNDERTAKEN

(International News Service)

WASHINGTON, March 14.—The famous lake cargo coal rate case will be reopened through a complaint filed today with the interstate commerce commission by the Western Pennsylvania Coal Traffic bureau and 18 coal companies.

The complaint charges coal operators in the Butler-Mercer, Freeport, Pittsburgh and Connellsville districts are in direct competition with operators in West Virginia, Virginia, Kentucky and Tennessee in the sale of coal and that this competition is especially keen in the sale of coal for trans-shipment as vessel cargo to and via Lake Erie ports to destinations on or beyond the Great Lakes.

No Southern Markets.

The complaint further states that Pennsylvania operators, by reason of their geographical location, enjoy no markets in the south, and despite their geographical location are disadvantaged in markets west and northwest and therefore lake cargo traffic is of vital importance to them.

The rates on coal to the Great Lakes give southern operators an undue and unreasonable preference and advantage, the complaint charges. In consequence Pennsylvania operators are deprived of the benefit of their geographical location and subjected "to an arbitrary and artificial handicap in marketing lake cargo coal in competition with mines in the various competing districts in the four states named."

The complaint asked the commission to make an investigation of the matter and to issue an order commanding the defendant railroads to establish rates which will not be unduly prejudicial to Pennsylvania operators.

HOSPITAL BENTFIT DRAWS LARGE CROWD; EXCELLENT PROGRAM

(Continued From Page One)

taking part have had considerable training and experience in theatrical presentations.

Hannon Interlocutor

Hughie Hannon, the interlocutor of the minstrel part is an old hand at the business, and he presided over his minstrel men with a capacity which recalls the memory of Al Fields and those other kings of minstrelsy of days gone by.

He was ably assisted by those inimitable end men, Hadyn Jones, Arch Cubbison, Paul Donley, and Tommy Blake, disguised under the title of Apostles of Sunshine with burnt cork and magnificent costumes. They put across some clever jokes, which kept the audience in an uproar. They were ably assisted by Ralph Eakin, Jack Ellis, Nick Falello, Kenneth Myers, Clarence Reese, and Lou Pearsall.

The guests included William McCombs, William Roberts, Roger Francis, Reed McCullough, Bert Sanford, Walter Ashton, Glen Evans, Dolph Jones, Henry Jenkins, Dave Jones, Lew Sweet, Harry Masters, Chester Biddle and Russell Brenner.

The opening minstrel chorus was agumented by a banjo accompaniment furnished by Fred and Harry Sheppard and Arch Cubbison.

Outstanding Features

The work of Tommy Blake and Paul Donley was outstanding, while the song "Aren't We All" by William McCombs, made a big hit with the audience, although the entire cast presented their offerings in a manner that left little to be desired.

The revue program was one of the finest of its kind ever presented in an amateur production here. The choruses were drilled to perfection and were well chosen for their ability. The dance numbers were exceptionally clever, especially those of the Cecelia McCoy girls, and the specialty dances by Cecelia McCoy and Mary Louise Rea showed exceptional talent.

Miss Mary Louise Galvin also excelled in a special tap dance, with her girls, which made a tremendous hit with the audience.

Then in addition to this there were a number of comedy presentations, which featured Tully Caiazza and Lew Jenkins, those two funny boys. They are ably supported by Betty Rea, Mrs. Al Evans, Mary Lou Rea, P. J. Iodice, Randall Space and Robt. Steinbrink.

Those two "old favorites" Joe Love and Harry Elwell were back with new jokes and songs which made a big hit with the audience.

Another clever number on the program was the song by little Jean De Lillo, assisted by girls from the Smith-Williams Institute, which went over big.

Arrangements for the production have been in charge of Reed McCullough and David Fisher, and to them goes much credit for the superb production which was given last evening, and will be again presented tonight. They have been ably assisted in their work by Dave Jones, who directed the minstrel part, P. J. Iodice, who had charge of the revue, and Abe Levine, who directed the music. The dances have been directed by Miss Cecelia McCoy and Mary Louise Galvin and showed careful training on the part of these two talented young women.

Taking Part

Those who take part in the revue are as follows:

Miss Frances Gibson, soloist: the ballet chorus girls under Miss McCoy's direction include Catherine Eagan, Charlotte Bartlett, Hazel Houston, Eleanore Blanning, Martha Jo McGoun, Doris Updegraff, Ruth Brenneman, Janet Brenneman, Elizabeth Connover, Dorothy Usselton, Hilda Newark, Margarite Hogue, Jessie May Weaver, Louise Fink, Mollie Livingston and Eveline Shriver.

Seek To Identify Prehistoric Skull

(International News Service)

BERKELEY, Cal., March 14—University of California paleontologists are seeking to give proper place in world history to a prehistoric man whose skull recently was found in China.

A photograph of the skull and the plaster cast of the big toe bone of another prehistoric individual have just been received from Dr. Davidson Black, head of the department of anatomy of Peking Medical college.

Professor W. D. Matthew, chairman of the department of paleontology, to whom the exhibits were sent, said the age of the skull is a subject of controversy.

It is thought to be older than the Nanderthal man and as old as the famous Heidelberg jaw in Europe, though not as old as the Piltdown jaw and skull found in England.

It is similar in form to the most primitive Asian skull ever found, that of Pithecanthropus erectus, but has a larger brain chamber.

Predicts Good Season For Copper

(International News Service)

JEROME, Ariz., March 14—Robert E. Talley, president of the United Verde Copper Co., largest and richest producer of the red metal in northern Arizona, today was on record with a declaration that the industry faced its best season.

"The price of copper is stable around 18 cents," Tally said, "and with the production in good shape, the market orderly for the domestic and export trade, the mineral producing areas can face the future with confidence."

Tally succeeded in the United Verde chiefship to the late Senator William A. Clark, Montana millionaire copper man.

COOPERATION

Forty years is not a very long stretch of miles on the endless road that a nation travels in the interest of her citizens. It is not very far to look back if you would glimpse again the farther end.

However, if we would look back over that stretch of 40 years of activities of health promoting organizations, not even our imagination could help us to visualize the time when the individual stood there practically alone fighting, yielding generally to the devastating hand of disease and the handicaps of physical and mental defects.

Our nation's life today is so accustomed to the health information that comes through the air and is gathered so easily from news-stands; so accustomed to weaving in and out through the doors of gymnasiums and the doors of clinics; so accustomed to make use of hospital facilities that it would take stronger glasses than we are wont to wear, periscopes even, to see over the towering health institutions, builded on every corner of our life, back to the time when these were not.

Impossible to see clearly, with all its meaning of a lonely road with little help available, the time when there were no health officers, no trained nurses, no research laboratories, no state or national health boards, no national societies for control of malignant and parisitic diseases, no American safety council, no child welfare commission, no health week, no baby week, no clean-up week, etc. etc.

Forty years—not a long time, and yet all these aids to health and better living have germinated slowly and struggled to find their place on the avenues and by-paths of our nation's life that they might be of help to the passing man, woman and child.

Each had its conception in the need of mankind but it was the public whose ear had listened long to the cry of baffled lives that saw the new vigor and the renewed vitality that might be put into our national life through the individual. It was the public that stressed the putting of each new-born aid to a practical, every-day use for man everywhere.

The work of health education and health building belongs, properly, to those organizations whose duty has been assigned them by federal or state authority but without the understanding, the good-will, and the cooperation of the public to sponsor their work it would come to naught or at least be interminably slow.

Always there must be a go-between who senses the possible benefit of each new organized effort and then brings the public to an understanding and acceptance of the proffered aid.

Not only that, but our government, both state and national, has been very slow in granting the necessary funds to carry on such work; too slow to meet the impatient demand of the public that the welfare of children and of adults, too, should be the first and chief concern of the nation.

Thus, for two reasons—to be an intelligent propagandist for worth-while movements and to provide funds for their furtherance where the state fails, clubs and welfare organizations are putting their united strength back of health organizations of the state. Understanding always, that it is the part of wisdom and of good citizenship to work under and in accord with, not independent of, such organizations.

That is why the health department of the County Federation of Women's Clubs, working in accord with the health department of the state, is asking all Lawrence county parents of pre-school age children to think through with them this matter of the preparation of the child for school—in the matter of health—before the school year begins.

The state health department is doing this work but lack of funds makes it very slow in its accomplishment.

Lawrence county need not wait. Volunteer service from the clubs and affiliated organizations and acceptance by parents of their responsibility will help us to put healthy, not sick, children to their task of learning.

To think it through together is wise.

Husband Wanted Obedience–And How!

(International News Service)

WASHINGTON, March 14—Mrs. Henry A. Montague claims her husband was more like a hard-boiled schoolmaster than a loving husband.

In a petition for divorce on file here she alleged he was not only cruel to her but on ten separate occasions made her write the following on a piece of paper, "I will obey my husband."

They were married last October 24 and Montague earns $12,000 annually, the petition said.

Treat Promised Sportsmen At Banquet On 20th

Five Wonderful Reels Of Moving Pictures Will Be Shown After Dinner

Those people who get tickets for the seventh annual banquet of the Lawrence County Sportsmen's Association to be held in the Cathedral Thursday evening, March 20, are assured a treat in speaking and also in special motion pictures secured for the occasion.

Following the dinner and the speaking program, there will be shown in the auditorium of the Cathedral, five or more reels of motion pictures taken by the Pathe company. These have never been seen here before.

The pictures will include big game hunting scenes secured in Alaska and dog trials held in Mississippi.

Tickets must be secured within the next few days, as it must be known shortly how many must be prepared for. These tickets cost a dollar and can be secured from City Treasurer L. W. McClung, Alderman O. H. P. Green or any member of the Association.

Police Down Sleuths In Shooting Contest

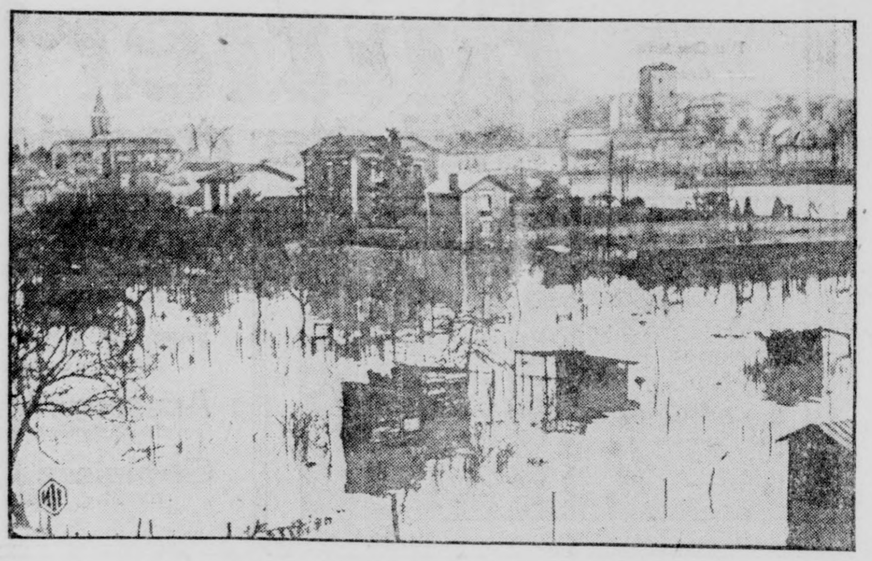

(International News Service)

DENVER, March 14. — The traffic squad of the Denver police force is handing the "merry berries" to the detective squad.

A team of five members of the traffic force defeated the detective's department team in a shooting contest by a score of 450 to 428 out of a possible 500.

Berlin police have clashed with jobless workers. What sort of a tariff bill is in a jam over there?—The Akron Beacon Journal.

French Vineyards Ruined by Flood

The partly submerged village of Languedoc during the recent disastrous flood which resulted from the collapse of the great Tarn River dam and swept over the Toulouse region, taking a toll of 172 lives and causing great property damage.

The heart of France's richest vineyard district was completely wiped out by the flood waters, which covered thousands of acres and washed away the foundations of homes.

(International Newsreel)

OH, THESE WOMEN!

By LEOLA ALLARD

A wise cry from a girl who says that the girls worth marrying, "those who work" (according to A Chicago Irishman) are the girls who haven't the opportunity to meet the right man.

"When one is associated with men of intelligence all day in business, it would be rather boresome to be married to a dull and stupid man such as most of us working girls have the chance to meet," she writes me.

There's something to that cry.

Girls who are on a lower, or at least different, social level than the men they work for become accustomed to lively thinkers, and the plodders who are content to go along on small salaries all their lives, and have no ambition, irritate them. What are they going to do about it?

The young woman who writes from Detroit, says: "Our Chicago Irishman must have had a bad taste left after his first mixture, but I'll wager if he had a chance at some nice office girls he would give up the ghost and say "I'll take another chance."

"I agree with him, an office girl knows what it means to be tired and would sympathize with a man. I have had eleven years experience and I know. But most of us stay single I guess, because we can't find anyone who comes up to our ideals. When one is associated with men of high intelligence all day in business, it would be boresome to be married to a dull, stupid man.

"Most of us in a large city, have a limited social circle, and are too tired most nights to get around and see whos who. One can't be a successful business girl and do too much playing around. If I'm wrong, then the Irishman must be wrong too."

B. P.

What a matrimonial bureau I could start if I had the inclination! Every woman who gets mad at a bachelor for saying that marriage is OUT, wants his address. I wonder what for? Every man who gets disgusted with a woman's views wants to express his, but he doesn't care where she is and has no inclination to meet her. Thats how the sexes are.

The girl from Detroit strikes a chord that has been sounded before. She is too smart to try toa start a flirtation with her employer. She isn't forever trying to vamp the men with whom she comes in contact in business. Because of her dignity and business like attitude the men don't ask her to go out to dinner. Consequently her social activities are confined to those in her own social circle whom she has outgrown mentally.

Every now and then a man discovers a girl like that, a big man with a fine mind and a great sense of appreciation and a successful romance is recorded. But the ones worth discovering, don't go out to "catch" anybody.

Yes, B. P., it IS quite a problem. (What do you men think about it?)

Germany's Great Specialist in Skin, Blood and Nerve Disorders, Tells Why He Openly Endorses Flaxolyn

Professor DR. REMY HIRSCH
Noted German Blood, Skin and Nerve Specialist.

Former head of the Nervous Disorders Division of the Charité Krankenhaus, Berlin's largest hospital.

For years an Associate of the Staatliche Krankenhaus in Frankfort-am-Main, one of the most important hospitals in all Germany.

"HERE in Germany, where Science is king, physicians are prompt to take notice of so remarkable a health-restorer as Flaxolyn. I for one must HEARTILY APPROVE of a medicine that is so pleasant to take and yet powerful in its attack on Constipation and the hundred-and-one complaints that are directly caused by it.

BRIGHTENS LIFELESS COMPLEXION

"As a specialist in diseases of the skin and blood I recommend Flaxolyn to the fullest extent. Sluggish blood, and dull, lifeless complexions marred by unsightly blotches and pimples are often the result of a cause no more deeply-seated than faulty elimination. RETURN TO NORMAL BOWEL, KIDNEY AND LIVER ACTION, upon which healthy blood and tissue depend, is essential. In bringing this about Flaxolyn provides an invaluable SOURCE OF NEW STRENGTH AND ROBUST HEALTH.

Americans as a race are prone to be victims of sleeplessness, headaches, unexplainable fatigue, loss of appetite, gas on stomach, nervous indigestion and general run-down condition due to the almost unbelievably rapid tempo of modern American life.

STOP BURNING UP YOUR ENERGY

"The human body is literally being driven forward with every ounce of energy *burning up*, a strain that cannot help ending in collapse unless the delicate human machinery is kept free from internal disorders.

"Care before repair, is a rule I always lay down for my patients. I believe that fully 90% of the serious ills arising from improper functioning of liver, stomach and bowels would not exist if more persons knew of a SAFE, PLEASANT, POWERFUL REMEDY. To these sufferers I am glad to advise: "TAKE FLAXOLYN."

F. Remy Hirsch

There Can Be No Substitute for Flaxolyn

The basic formula of Dr. Luntz's vitaminized Herbal Flaxolyn compound is the result of 25 years devoted to the study of botanical therapy.

Chemists might take the very same ingredients that are in Flaxolyn, yet it would be utterly impossible to combine them with the same degree of balance and potency for which Dr. Luntz so long sought.

Flaxolyn contains only the purest of herbs, fortified by medicaments recommended and approved by high medical authority.

MONEY BACK GUARANTEE

Certainly a man of the standing of Professor Dr. Remy Hirsch would not openly acclaim any medicinal product if he were not fully confident of its merits. Dr. Hirsch's frank endorsement of Flaxolyn should fully convince you that Flaxolyn is worthy of your prompt trial. *If you are already a user of Flaxolyn, Dr. Hirsch's statement cannot fail to impress you with the need for continuing its use.*

Tear out this convenient coupon as a reminder to obtain a bottle of Flaxolyn, in the attractive red-and-black carton, at your nearest drug store. Dr. Harris H. Luntz (M.D., D.O.), discoverer of Flaxolyn, cordially invites you to use Herbal Flaxolyn compound on his PERSONAL GUARANTEE that if you are not pleased with the improvement by the sixth pleasant spoonful, *you may return the partly used bottle and have the full purchase price refunded to you.*

Love & Megown, 204 East Washington St.

MARTIN POINTS TO EQUALITY IN TAXING METHODS

Treasurer Says Pennsylvania System Is Fair, Uniform

HARRISBURG, Mar. 14—Pennsylvania in its sevenue system has accomplished a greater degree of equality in the assessment and collection of taxes than any other American state according to General Edward Martin, State treasurer

"No system of taxation will ever be framed which will be perfect, or meet with universal approval," said General Martin today. "Human nature contains the elements of selfishness, and so long as this continues distribution of public burden will cause more or less friction and objection. Pennsylvania however, has accomplished substantial uniformity and its system has brought an enviable financial condition.

"Pennsylvania corporations pay a large proportion of the State's annual tax revenue. The individual citizen pays a comparatively small share. There is no state tax on real estate, nor does the State receive any portion of the personal property tax.

B. P. W. EMBLEM

(Contributed)

The emblem of the National Federational of Business and Professional women.

Not Venus beautiful, but static, and sated with her own perfection, nor Minerva, cold and perfect in her wisdom, could typify this organization, but Nike, the Goddess of Victory.

This majestic marble figure in 360 B. C. stood upon the prow of a ship blowing the fanfare of triumph upon a trumpet held in her right hand, while in her left she carried a trophy commemorating a naval conquest. She sill rides the waves braced against the wind, her draperies fluttering in the breeze, every line of her splendid torso vibrant with strength and joy and the sense of progress. She is not passive. She is alive. She moves onward. The lines of her splendid figure are uplifted, pushing against the wind, her great wings not straining, but outstretched, her whole body eloquent of the onward movement.

So rides the woman today against the wind and waves of ancient prejudice and limitations, not static and satisfied, but moving steadily forward.

Caught and held in the endless circle of gold are the pertinent facts about this organization. The tiny initials at the base tell who we are. The date carved on the open scroll of learning tells when we were formed, and the clustered emblems, the Ship of Commerce, the Flaming Torch of Wisdom, and the Winged Wand of the Herald answer the question why, for they are the work and the vision, the knowledge and the far flung message of women victorious.

The members take great pride in wearing an emblem with such a purpose and realize that it expresses a determination to maintain high standards in business and professional life. It is a mark of distinction and a badge of identification wherever a member goes in the United States, Canada, Hawaii, and Alaska, and later on, perhaps, in Europe, for an International Federation is the aim of the Good Will Tourists in Europe this coming summer.

The local Business and Professional Women's Club through the courtesy of the Penna. Power company have decorated the window at the P. & O. Office for the week and have on display the Winged Victory, Nike, a picture of the emblem and their banner and invite the public to view it.

BOY SCOUT NEWS

BOB WHITE PATROL

Members of the Bob White patrol of the Elks Troop No. 5 held their regular meeting at the Elks home on March 11. The meeting was in charge of Robert Rodgers, patrol leader. The meeting was opened by Victor Zuchowski leading the boys in the Lord's prayer, Les Wooley in the scout oath, and Earl Davies in the pledge of allegiance. Dues were collected. Each boy cited a good turn and home duty which had been performed during the week. The boys planned for a hike on Saturday, March 15. Several business matters were brought up during the meeting. The patrol decided how the money made in a bake sale should be expended. The following games were played, "Black Smith," "Poison" and "Judge is in the Court House." All members are requested to be at the next meeting which is to be held on March 18.

Patrol Scribe, Robert Zahniser.

The straw vote on the wet and dry situation will have about the same effect as the testimony before the House Committee.— The Louisville Courier-Journal.

VAN FLEET & EAKIN

Supreme Court Asked To Decide On Ticklish Prohibition Question

Trouble Aplenty If Court Rules That Buyer Of Liquor Is Equally As Guilty

Hope For Court Ruling Before Adjournment For Summer Recess—Capital On Edge

By GEORGE R. HOLMES
International News Service Staff Correspondent

WASHINGTON, March 14.— Pandora's famous box of troubles will be as nothing compared to the package of difficulties that will be opened for the prohibition bureau if the supreme court decides that the buyers of liquor, as well as the seller, is guilty of a felony under the Volstead act.

The government has put the issue squarely to the court and hopes for a decision before the court recesses for the summer. The authorities are generally agreed that it is the most crucial question involving prohibition that has been submitted to the bench since the constitutionality of the Volstead act was decided.

In Felony Class

A victory for the government would put in the felony class every citizen who buys liquor, whether it be a drink or a barrel. He would be liable to the same unishment that is now meted out to the bootlegger; in the eyes of the law, in fact if the supreme court holds with the department of justice, the buyer of liquor becomes a bootlegger.

Thus, overnight almost, the court may multiply a thousand fold the "felon class" in the country. While publicly silent, the authorities privately are somewhat aghast at the prospect. Enforcement, they say, is difficult enough now, when it is directed only at the commercial dispenser of liquor. The prospect of trying to enforce it against the consumer as well makes them shake their heads.

Decision Wanted

Attorney General Mitchell, however, is intent upon getting a decision on the point. The case was before the court today on its squarest aspect, and there appears no avenue by which the court can avoid a direct yes-or-no answer.

As usual, the wets and drys were divided today as to what the ultimate effect will be if the government wins the decision.

Senator Sheppard (D) of Texas, author of the Eighteenth amendment, and some of his dry supporters, believe that the cause of enforcement will be immeasurably advanced if the government wins. If the court decides against the government, Senator Sheppard has ready a bill which will specifically make the buyer of liquor guilty of a felony.

sister, Mrs. Chester Cover, to see their new niece which was born on Thursday and who will answer to the name of Lita Mae.

Mr. and Mrs. Paul Stonebraker and baby were visitors at the home of Mrs. Stonebraker's parents, Mr. and Mrs. Carlyn Orr at Leesburg on Sunday.

BOEING TO BUILD PLANES FOR PERU

SEATTLE, Wash., March 14—Part of the $850,000 Peruvian government aircraft contract recently placed in the United States is being filled here by the Boeing AirplaneCompany.

The large order, including twenty-six planes, spare parts and extra engines, was placed through the United Aircraft and Transport Company. The order calls for twelve Corsairs, ten Stearman, three Boeing and one Hamilton plane for early delivery, Boeing officials said.

When BABIES are upset

Baby ills and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhea—a condition it is always important to check quickly. How would you meet this emergency—tonight? Have you a bottle of Castoria ready? There is nothing that can take the place of this harmless but effective remedy for children; nothing that acts quite the same, or has quite the same comforting effect on them.

For the protection of your wee one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. Its gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria; the genuine bears Chas. H. Fletcher's signature on the wrapper.

UNEARTHED OLD ABODE MISSION IN CALIFORNIA

(International News Service)

REDLANDS, Cal., March 14—Excavations on the site of the old sistencia of Mission San Gabriel, in San Bernardino county, have revealed several interesting facts relating to adobe construction by the mission fathers.

Part of a basket woven, of rushes, and used by the Indians to carry adobe mortar, is among the relics found there. The original foundation made of cobblestones from the Santa Ana river wash, have been uncovered.

It is evident from the excations that a layer of cobbles, cemented with adobe mortar formed a base for these walls more than a century ago. Where ever possible, the foundations have been strengthened to form the base for the reconstructed walls in the restored buildings.

The mounds of earth found were some of the fourteen rooms of the Asistencia.

The new bell for the mission station has been hung in place and arrangements are being made for the unveiling ceremonies.

In donating the bell to the restored Asistencia, the Rev. Juan Caballeria, of Barcelona, Spain wrote that it is the kind carried on horseback by missionaries on their journeys in pagan lands.

LEESBURG

UNION SERVICE

Leesburg, Volant and Rich Hill Presbyterian churches will unite in a service Sunday afternoon at three o'clock in the Volant Presbyterian church, when Mrs. Carrie Donaldson, missionary from Albuquerque, N. M., will be the speaker.

COMMUNITY CLUB

A committee composed of Roy Orr, Frank Palmer, Walter Armstrong and Adam Kauffman entertained with a delicious chicken dinner Tuesday evening. County Agent Hagar and Harry Hunter were the speakers.

The next meeting will be held March 25 with Rev. H. M. Stevenson of Farrell speaking. The committe for that evening is Leonard Simon, William Mayberry and Robert Marshall. New electric lights have been installed in the clubroom.

PRESBYTERIAN CHURCH NOTES

Sunday school at 10 a. m.; morning worship at 11 a. m.; Christian Endeavor at seven p. m.; evening service at 7:45.

A meeting of the Sunday school teachers and officers was held at the manse Wednesday evening. Mrs. Warren Jordan and Gerald Palmer gave interesting accounts of the convention at Greenville, Pa.

The every member canvass is being conducted this week.

Old Joe Grundy Now Realizes Influence Of Senatorial Toga

By CHARLES P. STEWART
Central Press Staff Writer

WASHINGTON, March 14—Old Joe Grundy of Pennsylvania has discovered that a man in a senatorial toga is more influential than he imagined.

Old Joe always recogized the utility of a staff of stuffed togas—working for him. Until recently, however, he evidently felt that the right place for a real politician was in the background, pulling strings for the stuffed togas to dance to.

When he allowed Governor Fisher, of Pennsylvania to appoint him, personally, last December, to serve for a congressional session as a toga's stuffing, it was not because he had any ambitions of that sort.

It was because one of Pennsylvania's togas had become unstuffed and had to be padded out somehow; and no ready made stuffing that suited old Joe being available on short notice he simply had to step into the garment temporarily (as he thought then) to keep it occupied.

* * *

Undoubtedly the experience humiliated old Joe at first, and yet it taught him a couple of lessons.

Firstly, it taught him that no stuffed toga can perform as effectively as a toga with an able, resolute, hard-boiled human being inside it. Secondly, it taught him that a human being, even of the admirable Rotarian typre aforesaid, can get away with certain desirable stunts, in a toga with the same individual, clad in a sack suit, is apt to fail at.

So old Joe has decided to hang onto his toga—politics permitting.

* * *

For instance, nobody paid any attention to a speech old Joe made some time before last inauguration day, expressing strong skepticism concerning Mr. Hoover's political acumen. He did it in a sack suit: hence without a particle of eclat.

Then, in due course, as Senator Grundy, old Joe donned his toga.

Immediately all the newspapers dug up this very identical speech and plastered it all over their front pages.

As Senator Grundy (in a toga), old Joe created a first class sensation by broadcasting the recent story that President Hoover never did like the high tariff bill which the Republican house of representatives passed last spring, but is delighted with the anti-G. O. P. senate has torn the measure to pieces.

The same thing would have been little heeded, coming from him in a sack suit as plain Joseph G. Grundy.

* * *

Old Joe, who needs no X-ray machine to see through a grindstone, is quick to appreciate that the toga is what adds to his utterances' publicity value.

It is true that, in his pre-toga period, Senator Grundy could have dissembled his ideas through one of his stuffed togas, but it would not have had the same weight—because a stuffed toga speaks with nothing like the authority of a sure-enough senator, and Senator Grundy is genuine if ever a senator was, despite the fact that he is only an appointed one.

Elected, he will enjoy still more prestige, to be sure. Old Joe, perceives it. Accordingly next November he proposes to get himself elected.

Usually, what a man can have and does not want, he has difficulty in getting when he does want it.

It is the case of old Joe Grundy.

He could have been senator several times, before actual experience sold him on the propisition that a toga is worth having. Now that he is sold, he is going to have opposition.

William S. Vare is backing Secretary of Labor James J. Davis.

And a three-cornered race for the Republican gubernatorial nomination with a Grundy candidate, a Vare candidate and Gifford Pinchot, may complicate the senatorial primary and upset Grundy's "apple cart."

* * *

Pinchot was governor of Pennsylvania not so long ago—and not a popular one with the Keystone politicians either.

He will be able to exert some influence in the senatorial campaign—perhaps just enough to beat either candidate. Besides, friends of the White House may help the candidate from the cabinet, Vare's candidate.

Old Joe has not exerted himself to conceal his disapproval of some of the present White House tenant's policies. It is no secret that the senate's G. O. P. old guardsmen concur with him—though he is the boldest among them in revealing his sentiments. As a regularly-elected senator, he would be just the partner to improve their nerve immensely. He (and they) might have a lot to say at the 1932 G. O. P. convention.

Naturally Mr. Hover's supporters are not going to pray for Senator Grundy.

* * *

Old Joe is a most interesting personality but it remains to be seen now he will show up in primaries and at election.

Let time that makes you homely, make you sage.—Parnell.

EAST NEW CASTLE

OH, KAY

The Senior class of Shenango high school have decided to present the play "Oh, Kay". They will present it in the school auditorium. The characters have been selected and have started to practice. They are as follows:

Edith Whitman—Viola Schiedemantle.
Evelyn Whitman, her mother—Shirley Lawrence.
Arthur Whitman, her brother—Howard Boston.
Captain George Whitman, her father—James Cowmeadow.
"Gram" Penbroke—Lois Myer.
Alice Borden—Marie Hogue.
The "Black Terror"—Eli Lepisto.
"Gramp" Penbroke—George Body.
Jim Hayes—Kenneth Lang.
Kay Millis, of the Millis Detective agency—Lois Fombelle.
Fred Alden—Lloyd Shutts.

P. T. A. MEETING

The Parent-Teachers association meet on Monday evening in the Shenango auditorium. The business meeting was in charge of Mrs. George Body. The plans for a bake sale which were presented by the social committee were discussed. During the program Mr. Barnett of Energy gave a very interesting talk on the subject of, "How our school is benefiting the community," after which essays on the same subject were read by three senior girls, Anna Bintrim, Lois Myer and Shirley Lawrence. Mr. Claude Downs, also gave an interesting talk.

SAFETY FIRST

On Tuesday evening, March 18 the Senior class of East Brook high school will present the play "Safety First" in the Shenango auditorium. From the reports the play promises to be very promising so any one who spends next Tuesday evening at the play will be well rewarded.

EAST NEW CASTLE NOTES

Mrs. Ted Watson is on the sick list.

Mr. and Mrs. Henry Anderson spent Sunday in New Wilmington.

Anna Mae McCandless of the Old Pittsburgh road had the misfortune to be bitten by a dog recently.

Mr. John Wilkinson of Niles, Ohio, visited at the home of Mrs. Agnes Wilkinson Tuesday.

Mrs. Homer Houk and children Delma, Ira, William and Martha of Energy Stop were dinner guests of Mr. and Mrs. Albert Moser Tuesday evening.

Miss Anna Moser of Butler spent the week-end with her parents Mr. and Mrs. Albert Moser.

Toxin-Anti-Toxin treatment was given to several children of Shenango township, at the Shenango high school Tuesday morning.

Miss Alva McCasland, a teacher in the Shenango school has been off school for the past few days on the account of sickness.

Mr. and Mrs. J. C. Davis and daughter Betty journeyed to New Wilmington Sunday, afternoon where they visited with their daughter Blodwin who attends Westminster college.

Mrs. Bert Stindurf of Sharon, Mr. and Mrs. Mitcheltree of Pulaski, Miss Nellie Johnston, and Mr. and Mrs. Melvin Johnston of Butler were week end visitors at the home of Mr. and Mrs. Clarence Johnston.

Mrs. Mazie Prim and Mrs. Harry Lutz and Mr. Kenneth Lutz were callers in Canton, Ohio, Saturday.

The Bible study class will meet in the home of Mrs. Oscer Graff next Monday evening.

Baltimorean Hits Daylight Saving

(International News Service)

BALTIMORE, March 14.—Daylight saving time is a blight to more than 90,000 Baltimoreans and to prove their dislike for it they would vote against it in a referendum, Frank W. Lawson, executive secretary of the Association Opposed to Daylight Saving, announced lately.

SORE THROAT

When kiddies complain of sore throats, act promptly. Give them the safe, dependable sore throat remedy, Tonsiline, which has for over 35 years been used with unusual benefit by young and old. It is recommended only for sore throat. At all druggists, 35c, 60c. Hospital size $1.00.

SEVENTH WARD NEWS

Minstrel Presented Thursday Evening In Mahoning M. E.

Large Crowd Enjoys Program—Other News Notes Of The Seventh Ward

An excellent program in the form of a Minstrel show was presented Thursday evening in the Mahoning M. E. church. A capacity audience was in attendance. The program was presented under the auspices of the Men's Bible class of the church. Singing of minstrel and popular songs, banjo selections, much humor and mirth afforded by jokes and repartee by interlocutor and end men and orchestra music comprised the program.

Jack Evans in the role of interlocutor was fine in his part of linking the minstrel numbers. The end men, black faced comedians attired in white suits furnished plenty of good humor. End men were, Loy Gwin, J. W. Miller, Dr. C. W. Davis, Ellis Howard, M. C. Adams and Q. E. Davy.

The Minstrel chorus comprised a group of twelve men and they were accompanied by two banjo players. The men in the chorus wore blue trousers and light coates. Solos were sung by, Jack Evans, Rev. David Daye Sleppy, David Daye Sleppy, Jr., Ellis Howard, Loy Gwin, Dr. C. W. Davis, M. C. Adams and Q. E. Davy.

The program was well presented and enjoyed by the audience. A fourteen piece orchestra played a number of selections and accompanied the minstrel singing. Chester Johnston presided at the piano.

This program will be presented again this evening in the church basement. Proceeds realized from the sale of tickets for the event will go toward the Joash campaign being conducted in the church.

Book Club Members Luncheon Guests

Mrs. Abram Rhodes and Mrs. F. W. Wallace were pleasing hostesses at a beautifully appointed 1 o'clock luncheon, to the members of the Mahoning Book club on Thursday. The luncheon table was attractive with spring flowers and appointments were carried out in green and white tones. Covers were arranged for 18. Mrs. John G. Fisher was a special guest. A delicious menu was enjoyed later. The after luncheon hours were spent informally in chat and the exchange of books.

In two weeks Mrs. H. E. Rhodes will be hostess to the club at her home on W. Madison avenue.

M. B. CLUB

Misses Effie Stickle and Sara Diffley were associate hostesses to the members of the M. B. club Thursday evening in the former's home on Boyles avenue. Fifteen were present. Miss Louise Reynolds was a special guest. The hours were enjoyably spent in games and music. At a seasonable hour dainty refreshments were served by the hostesses, assisted by Mrs. J. C. Coulter, Mrs. I. M. Stickle and Miss Helen Woods. Green and white tones were carried out in serving.

G. I. A. LODGE

The Grand International auxiliary to Brotherhood of Locomotive Engineers had their regular meeting on Thursday afternoon in the city hall. During the afternoon the routine meeting was conducted and lodge business transacted.

BOY SCOUTS

The Kiwanis Boy Scout troop number 4 are holding regular weekly meetings in the Mahoning school building. The troop meets on Monday evenings.

CHANGE RESIDENCE

Mr. and Mrs. Herman Meyer expect to move soon to 201 East Cherry street.

Mr. and Mrs. Hiriam Shaffer of 113 Lacock street are moving to 101 Ashland avenue.

HOME FROM CLEVELAND

Miss Leta Mae Edson of Cleveland is spending a few days at her home on Liberty street.

EXPECTED HOME

Mr. and Mrs. W. E. Barker of W. Madison avenue are expected to return Saturday from Kentucky where they have been the past two weeks visiting relatives.

MEETINGS TONIGHT

Queen Esther meeting with Mrs. Harry Wylie of West Madison avenue.

Sabbath school class taught by Miss Evelyn Marshall meeting with Cora Koltrider of Ashland avenue.

Joint meeting of children's classes of Christian church with Bernice Hammond, Lafayette street.

Union Meeting Of Lodges Planned

Mabel Wilson Lodge Has Regular Meeting On Thursday Morning

Mabel Wilson lodge No. 567 to Brotherhood of Railroad Trainmen had their lodge meeting Thursday evening in the Knights of Malta hall. Twenty-five were present. There were a number of applications for membership but there was no initiation last evening. The initiation of these candidates will take place at the union meeting of auxiliaries of Brotherhood of Railroad Trainmen to be held in Pittsburgh on March 27.

Seventeen auxiliaries of Pittsburgh district are cooperating in this union meeting. Mabel Wilson lodge of this city is one of the 17 lodges. The next regular meeting of this lodge falls on March 27. But no meeting will be held here, as many members as can are planning to attend the union gathering being held at the Elks club in Pittsburgh.

The committee for the union meeting from Mabel Wilson lodge comprises Mrs. George Fisher, Mrs. Sam Taylor and Mrs. William Ellgass. Committees of three from each of the 17 lodges comprise the general committee in charge of the arrangements for the union meeting.

AT ELLWOOD CITY

Raymond Taylor of N. Ashland avenue is spending a few days visiting with his sister, Mrs. Henry Thayer of Ellwood City.

EDUCATIONAL CLUBS

Mahoning school educational clubs had club meetings Thursday morning fourth period. There are six school clubs and they meet every two weeks.

Gospel Musical Sunday Evening

Will Be Held At Moravia Stop Alliance Church—Program Presented

The second gospel musical will be held in Moravia Stop Alliance church, on Sunday, March 16, at 7:45 p. m.

Miss George and Miss Sadie Lewes, gospel singers, well known in their singing ministery to a number of churches in this vicinity will render several selections, also Sam Burrows, Scotch gospel soloist, will also be present and sing. Master Kenneth Bunny from Hazel Dell, Ellwood City, a gifted young musician, will give a selection on the piano. Mrs. E. C. Anderson, lady evangelist, will give a brief gospel message.

The program is as follows:

Congregational Hymn—Piano and trombone accompanist.

Prayer—Glenn Hogue.

Scripture Reading — Miss Charlotte Galvin.

Children's Chorus—Piano accordian accompanist.

Piano Solo—Master Kenneth Bunny.

Instrumental Selection — Piano, musical saw, trombone, and vibraphone, Pastor and H. J. Miller.

Children's Hymn—Mrs. Grines Singers.

Young Peoples Chorus—Piano accompanist.

Vocal Duet—Miss George and Miss Lewis.

Vocal Solo—Mr. Sam Burrows.

Congregational Hymn—Piano accompanist.

Love Offering.

Reading—Miss Sadie Lewis, accompanied on vibra-phone.

Vocal Duet—Miss George and Miss Lewis.

Brief Message—Mrs. E. C. Anderson, lady evangelist.

Invitation Hymn—"God Be With You Till We Meet Again."

Capelet Costume

This is one of the new capelet costumes of green kasha. The skirt is box pleated and the flowing cape adds distinction to the suit.

Allegheny County Lawyers To Aid In Choosing Of Judge

(International News Service)

PITTSBURGH, March 14.—Repeating the procedure carried out when previous vacancies occurred on the common pleas bench, a referendum for the expression of lawyers of Allegheny county of their choice of a man to fill the vacancy caused by the death of Judge Richard W. Martin will be proposed at the meeting today of the Allegheny County Bar Association.

Attorney William B McFall, chairman of the executive committee, said the resolution will be presented by that committee proposing the canvass. The results of the poll, if ratified by the association will be given Gov. John S. Fisher who will make the appointment to fill the vacancy.

TOUGH FOR HIM.

Beautiful Girl: No Sam I cannot be your wife. Please go away and forget me.

Dejected Iover: No use; I'm a memory expert.—Answers.

Wild Duck Colony Is Fed At Franklin

FRANKLIN, Pa., March 14—Wild ducks living in the colony here have increased in number as the result of protection and feeding, and now number more than 70.

The duck colony is on an island in French creek.

Employes of the Chicago Pneumatic Tool company plant and the Franklin Valveless Engine company have been feeding the birds regularly from their dinner pails.

We Please the Critical— Satisfy the Economical

It's when you please everyone—the critical—the economical—that you win a reputation as the best in your particular line of business.

By handling "better meats" — meats that are personally inspected before they are placed in our meat market—we always have been able to please particularly the great number of patrons who visit our shop and insist on having choice cuts of our "better meats." It's these choice cuts of personally inspected meats that win for us hundreds of exclusive patrons. (We don't blame our customers for being critical when buying their meats — we always desire the best when we make our purchases—why shouldn't you?)

It's not our policy to engage in a price-cutting war or to undersell all markets in the city, but for those patrons who wish "better meats" at prices that are right we too can satisfy that group — the so-called economical buyers. Our sole aim is to please everyone—we have been doing it for years—if you are not numbered among our patrons you are overlooking a real opportunity—an opportunity to buy at the meat market that pleases the critical and satisfies the economical.

We also handle a nice line of vegetables and groceries

For your convenience we list a few of our Saturday specials.

FROM THURSDAY NIGHT'S SIX O'CLOCK EDITION

PATROLMAN WOUNDED WHEN PAUL WAS SHOT AND KILLED, ON STAND

Will Continue His Testimony At Night Session Of Court—Gives Graphic Story Of Battle—Tells Of Identifying Irene In Jail At Phoenix Later

Holding his emotions in check with a very apparent effort, Patrolman Ernest Moore told the jury this afternoon how his fellow officer and friend, Corporal Brady Paul, was murdered on the Butler road on December 27th, 1929. As he narrated the brutal slaying, a hush fell over courtroom number one and spectators leaned forward, gripped by the tale he told. Moore was still on the stand at adjournment and will go back on at seven o'clock for the night session.

As he sat up on the witness stand Moore talked in a rather nervous tone of voice. At times his voice dropped until it seemed that the jury might not hear as well as they should. The horror of that December day, when his buddy was shot down, when he himself miraculously escaped death at the hands of the bandits, has left its mark, and the composure that marked him as an officer before the shooting has been replaced by a nervousness which will take time to overcome.

A Graphic Story

In spite of the shattered condition of his nerves, Moore told a clear story, reciting how he and Paul had gone out to the Butler road at noon of December 27th, stopped the Chevrolet car containing Irene Schroeder, Glenn Dague and Tom Crawford and Donnie. How Irene and Dague had gotten out of the car; held Paul up and how he (Moore) was wounded by the man in the back seat.

There was no attempt at heroics or sympathy seeking in Moore's story. It was a graphic account of a brutal slaying, with no attempt made to tell anything but the truth. Who actually fired the fatal bullet into Paul's body, Moore does not know. "I am not positive", he said. "I heard shots, and heard somebody say 'I got one'." Then the black pit of oblivion as he sank to the roadway, stunned from the bullet that hit him in the head.

All the time Moore was on the stand, Glenn Dague sat glowering at the left of the judge's bench. The smug complacency that had marked him since coming into court gave way to a look of rage, while over at the counsel table Irene's eyes snapped out a message of hate. To them it may be the story that will send them to the electric chair.

The court room was fairly well crowded this afternoon, the crowd being kept down by the splendid work of the deputies who are on the job. The testimony of this afternoon follows:

Afternoon Session.

David Parker, of Butler, was the first witness called at the opening of the afternoon session.

Q. Were you in Butler on December 27?
A. Yes.
Q. Did you see the defendant?
A. Yes. She was sitting in a car in front of the company I work for. She was reading a newspaper and later leaned back in the seat. There were other parties in the car. The man walked across the street, looked at my car, opened the door and gave the car a very good once over. Then he went towards Main street.
Q. How far was this from Main street?
A. I would say 75 feet.
Q. Near the Butler store?
A. Yes.
Q. What time was it?
A. Between ten and ten fifteen.
Q. How many other persons did you see?
A. Two others.
Q. See any of them?
A. Only Dague (pointed him out).
Q. How was he dressed?
A. Dark overcoat and stiff hat.
Q. Describe the other man?
A. I couldn't describe him as I didn't look at him closely.
Q. How long did you see the car on the street?
A. About fifteen minutes.
Cross examined by Jarrett.
Q. How long did you look into the car?
A. About ten minutes.
Q. Was it Dague that looked your car?
A. I can't say.
Q. Well you identified him didn't you?
A. Yes, but not as the man who looked at my car.

Butler Police Chief.

Palmer West, former chief of police of Butler, was the next witness. He is an officer of the force at present.

Q. You were chief of police on December 27, 1929?
A. Yes.
Q. Did you get any information about the holdup of the P. H. Butler store?
A. Yes. The sergeant got the message and Officer Morgan and I went to Wish Angert's store.
Q. Did Morgan talk to Angert?
A. Yes.
Q. Did you get a description of the bandits?
A. Yes.
Q. What did you do?
A. I told Sergeant Lovett to notify the state police and Morgan and I went out in search of the bandits.
No cross examination.

Police Lieutenant.

Joe Morgan, lieutenant of police on the Butler police, was called.

Q. On duty December 27?
A. Yes.
Q. Did you hear Lovett getting the report of the robbery?
A. Yes. I heard the conversation.
Q. Did you talk to Wish Angert?
A. Very slightly. He told me the number of men in the job.
Q. Did you get any information as to which way the robbers went?
A. Yes.
Q. What did you do?
A. The chief and I went out the Kittanning road looking for the bandits.
Q. Were the police on the lookout for these people?
A. Yes, all day.
No cross examination.

State Policeman Called.

First Sergeant Martin J. Crowley, of Troop D of the State Police at Butler, was called.

Q. Are you stationed at the barracks?
A. Yes.
Q. Where did you get information on this robbery?
A. From Lee Lovett of the Butler city police.
Q. Did you get any direction from your captain?
A. Yes, he said to send out radio information and that he would send the information to the teletype at Harrisburg.
Q. Did you get the information on your receiving set?
A. Yes, at 11:55.
Q. Are there any other receiving sets in western Pennsylvania?
A. Yes, about 30.
Q. What other instruction did you get?
A. To call New Castle, Mercer, New Brighton and other places to give the alarm.
Q. What did you do?
A. I called New Castle and got Corporal Brady Paul and told him we had information about the robbery and that we thought the robbers were headed toward New Castle.
Q. What did he say?
A. Said he would get out on it right away.
Q. Why did Paul go?
A. There were no state police there.
Q. Did you tell him the sex of the robbers?
A. Yes, I told him a man and a woman pulled the job and perhaps another man.
Q. Did you call anyone else?
A. Yes, New Brighton, Mercer, Zelienople and Kittanning.
Q. Did you get more descriptive evidence in your second report?
A. Yes.
Q. What did you do with it?
A. Later sent it into Harrisburg.
Q. Did you get other reports?
A. Yes, that two highway officers had been shot near New Castle.
Cross examined by Jarrett.
Q. You say you called Brady Paul at 11:40.
A. Yes. I have a record of it.

Photographer Testifies.

Clark Rutter, a photographer, was the first New Castle witness called.

Q. Were you called on to make certain photograph near the Baldwin home on the Butler road?
A. Yes.
Q. Was there a Chevrolet car on the road?
A. Yes.
Q. Did you see Mrs. Baldwin, Mrs. Williams, George Book, Howard Zeigler?
A. Yes.
Q. Was a car put into position.
A. Yes, they indicated the position.
Q. Did you take photograph?
A. Yes.
Witness identified the pictures.
Q. Did Mrs. Baldwin point out where she had been and did you take a picture then?
A. Yes.
Cross examination failed to change the testimony.

Milholland Testifies

C. H. Milholland, a civil engineer was called. He showed the jury a map of the Butler road at and near the point where Brady Paul was murdered. He pointed out to the jury the various points of the distance and explained what the various scales of distance were.

In the cross examination Dickey brought out the fact that the trees in the lane leading to the Baldwin home had been trimmed since the date of the murder.

Mr. Milholland's testimony was lengthy but almost all technical. A recess was taken as he was excused.

Ralph Nullingham was called.

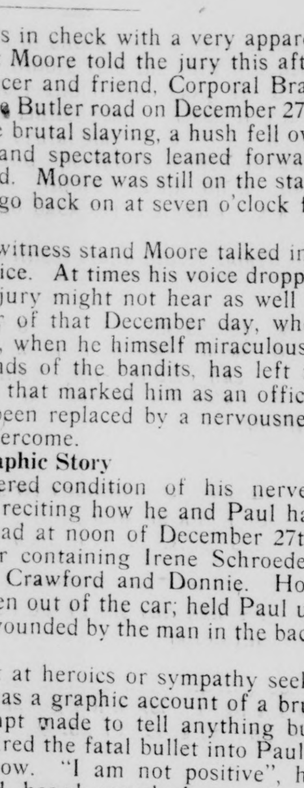

Q. Where do you work.
A. McCoy Motor company.
Q. Did you go out to the Baldwin farm on February 21.
A. Yes.
Q. What kind of car did you take.
A. A 1929 Chevrolet coach.
Q. What did you do.
A. Put in position where the photographer could take pictures of it.

He described the taking of the pictures, with witnesses pointing the positions.

Ernest Moore, the patrolman who was wounded on December 27th, was called. After describing how he and Paul went out the Butler road to the Baldwin lane, his examination was as follows:

Q. What did you and Paul do?
A. Stopped the Chevrolet coach.
Q. What was said?
A. Paul asked the driver for an operator's license.
Q. Where were you?
A. Right beside him.
Q. What did the driver say?
A. Nothing.
Q. What did you do?
A. Went to the rear of car.
Q. Hear anything said?
A. Paul said, take it out of the case.
Q. Where were you then?
A. I was leaving Paul to look at the rear license.
Q. After you looked at the license what did you do?
A. I was just turning around and Paul backed into me, hitting my left arm.
Q. Anybody else there that you saw?
A. Yes, the operator and the lady. The lady had a gun on Paul.
Q. Had you heard any other conversation?
A. No.
Q. You say the woman was back of the operator?
A. Yes.
Q. Who was the operator of the car?
A. Glenn Dague.
Q. Where is he?
A. There he is (pointing to Dague).
Q. Who was the woman?
A. Irene Schroeder. (He pointed out Irene.)
Q. What was Paul's position?
A. Both hands out and up.
Q. What was Dague doing?
A. Had his gun drawn on Paul.
Q. Did the woman change her position?
A. Yes. She stepped behind Dague in the direction of Butler and pointed her gun at Paul.
Q. He covered you?
A. Yes.
Q. What was said by Mrs. Schroeder?
A. Stick 'em up.
Q. Anything said by Paul to you?
A. Pull your gun, Moore.
Q. What did you do?
A. Raised my left hand, pulled my gun with my right hand and started around the car.
Q. Why did you go around the car
A. For protection.
Q. What happened.
A. The man in the back of the car shot me in the nose.
Q. Did you continue to travel around the car.
A. Yes, and the man in the back seat shot again.
Q. Where did you go then.
A. Round to the front and got down in front of the radiator.
Q. While you were in front of the car what happened.
A. Several shots fired through the windshield at me.
Q. Did you remain crouched.
A. Yes.
Q. What then.
A. When I raised up I was shot at.
Q. Did you see Dague while you were in front of the car.
A. Yes, he was on the side where Paul was.
Q. Where was he.
A. Right at the left front window.
Q. What was he doing.
A. Had his gun drawn.
Q. Did you shoot at Dague
A. I don't know.
Q. Why.
A. I was shot in the head and went down to the ground.
Q. Do you have your cap here.
A. I do.
Witness shown cap with holes in it and identified.
Q. Do you have a mark on your forehead where you were struck.
A. I do.
He showed the scar on his head and nose.
Q. What happened when you was shot.
A. I fell backwards and lost consciousness.
Q. Did you hear anything said.
A. I heard someone say, I got one.
Q. What happened then.
A. Some man helped me to a car.
Q. Where were you taken.
A. To the Colonial hotel.
Q. At the time you started around the car after Paul had told you to draw your gun did you see what was going on.
A. Paul was backing up.
Q. Did you hear any shooting before the first shot from the rear of the car.
A. I did not.
Q. How many shots were fired at the rear of the car.
A. Four or five or six.
Q. At the time Paul bumped into you where was his gun.
A. In his holster.
Q. What side was his gun.
A. On his right side.
Q. How old are you
A. Twenty five.
Q. What became of your gun.
A. I don't know.
Q. What make gun did you have.
A. A Colt 38 special.
Q. Who furnished it.
A. The State in April or May 1927.
Q. Do you know the number.
A. Yes, A-526328.
Q. When did you next see your gun.
A. In Phoenix, Arizona.
Q. Were you there when Schroeder and Dague were brought back.
A. Yes.
Q. Who had the gun.
A. Sheriff Wright.
Q. Did you leave it in Sheriff Wright's possession.
A. Yes.
Q. Did you examine the number at that time.
A. Yes. It was mine.
Q. When you were brought to the Colonial hotel how long did you stay.
A. Just a couple of minutes.
Q. Where did you go.
A. To Kelley's undertaking room and then to the hospital. He was in the operating room.
Q. Did Mrs. Crowl go into the operating room.
A. Yes.
Q. How long were you in there.
A. Just a few minutes.
Q. Who attended you.
A. Dr. Loyal Wilson.
Q. Was Paul dead.
A. Yes. Dr. Wilson told me while he was dressing my head.
Q. Are you still with the Motor Patrol.
A. Yes, at Greensburg.
Q. From your position at the time of the shooting could you see who was firing.
A. No.
Q. How was Dague dressed
A. Long dark coat and a hat.
Q. How was the woman dressed.
A. Long dark coat and dark hat.
Q. How was the man in the rear seat dressed?
A. An overcoat and a derby.
Q. Could you tell anything of his size?
A. No.
Q. Did he get out at any time?
A. No.
Q. Did you observe anything of Dague's face?
A. He had a mustache.
Q. When did you next see Dague and Irene?
A. In the Maricopa county jail.
Q. Did you identify them?
A. I did.
Q. At the time you identified Mrs. Schroeder in the Maricopa jail was she alone?
A. No, she was with other prisoners.
Q. Was Dague alone?
A. No, with other prisoners.
Q. All together?
A. Yes.
Q. Did you pick him out?
A. Yes.
Q. Did you pick out Mrs. Schroeder?
A. Yes.
Q. Was there anything said by you or anyone that she was Irene Schroeder?
A. Yes. Mr. Evans said hello, Irene
Q. What did she say?
A. She said she was Mildred Winthrop.
Q. Anything said to Dague?
A. I told Sheriff Wright that he was the man.
Q. Did you shoot while you were on the Butler road?
A. I am not positive.
Q. Why?
A. Whenever I went down I was pressing the trigger and I don't know if it went off.
Q. At whom did you have the gun pointed?
A. At Glenn Dague.
Q. Have you seen the Chevrolet since the shooting?
A. Yes.
Court adjourned at this point.

WITNESS

ERNEST MOORE

MOTHER GRAY'S SWEET POWDERS

for Children

A testimonial from a lady in California, whose name will be given if requested.

"I have been using Mother Gray's Powders these last 15 years and all my friends and neighbors are using them just now during the "Flu." They are fine for checking the fever. In 1918 I mailed them by the dozen boxes to Imperial Valley to a friend who was nursing down there during the "Flu."

Children who are troubled with constipation, feverishness, bowel trouble or take cold easily, get quick relief from these powders that Mothers have recommended for over 30 years.

ALLSTATE TIRES ARE MILES AHEAD!

—In Value, Service, Mileage and Popularity

More mileage, real savings and freedom from worry—just a few of the many reasons why ALLSTATE Tires have, in four years, jumped from 16th to 1st place in volume of sales direct to user. There's that famous tread too—its panther-like grip adds safety to high speeds, traction to hard pulls. Our unconditional guarantee is possible because of these points of superiority:

1— *Greater Tread Strength*
2— *More Material in Tire*
3— *Super Elastic Cords*
4— *Easier Riding*
5— *Greater Thickness of Tire*
6— *Special Safety Tread*

The SUPER ALLSTATE is preferred by those who would pay more if better tires could be bought.

SAVE ON SEROCO PAINTS!

THESE PAINTS WEAR LONGER YET ACTUALLY COST YOU LESS!

FIRST you save one-third to one-half in price—a saving we bring you by manufacturing Seroco Paints in our own factories, thus eliminating *all* jobbers' and middlemen's profits!

A second saving is yours because Seroco Paints are *more durable*, and *"save the surface" longer*. Gruelling laboratory tests . . . three times more strenuous than actual weather conditions . . . have *proved* that this is so! Hence we fully guarantee each can of Seroco!

Small wonder that more than *three million people* save by buying their paint from Sears-Roebuck, the world's largest paint retailer.

You, too, can save . . . *doubly* . . . by buying Seroco Paints. There is a Seroco Paint for every purpose.

Seroco Paints are manufactured in our own five modern paint factories located at Chicago (2), Philadelphia, Pa., Berkeley, Calif., and Memphis, Tenn.

"Save the surface and you save all"—Paint & Varnish

FLAT FINISH INTERIOR PAINT
Soft, Velvety Finish—Sanitary—Washable

$2.05 GALLON

Washable! Non-Fading! Combines softness of water colors with durability of oil paint. For walls or woodwork. Many tints. You save one-third or more!

"EXTRA DURABLE" FLOOR VARNISH
"Seroco" Brand—Water-Tested! Won't Whiten!

$2.65 GALLON

A perfect floor finish! Leaves a glistening, mirror-like surface. Dries quickly—won't crack or scratch. Similar quality sells elsewhere for double our price or more.

Unusual Deed Caused Controversy On Taxes

HARRISBURG, March 14—Title examiners of the Pennsylvania Department of Forests and Waters, report some interesting and unusual incidents in connection with title investigations of land offered to the Commonwealth for State forestry purposes, according to A. E. Rupp, chief of the bureau of management.

One of the most unusual was that of a tract of land comprising approximately 600 acres in Sullivan county deeded to Almighty God on the 14th day of June 1864, by Peter E. Armstrong and his wife, Hannah. Mr. Armstrong held the belief that mankind was intended by the Creator to enjoy the blessings of the world, but not to claim title to them.

The deed was drawn up by Mr. Armstrong himself, the closing sentence of which is: "We do grant, deed and convey to said Creator, the God of Heaven and Earth, and to His heirs in Jesus Messiah for their use forever."

It is reported by some of the older residents of that section that shortly after the deed was recorded by Mr. Armstrong there was considerable controversy as to who would pay the taxes. Inasmuch as the land was deeded to God, it was Mr. Armstrong's contention that if the assessor wanted to secure taxes it was a matter entirely between the assessor and God. Apparently a compromise could not be effected and the land was later sold for taxes. About 15 years ago a son of Peter Armstrong bought the land thinking that he would hold it within the family, but the land was unproductive and did not support a valuable growth of timber, and was again sold for taxes. It is said of Mr. Armstrong, although being a very devout man, he had no training in the law and drew up the entire deed without assistance or guidance, yet the document as it is recorded presents a remarkable condition of accuracy and is filled with spiritual expressions.

There, Daughter, That Will Relieve Those SORE, STIFF MUSCLES, QUICK

Lots of the new ways are better than the old-fashioned ways but you can't beat an Allcock Porous Plaster when you ache all over from a cold or from sore, strained muscles. Its medication seems to sink right in and draw out every bit of pain. Some say an Allcock Porous Plaster will knock out lumbago overnight—some say it's the greatest thing yet for aching weak backs—but the real truth is an Allcock Porous Plaster is just as good for any kind of pain or soreness. Allcock's Porous Plaster is the original of all porous plasters used by millions since 1847—Odorless—you can wear it any place. Only costs a quarter. Lots of imitators but none so good, so be sure to ask for

International News Service Staff Correspondent

LOS ANGELES, March 14.—Coyotes that sing to the moon and ground owls that emerge from the burrows of prairie dogs to hover at night, soon will be disturbed in their desert haunts in southern California and Northern Arizona by the rhythmically flashing beacons of a modern airway.

Work has just been started on the first 245 miles of the Los Angeles-Kansas City airway, over which hundreds of passenger and mail planes now are plowing the upper pair.

The desert stretch will have towers 51 feet high, spaced from 29 to 38 miles apart, depending on the lay of the land.

Red flashers near each beacon will inform the night-flying pilot of his course and indentify each beacon station by means of a code of dots and dashes.

Airplane sight-seeing has given the modern-minded traveler an insight into hidden places that many generations of tourists have lacked because of the inaccessibility of the Grand Canyon.

Today the 1000-foot vertical walls of black volcanic rock between which the Boulder dam will be built, are a common scenic attraction because they no longer lie at the end of a hard horseback journey of several days from the nearest town.

S. W. Wright, who plies the Pickwick Latin-American airway with triweekly mail and passengers between Los Angeles, Mexico City, Guatemala and San Salvador claims a new record of safe flying.

Wright has flown 50,000 miles between August 1, 1929 and February 1, 1930, without accident. Few automobiles go 50,000 miles without a fender dent, Wright says.

Gas On Stomach Is Dangerous

TELLS HOW TO STOP IT

Gas, Pain, Bloating and a feeling of fullness after eating are almost certain evidence of excessive hydrochloric acid in the stomach.

Too much acid irritates the delicate stomach lining, frequently causing chronic Gastritis and dangerous Ulcers. Food ferments and sours, forming a gas that distends the stomach and often seriously affects the Heart.

It is genuine folly to neglect such a condition or to treat with artificial digestive aids that cannot neutralize the stomach acid. A better way is to get from any reliable drug store some Bisurated Magnesia (powder or tablets) and take a little in water after each meal. Bisurated Magnesia will stop the worst gas attack quickly and without embarrassment. Taken right after eating, it prevents formation of gas and acids so there is no sourness, bloating or pain. Pleasant and perfectly harmless to use—Bisurated Magnesia does give wonderful relief in nine out of ten cases. Ask your Doctor or Druggist. Try it today.

Is The World Getting Better Or Worse? Yes!

"Brass Tacks" On The Sunday School Lesson

The Golden Text

"The kingdom of God is not meat and drink; but righteousness, and peace, and joy in the Holy Ghost."—Romans 14:17.

By DR. ALVIN E. BELL

Is the world getting better? Some folks argue that it is, and point to numerous evidences of the progress of righteousness and good will in the world. Is the world getting worse? Other folks argue that it is, and can point to just as numerous evidences of the progress of iniquity, crime and strife in the world. The fact is that both are right. There is more good in the world today than ever before, and there is also more evil in the world than ever before. This is in accord with our Lord's parable of the tares and the wheat. "The field is the world: the good seed are the children of the kingdom, but the tares are the children of the wicked one: the enemy that sowed them is the devil." "Let both grow together until the harvest" is the King's own explanation of why he tolerates this increase of evil side by side with increasing righteousness.

The Mustard Seed and Leaven

The third of Christ's Kingdom parables pictured his kingdom as "like to a grain of mustard seed which a man took, and sewed in his field: which indeed is the least of all seeds: but when it is grown, it is the greatest among herbs, and becometh a tree, so that the birds of the air come and lodge in the branches thereof." It was a prophesy of that unfortunate day when the Church abandoned the spirit and policy of the lowly Nazarene and grasped after worldly glory and political power with the result that forces of evil like foul broods of birds found it paid to shelter in the Church.

The fourth of this group of parables is companion to the third and points to an unfortunate tendency of the Kingdom in another direction, viz., in its inner corruption within itself. "The Kingdom of heaven is like unto leaven , which a woman took and hid in three measures of meal, till the whole was leavened." Leaven or yeast always represents the principle of evil in doctrine or life, as Christ warned his disciples to "beware of the Pharisees and of the leaven of Herod." It was the King's warning against false teaching which by its subtle methods would pervade and corrupt the whole body of teaching and life.

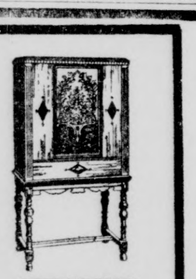

The Treasure and the Pearl

Again in the fifth and sixth parables we have two companion parables representing respectively the treasure the King sees hidden in Israel and the pearl he finds in the Church. 'Again the Kingdom of Heaven is like unto treasure hid in a field: the which when a man hath found, he hideth and for joy thereof goeth and selleth all that he hath, and buyeth that field." From his own interpretation of the second parable we know that here, too, 'the field is the world" and the Son of Man is the one who has bought the world including Israel, which during these "times of the gentiles" is like a hidden treasure of unsuspected value which the Son of Man at his coming again will disclose in its richness. "Again, the kingdom of heaven is like unto a merchant man, seeking goodly pearls, who, when he had found one pearl of great price, went and sold all that he had, and bought it.' Christ is not this pearl of great price which we have bought by our surrender of all we have. We have not bought Christ, but he has bought us. He again as in all the other parables is the man of activity.

The Judgment Parable

The concluding parable of the group is that of the net and the separation of its contents, a parable of the final judgement at the end of the age in which evil will be separated from good, the good to finally come into his own in the triumph of which it has often been cheated in this life.

(The daily Bible readings for next week's study are: Mon. Matt. 12:21-31: Tues., Matt. 17:14-20: Wednesday Luke, 13: 10-17., Thurs., John 9-1-12: Fri., II Cor., 1:3-11: Sat., Luke 22:47-53 and Sun., Psalm 119: 33-40.)

Americanization Committee Meets

Reports Of Neighborhood House Given At Monthly Meeting Wednesday

The monthly meeting of the Americanization committee was held Wednesday afternoon in the Neighborhood House with Mrs. T. W. Phillips presiding. Reports were heard from the treasurer, Mrs. Mollie Davis, and the welfare worker, Christine Butler, gave her monthly report of the work being done at the house.

Miss Butler reports 51 calls made, 789 books exchanged, 30 new testaments and L. T. L. pins given out to members attending 10 successive meetings. The Girl Reserves had a Valentine party and had Miss Imhoff of India as the speaker. There were a number of books donated for use of the library: Mrs. A. S. Webster donated 9, Mrs. F. E. Sowersby, 19, Mrs. William Schmid, Jr., 56, and Mrs. E. B. Hawkins, 110.

A committee was appointed to make arrangements for the rummage sale to be held at the Neighborhood House March 28 and includes, Mrs. C. H. Millholland, Mrs. O. A. Hartman, Mrs. S. E. Irvine, Mrs. Ethel Connery, Mrs. George White, Mrs. J. F. Rentz, and Miss Lowe.

All classes at the house are full and there are scholars waiting to be admitted to the various sewing, Bible and other classes that are so efficiently conducted by the women of the city.

Air Experts Believe Fog Problem Has Been Solved

By ROBERT S. THORNBURGH
International News Service Staff Correspondent

WASHINGTON, March 14.—Government aeronautical experts believe that the question of fog flying and landing virtually has been solved and that installation of the proper equipment at landing fields and in planes is about all that remains to be done to meet the problem.

Nevertheless, experts at the Bureau of Standards pointed out, it may be two years before aeronautical science is able to reach a complete solution. The Bureau has been engaged for about a year in the use of radio to aid airplanes landing at airports in dense fog, when the ground is invisible.

"The pilot landing in fog must be given instantaneous information on his three coordinates in space," the bureau said. "That, is, he must be guided to and along a suitable runway, must know how far along it he has gone, and the height of the landing path above the ground must be properly regulated.

"Of these requirements, the first is given by a small directive radio beacon, the second by a marker beacon and the third by a landing beam. The first has been installed by the bureau both at its own field, College Park, Md., and at Mitchel Field, L. I., for the Guggenheim Fund. At Mitchell field successful blind landings were made by Lieutenant J. H. Doolittle, using this beacon in conjunction with several non-radio instruments."

At College Park all three elements of the system have been installed, the small directive beacon, marker beacons and the landing beam. The first two are identical in principle with the same devices developed for use on the airways for guiding airplanes from one airport to another.

The method now being tried to provide the third element of the system, i. e., to regulate properly the height of the landing path as the airplane approaches the landing, is a directed beam. This beam, of 60,000 to 100,000 kilocycles, is directed at a small angle above the horizontal. A very simple receiving arrangement with visual indicator is used on the airplane. When the airplane is so maneuvered as to keep the deflection of the indicators always at a fixed point, the airplane follows a gliding path down to the ground which is quite suitable for the landing operation.

In one experiment the landing path marked out by the beam began at approximately three miles from the transmitter, at which time the plane was 2,000 feet above the ground. At two miles the plane was 500 feet up, one mile 240 feet, a half mile 85 feet and so on until at 500 feet from the transmitter it was five feet above the ground.

"It will be noted that the slope of this path decreases as the pilot approaches the ground, tending to facilitate a proper landing," an expert explained.

Census Will Show Whether Females Still Exceed Males

Pennsylvania Has Had Fewer Men Than Women For Past Two Decades, Records Show

By ARTHUR C. WIMER
Special Washington Correspondent Of The New Castle News

WASHINGTON, D. C. March 14.—One of the most important facts to be determined by the 1930 census in Pennsylvania will be the ratio of male to female in the State, Dr. Joseph A. Hill, acting director of the census, bureau, says.

Whether the males will continue to uphold their numerical superiority in Pennsylvania, in view of growing immigration restrictions which tend to cut down the males more than the females, will shortly be determined.

In common with most states of the country, Pennsylvania had slightly fewer males in proportion to females in 1920 than in 1910, census bureau figures for the last two decennial censuses reveal.

Ten years ago there were 103.2 men for every hundred women in the state, as compared with 105.9 men to every hundred women twenty years ago.

Likewise the ratio in the country at large changed from 106 males to 100 females in 1910 to 104 males for 100 females in 1920.

The information obtained through the census as to the sex ratio is indispensable in the calculation of life tables, in the determination of mortality rates, and in studying the incidence of disease, as well as in business, in legislation, and other connections.

Little Children Enjoy Visit At Public Library

West Side Kindergarten Class Hears Stories Told This Morning By Children's Librarian

Seventeen little children from the West Side kindergarten visited the New Castle free public library, this morning. They were brought in an automobile by their teacher, Miss Alice Warner.

The children were intensely interested in every detail about the public library, although they are not yet of the reading age.

After being taken through the children's department, the children were told stories by the children's librarian, Miss Alice Joyce. After the visit, the children, led by their teacher, filed out of the library, two by two, and all seventeen, systematically were put into the automobile of Miss Warner.

TWO BENEFIT BY PENSION BILLS

Prospect And Ellwood City Women Are Beneficiaries Of Pension Measures

WASHINGTON, D. C. March 14.—Cathrine Heyl of Prospect, Butler county, and Louisa Stevens of Ellwood City are the beneficiaries of two pensions bills introduced in the House by Congressman J. Howard Swick.

Mrs. Heyl is the widow of Henry Heyl, who served with Company G, 134th Pennsylvania Volunteer Infantry, and Mrs. Stevens is the widow of Henry Stevens, who fought in Company F, 140th Pennsylvania Volunteer Infantry, both in the Civil War.

The bills, which would increase Mrs. Heyl's government compensation from forty to fifty dollars per month and Mrs. Stevens' from thirty to fifty, respectively, have been refered to the House Committee on Invalid Pensions.

Andrew Bryer Suffering From Electric Burns

Andrew Bryer, aged 19, a son of Mr. and Mrs. Joseph Bryer, 214 East Grant street, met with an accident of some sort this morning which resulted in electric burns. He is employed as a bus driver at the convent in Wickliff Heights, Cleveland, Ohio, and no details were received as to how he met with the accident although it was expected he would not live.

Mary Jane Bryer, a sister, left this afternoon for Cleveland, to be at his bedside.

THIN COLLEGE GIRLS ORGANIZE WAIST LINE CLUB

(International News Service)

DALLAS, Texas, March 14.—"The Waist Line Club," which originated at Southern Methodist University, and is fast becoming the latest college fad in the South among co-eds, would aid the former as best it can.

It would raise its members on dairy products.

The club, which draws its membership from the younger college set, started in the Sigma Phi Sorority at S. M. U. because the co-eds decided that every member should be able to wear gracefully the new tuck-in dresses.

"Every girl must be so proportioned that she can wear the tuck-in blouses without looking absurd," said Miss Mary Burks, of Dallas, sponsor of the idea, and president of the first "Waist Line Club."

"We have decided that it is all nonsense for any young girl to be fat. And if we find any of our members insisting on putting on extra weight, we will take them in hand and arrange their diet for them and see that they stay with it. If that doesn't work, out of the club they go," she explained.

Their exclusive diet of chiefly dairy products, by the way, was determined after consultation with college physicians.

Town Has No Births And No Deaths In Month

(International News Service)

MILL VALLEY, Cal., March 14.—Score one for Mill Valley!

Will Farley, city clerk, today reported to the State Board of Health that this city of 5,000 residents established the record of no deaths and no births for the month of January

This was the most quiet vital statistic period in 20 years here, Farley reported

EDENBURG

Truly this is the "Sale of all Stove Sales", offering to you a glorious buying opportunity. The selling begins tomorrow morning with the opening of the store. Plan now to take advantage of this amazing offer. Prompt action on your part will insure prompt delivery and installation.

This Amazing Introductory Offer—First Time In Our History

We'll Allow You $20

ON YOUR OLD COAL OR GAS RANGE

Think of getting $20 for your old coal or gas range to apply on the purchase price of a beautiful, efficient, new 1930 "White Star" or "Detroit Star" Range! Don't fail to take advantage of this sensational sale and this genuine trade-in offer. Your old stove will go a long way towards paying for your new "White Star" or "Detroit Star" range this week!

America's Most Beautiful Gas Range

Come In—See Them!

Every housewife should see this new range—it will be a revelation to you—for never before has such a thoroughly modern range been built! The new White Star is entirely different—it is a range designed and built to meet a woman's ideals!

White Star GAS RANGES

WITH INSULATED AND PORCELAIN LINED OVENS

(Exactly as Illustrated)

No Other Range Like It!

You have seen many ranges—but you have never seen another range like the new White Star! New cleanliness, new beauty, new efficiency—a range you will truly delight to see and to own. Come in, see how different it is!

Greater Beauty—Greater Value!

Every corner is rounded—not a single bolt, hinge or screw-head in sight. Marble-like white, rotar-fused porcelain finish, inside and outside—as easy to clean as a white china dish! The White Star is made of the finest materials known to the stove industry. White Star represents greater value than ever offered before.

Note the Many Exclusive Features!

Note the new E-Z Klean Burner Box—the full-floating type Porcelain Grates—the scientifically-built Even-Heet Burners—the one-piece roll-top Warming Shelf—the new Radio-dial Heet-Master Oven Control—the fresh-air-circulating oven. And these are only a few of White Star's many patented exclusive features!

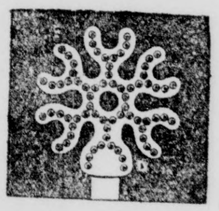

Insulated Ovens, Too!

The new 1930 White Star Ranges can be had either with or without Insulated Ovens. Let us show you both models and explain to you the many advantages of White Star Insulated Ovens.

Low Prices—Easy Terms!

Seldom, if ever, have you had such an opportunity to secure a Gas Range of White Star quality at such prices and terms as are offered you this week! You need pay only a small amount down, if you wish, and your new White Star will be delivered at once. Come in today—choose the model you like best—you'll be surprised at its low cost!

Patented Even-Heet Burners

Scientifically constructed. Intensive heat, evenly distributed, saves time and gas. Porcelain finish. Easy to clean.

Radio-Dial Oven Heat Control

Operates like a radio dial. A simple, dependable thermostatic device that removes all guesswork and insures baking success.

$5 Delivers to Your Home This Magnificent 1930 Model "White Star" Range $5

HIGHLIGHTS OF HISTORY

By J. Carroll Mansfield

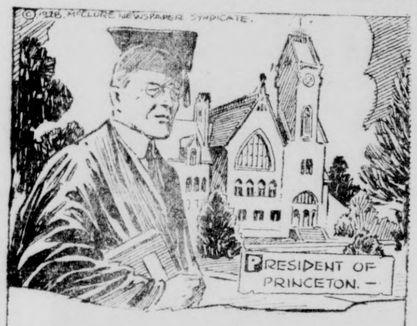

America In The 20th Century
Early Career Of Woodrow Wilson

WOODROW WILSON, WHO ON MARCH 4, 1913, BECAME THE 28TH PRESIDENT OF THE UNITED STATES, WAS BORN IN STAUNTON, VIRGINIA ON DECEMBER 28, 1856, THE SON OF A MINISTER. DURING HIS BOYHOOD HE LIVED IN VIRGINIA, GEORGIA AND SOUTH CAROLINA.

YOUNG WILSON, STUDIOUS AND AMBITIOUS TO BECOME A LEADER IN PUBLIC AFFAIRS, SPENT YEARS ACQUIRING A SPLENDID EDUCATION. HE GRADUATED FROM DAVIDSON COLLEGE IN 1875, FROM PRINCETON IN 1879, AND FROM THE UNIVERSITY OF VIRGINIA LAW SCHOOL IN 1882. FOR TWO YEARS HE PRACTICED LAW IN ATLANTA, BUT DEVOTED MOST OF THAT TIME TO WRITING A BOOK CALLED "CONGRESSIONAL GOVERNMENT".

LATER, HE STUDIED POLITICAL ECONOMY AT JOHNS HOPKINS, RECEIVING THE DEGREE OF PH. D. IN 1886. HE QUICKLY WON RECOGNITION AS AN AUTHORITY ON GOVERNMENT HISTORY, AND FOR A NUMBER OF YEARS WAS A PROFESSOR AT BRYN MAWR AND WESLEYAN. IN 1902 HE WAS MADE PRESIDENT OF PRINCETON UNIVERSITY.

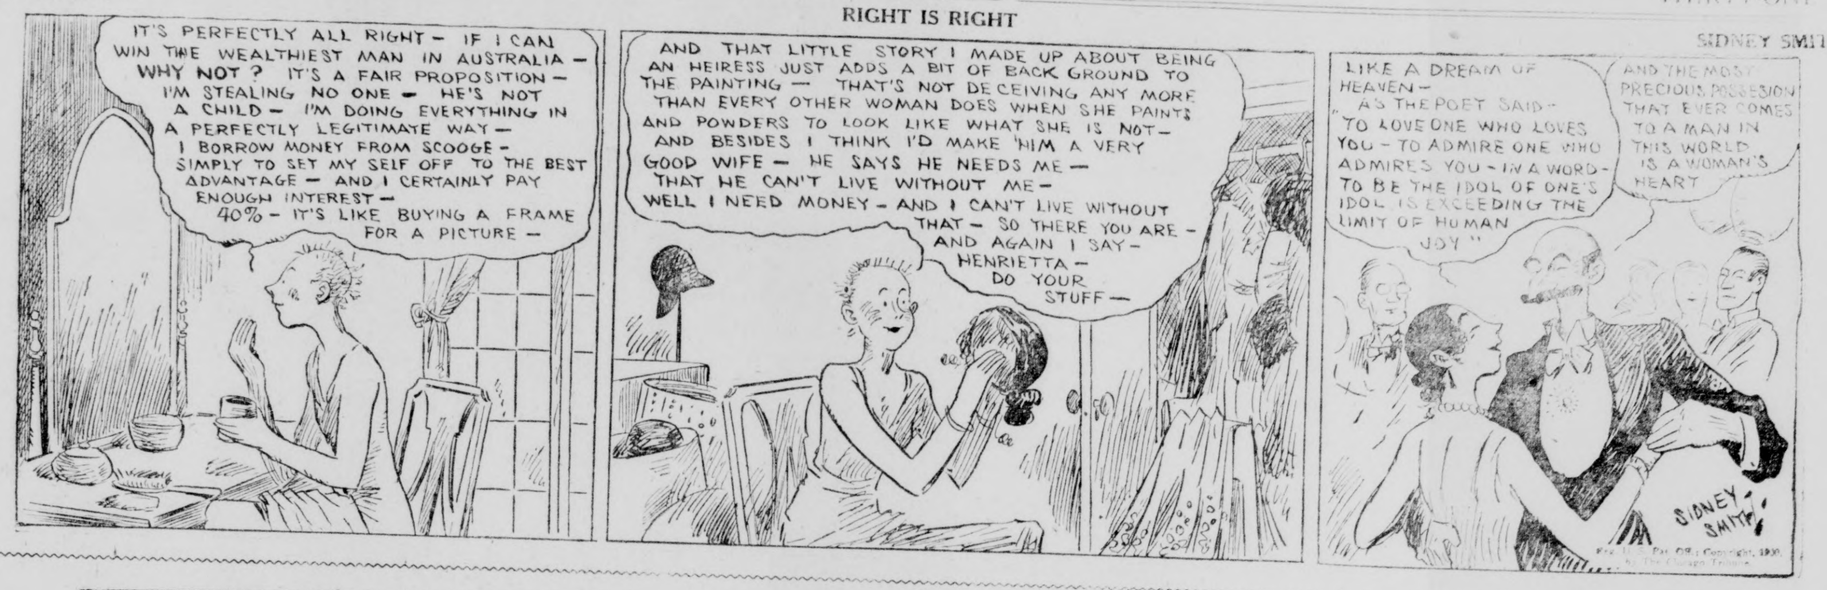

AN ELOQUENT SPEAKER AND A CHAMPION OF PROGRESSIVE IDEAS, WOODROW WILSON IN 1910 WAS CHOSEN DEMOCRATIC CANDIDATE FOR GOVERNOR OF NEW JERSEY. HE WAS ELECTED, AND AS GOVERNOR ATTRACTED THE ATTENTION OF NATIONAL POLITICAL LEADERS BY HIS BRILLIANT CAMPAIGN FOR REFORMS IN HIS STATE.

HAPPENINGS IN WORLD OF SPORT

Cauthon And Huske Meet In Semi-Final

Evans Eliminates Himself And Huske's Knockout Topples Jadaberg

FRIEDMAN-ROCCO CONTINUE GRIND

Knockout Huske, Akron and Ralph Cauthon, Cleveland, middleweights, will fight the six round semi-final to the Emmett Rocco-Al Friedman 10 round feature bout, it was announced today. Huske scored a technical knockout over Henry Attel here and followed it up by knocking out Red Jadaberg in two sessions at Youngstown, Wednesday night. Cauthon hopes to beat Huske then challenge Henry Firpo. He is a colorful fighter and will give Huske a great fight.

The Huske-Cauthon bout should be miles better than the Dick Evans-Red Jadaberg tilt which was originally carded. Dick telegraphed that he had been forced to undergo treatment owing to kidney trouble and Jadaberg eliminated himself by losing to Huske.

Friedman is rounding into tiptop condition at Philadelphia and the local pride, Rocco, is already in good condition. He is training with Harold Scarney who two years ago felt a knockout delivered by Rocco. The bout is attracting attention from all sections of the country.

West Side Rivals Clash

This is due to Rocco's recent run of successes which were interpolated by only ne defeat. He knocked out Tom Kirby, beat Mose Boquillion, followed it with a victory over Marty Gallagher, dropped a 10 round decision to Frankie Sims then came back strong and knocked out Ed. Keeley.

Friedman has been battling regularly each week and last Friday astonished fistic sharpers by giving Tuffy Griffiths all he cared to handle in Boston. According to reports from the Hub City Friedman had Griffith tired and weary in the seventh round.

Don Morse, Jamestown, N. Y., will tackle Frankie Lands, New Castle, at 122 in a six round bout and Tommy Arnold will meet Billy Murphy in a six round setto at 147 pounds. There is considerable interest in the Arnold-Murphy fight as it will decide the West Side supremacy.

Falcon Juniors Defeat Ellwood

The Polish Falcon Juniors defeated the Christians of Ellwood City 39 to 31, in a game played at the Falcon court on Thursday night. It was a hard fought battle, and was featured by the great work of S. Koszela, Noga, and J. Kolodjieski. Huffer for Ellwood City played a whale of a game caging eight baskets, while A. Kolodjieski and B. Koszela also played good basketball.

The Falcon Juniors go to Scotland Lane tonight to battle the Union High team. The Union High boys are out to take the measure of the Falcons tonight. The Falcons will be without their coach Kolodjieski as he will accompany the Falcon Seniors to Wampum.

The summary:

Falcon Juniors 39		Ellwood City 31
S. Koszela	F	Criss
Noga	F	Huffer
J. Kolodjieski	C	Lape
A. Kolodjieski	G	Craven
Bujny	G	Hooker

Subs: A. Sir, Moosa, Bujny, Dudek, B. Koszela, F. Kurdrupski, Knight, Greer. Field goals: S. Koszela 7, Noga 4, J. Kolodjieski 3, A. Kolodjieski 2, Bujny, B. Koszela, Criss 3, Huffer 8, Knight. Fouls: Falcons 1 out of 4. Ellwood City 5 out of 9. Referee—A. Mehalic.

Geneva Prepares For Track Season

With Basketball Out Of Way, Geneva Turns Attention To Tri-State Track Meets

BEAVER FALLS, Pa., March 14.—With the basketball season having concluded, the athletics attention of Geneva College turns to track. For five consecutive years Geneva has been Tri-State Conference Champions in this sport. A number of years ago, Bo McMillin took over the coaching reins at the Covenanter institution and not only did he produce sensational football teams but started the Gold and White on the championship path in track when Bo switched to Kansas State.

Bob Park, cross-country coach, was elevated to the position of track and field mentor. Mr. Park is a former star of a decade ago and a famous athlete in his day, who last year succeeded in having his boys capture the crown against some staunch competition. The 1929 Commencement depleted the ranks of Covenanter track satellites by graduating Clair Merriman, Bill Lathom and Dwight Piper, experienced and certain first or second place winners. Individual Conference champions remaining in Geneva are Captain Waldo Ward, broad jump; Len Friedman, javelin; Bob Nulton, half-mile; and Fair Thomas, quarter mile. The schedule for the current season is as follows:

April 19th, West Virginia at Beaver Falls.
April 26th, Penn Relays.
May 2nd, Carnegie Tech at Pittsburgh.
May 7th, Alfred University at Alfred, N. Y.
May 10th, Bethany at Beaver Falls
May 17th, Westminster at New Wilmington.
May 24th, Allegheny at Meadville
May 30th, Tri-State Conference Championship Meet at Beaver Falls.

Four Games In Church League

Four games are on tap tonight in the New Castle Church Basketball League at the Y. M. C. A. floor. The first game starts at 8 o'clock.

In the first battle the Third U. P and First M. E. teams tangle, the other games follow in order—Temple Israel vs. St. John's Lutherans, Croton vs. Central Christians and Mahoning M. E. vs. Highland U. P.

Saturday night two games are on tap as follows: Central Presbyterians vs. Epworth M. E. and Wesley M. E. vs. First Baptists.

New Castle High Plays Duquesne

New Castle Plays At Pitt Stadium In Semi-Finals Against Duquesne Saturday

Fourth Year Local High Passers Meet Duquesne In Battle For Title

Saturday night is the night when New Castle high school basketball team enters the semi-finals of the W. P. I. A. L. tourney race at the Pitt Stadium. Duquesne will oppose the local undefeated Red and Black quintet.

The final practice will be staged this afternoon for the senior high passers. Duquesne has a good team. On Thursday night they defeated North Braddock 27-24, in a fast game for the right to meet the Lawrence County basketball artists. Both coaches reported that they will present their strongest lineup in the hope that their cohorts will win and invade Pittsburgh on next Tuesday night to play for the schoolboy cup in the finals.

This is the fourth year the local high passers have played in the W. P. I. A. L. eliminations and Coach Bridenbaugh is after the second trophy. This is also the fourth year Duquesne has played the New Castle five. Each time these two teams have played the game proved a deciding factor for the championship. The first year New Castle traveled to the Pitt Stadium, Duquesne eliminated the locals and won the cup.

The following year New Castle defeated this same team in the final to cop the honors of the league. Then again these two teams met and Duquesne managed to defeat the Lawrance Countians. What will be the outcome this year? If New Castle wins, the team will enter the finals and have a good chance to win the urn this year.

If the locals lose, Duquesne will have the opportunity to continue where New Castle left off.

The largest crowd to watch a tournament game this year is expected to gather at the Pitt Stadium to see these two teams battle. There is plenty of rivalry between these two clubs. Faculty Manager Ralph H. Gardner is arranging to take care of the largest crowd of fans for the trip to Pittsburg. A special train will leave the P. & L. E. station on West Washington street at 5:45 Saturday afternoon.

Tickets for the game were placed on sale on Wednesday at the Sporting Goods Store on East Washington street and at the office of the senior high school.

HIS FIRST JOB

"So your son is in prison for theft?"

Father (proudly): Yes, at last he is earning his own keep.—Mostique, Charlerio.

Into Stardom Over Night

While the holdout to-do over Babe Ruth's salary demand has attracted practically all public interest in the New York Yankee's pre-season affairs, baseball insiders consider the Bam's bonanza embroglio to be but mere sideshow. Expert fans know the Yanks are rebuilding, and that even such a planet among the stars as Ruth is on the wane. They are looking for rising brilliants. That is why, for instance, they consider Catcher Bill Dickey's 1930 form will be of far more importance to the future of Gotham's American Leaguers than the roar over whether the Bable will be worth $80,000 during the next two seasons.

Of course, the most enthusiastic expert does not believe that Dickey will become another Bam. It took half a century of baseball to produce a Ruth. Far more than fifty years will pass probably before the game reveals another such colossus.

Nobody expects young Bill Dickey will prove another Ruth, but some close observers do say he is sure to rival the historic glory that keeps alive the fame of Buck Ewing, King Kelly, Johnny Kling, and other immortal catchers.

Dickey has the marked distinction of making the big league first string grade in his very first year of big time opportunity. When Benny Bengough, Yank catching ace, was incapacitated early last season, Bill was called on to substitute. Within two weeks he shaped up as a genuine star, handling all the club's pitchers in masterly style and hitting around the .340 mark.

Moreover, Dickey's throwing arm is the ideal baseball rifle. He picked off base-runners with sharp-shooting accuracy throughout the season. And he kept up his steady hitting pace with long and short range blows delivered when most needed.

Those who have studied the 1929 records through these Winter months have confirmed the judgement of many fans.

Dickey in his first major league year was second only to marvelous Mickey Cochrane of the Athletics as a catcher!

Scott Is Going Back To England

Before Boarding Ocean Liner Phil Scott Takes Rap At American Boxing Rules

BELIEVES HE WON FIGHT AT MIAMI

By DAVIS J. WALSH
International News Service Sports Editor

NEW YORK, March 14.—Vindictive now, where formerly he had been mildly plaintive, Phil Scott excoriated American ethics and sportsmanship as being no more than a mockery today and held them up to high scorn in a statement that fairly curled at the edges under the withering nature of its own heat. The statement was issued as Scott was preparing to board the Majestic tonight for a brief return to his home in England and it concerned itself with the moot question of whether the man was hit above or below the pantry in the Sharkey fight at Miami

"Is American boxing to be boxing or alley fighting?" he asked in one breath. And in another, he charged Referee Magnolia with having made two decisions, the first in favor of himself and the second and last in favor of Sharkey after the latter had rushed at the official in a rage and demanded a retraction.

Groaned In Pain

"I distinctly heard Magnolia say, 'go to your corner, Sharkey; you're disqualified.'" Scott went on. "And the fact is that Sharkey went. Meantime, I lay on the floor in great pain, so that there was only one of two things for Magnolia to do: Either count me out or award me the fight on a foul. He never as much as raised his hand to count over me and so when I was assisted to my corner without a count, it was an admission on the referee's part that I had been awarded the fight."

"If Sharkey won that fight, then your rules should be re-written or your boxing law repealed," was his next comment.

"Your officials are responsible for this outrage and, in time, they will reap their natural reward. They are killing their own game."

As for Sharkey and his ability, Scott expressed nothing but contempt. "He found h couldn't hit me legitimately, so he took the easiest way out," was his succinct summary of the American champion.

LAYDEN BURNED AS HE COMBATS BLAZE

Elmer Layden, football coach and athletic director at Duquesne U., Pittsburgh, sustained burns on his hands when he fought a blaze in his Mt. Lebanon home yesterday. A curtain caught fire.

Westminster Floormen Pick Opponents Teams

Duquesne High Defeats Scott

Duquesne Defeats North Braddock For Right To Meet New Castle In Semi-Final

For the fourth year in five years the Duquesne basketball team plays New Castle high school in the W. P. I. A. L. tournament. Duquesne defeated North Braddock on Thursday night at the Pitt Stadium in the second round elimination game 27-24 for the right to meet New Castle in the semi-finals on Saturday night.

Both teams held the lead at different stages of the game and the game was never cinched until the final sound of the gun. Beck and Harapas were the star performers for the winners while Tomko was the feature player of the loser.

The summary of the lineup follows:

Scott 24		Duquesne 27
Tomko	F	Beck
Kohlar	F	Harapas
V. Bache	C	Dorik
J. Bache	G	Servick
McMullen	G	Shulte

De Vos Favored Over Chastain

(International News Service)

CHICAGO, March 14.—Rene De Vos, veteran middleweight contender tonight will enter the ring a favorite to win over Clyde Chastain, the Texas youngster.

The two meet in a ten-round feature bout at Chicago stadium. De Vos is expected to enter the ring a firm 8 to 5 favorite to whip Chastain.

Eleanor Holm Wins Miami Swim Event

Eleanor Holm, New York, clipped 6 2-5 seconds from her record for the 300-yard medley individual in the National A. A. U. women's indoor swim events. Her time was 4 minutes 16 seconds. Adelaide Lambert was second.

Christian Cagle Passes Air Test

Christian (Red) Cagle, West Point football star for several seasons has passed examination for the air corps and will not be a member of the West Point coaching staff next fall.

Benedict, Montgomery And Ransom Get Places On Both Tri-State And District Teams

Rush, Damschroeder, Stavnitsky And Berger Get Other Places In Titan Voting

NEW WILMINGTON, Pa., March 14.—Votes cast by 13 members of the championship Westminster College basketball team and by Coach John Lawther on the outstanding players met both in conference and in district games during the season just closed reveal that the Titan players agree in most cases on rival stars. Very little difference is found in the all-conference team and the all-district team composed of Westminster opponents.

Benedict, captain and forward on the great Duquesne team, received 12 votes for a forward position on the conference team. Rush of Bethany received seven and gets the other forward position, although Captain Len Friedman of Geneva received six votes and Stephens of Duquesne received three.

There seemed to be no disagreement about the guard positions on the conference team. Montgomery of Geneva received all 14 votes for one of the jobs, while Damschroder of Bethany received 10 votes. Others who were mentioned were Fladina, Bethany, 2; Lubic, Duquesne 1, and Benedict, Duquesne 1. For center on the league team, Big "Slim" Ransom of Geneva received 10 votes. Telfair, Bethany, was the only other pivot man mentioned. He received four votes.

District Team.

Benedict, Duquesne, also received a forward position on the all-district team. The Duke leader received 11 votes. Stavnitsky, Grove City, was the other forward selection of the Titans, receiving 10 votes. Others mentioned were: Friedman, Geneva 1; Bair, Allegheny, 1; Stephens, Duquesne, 1; Fegley, Grove City, 3, and Telfair, Bethany, 1.

For the guard positions on the district team Montgomery, Geneva, again won out with seven votes. Berger, Allegheny, was given the other post with six votes, although he was closely pressed by Ryan, Grove City, with five, and Damschoder, Bethany, with five. Others mentioned for the guard berths on the district team were Garbark, Allegheny, 2; Benedict, Duquesne, 2, and Lubic, Duquesne, 1.

For all-district center, "Slim" Ransom of Geneva again won out with 10 votes. Telfair, Bethany, received four votes for the position.

Lawther Picks Team.

Coach John Lawther selected an all-star team from district opponents which he claims would be hard to beat. Lawther placed Telfair, Bethany, and Stavnitsky, Grove City, at forward; Ransom, Geneva, at center, and Damschroder, Bethany, and Montgomery, Geneva, at guard. Such a team, composed of tall, ranky men, Lawther thinks would give any quintet in the country a battle.

All-Conference.

Benedict, Duquesne, forward.
Rush, Bethany, forward.
Ransom, Geneva, center.
Montgomery, Geneva, guard.
Damschroder, Bethany, guard.

All-District.

Stavnitsky, Grove City, forward.
Benedict, Duquesne, forward.
Ransom, Geneva, center.
Berger, Allegheny, guard.
Montgomery, Geneva, guard.

CLEARING THE WAY

Cadet Leader: What do you do when the message goes around: "Volunteers forward?"

Cadet: I move to one side to let the volunteers pass.—Buen Humor, Madrid.

Westminster Track Team Working Out Each Evening In Gym; Have Hard Schedule

(Special To The News)

NEW WILMINGTON, Pa., March 14.—With 25 candidates reporting each evening at 7:15, the Westminster College track team has started preparations for the hardest season in recent years. Another group of 25 men, mostly members of the varsity and intra-mural basketball teams, will report for track next week, giving the U. P.'s approximately 50 candidates.

Of this group about 16 men have had previous varsity experience on the blue and white team. A number of freshmen look good and may give Westminster a fairly strong cinder path and field team this spring. Led by co-captains Kenneth Delahunty and William Crowell, court stars, the Westminster team will face four district teams in dual meets and will try to finish high in the annual Tri-State Conference championship meet.

Among the new men who should strengthen the blue and white team are: Lorenz Stocker, two miler; Robert Deacle, football fullback, weight thrower; Glenn Rehfus, football tackle, javelin thrower; Donald Cleland, football guard, weight thrower; Mauno Siljander, basketball player, sprinter and broad jumper; Paul Banks, pole vaulter and broad jumper and hurdler; Harry Parkinson, distance runner.

From last year's team which placed second in the conference and defeated Grove City and Allegheny in dual meets, Captain Walter Hutchison, now at the Ithaca School of Physical Education; Elmer Reiber, now at Duke University; Chester Campbell, now at Duke University; Harold Forsha, who dropped out of college; and Ross Ellis, who was graduated, will be missed.

Graduate Manager A. A. McDonald that the upper field will be conditioned for outdoor workouts as soon as weather permits. In the meantime, practice sessions will be held in the gymnasium. For the first week the indoor workouts were held at night so as not to conflict with intra-mural basketball league games. Starting on Monday, practice sessions will be held starting at 4 o'clock.

The schedule as planned by McDonald follows: Saturday, April 26, Carnegie Tech at Pittsburgh; Saturday, May 3, Grove City at New Wilmington; Saturday, May 10, Allegheny at New Wilmington; Saturday, May 17, Geneva at New Wilmington; Friday, May 30, Tri-State Conference championships at Beaver Falls.

District Games At Grove City

District Scholastic Teams Meet In Annual Tournament At Grove City College Tonight

GROVE CITY, Pa., March 14.—Three of the four district high school champions of northwestern Pennsylvania have been determined, and they will come to Grove City Friday and Saturday for the eliminations, which will determine the sectional winner. Erie East and Meadville will meet tonight at Allegheny College to decide the title in section 3.

For several weeks Punxsutawney has been assured participation in the 11th annual northwestern tournament here this week. The Groundhogs have represented section 1 for the past three years. Sharon, by virtue of capturing the Mercer county title in the final game with Farrell Saturday, will represent section 4. Sharon is a four-time county winner and for the last three years won the northwestern meet.

Results in section 2 were not determined until Saturday night, when Sheffield defeated Bradford in the final game. The teams were bunched and a Bradford win would have meant a triple tie, with St. Marys as the other team in the deadlock. It was Sheffield's first championship since entering the league.

Drawings for position in the tournament will be held Friday afternoon when the squads arrive for the annual eliminations. Cal Bolster and Walter Waite, well-known officials of the Pittsburgh district, will have been named to handle the tournament.

W. P. I. A. L.

FIRST ROUND

New Castle	39	North Union	14

Orphans Home Band To Play

ZELIENOPLE, Mar. 14—The band at the Children's Orphans Home and farm school will soon be able to play in public. There are about 35 pieces in the band and they are being trained each week by C. C. Stover and assisted by other local musicians. The band will play for the annual Donation Day in June and may be able to play before then.

The band was made possible by the donation of ten instruments from the H. N. White company and Mr. B. M. Hildebrand of this place, who donated three instruments. Mr. Stover is giving his services free, as well as others who are assisting. A fre will offering purchased the other instruments and filled a long felt want at the Home. Members of the band are all boys.

First Christians Take Church Bowling Trophy

Mahoning M. E. Contenders Lose Deciding Match At Y. M. C. A. Alleys

J. RYAN HIGH MAN WITH 183 POINTERS

Bowling in the church league came to an end this week at the Y. M. C. A. when the First Christians rolled the Mahoning M. E. bowlers and defeated them in the game which decided this year's church league championship.

The Christians won both halves of the league bowling by outclassing the Mahoning M. E. team for the count of 34 to 29 games in the first half and 20 to 19 games in the second half.

Much of the keen but friendly competition in this winter's bowling was due to the enthusiastic interests of the First Christians and Mahoning bowlers. This would be regarded as highly responsible for the First Christians winning the coveted trophy this year.

According to Y officials the awarding of the trophy will be delayed until later, because the basketball season is now at its heighth.

Team Standing

The final standing for the league teams:

	Won	Lost	Pct.
First Christians	54	12	.810
Mahoning M. E.	48	18	.720
Second U. P.	33	33	.500
Epworth M. E.	27	39	.405

First Christians average:
Single game, 657 pins
Thre games: 1807 pins
Team average, .625 pct.
Mahoning M. E. average:
Single game, 648 pins
Three games, 1807 pins
Team average, .623 pct.

Ryan Honor Man

High honors for the season go to J. Ryan with Watson a close second. Ryan has an average of 183 pins for a single game with 481 pins for three games. Watson's average was 177 for a single game and 462 pins for three games.

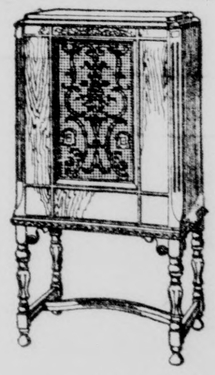

Single games averages for the regulars on both teams are as follows:

First Christians	Mahoning M. E.
Morgan .121	Adams .117
Wagner .118	Watson .134
Davis .117	C. Johnston .118
G. Ryan .133	Wilison .126
J. Ryan .136	A. Johnston .128

TWO ARE INJURED IN ELLWOOD CRASH

ELLWOOD CITY, March 14.—An accident occurred at the intersection of Second street and Fountain avenue Thursday afternoon about 4 o'clock involving two cars and a street car.

As near as witnesses can testify, the street car and the car owned by Herron Kirk of Wurtemburg were traveling north on Fountain avenue, when the street car slowed up to permit a car, said to be operated by Clarence Weeter of Fountain avenue, to pass across Fountain avenue. It seems the Kirk car, not knowing the other car was passing in front of the street car, came on around the car and was struck by the Weeter car, resulting in its upset. Vincent Graham, a passenger in the Kirk car, was thrown against the windshield and received a broken nose and cuts about the face. He was taken to a nearby physician who rendered first aid, and later took him to his home in Wurtemburg.

Clarence Weeter is also said to have been hurt about the face in the accident. Both parties have registered the accident with the local police. Both cars were badly damaged, although one was able to be driven off under its own power. Cause of the collision has not been placed as yet, although spectators state that the motorman of the street car motioned for the Weeter car to cross the street.

Pupils See Fine Operetta Thursday

ELLWOOD CITY, Mar. 14—Those few hundreds of students in the local schools who are not taking part in the Music and Health demonstration, enjoyed a premier showing of the demonstration before the students of the schools Thursday afternoon in the Lincoln gymnasium.

The entertainment included drills, songs, playettes and orchestra music. All the schools of the city are taking part and the main show will be presented this evening in the gymnasium of the Lincoln school.

The Circle school will present an operetta entitled "The Smuggleman" under the direction of Miss Elizabeth Stoner, Miss Robinson and Miss Cain. Attillio Decosimo has the main part and is supported by seven characters, and groups of choruses. The little play is well presented and very worth while.

Matrons Entertain For Visitors Here

ELLWOOD CITY, March 14.—Mrs. H. E. Clymmonds and Mrs. John Brennamen entertained jointly Thursday night for Mrs. William Gribben of Pasedena, California and Mrs. H. S. Hancher of Zanesville, O., at the McClymmond home on Second street.

Two tables of bridge were in play, and a pleasant evening was enjoyed. Later the hostesses served delicious refreshments in the dining room, and a feature of entertainment was that the guests had to cross the Irish channel to get the lunch.

Those enjoying the event were: Mrs. William Gribben, Mrs. H. S. Hancher, Mrs. Ray Chambers, Mrs. Loren Springer, Mrs. Carl Davidson and Mrs. Walter Close.

Ladies Aid Has Pleasant Meeting

ELLWOOD CITY, March 14—Members of the Ladies Aid society of the M. E. church conducted a pleasant meeting at the home of Mrs. J. C. McDevitt on Wayne avenue Thursday night with Mrs. Milliken assisting.

A brief business session was conducted at which time plans for spring money-making were discussed. Later a social period and lunch was enjoyed. The society will meet again in April, place of meeting to be announced later.

a pleasant visit with the former's mother, Mrs. Mary French of Wurtemburg.

Willing Workers Have Pleasant Evening

ELLWOOD CITY, March 14.—Fifteen members of the Willing Workers society of the Christian church conducted a monthly meeting Thursday night at the home of Mrs. Ira Covert of Crescent avenue.

A brief business meeting was conducted, after which the evening was turned over to the Eentertainment committee, with games and contest. Prize winners were: Mesdames Bertha French, Ernest Sarver, Gladys Covert, Mrs. Deemer, Mrs. Kelly and Mrs. Pearl Shontz, a special guest at the meeting.

Later a delicious lunch was served by the hostess, and the colors were green and white. The April meeting will take place at the home of Mrs. Kenneth White of this city, and members of the Enttertainment committee will be Mrs. Florence Dobson and Mrs. Walter Howell.

Mrs. Anderson To Conduct Meetings

ELLWOOD CITY, March 14.—Mrs. E. C. Anderson, lady evangelist, will begin a revival campaign in the Alliance Mission on Bell avenue, Ellwood City, at 3:30 p. m. service Sunday. Mrs. Anderson is the wife of Rev. E. C. Anderson, pastor of the Pearson street Alliance church of New Castle, and has held several campaigns in the south, also meetings in Sharon.

Miss George and Miss Sadie Lewis noted gospel singers, will sing throughout the meetings.

There will be musical selections on musical saw, trombone, piano-accordian and vibra-phone, also during the revival.

MEETING POSTPONED

ELLWOOD CITY, March 14.—The meeting of the Ellwood Quota club, scheduled for this evening in the dining room of the M. E. church, has been postponed until next Wednesday evening.

HOSPITAL NOTES

ELLWOOD CITY, March 14.—Discharged yesterday: Charles Burns of Ellwood City R. D. Admitted: John Wilson of this city.

ELLWOOD PERSONALS

Mrs. Nora Moyer of Lawrence avenue, was a Pittsburgh visitor yesterday.

Mrs. Frank Weddell and daughter Cherrie Maxine, returned to their home in Youngstown, O., concluding

Friends of Mrs. John Spielhaupter will regret to hear of her continued illness at the home of her aunt Mrs. A. J. Deemer of the New Castle road. She had been ill for the past five months, and her condition is said to be critical.

Rotarians Against Trashy Magazines

Rotarians Hear Fine Talk By Manager Of Local Store At Meeting Here

ELLWOOD CITY, March 14.—At the regular weekly dinner meeting of the local Rotary club, that took place Thursday night in the dining room of the First Presbyterian church, a heated discussion took place regarding the printing and circulation of trashy magazines.

Several magazines came in for severe condemnation. No definite action was taken at the meeting but a committee has been appointed to look into the matter. Dr. H. D. Patterson heads the committee.

The speaker of the evening was James Birchfield, manager of the J. C. Penny company, who gave his version of "Chain Stores." In his idea there is no such thing as a chain store. He went back through the years, when the first Penny store was started out in Wyoming, with a partner, who branched off later into his own store, with another partner, who in turn branched out, etc., etc., until the present aggregation of 800 stores had been built. Mr Birchfield contends that it is just one large company, and that each manager as 1-3 interest in his store.

A new member taken in last night was Frank Smith. The program was under the direction of Richard Hawk, chairman of the Vocational committee.

Carnera Offered Godfrey Battle

(International News Service)

NEW YORK, March 14.—Boxing promoters in Philadelphia have offered Primo Carnera, Italian giant, a guarantee of $100,000 to box George Godfrey, Philadelphia colored heavyweight, in the Pennsylvania city, it was learned today. A privilege of taking 45 per cent of the receipts was also offered the Venetian man-mountain.

RITTICISMS

BY WILLIAM RITT

Heinie Kley, German wrestler and boxer, says he can lick anybody, provided his opponent isn't equipped with a Chicago torch, or, as it is better known, a stuttering shot gun.

* * *

Cable dispatches say that Heinie is really the goods and that he has bounced more boys than a night club doorman in a mining town on pay day.

* * *

HEINIE'S IDEA OF A LIGHT WORKOUT IS TO PUT A DOZEN BLACKSMITHS TO SLEEP—HEAD FIRST.

* * *

Heinie is a nice quiet boy until he gets sore. And then he's a wild animal circus with all the cage doors open.

* * *

They say he once got so sore at himself he cut his lip biting his nose in a mirror.

* * *

HEINIE WANTS TO COME TO THE UNITED STATES IF HE CAN GET A BOUT WITH THE MARINE CORPS.

* * *

The worst break the kaiser ever got was that Heinie was born 10 years too late.

Connie Mack Looks For Tough Battle

Hopes His Athletics Can Repeat Their Splendid Performance Of Last Year

Will Stand Pat With Same Lineup That Ended The World's Series Against Cubs

By JAMES L. KILGALLEN
International News Service Sports Writer

FOR MYERS, Fla., March 14—"I'd like my boys to win the pennant again this year but if we do it won't be an easy task."

Connie Mack, 67 year old manager of the Philadelphia Athletics, world champions, made this declaration today as he sat in the sun on a bench back of the first base at Terry Park and watched his players cavort around the diamond and outfield. "Kid" Gleason, his grayhaired coach, was injecting "pep" into the workout by hititng whizzing grounders from the home plate and Eddie Collins, former "king of the second basemen" who was raised in the Mack school of baseball, hustled around the premises jabbering advice to rookies and veterans alike. It was a wide-awake, gingery aggregation.

Mack Looks Good

"They look good, don't they" said Connie, crushing his scorecard in his enthusiasm. "Their condition is much better than this time last year. They have a smoothness, a championship class about them. I suppose it comes from their winning the world's championship. They'll be hard to beat this year."

Asked how the team would line up for the first game of the season, Mack quickly replied:

"Exactly as they lineup in the world series. Mickey Cochrane behind the plate, Jimmy Fox at first, Max Bishop at second, John Boley at short, Jimmy Dykes at third, Bing Miller in right field, Mule Haas in center and Al Simmons in left. Of course I don't know this early who will pitch the opening game."

Depends On Pitchers

Mack's pitchers are rapidly rounding into form. He has as possible starting pitchers Lefty Grove, Rube Walberg, George Earnshaw, Eddie Rommel, Jack Quin, Howard Ehmke and Ossie Orwoll—perhaps the grandest array of flingers in the league. He also has several excellent prospects, including Bill Breckinridge, Leroy Mahaffey, Glenn Liebhart and Al Mahon. Breckinridge was with the "A's" last season: Mahaffey is a six footer purchased from Portland: Liebhart is the 19 year old son of the former Cleveland pitcher and Mahon is a twenty year old youngster from Pilger, Neb.

"It won't be easy for us to repeat this year because the other clubs in our league have improved" said Mack. "The Yankees are a powerful hitting team, of course. Cleveland and St. Louis are first class clubs. I like the Chicago White Sox's chances very much for they have developed some fine youngsters.

Solomon Wins From Colored Welterweight

Mickie Solomon defeated Allen Beatty in ten rounds last night at McKeesport. It was the fourth time they fought. Dom Profio and Billy Holt fought a sensational six round semi-final. Several times each was near a knockout.

BUT WITH SLEEP.

"Do you think they approved of my sermon?" asked the newly appinted vicar.

"Yes, I think so," replied his wife, "they were all nodding."—Answers.

Engineers' Society Will Meet Monday

Dr. E. Ward Tillotson, Assistant Director Of Mellon Institute, Will Speak

The Engineers' Society of New Castle will have its regular meeting, Monday, March 17, at 7:30 p. m., in the lecture room of the Pennsylvania Power Company building.

The society is fortunate in having Dr. E. Ward Tillotson, assistant director of the Mellon Institute, University of Pittsburgh, as the speaker for this meeting. His subject, "The Work of The Mellon Institute of Industrial Research."

A short musical program will precede the technical session.

Fitted lines with feminine trimming are high points in lingerie collections for the season.

Try for Yanks

Two rookies and a veteran trying to win berths with the New York Yankees are Roy Chapman, top; Floyd Van Pelt, center, and Ken Williams, the old St. Louis Brown slugger, below.

Another Babe Ruth

Recognize him? It's Bobby Jones, America's foremost golfer, trying his hand in a different field of sport. With that free and natural swing that gives him such great distance on the links, Bobby ought to give the Bam some great competition.

The one piece woolen frock with matching jacket has proved the favorite at Cannes, France, for practical wear.

YESTERDAY . . . TODAY
TOMORROW ALWAYS $40

THE FAMOUS WORSTED-TEX SUIT

It is never reduced in price even in semi-annual sales. Worsted-tex sells at $40 throughout the entire U. S. all year 'round . . . The value is so great that no reductions are possible or necessary.

THE WINTER CO.

AND ATTRACTS THEM.

"It doesn't matter where old Rivetts goes," declared the first speaker, "he's always surrounded by girls."

"Yes," agreed the other, "I can't understand the women nowadays. If Rivetts were handsome it would only be natural, but a grey-haired old fellow like him—well it beats me.

"There's one thing you seem to have for gotten" interrupt d a third man, "and that's the fact that he's a steel magnate."—Answers.

A survey has determined that the most admired color among children is red. But few children keep ledger accounts.—The Florence Ala. Herald.

SPORT SIDELIGHTS by JACK SORDS

Boston Red Sox Need More Batting "Punch"

By JAMES L. KILGALLEN
International News Service Sports Writer

PENSACOLA, Fla., March 14.—Under a new manager, Charles (Heinie) Wagner, the Boston Red Sox, "cellar champs" of the American League, are rapidly rounding into form at Pensacola Park. They are a young, lively aggregation and, according to Wagner, "may cause plenty of trouble" around the circuit this year.

Wagner would make no predictions as to where the Red Sox would finish in 1930 but he will be greatly disappointed if they do not make creditable showing from the opening gong.

He realizes he has inherited a hard job in taking over the management of a club that the veteran and experienced field general, Bill Carrigan, could not make into a winner.

"I need a couple of good hitters more than anything else. Give this team a little more batting punch and we will be tough to beat. We are well fixed with pitchers and the spirit and morale of the club is great."

Pitchers Look Good

Wagner said he has five first class pitchers and several others who look very good. His favorite five pitchers at present are "Big Ed" Morris, who won 14 and lost 14 with the club last season in spite of the fact that Boston finished last; Charlie Ruffing; Milton Gaston; Jack Russell and Danndy MacFayden. All are right handers and hard workers.

Bill Sweeney, is after the veteran Phil Todt's position at first base. Otis Miller is trying hard for Bill Regan's job at second base. The shortstop post has developed into a battle between Harold Thyne and Bill Narlesky.

Ernest Holman is trying to land Bob Reeves' job at third base.

"The outfield probably will be made up of Bill Barrett in right, Jack Rothrock in center and Russell Scarritt in right, all young and experienced players," said Wagner.

"I expect most of our catching will be done by Johnny Heving and Charlie Berry, with Bob Asbjornson helping them out."

Reds Held at Pier

By holding twenty newly arrived emissaries from Soviet Russia for nearly a day at Ellis Island, Federal immigration officials added a fresh complication to the anti-Communist stir that is agitating New York. Picture shows Mrs. Robert Miner, wife of one of the Red leaders, leaving court. The Communist leaders were released in $17,000 bail.

Famous Canadian Ace Killed in Plane Crash

Colonel William G. Barker, Canadian war ace and recently appointed vice-president and managing director of the Fairchild Aviation Company, was killed in a plane crash at Ottawa. Colonel Barker was one of the outstanding heroes of the World War, being credited with downing fifty-two enemy planes.

NEW YORK STOCKS

Oil Stocks Show Improvement Today

(International News Service)

NEW YORK, March 14.—Reduction of the New York Reserve bank rate to 3½ per cent was clearly foreshadowed and the stock market today showed little effect of the change. Professionals were more inclined to sell the stocks that have been advancing brilliantly in the last few days in anticipation of this action than to rush into buy.

Atlantic Refining and the Standard oils improved on the highest prices recorded yesterday. Sinclair pushed ahead to a new high at 28 and a number of the low-priced oils sold up about a point.

Electric Light and Power climbed to above 78, Federal Light and Traction up 3¾ to 84, Davison Chemical up 2¼ to 42¼, U. S. Steel was down a point and Bethlehem fractionally lower.

Chesapeake and Ohio moved up 3 points to 229. Standard Brands dropped to 24. Motors were inactive and slightly lower.

Call money renewed at 3½ per cent and "outside" money was available at 3 per cent. Cotton and grain were firm.

Seeks New Record

Marshall Beadle will take off shortly with a load of 1,100 pounds and will endeavor to climb 31,000 feet in the air for a new altitude record for America. Present mark of 30,200 feet is held by a German pilot. Beadle's wife is with him.

Peggy Stars in Newark Nuptial Act

The attractive miss with the telephone is Peggy Udell, who, at Newark, N. J., became the bride of Peter Michon, one of the Michon Brothers, noted vaudeville team. The stage beauty has temporarily retired from the footlights.

NEW CASTLE DRY GOODS CO.

Bo'Broadway

by JOSEPH VAN RAALTE

NEW YORK, March 14. — Word reached us from Manhattan's Lit'ry Lagoons that Queen Marie of Roumania has signed a contract to write her memories—no cheaten', she's got to do it all herself, in pusson.

Fair enough. And now the world will hold its breath waiting to see if she'll give us a low-down on the price she got for inditing those snappy cold cream, safety pin and toothpick ads.

Hard Luck

Imagine the feeling of a man who doesn't care for Rudy Vallee when he has to listen to one of his thousand and one rotten imitators.

Artistic Footwear

Once upon a time woman's shoes were things to keep her feet off the ground. Now they're "foot millinery." Color harmonies are eagerly pursued and a swank New York pedal parlor is exhibiting official shoe leather color-card for the Spring season containing ten shades.

Some of the names certainly stimulate the imagination, four of them carrying us in fancy straight to Southern Europe.

There is "Riviera Blue"—a color richer than the sea or the sky at Nice or Cannes—bluer than Pop on the first of the month. There is "Venetian Purple." "Prado Brown," suggesting the walls of that superb treasure house of paintings, the Prado Museum in Madrid. And from Spain, too, comes "Corrida Red"—the crimson of the flaming cloaks of the torreadors.

And with all this indstry and creation in mind, I can visualize Longacre Lil, returning to the stew-dyo after the show, flopping down into the brocaded Mayfair chair, kicking off her "Venetian Purple" foot millinery, sitting there massaging her aristocratic instep as she exclaims:

"Muh dawgs has sure been frettin' me all night!"

His Hope Has Fled

Gil Frazer, hat check captain at the Biltmore hotel sighs for a return of the days B. P.—before prohibition — when people seemed to be more happy and contented.

Them is Gil's woids, not mine.

"O' course, he adds, "that may be my imagination; but I don't think so. I been knockin' round hotels all me life an' I've fallen into th' way o' studyin' people an' trends an' times, if you get what I mean?"

"I'm right behind you, Gil," I told him. "Proceed."

But the sequence had been broken and with transition sweet, Gil entered upon a dissertation on hat checking. He is the victim, it seems, of an ambition unfulfilled—a longing, that tugs at his heart strings.

He Springtime of its sunlight and ravishes the rose of its fragrance.

In all the years he's been at the Biltmore, he's never yet been called upon to check Al. Smith's brown derby. The Biltmore is Al's favorite Manhattan hostelry and hundreds of times the justly celebrated brown "biffer," as Al calls it, has reposed on the shelves of the check room; but never placed with loving care by the reverend hand of Gil Frazer.

I tried to cheer him. "Maybe," I said, "some day—"

But he interrupted me by the elevation of a deprecating mitt—a red, moist, earnest mitt—and shook his head with the lugubrious certitude of one in whom hope is already dead.

Entertaining Royalty

The Grand Duchess Marie, cousin of Czar Nick II, who hauled her mess kit here after the works had gone up, is the mistress of a little mid-town flat—four rooms, bath, guitar and imported janitor.

She holds down a job as fashion arbiter for the ultra, in one of the snootiest gown shops in town.

You must be at least two generations removed from the wash tub before you can qualify as "ultra" in Tammany Town. There are exceptions to this, of course; but very, very few.

And that's where the Grand Duchess Marie Pavloona of Rossia comes in. You have no idea what a kick Park Avenue gets from being exploited by Royalty.

When everyone has been groveling at your feet all day, you have no idea how refreshing it is to encounter the proud, cold, level stare of a Grand Duchess—a stare that says plainer than words could utter it: "How'd you like to . . ."

Really, it's refreshing.

Veterans Push Plans For New Park

(International News Service)

YUBA CITY, Cal., Mar. 3.—Bishop-Langenbach Post, Foreign War Veterans, are pushing plans to provide a public park in Yuba City. The veterans have two sites in mind and have called a public meeting for March 17 when selection will be made and financing worked out.

Many Precious Stone's Exhibited

(International) News Service)

NEW YORK, March 14.—One hundred and eight precious and semi-precious stones are now on exhibition at the Geology Department of Hunter College here.

The exhibition is one of a series being presented this semester.

SMITH BROTHERS *Triple Action* COUGH SYRUP ONLY 35¢

North Liberty

James Cooper of New Castle was a recent visitor with his parents, Mr. and Mrs. Arthur Cooper.

Mr. and Mrs. H. H. Humphrey celebrated their Golden Wedding anniversary, Tuesday, March 4. Their daughter, Mrs. Blanche Hadley, entertained in their honor at a six o'clock dinner in the evening.

Rev. and Mrs. Van Cleve entertained the elders of the North Liberty church, and their wives, at the parsonage Monday evening.

Mr. and Mrs. O. J. Glenn spent Saturday in Grove City, guests of Mr. and Mrs. Ray Younkins.

Rev. and Mrs. VanCleve were guests of the former's parents at Portersville, Thursday and Friday of last week.

Mrs. Heasley, teacher of the McKnight school reports that the social held at her school recently, netted the sum of $16.50, which will be used for school purposes.

Word was received here last week of the death of Allan Uber, oldest son of Paul Uber of Howell, Michigan. Mr. and Mrs. Jesse Uber of Meridian, Mr. and Mrs. Clarence Uber of Mahoningtown and Mrs. Mary Uber and Mrs. Bertha Smith of New Castle attended the funeral which was held in Howell, Michigan on Friday.

Mr. and Mrs. D. W. Uber, Mrs. Botts and Mrs. Ray, who have been on the sick list are all able to be out again.

Agnes Moore of Grove City College spent the week end with her parents here.

Walter Barber, principal of the high school at Mamont, spent the week-end with his father, N. F. Barber.

Mrs. Ada Buchanan and daughter, Naomi of Grove City were guests of friends here last week.

Mrs. H. H. Humphrey fell down the steps at her home Sunday morning and broke both bones in her left wrist. Dr. Barber was called and she is now getting along fine.

Mr. and Mrs. Theodore George and Theodore Jr., were recent visitors at Franklin.

Mr. and Mrs. Charlie Knox moved into their home near the North Liberty gardens on Wednesday.

Mr. and Mrs. Howard Brenneman, Helen and Ethel were visitors at Franklin Sunday.

T. A. George was a business visitor in New Castle Friday.

The Ladies Missionary society will meet Friday afternoon, March 14 at the home of Mrs. T. A. George. Mrs. Harry Buzton, leader. Foreign subject—Japan. National subject— Foreign speaking people.

Mrs. Robert Elder and daughter, Bobbie Jean returned to their home in New Kensington last week after having spent a week here with the former's parents.

Many a motorist apparently is under the impression that his car-license is also a deed to the road. —The San Antonio Evening News.

English Children Are Getting Taller

(International News Service)

LONDON, March 14.—Working under the direction of the board of education, a committee has found that English children are becoming taller but on the average are not quite as heavy.

The board of education reports that this increased height is due to health training that the children are receiving in school.

HORTON RELATES HOW BLONDE ROBBED HIM

BOAST NOW ABOUT PROHIBITION POLL, WILL WARNS WETS

(Special To The News)

BEVERLY HILLS, Cal., March 14.—The wet papers better get their editorials in this week.

WILL ROGERS

I see this morning by the "American Ballot Box Weekly" that the national poll from just a few states shows the "repeal of the amendment" leads by 38,000. Thirty-one thousand of this is due to New York City and the other to Hoboken, New Jersey and Chicago.

But boy, wait till the returns from America start coming in.

Yours,

WILL.

PA NEWC OBSERVES

On the bill board of the Y. W. C. A. there is a poster which certainly is a good suggestion. The poster is headed "Welcome, friend, to New Castle, Penna." Then, there is this paragraph—"I live in New Castle because I like it. Because it is a good town, with rich future prospects. Because it has fine churches, schools and people. Because work conditions are excellent. In short, I am proud and happy to be a resident of New Castle, Pennsylvania."

Sol Davis told us of a very interesting sight Thursday. There was a black cat and her two coal black kittens on one side of North street and the mother very anxious to get across to the other side. Traffic was rather heavy but the wise old mother took one over first, that is, guided it over in safety. Then her problem was to keep the one taken over from coming back while she took the other. She finally succeeded. There was one thing she did, however, that might be a lesson to some people, whenever a car came she always piloted her offspring in a hurry back to the starting point instead of going on across the street.

The birds are coming in flocks now it seems, a half dozen robins were holding a jamboree in Pa Newc's back yard this morning. Singing for their breakfast, I guess.

A lovely red bird was singing in a tree in front of Pa Newc's last evening. Several red birds have been reported about town. Seems as if the birds know it will soon be warm here.

There was a beautiful sunrise this morning—looked a lot like spring had arrived even though the atmosphere was cold.

Just take a squint at Will Rogers' philosophy today, before you get too enthusiastic about this wet and dry poll business.

A rather peculiar incident happened in front of The News last night. Two young ladies riding in a large car were looking for parking space on Mercer street. Not finding space the two stepped from the car and attempted to push a car to make room for their vehicle. They found the car locked. Finding this futile they got in the car again and backed into another car and in this way managed to find a parking space until they came back. Women are certainly clever these days.

Pa Newc observed a chic looking young lady sitting in a car bearing a

Daily Weather Report

Weather statistics for the 24-hour period ending at 9 o'clock this morning are as follows:

Maximum temperature, 56.
Minimum temperature, 22.
No precipitation.
River stage, 8.1 feet and falling.

VERDICT IN GRIMM CASE; FIRST DEGREE; LIFE IMPRISONMENT

Jury Brings In Verdict At 12:30 O'Clock This Morning

TOOK CASE ABOUT 2:45 P. M. THURSDAY

Three Other Youths Face Same Charge As That Against Grimm

"Guilty of murder in the first degree with life imprisonment," was the verdict returned by the jury in the case of William Grimm, charged with the murder of Clark Rea, Neshannock township bachelor. The verdict was returned in Court Room No. 2 shortly after midnight this morning.

The case was given to the jury about 2:45 Thursday afternoon after a charge by Judge Chambers in which he pointed out the law relative to murders committed during the commission of a robbery. Judge Chambers' charge was very clear, particularly as to the point, that all persons concerned in a robbery, where a murder is committed, are equally guilty.

All Equally Guilty

It does not matter under the law, whether the person on trial actually fired the shot that causes death, he pointed out. The mere fact that he is with others in the commission of a robbery, places the responsibility upon him for all that happens during that robbery.

In the case tried the testimony for the commonwealth and the testimony of the defendant himself, showed that the murder was committed during a robbery.

From reports heard this morning it appears that the jury was unanimous on the point of first degree murder, the only difference of opinion, being over the life imprisonment or the death penalty.

Ten For Life

It had been learned that after the jury retired the case was discussed for a short time and then a ballot taken. On the first ballot it is reported there were ten for murder

Anglo-American Parity Agreement Goes Into Discard

Parity Agreement Between America And Great Britain Hurled Overboard

FRENCH DEMAND CARRIES WEIGHT

Principle Will Be Maintained, But Level Will Be Considerably Higher

By HARRY R. FLORY
International News Service Staff Correspondent

LONDON, March 14.—Thrown overboard in a frantic attempt to save the five-power naval disarmament conference from failure, the 1,200,000-ton parity agreement between the United States and Great Britain went into the discard today.

While the principle of parity between the two English-speaking naval powers will be maintained, the level will be considerably higher than that agreed upon tentatively some weeks ago.

According to present indications, the figure will be nearer 1,300,000 tons, representing an increase over the ten-

Sheriff Says Error Made In Printing Of Juror's Cards

Through a typographical error, the jury cards sent out by Frank Johnston for the jurors of March 17th, were printed as March 10. These were yellow cards. Immediately upon finding the error the sheriff sent out a second set of cards property printed, these being dark blue. Jurors who have been sent two cards will understand why the second set.

Hoover Is Told Tariff Work Is About Finished

Leaders Inform President Hoover Tariff Bill Should Be Enacted By End Of Next Week

Insurgent-Coalition Ready To Admit Defeat In Jousts With Grundy Alliance

(International News Service)

WASHINGTON, March 14.—Battered and groggy from repeated impacts of the new Grundy high tariff alliance the remains of the Insurgent-Coalition in the senate prepared today for their last stand—an attempt to reduce the duties on hides and leather.

So confident is the new alliance that Senators Watson of Indiana, Republican floor leader, and McNary (R) of Oregon, assistant leader, last night informed President Hoover that the long pending bill would be passed by the end of next week.

Machine Rides High

Even the most optimistic of the old Insurgent-coalition see no chance to stop the Grundy machine in the hides and leather battle.

Yesterday was one series of defeats for the old Insurgent-Coalition, starting with sugar and cement and going down the line to rayon, the last measure voted upon. An attempt to reduce the duty on rayon from 45 to 40 cents a pound was lost by a 38 to 30 vote.

Prior to the rayon vote the Grundy machine had voted 32 to 29 to place a 15 per cent. ad valorem on all cotton cloth containing more than 15 per cent wool under the higher wool tariffs. This had been bitterly fought by Senator Walsh (D) of Massachusetts.

Although Grundy's two amendments—pig iron and aluminum—were beaten on the floor he steam rollered through all the others that he was interested in. Administration and coaltion leaders alike pointed out that the Pennsylvania still had an ace in the hole for when the bill goes to conference he is more than likely to see his amendments inserted.

COUNCIL BUYS TRAFFIC LIGHT

Council convened today in city hall and purchased a center suspended type of light which will be installed at East Washington street and Croton avenue. Council believes the traffic situation will be solved by the adoption of the light, which will cost $640. Traffic police stationed there will be removed.

The light will operate as follows: When green shows and allows traffic east, red will stop traffic west. When the west green flashes traffic east will be checked. Turns into Croton avenue will be made on the green light.

The light will be suspended in the center of East Washington street.

Saturday Last Chance To File 1929 Tax Blanks

Saturday Midnight Is Deadline For Filing Of Income Tax Returns

SPECULATE ON STOCK COLLAPSE

Expect About $2,400,000 To Filter Into Treasury From Citizens Of Nation

By ROBERT S. THORNBURGH
International News Service Staff Correspondent

WASHINGTON, March 14.—American taxpayers have until Saturday midnight to get their returns on 1929 incomes into the hands of internal revenue collectors or in the mail.

Treasury experts today were relying on an increase of more than ten percent in the corporation tax to offset a possible loss in individual taxes resulting from the collapse of speculative stock values.

Information obtained indicated that corporations had an exceedingly prosperous year in 1929, despite the recession in the closing months, and exceeded income records of the year before.

(Continued On Page Two)

Paul's Mother

MRS. VINTA PAUL McGUGIN

Mother of Corporal Brady Paul, slain highway patrolman, who is attending the trial of Mrs. Irene Schroeder.

WITNESS TELLS JURY HOW IRENE AND DAGUE TOOK AUTO FROM HIM

Says Mrs. Schroeder Covered Him With Gun and Took His Pocketbook as Well as Car — Jury Women Sob as Mrs. Crowl Tells of Dying Moments of Corporal Brady Paul.

Raymond Horton faced the Trigger Blond this afternoon for the second time in his life. The first time they were face to face, a long barrelled, blue steel revolver was between them, with Irene Schroeder holding the butt end. Today they faced each other again, but this time Horton was in the witness chair of Lawrence county court room number one looking down at the counsel table where Irene sat, battling for her life for the murder of Corporal Brady Paul.

Sitting there, facing the woman who held him up, robbed him of his purse and drove away in his shiny roadster, Horton told the court and jury the story of the hold up. As he concluded his testimony, Attorney Margiotti said "and have you seen that woman who held you up?" Pointing to Irene Schroeder, Horton said "there she is."

Mrs. Crowl Testifies of Paul's Death

One piece of testimony offered this afternoon made a very apparent impression upon the jury. It was the testimony of Mrs. John A. Crowl, wife of the owner of the Colonial Hotel where the State Highway Patrol is headquartered.

Brady Paul lived in the Colonial Hotel and like the rest of the young men in the state forces, was a friend of the Crowl family. When she heard of his shooting, Mrs. Crowl rushed to the Jameson Memorial Hospital and was with him when he passed away.

As she told the jury of his request that she (Mrs. Crowl) kiss his mother for him, as she told them of his last words, "tell the boys I did my duty" the court room was the quietest it has been since the opening of the trial. Tears were in the eyes of one of the women jurors, and handkerchiefs were used profusely in the audience. Perhaps the testimony of Mrs. Crowl was the kind that does not bear repetition in a case for the defense said quietly as she finished, "no questions."

Night Session

Another night session was ordered by Judge R. Lawrence Hilderbrand for tonight although not before he had asked the opinion of the jury in the matter. All of them nodded their heads and at seven o'clock the long grind is to continue. It will probably last until 9:30 or 9:45. Hard work seems to be the delight of Judge Hildebrand and for the third time this week the case will be carried on under the chandeliers.

As the supper recess was taken, the jury was taken out to the back of the court house and inspected the Death Car driven by Glenn Dague on December 27th when Brady Paul was murdered. The commonwealth wished to have the jury familiar with the appearance of the car, the location of the bullet holes and asked that the car be brought to the court house for this purpose. No objection was offered by the defense and the car was inspected.

The testimony of the afternoon session follows:

Afternoon Session.

George Book was called at the opening of the afternoon session.

Q. When you stopped your car the first and second time was the motor running?

A. Yes.

Q. Does it make any noise?

A. Plenty.

Dr. Paul Wilson was called but did not answer. Dr. Loyal Wilson also was called but was not in the room.

At this point the Commonwealth asked that the jury be permitted to see the Chevrolet car which figures in the case.

Motion granted and the jury will be taken down to see it later.

Howard Kelley.

Howard Kelley, an undertaker, was called. Questioned by Powers.

Q. Did you know Brady Paul?

A. I did.

Q. What happened on Dec. 27?

A. I just saw him some time after 12 o'clock. I saw Brady Paul on the seat of George Book's truck. Book came into the office and after talking to him I told Charles Mills, our driver, to get the ambulance. I went to the truck and helped him to the ground

A passerby helped me carry him into the office and I loosened his clothes. We put him on a cot, carried him to the ambulance and took him to the Jameson Memorial hospital. Paul Kelley, myself and the driver, Charles Mills, were in the ambulance. We took him into the operating room. He asked me to do something to relieve the pain. Dr. Kaplan came in and we took Paul's clothes off. I found

Close To Million In Damage By Fire At Everett, Mass.

Fourteen Buildings Of Merrimac Chemical Company Levelled To Ground By Flames

(International News Service)

EVERETT, Mass., March 14.—Fanned by a high northwest wind, flames swept through a section of the plant of the Merrimac Chemical company in South Everett today.

Fourteen buildings of the plan were levelled by the onrush of flames. Twelve firemen were overcome. Fifty others suffered from inhaling sulphur fumes. More than 200 men, women and children residents of the neighborhood were driven to the street. Fifty trolley cars of the Boston Elevated railway were destroyed.

The loss was estimated at between $600,000 and $1,000,000.

(International News Service)

WASHINGTON, March 14.—The Pennsylvania railroad today asked the interstate commerce commission for authority to issue and sell $60,000,000 of 40-year 4½ per cent gold debenture bonds.

NEWS SPECIAL EDITIONS

As announced at the start, The News is publishing special editions containing the complete evidence presented at the trial of Irene Schroeder at the conclusion of each session.

The first morning edition was published today at 8 o'clock, giving complete details of last night's court procedure. The first night session was held Thursday.

The two o'clock edition contains the morning session in full, the six o'clock edition contains the afternoon session complete, and the 8 o'clock edition in the morning, issued when there is a night session, contains that session complete.

BE SURE YOU GET THE NEWS!

SERVICE MEN PUT TO WORK

Legion Employment Bureau Is Accomplishing Some Excellent Results

At the American Legion Employment Bureau, Room 203 Greer Building, E. T. McKee, supervisor in charge, stated this morning that a number of former service men who have been out of work, have been put back to work through the efforts of the bureau.

Thursday one was placed as a truck driver and today one was placed on the railroad.

There is however a much greater demand than can be filled and people and concerns are being called up and asked to assist in the unemployment problem of ex-service men and members of their families and the public is urged to co-operate in every way possible.

Residents of the city are urged to remember that the Legion Bureau can supply their needs along house cleaning workers, in fact along any kind of handiwork that may be desired for an extended period of time or for a day or a part of a day.

Where women members of the families of former service men desire to help out the unemployed head of the home, they too may register at the bureau and every effort will be made to get them employment.

Those having employment for persons in any line of work would be conferring a favor to the American Legion by calling 3216.

Brotherhood To Hear Good Speaker

Dr. Clarence Allen Of Erie Will Address Men Of Croton District Tonight

Members of the Second Mile Brotherhood of the Croton M. E. church are looking forward with expectancy to the appearance of Dr. Clarence E. Allen, pastor of the First M. E. church of Erie, at their monthly dinner meeting in the church this evening.

Dr. Allen is one of the outstanding ministers in the Erie Conference of the Methodist Episcopal church and will have a message of interest to every man in the community.

The women of the church will serve dinner promptly at 6:30, followed by the program of the evening. A large attendance of men from the distict is expected present.

Scout Chief Leaves After Conference

Major Roy F. Seymour, regional Boy Scout director for Region Three, who conferred with local Boy Scout leaders at a meeting of the executive council and county board last night relative to important council business, left the city for Philadelphia this morning.

Mr. Seymour's headquarters are located in that city.

CAPITOL—"Show of Shows" with 100 noted ctars and 1000 beauties. All talking, singing and dancing. Gorgeous musical extravaganza.

PA NEWC OBSERVES

(Continued From Page One)

Virginia license near the corner of Mill and Washington streets and she was smoking a cigaret.

Some local people are wondering if the prohibition poll being conducted by a certain magazine is on the up-and-up as it claims. They have been regular subscribers for a good many years and have not received a ballot.

Only 17 young women in the senior high school are interested enough in a coure in home making to take the study, it is revealed. Girls nowadays seem to think it is no use when can openers are so cheap.

Pa Newc observes plenty of loose newspapers lying about the streets, having been blown off people's front porches. They are placed there unsolicited by some out-of-town papers in an attempt to build up circulation, but evidently the majority of people are well satisfied with the New Castle News.

Pa Newc noticed a doctor trying to park his car in a very limited amount of space in front of his office on North street this morning. The car wouldn't fit in, however, and he finally gave up in disgust.

No doubt there's many a "regusted" income tax payer having a headache today and will be asking for a "restention" of time as our friends Amos and Andy will be doing.

DAVIS READY TO ANNOUNCE

(Continued From Page One)

ernor against both the Vare and Grundy organizations the stage is set for another Keystone primary of the Donnybrook fair variety.

To Remain in Cabinet

Secretary Davis does not plan to retire from the cabinet while he conducts his primary campaign, which will run until May 20, the day on which Pennsylvania goes to the polls.

To intimations from some administration leaders that it might be well for him to retire because of possible political embarrassment to Mr. Hoover, Secretary Davis has reported that he has a notable example to guide him in hanging on as a cabinet member. He pointed out that President Hoover conducted his primary campaign for the presidency while esconsed in his berth as secretary of commerce, not resigning until after the nomination at Kansas City.

A curious situation is about to arise in connection with the Davis candidacy, and its relation to the Hoover administration.

Four years ago, Wm. S. Vare himself mopped up two dry opponents in the memorable primary of 1926 on a platform that was wringing wet. Vare used to hold aloft during his speeches an old fashioned nickel beer glass and pledge himself to labor for its return.

Distinctly Moist

Secretary Davis himself, if not as wringing wet as Vare, is at least distinctly moist. His campaign will be conducted accordingly—thus affording the country the spectacle of a Hoover cabinet officer campaigning on an anti-prohibition platform. Incidentally, he will be campaigning, too, in a sense, against a brother-cabinet officer, Secretary of the Treasury Mellon, whose interests are back of Grundy.

Grundy has taken no open position on the prohibition issue for the forthcoming campaign. To all direct questions as to his stand "the granddaddy of all lobbyists" has returned the enigmatic reply, "we in Pennsylvania believe in the constitution."

Pinchot is in no quandary about his stand. He is bone dry. It got him a poor third in a three-cornered senatorial race four years ago.

Prohibition Issue

The prohibition issue also has been cast into the Massachusetts senatorial primary today by the announcement of Ex-Senator Wm. M. Butler that he will stand for the senate again as a dry, and opposed to tinkering with the 18th amndment or the Volstead law. Butler ran as a dry in '21 and was defeated by Senator Davis I. Walsh, a wet, in a campaign in which Walsh talked beer from one end of the bay state to the other.

With so many hectic primary campaigns getting under way agitation was renewed here today to get the Norris resolution out of its pigeonhole and passed. This resolution sets up a senatorial committee—headed by Reed of Missouri, four years ago, that resulted in the Illinois and Pennsylvania "scandals" that eventually barred Wm. S. Vare and Frank L. Smith from taking the senate seats to which they were elected.

SATURDAY LAST CHANCE TO FILE 1929 TAX BLANKS

(Continued From Page One)

timates the treasury has been able to prepare, the stock market break having contributed a confusing factor of uncertainty, the March collections should be approximately $550,000,000 and that of the fiscal year $2,400,000,000.

If the anticipated corporation tax increase materializes, the income from that source in the year ending June 30 will be about $1,358,000,000, a gain of $123,000,000 over 1929. To meet the treasury estimates, an individual collection of $1,042,000,000 would be necessary. Last year individual taxes yielded $1,095,541,000, a gain of $212,814,0000 over 1928. Most of that gain came from speculative profits.

The treasury estimated that income and corporation tax collections this year would exceed 1929 by $69,000,000.

Heavy Yield

If the unexpected occurs and the stock market loss is offset by other factors, there may be another abnormally heavy yield of taxes that will assure a continuance of the 1930 incomes of the one per cent tax reduction applicable to earnings of 1929, provided business improves.

If at all possible the rate will be maintained, more for its psychological effect on business, than from its actual dollars and cents saving to the taxpayer. If a reduction is to be made it will be announced as early as possible in the year, instead of waiting until the message is sent to congress in December. Experts said the government's revenues must be assured and that business conditions must show improvement to warrant the 1929 rate.

Westfield Will Have Every Member Canvass Sunday

The trustees of the Westfield Presbyterian church are introducing a new plan for the annual every member canvass Sunday morning. At the regular service, the pastor, Rev. Ross M. Haverfield, will speak on "This Side of the Envelope" of the current expense portion of the budget, and immediately following the sermon the pledge cards will be distributed and all members present will sign their cards and return them to the trustees who will be in charge of this part of the service. It is hoped a large number of the congregation will be present.

The Sunday school will meet at 12:15 p. m. with the assistant teachers and officers having complete charge of the school. Assistant superintendent W. R. Fox will conduct the worship period.

Christian endeavor will be at 3 o'clock and Velma Fullerton is the leader.

All church dues should be paid to the trustees before April 1.

Sweet are the slumbers of the virtuous man.—Addison.

STAR LORE

WHEN THE SUN BECOMES A POINT OF REFERENCE

By Arthur DeV. Carpenter

As the sun and all of the physical bodies constituting the Solar system are rushing through space with great velocity, and the Sun's rush determines the rush of all the other bodies under its control, the sun is a relatively stationary body from which to compute the motions of everything in the solar system, just as a moving ship is relatively stationary with reference to the chairs and other furnishings upon its decks. In this sense the sun becomes a fixed point of reference. But only for members of the solor system. Stars that the sun is overtaking will show increasing parallax as observed over long periods of time."

(More Tomorrow)

WOMEN TO KEEP AMERICA DRY

(Continued From Page One)

ing a better human life" because of the extension of education and a rise in the standard of living, he said.

As a result of the wrangling and quarreling of the committee during the last few days, the 79-year-old chairman, Rep. Graham instituted some iron-clad rules today to govern the future conduct of the hearings.

He ended the controversy over the alleged coaching of witnesses by Mrs. Henry W. Peabody of Beverly, Mass., by asserting that Mrs. Peabody had not deleted that portion of the record which charged her with coaching, although offered an opportunity to do so.

Graham summarily ruled out an effort of Rep. Dyer (R) of Missouri, to read a telegram from Robert Dollar, the shipping magnate, denying there were bars on his ships, and an effort by Rep. Laguardia (R) of New York, to introduce statements of Dollar line passengers that the ships did carry bars.

India's Stormy Petrel In Anti-British Rally

Mahatma Gandhi, fiery Indian revolutionist and mystic, is leading a band of seventy volunteers on a dramatic march to Jalalpur for the purpose of opening a campaign of civil disobedience to the British Government. The battle-scarred leader left behind a speech to his followers, which he called his "last message and testament." (Lower) Madeline Slade, daughter of a British admiral, has joined Gandhi's campaign against the Crown.

Ed. Stevenson Resigns Post

Council Accepts Plumbing Inspector's Resignation Presented Today

Council met in city hall today and accepted the resignation of E. S. Stevenson, city inspector of plumbing.

The resignation was presented immediately before council adjourned. Mayor W. H. Gillespie, when questioned when Stevenson's successor would be appointed, replied he did not wish to state the time. He also refused to say who would be recommended for the position.

Council passed Councilman Reeves' resolution thanking Mr. Stevenson for his service since becoming inspector of plumbing.

It is understood the Journeymen Plumbers local here has presented the names of three plumbers who would be acceptable.

They are Harold Dunlap, Roy Haines and Lawrence Bryan.

VERDICT IN GRIMM CASE; FIRST DEGREE; LIFE IMPRISONMENT

(Continued From Page One)

in the first degree with life imprisonment. One was for murder in the first degree with the death penalty, and one did not vote.

The reason that the one did not vote was because he was not quite clear on the matter of life imprisonment. He thought that the court might make the penalty 25 years imprisonment. When it had been explained by some of the other jurors that the act of 1925 says that it must be life imprisonment or death on a first degree verdict, he cast his ballot for life imprisonment.

Many Ballots Taken

From the time the first ballot was taken, between 3 and 4 p. m. until an agreement was reached at about midnight, dozens of ballots were taken which resulted in eleven for life imprisonment and one for the death penalty. Finally the juror who had been holding out for the death penalty changed his ballot to life imprisonment, and there was a unanimous ballot for life imprisonment.

The tipstaves in charge of the jury were then notified. Judge Chambers was then notified. Judge Chambers was summoned, also Prothonotary R. M. Campbell and Attorneys Walter Braham, who with George W. Muse had represented the prosecution, and R. L. Wallace, who with J. Norman Martin represented the defense.

Verdict Is Taken

When they arrived at the court house Grimm was brought in from the county jail by Sheriff Frank Johnston, and the verdict was taken. Grimm stood up while each of the jurors repeated the verdict. Grimm, who appeared to be very nervous when he was brought into the court room, appeared to be relieved when he learned that he was not to go to the electric chair.

There are still three other cases, growing out of the Rea murder, the defendants being Charles Llewellyn, Jesse Martin and Jack McDevitt. They are each entitled to separate trials, should they demand it, or they could enter pleas. No definite information as to what they intend to do has yet been given out.

ANGLO-AMERICAN PARITY AGREEMENT GOES INTO DISCARD

(Continued From Page One)

tative program of approximately 100,000 tons of warships.

Ready to Accept.

The American delegation to the parley, although reluctant, is prepared to accept this augmented figure and let the earlier program of 1,200,000 tons go by the board. This decision has been necessitated by the final realization by both British and American delegates that it is impossible to persuade France to reduce her tonnage demands appreciably.

In this connection, the British admiralty has executed a complete about face. Previously, this board estimated Britain would require a 400,000-ton increase in the Anglo-American parity figures if the French retained their total demands. Now it appears that 1,000,000 tons will prove sufficient.

British Need Increase.

After a close inspection of the French figures, an admiralty expert admitted today that the effective French fleet of 1936 and thereafter would total only 660,000 tons. Therefore, the British feel they need an increase of 35,000 tons in cruisers and 50,000 tons in destroyers over the total agreed upon by President Hoover and Prime Minister MacDonald.

This means, of course, that the United States can automatically claim the right to a similar increase in figures in order to preserve parity, but it was pointed out in American circles that it really means very little actual increase, since old destroyers can be retained in order to maintain the necessary destroyer strength of 200,000 tons.

Building of 35,000 additional tons of cruisers is considered to be worth the price of a five-power agreement.

Deaths of the Day

Mrs. Edith McDowell.

Mrs. Edith McDowell, wife of Samuel McDowell of Bradentown, Fla., died at the home of her sister, Mrs. J. Martin Graham, 323 Park avenue, about 11 o'clock this morning after an illness of about nine months. Sadness is added to her death in the fact that her mother, Mrs. Arvilla Ketlar, died at her home, 316 Reis street, Thursday.

Mrs. McDowell was a member of the Evangel Presbyterian church of Philadelphia.

She is survived by her husband, her father, Samuel W. Ketlar; two brothers, Houston Ketlar of this city and Earl Ketlar of Philadelphia; and five sisters, Mrs. J. Martin Graham, Mrs. Charles Fletcher of this city, Mrs. John McDowell of Philadelphia, Mrs. Mary Dugan of Baltimore, Md., and Mrs. Samuel Fletcher of Toledo, O.

A double funeral will be held for Mrs. McDowell and Mrs. Ketlar Saturday at 2:30 from the Ketlar home, 316 Reis street, with Rev. W. E. McClure officiating. Interment will be made in Graceland cemetery.

Funeral of George B. Wiley.

Funeral services for George B. Wiley of North Beaver township were held from the family residence Thursday at 1 p. m. with Rev. Ross M. Haverfield in charge. A host of friends and relatives attended to pay their last respects and many beautiful floral tributes added the sympathy of those who could not attend.

Pallbearers were Carl Hoffmaster, Cloy Welker, O. C. Welker, Roy W. Wiley, Clarence Ruthrauff and William Fox. Interment was made in Lake Park cemetery, Youngstown, O.

Funeral of James W. Bryson.

Funeral services were conducted by Rev. S. E. Irvine of the First U. P. church Thursday afternoon for James W. Bryson. Pallbearers were Charles Bryson, Jr., Marlin Bryson, Charles Cochran and Delbert Drake.

Interment was made in Oak Park cemetery.

George Mee.

George Mee, Martha street, aged 70, died at midnight Thursday in the hospital, following an illness of several years duration. He was born in County Clare, Ireland, 70 years ago and came to this country when a young man, having been a resident of New Castle the past 50 years.

He was a retired Pennsylvania railroad employe, a member of the P. R. R. veterans' association and of St. Mary's church.

His wife, Mary Mee, died in 1922 and he is survived by one son, Austin of this city.

Funeral services will be held Monday at 9 a. m. from St. Mary's church and interment will be made in the church cemetery.

Mrs. Eleanor Piper Locke.

Mrs. Eleanor Piper Locke, aged 95, widow of James H. Locke, died at the family home, 911 South avenue, Wilkinsburg, Pa., Thursday at 3:30 p. m. from the infirmities of age. She was born in Prospect, Butler county, February 2, 1835, the daughter of Samuel and Sarah Pillow Piper and was a resident of this district until 15 years ago.

Mrs. Locke was well known in Scott township, where she resided and was active in all church work and social activities of the community. She was a member of the South Avenue Methodist church of Wilkinsburg, Pa.

She is survived by two daughters, Annetta and Annie, at home, and a son, Rev. Alfred C. Locke, district superintendent of the Erie district, Erie, Pa.

Funeral services will be held at the family home in Wilkinsburg Saturday at 2 p. m. with Dr. John M. Versteg, pastor of the South Avenue M. E. church in charge. The body will then be brought to New Castle and funeral services will be held in the Harlansburg Baptist church upon the arrival of her son, Rev. A. C. Locke, from St. Petersburg, Fla.

Wants To Connect With City Sewer

Will Build $25,000 Building If Council Will Give McCombs Sanction

Thomas McCombs today made application to city council, during a formal meeting at City hall to be desired to connet a new building which he proposed to construct, with the city sewer system.

He informed council that the building he proposes would cost $25,000, and be located at Euclid and Wilmington avenue, immediate outside the city limits.

The building would be a good building with the lower floor front devoted to storerooms, rear devoted as a milk plant and the upper portion would be divided into apartments.

William Nunn said that he believed Mr. McCombs' request should be granted as the section is now good as a business district and no residences are being built there.

The section, in the city, adjacent to where McCombs desires to build and connect with the city sewere is in an "A" zone.

He had received approval, he said of neighboring property owners of his project.

Council instructed Mr. McCombs to comply with the zoning law relative to signers granted permission, present the same and it would receive consideration.

ROOF FIRE CALLS OUT DEPARTMENT

Firemen from Central and No. 2 station were called to the home of Frank Hyde of 605 Logan street at 10:14 this morning, by an alarm from box 213.

Sparks from the chimney had ignited the shingle roof on the house, causing damage of approximately $15.

Knitted sports costumes feature flaring skirts and cape themes.

OFFICERS ENTERTAINED IN DELIGHTFUL MANNER

One of the most delightful parties of the season was held at the Elks Thursday evening when Mrs. Byrdie Sturdy entertained at a 6 o'clock dinner in honor of her officers of the year of the New Castle Chapter No. 165 Order of the Eastern Star, Mrs. Capitola Biles, Mrs. Anne Melvin, and Mrs. Laura French. Dr. and Mrs. J. V. Flaherty, Mrs. Anna Wagner and Mrs. Elizabeth Wignal were the special guests of the occasion.

Dinner was served in the private dinning room, at a table beautifully decorated in pastle hues, with a specially designed tulip forming the centerpiece. Miniature tulips of the same artistic design in delicate pink were placed at each guests place, and tall silver rock-cut crystal candle sticks trimmed with sterling silver held in the same kind of holders tied with bows of tulle made a most attractive setting.

After dinner, Mrs. W. H. Martin, in behalf of the officers presented Mrs. Sturdy with a shower of beautiful handkerchiefs. Miss Anne Jenkins, a bride of recent date, received a beautiful bridge lamp. A period of bridge followed, which was highly enjoyed, with prizes for honors being awarded to Mrs. Margaret Gibson, Mrs. Anna Wagner and Mrs. Margery Brinton.

Epworth Class Meets.

Members of the Epworth Bible class were entertained for their March meeting in the home of Mrs. F. H. Cypher, 411 Boyles avenue, Thursday evening. Mrs. J. C. McMichaels presided at the business session after which an entertaining program was presented, with Mrs. A. G. Marshall presenting a number of readings and novel games were played.

A dainty lunch with clever appointments carried out in tones of green and white was served to 42 members by the hostess with Mrs. G. M. Lusk, Mrs. A. C. Lusk, Mrs. N. W. Calderwood, Mrs. L. D. Nelson and Mrs. C. M. Cypher as aides.

Mrs. R. A. Stitzinger, Croton avenue, will be hostess to the members April 10.

O. & P. Club.

The O. & P. club was entertained Tuesday evening at the home of Mrs. Edward Ward on East North street. The guests of the occasion numbered 26 and the diversions of the evening were cards and games of various kinds. At a seasonable hour dainty refreshments were served by the hostess, who was assisted by her daughters, Mrs. Vanus and Miss Lenora Ward.

INTERESTING TALK FOR L. A. B. CLUB

The L. A. B. club members were delightfully entertained Thursday in the home of Mrs. Howard McClimans on Meyer avenue for their usual meeting. During the transaction of the business of the club, plans were made for a 6 o'clock tureen dinner to be held at the home of Mrs. Percy Wallace on Richelieu avenue on Thursday, March 27. The committee in charge are Mrs. Carl Smith and Mrs. Bertha Smith.

The exchange of comic St. Patrick gifts was a feature of the club, with Mrs. Percy Wallace winning a prize. At a chosen hour a delicious lunch was served by the hostess, assisted by Mrs. Carl Smith. The table decorations were cleverly carried out in tones of green and white. This was followed by an interesting talk given by Carl Smith, a special guest, who has just returned from a six weeks journey to California. He told of many experiences and places he visited that proved quite entertaining to those present.

DINNER IS GIVEN FOR WORTHY MATRON

Miss Marjorie Rhodes, worthy matron of Shenango chapter 333, O. E. S., was honored last evening when the members of the drill team of the chapter gave a beautifully appointed dinner for her at Mrs. Burnside's. The tables were centered with pink rosebuds in green vases and green and white were carried out in the accessories. Covers were marked for 24 and a shower of dainty handkerchiefs was tendered the honor guest.

Mrs. Anna Rowland and Mrs. May Young were special guests of the team.

C. S. C. Club

Members of the C. S. C. club gave a St. Patrick's party in the Duca Deli Abbruzzi hall Wednesday evening. About seventy-five guests were present. Dancing was the pastime of the evening. Vocal selections were rendered by Francis DeSantis, Helen Ross and Andy DiLorenzo.

At a seasonable hour refreshments were served, green and white tones were carried out in serving as they were used effectively in decorating the hall. Refreshments were served by the hostesses with Mrs. Clyde Kennedy, Mrs. Ralph Lemer and Mrs. J. P. Prioletti as their aids. Those in charge of the affair were Miss Ida and Clara Prioletti, Marie and Rose Pavia, Mrs. Arthur Prioletti, Annetta Morgan, Lena Malls and Alice Massa'ro.

Out of town guests were Misses Emma and Mary Nerone, Miss Marie Massaro, Bill Zona, George Massaro of Youngstown, Misses Loretta and Lee Tatti of Detroit, Mich.

Section is Entertained.

Mrs. Ray Lindsey of East Washington street received the members of Section C. of the Y. L. B. class of the Third United Presbyterian church in her home Thursday evening for the regular monthly meeting.

The devotional period and business session were in charge of Mrs. George Kemp. Election of officers resulted in Mrs. Charles Douglass being chosen president, Mrs. Carl Peterson, secretary, and Mrs. J. C. Lutz, treasurer. Following the business session the women enjoyed a social hour and the hostess, assisted by Mrs. Howard Gross, served a delicious lunch.

The April meeting will be held at the home of Mrs. J. C. Lutz, Beckford street.

ROSENBLUM-MARKS WEDDING NUPTIALS

A pretty wedding was solemnized Thursday afternon at the home of Mrs. Abe Levine of Leasure avenue, when Hazel, daughter of Mr. and Mrs. Samuel Rosenblum of Butler, Pa., became the bride of Lawrence Marks, son of Mr. and Mrs. Jacob Marks of New York City, with Rabbi J. B. Menkes officiating.

The home was beautifully decorated with palms and ferns banked around the room, presenting a pleasing background.

The bride was attractive in a gown of ivory chiffon trimmed with duchess and rose point lace, carried an arm boquet of orchids.

The couple were attended by Mr. and Mrs. Abe Levine.

Following the ceremony, a tempting buffet lunch was served.

Mr. and Mrs. Marks left immediately for an extended motor trip.

East Side Social Club.

Mrs. George Black, North street, was a charming hostess to the members of the East Side Social club Thursday evening when they entertained their husbands. Music and 500 featured the evening hours, four tables being in play and high scores were held by Mr. and Mrs. L. O. Nicholson, Mrs. D. H. Warnock and Earl White, for which they were awarded lovely prizes. Mrs. Cecil Gordon was received as a new member.

A sumptuous repast was served by the hostess at the close of play and she was assisted in serving by Mrs. Carl Black and Mrs. Earl White. A color scheme of green and white was cleverly carried out in appointments and menu.

Mrs. C. S. Black, Sampson street, will be hostess to the club April 3 at a chicken dinner.

Open Door Class Entertained.

The Open Door class of the Third United Presbyterian church was entertained Wednesday evening at the home of Mr. and Mrs. Carl Nowalk, 1019 Beckford street.

During the business session officers were elected for the coming church year. Merrit Reynolds was chosen president; George Kuder, vice president, Mrs. Merrit Reynolds, secretary; Mrs. Edward Millison, assistant secretary, and Mrs. Carl Nowalk, treasurer. At the conclusion of the business session games and music were enjoyed and at a late hour a delicious repast was served by the hostess.

There were 12 members present and the out of town guests were Mr. and Mrs. W. H. Burdette and daughter Phyllis of Sharpsville, Pa.

Surprise Farewell.

About 20 friends and neighbors of Mrs. Herbert Tustin, Norwood avenue, gathered at her home Thursday evening as a surprise in order to say farewell to her in a fitting manner before she leaves for her new home in Chester, W. Va. Cards and music featured the evening hours.

At the conclusion of play the guests produced a most sumptuous lunch with green and white tones being carried out in the appointments. Mrs. T. I. Vogan and Mrs. Robert Shoaff had the lunch in charge.

The party presented Mrs. Tustin with a lovely gift as a remembrance.

O. U. Girls Elect Officers.

Members of the O. U. Girls of the Central Presbyterian church met in the church parlor Thursday evening for their monthly meeting and annual election of officers. Ada Carpenter was elected president for the coming church year; Helen Miller, vice president; Ina Tucker, secretary, and Margaret Tucker, treasurer. At the conclusion of the business session a social hour was enjoyed and the girls served a "box" lunch which each had prepared.

Ada Carpenter will be hostess to the society for the April meeting.

Bake Sale

Young Ladies of St. Margaret's church will hold a bake sale, March 15, in the store room adjoining Mahoning Market. Miss Anna Gallagger, chair lady. —1t*

SAWALLA CLUB ENJOYS LUNCHEON

Mrs. A. C. Auberger of Hillcrest avenue was a pleasing hostess to members of the Sawalla club Thursday when she entertained in her home at a tastefully appointed 1 o'clock luncheon. Green and white tones were used effectively in the decoration of the table, which was carried out in a clever manner throughout the menu. Mrs. Carl Holmes assisted in serving.

A period of bridge followed, with prizes for honors going to Mrs. George Campbell and Mrs. Albert J. Tindall. The regular guest prize was given to Mrs. Norman Cox.

The next gathering of the club will be with Mrs. Samuel Boughter on Norwood avenue Thursday evening, March 27.

Queen Esther Meeting

On Thursday evening, March 13th, the Wesley Queen Esther Girls were entertained by Miss Louise Birt at the home of her sister, Mrs. S. L. Davies, of Borough Line street. Devotionals were in charge of Agnes Schuler and Ruth McClafferty. A short business meeting followed. Guessing games and contests formed much merriment during the social hour.

At a seasonable hour delicious refreshments were served by Mrs. Davies and Mrs. Birt. St. Patrick's Day colors of green and white were beautifully carried out in all appointments.

Mrs. J. F. McLaughlin, 526 West North street, will receive the girls on April 10.

Stephenson Circle Meets.

Members of the Stephenson circle of the First Methodist church were received in the home of Mrs. J. C. Leohner, Highland avenue, Thursday afternoon for their regular monthly meeting with 48 members answering roll call.

Mrs. Ernest Griner pleasingly rendered two "spring" songs and Mrs. Lockley led the devotional period. Mrs. E. C. Boehm gave a splendid review of the chapter from the study book "In the Path of Glory" being the topic.

At the conclusion of the program Mrs. D. R. Bollard's group served dainty refreshments.

Iona Kensington Meets.

Members of the Iona Kensington met Thursday at the home of Mrs. V. Arthur Smith, Fairmont avenue, and bingo formed the amusement of the hours with prizes being awarded to Mrs. L. H. Gormley and Mrs. Cora Dufford.

At the close of play the hostess served a most tempting lunch at a table beautifully centered with a bowl of green foliage, while small shamrocks marked each place. A color scheme of green and white was cleverly carried out in the menu.

Mrs Cora Duffner of Highland avenue will entertain the club March 26.

A. N. O. Club

Mrs. J. J. Smith of Huron avenue received members of the A. N. O. club in her home Thursday with 10 present. Bingo formed the chief diversion, prizes were awarded to Mrs. Bessie Evans, Mrs. John Hallowhich and Mrs. Paul Sidler. At a chosen time, tempting refreshments were served by the hostess having as her aides, Mrs. Jess Dufford and Mrs. W. L. Campbell.

The next meeting will be on Mar. 27 at the home of Mrs. Charles Morgan on East Washington street.

E. W. S. Club

Mrs. C. J. Rafferty of North Cedar street entertained the members of the E. W. S. club in her home Thursday evening. Mrs. John Popham was a special guest. The hours were spent in cards. Prizes were won by Mrs. Frank Nugent, Mrs. Fred Beard, Mrs. John Popham. At a seasonable hour delicious refreshments were served by the hostess assisted by Mrs. Popham.

In two weeks the club will meet with Mrs. Mary Devera" of North Jefferson street.

Semper Fidelis

Members of the Semper Fidelis club gathered Thursday afternoon in the P. and O. room for a business meeting. At this time plans were completed for the dinner to be held March 16, also, the sewing for the Jameson Memorial hospital. A period of discussion on current topics followed. Another special business meeting will be held on Wednesday, March 26, with Miss Mary Maciariello.

The regular meeting of the club will be held in the P. and O. lodge on April 9.

Joint Hostesses.

Mrs. Thomas T. McCombs of Wilmington avenue and Mrs. Jack Slaver of Moody avenue were joint hostesses Thursday afternoon at the Elks club which is one of the series of luncheons to be given by the First Methodist church. Covers marked for eight guests at an attractively appointed table in tones of pink and white with tall pink tapers in crystal holders presenting a pretty scene for the occasion.

TUESDAY KENSINGTON ENJOYS GATHERING

Members of the Tuesday Kensington were delightfully entertained in the new home of Mrs. Paul D. Weller on Clenmore boulevard Thursday for their regular meeting, having several guests for the event. Lunch was served at daintily appointed tables, in delicate shades of summer, by the hostess, assisted by Mrs. W. H. Williams, Mrs. Harry Remley and Mrs. William Stewart.

In two weeks, the ladies will be received at the home of Mrs. J. Q. Roberts on Park avenue.

HIGHLAND BOOK CLUB MEMBERS HAVE MEETING

Mrs. E. A. Fenton, of Clenmore boulevard, was a charming hostess to the members of the Highland Book club when she entertained in her home Thursday, at a 1 o'clock luncheon. Places were laid for 12 guests at a beautifully decorated table in delicate shades with a bouquet of cut flowers forming the centerpiece.

Bridge was later enjoyed, also radio music and social chat. In two weeks Miss Carrie Bleakley will be hostess at Mrs. S. Seh's.

Swastika Club.

Mrs. C. F. Fike of Cleveland avenue entertainad the Swastika club Thursday evening in her home, having Mrs. Everett Arrow as a special guest. Cards formed the chief diversion, with prizes going to Mrs. James Shaffer and Mrs. James Blaine for honors. Dainty refreshments were served at a suitable time by the hostess, assisted by Mrs. Carl Gilmore. St. Patrick decorations were used effectively in the decorations of the table.

In two weeks Mrs. Carl Gilmore of Cleveland avenue will be hostess to the club members.

Bestyette Bridge Club.

The Bestyette Bridge club members enjoyed their usual gathering Thursday when they met at the home of Mrs. Samuel Frank, on Neshannock boulevard. Prizes for card honors were won by Miss Dorothy Boyles and Mrs. Clara McClymonds. At a late hour, refreshments were served by the hostees assisted by her mother, Mrs. J. A. McFall and sister, Eleanore McFall, who were special guests of the occasion.

In two weeks, Mrs. Clara McClymonds will entertain at her home on East Wallace avenue.

Five W Club.

Members of the Five W club were entertained in a delightful manner at the home of Mrs. Floyd Lusk on Neshannack boulevard Thursday for their regular meeting. Mrs. E. Brady was a special guest of the club.

The evening hours were spent socially in chat and radio music, later being followed by tempting refreshments served by the hostess at a prettily appointed table with pink and white tones predominating, covers marking for six guests. Plans were completed for a theatre party to be held in two weeks.

Entertains Faculty

Mr. and Mrs. Charles G. Lindner were pleasing hosts to the faculty of the Shenango High school when they entertained in their home on Euclid avenue Thursday evening.

Music and various games were later enjoyed.

At a selected hour, Mrs. Lindner served a delicious lunch assisted by Miss K. Alcorn and Miss Brenner. The table was attractive in a color scheme of green and white, with place cards marking each guest's place.

Sisterhood Dance.

One of the delightful social events of the season was a dance given by the Temple Israel Sisterhood in the assembly room of Temple Israel Wednesday evening. A fine crowd attended and an enjoyable evening was spent in dancing with excellent music.

Ladies team No. 1 was in charge. At a late hour a buffet lunch was served by the ladies. Out of town guests were present from Beaver Falls, Sharon, Butler and Youngstown.

Y. O. A. Club

The Y. O. A. Club will meet with Mrs. G. Wilfred Thomas of Maryland avenue Monday evening instead of Wednesday evening of next week.

B. Y. C. Club

The B. Y. C. club that was to have met with Mrs. Trevor Griffith on Dewey avenue, has been postponed indefinitely.

Quen Sewing Circle.

The Queen Sewing Circle was entertained at the home of Mrs. C. J. Kenehan on Federal street, Thursday afternoon with nine present. Mrs. Johnston of Beaver Falls, was a special guest. A brief business meeting was held, later being followed by a general social time.

At a seasonable hour dainty refreshments were served by the hostess, assisted by her daughter, Mrs. William Benninghof and her granddaughter, Miss Margaret Kenehan.

In two weeks, the Circle will be received in the home of Mrs. James Richards, on Chestnut street.

O. E. A. Club

Members of the O. E. A. club met at the home of Mrs. Harry Davies on DuShane street Wednesday for their regular meeting, with all members present. Three tables of 500 were in play, prizes being awarded to Mrs. Clarence Clinginsmith and Mrs. Earl Chassee. At a seasonable hour, the hostess served a dainty lunch assisted by Mrs. Clinginsmith.

In two weeks, Mrs. Ernest Treehorn of Norwood avenue will entertain.

MISPLACING THE BLAME

WHEN Senator Wagner, of New York, attacked President Hoover for the government's failure to have at hand statistics on seasonal unemployment, he was shooting at the wrong bird. Congress is his prey.

Recent governmental history vindicates the executive branch while placing full responsibility upon the legislature. In 1921 Herbert Hoover, as chairman of the national conference on unemployment, named a committee to draft recommendations to investigate "business cycles" and their cause and control.

Chief among the recommendations of that committee was a proposal that congress pass the necessary legislation for the compilation of data on unemployment.

Nine years have passed and what has congress done? Nothing. In fact the executive branch of the government is the only one that has done anything about the present siege of unemployment.

As usual, congress has adopted the philosophy of the man whose roof leaks. When it rains he cannot fix it and when it shines there is no need to fix it.

Shortly after that 1921 report was made business began to recover and congress blindly assumed that prosperity had become perpetual. The present slump found congress asleep with the job untouched.

THE PRESIDENT TO THE BOYS OF AMERICA

In his address at the dinner given by the Boy Scouts of America to inaugurate a five-year expansion program, President Hoover developed part of his philosophy of life. He asserted that the scout ideals furnished the solution of what we are wont to call "the boy problem," and that they were a powerful agency in guilding the first steps of democracy. His tribute to the organization, which is now twenty years old, was well merited. All will agree with him that it has opened the portals of adventure for the boy, has taught him the joys of nature, the value of discipline and of unity of effort and the democracy of play. Mr. Hoover well says: "The priceless treasure of boyhood is his endless enthusiasm, his store of high idealism and his fragrant hopes. His is the plastic period when indelible impressions must be made if we are to continue a successful democracy."

The importance of this and similar organizations lies in the fact that the boys of today are to be the men of tomorrow. If they begin right, they are apt to end well. The president feels that, if the principles which dominate the Boy Scouts would animate all, we should have a better class of citizens and consequently better government. In the course of his remarks he said: "The idea that the Republic was created for the benefit of the individual is a mockery that must be eradicated at the first dawn of understanding." This bare statement is likely to cause some controversy. The republic and the people are synonymous terms; and in any successful form of government, particularly in a democracy, there must be concessions; but it can hardly be urged that it is necessary for the individual to give up all his rights. Everybody, of course, must give up something for the general good. The old slogan puts this expressively, "One for all and all for one."

President Hoover performs a public service in his encouragement of the Boy Scouts. They now have a membership of one million, and the distinguished speaker was correct when he said we had the raw material for ten million more.

BETTER BUSINESS ETHICS

It is a wholesome sign of the times that business and professional men are much concerned over the ethics of their own particular occupations. Many trade associations, service clubs and other commercial bodies have committees on business standards and printed codes of ethics to guide their members. Colleges and universities offer lecture courses on the subject, books are being written on it and there are organizations dedicated to the improvement of the standards of business conduct.

However, the public is not overly impressed by mere organization or printed codes, standards and platforms. It judges the ethics of a business by the ethics of the individual members of that business. It does not buy goods from trade associations, but from individual concerns. What really matters is not the publicly announced and purposely high-sounding and sonorous code of an impersonal association, but the actual everyday conduct of the individual business man, firm and corporation.

But there is not a consumer who has not convinced himself by actual experience that merchants, especially, are doing more than talking about service. Modern business has learned that "honesty is the best policy" and that "he profits most who serves best." And it matters little to the consumer whether business is rendering better service for purely selfish reasons or because it has become morally conscious.

Profits are a worthy, honorable goal, but if they are the only aim of business, then the commercial system is doomed. And it follows naturally that, since the commercial system shows no evidence of decay, profits are not the one and only goal of modern business.

Still, the word "sweetie" sounds about as good as "suitor."

No, psittacosis isn't the same disease as Chicago politicosis.

Progress is a great thing, but it certainly messes up the streets.

The ideal man, it seems, is always married to some other woman.

Don't exercise on a full stomach. If you must exercise, do it standing.

The height of some men's ambition is to come to work in a pair of golf pants.

It is possible to love a slow thinker unless he is ahead of you in a cafeteria.

Merely to howl for equality is to confess an inferiority that isn't entitled to it.

Every wise husband apologizes frequently to his wife, but he seldom knows what for.

A large part of Russia is better off than it was under the Czar. It's the part that is dead.

Some people indulge their appetites in the things they enjoy, and some keep good health.

61 YEARS IS ENOUGH

CLEVELAND, O., March 14.—Fire Chief George A. Wallace, 81, is planning to retire May 31, which will mark his sixty-first anniversary as a fire fighter here.

The varied length of sleeves this season makes gloves of more importance than for some time.

What passes for courage is sometimes only successful effrontery.

Today

All About Wheat.
Something About Goats.
Rye And Corn.
And Uncle Sam's Experiment.

By ARTHUR G. BRISBANE
(Copyright, 1930, King Features Syn., Inc.)

CHICAGO, Ill., March 13.

The government worries about prohibition, about what England, France and Japan will do in the way of permitting us to build ships and about some other things. It ought to worry about WHEAT.

It is no longer a question of pleasing the farmer or holding farm votes for the Republicans. It is a question affecting the business of the United States, interests of all the business men, the welfare of all the workers.

Facts and figures follow from reliable sources. Government and business men are invited to consider them and predict the final result of the government's attempt to corner wheat, buying it for more than the world's market price and storing it.

This country, last week, exported 880,000 bushels of wheat. Canada last week exported 4,700,000 bushels.

Canadians have turned their wheat into cash. Our government takes the farmer's wheat and turns it into the grain elevators to be stored, to increase the unsold "carry over".

The government fears that a serious slump in wheat prices might have a bad effect on general business.

More important is the possibility that artificially holding up wheat prices may in the end produce disaster.

If government continues to buy at prices that make wheat exportation impossible, July first, with the crop of winter wheat ready for storage, will find no empty elevators to hold it.

The grain elevators in the United States are practically full now.

Nobody will buy wheat from the farmers in July when he has no place to store the wheat, and those that are really pessimistic say that when July comes it won't be a question of price, but a question of wheat being UNSALABLE.

May wheat sold in Chicago Wednesday at a price a fractionally higher than Liverpool's price which controls the world's wheat markets.

Between Chicago and Liverpool there is a transportation charge of from 15 to 18 cents a bushel.

The government holding back American wheat is turning over the wheat markets of the world to the Argentine, Russia and Canada.

Unless government can get rid of the wheat it is storing, and others are storing, what will be done with the July crop, where will it be stored, how will it be sold?

Some men that understand grain, invited to join the grain board, declined. They knew what would happen.

In Minneapolis the government buys wheat from farm cooperatives for $1.25 a bushel, against a normal price of $1.01 a bushel. In Kansas City the government is paying $1.15 a bushel, normal price $1.

United States elevators now hold 155,000,000 bushels of wheat, biggest storage in history.

Everybody knows that the government and the grain board have a sincere desire to help the farmer and protect business generally.

But serious mistakes have been made with the generous desire to help.

A few months before the government began to buy wheat at artificial prices, May wheat was selling at $1.60 a bushel. The price is now $1.10, F. O. B. Chicago.

Corn has suffered ten cents a bushel for lack of elevator storage.

Some men, looking ahead, are building new elevators as fast as they can, certain that the government will be compelled to rent or buy them to take care of the July crop.

One Chicagoan said today:

"I am getting rid of my wheat, emptying my elevators to rent them to the government. I have 800,000 bushels of government wheat stored in one of my elevators and I know it is going to stay there indefinitely. The government pays me 15 cents a bushel for storage per year, $120,000 a year rent for my elevator. That suits me."

The banker who suddenly found himself in the silk business when he refused to extend credit, will sympathize with Uncle Sam who finds himself suddenly in all kinds of business.

Millions have been advanced on cooperative creameries, on beans, on fruits.

According to a circular of the National City bank of New York, the government has advanced eight million dollars on goats. It is supposed that the wool when shorn will pay the debt.

This writer, having tried raising angora goats, can testify that that isn't a certainty.

Grain men believe that the only hope of avoiding disaster, when the July wheat comes on top of the present storage, lies in the possibility of a serious world crop shortage.

Winter acreage this year shows two per cent increase. With government advertising its intention to buy above the market, sowing of spring seed probably will show a great increase.

Barring government miracles, it looks as though nothing but a bad crop failure could prevent disaster about July 1.

The amount actually bought by the government, about 40,000,000 bushels thus far, can make no great difference. If government sold it for 10 cents a bushel to get rid of it, Uncle Sam's loss would be "small change".

The possible effect on farmers, on general price of wheat and on business, is the serious question.

The attempt of the government, and the earnest desire of President Hoover to help the farmers, are in every way praiseworthy.

Government finds no difficulty

Hints and Dints

Sun sets tonight 6:07. Sun rises tomorrow 6:11.

The size of the floating population depends on whether you mean the outboard motor addicts or those floating checks.

"The tide must be harnessed for work," says Brisbane. But that's just what sends them to Reno to get untied.

Some women love children, and others dread having anything sticky smeared on their clothes.

Russia thinks she can abolish all gods, but how is she going to work crossword puzzles without "Ra."

Considering how often one bumps you from behind, it's strange no car is named Nemesis. Nemesis got you in the end.

Recently published statistics show that autos outnumber bathtubs 3 to 1. This interesting fact has caused one reader to burst into verse. Here's his offering:

Bathtubs abound,
In Amerikee,
But compared with cars
They're one to three.

The reason why
Is plain to a dub:
Where can you go
In a porcelain tub?

Fundamentals change little. Primitives didn't try to swat golf balls, but they had fleas.

Using sound waves to start machinery isn't a new idea. The sound of a horn has been used for years to start leg machinery.

HORSE-SCOPE
"If the stars incite, stay in at night."

The stars predict that during the summer months many passwords will slip by the memories of our citizens. During this sway there will be much shuffling and stalling at certain doorways, which will result in temporary delays prior to "blowing the tops off the tall ones."

Neptune is in a position which indicates that an unusual amount of hooey will be passed about by sonorous sounding gents who specialize in pleasing platitudes. Business conditions are expected to be greatly improved as a result of this professional palaver.

Children born on this day will never be full of pep when they wake up in the morning.

Andrew Angleworm was born on this day and will be remembered as the man who permitted his wife to buy all of his clothes.

Men will approve the suggestion that women put their feet on the desk. The new women has been putting her foot down long enough.

Enforcing the law is much like singing the notes of the national anthem. The whole thing is a flop if you can't reach the high ones.

"I was with a girl last night."
"What's she like?"
"Everything. Beefsteak, potatoes, lobster salad, ice cream: everything."

How bitter your heart, as you read modern books to reflect that you once got licked for reading dime novels.

New stories exaggerate, and doubtless there are many Chicagoans who have never been shot at.

It takes grit to get any place in this world. A few years ago spinach was almost unknown.

AMERICANISM—Thinking ourselves efficient because we make needless haste to keep pace with the man who lopes as foolishly to keep pace with us.

Statues of Justice show her holding an evenly balanced pair of scales, and the thought is further emphasized by the nicely parted whiskers of Mr. Hughes.

HARD UP!

"Need any more talent for your motion picture dramas?"

"We might use you. Had any experience at acting without audiences?"

"Say, what do you think brought me here?"

Why not divide each city block into four sections, thus providing extra streets for traffic and twelve more corners for filling stations?

When they stop speeding by limiting the speed of motors, perhaps they can stop crime by doing away with money.

Mrs. Gadder—"Well, my dear, did you enjoy your shopping trip today?"

Mrs. Shopley—"No, I didn't. I found exactly what I wanted in the very first store."

A magazine writer foolishly describes matrimony as a school. There's no school in which the ones who try least are first to graduate.

The Goverment is doing a complete job. First it loaned money to relieve the farmers, and now it is relieving them of their farms.

"Do you know a reliable fortune teller?"

'Well, Dun and Bradstreet are rather good."

Remote control may be new to engineers, but wives away on a visit practiced the art ages ago.

Mrs. Hightone: "So you enjoyed the museum, Mrs. Briggs?"

Cleaning Woman: "Yes, ma'am and I learnt something real useful in the Egyptian section."

'Well, now, that's fine."

"Yes ma'am. There was an attendant polishin' the floor, and I picked up quite a useful wrinkle from him."

The World AND THE Mud Puddles

MORE SUCH CROPS NEEDED

There came a man in days of old,
To hire a piece of land for gold,
And urged his suit in accents meek,
"One crop alone is all I seek;
The harvest o'er, my claim I yield,
And to its lord resign the field."

The owner some misgivings felt,
And coldly with the stranger dealt;
And found his last objection fail,
And honeyed eloquence prevail;
So took the proffered price in hand,
And, for "one crop", leased out the land.

The wily tenant sneered with pride,
And sowed the spot with acorns wide;
At first like tiny shoots they grew,
Then broad and wide their branches threw;
But long before those oaks sublime,
Aspiring reached their forest prime,
The cheated landlord moldering lay,
Forgotten, with his kindred clay.
—L. H. Sigourney.

Speaking of rules of etiquet, there is the fixed, unchanging cordiality that goes with somebody giving you money.—The Fort Worth Record-Telegram.

Just Folks

By EDGAR A. GUEST

AT A FLORIDA DRESSING STATION

When you are dallying with the rich
Down in a tropic clime,
You dress for breakfast, after which
There comes your golfing time.
So at the club with other men
You must undress and dress again.

At noon you trip to take your shower
Your flannels then you don,
But you undress within the hour
And a bathing suit put on,
And when your ocean dip is o'er
You must undress and dress once more.

The garb you wear at eight o'clock
You must not wear at three
'Twould give the millionaires a shock
That same old suit to see.
So up you go and change your duds,
Your shoes and socks and shirt and studs.

Floridians say there's much to see;
That trees are all in bloom,
But you've no time for scenery
You're in your dressing room
Unbuttoning and buttoning up
From breakfast till the hour you sup.

But when the restful night slips down
You speak a grateful prayer
And don the good old slumber gown—
The garb you longest to wear.
And as you jump in bed, you say:
"Here ends the dressing for the day!"
(Copyright, 1930, Edgar A. Guest)

Sentence Sermons

By Rev. Roy D. Smith, D. D.

MOTHER NATURE—

May be generous but she is never indulgent.
Owes no child anything more than an opportunity.
Never seems to draw the color line.
Has a warm heart for the industrious but a hard hand for the slothful.
Is never deceived by any artificial social distinctions.
Is kindest to those from whom she exacts most for they grow fastest.
Can never be fooled by any pretty pretensions.

Abe Martin

Women are great thing. They hug an' kiss when they meet an' knock after they separate.

"Please sir, may I have a raise? I'm goin' to git married," said Tell Binkley's stenographer this morning'.

Daily Editorial Digest

Symposium of Editorial Views By Newspapers of Nation on Important Subjects as Edited by Consolidated Press Association

"Red Thursday" In America Called Pink, Pale And Futile

Americans Find That Theories Backed By Russians Had No Appeal To Workers In This Country When Demonstrations Were Held

Communist demonstrations in the United States, on "Red Thursday," are declared by the press to have revealed the complete failure of the Russian cult to make headway in the United States. Notwithstanding domestic questions of employment, the alien influence was ignored by Americans generally.

"They must have suffered a grievous disappointment," avers the NEW ORLEANS TIMES-PICAYUNE, while the OKLAHOMA CITY TIMES holds that "their wildest efforts could avail little." The LYNCHBURG NEWS calls the event a "pink-tea affair," the BANGOR COMMERCIAL views it as "not so very red," and the CHAMPAIGN NEWS-GAZETTE sees the groups as "pale pink." The SIOUX FALLS ARGUS-LEADER calls them "overrated."

"Communism has no place in America and Communists should have none," declares the LOS ANGELES EVENING EXPRESS, which characterizes the doctrine as a "foreign excrescence, brought here by persons who are out of sympathy with American ideals and traditions and institutions. Both the doctrine and its devotees should be sent back to whence they came," this paper advises. To the ELMIRA STAR-GAZETTE the propaganda of the Communists is "a bad form of mischief making that should be set down by force if necessary."

The ATLANTA JOURNAL says regarding the weak showing made by the Communists on March 6, "Evidently, the theories which have reduced Russia to so wretched a state are not congenial to American minds." As to the condition of the people of Russia under the Soviet, the LONG BEACH PRESS-TELEGRAM states: "Conditions in Russia today are many times worse than in America. Aside from the shortage of food and shelter, the restruction of the ideals of home life, the crushing of religion, and the exercise of other policies obnoxious to American standards, Russia is in constant fear of enemies, both from within and without. Class is arranged against class.***A system of government that can sustain itself at home only by wholesale espionage on its own people, by threats backed by terrorism, and by maintaining the largest standing army on the face of the earth is not a system that carries any appeal in the United States," concludes this journal.

But with the unemployed, driven to seek relief from an intolerable condition, the press has keen sympathy and voices anxious interest. On this matter the YOUNGSTOWN DAILY VINDICATOR is outspoken: "It is detrimental to the cause of the unemployed that their spokesmen should be Communists, for the Communists admit they are acting under orders from Moscow in stirring up demonstrations in this country and Americans are not likely to stand for anything of that sort. But, "this paper containues, "the problem of unemployment troubles everybody, and it would be a mistake to let anyone get the ieda that we are heartless in dealing with it."

The ANN ARBOR DAILY NEWS says: "Unemployment is not a joke for anybody who suffers from it. Whenever and wherever it occurs practical remedies should be found without delay." In the opinion of the SAVANNAH MORNING NEWS, "Hungry men do not reason very carefully; philosophy does not thrive on an empty stomach. So, with the agitators should be restrained from causing trouble, it is well to deal gently American citizens who have the misfortune to be unemployed," advises this peper.

"The Communist, in a country like the United States, where the average honest workman enjoys luxuries unknown to the kings of a few generations ago, knows that he cannot get anywhere unless he seizes upon unemployment periods, states the MADISON WISCONSIN STATE JOURNAL, "and so the communist takes the irititative, and inspires the unemployment demonstration, and some of the unemployed find this a means to express their grievances."

The thought of the CHICAGO DAILY NEWS is that "indications that idle men would prefer to work if they had work to do are in themselves encouraging from the point of view of a sympathetic public. Such men should not be left to follow wrong-headed or malevolent leadership. Their need should not be ignored," contends the News.

"The sorriest spectacle to be witnessed is the cunning with which the advocate of those erroneous theories attach themselves to those who would not listen to their tirades if idleness did not supply the opportunity for the un-American subjects," declares the FORT WORTH RECORD-TELEGRAM.

Although the Communist pretends to be the friend of the working man many editors point out that the labor unions in America are his most relentless foes. And yet, Russian money is being expended in America for the double purpose of creating sentiment in favor of world revolution and to bring legitimate labor organizations into disfavor," as the HARRISBURG TELEGRAPH notes, saying further: "They would like to have it appear that trades unions are back of the riots Soviet employees stir up, so that public opinion would be turned against them and their destruction made possible, for the labor organization, as we know, is bitterly opposed to Communism. It regards the Russian scheme rightly as a deadly enemy." As the NEW YORK TIMES says: "The fact that organized labor discerns in communism the foe of the trade union will explain why labor displays less patience with communism than is exhibited by 'bourgeois' liberals and radicals."

As to the Communist menace in this country, the LOUISVILLE COURIER-JOURNAL rates "the Red menace as no more alarming today than when 'General' Coxey marched his army on Washington." The ASBURY PARK EVENING PRESS says: "Whatever value is attached to Communistic principles has always been vague, and the party's failure to formulate a feasible program has not aided its attempt to solicit support. Now, after ten years of campaigning, Communist demonstrations and propaganda have declined from a menace to a petty annoyance," this paper asserts.

Indeed "it has ben established repeatedly that this country is a poor field for these mischief-makers," contends the MANCHESTER UNION.

"Our Communists are noisy but not powerful," as the FORT WAYNE NEWS-SENTINEL puts it.

"Their power is almost solely of the lung," agrees the DAYTON DAILY NEWS, while it estimates that "there is about one communist to every 150 square miles of the United States, so not even with all their lung power can the communists enclamor the whole country." However, notes of warning are sounded in some quarters. The DANBURY NEWS, while agreeing that "the widest freedom of speech permissible under the law has always been enjoyed here, and should be enjoyed," still declares: "But there must be no confusion of license with liberty."

The Way OF THE World

By GROVE PATTERSON

DOUBT

Let's not be sorry we have doubts. Intelligent human beings are not expected to believe everything that is told them. Knowledge has come through doubt. There have been preachers who condemned religious doubt, but they were not thoughtful. Doubt should stimulate us to think and thinking should lead us to change our policy for the better.

* * *

NOT RATIONAL

We are curious creatures, behaving in many ways as though we were not grown up. Hearing the roar of an airplane engine we look up, though there is no danger that the airplane will run over us and knock us down. Hearing automobiles all about us, we rarely look both ways, and we are run over.

No use looking up at an airplane but every reason to look both ways on the street.

* * *

THE REASON

Living in the world would be a simple matter if there was a simple reason for everything. But there are so many reasons for the queer things we do. One reason may begin away back in childhood and another may have developed in the last hour. All our lives we are making decisions. Character and behavior are made on the basis of these decisions. An act today will have its inevitable effect later. People say: "Why did he do it?" There are a thousand reasons, impossible to untangle.

* * *

BELIEVING IN EACH OTHER

Dr. Daniel Poling, president of the World Christian Endeavor society, says faith and the willingness to make sacrifices for the common good are the two pillars on which the peace of the world can be built. Too bad so much which is called faith is made up of pleasant words. There never was a conference among the nations for decreasing armament or navies which did not begin with beautiful expressions of faith and belief and generosity. And yet one wonders just how much real faith there is.

* * *

"DORMORANT"

Don't be a dormorant. What's a dormorant? It's a person who acts as a moron does, because he has never been mentally awakened. They may be a mind but the possessor has been too lazy to use it, to call it to work.

The moron is defective. He can't help being a moron. We can make dormorants of ourselves, by mental laziness.

Bible Thought For Today

The All-powerful One—What manner of man is this: for he commandeth even the winds and water, and they obey him.—Luke 8:25.

Prayer:

"Christ without, our safety
Christ within, our joy;
Who, if we be faithful,
Can our hope destroy."

Those Chicago racketeers who are trying blackmail upon famous stage personanges may be of the opinion that some actors ought to be made to pay for the privilege—and possibly they're right, at that.—The Shreveport Journal.

A free country, apparently, is one in which anybody may climb today and scorn those who were his own kind yesterday.

Fire Season In Forests Nears

March Winds, With Absence Of Snow, Dry Up Ground Fast

HARRISBURG, March 14.—Drying March winds and the general absence of a blanket of snow throughout Pennsylvania are a reminder that the spring forest fire season is just around the corner and may open up earlier than usual this year, according to a statement by Charles E. Dorwoth, Secretary of the Pennsylvania Department of Forests and Waters.

The forest fire season in Pennsylvania ordinarily gets under way in March, although most of the spring fires are encountered in April. "Regardless of how early or late the serious period of fire hazard may be," said Secretary Dorworth, "it is the function of this department to be prepared to meet it, and aside from plans to intensify and improve the fire fighting organization and equipment in every possible way, the cooperation of the general public is not to be overlooked.

"With the complete co-operation of the public, the elimination of forest fires in Pennsylvania can be greatly simplified. Without this cooperation, or to the degree that it is absent, difficulty and discouragement will always be present. Furthermore, it is the people after all who can do more than any other agency to reduce the cost or practically eliminate it.

"The benefits of reducing forest fires go much further than the saving of funds to the Commonwealth, just as forest protection does much more than guarantee an adequate supply of wood for our people. Productive forests and more home grown timber mean millions of dollars to our wood-using industries, more employment for our people and vastly increased benefits to the general welfare.

"The forest problem in Pennsylvania is in many ways a problem of our land usage. Besides hundreds of acres of former farm land abandoned during the past decade and being reclaimed by trees, there are immense areas of once devastated mountain lands on which the forests are being restored by reduction of fires and extension of planting.

"Our forests are the home, the protection, and the feeding grounds of a wonderful variety of wild life, and well protected forests mean better hunting and better fishing. The inestimable value of our forested areas for health and recreation must be safeguarded by vigilant control of fires. State-wide forest protection means that our water supplies will be safeguarded and that the beauty spots and outdoor play places in Penn's Woods will be protected for all our citizens, as well as for the Nation's tourists who are visiting Pennsylvania in increasing numbers."

County Home Now Meets Rules For Care Of Inmates

HARRISBURG, March 14.—Taking its place as one of the finest county homes in every respect in the State, the Mifflin county home, condemned for more than fifty years, closed finally and permanently in 1926 by the State Department of Welfare, is now operating with a population of forty inmates after an extensive renovation and rebuilding program, according to a report of the bureau of assistance to Mrs. E. S. H. McCauley, State Secretary of Welfare.

The Mifflin county home is cited in the Department of Welfare's report as an indication of what can be done at moderate cost to bring a totally inadequate and useless plant to take its place among the best institutions of its kind.

The cost of the building program amounted to $78,000 which the county bore. The building has a capacity of 85 inmates. Every modern facility has been provided with attention to clean comfortable beds, adequate bathing and toilet facilities, completely equipped, well ventilated kitchens with a special diet kitchen, and electric refrigeration.

JACKSVILLE

Cyrus Alben and Edwin Humphrey were Harlansburg callers Thursday evening.

Bert Wilson spent the week end with his family near Franklin.

Mrs. J. C. Dean and Mrs. Clarence Hogue and daughter Marjorie were calling on Slippery Rock friends Monday evening.

Saturday evening about twenty five of the Jacksville young people motored to David Studebaker's near Fredonia and enjoyed an oyster supper and basketball game.

Roland Kelly is reported on the sick list.

Several from our community attended the "Junior Play" at Slippery Rock recently.

Don Banks of Canton, Ohio, was a business caller in town Tuesday.

Russell Wilson who works in Butler was calling on friends Monday.

Mrs. R. P. McGowan who has been on the sick list for the past three weeks is somewhat improved.

Kenneth Wimer of near Slippery Rock spent the week end with his grandparents Mr. and Mrs. Frank Wimer.

Mrs. Kaufman who spent the winter with her daughter Mrs. Sam Cornelius has moved to her home near Rocky Hill.

F. J. McCleary has been working at Mt. Jackson the past several days.

Floyd Book and family of near Zelienople has moved to the home of his father William Book.

Mrs. William Humphrey who has been ailing for some time does not improve as fast as her friends would like.

Mr. and Mrs. Dan McDeavitt of Pittsburgh were visitors at the latter's mother, Mrs. Roy McGowan's on Sabbath.

Mr. and Mrs. F. W. Wimer and Mr. and Mrs. John Wimer were New Castle shoppers Saturday.

Mr. and Mrs. James Miller and family of Harlansburg were calling on relatives Monday.

Mrs. J. C. Dean and Mrs. Clarence Hogue and daughter, Marjorie, spent Saturday with Mrs. W. Willis Alben.

Mrs. William Elliott will be hostess to the Ladies Missionary Society at her home on Friday evening, March 14.

The ladies of Jacksville W. C. T. U. held their March meeting with Mrs. Margaret Elliott near Moore's Corners. Thelma Humphrey acting as leader for the afternoon in the absence of the regular leader. Bible lesson was followed by prayer by Mary Maxwell of Slippery Rock and Rev. McClung of Plaingrove. Several were absent who were on the program. Mrs. J. C. Dean gave a reading. Rev. McClurg gave an interesting talk on "Evangelism." Roll call was another feature of the afternoon which proved quite interesting. Mrs. Miriam Grossman had charge of the business session followed by lunch served by hostess and aides. The April meeting to be at the home of Mrs. Sarah Stickle.

Present Program At Lincoln School

Interesting Program Presented At South Side Institution This Morning

An interesting program was presented to the students of the Lincoln with Miss Mildred Updegraff and Miss Richards in charge of the program. The program consisted of a play, "The Village Shoemaker," the school faculty quartette sang, and poems. Miss Sankey was in charge of the music end.

The play was about a wizzard shoemaker who comes to a little town and succeeds in taking away the trade of the home town shoemaker. By means of magic the new village shoe meddler captures several of the children of the village. A search was conducted throughout for the lost children. In the meantime while one of the village men is hunting for the children the Fairy Mother shows how the magic power of the wizzard can be destroyed and the children rescued. They lived happily ever after is the ending of the play. The play pleased the students greatly and was a fine piece of work on the part of the elementary graders.

The program presented follows:

Devotions—School .. ..
Flag Salute—School
Quartette—Prof. James H. Hughes, Miss Helen Kyle, Peter Grittie Jr., and Miss Lillian Sarver
Play—"The Village Shoemaker"

The characters follows:

Ralph ..... Anthony Colella
Minna ..... Sophie Alliski
Harry ..... Victor Cobas
Peddle Shoemaker .. Harry Downing
Miller ..... Cletus Jones
Miller's Wife ..... Mary Bashara
Lisbeth ..... Kathryn Boys
Freda ..... Rose Nader
Handa ..... Anna Turko
Anna ..... Freda Weatherby
Poem "A Boy's Song"—Edward Fortney
Poem, "The Wind"—Mary Jeannette
Poem "The Day is Done"—Charlotte Whitenen
Poem "The Owl and the Pussy Cat"—Jean Tinsley

Tent Hall News

Mr. and Mrs. A. M. Cunningham were callers at Roy McBride's Sunday afternoon

Check dandruff!

You, too, can say goodbye to hair-worries, if you'll learn this simple method of caring for the hair. It is known to hundreds of stage and screen stars; used by thousands of women and girls, who haven't time for laborious methods.

Sprinkle a little Danderine on your brush tonight. Then as you brush your hair you'll feel the soothing, toning effects.

For over 30 years, specialists have recommended Danderine; to dissolve the crust of dandruff; stop falling hair; tone the scalp, encourage the hair to grow long, silky and abundant.

The first application gives your hair new life and lustre; makes it softer; easier to manage; holds it like you arrange it. Evidence beyond doubt proves the benefits of its regular use.

Danderine

Former Chicago Magistrate Held For Embezzlement

Judge James Feron, Arrested For Embezzlement—Recognized By Man He Sentenced

(International News Service)

OAK PARK, Ill., March 14.—Judge Feron, whose arrest was caused when he was recognized by a man whom he once sent to jail, today was held in $35,000 bond on charges of embezzling $15,408 of the suburb's funds.

The former jovial magistrate, now near a state of collapse, was arraigned yesterday before the bar where he had administered justice himself for two years. His bond was set at $35,000 and hearing was set for March 22.

A country-wide search for Feron ended Wednesday night when he was recognized and arrested in a Chicago motion picture theater.

TODAY

(Continued From Page Four)

helping bankers, other financial institutions and even individual stock speculators, through the Federal Reserve.

When money is needed the Federal Reserve bank prints it, lends it to banks, on commercial paper, at a reasonable rate, and the banks make whatever they can, by relending.

That is high finance. Helping the financiers, the government understands, but helping farmers by buying their wheat, goats' hair, etc., when they can't sell to anybody else, is something new.

The grain elevators are full now. On July 1 when the winter wheat crop comes, what will be done with it?

Government might say "go ahead and sell it for whatever you can get, abroad, and I will pay what you lose."

But that would be dumping, and Europe probably would not allow it.

Britain would not let Canada's wheat farmers be ruined by United States dumping.

On July first this country will have 250,000,000 bushels of wheat "carry over" from 1928 to 1929.

That is 50 per cent more than a year's normal export.

Government may have a plan that will take care of 250,000,000 bushels "carry over", plus the winter wheat crop when July first comes, but the plan has not been published.

Those familiar with wheat and other grain markets, remember that Patten and others that were indicted for attempting to do secretly what the government is now doing openly. They wonder what the government solution of the problem will be and they worry about it.

We produce more wheat than we can use. We must sell it abroad sooner or later.

The whole world knows that we are buying and storing it artificially, and knows also that barring miracles, it should be able to buy American wheat at its own price for the next two or three years.

What will be the effect of that situation?

This is a good deal about wheat, but what is mere discussion today may be a serious part of the American problem next July, and cause the problems of our little statesmen sent to England, and our earnest drys and wets, to seem unimportant.

The question does not interest wheat growers, dealers and spectators only.

It interests every American, every man in and out of a job, every man in business.

It requires wise handling.

It puts upon President Hoover's shoulders as serious a responsibility as any president has ever borne, outside of war time.

Ninth World Is Being Hunted By Scientists Now

Believe That Ninth World Exists Somewhere In Heavens—May Meet Success Soon

(International News Service)

LAKE GENEVA, Wis., March 14.—Working on a technical location furnished by Harvard University astronomers, University of Chicago scientists at Yerkes Observatory today prepared to photograph the new giant planet discovered at Lowell Observatory, Flagstaff, Ariz., yesterday.

The giant high-powered telescopes with which Yerkes Observatory is equipped were focussed on the approximate location last night, with little success. It may take several nights before satisfactory results can be recorded, Prof. S. B. Barret announced here today.

Yerkes astronomers announced that discovery of the ninth world by Lowell Observatory has ended more than a year of vain search by University of Chicago scientists to locate the same planet.

Prof. Barret explained that the Yerkes search was based on erroneous calculations.

The late Dr. Percival Lowell's predictions in 1911 as to the existence of the new world were based on a highly complicated mathematical formula in which he plotted the course of the then hypothetical new planet.

Some women insist on their rights, even t' th' right o' drivin' on both sides o' th' street at one time.

Hubby Threw Knives, Wife Wants Divorce

Rose Sagriponti has filed an application at the prothonotary's office got a divorce from her husband, Marino Sagriponti, on the grounds of cruelty. Mrs. Sagriponti claims that, he beat her, threw knives at her and threatened to kill her. They were married in April, 1917 and lived together until January, 1930.

WITNESS TELLS JURY HOW IRENE AND DAGUE TOOK AUTO FROM HIM

(Continued On Page Two)

a bullet hole in his abdomen and one in his back. I found the bullet against his underwear. Mrs. Costello, a nurse, gave him a hypodermic and then Dr. Wilson came in and removed another bullet from his arm.

Q. How long did you stay there?
A. Until he died at 12:55 o'clock.
Q. What did you do with the bullets?
A. Kept them.
Q. What size were the bullets?
A. The one from the arm was marked and the other looked almost perfect.

Cross examined by Powell.

Q. Was Brady Paul unconscious when you got him from the truck?
A. No.
Q. Did he know Mrs. Crowl when she came into the hospital?
A. Yes.
Q. Did he appear to you to appreciate the fact that death was impending?

Objected to and withdrawn.

Q. You did not hear him say that it would be his end?

Objected to and withdrawn.

Q. You found the bullet on the right side, about how far from the wound?
A. Right under the wound.
Q. Had it pierced the garment?
A. Didn't examine it.
Q. At the point where the bullet came out was it larger than where it went in?
A. Yes, it was.
Q. Was there considerable blood around the wound?
A. Some.

Charles Crowl.

Charles A. Crowl was called.
Q. Where do you live?
A. Colonial Hotel.
Q. Do you recall a truck stopping at the hotel on Dec. 27?
A. No. It stopped at the Kelley Undertaking establishment.
Q. Was Brady Paul on the truck?
A. He was.
Q. What did you do?
A. I was just leaving my store. They were taking Paul from the truck to the store.
Q. Who was there?
A. Corporal Paul, Howard Kelley and others.
Q. What was done with Paul's clothes?
A. Given to me.
Q. Did you see Moore?
A. Yes, he came in from an automobile.
Q. What kind of a car did he come in?
A. A green Chevrolet sedan.
Q. What did you do with the clothes?
A. Left them in the hotel. I met Lieutenant Boettner and we went to the hospital. We found Paul in the operating room of the Jameson Memorial hospital.
Q. Did you hear what was said between your mother and Brady Paul?
A. No.
Q. Who brought Moore in?
A. May McKee.
Q. Mr. Kelley gave you Paul's gun, did you open it?
A. Not then. I did later in the patrol office.
Q. What did it contain?

Objected to as too remote. Overruled.

A. There were four empty cartridges and one empty chamber.
Q. Whose possession was the gun in from the time you got it until you opened it?
A. My own.

Cross examined by Powell.

Q. Did Brady Paul recognize you?
A. No.
Q. At the hospital did he speak to Lt. Boettner or you?
A. No.

May McKee.

May McKee, of State College, Pa., a student there was called.
Q. Were you driving from Butler to New Castle on December 27?
A. Yes.
Q. Who was with you?
A. Esther Stewart.
Q. Were you stopped on the way in?
A. Yes. About 12 o'clock we stopped of our own account. Saw a motorcycle to the left of the road, the officer staggering in the middle of the road. I got out of my car and helped him into the back seat.
Q. What was his condition?
A. He appeared to be hurt.
Q. Where did you take Moore?
A. To the Colonial Hotel.

Cross examined by Powell.

Q. Did he carry on a conversation with you?
A. No, but he did with Miss Stewart.

Miss Esther Stewart.

Miss Esther Stewart was called.
Q. Did you see Officer Moore that day?
A. Yes, I did.
Q. What was his condition?
A. He was dazed.
Q. Where was he taken?
A. To the Colonial Hotel.

Mrs. John A. Crowl.

Mrs. John A. Crowl, wife of the owner of the Colonial Hotel, was called.
Q. Was the motor patrol and state police stationed at your place December 27?
A. Yes.
Q. Did you know Brady Paul and Ernest Moore?
A. Yes.
Q. Did they get a telephone call on December 27?
A. Yes.
Q. Did you learn later where Brady Paul was?
A. Yes. In the hospital.
Q. Did you see him then?
A. Yes.

With Paul When He Died

Q. Were you there when he died?
A. I was.
Q. How close to him was you?
A. Right next to him.
Q. What did you say to him?
A. I took hold of Paul's hand and asked him if he knew me. He said yes, and that he was glad I was there when he was dying. He asked me to get him something for his pain. He looked at me again and said, Mollie I am dying. Tell the boys I did my duty. I did the best I could. Dr. Kaplan came in and gave him aid. Then Brady said, Moolie you'll soon see mother, kiss her goodbye for me. I asked Dr. Kaplan if there wasn't something to be done and he shook his head. Paul's breath was coming with difficulty.

Q. Were the remarks tell the boys, I did my duty, used more than once?
A. I don't remember.
Q. How long did you stay in the hospital?
A. Till Paul died.

No cross examination.

Doctor Recalled

Dr. Loyal Wilson was called to the stand.
Q. Did you see Officer Moore in the hospital on December 27.
A. Yes.
Q. What did you do for him?
A. I dressed his wounds. He had a wound on top of his head, the wound had the appearance of a bullet having hit it and passed on.
Q. What effect would such a have?
A. A stunning effect.
Q. Did you and your son treat that wound after the shooting?
A. Yes. For about two weeks.
Q. What would the immediate effect of the bullet in Brady Paul's abdomen be?
A. It would knock him down.
Q. Would it create primary shock?
A. Yes, it would.
Q. Could he get up after that?
A. Oh yes.

Cross examined by Powell.

Q. You wouldn't say everyone shot in the stomach would be knocked down would you?
A. Well I think he would.
Q. Mr. Moore's wound in the head, was the skull injured?
A. No, no visible injury to the skull.

Dr Paul Wilson

Dr. Paul Wilson was recalled.
Q. Did you see E. C. Moore on December 27?
A. No. I saw him the following day in the hospital.
Q. Describe the wound on the head
A. It was an abrasion of the skin caused by a glancing bullet.

Latter part of the answer struck out.

Q. What effect would such a wound have on a person?
A. It would cause him to be dazed.

Ira Ramsey

Ira Ramsey of this city was called.
Q. Have you ever seen the defendant before?
A. In the Smith Diner on South Mercer street, two days before Christmas.
Q. Who was with her?
A. Two men and a small child.
Q. Have you seen Mr. Dague?
A. Yes.
Q. Was he with the defendant?
A. Yes.

Cross examined by Powell.

Q. What time of day was it?
A. About 2 o'clock.
Q. Describe the man.
A. Had a reddish mustache.
Q. Is that all the description?
A. He had no hat on. He was at the lunch counter.
Q. Describe the other man.
A. Can't do that as he went outside.
Q. What attracted your attention to them?
A. Their appearance.
Q. What was the conversation.
A. It was between the other parties. I couldn't tell you what they said.
Q. Have you been in there since.
A. Yes.

Charles Smith

Charles Smith, proprietor of the lunch wagon on South Mercer street was called.
Q. Did you ever see this defendant before?
A. Yes, it seem to me it was the day after Christmas.
Q. Who was in there.
A. Ira Ramsey, Steve Travers, a painter named McConnell and others.
Q. How large was the boy with the woman?
A. He was small enough to set up on the counter.

Cross examined by Powell.

Q. You say it was the day after Christmas?
A. Well, I wouldn't swear that it was the day after Christmas.
Q. How was the boy dressed?
A. Had on arctics, a waist of different colors and one of those caps that come down over his head.
Q. Did he talk to you?
A. No.
Q. Who set him on the counter?
A. The lady.
Q. The tall man was dressed how?
O. Had on a lightish suit and a mustache.
Q. Now the second man, did he have a mustache.
A. I don't think he did. He went out to hustle up the man with the chains for the car.
Q. How was the little man dressed?
A. He had on either a sweater or a lumber jacket.
Q. Did he have a hat or cap?
A. I think he had a cap.
Q. Have you seen the boy or his picture?
A. I saw the picture.

A recess was taken at this time.

Steve Travers, a tire merchant was called and testified that he had seen Dague and had recognized him as the man in the Smith diner and in his place of business on December 26.

Cross examined by Powell.

Q. When did you make up your mind that these were the people?
A. After the trouble on the Butler road.
Q. Did you talk this over with Smith?
A. Yes, and with others who were in the diner.
Q. When did you make up your mind these defendeants were the ones in the diner?
A. On December 27.
Q. How would you decide?
A. Well one of the men repairin chains wasn't through with the job and I went out to see how the job was coming. I was fixing the flat tires on a car. One of the men in the car came out and wanted to know why the h—l I didn't fix his chains as he was in first.
Q. How was the woman dressed?
A. Long coat and dark hat.
Q. Now how was this other man dressed?
A. He had on a slip on sweater.
Q. What time did these people leave?
A. About 1:30.
Q. You are positive these are the people?
A. Yes.

James Kimbro

James Kimbro, a watchman in the Castle Garage was called.
Q. Were you working in the Castle Garage on December 26?
A. Yes. I'm the manager.
Q. Did you see Glenn Dague in jail?
A. Yes I did.
Q. How did you do that?
A. I recognized him as the man I did some work for on December 26.
Q. What time was Dague in your place on December 26?
A. Well it was the 1st job I did after I got back from lunch.
Q. What did you do for them?
A. I repaired a set of chains.
Q. What kind of a license was on the car?
A. I don't know it was all dirty.
Q. Who came in?
A. The man in the jail. He came in and said haven't you got those —— chains repaired. He said something about Steve Travers that I wouldn't repeat to the court. Then I saw somebody else come in but I didn't look up. I asked them if they wanted the chain on the car and one of the said put the —— chain on the car. I started to put the chains on and saw a small child in the car.
Q. How was Dague dressed.
A. Couldn't swear to it.
Q. Did you notice anything?
A. Well one of the men put his foot on the runningboard and I noticed a gun on his hip. It was a blue steel gun.

Cross examined by Powell.

Q. You couldn't tell what the license was?
Q. It was too dirty.
Q. You are positive it was the lady in the car?
A. I won't swear.
Q. You are positive it was Glenn Dague?
A. Absolutely.

State Policeman

James B. Brooks, a state policeman was called.
Q. Have you Corporal Paul's clothing?
A. Yes.
Q. Will you produce them?
A. I will.

Mr. Brooks brought in the clothes which had been turned over to Sergeant Beynan of the State Highway Patrol. He identified the uniform of Brady Paul.

James Brooks was recalled.

He examined the blouse of Brady Paul and showed the jury the hole in the left side of the coat.

He also showed the leather storm coat worn by Paul, showing the bullet holes in it.

Ray Horton

Ray Horton whose automobile was stolen on December 27 was called.
Q. Were you employed on December 27?
A. Blair Strip Steel Co.
Q. Were you at the office on the forenoon of December 27?
A. I was.
Q. Did you leave near noon that day?
A. About five minutes before noon.
Q. Who was with you?
A. Miss Elsie Nickum, secretary of the company.
Q. How were you traveling?
A. In a Chrysler roadster.

(Witness described its appearance)

Q. Did you drive it away?
A. Yes. Miss Nickum was in the car.
Q. Tell the jury what happened?
A. Our driveway comes onto the Butler road. We noticed a Chevrolet coach coming from Butler. We slowed down and allowed the car to pass. Three people were inside, a man, a woman and child. A little later the car stopped or hesitated and I am not certain a man got out or not. After we passed the car and they made some signal to us to stop. We continued about 150 feet and turned onto Adams street.
Q. Where was the woman seated?
A. On the passengers side of the car in the front. As we turned into Adams street the Chevrolet passed as the man and woman signalled us to stop. The horn was blowing and then the car swerved making it impossible for us to pass. We saw shattered glass in the wind shield and thought perhaps there had been an accident. We stopped, the car was to my right, the cars being about abreast. The man driving the Chevrolet got out and came to the right side of our car.

Wanted My Car

The man said he wanted my car and showed a gun. It was a blue steel gun not an automatic. We decided it was advisable to get out. Miss Nickum was ushered out rather violently by the man. The lady got out of the Chevrolet and ran around to my side of the car. She told me to leave the motor running which I did. She also had a gun. She ordered me to the curb. She was handling the gun rather freely. Then she asked me if I had any money. I took my purse out and she asked me if I had a driver's license. I gave them to her.
Q. What was the man doing?
A. He drove my car ahead making it possible to allow cars to pass. He then made two trips from the Chevrolet bringing a child and a black bag over to my car.
Q. Did you observe the car going away.
A. I did.
Q. How long did the woman keep you standing on the curb?
A. About 3 minutes.
Q. What did she say?
A. Told me to stay where I was or I would get plugged.
Q. What became of her?
A. She went away in the Chrysler. Getting in rather hurriedly as the car was moving.
Q. Notice anyone around?
A. No.
Q. Could you see the Butler road from this spot?
A. Not exactly where the road intersects.
Q. Then what?
A. The Chrysler was soon out of sight and I went into a house nearby and used a telephone to call the city police.
Q. What color gun did the woman have?
A. A blue steel gun.
Q. Did you notice the bore of the gun?
A. Yes but not at the same time.
Q. Which had the bigger gun?
A. I think the one the lady had.
Q. Did you go into the Chevrolet.
A. Yes.
Q. Anybody else in the car?
A. Yes many people.
Q. Did you notice anyone pick up anything?
A. Yes, one man picked up a piece of lead.
Q. What else was taken out of the car?
A. Two pocketbooks.
Q. Did you see a writ watch?
A. Yes.
Q. What was done with the pocketbook?
A. Sheriff Reynolds got them.
Q. Did you open any money in the car?
A. Yes.
Q. In which pocketbook was the money placed?
A. I don't know.
Q. What was taken in your pocketbook?
A. A five dollar bill, a check, some club membership cards. The key to the car was in the car.
Q. What color was the pocketbook?
A. Brown leather.
Q. After this occurred did you give the number of your car?
A. Yes.
Q. Do you see that woman?
A. Yes. (Pointing to Irene).
Q. Have you seen the man?
A. Yes, at the hearing at Alderman Marshall's office.
Q. How was this woman dressed?
A. Dark dress and coat and dark hat.
Q. How was the man dressed?
A. Dark overcoat and hat.
Q. About how tall?
A. About feet, six inches or 7.
Q. How heavy?
A. About 165—170.
Q. Did you give these descriptions to Lieutentant Boettner of the State Police?
A. I did.

Cross examined by Dickey.

Q. You don't mean to swear there were more than one man, a woman and child in that car?
A. That's all.
Q. You followed the car as far as your eye would permit?
A. I did.
Q. How far from you was the car when you lost sight of it?
A. About one city block.

Court adjourned at 5:05 p. m.

Truck Driver Fatally Hurt At Harrisville

(BULLETIN)
(International News Service)

BUTLER, Pa., March 14.— George Xilas, 33, was fatally injured today when the truck he was driving, swerved from the highway and crashed into a telephone pole at Harrisville, near here.

Xilas was rushed to the Grove City hospital where he died soon after the accident.

The truck was partically demolished. Xilas was enroute from Erie to McKeesport when the crash occurred.

PLANE FORCED DOWN IN CITY

Residents of the West Side received somewhat of a thrill about 5 o'clock this afternoon, when a large Army plane No. 8, landed in the R. G. Leslie field on Moore avenue. After examining their plane, the two airmen who occupied seats in the big monoplane, seemed satisfied that everything was o. k. and they took off again at 5:20 o'clock in the direction of Pittsburgh.

The names of the airmen were not learned as they were busy tinkering with the engine and did not have time to answer a lot of questions of the big crowd that quickly gathered when the big plane was seen to land.

A takeoff was effected very gracefully, the hugeness of the field enabling the pilot to make quite a run before turning his plane upward toward the sky. The information regarding this plane was sent to The News by Miss Martha Sankey of Round street, who was one of the interested spectators.

DON'T LIKE THE PLACE.

Seaside Landlady: You know, sir I always says people appreciates a home when they are away from home.

Unhappy Boarder—You're right—I shall be glad to get back to mine.—Passing Show.

JUST A GAME.

Bonnie Bachelor: Well, how do you find married life?

Benedict: Great fun. My wife cooks and I guess what the dish is—Answers.

MOTHER GRAY'S SWEET POWDERS for Children

A testimonial from a lady in California, whose name will be given if requested.

"I have been using Mother Gray's Powders these last 15 years and all my friends and neighbors are using them just now during the "Flu." They are fine for checking the fever. In 1918 I mailed them by the dozen boxes to Imperial Valley to a friend who was nursing down there during the "Flu."

Children who are troubled with constipation, feverishness, bowel trouble or take cold easily, get quick relief from these powders that Mothers have recommended for over 30 years.

For sale at all drug Stores.

ALLSTATE TIRES ARE MILES AHEAD!
—In Value, Service, Mileage and Popularity

More mileage, real savings and freedom from worry—just a few of the many reasons why ALLSTATE Tires have, in four years, jumped from 16th to 1st place in volume of sales direct to user. There's that famous tread too—its panther-like grip adds safety to high speeds, traction to hard pulls. Our unconditional guarantee is possible because of these points of superiority:

1— Greater Tread Strength
2— More Material in Tire
3— Super Elastic Cords
4— Easier Riding
5— Greater Thickness of Tire
6— Special Safety Tread

The SUPER ALLSTATE is preferred by those who would pay more if better tires could be bought.

SAVE ON SEROCO PAINTS!

THESE PAINTS WEAR LONGER YET ACTUALLY COST YOU LESS!

FIRST you save one-third to one-half in price—a saving we bring you by manufacturing Seroco Paints in our own factories, thus eliminating *all* jobbers' and middlemen's profits!

A second saving is yours because Seroco Paints are *more durable*, and *"save the surface" longer*. Gruelling laboratory tests . . . three times more strenuous than actual weather conditions . . . have *proved* that this is so! Hence we fully guarantee each can of Seroco!

Small wonder that more than *three million people* save by buying their paint from Sears-Roebuck, the world's largest paint retailer.

You, too, can save . . . *doubly* . . . by buying Seroco Paints. There is a Seroco Paint for every purpose.

Seroco Paints are manufactured in our own five modern paint factories located at Chicago (2), Philadelphia, Pa., Berkeley, Calif., and Memphis, Tenn.

"Save the surface and you save all"—Paint & Varnish

FLAT FINISH INTERIOR PAINT
Soft, Velvety Finish—Sanitary—Washable

$2.05 GALLON

Washable! Non-Fading! Combines softness of water colors with durability of oil paint. For walls or woodwork. Many tints. You save one-third or more!

"EXTRA DURABLE" FLOOR VARNISH
"Seroco" Brand—Water-Tested! Won't Whiten!

$2.65 GALLON

A perfect floor finish! Leaves a glistening, mirror-like surface. Dries quickly—won't crack or scratch. Similar quality sells elsewhere for double our price or more.

Unusual Deed Caused Controversy On Taxes

HARRISBURG, March 14—Title examiners of the Pennsylvania Department of Forests and Waters, report some interesting and unusual incidents in connection with title investigations of land offered to the Commonwealth for State forestry purposes, according to A. E. Rupp, chief of the bureau of management.

One of the most unusual was that of a tract of land comprising approximately 600 acres in Sullivan county deeded to Almighty God on the 14th day of June 1864, by Peter E. Armstrong and his wife, Hannah. Mr. Armstrong held the belief that mankind was intended by the Creator to enjoy the blessings of the world, but not to claim title to them.

The deed was drawn up by Mr. Armstrong himself, the closing sentence of which is: "We do grant, deed and convey to said Creator, the God of Heaven and Earth, and to His heirs in Jesus Messiah for their use forever."

It is reported by some of the older residents of that section that shortly after the deed was recorded by Mr. Armstrong there was considerable controversy as to who would pay the taxes. Inasmuch as the land was deeded to God, it was Mr. Armstrong's contention that if the assessor wanted to secure taxes it was a matter entirely between the assessor and God. Apparently a compromise could not be effected and the land was later sold for taxes. About 15 years ago a son of Peter Armstrong bought the land thinking that he would hold it within the family, but the land was unproductive and did not support a valuable growth of timber, and was again sold for taxes. It is said of Mr. Armstrong, although being a very devout man, he had no training in the law and drew up the entire deed without assistance or guidance, yet the document as it is recorded presents a remarkable condition of accuracy and is filled with spiritual expressions.

There, Daughter, That Will Relieve Those SORE, STIFF MUSCLES, QUICK

Lots of the new ways are better than the old-fashioned ways but you can't beat an Allcock Porous Plaster when you ache all over from a cold or from sore, strained muscles. Its medication seems to sink right in and draw out every bit of pain. Some say an Allcock Porous Plaster will knock out lumbago overnight—some say it's the greatest thing yet for aching weak backs—but the real truth is an Allcock Porous Plaster is just as good for any kind of pain or soreness. Allcock's Porous Plaster is the original of all porous plasters used by millions since 1847—Odorless—you can wear it any place. Only costs a quarter. Lots of imitators but none so good, so be sure to ask for

Allcock's POROUS PLASTERS

MOTHERS CLUB HOLDS MEETING

International Institute Organization Hold Meeting On Thursday Night

The Polish Mothers club of the International Institute for Foreign Women on Pennsylvania avenue held its regular meeting on Thursday night at the institution home, according to Miss W. J. N. Sroczynska, who is at the head of this organization.

Chat and games were the pastimes followed by refreshments. It was voted upon by the club to have a theatre party on Monday night. A picture concerning Poland and its people will be seen at a local theatre.

The club will hold its next meeting on Thursday, March 20. The Merry Circle club will hold its meeting on Tuesday night at the institute home.

Gas Companies To Spend $10,000,000

(International News Service)

BOSTON, Mass., March 14—Gas companies in New England will spend $10,000,000 for extensions and improvements this year, C. D. Williams, Executive secretary of the New England Gas Association reported to the New England Council. A new water gas plant in Brockton will cost $75,000. The Eastern Gas and Fuel Associates will spend $6,000,000. Capital improvements in Manchester, N. H., will cost $450,000.

1 Umbrella Stolen; 8 Are Returned

(International News Service)

LOS ANGELES, Cal., March 14—Ben Gundelfinger, took an old umbrella to church and as a result had eight good ones today.

His old one disappeared from the vestibule of the church. He advertised that he knew who took it and would prosecute unless the umbrella was left on his front porch.

Two days later he found eight umbrellas there.

Coast Children Return To School

(International News Service)

MARYSVILLE, Cal., March 14.—School vacation is over for hundreds of California pupils. Schools in the Sierras, on account of snow, are forced to reverse the customary schedule, and take their vacation in the winter. This week they reopened in many mountain districts.

First Vacation In Ten Years

(International News Service)

NEW YORK, March 14.—Leopold Zimmerman, veteran Wall street banker, has reason to enjoy his vacation, for it is his first in ten years. Now 76 years of age Mr. Zimmerman can boast of not having been away from his office for a single day in many years.

Steel Worker Is Fatally Injured

(International News Service)

PITTSBURGH, March 14.—Frank Tosch, 19, of Alicia, Pa., who suffered severe injuries when he was crushed under a load of steel bars in the Clairton works of the Carnegie Steel company late yesterday, died in the West Penn hospital here today.

Boy Scout News

POOL MEET

Rotary Troop No. 1 held its regular weekly meeting last night at the Ben Franklin gymnasium with scoutmaster LeRoi Norton. Assistant Scoutmaster Hite and assistant McCandless and 30 scouts present.

The main features of the evening was a swimming tournament between the Ben Franklin swimming team and Troop 1, in which the Franklin boys nosed out the scouts by a score of 53 to 44.

The summary follows:

40 yd. free dash—Clark first: Ben second and McClure third.

40 yd. breatstroke—Nigro, Woodworth and Myman.

40 yd. backstroke—Fleming, Benn and Grommes.

60 yd. backstroke—Allen, Thomas and Coazzo and Wyman tied for third.

60 yd. breaststroke—Nigro, Woodworth, Clark.

60 yd. backstroke—Fleming, Benn and McLure.

10 yd. free—Thomas, Hoon and Wyman.

Diving—Thomas, Allen, Thomas and Wyman.

Plunge—McLure, O'Laughlin and Wyman.

Relay—Winning team composed of Nigro, Fleming and Thomas.

Officials were: Starter, Norton: scorer, Hite: judge McCandles.

High scorers of the meet were Allen with 15 points, Thomas was second with 15.

Next on the program was a grand inter-patrol athletic meet. The Eagle partol won the "hundred" and the "mile" the Beaver patrol won the "long jump" and several others and the Pine Tree patrol won the "quarter" and the furlong.

The meeting closed with the Lord's prayer.

Scribe "Bill" McBurney.

Safety Rally At Hillsville

Limestone Company Employes Take Part In Program In Hillsville School Building

Employes of the Lake Erie and Union Limestone companies participated in a safety rally held in the Mahoning township Consolidated school building in Hillsville last evening, approximately 1000 being in attendance.

The program of the evening was in charge of Joseph Leper, superintendent of sanitation and safety.

Addresses on safety measures were made by J. R. McCleary and L. W. Lippincott of Erie, along the lines of accident prevention.

Vocal numbers were rendered by Fred Coates and Bob Morrison with Miss Bessie Hoffmaster at the piano. Movies showing accident prevention work and modern methods in safety were followed by a film for the children.

In conclusion Walter W. Duff manager of the companies, gave a short talk.

A joke's a very serious thing.—Churchill.

Local Doctors At Ohio Banquet

Drs. John Foster, J. L. Popp and W. A. Womer were among those who attended the annual banquet of the Mahoning County Medical and Mahoning County Dental Societies in Youngstown last evening.

A fine program of entertainment was presented consisting principally of vaudeville numbers by entertainers from Youngstown theatres.

The principal address of the evening was delivered by S. G. Rose of Cleveland.

Alleged Detroit Slayer Is Held In Pittsburgh

(International News Service)

PITTSBURGH, March 14—Charged with shooting a Detroit policeman to death during a holdup in that city last Saturday, Pete Kulczyick, 17, was held by Allegheny county authorities today awaiting the arival of Detroit officers.

Kulczyick was trapped in a south side dwelling where he had gone to keep an appointment with a girl last night. Four county authorities were waiting when Kulczyick arrived. He was seized and overpowered as he entered the door.

Mercer County Man Is Held For Court

Arrested By State Troopers With Large Quantity Of Liquor In Possession

MERCER, Pa., March 14.— Harry Frisk, aged 24, of Springfield Township was arrested by Privates Knudson, and Harris of the State Troopers at No. 5 Mine on a liquor charge. At a hearing before Justice T. W. McClain he was held for court on $1500 bail which he was unable to furnish.

He had 18 pints and a five gallon can when they arrested him, and it is thought that there had been six more pints due to six empty spaces. Frisk has been under suspicion for some time and he was arrested with the liquor in a Ford touring car which was confiscated.

TO TEST CATTLE

Following the conference held by Dr. H. A. Milo of the State Bureau of Animal Industry, County Commissioners and County Farm Agent, W. S. Hagar, it was decided to make the fourth county wide tubercular test of cattle of Mercer county, starting Monday, April 21. There will be a staff large enough to complete the work before the farmers are ready to turn their cattle out to pasture.

Mercer County will be the first county in Eastern United States to make a county wide test and to become an accredited area.

IS RECOVERING

William Henry, of Sheakleyville who tried to commit suicide a few weeks ago is recovering at the Mercer Cottage hospital following an operation performed by Dr. D. E. Vogan, and is changing his views on life. He now expresses a desire to live.

TO SELL OUT FEW

The list for Sheriff sales at the present time is very small and but very few pieces of real estate have been issued. The sale will take place in April and the last day for filing will be April 20.

In the January sale it was the opposite with the largest list in Mercer county for a numberf of years. The decease shows that business conditions in Mercer county are not in such terrible straits as some would think.

CONTEST ENDS

The second annual Bird house contest sponsored by the Mercer Burbank club will come to a close on Saturday. The contestants are to have their houses in at the Farmers and Mechanics Bank not later than 10 a. m., where they will be received by a committee and arranged for judging. The judging will take place at 10:30 and the judges are Arthur Patterson, and Frank Dodds well known Mercer carpenters.

The bird houses can be inspected by the public at the bank either Saturday afternoon or evening. There will be several different types of houses this year and it is expected that the display will be very good as over 50 boys and girls have entered the contest.

Former Resident Of New Castle Is Called By Death

Word has been received here of the death of Jonh M. Hunter at a hospital in San Bernardino, Cal. Mr. Hunter was born and reared in New Castle. He left here about 20 years ago had resided in Nevada, Texas and California since that time. He was engaged in the oil leasing business at the time of his death.

Mr. Hunter was 52 years of age. He leaves two brothers, Norman M. Hunter of San Bernardino, Cal., and William George Hunter of Los Angeles, Cal. Miss Effie McKibben and Mrs. Harry McKibben of this city are cousins of the deceased and Mrs. Frederick J. Lindorfer, a niece.

Mr. Hunter's death was due to heart trouble. He died on March 3rd and was buried in Mountain View cemetery, San Bernardino on March 7.

Trinity Church Has Bible Study

Sunday Evening Service Will Deal With Coming Of The Holy Spirit

The reaction from the Bible Study, conducted for the 1st time last Sunday evening in Trinity church, have been very favorable. It is believed increasing interest will be generated as progress is made in the consideration of the book of the Acts of the Apostles, because it is so modern in its appeal, being a record of action and victory over difficulties.

The plan of service taking advantage of the permissions given in the New Book of Common Prayer, worked out very well and met general approval.

Next Sunday evening one of the greatest Chapters in the whole New Testament, will be considered, namely the second, giving an account of the coming of the Holy Spirit, on Whitsunday, the 1900th anniversary of which will be celebrated next June 8th.

B. & O. Engineer Dies In Youngstown

J. Carl McGoun, aged 57, 614 Cohasset Drive, Youngstown, O., and an engineer on the B. & O railroad for 37 years, died of pneumonia at 4 a. m. Thursday in St. Elizabeth's hospital.

Mr. McGoun was born in New Castle, the son of James and Susanna McGoun, and in 1910 was married to Alice Crum Wakelee. He was a member of the Nobles of the Mystic Shrine, Western Star lodge 21, F. & A. M.; Youngstown chapter 93 R. A. M., St. John's Commandery 20 K. T. and was past eminent commander of the commandery.

He is survived by his wife, a stepson, Willis J. Wakelee, Youngstown; a step-daughter, Mrs. William Dominick of Cleveland, and two brothers Harvey E. McGoun of North Mercer street, this city, and Horace McGoun of Sharon, Pa.

Funeral services will be conducted by the Knights Templar of St. John's Commandery Saturday at 2 p. m. at the residence. Rev. Joseph Lloyd will officiate and burial will be made in the Four Mile run cemetery.

Suit Is Filed To Recover Property

William McElwee, Jr., for the use of W. C. Henderson, has filed an action in ejectment at the prothonotary's office against A. J. Clark, to secure possession of a property on King avenue, Union township. Plaintiff claims that the defendant is $60 back in his rent.

Texas Girl Earns Way Through College Conducting Tourists Through Caverns

By Central Press

EL PASO, Tex., March 14. — Miss Frances Mildred Rister, pretty 17-year-old freshman in the Texas College of Mines here, is a real "cave girl" and she's attending college on the savings of her profession.

She has the distinction of being one of the girl guides who every summer conduct tourists through the great Carlsbad caverns in New Mexico, now being explored by the Frank Ernest Nicholson expedition.

Only three girls have held Miss Rister's post. She has made more than 300 trips, deep into the passages of the big cave.

Guide Language

"The guides have a language all their own," says Miss Rister. "Guides like myself who are just there during school vacations are called '90-day wonders.' The permanent guides are called rangers. Tourists who go through the caves are called 'dudes.' "The chief qualifications for being a guide are strong legs and the ability to answer the same 10,000 questions 10,000 times in rapid succession. You have to take a physical examination to become a guide. If you are more than 90 per cent fit, they take you through the caverns five times and then they hand you a lantern and tell you to go through by yourself. If you ever get back, you can have the job.

"I've never taken a party through that someone didn't crack what he thought was an original joke, saying 'I've seen the caverns at night, now I'd like to see them in the daytime.'

Lantern for Emergency

"A guide has to carry a 15-pound gasoline lantern, and a large, powerful flashlight. While the part of the caverns through which tourists are taken is lighted by electricity, the lantern is carried for emergencies.

"Carrying this heavy load, a guide gets disgusted with women who faint from the long, hard trip. They faint because the word has been spread around that folks who collapse will be carried out."

BESSEMER

On Friday evening a large number of ladies gathered at the home of Mrs. Joseph McIlvenny in farewell to one of their members, Mrs. James C. Ferrell. Those present were Mrs. Charles Weitz, Miss Anna Dite, Miss Esther Landman, Mrs. A. A. Shoup, Mrs. Matt Myers, Mrs. Albert Hedberg, Mrs. William Ebberts, Mrs. Lawrence Tennis, Mrs. A. L. Winters, Mrs Frank Kelley, Mrs. P. W. Griffin, Mrs. Carl Montgomery, Mrs. Roy Wallis, Mrs. Joseph Martin, Mrs. Roy DeArment, Mrs. Alton Heard, Mrs. Harry Smith, Mrs. James Weisen, Mrs. W. J. Engle, Mrs. Robert Harmon, Mrs. George McKinney, Mrs. Alfred Lago, the honor guest and the hostess.

Mr. and Mrs. Warren Henry and family toured to Sharon and attended a birthday surprise party on the latter's mother, Mrs. Margaret Barnes, on Tuesday evening.

Callers in New Castle over the week-end were Mr. and Mrs. Alfred Swanson, Misses Martha and Selma Swanson, Mrs. D. C. Heilman and children, Mr. and Mrs. J. R. Chaney, Mrs. William Chaney, Frank Macek, Pauline Macek and Mrs. John Snezic.

George White of Columbiana spent Saturday with his parents, Mr. and Mrs. H. S. White and family.

Miss Pauline Macek of East Palestine spent the week-end with her sister, Mrs. Frank Macek and family.

Mr. and Mrs. M. M. Ferrell and daughter, Mr. and Mrs. J. C. Ferrell and family moved to Youngstown the early part of this week.

Mr. and Mrs. Ivan Groce of Poland spent Sunday visiting relatives in town.

Paul Macklin left Tuesday for Maywood, Ill., where he will spend some time with his brother and wife, Mr. and Mrs. Wilbur Macklin.

The condition of Carl Kanengeiser is very serious. He has been ill since November.

Mr. and Mrs. Kenneth Persing of the Glen spent Thursday evening with Mr. and Mrs. H. H. Persing.

Mr. and Mrs. Hugh Rice and children of Harpers Ferry spent Saturday afternoon with Mr. and Mrs. Lee Rice.

Mrs. Gerald Infield of Ellwood City spent the week-end with her parents, Mr. and Mrs. E. B. Manewal.

Callers at the home of Mr. and Mrs. Will Groce and family on Sunday were Mr. and Mrs. Robert Groce and children and Mr. and Mrs. S. V. Solinger of Emlenton.

Mrs. Lem Snyder of Edenburg spent Monday with her daughter, Mrs. Robert Penwell and family.

Mrs. Mary Gagliano spent Monday with her parents at Hillsville. Mr. Guylitto has been laid up with rheumatism.

Mr. and Mrs. Raymond B. Barger and daughter Beatrice and Jackie Clarke of Youngstown spent Monday afternoon with friends in town.

Mr. and Mrs. Mrs. Merrill DeArment of Conneaut Lake spent Sunday with their son and family, Mr. and Mrs. Roy DeArment. The latter will remain for a short visit.

Mr. and Mrs. Chester Chaddock and family spent Sunday with relatives at Lewistown, O.

The gospel crusade of the First Presbyterian church under the direction of Dr. B. Frank White, started Monday evening with a large crowd and continued each evening with a larger crowd. The servives begin each week day night at 7:45 and on Sunday at 11 a. m. and 7:45 p. m. Prayer services are being held each morning in three different districts of the town.

FRILLS FEATURE SPRING FROCKS SEEN IN PARIS

By ALICE LANGELIER
International News Service Staff Correspondent

PARIS, March 14.—Delightful details make the distinguishing feature of many smart models now being shown for spring and summer and prove once more the truth of the old, old staying about it still being the little things that count.

A clever use of gatherings on shoulders and elbows, a trick of using white yokes and deep cuffs inserted in dark materials to lighten the tone of practical clothes, little upstanding frills about the throat—all show the French care of details. Lingerie touches are at the neck and cuffs of most tailored frocks. Curved lapels and notched edges come on the classic tailleur to give it the desired feminine touch.

Boleros and bolero effects are numerous. Occasionally, the back of the skirt on an afternoon frock dips in sympathy with the bolero bodice.

Gold leather in scroll design outlines the neckline of a soft yellow crepe frock. At the front there are three gold tassels of beads. At the side are double flounces, one being of the palest green.

A taffeta frock has a drop shoulder decolletage with three loops of the material serving as little cap sleeves.

Fine black horsehair makes the upstanding frill around the slightly U decolletage in the front of a charming black taffeta gown. On another, oval panels are outlined by ruchings which also appear around the decollete in the back.

Cyber uses a most interesting raffia trimming on the flounces of a navy georgette gown. This dressmaker is also favoring old-fashioned eyelet embroidery which is one of the loveliest revivals.

Breaks Own Leg And Resets Bones

(International News Service)

DENVER, Col., Mar. 14—It takes grit for a man to break his own leg and reset the crooked bones. That's what Carl Neilson, 46, a plasterer, did here recently.

Neilson was plastering several months ago when he fell off the scaffold and broke his leg. The doctor set it, but when the cast was removed the leg "looked like a twisted stove pipe," according to Neilson.

Neilson then sent his wife downtown and while she was away procured a rope and two heavy iron plates. Twisting the rope, he squeezed the plates, vise-like, upon his leg.

The bones gave way. X-ray pictures showed that he broke the bones in two places, creating a new fracture beside rebreaking the old one.

"The curtain was down for me," Neilson admits, "but only for a second. Then I went to work and I got things straight. I strapped the irons on, and let nature take her time."

Nature did. Surgeons say Neilson's leg is now a normal limb. His drastic cure, however, loosened a small splinter of bone which recently set up infection and made a minor operation necessary. He is said to be well on the way to recovery.

Wounded Gunman Dies In Hospital

(International News Service)

PHILADELPHIA, March 14.—The bullet-riddled body of "Petey the Gink," said to be a small-time racketeer, was dumped on the steps of St. Mary's hospital early today by two men who fled in an automobile.

The wounded man succumbed without revealing the names of his assailants.

The dead man's real name was John Scandon, according to police.

Three suspects have been arrested in connection with the shooting.

"Breathing" Piano Makes Appearance

(International News Service)

NEW YORK, March 14.—Something extremely novel for the public fancy is the latest instrument—a "breathing piano."

Dr. John Hays Hammond Jr., inventor, is responsible for this invention. The piano features sustained sound vibrations and tone shading, which results in effects similar to those rendered by string instruments and the human voice.

SALLY'S SALLIES

Some people strain a point to make it clear.

Ferguson To Seek Texas Governorship

(International News Service)

AUSTIN, Texas, Mar. 14.—James E. Ferguson, former governor of Texas, is definitely in the race for that office again. Ferguson was impeached while he was governor in 1917.

Whether or not Ferguson could, as the result of his impeachment, prove himself eligible for the office is expected to be questioned. The thirty-ninth legislature passed a law which would have removed his disbarment from the ballot, but the fortieth legislature repealed that law.

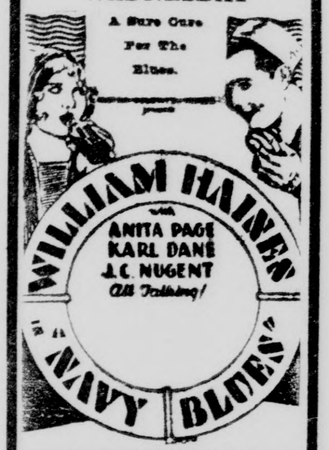

Ferguson contends his "pardon", effected by the thirty-ninth legislature's action, was unaffected by the fortieth legislature's repeal.

Ferguson's wife, Mrs. Miriam A. "Ma" Ferguson, first and only woman governor of Texas, was defeated at the polls by Dan Moody, the incumbent.

PURITAN MALT
—it's different

The "Controlled-Temperature Process" insures uniformity
Give two housewives the same material and ask them to bake bread.
One will produce a masterpiece—the other a lump of hardtack—out of the same flour.
The difference is in the skill.

Other manufacturers can buy the same barley and hops we use in Puritan.
But—we insure quality manufacture by the "CONTROLLED-TEMPERATURE PROCESS." The heat is watched during the malt making—not "just now and then" but every second—every minute—every hour of the twenty-four.
The uniformity of quality and results is one of Puritan's points of difference.
—Chances are you'll find a tenth more in the Puritan can than you've been getting.
—ask your dealer for Puritan. He has it.

Skeleton Of Ancient Princess Is Found

(International News Service)

AVALON, Catalina Island, Cal., March 14—The skeleton of a child possibly another prehistoric princess, sacrificed to the ugly channel Indian sun god, Chinigchinick, now reposes in the growing collection of the Catalina museum.

The skeleton together with 27 treasure boxes, containing beads, necklaces, shell and carved stone ornaments were dug up by Professor Ralph Glidden, archeologist. Glidden is seeking the central portion of the sun temple. Some of the entrances have been unearthed.

A land slip destroyed the temple, which resembled the great Stonhenge monolith temple in Salisbury Plain, England.

Recent discoveries indicate that dogs were among the sacred animals of the pre-Columbia dwellers on this island.

Council Approves Veterans Request

Council today went on record as favoring the passage of a bill now before the U. S. senate and house of representatives relative to pensions for the veterans of the Spanish-American war. The motion was offered by Councilman Genkinger and passed unanimously.

One In Every Six Persons Has Auto In Illinois State

(International News Service)

CHICAGO, March 14—An automobile in Illinois for every five and one-half persons is the proud boast of the state's automotive industry, according to a survey on automobile consumption in Illinois recently completed by the research department of the Illinois Chamber of Commerce. A total of 1,410,913 passenger car licenses were issued in 1929 as compared with 1,314,003 in 1928.

Character is fate. (Destiny.)—Heraclitus.

Benefit Show To Be Shortened

Managers State That Program Will Be Speeded Up Tonight

Reed McCullough and Dave Fisher wanted it made plain to the patrons of the Jameson Memorial hospital benefit show, staged last night in the Cathedral, and which is scheduled for another performance tonight, that they were not trying for an endurance record in the opening show.

The show was advertised to get under way at 8:15 o'clock and the minstrel circle was ready and waiting for the curtain to go up, but owning to the fact that the orchestra under the direction of Abe Levine was just a little late, something like ten or fifteen minutes, the folds did not part until almost 8:30 o'clock.

The show should have been over at 11:15 o'clock, it had been timed in the rehearsals for just such an event. The minstrel was to take just so long and the "Revue" had its allotted time, but everything went the opposite, that is the later part of the show.

It was just two or three minutes to 12 o'clock midnight when the finale was over, and the big crowd filed out of the Cathedral, satisfield that they had seen a clever lot of performing, with local talent, but unanimous in their contention that the show dragged out too long.

This was not the fault of the committee as they wished to make it known today. The show is being repeated tonight and every effort is going to be made to speed the thing along and get it over by 11:15 o'clock if possible.

Arrest Mail Clerk In Office 17 Years

JOHNSTOWN, Pa., March 14. — Frank Kinzey today furnished bail in the sum of $1,000 for his appearance at the May term of Federal court in Pittsburgh to answer a charge of embezzlement. He is charged with opening mail at the Johnstown postoffice, where he has been employed 17 years.

Rev. E. J. Berquist Visits Friends Here

Rev. E. J. Berquist, former superintendent of the New Castle City Rescue Mission, now pastor of a congregation at Pinckney, Michigan, was a visitor in the city on Thursday afternoon and greeted old friends.

He was enroute to Knox, Pa., where he will conduct a series of revival meetings.

FOR BAD DEBTS

Mrs. Parsons: If woman was given the credit she deserves I don't think man would be quite so prominent in the world's history.

Mr. Parsons: Quite true, my dear. If she could get all the credit she wanted he'd be in the workhouse.—Tit-Bits.

New Kensington Man Is Jailed In Shooting Affray

(International News Service)

PARNASSUS, Pa., March 14.—Quay McHenry, 25, of New Kensington, near here, was being held in jail today pending police investigation into a shooting affray that resulted in the wounding of another man.

Walter Sharkey, 30, of Parnassus, was the victim. He was in the Citizens General hospital with a bullet wound in the left knee. Police said he was shot early today during an argument at his home.

Three Rescued In Sanitarium Fire

(International News Service)

PITTSBURGH, March 14.—Three persons were carried from a private sanitarium here early today when fire did $1,000 damage to a store on the first floor of the building. Firemen fought the blaze for an hour.

Those rescued, all negroes, were Mrs. Mathilda Faulkner, a nurse; her son, William, 3, and Miss Irma Drummond of Rankin, a patient, who underwent an operation yesterday.

The fire started in the rear of the Army and Navy store and spread towards the sanitarium of Dr. W. H. Christian.

Black cotton net, finely pleated, is shown for formal afternoon wear by a Paris house.

Rev. B. R. Lewis Will Preach At Hoover Heights

There will be a special interesting feature at the service of the Hoover Heights Tabernacle this evening. Rev. B. R. Lewis of DuBois will preach. Mr. Lewis is a former New Castle boy and is well known here. Since entering the ministry the blessing of God has attended his efforts. He has recently built a beautiful new church at his present charge. A large hearing is desired for him.

Mother And Son Are Reunited By Chance

PARIS, March 14.—How a mother and son were reunited after 44 years as the result of a chance meeting has been reported from Saint Omer, France. A strange miner recently entered a safe at Quivrechain, and told how his father had abandoned his mother in Quivrechain in 1885 and took him to America when he was 3 years old. His father died shortly after his arrival, and the lad was adopted by Poles, who made a miner of him. Eventually he returned to France working in a pit at Hensies and passing as a Polish miner. An elderly woman, a customer of the cafe listened intently to the story, then questioned the stranger about his father. After a barrage of queries she surprised the crowd by jumping to her feet and declaring that he was not a Pole, but a Frenchman, and that he was her son who had been taken from her 44 years ago.

Is It News—Man Bites Other Man

(International News Service)

MARSEILLES, March 14.—Maybe there isn't much news in this story because the man did not bite the dog.

But Pierre Berutti, stonemason did not get down on his hands and knees and nip the legs of pedestrians until the dog catcher arrived.

At the Pasteur Institute Berutti ceased barking and admitted that he was not suffering from rabbis but had hoped to collect damages from a neighbor whose dog bit him by simulating canine madness.

And right there he ceased to be news.

LIKES HIMSELF

"How did you get on in the matrimonial lottery?"

"I drew a blank, but my wife drew a winner."—Pages Gaies, Yverdon.

Reported Coup D'Etat Proves To Be Dud

(International News Service)

PARIS, March 14.—Political foe of General Maxine Weygand, new chief of staff of the French Army, have been trying to picture him as a potential "Primo de Rivera" without much success.

They did succeed in drawing a large attendance to the Chamber of Deputies on an otherwise dull day by spreading rumors that sensational revelations regarding a projected coup d'etat would be read out of letters which the general was alleged to have sent Prince Napoleon Bonaparte.

The promised bombshell proved a dud. Questioned about the alleged letters a Socialist spokesman admitted that all he knew was a remark once dropped by Clemenceau, viz:

"General Weygand is the kind of man capable of seizing the reins of government."

This remark caused general hilarity in the Chamber. Members of the left wing of the chamber planned to challenge the government on the appointing of General Weygand to the high post formerly occupied by his mentor, the late Marshal Foch.

Some members of the right wing feel that the rumors depicting General Weygand as an aspiring dictator were inspired by Paul Painleve, former minister of war.

Table Etiquette 400 Years Ago

(International News Service)

PORTLAND, Ore. March 14—Table etiquette 400 years ago may not have attained the fine points of distinction offered today but, nevertheless the banquet board was not without its list of "do and dont's" according to an ancient handbook uncovered by students of economics at the Oregone State College.

It was considered proper table manners to throw bones, gristle, and uneaten parts of vegetables and meats behind one's chair, the 16th century manual declared. Other instructions read:

"At the beginning of the meal everybody should wash his hands in the presence of others in order that those who are going to put their hands in the same dish together may have no doubt about the cleanliness of the other's hands.

"It isn't proper" the book says, "to scratch yourself at the table, and one should abstain as much as possible from spitting on the floor, but if one has to, do it gentilely."

Student Aviator Killed In Crash At Erie Airport

ERIE, Pa., March 14.—Arthur L. Kelley of Lawrence Park, a suburb, student flier, was killed Thursday afternoon about two miles from McCray field, Fairview, Pa., when a student club plane which he was flying went into a tail spin at a height of 3,000 feet and crashed to earth.

German Inscriptions Banned In Tyrol

(International News Service)

BERLIN, March 14.—German inscriptions will probably be banned in future from tombstones in former Austrian South Tyrol, now Italian territory.

According to messages from Innsbruck the Italian authorities announced that from now on all inscriptions have to be submitted to them for approval. The Tyrolese papers claim that this regulation practically means the end of German inscriptions on tombstones.

FREW'S

March Rug Sale

Two-piece Sport ensembles

—that you can assemble for yourself at

$7.90

—Knitted wool sweater and smart tweed skirt make a jaunty springtime outfit for the sportswoman or the school-girl.

—THE SWEATERS, slip on over the head, by way of a V or crew shaped neck...which is left plain, or finished with a tie or laced effect. In orange, green, blue, red, orchid and a yellow that tones in beautifully with brown, these may be purchased separately at **$2.95.**

—THE SKIRTS, in tweeds and coverts, are gored to flare gently, or are given fullness by clustered pleats. The belts are finished so that sweaters may be "tucked in," if one wishes. In grey, tan and other shades, **$4.95,** if bought separately.

(Second Floor)

Coty combination package — $1.45 value

—Face powder and perfume

—Full - size box of Coty powder (several shades), and a purse-size flacon of Coty perfume ... in Paris, Chypre or L'Origan, very special at 95c

$1.50 pr.

—Astral, suntan, tanglo (smart complexion tones), and the warm, yellow - beige shade called "topaz" extend our Artcraft color range to meet practically every style preference.

—Thus smart women are given still further reason for desiring these full - fashioned chiffon silk stockings . . .daintily finished with picot tops and square heels.

—Astral
—Suntan
—Tanglo
—Mignon
—Topaz
—Fallow
—L'Avenue
—Seminole
—Castor
—Gunmetal
—Beige Blonde

—These same shades in Artcraft chiffon hose at $1.95.

(Main Floor)

Two groups among our many distinctive COATS

Types indispensable for spring

—If you would be certain of looking smart upon all spring occasions, you will include one coat from each of these groups in your wardrobe. They complement each other nicely...one type serving for utility wear and travel, while the other is reserved for more formal occasions. Yet within each group is such variation of design that choosing becomes a delight!

Coats for sports

$15.00

—Tweeds, of course, fashion the swankiest of these coats...in rose, green, blue, brown, grey, and unusual ombre effects...Each coat bears the mark of 1930's feminine grace in some such detail as a flared skirt, a cape or a scart collar.

Daytime wraps

$49.50

—Black, navy and pirate blue give varying notes of formality to these coats. Tricova, basket weaves and wool crepes are three of their most interesting fabrics...set off by capes, galapin collars, galyak jabots, or fanciful scarfs. It's usual to see waistlines slenderly defined.

(Second Floor)

These hats have the casual sort of distinction

—that spells youth!

—They are prone to sponsor brims...brims that lilt casually in front, and droop demurely at the side. In baku, braided straws, or lace-trimmed hairbraids, they are adapted for many purposes. The colors?...why, navy, black natural, piecrust and vivid shades, of course!

$8.50

(Second Floor)

Winsome new tub frocks please younger fashionables

—And delight mothers who scan their very modest price tags! Our entire junior and children's sections are devoted to spring apparel which equals these "wearables" in value and beauty. See the full array.

Panty frocks

$1.95

—Sizes 7 to 10, in English prints, ginghams and linenes; and sizes 2 to 6 in flower-colored prints . . . all of excellent quality.

Girls' frocks

$1.95

—Sizes 7 to 14, in printed linenes . . . some with skirts cleverly buttoned to the waist. Adorable for spring school wear.

(Second Floor)

Tot's dresses

$1.00

—A value surprise . . . these hand-made voile frocks, in blue, yellow, pink and pale green . . . made daintier with hand-embroidery. Sizes 1, 2 and 3.

Girls' blouses

$1.95

—English prints and printed voiles in delectable pastel tones fashion these . . . with frilled collars in Peter Pan style. Sizes 7 to 14.

Legion Home Is Undergoing Many Repairs

Is Being Placed In First Class Condition At The Present Time

Extensive repairs and improvements are under way at the present time at the Legion Home on North Jefferson street.

It is the first time in quite a number of years that improvements and changes of the character now under way have been undertaken at the home.

The roof is undergoing extensive repairs and the building is being painted and redecorated on an extensive scale. The Home will be in first class condition, when the present work has been completed.

MEXICO REAPS BIG GAINS FROM GAMING CASINOS

(International News Service)

MEXICALI, Lower Cal., March 14.—A definite part of the dollar that the American pleasure seeker gambles away in northern Lower California, builds the roads, educates the children and lights the streets of Mexican communities.

This is the declaration of Governor Jose M. Tapia, who deplores gambling on principle.

Governor Tapia's statement was considered important in view of a recent order from President Pascual Ortiz Rubio, virtually stopping the reported practice of states issuing temporary gambling permits.

"It is our policy to discourage gambling among Mexicans," Governor Tapia said. "At the same time, however, we recognize gambling at Mexicali, Tijuana and Agua Caliente as necessary to attract tourists. Money derived from the gambling concessions and from tourist trade are absolutely essential to carry on the program of construction we have mapped out.

"Most of the patrons at gambling places is by American people from across the line. The Mexicans participate only on a small scale. The gambling houses are operated by Americans.

"We feel, therefore, that little harm is done to the Mexicans. The Americans come of their own free will.

"The money thus realized is used to good advantage. It builds schools and roads and provides many other improvements.

Young People Of Central Christian Have Get-Together

The young people of the congregation of the Central Christian church met in a get-together meeting in the dining room of the church Thursday evening and spent an enjoyable evening.

Elsie Baynham and Luella Rigby were in charge of arrangements and had arranged a surprise program, which was featured by a mock wedding, very cleverly presented and which caused a lot of amusement.

A delicious lunch was also served by the committee in charge.

Poison Ivy Used To Give "Kick" To Rum

(International News Service)

LURAY, Va., March 14.—The use of poison ivy to impart a "kick" to the liquor manufactured in the mountain stills of this vicinity was discovered during a recent raid by Sheriff E. L. Lucas of Page County.

Sheriff Lucas and his deputies discovered large quantities of poison ivy after raiding a still six miles west of here. The ivy although a deadly poison was not believed to have been used in large quantities and the distillation process was apparently sufficient to reduce its effect to the desired pronounced kick.

French Women Shun Public Scales

(International News Service)

PARIS, March 14.—Very few women wish to weigh themselves, at least in public. A free weighing machine put out on the boulevards in front of an American shoe shop has established this fact. Every day there is a long line of men waiting to "weigh in," for Parisians have a firm belief in the motto which is to be found on all the weighing machines in France, "Qui souvent se pese, se connait; qui bien se connait, bien se porte." Rarely does a woman step on the scales and then she is very petite and knows she will not tip them more than 100 pounds.

L. C. B. A.

The regular monthly meeting of the L. C. B. A. of St. Joseph's church was held Thursday evening in the church hall. All social events were discontinued until after the Lenten season. Plans will be made for a card party to be held some time in April or May.

Very interesting talks on the good of the association were given by members of the lodge. The next meeting will be held the second Thursday in April.

The Most Famous Boys' Suits In the State Are Fisher's "Castle Clothes" at 6.90

No other store can rival these Suits, for no other company makes boys' clothing in their own factory and sells them direct through their own stores.

ALL WOOL

"Castle Clothes" are all wool, tailored with care to the best known dimensions. They are wool (by wool we mean all wool, chemically tested) and come in a wide assortment of new tweed, blue cheviot, suiting, and herringbone materials. Each suit consists of coat, vest, and one pair of knickers. Sizes 6 to 16 years.

MATCHING PANTS

Boys will be boys and none of us wish them otherwise . . . yet they always do seem to ruin the wrong pair of trousers . . . and that is just why Fisher's always provide an extra pair of matching trousers for $1.95. You needn't buy them with the suit, for they will be here all season. Fisher Bros. "Castle Clothes" consist of coat, vest, and one pair of trousers because boys grow so fast, an extra matching pair of trousers for $1.95. **Boys' Store**

Boy Once Termed Failure, Now Nation's Vice President

(International News Service)

DENVER, Col., March 14.—A bold little boy scrambled on a pony, dug his bare heels into its flanks and dashed off across the darkened prairie. He had been told by an aged Indian woman to "get a horse and get out" because he'd "never amount to anything."

That was how Charlie Curtis—now Vice President Charles Curtis of the United States—left the Kaw Indian tribe and went to Topeka, Kansas.

The story was told by James H. Bailey, second cousin of the vice-president and a local post office employe.

"Charlie rode the seventy miles to Topeka. He was just thirteen years old, but it was not the first time that he had started out across the bald prairie alone.

"When he reached Topeka he did odd jobs, studying law during his spare time with Hibb Case, then a prominent Kansas attorney, and doing his best to get ahead. He worked diligently, earnestly, and when he was twenty-four years old, he was elected public prosecuting attorney at Topeka. Nor did he stop there. He soon afterward was elected to Congress.

"Charlie's at the top now," people used to say in Topeka, then. "Look at him, he's in Congress."

"But Charlie wasn't at the top of the heap then, and people have learned it, too. He wasn't going to stop there. After about eight years in the lower house he went into the senate, and now he's vice president of the United States.

"I didn't see Charlie Curtis for thirty-five years before he came to Denver during the campaign of 1928. The last time I saw him before that was when he was riding across the bridge at Topeka. He was young and handsome and as straight as an arrow.

"When I saw him here—met him and talked to him at the hotel—he was stooped, and showed the years that were upon him.

"Charlies is just a good, old fashioned, common man. He's ready to help anybody that will play square with him, and he'll sacrifce lots of time to be of service to others.

"I remember when I was delivering mail up at Boulder, there was a Mrs. Sanderson, whose husband was a freighter across the plains in the good old days. She had a lot of Indian depredation claims against the government, but her congressman didn't seem to want to do anything about it.

"Finally she decided to go to Washington herself to see what could be done. I gave her a letter of introduction to Charlie. When she returned she said he lost no time in getting the claims through and getting her money for her."

Bailey is thirteen years younger than his cousin. Vice President Curtis was seventy years old in January; Bailey will be fifty-seven in June.

"They tell this story of what happened in Council Grove, Kas., before I was born," Baile continued. "One day the Kaws heard that a rival tribe was coming down to wipe out Charlie's people. Charlie, then just 10 years old, started out afoot to Topeka—seventy miles away—to get help There wasn't anything between Council Grove and Topeka but a lot of prairie and coyotes.

"But he never got there. The warring Indians came, but were turned back and some of Charlie's tribesmen set out to find him and bring him back."

Bailey explained the meaning of Kaw, which also explains Curtis' attitued toward America's efforts toward world peace.

"The Kaws were a branch of the Osage Indians," he said. "They were a peaceable people, who preferred to let the other branch do the fight. I inally the two branches split and the Osages called the Curtis' people Kaws, which is Indian for coward. But Charlie is no coward!

"Charlie is not a half-breed Indian, as some mis-statements have said. His mother was only half Indian. Curtis' grandfather was a full blooded Frenchman and his grandmother was a full blood Kaw, which made Charlie quarter-blood French and quarter-blood Indian."

GOOD LUCK CLUB

The fifth meeting of the Good Luck club was held at the home of Miss Sue Byers, 515 Moody avenue Wednesday evening. Chat, sewing and music were the chief diversions of the evening.

The hostess and Miss Pansy Davis served a delicious lunch. The next meeting will be at the home of Miss Isaphine Scholler, 1023 Dewey avenue, in two weeks.

A BUSINESS MATTER

Mortiz: Dad, what are morals?

Abe: Well, suppose you are in business and a client pays you $3000 instead of $2500. It is a matter of morals whether you pay him back half the difference or not.—Die Muskete, Vienna.

Claims Share in Millions Of Erlanger Estate

One of the few available pictures of Charlotte Fiscal, known on the stage as Charlotte Leslay, who seeks a financial settlement on her claim of being "widow" of A. L. Erlanger. Her claim is being upheld by her attorney, Max Steuer, who alleges that she has been known as Mrs. A. L. Erlanger for the past fifteen years. The estate of the late theatrical producer is estimated at $75,000,000.

Many Nationalities In Children's Band

(International News Service)

DENVER, March 14.—A "Little League of Nations" organization will function when the Globeville baby band performs for the child welfare committee of the Denver community chest here.

Led by Johnny Kay, 5, an Austrian, the baby band includes members of almost every nationality—Mexican, German, Russian, Czech, Italian, Spanish, French, among others.

Tennis Queen Sports Mysterious Diamond

(International News Service)

PARIS, March 14.—Who gave Suzanne Lenglen, celebrated French tennis champion the big diamond she is sporting on her left hand?

That is what a great many people are wondering among those who visit the dressmaking salons of Yvonne May where the temperamental French girl is now making another kind of racket.

She refuses to throw out even a hint about the giver and since young Baldwin seems to be nowhere about for the moment, he can't be asked. Suzanne will talk all she can about her new work, about which she is very enthusiastic, but not one word about that brilliant.

She is personally responsible for each model of the sports department and appears to be an expert in the new field which she has chosen.

Reindeer Farms Being Socialized

(International News Service)

MOSCOW, March 14.—The reindeer farms in the snowbound country near Murmansk within the Arctic circle are being socialized and collectivized just like the wheat ranches of the south. Many of the native Samoyeds have been induced to pool their herds in co-operative farms of about 5,000 head of reindeer, which are raised for their hides and to a lesser extent for meat. The collectivization movement is meeting strong opposition from the richer farmers who privately own about one-third of the total of 5,000,000 reindeer in the region.

Great thoughts come from the heart.—Vauvenargues.

Many Students On Honor Roll At Senior High

One Hundred And One Students Either Honor Roll At Senior High

One houndred and one students of the senior high school are either on the high honor or honor roll for the second report period at the high school according to Principal F. L. Orth.

Following is the names of the students who are on the high honor roll or on the honor roll:

Post Graduates

High honors: Dorothy Nelson, George Zidow.

Honors: Hilda Bodendorfer, Carrie Gibbons, Margaretta Hess.

Senior A

High honors:: Ruth Mervis, Felix Zuchowski.

Honors: Lida Bera, Lenore Beall, Laura Cowmeadow, Dorothy Cummings, Lucy Di Carlo, Charles Dlugokesnki, June Duff, George Freeman, Rose Marie Green, Merle Hart, John Hensley, Hazel Matthews, Hilda Newmark, Caroline Plush, Anna Thomas, Miriam Woolcock.

Senior B

High honors: William Shira.

Honors: Josephine Allen, Charlotte Bartlett, Kathryn Boston, Sara Louise Elder, Madge Gardner, Jane Hawkins, Loren Kannenberg, Elizabeth Leishman, Dorothy Levine, Charles Nolan, William Nunn, Harry Shannon, Frances Shaw, Jack Stevenson, Alfonso Szamrey, Jane Thomas, Margaret Wallace.

Junior A

High honors: Angeline Castrucci, John Chemerda.

Honors: Julius Bloom, Thelma Bumbaugh, Lymen Gerould, Helen Haines, David Harris, Gilbert Hoffman, Clara Houk, Coleman O'Laughlin, Alberta Reeher, Dorothy Shiffler.

Junior B

High honors: Jonathan Brown.

Honors: Frances Aiken, Frank Baldwin, Oliver Brown, Sara Cukerbaum, Clarissa Duff, Anne Fell, George Hawk, Tom Hawkins, Clement Heasley, Charles Kay, Mac Leslie, Katie Miscimarra, Gerald Morris, John Pagley, Martha Randles, Edward Rumbuagh, Ruth Williams, Dorothy Young.

Sophomore A

Honors: Robert Ailey, William Brundert, Ruth Burry, Irene Campbell, Dolores Flynn, Florence Hensley, Margaret Keely, Mary Jane McClintock, Perry Reeher, Florence Safler, Frederick Wilkes.

Sophomore B

Honors: Robert Aiken, Grace Bell, Sally Lou Byers, Lois Mae Curry, William Kelley, Harriet Kline, William Leivo, David Long, Mary Jane Metzler, George Muse, Sara McKee, Charles Perelman, Charles Rumstay, Clyde Shannon, Jewel Skanesky Lois Marion Smith, Robert Snyder, Jean Wimer.

Old Gold Placers Being Used Again

(International News Service)

PRESCOTT, Ariz., Mar. 14.—More than 60 years ago the first white men to settle in Arizona came to this spot drawn by the reports of trappers that gold was plentiful in the placers of Lynx, Big Bug and Granite Creek.

Today, California capital, equipped with the finest automatic machinery that science can build, is developing those old placers for new and important production.

A 400-acre placer field in the Black Canyon district near Humboldt, Ariz., 23 miles south of here, is under operation by a group headed by R. H. Cole.

The 12,000,000 yards of gold-bearing gravel in the field, has an average worth of $1 a yard.

The methods now employed are in striking contrast to the pans, riffle boxes, hollow-log sluices and crude tools of the first placer miners. Some of the "ancients" still survive here to watch with marveling interest the rapid and cheap operations of the trenchers, tractors, gasoline-driven washers and chemical amalgam plants now in use.

Ministerial Union Edits Daily Paper

(International News Service)

EL PASO, Tex., Mar. 14.—People here in these parts got an idea of how a newspaper looks with ministers as editors and writers.

Members of the El Paso Ministerial Alliance, who edited the El Paso Post for a day, "played up" human interest stories throughout.

The ministerial touch was imparted to crime stories, concerning youthful vandalism, murder, and preparations for executing a murderer.

So-called important news such as the London naval conference, Texas legislation and the congressional tariff battle, were given the "back seat," receiving scant attention and only small headlines.

Model Boy Plans Fling At Matrimony

(International News Service)

MANCHESTER,, N. H., March 14—Manchester's model boy, Francis Harrington, who won a $200 prize for not drinking, smoking, swearing or gambling last year, is going to get married. Young Harrington, who is 19 years old, received his award from the Leopold Schepp Foundation. His bride-to-be is Ellen Young of this city.

Card Of Thanks

We wish to thank our friends and neighbors for their kindness and sympathy shown during the sickness and death of our son, Raymond. Also to those who sent flowers and donated cars.

MR and MRS W. H. BUCHANAN.

Attorney-General May Go to Supreme Court

Attorney-General William Mitchell may be named Associate Justice of the United States Supreme Court to succeed the late Edward Terry Sandford, who died a few days ago.

THE QUESTION BOX
CENTRAL PRESS WASHINGTON BUREAU

Answers to questions of information and fact can be obtained by writing to Central Press Bureau, P. O. Box 126, Washington, D. C., and enclosing a self-addressed, stamped envelope. No answers will be given to marital, medical or legal questions.

How does environment influence the life and activities of the individual.

To draw an extreme comparison, an Eskimo and an Amazon Indian are very dissimilar (are they not?), due to the dissimilar lives they are compelled to live, in order to survive at all in such different environments. However, it may be said that this is environment's influence on race rather than the individual. But suppose an Eskimo was placed in the Amazon jungle, would he not be forced to adapt himself to his new environment until, if he stayed, it had become second nature to him, as an individual? or vice versa? Certainly.

How did Nova Scotia receive its name?

Nova Scotia (New Scotland) originally christened by the French Acadia, was first referred to under its present Latin name in a land grant issued by James 1 of England to Sir William Alexander in 1621. The change was not definitely explained but the reason probably is to be found in the trio facts that James was a Scot, a classical pedant and eager to stamp out all memory of French influence in the region.

Please furnish all possible information concerning Judas Iscariot's parents and grandparents—their occupations, habits and characters.

That Judas' father's name was Simon is all that is known of his ancestry. Most authorities interpret Iscariot as meaning "man of Kerioth" which, if Kerioth in Moab is meant, might imply that Judas was of heathen origin. A few investigators, however, believe they have traced Iscariot's significance to "leather coat," whence they surmise that the apostle's family were leather workers. Either guess may be right or both wrong.

What is the field of labor in South America?—conditons and wages?

There is a field for some classes of European labor; not North American. Conditions are bad: the wages very low, according to North American standards, even in comparsion with the lower cost of living. This does not apply to a few highly skilled specialties, but to labor generally, otherwise. There is a fascinating field for the right kind of pioneers in the less settled regions, but 999 North Americans in 1,000 are too soft to stand the hardships. In the main South America is a field for capital.

Of what government departments are the U. S. coast guard and public health service?

Both are sub-divisions of the treasury department.

(NOTE: Charles P. Stewart's treatise on "Our Government" can be obtained by sending ten cents in coin to Central Press Washington Bureau, P. O. Box 126, Washington, D. D.)

(International News Service)

CHICAGO, March 14—A recent order by the State Commerce Commission provides for the operation by the local street car lines of feeder buses on the far north west side, including some of the trackless trolley type. They will be the first buses and trackless trolleys to be run in any part of the city.

Texas Town Seeks One Million Bats

(International News Service)

CAN SABA, Texas, March 14.—This is probably the only community in the world where the lowly bat is welcomed.

At least a million are wanted and the best of accommodations, including private and exclusive roosts, are offered as inducements.

E. E. Risien, a leading pecan grower of this state, has begun the bat-attracting move, contending that a million of them would completely protect pecan trees in the San Saba area from an insect menace. Risien already has a private roost which houses 1,000 bats.

He is sponsoring a campaign to raise $1,000 which would be used in constructing a huge roost in a graveyard. Here the million bats—if they can be induced to come here—will make their homes.

Divorce Deprives Little Tot Of Naps

(International News Service)

CHICAGO, Ill., Mar. 14.—Four year old Arline Nelson henchforth has to go without her regular afternoon nap, it was decreed in superior court here.

Judge Henry A. Lewis ruled that Arline must catch up on her sleep some other time when Mrs. Grace Nelson appeared before him to demand that her husband, Herbert Nelson change the hours allotted to him to have their daughter.

The child's visiting periods with the father interfere with the afternoon nap, Mrs. Nelson insisted. Her action for divorce is pending and the child spends three afternoons a week with Nelson.

"The baby can catch up with its sleep some other time," Judge Lewis ruled.

Free— something new

a new style of plate for serving cakes

with the purchase of two packages of Pillsbury's Cake Flour

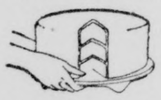

This new cake flour has won a million women!

Only the good survives. Nothing but outstanding quality could persuade a million women to adopt a new cake flour during its first year—could keep on winning new users in constantly increasing numbers!

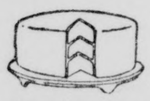

Baking tests indicate the reason for this extraordinary success. They show that Pillsbury's Cake Flour possesses three distinct superiorities: (1) It makes a cake that rises higher—a lighter, fluffier, more delicate cake. (2) It makes a cake with a softer, finer texture. (3) It makes a cake that stays moist and fresh longer.

The secret is a new blend of certain rare types of wheat, unusually soft, milled to a silky fineness. Try Pillsbury's Cake Flour for yourself—test it with the most delicate, difficult recipes you know—before you've finished the first package you'll understand the superiority of this remarkable new cake flour.

If you've ever tried cutting and serving a cake from an ordinary plate, you'll appreciate this one. It stands up from the table on three little legs—you can slip your fingers under the edge, and carry

your cake without touching the frosting. Also, it is perfectly flat on top—your cake cannot sag in the middle, as it sometimes does when placed on an ordinary

curved plate, It is made of delicately colored glass, in a graceful attractive design. The top carries a beautifully traced figure, worked out in light lines. It is extremely

ornamental—and just as practical as it is good-looking. Your grocer will give you one free with the purchase of two packages of Pillsbury's Cake Flour.

Congress Asked To Give Money To Cancer Cure Work

Drs. W. B. Coffey And John D. Humber, California Appear Before Senate Committee

EXPERIMENTING WITH CANCER

(International News Service)

WASHINGTON, Mar. 14.—An appeal to Congress to finance the medical profession in its research work for a cure for cancer was voiced to the Senate Commerce committee Thursday by Drs. W. B. Coffey and John D. Humber, of San Francisco, noted experimenters in treatment for cancer.

The cancer specialists were joined by Dr. Joseph O. Bloodgood, cancer expert of Johns Hopkins hospital, Baltimore, who urged the government to finance infantile paralysis and influenza research work as well as the experiments in cancer cures. The physicians declared the government could render a tremendous service to the American people by aiding the medical profession in finding relief and cures for malignant diseases.

Merely Experimenting

The two western cancer specialists denied having a "cure or treatment" for cancer but insisted they were merely "experimenting". Under their theory, they said, they found that an extract refined from the tissues of the glands above the kidneys would act as a deterrent and destroyer of cancer. Their research work is still in the experimental stage, they added, even though they had secured beneficial effects on 1300 patients.

In effect they told how their experiments indicated cancer was due to a deficiency in this gland extract. When the extract was injected into the body at any point, they said, pain vanished and the cancer began to sluff. They told of experimenting only on "hopeless cases" in which all other medical treatment had been abandoned and the patients given up to die.

Believe It Or Not, Thirty-One College Seniors Are Unkissed

Thirty-One Dartmouth College Senior Men Disclose Never Having Kissed Girl

(International News Service)

HANOVER, N. H., Mar. 14.—Two hundred Dartmouth college seniors would marry for money. But 121 others would wed for love alone.

There are 31 seniors who have never been kissed by a girl friend.

What Dartmouth college needs most is a course in etiquette, some seniors think. Others believe that course in golf, ballroom dancing, bicycling, and horseback riding, might profitably be added to the curriculum.

The above disclosures were made by students who will graduate from Dartmouth this year in a class questionnaire, the results of which were made public Thursday.

York Man Killed, Truck-Auto Crash

Man Killed Almost Instantly, Son Severely Injured As Auto Crashes Into Truck

(International News Service)

YORK, Pa., Mar. 14.—Edward Surfield, 63, president of the Columbian Assurance company, was killed and his son, William, 30, was injured seriously Thursday in a head-on automobile collision at Jacobus, on the Susquehanna Trail, near here.

Harry W. Mack, driver of the truck into which the Surfield car crashed, was uninjured.

The Surfields were enroute to Baltimore when the crash occurred. The elder Surfield was driving and apparently failed to see the truck while rounding a curve in the road.

Deceased is survived by his widow, one daughter and three sons.

Will Establish Hunting Tracts Near Big Cities

HARRISBURG, Mar. 14—Following the extensive land purchase program for which the sum of $200,000 is set aside annually the Board of Game Commissioners is endeavoring to provide more suitable public hunting grounds for the small game hunter. Such areas, wherever possible, will be located near the centers of greater population.

So far a number of such tracts have been purchased and additonal ones are under contract for purchases as soon as title examinations have been completed. The areas already owned are as follows and comprise only public shooting grounds, no refuges having been established on them. In Lancaster county, 1642 acres in Clay township: in Chester and Berks counties 952 acres located in Warwick township of Chester county and Robeson and Union townships of Berks county: Bedford county, 3225 acres in Monroe township. This area centers in exceptionally good turkey country.

There is also a tract in Westmoreland county comprised of 4473 acres, near Johnstown, 765 acres of which have ben set aside as an auxiliary refuge.

No Building, Then Why Any Padlock

(International News Service)

PITTSBURGH, Mar. 14.—Mike Decco was advised by prohibition agents Thursday to appear in court because of a pending injunction to padlock his place.

To which Mike replied he would prefer having the agents visit his place instead.

The agents acceded to Mike's request. They found an empty lot at the address listed. Investigation disclosed the building had been razed.

The injunction was not filed.

Former Well Known Actress Is Dead

(International News Service)

LONG BEACH, Cal., Mar. 14.—Maude Leone, 45, former wife of Willard Mack, noted New York playwright and actor, and in her day, one of the brightest stars of the stage, died here Wednesday night, it became known Thursday.

Miss Leone's last stage appearance was five years ago as co-star with Marjorie Rambeau.

Girl Who Gave Up Luxuries Is Happy With Cowboy Mate

By MARIAN RHEA
International News Service Staff Correspondent

HOLLYWOOD, Cal., March 14.—There is such a thing as a smooth course of true love—this in spite of the matrimonial hazards braved by Katherine Thorne, Chicago heiress, when she gave up the luxuries rightfully hers as the daughter of Robert J. Thorne, multi-millionaire, for love in a cottage, with George Gillespie, dashing Arizona cowboy.

The truth of this was vouched for today by this young couple who, a year after their romantic elopement at Castle Hot Springs, Arizona, to the startled surprise of exclusive social circles of the bride's home city and the horrified consternation of her parents, are to quote the still enamored young husband, "happy enough to bust."

True, "hazards" are still with them, but now, these hazards are nothing more serious than the hillocks and pools and bunkers of the miniature golf course of which George, no longer the booted—and spurred Lochinvar of the desert, is the manager.

Hin ten-gallon hat replaced by a baret (yes, actually)—

His chaps discarded for the nattiest of plus-fours and gaudiest of golf socks.

His flannel shirt exchanged for a flaming pink sweater.

His boots and spurs cast away in favor of black and white sport oxfords—

Young Mr. "Lockinvar" Gillespie now swings a golf club with the same skill that he once hooked rambunctious steers with his swishing lariat.

And Mrs. Gillespie, or "The Button," as he affectionately calls her, helps him.

And likes it.

She likes to punch the bright new cash register, her especial job, and to greet "customers" and even to instruct if there is a rush of business, she said today.

Of course, though, George is the chief instructor.

Golfing isn't as hard as cowpunching, he said, admitting that his score is 49 on the course where par is 48.

"You have to put your mind to it, just like you do when you're breaking bronchos," he explained.

It was a year ago recently that George and his demure, blue-eyed wife were married.

"A fine anniversary we had, too," they said today.

"If the next year brings us as much happiness as the last one has—well, we just won't be able to stand it, will we honey?" The ardent George asked "The Button."

"No, I guess we won't," she answered.

Forester Has Pet Civet Cat

(International News Service)

VISALLA, Cal., Mar. 14.—Someday Martin Cuesta, concession superintendent in Giant Forest, Sequoia National Park, will read something about fools entering where angels dare not tread.

But so far he is perfectly happy in companionship of his pet civet cat which follows him around, eats out of his hand and sleeps at the foot of his bed.

Civet cats are supposed to be of a genuinely mean disposition most of the time.

Franco-American COFFEE
For Particular People

LETTERS TO THE NEWS

Letters intended for this column must be signed with name and address of writer.

Eustic, Florida,
March 10, 1930.

Editor The News;
Dear Sir:

I have never been sorry for making Eustis my headquarters this year after finding Dr. Moore, our old pastor at Central Presbyterian church in such good shape physically. I know his many friends in New Castle will be glad to hear it, especially after the very sick spell he had last year. They will also be glad to know that he is not only beloved by his own people but by everybody in Eustis, black or white, rich or poor. They all have a good word for him.

As a pulpit orator, I haven't heard anyone to beat him. While his congregation here only numbers three hundred, during the tourist season his church is packed and for the morning services they always have to throw open the Sabbath school room.

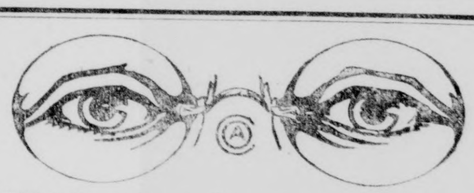

Dr. Trainor of New Castle has driven over twice from Orlando, a distance of thirty-two miles, to hear him and he told me he would be over again, before he left for home. Dr. Moore has one of the best paying positions as pastor in this section of the state, $4,500 a year and a fine Manse. He is always glad to see any of his friends from New Castle, when they drop in.

Besides being a good pastor, Dr. Moore is a good all around man and likes to fish. He and I have been out together four or five times but today we had the best catch of all. We were on the lake five hours and came in with twenty-eight fine big ones. I am enclosing you a postal showing a morning catch, but our catch today beat it by six fish. Would have liked to have had a camera but I did not bring one with me this year.

These fish made five families happy by dividing the fish among them. If I could get a catch like that back home, I would invite The News force for a Fish Fry. As it is I must send the bunch something and as it is so hard to ship oranges, there being so much red tape about it, I think I will have to send some pecans, just to show them that I enjoy getting my home paper, even if the news is two days old when I get it.

Really, The New Castle News is hard to beat and Mrs. White and I enjoy it next to a letter from our own children. Tell Bart I hope he goes back to Harrisburg for another term.

Yours as ever,
WILLIAM M. WHITE.

TASTY TOAST

TOAST—thin, crisp and golden brown—is a favorite food because of its wheaty flavor. But it has other values. It requires adequate chewing and so gives needed exercise to the teeth. Toast and eggs form a good breakfast which is nutritive and yet so easily digested that it will not interfere with the day's work.

Bread occupies an important place in the diet of the normal individual, and properly baked bread made with milk is a wholesome, nutritious and inexpensive food.

Autos Kill 250 In Two Months

February Death Toll Greater Than That Of Preceding Month

HARRISBURG, March 14.—During the months of January and February, 250 persons were killed in motor vehicle accidents in Pennsylvania. February's total was 130.

In February 2477 persons were injured, as against 2662 in January.

"The majority of the persons killed and injured were pedestrians," said Motor Vehicles Commissioner Benjamin G. Eynon today. "Despite continual agitation in newspapers magazines, from the platform and pulpit, and in school rooms, motor vehicle operators seem to be conducting themselves with an increasing disregard for persons afoot. In the average Pennsylvania municipality the pedestrian takes his life in his hands when he crosses the street even in suburban sections.

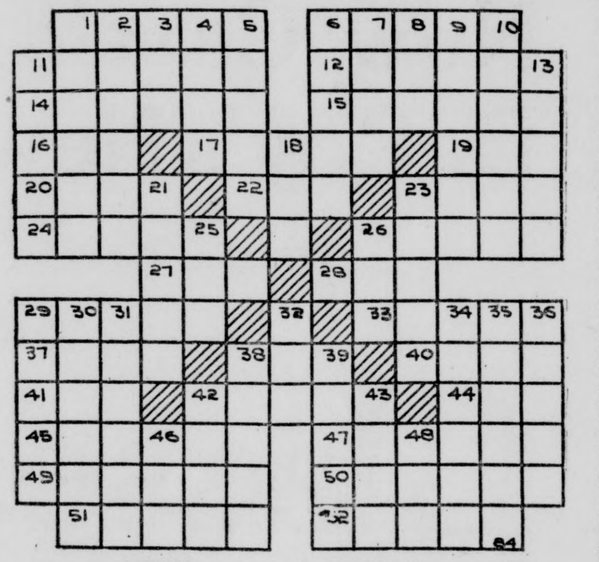

"In the city of Harrisburg alone since January 1, five pedestrians have been killed. In one case the operator of a vehicle tried to alibi himself by saying that as he approached an intersection a number of persons crossing the street, retreated to the curb, but that the person whom his truck killed did not retreat. There is nothing in the law compelling persons afoot, and legally in the cartway, to flee to the curb on the approach of a car or truck. There is nothing in the law excusing a motor vehicle operator traveling at such speed that he is unable to avoid striking a person legally in the cartway.

"Doubtless caution and courtesy will not become attributes of the average driver until the courts begin to send careless operators to jail for long periods. The law is that except at crossings protected by officers or signals the pedestrian legally off the curb—who has stepped from the curb in advance of motor vehicles coming from any direction, has right-of-way over all traffic. This provision has been upheld in supreme court decisions.

"The careless indifference with which Pennsylvanians regard the slaughter of pedestrians is amazing. Eventually, however, public sentiment will be aroused and will evidence itself in radical amendments to the motor laws, in all likelihood. If operators find these restrictions harsh and extremely irksome, they will have only themselves to blame."

The Motor Vehicles Bureau recently received an anonymous communication to the effect that in one case the operator of a truck purposely swung close to a girl in the cartway, thinking to frighten her. He swung too close, however, and the girl was killed.

Peter's Adventures

BY MRS FLORENCE SMITH VINCENT

FLYING HIGH

No sooner had Dragon-Fly finished telling Peter the story of Tree Cricket's life than he soared high into the air, where he could get a good view of all that was going on around him.

"The circus is over, boy!" shrilled he. "The crowd is making for home. If you and I hang around here it will not be long before we are the only two left on the circus grounds. How would you like to hop on my back and take a spin, hey?"

"Try me," chuckled Peter. "And you can fly fast as you want to. I shall not be afraid. I have ridden sky steeds before. But you'll have to come down to earth. I can't get to you, up there. Take care, Dragon-Fly! You almost caught your lacy wings on that thorn. Don't drop into the forget-me-nots, either. I scratched my finger and found out there was a blackberry vine hiding behind them."

"Ugh!" Dragon-Fly, who had dropped to the ground beside Peter, shuddered. "If there is one thing I can't stand the sight of, it is blood. I never look at any insect after I have snapped its foolish head off!"

"W-w-what?" In his horror, Peter stammered, but Dragon-Fly paid no attention, only chuckled.

"I've no time to stand talking here," said he. "Hop up on my back and hold fast, for I keep my mind on flying and if you were careless enough to fall off I should never miss you.

"Ready!" cried Peter.

Up shot Dragon-Fly, with a suddenness that made the boy's head swim. Straight toward the sky the flier soared until the boy began to wonder if he were shooting at the evening star. Then just as swiftly Dragon-Fly changed his course and flew to the left, straight ahead. Peter, feeling right-side up at last, peered cautiously down from between Dragon-Fly's wings.

* * *

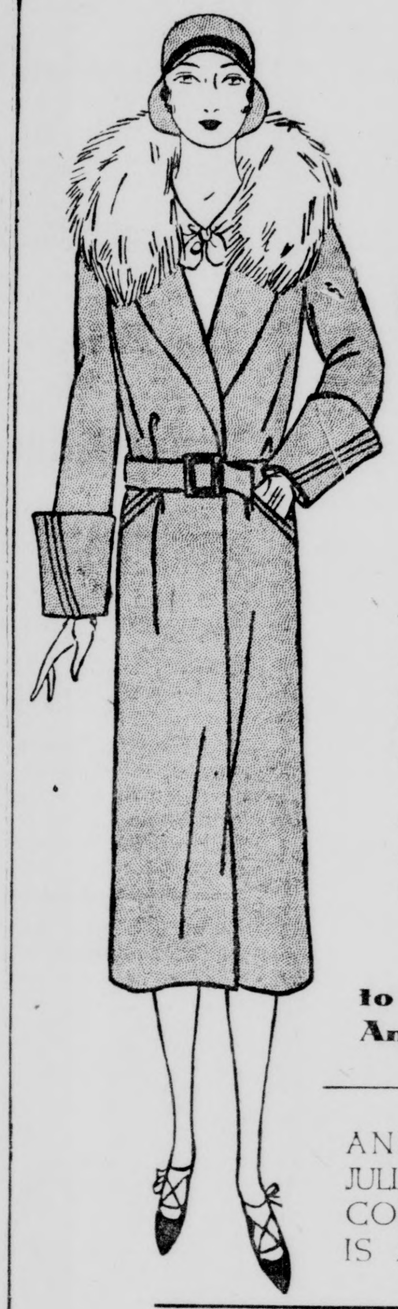

Next: "Bumble Bee and Butterfly Flee."

UP SHOT DRAGON-FLY WITH A SUDDENNESS THAT MADE THE BOY'S HEAD SWIM.

Denver Firemen Have New Helmets

(International News Service)

DENVER, March 14. — The metal helmets which have been used by a number of the Denver Fire Departments have been joyfully discarded by the firemen and a new type of headgear of a lighter composition and different shape is now is use.

The new style helmets are practically the same shape as the metal trench hats worn during the war by the American soldiers, although lighter.

Maybe the naval conference and the tariff bill will make a hot race of it to a finish.—The Manchester Union.

9 Months Old Baby Is Expert Whistler

(International News Service)

DALLAS, Tex., March 14—Although he is only nine months old and quite naturally, can' talk yet, Bobby Lee, son of Mr. and Mrs. Jack Kivett, is an accomplished whistler. And a veteran he is, too, having learned the art at least two months ago.

Not only does he whistle for his own amusement, but properly persuaded, will do solo numbers—slightly off key, perhaps—for the entertainment of his admiring friends.

Pilgrims Encounter Terrific Storms!

ON the sixty-first day of their tortuous voyage, two hundred men, women and children crowd the rails of the Mayflower for their first glimpse of America. Heading south from white sand-banks of Cape-Cod, the frail vessel encounters violent storms, perilous shoals and breakers—brave hearts are chilled with panic.

"KONJOLA DID WONDERS IN MY STUBBORN CASE"

Spent Thousands For Relief Then New Medicine Makes Short Work Of Dread Rheumatism.

MR. WM. BURROWS

"For thirty-five years I suffered from a severe case of rheumatism", said Mr. William Burrows, 2215 Myrtle street, Erie, Pa. "I spent thousands of dollars in a vain search for relief. There is no use trying to describe the knife-like pains that often shot through my body. Sufferers from rheumatism know what agony this dread ailment can bring. My general health and nervous system were badly affected and I was utterly discouraged.

"One day a friend advised me to try Konjola. I laughted at him but he insisted. Before two weeks had passed I knew, to my everlasting joy, that I had found the right medicine. My pains grew less and less until now, at the end of the fifth bottle of Konjola, I am almost free of this dread ailment for the first time in years. I shall continue the medicine, for my entire system has been benefited by its use. I can never express my gratitude for Konjola."

Konjola is sold by Love & Megown, the druggists, 204 E. Washington St., this city.

Broadcast Talks On Care Of Teeth

HARRISBURG, March 14.—The Harrisburg Dental Society, co-operating with the Pennsylvania State Department of Health, has begun broadcasting educational talks on the care of teeth through the courtesy of radio station WCOD, Harrisburg. The talks will be broadcast indefinitely every Saturday from 5:45 to 6 p. m.

Dr. C. J. Hollister, chief of the dental division, State Department of Health, will be personally responsible for the broadcasting. In addition to his own talks, Doctor Hollister will broadcast material prepared for this purpose by the special committee of the Harrisburg Dental Society.

McDonald Speaks At Beaver High Letter Banquet This Evening

NEW WILMINGTON, Pa., March 14.—Graduate Manager A. A. McDonald of Westminster College will be the principal speaker at the Beaver high school letter banquet to be held tonight at 6 o'clock. Al Wierman, former Westminster student, and later Carnegie Tech athletic star, is coach at the Beaver school. He requested McDonald to make the speech at the banquet at which time football, basketball, and other letter awards are made.

McDonald will get back to New Wilmington tonight in time for the smoker which Kappa Phi Lambda fraternity is having for the championship Westminster basketball team. Tomorrow night, Coach John Lawther and McDonald will attend high school championship tournaments in Akron, O., and Grove City respectively.

Southwest Man Is Champion Radio Fan

(International News Service)

DALLAS, Texas, March 14.—After 111 hours—over four and a half days—of continuance listening to good and bad radio broadcasting, Chester Slaton of Dallas, has been declared champion radio listener.

Seven contestants in the radio audience marathon began the gruelling test, but one by one they toppled over for sleep and were eliminated. The last one to take a nap was Miss Betty Blake. Then Slaton was left.

He received a new radio set as prize, broke the world record of 106 hours and then took a nap.

Plan Survey Of Industrial Study

HARRISBURG, Mar. 14—The Department of Public Instruction today announced that seventy-eight leading Pennsylvania teachers and directors of industrial education have been named on committees to make an analysis of book material in the field of industrial education.

The committees cover the following subjects: Automotive, Bricklaying, Drafting, Electricity, English, Interior Decorating, Machine Shop, Mathematics, Patternmaking, Foundry, plastering, Plumbing, Printing, Safety, Hygiene, Science, Sheet Metal, Social Science, Tailoring, Welding and Woodworking.

A pamphlet, containing the criteria for the evaluation is being printed by the Department of Public Instruction for the information and guidance of members of the committees and publishing houses.

The matrimonial bark is wrecked by the matrimonial barking.

Soap and Hard Water Alone Will Not Give *Best Dish Washing Results*

Local housewives claim amazing results when new water-softening cleanser is added in washing anything. Takes ¼ the soap—saves ½ the time.

ANEW discovery is cutting dish washing time in half—eliminating greasy film on dishes and the scum in the dishpan—the penalties you local women have been forced to pay for the hardness of city water.

It is not a soap but a water-softening cleanser that makes any soap more effective in cleansing results by changing "hard" water to "soft". And you need use only one-fourth the soap formerly needed.

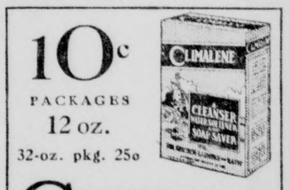

What It Is

It is a preparation called Climalene that you add to your washing water. Just a tablespoon or two.

Instantly, it takes all the harshness out of that water. Makes it soft as rain water.

At the same time, due to certain bland cleansing agents, it instantly DISSOLVES all dirt, stains and grime. And thus cuts washing time ONE-HALF or more.

Use the soap or soap flakes you ordinarily do. Then see for yourself the amazing results. During 1929 women used over 24,000,000 packages of Climalene for washing, for cleaning and in the dishpan.

Laboratory Proved

To assure results to you, we buy fine things, lingerie and delicate fabrics, costly china. Then by repeated washings, try to spoil or fade them.

Consider, please, what those things mean to you. Consider, too, that the minute you put this creation into water, all harshness is taken away—your hands protected from roughness, made soft, smooth and white. Then try it.

Remember the name—Climalene. Your grocer has it in 10c and 25c packages.

THE CLIMALENE COMPANY
CANTON, OHIO

Five Billion Feet Of Gas Is Wasted Daily

Tremendous Waste Of Valuable Product Brought To Light

INVESTIGATION IN CALIFORNIA OPENED

(International News Service)

SACRAMENTO, Cal., March 14.—Gas wasted in five large California oil fields is now passing the half-billion mark in cubic feet daily.

This enormous loss of one of California's most valuables products was reported to Governor Young by Fred Stevenot, director of natural resources.

Director Stevenot included in his report the announcement that demurrers filed by operators in the Santa Fe Springs injunction suit will be heard in Los Angeles superior court on March 12, while hearing of the Kettleman Hills case was continued to April 1 in Kings county superior court.

"Hearings before the oil and gas supervisor on gas wastage in the Elwood fields are also set for an early date," Stevenot reported. "The exact date, to be determined later, depends on progress made in the injunction proceedings now pending in Los Angeles and Kings county courts."

Total gas wastage in five fields was estimated at 569,302,000 cubic feet, as compared to a total of net production of nearly a billion and a half cubic feet in the state. This waste is segregated as follows:

Long Beach, 59,255,000 cubic feet daily; Santa Fe Springs, 265,462,000; Ventura, 28,021,000; Elwood, 22,025,000; Kettleman Hills, 173,516,000.

Director Stevenot also announced that his department has been requested to join with others in opposing the further exploitation of the Playa Del Rey oil field, located near Venice, Los Angeles county.

Watch the Kidneys Before and After Childbirth

DURING the period of pregnancy the kidneys have double work to do, which is apt to weaken them so that they fail to keep up their work of filtering the poison out of the blood-stream. This condition, unless looked after promptly, may kill the baby before birth and ruin the mother's health, too.

The expectant mother should have her urine examined every few weeks. This should be done by the attending physician or send sample to Dr. Pierce's Clinic, Buffalo, N. Y., for free analysis.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use Dr. Pierce's Anuric Tablets. All drug stores.

Every ailing woman may consult Dr. Pierce's Clinic, Buffalo, N. Y., by letter, absolutely without charge.

Send 10c if you wish a trial package of Anuric.

MOVES AFTER THIRTY EIGHT YEAR STAY

(International News Service)

BOSTON, March 14—Mrs. Margaret Butler, 81, widow of Wiliam Butler, once a prominent merchant here, is giving up her apartment, which she remained in for thirty-eight years, because the rent of $133 seems too high.

Don't Go to Extremes To End Constipation

When bad breath, or a coated tongue, biliousness or headaches warn of constitpation, don't take violent purgatives. There's no use when a candy Cascaret will stop the trouble in a jiffy; will cleanse your system pleasantly, and completely.

The relief you get so promptly from Cascarets is lasting. Cascarets are made from cascara, a substance which medical authorities agree *actually strengthens the bowel muscles.*

So Cascarets are a blessing to old folks with weakened bowels; to children; to anyone in need of establishing regular bowel habits. Ten cents a box—all drug stores.

ROUGHAGE IS ESSENTIAL IN REDUCING DIETS

Kellogg's ALL-BRAN Is Ideal Roughage

If you are following a reducing diet, it is doubly important that you take a regular amount of roughage into the system daily. Most reducing diets do not contain a sufficient amount of roughage. The result is constipation—thief of both health and beauty.

Kellogg's ALL-BRAN is recommended by many doctors and dietitians because it contains the bulk necessary to insure proper elimination.

Also, because it contains the iron needed to help prevent anemia—another danger in reducing diets.

ALL-BRAN is not fattening. Its bulk sweeps the system clean of poisonous wastes—helping to promote glorious health and beauty.

A popular way to eat Kellogg's ALL-BRAN is soaked in fruit juice. Try it! It is delicious with milk or cream. Sprinkle it over cereals, salads and soups. It adds flavor to cooked foods and is equally effective. Your grocer has Kellogg's ALL-BRAN. It is served in restaurants, hotels and dining-cars. Made by Kellogg in Battle Creek.

Kellogg's ALL-BRAN

Plan For Meeting Of Farmers In April

Grove City Commercial Club To Be Hosts At Gathering April 9

GROVE CITY, March 14.—The annual farmers meeting of the Grove City Commercial Club will be held this year on April 9th. The meeting will be held in the Penn Grove Hotel.

Robert Flint, of the committee in charge advises W. F. Schilling of Washington, D. C. ,a member of the board, will be principal speaker. Mr. Schilling is well known in Minnesota, his native state, and throughout the northwest for his work in organizing associations of agricultures and for raising pure bred cattle.

Members of the club are gratified at having been able to secure Mr. Schilling as his message will be of the utmost interest.

MODELS LINCOLN

Modeling a life size face of Abraham Lincoln for the production of the "The Copperhead" to be given this evening and tomorrow evening by the Crimson Masque in Carnegie Auditorium, a pupil of Grove City High School has repeated a previous triumph in sculpturing. Milton Stewart, son of Mr. and Mrs. Roy Stewart of Poplar Street, attracted considerable attention with a small figure last winter, and his latest work shows a marked improvement. He was commissioned to make a life size model for the play and the result was highly pleasing.

Amelia Pagganelli, 11 year old daughter of Mr. and Mrs. Anthony Paganelli, of South Broad street has been awarded a medal in a contest of essays on Abraham Lincoln conducted by a Pittsburgh paper, in which thousands of children took part. Amelia is a pupil in the fifth grade of the Grove City schools at Central building. The medal is bronze and on the face is carved the picture of Lincoln.

TO GIVE PLAY

"The Dream of a Clown" will be staged on Thursday and Friday, March 20 and 21 in the Carnegie Auditorium. The play is being sponsored by the Business and Professional Women's club and the proceeds are to be used for thier educational fund, to help girls through school.

The cast is made up of 70 prominent local men who carry the slogan, "All our Women are men, yet every one a lady."

TO RECEIVE CLUB

Mrs. M. W. Graham will receive the members of the General Hugh Chapter of the D. A. R. at her home on Pine street on Friday, March 14. Mrs. W. S. McKay of Greenville will speak on "The Menace of Radicalism." All members are urged to attend this meeting.

BEETLE QUARANTINE AFFECTS 16 COUNTIES

(International News Service)

BALTIMORE, Md. March 14—Sixteen counties in Maryland have been affected by the extension of the quarantine on the Japanese beetle, according to an announcement made by the Secretary of Agriculture.

New Anti-Pain Oil Works Wonders

Takes the Crick Out of Your Neck, the sharp shooting pains out of the shoulders—In a few minutes.

This new discovery is a combination of eucalyptus together with essential oils, turpentine-Camphor, Capsicum and other valuable ingredients that is now being offered the public under the name of "Anti-Pain Oil," formerly known as Snake Oil. It has proved to be an effective, agreeable remedy for aches and pains, chest colds, flu, coughs, etc. Thousands of sufferers are now being relieved by this new penetrating oil liniment.

For rheumatic pains, neuralgia, crick in the neck, sharp shooting pains in the shoulder, stiff joints and sore muscles, apply freely to affected parts. The oil quickly penetrates, bringing relief almost like magic. For chest colds, flu and sore throat, apply freely to affected parts, well greased with vaseline or lard. For coughs or hoarseness take ten drops on a lump of sugar.

Don't continue to suffer longer. Use this new and improved remedy, perfected after years of research and experimental work, instead of poisonous habit forming drugs. You will then know what it means to be free from pain.

Refuse imitations. Nothing like this new Anti-Pain Oil formerly known as Snake Oil. Special introductory generous size bottle for 70c at your druggist. Now being sold and introduced by Eckerd's of New Castle, Inc.

BOSTON WOMAN AND KOREAN LEAD BLISSFUL LIFE

(International News Service)

SAN FRANCISCO, March 14.—East and west can sometimes meet with complete success, according to Dr. Y. C. Yang, Korean physician of Honolulu, and his blonde wife, Mrs. Rita Waldron Yang, former Boston society girl.

Dr. Yang said today that he did not urge Orientals to rush into marriage with white women, but that he believed that "true love" could make a lasting bridge between persons of different races.

Complete agreement with her husband was expressed by Mrs. Yang.

"If a man and woman have the same cultural background and the same interests, there is no reason why differences of race should keep them apart," she declared.

"Too many people," Dr. Yang said, "marry emotionally, without proper contemplation of their mutual interests and desires. They do not look far enough into the future. Before my wife and I were married, we knew each other for five years. I was an instructor at Boston university, and she was secretary to the president. We examined our problem from all angles and when we were at last sure of ourselves, we married. Time has proven that we did not make a mistake. We had decided that when we were married it would not be an experiment, but for the rest of our lives. That is the way we still feel about it."

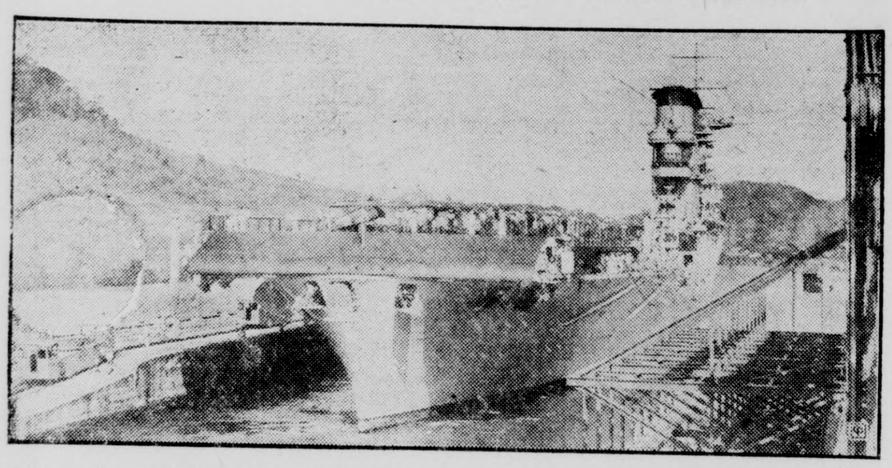

Pointing out that the "world is filled with race prejudice," Mrs. Yang declared that she and her husband might have been disheartened had it not been for their love and interest in each other.

Sheridan Avenue Woman Is Injured

Hit By Automobile While Crossing Street A Short Distance From Her Home

Miss Grace Lowers, 507 East Sheridan avenue, is confined to her home as a result of injuries sustained on Thursday evening near her home, when struck by the automobile of Anthony Pascarella of 514 Norwood avenue.

According to the report made to the police by Mr. Pascarella, he was driving north on Delaware avenue at Sheridan avenue, as a machine which had been parked on Sheridan avenue made a right hand turn onto Delaware avenue.

As this occurred, Miss Lowers ran across the Delaware intersection of Sheridan avenue and was struck by his machine. She was knocked to the street. Mr. Pascarella picked her up and removed her to her home.

A physician was called and found that she had sustained bruises about the body and was suffering a great deal from the shock resulting from the accident. As far as could be determined, her injuries were not serious and no bones were broken.

Insanity Gain Seen In France

(International News Service)

PARIS, March 14.—Madness is on the increase in Paris, at least there were three hundred more Parisians to be found within the mad-houses of the Seine department at the end of the year 1929 than during the previous one. This number has been steadily going up since the war.

But this does not mean unfortunately, that all of the 14,824 Frenchmen who are in the asylums are really mad. Many of them are only ill or a nuisance to their families and have been put away to be taken care of. A movement is now on foot to make these houses more like hospitals with well fitted laboratories, doctors, etc., to cure the mentally ill.

Pays For Stolen Melon After 15 Years

(International News Service)

SALEM, O., Mar. 14.—Fifteen years ago, Joseph Bova, Salem fruit store owner, missed a large water melon from his store here.

Recently he was accosted by a man who handed him 50 cents.

"That's to pay for the watermelon I stole from you 15 years ago," said the stranger walking away.

Rewarded For Saving Burning Child

(International News Service)

PITTSBURGH, March 14.—Frank Netz, painter, is the proud recipient of an honor button which he received from the Western Pennsylvania Humane society recently because of his valor in rescuing a child whose clothes were afire.

No Such Thing As Lazy Child University Physicians Say

(International News Service)

CHICAGO, Ill., March 14—A sweeping indictment of parents and teachers for causing many children to grow up into "misfits, failures and physical and nervous wrecks, who make life miserable for themselves and for others," was voiced here today by Dr. Julius H. Hess, of the University of Illinois college of medicine.

Dr. Hess scored the practice of heaping more work on a child who seems lazy and declared that there is no such thing as a lazy child.

"There is no such thing as a lazy child in the sense that this term is scathingly applied," Dr. Hess asserted. "The universal chacteristic of the normal child is action. ....

"Tire is a symptom and it may be the sympton of various conditions due to many causes," Dr. Hess continued. "To punish such a child in any form for being lazy is merely adding fuel to the flame.

"Overheating, and partaking of the wrong kinds of food with their resultant overtaxing of the digestive and eliminative organs and the consequent storing up of poisonous substances in the body, will cause this symptom of tire.

"Undereating, too rapid eating, insufficient sleep, over exercise, maladjustments in the family, (such as constant bickering between parents, misunderstanding of the child, constant scolding, punishment of the wrong kind or inflicted at the wrong time)—these influences, with many others, will produce reactions in the child that lead to disturbances of body function of which tire may be an outstanding symptom," the doctor said.

Serious Origins

"Occasionally this symptom of tire may have a much more subtle and serious origin. It may indicate some vague chronic infection, possibly a parasitic infection of the intestinal tract, or some such chronic disease as diabetes. When we gain more accurate knowledge of the function of the ductless glands of the body and are better able to recognize the symptoms of their abnormal action, we shall doubtless find that chronic time may be a symptom of altered function of these glands.

"The school program is often too intense for undernourished children. With music lessons, dancing, boys' and girls' clubs, heavy school work and often up too late at night and their bodies are tired to the point of exhaustion," Dr. Hess said. "If they fall behind or fail in their classes they are frequently called lazy and more pressure is put on them at home and in school.

"The study hours are made longer and the home-work is increased. A vicious cycle is thus established which means that malnutrition makes them more tired and being too tired adds to their malnutrition.

"Thus because of the ignorance of parents and teachers these children may grow up into misfits, failures and physical and nervous wrecks who make life miserable for themselves and for others," the doctor concluded.

LOYAL BAND CLASS MEETS

The Loyal Band class of the Third United Presbyterian church met in their class room Wednesday for the monthly meeting.Mrs. Harry Gibson, president, was in the chair and officers for the coming church year were elected. Mrs. Clarence Johnson was chosen president: vice president, Mrs. J. M. Wiles: secretary, Mrs. J. W. Wardman: treasurer, Mrs. Lale Christy: missionary treasurer, Mrs. Elmer Rice: building fund treasurer, Mrs. Edd Ryan: teacher, Mrs. Frank Book and assistant teacher, Mrs. J. M. Wiles.

A social hour ensued and a delicious lunch was served by the hostesses, Mrs. Charles Gee, Mrs. Edd Morse and Mrs. Don Warnock. Places were laid for fifty and St. Patrick's colors were used in the decorations.

The April meeting will be featured by installation of officers and a tureen dinner.

Girl Autoist Knocks Out Ride Stealer

(International News Service)

PEORIA, Ill., March 14.—A young man who attempted to force Miss Gladys Kirkman of this city to take him riding in her automobile now knows he's a knockout.

The youth stepped on the running board of her automobile and demanded that she drive him to "100 South Adams street".

"Sez you," she replied at the same time deftly planting an uppercut on the youth's handsome chin. She then notified police.

Don't overlook these... special bargains at the Oakland-Pontiac Golden Opportunity used car sale

1928 Studebaker Dictator Sedan

Complete equipment. Duco finish and upholstery to match. Perfect mechanically after "Good Will" reconditioning and a beautiful car at an exceptionally low price.

Aged Woman Keeps Fortune Hidden In Home Of Squalor

SEATTLE, March 14.— Happy in her adopted poverty Seattle's "Old Lady of the Lamps" who is worth a fortune, but who has lived alone in squalor for 16 years, was back in her ramshackle home here today.

Mrs. Francis Jackson, 83, who won her sobriquet because she insisted she could not afford electric lights, dipped into her $90,000 "rainy day" fund to return to her home in style from the sanitarium where she had been confined for a mental test.

The taxi ride was at the suggestion of Judge Everett Smith who declared her sane yesterday, at a hearing requested by her 61 year old son, William.

"Willie will starve unless I take care of him," Mrs. Jackson replied when the court told her she was too old to live alone and too rich not to enjoy some of the luxuries of life. "I'm a poor woman," she insisted, but she agreed to the expense of hiring a cab to take her home and the son whom she publicly forgave for having her committed to an asylum went along to live with her.

For 16 years it was disclosed she had lived on a diet of tea, toast and potatoes although a fortune, principally stocks and bonds were found concealed in tin cans beneath the baseboard behind her kitchen stove.

National Farm Outlook

By ARTHUR H. JENKINS
Editor, The Farm Journal
Written for Central Press

One of the things the bright minds of the farming industry are working on is the artificial drying of grass and other crops. Looking far ahead, it seems as if the future prosperity of the business might be closely bound up in the successful development of this process.

I think I can hear the casual reader ask: "What on earth has a drying machine to do with farm prosperity?" And indeed, the connection is not, at first sight, very obvious.

The point is—or rather the points are:

First: That farming is carried on chiefly to feed farm animals, not human beings. From 75 to 85 per cent of all farm products are for animals to eat.

Second: Farm animals must eat in winter, just the same as in summer, and to be profitable must be well fed.

Third: The best and most profitable feed for animals is young green plants—grass, clover, alfalfa or what you like—even young wheat and oats plants.

Finally: Most of these plants can be grown nearly everywhere in this country; but in the regions where they grow best they are hardest to keep.

* * *

Fitting these facts together in a simple pattern, it is plain to see that what farming wants is a good way to feed farm animals on young pasture grasses and other young plants all the year round, fall and winter as well as spring and summer. That is the food on which they thrive best—it is their natural diet.

But what has farming been doing, all these centuries? you may ask

Well, it invented the drying of hay by sunshine. That is not a bad method, except that when grass is cut for hay, it is already too old to make good food. Furthermore, in regions where plants grow best, the rainfall is so heavy that it is impossible to make hay regularly.

Then we invented ensilage, which is also good—the storage of chopped green plants in a deep pit or silo. But even ensilage has serious drawbacks.

In England and Europe they grow root crops like rutabagas and mangels, instead of our clover and corn. That is good, too, and makes passable winter feed.

* * *

But it seems that the very best solution would be to cut young plants at just the proper age, when they are fullest of protein, the most valuable element, and then, by quickly drying them artificially, store the dried product for the winter.

That is the nearest thing to having summer pasture all the year round. The feed itself is the best. It doesn't depend on the weather to dry. It is easy to store and keeps indefinitely.

So that is why, as I began by saying, the engineers are working on drying processes, and have already worked out at least one type that is in successful operation. We are sure to hear a great deal more of dehydration on the farm hereafter.

STRONG MAN NEITHER SMOKES NOR DRINKS

(International News Service)
PROVINCETOWN, Mass. March 14. —I had a secret dream to be the superman of my age" recounted Alfred Flores, professional strong man on a visit here, to friends who knew him as a puny, sickly youth five years ago.

Flores, who weighs 140 pounds and bends iron bars with his teeth as if they were cigarettes, said he never smokes, or touches liquor and eats plenty of vegetables.

Soviet Wars On Typewriter Imports

(International News Service)
MOSCOW, March 14.—To cut down the imports of typewriters, which must be paid for abroad in gold, the Commissariat of Workers Peasants' Inspection, the efficiency department of the government intends to establish from six to ten centralized typing bureaus where all the typing for government departments and business concerns will be done.

Several hundred typists now employed in hundreds of offices will be concentrated under one roof. They will work in two shifts of six hours each seven days a week. The plan, the Commissariat said, will not only cut down the number of machines needed in Moscow, but will enable the government to get twice as much work out of each machine.

French Casinos Yield Big Profits

(International News Service)
PARIS, March 14—France's total number of 166 casinos yielded eight million francs in gambling profits less than the year of 1928, according to statistics publiced for the new year. The sum, however, was respectable enough, some four hundred million francs. More than a third of this amount comes from the Riviera, that is Cannie, Nice and Juan les Pins. Monte Carlo is not included, being in the Principality of Monaco.

AGED DESERTER SEEKING CLEAN BILL OF HEALTH

(International News Service)
ANNOPOLIS, Md., March 14—John Jakes, who is 83, said he is "getting up in years" and wants to die with a clear record. Ever since the Civil War, when he enlisted in the Union Army at the age of 15 and was wounded at the second battle of Bull Run, Jakes has been recognized by the War Department as deserter.

For years he has been urging Maryland's delegation in Congress to have the blemish against his name removed but with no avail. Some of those dropped his case, others died before they could argue it and now Rep. Gambrill, a Democrat, has sponsored a bill in his behalf in the House.

Jakes claims the desertion charge was unjustified because he merely returned to his parents after the war without receiving permission from his superior officers.

Shoulld Congress grant him a sum of money to represent the pension he would have been receiving all these years if he had not been dishonorably discharged as a deserter, Jakes declared it would not change his mode of living. He won't be "foolish with it," he said, and scoffed at the suggestion he might buy himself an expensive automobile and have a chauffer to drive it. He doesn't like motor cars.

Germany Withdraws Airplane Subsidy

(International News Service)
BERLIN, March 14.—Charging the Reich with an attempt of "judicial murder" the Rohrbach Works, famous for their all-metal "Romar Flying Boats," announce their imminent "death" by the hand of the Reich Ministry of Traffic, meaning that a bankruptcy is inevitable, unless they are granted government subsidies.

Rohrbach claims that 200,000 marks are due him out of government funds voted by the Reichstag for the support of the airplane industry. Out of these funds 300,000 marks were allotted to the Rohrbach Works, of which 100,000 were paid.

The Ministry of Traffic holds that considering the general financial plight of the Reich the government could cancel the subsidies at any time because they were not bound by contract to pay.

Accusing the Ministry of partiality and undue preference given to other airplane works Rohrbach, in a communique to the press, bitterly complains that the "Reich runs the works at a time when the foundation of the Metal Flying Boat Corporation of New York promised favorable business in the nearest future."

NEED BETTER BREAKS

It takes precious little shove to send some men down hill, says a contemporary.

NEW TEACHERS SLATED TO TAKE JOBS AT HARVARD

(International News Service)
CAMBRIDGE, Mass., March 14—Resignation of one professor, appointment of two assistant professors, and five lecturers has been announced by Harvard University.

L. W. Collett, Professor of Geology, who came to Harvard as visiting lecturer in Geology in 1927 and was made Professor after holding that post for one year, resigned . He received his Dc. S. from the University of Geneva. He has held chairs as Professor of Geology at the University of Edinborough and at the University of Geneva.

Francis Otto Mattiessen, Instructor and Tutor in History and Literature has been appointed Assistant Professor and Tutor in History and Literature, effective next September. He was graduated from Yale in 1923, received his B. Litt., from Oxford in 1925, his A. M. and Ph. D. from Harvard in 1926 and 1927 respectively.

George Bodgan Kistiakowsky, at present assistant Professor of Chemistry at Princeton comes to Harvard next September as Assistant Professor of Chemistry.

Professor Selig Hecht of Columbia University comes to the Harvard Medical school as Howe lecturer on Opthalmology for the year 1929-1930, and Dr. Stewart Duke-Elder of London comes to assume the same lectureship in the year 1930-1931.

Boswell Magill Professor of Law at Columbia University, will be visiting professor of Law at the Harvard Law School for the first half of 1930-31. He has held a full professorship there since 1927.

Phillip de Vargas, Professor of History in Yenching University, China, will come to Harvard next September for the first half year as lecturer in Chinese.

Halvadan Koht, Professor in the University of Oslo, Norway, will lecture in history at Harvard for the first half of 1930-31.

Crusade Against Automobile Sheiks

ROCHESTER, Pa., March 14.—The Rochester Ministerial Association has launched a crusade against automobile "sheiks" who accost and insult unescorted women along the streets, inviting them for rides.

At a meeting of the association here one minister complained that his daughter had been accosted, while another minister reported his wife had been insulted when she resented an invitation for a ride.

Rev. Custer C. Rich, pastor of the First Baptist Church, and Rev. Homer K. Miller, pastor of the Bridgewater Presbyterian church, were named a committee to confer with Chief of Police Robert Compton in an effort to break up the practice.

Old Fashioned Girl Due To Return--With Petticoats

By GENE KOWSKE
International News Service Staff Correspondent

BOSTON, March 14.— "Goodbye Miss Flapper, hello Miss Prim."

That might be the salutation to the new Miss 1930, at least in regard to clothes.

Women, exercising their famous prerogative of changing their minds, have accepted fashion's mandate and are tending toward the formal stylists in the cotton industry from Paris reported to the National Association of Cotton Manufacturers.

"We shall see the petticoat back again," these fashion authorities declared, "but it will bear only a faint resemblance to that worn by grandmother.

"The whaling industry need not grow hopeful of a revival. There is no question of a return of the old-fashioned stay yet the foundation garments must be firm as to fabric, without weight and perfect as to fit.

"The new models of clothing must be worn, not thrown on in a hurry. Women must learn to walk and carry themselves as though they knew how all over again.

"More yardage and more clothes is the demand of the new mode. The showing of Paris models always includes a gesture of spreading the skirt to its fullest length."

Silks have changed their type entirely, the style experts reported. The extra yardage with its intricate cut demands a heavier fabric both in looks and in weight.

"As for pyjamas, Madam 1900 climed into a wrapper and hid herself fro a view. But Modern 1930 dons her latest model pyjamas as wide in the trousers as a circular skirt and cut low in the back. Then she can lie out in the sun and concentrate on vitamines, and not care who knows it."

East Brook News

HONOR ROLL

The honor roll for the six weeks period ending on March 5:

Freshmen: Dorothy Carrick and Mary Dudash.

Sophomores: Helen Simison and Mary Lapp.

Juniors: Alfred Barnes.

Seniors: Sophia Gardner and Samuel Leon Stunkard.

RADIOS INCREASE ON STATE FARMS, CENSUS REVEALS

Latest Survey Shows Steady Rise In Instruments Owned

HARRISBURG, Mar. 14—Approximately one of every four farms in Pennsylvania has a radio today compared with one in every ten farms in 1924 according to the bureau of statistics, Pennsylvania Department of Agriculture.

The number of farms having radios has increased rapidly during recent years, being 48,560 January 1 this year, 42,050 a year ago, 35,460 in 1928, 34,672 in 1927 and 10,378 in 1924.

Bucks county leads with 1970 farms having radios and is followed by Chester, Berks, Westmoreland, Washington and Lancaster in order named.

Lawrence county farmers owned 720 radios in 1930, an increase of sixty over the preceding year and 90 over the figures in 1928. Mercer county farms owned 1,120 radios in 1930, the figures show.

Fear For Lindbergh's Life In Glider Tries

Colonel Lindbergh Has Two Narrow Escapes As Glider Barely Grazes Telephone Wires

(International News Service)

CARMEL, Calif., March 14.—Some concern was felt hereabouts today for the safety of Col. Charles A. Lindbergh should he persist in trying to shatter the long distance glider flight record.

On the first of two takeoffs from a knoll on the Sidney Fish estate here yesterday the flying Colonel caused spectators to gasp when his motorless plane nearly grazed a string of telephone wires which border a pasture.

Both of Lindberg's attempts at a distance flight were spoiled by lack of wind.

Governor Fisher Issues Proclamation

Governor Of State Sets Aside This Week As Business Women's Week

Governor John S. Fisher has issued a proclamation setting aside the present week for the appropriate observing of Business Women's Week throughout the state. His proclamation follows:

WHEREAS, The National Federation of Business and Professional Women's Clubs has set aside the week of March tenth in order to invite the attention of the public to the achievements of business women and to emphasize the important contribution which women are making to the commercial, professional and civic life of the day, and

WHEREAS, there are in Pennsylvania four thousand women affiliated with this organization through thirty-seven clubs, and

WHEREAS, the problems of the business woman, her achievements and her interest in the welfare of her community is a matter of vital concern to all.

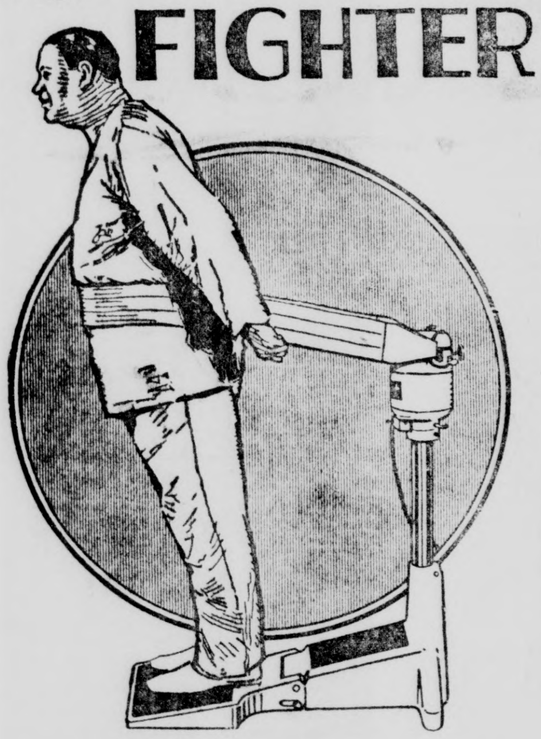

NOW, THEREFORE, I, John S. Fisher, Governor of the Commonwealth of Pennsylvania, do hereby designate and set aside the week commencing March tenth and ending March sixteenth as Business Women's Week, to be appropriately observed by the people of this Commonwealth.

Given under my hand and the Great Seal of the Commonwealth, at the city of Harrisburg, this twenty-first day of February, in the year of our Lord one thousand nine hundred and thirty, and of the Commonwealth the one hundred and fifty-fourth.

Signed—JOHN S. FISHER
By the Governor:
ROBERT R. LEWIS,
Secretary of the Commonwealth.

This is the uncertain season of the year when the weather is often like a batted ball, starting fair and rolling foul.—The Louisville Times.

It's a FAT-FIGHTER

OVERWEIGHT is dangerous. Life insurance practice in refusing "risks" proves that marked overweight, especially in middle age and after, is a cause for alarm.

Excess, flabby flesh generally results from decreased exercise and increased eating of rich foods. The highest authorities advise persons with a tendency to overweight to reverse this process.

Now the Master Healthizer supplies the exercise necessary to fight fat, *pleasantly, safely*. It exercises all the muscles thoroughly without strain on the heart. It tones the muscles, making them firm where once they were flabby and weak, stimulates elimination, and results in vigorous health and increased "pep."

Its excellent and stimulating effects can be almost instantly felt.

Come in and let us give you a personal demonstration. Let us explain all the benefits of the Master Healthizer to you.

Veteran Navy Man Continues Sky Research

Expects To Uncover New Wonders During Next Few Years

(International News Service)

MARE ISLAND, Cal., March 14.—Technically in retirement, Captain Thomas Jefferson Jackson See, for many years senior mathematician of the United States navy, today is keeping new scientific realms to conquer as he delves deeply into the mysteries of advanced astronomy.

At the age of 64 years, he says, he has only begun the researches in astronomical spheres — researches which already brought him world-wide fame.

For 30 years he has rendered valuable services to the navy and to the world at large as a mathematician and an astronomer.

"And I fully expect to devote the next 30 years to completion of the researches which I have started," Captain See said.

He is the author of 30 volumes of work ranking him with Newton and LaPlace. Eight of these volumes remain as published.

What his plans for the immediate future are, Captain See refused to reveal other than that they deal with researches having to do with millions of small comets in the solar system.

Since devoting himself to mathematics 50 years ago, Captain See has made discoveries and conducted researches which have brought him international fame.

Among the most outstanding theories advanced by him is the one dealing with the capture of small bodies in space to build up large ones, giving a wholly new view of the origin of the solar system.

Others are:

Dynamical theory of the Milky Way, with verified map of the universe, showing laws for the arrangements and distribution of hundreds of millions of stars and nebulae to a distance of 2,000,000 light-years, a problem on which Sir William Herschel labored 150 years. Captain See worked 21 years on this problem.

Connecting magnetism with the waves operating in electrodynamics, leading to the wave-theory of universal gravitation.

Wave-theory of atomic and molecular force and proof of the theory of gravitation, described as an advance in pure mathematics unparalleled since the founding of the School of Alexandria 22 years ago.

Dynamical theory of tides.

Establishing that mean distances of planets are invariable, and the solar system is stable as if destined for eternal duration.

There is enough conscience left in the world for every nation to be shocked at the way others treat undeveloped peoples.

FROM FRIDAY MORNING'S EIGHT O'CLOCK EDITION

MRS. BALDWIN TESTIFIES THAT BLONDE HELD GUN THAT STRUCK DOWN PAUL

Testimony of Woman Witness to Shooting on Butler Road is Feature of Thursday Night Session of Court Trial — Moore Completes His Story of Gun Battle.

Telling her story in a manner that carried conviction, hesitating not at all, and refusing to be stampeded by the grilling cross examination of the defense attorneys, Mrs. Eva Baldwin scored a telling blow for the commonwealth Thursday evening at the night session of the trial of Irene Schroeder, now in session in court room number one. There was nothing complex about Mrs. Baldwin's testimony. She saw a woman shoot Brady Paul on December 27th, she saw Brady Paul sway and reel in an agony of pain and she gave the jury these facts in a manner that left no doubt as to the honesty of the sincerity of the witness.

It is doubtful if the commonwealth has another witness whose testimony is as vital to the success of the commonwealth as was Mrs. Baldwin's. Clear eyed and steady nerved she sat in the witness chair reciting her narrative in an unruffled voice, and no attempt of the defense to confuse her or becloud her story changed it a whit.

Mrs. Baldwin lives at the end of the lane, near the point where Brady Paul was murdered and saw a woman shoot him on December 27th. This woman she did not attempt to indentify nor was it necessary for the previous witness, Private Ernest C. Moore had identified the woman as Irene Schroeder, the defendant.

The night session opened at seven o'clock and ended at 9:45. For the first hour Moore was under a cross fire of examination of the defense, but with minor deficencies that were of slight importance, he stayed to his story of the murder of Paul and the murderous assault upon himself on December 27th.

William L. Sampson, a boyhood chum of Glenn Dague's testified as did Charles Evans, a school boy chum of Irene's brother, Tom Crawford. Sammy Baldwin, young son of Mrs. Eva Baldwin followed his mother on the stand and told a story that tallied with that of his mother, save that when his mother rushed to the telephone to notify the police, Sammy stayed at the window and saw the rest of the tragedy.

Today it is expected that Mrs. Martha Williams will testify. Her testimony will be followed probably by that of George Book, the truck driver who saw the battle from his truck, and other witnesses who have testimony relevant to the events immediately after the shooting.

From all indications the commonwealth's case will not be ended until Monday or Tuesday, although excellent time is being made considering the wealth of testimony that is to be offered.

The account of the testimony on Thursday evening follows:

Evening Session

Patrolman Ernest Moore returned to the stand at the opening of the evening session.

Q. Who treated the wound on your nose?

A. Dr. Paul Wilson and Dr. Loyal Wilson.

Q. You said this afternoon you heard shooting at the rear of the car. Was that all done before you were shot through the windshield?

Objected to and overruled.

A. The shots at the rear were at the same time the shots came through the windshield.

Q. When you first started around the car where were you going?

A. To the front of the car.

Q. Were you going to the other side of the car?

A. I was going to the front of the car to get back of Irene and Glenn.

Q. Why did you want to go around the back of them?

A. Well, I couldn't pull my gun in front of them. I would have got shot.

Q. Did you count the shots at the back of the car?

A. No.

Q. Did you see both Irene and Dague's guns?

A. Yes.

Q. How far was Mrs. Schroeder from Paul?

A. Four or five feet.

Q. Tow close were Irene and Glenn together?

A. Right together.

Q How close were their guns?

A. About 2 feet apart.

Q. Who had the smaller gun?

A. My impression is that Glenn Dague.

Q. What size were the guns?

A. A 38 and a 32. Irene had the 38 and Dague the 32.

Cross Examination

Q. Who got the message in the hotel?

A. Paul.

Q. You knew you were going to hunt for bandits?

A. Yes.

Q. You stopped several cars?

A. Yes.

Q. Any other Ohio car?

A. Can't recall.

Q. As you came to the car who stopped it?

A. Corporal Paul.

Q. Where were you?

A. To his right.

Q. How was he dressed?

Q. Cap, leather coat, side arms on top leggings, shoes, and breeches.

Q. What was the first thing Paul said?

A. Asked him for his driver's license.

Q. You knew they don't use driver's licenses in Ohio don't you?

A. Yes.

Q. What did the driver do?

A. Handed him a wallet?

Q. Didn't Paul have his gun drawn?

A. No, sir.

Q. Didn't the occupants of the car tally with the description?

A. Yes.

Q. Did he hand the wallet back?

A. I don't know.

Q. Paul and you were on side facing New Castle?

A. Yes.

Q. Did the driver look into the wallet?

A. Can't say.

Q. Remember who opened the door?

A. No, sir.

This line of cross examination objected to by Margiotti as misleading.

Q. You were standing beside Paul?

A. Yes, and as he had the wallet I turned and went to the rear.

Q. When did you first see the occupants of the car on the road?

A. After they got out.

Saw Occupants

Q. You didn't have your eyes on occupants of car?

A. I saw them in the car.

Q. How far back did you go?

A. Directly behind it

Q. Did you go back

A. I turned around and saw Glenn Dague and Mrs. Schroeder.

Q. You couldn't see Paul's hands?

A. I could.

Q. Did you testify at the preliminary hearing?

A. I did.

Q. Weren't you asked if you could see Paul's hands and didn't you say you could see his right hand.

A. Don't remember.

Q. Did you answer this question: Was there anything in it, meaning his right hand and didn't you say no, sir?

A. Yes.

Q. So you couldn't see both his hands?

A. As he as backing up you mean?

Q. Yes?

A. No, I couldn't see both his hands until he was turned around.

Here Moore illustrated how he stood using a desk as the automobile.

Q. Did you go around the car?

A. Yes.

Q. You say Paul bumped into you.

A. Yes.

Q. You say you bumped into his gun. Objected to because the witness didn't say so. Court sustained the objection.

Q. At the preliminary hearing were you asked could you see his hand and you said you could see his right hand.

A. Yes, sir.

Q. You were asked where did he have it (his hand) and didn't you answer I could not say.

A. I don't remember.

Jarrett here objected to what he said was a shaking of Margiotte's head to which Margiotte replied that he did not know he was shaking it and certainly was not trying to aid the witness.

Q. When he said draw your gun did you say you raised your left hand and drew with your right?

A. Yes.

Q. Were you asked did you run in a crouching position and did you say you ran around the rear of the car?

A. Yes.

Crouching Near Car.

Q. Were you crouching or standing as you ran around the car.

A. Crouching.

Q. You left Brady Paul standing there?

A. Yes.

Q. You were asked what did you do and did you not answer I raised my left hand, pulled my gun and stepped around the car?

A. Yes.

Q. Now you say you didn't pull your gun out of your holster?

A. I didn't have it clean out.

Q. How far on the right hand side did you get?

A. Just around the corner.

Q. Were you nipped on the nose when you were on right handside of car or the part of radiator?

A. Right hand side of car.

Q. Your gun out yet?

A. No.

Q. Still in the holster?

A. Yes.

Q. As soon as you were in front of the radiator you got down?

A. Yes.

Q. How many shots fired at you there.

A. Three, two of them thru the windshield and one thru the window.

Holes In Windshield.

Q. How many holes in the windshield?

A. Three on right hand.

Q. How many on left?

A. One.

Q. When you got in front of radiator where were the woman and man?

A. Behind the car.

Q. As Dague came around did you fire?

A. I don't remember.

Q. Do you remember firing any shots at all?

A. I don't remember.

Q. After you were struck on the nose did you increase your speed?

A. Yes.

Q. When you were in the county jail how did you identify Glenn Dague?

A. He came out and I identified Glenn Dague by his mustache and his peculiar eyes.

Q. Nobody else in the cell but Dague, was there?

A. Twelve or fifteen men in there.

Q. Was he shackled?

A. Yes.

Q. Wasn't he the only one shackled?

A. Yes.

Q. Who did you identify first Dague or Irene?

A. Irene.

Q. Was she handcuffed?

A. I didn't see.

Q. Who was in that cell.

A. Two other women, one colored and one white.

Q. Irene was the only blonde in there, wasn't she?

A. Yes.

Q. You said when you looked at the license plate Irene and Dague covering Paul with a gun.

A. Dague was covering Paul. Irene ran behind him with her gun.

Q. You couldn't see the barrel of her gun?

A. Yes, I could.

Covered By Dague's Gun.

Q. Were you covered with a gun?

A. By Dague's gun.

Q. You didn't notice these guns until Brady Paul bumped into you?

A. No.

Q. The minute you saw those guns you beat it around the car didn't you?

A. I paused a moment.

Q. When you left Paul there you could be several feet away couldn't you?

A. Yes, 3 or

Q. Didn't you pull your gun?

A. I was pulling it out.

Q. That was after Paul ordered you to pull your gun?

A. Yes.

Q. Your instructions are to obey orders, aren't they?

A. Yes.

Q. How long was it from time Dague pulled his gun until you left?

A. Practically no time at all.

Q. You were running in a crouching position to the front of the car?

A. Yes, just a little.

Q. Did any one use the words "get back"?

A. Yes, Dague said that to Paul more than me.

Q. When you looked at the gun you were looking into the barrel?

A. Yes.

Dague's Gun Aimed at Him.

Q. The Dague gun was pointed at you?

A. Yes.

Q. Didn't it look larger than the other?

A. No, it didn't.

Q. Didn't you make your identification of these guns as to eye before Brady Paul said "pull your gun" or after?

A. When he said it.

Q. you saw both guns pointed at the same time?

A. Yes.

By Margiotti:

Q. At the time you went around the car on whom did Mrs. Schroeder have her gun?

A. On Paul.

Gun is Shown.

Q. I now show you a gun, commonwealth exhibit 19, handed to me by Officer Funk. Whose is it?

A. It was assigned to me.

Q. Is that the gun you had on the Butler road and which you next saw in Phoenix, Arizona?

A. Yes.

Q. What mark was on the base of the gun?

A. "S. H. P."

Q. Is it on there now?

A. No.

Q. Was it on in Phoenix, Arizona?

A. No, it had been filed off or rubbed or sandpapered off.

By Dickey:

Q. When you went out on the Butler road your gun was filled?

A. Yes, with five shells.

Q. Was Paul's?

A. I don't know.

Q. It's customary, isn't it, when you hunt bandits?

A. Yes.

Q. Did you have your belt filled with ammunition?

A. Yes, sir.

That's all.

Sampson Called.

William M. Sampson was called out of order in order that he might return to his home in Elm Grove, W. Va.

Q. How far is Elm Grove from Benwood, W. Va.?

A. About 11 miles.

Q. How long have you lived there?

A. About 13 years.

Q. Do you know Glenn Dague.

A. I do.

Q. Did you see him in the court room today?

Objected to as immaterial. Overruled.

A. I did.

Q. Who was he?

A. Walter Glenn Dague.

Q. Did you ever know him by any other name?

A. Since we were small boys.

Q. When did you last see him before December 27, 1929?

A. About January, 1929.

Q. Where was he living?

A. At Valley Grove?

Q. How far from Benwood?

A. Approximately 17 miles.

Q. Where was Dague last employed?

A. Scott Motor Co., Wheeling, W. Va.

Q. When?

A. First of 1929.

Q. From childhood to January 19, when did you see him?

A. Excepting when he was in the army, constantly.

Cross examined by Dickey:

Q. Seen him since you came up here?

A. Only in the court room.

Q. Dague was in the army for some time?

A. Yes.

Evans Testifies.

Charles Evans of Benwood, W. Va., was called.

Q. How long have you lived there?

A. All my life.

Q. Did you know the defendant?

Q. Yes.

Q. Who was she?

A. I knew her as a child as Irene Crawford.

Q. Did you go to Phoenix?

A. Yes.

Q. Did you see Mrs. Schroeder?

A. Yes.

Q. Who took you into to see her?

Witness named a party of people who went from New Castle.

Q. Did you say anything to her?

A. Yes.

Q. What did you say to her?

A. I said hello Irene.

Q. What did she say.

A. She said are you speaking to me, my name is Mildred.

Q. Were you in the governor's office at the extradition hearing?

A. Yes.

Q. Did the governor say anything?

A. He called her and she didn't say anything and he called her again. She said are you speaking to me.

Not a Blond Then

Cross examination by Dickey.

Q. You went out to identify Irene.

A. Yes and Joe Wells.

Q. Did you ever play around with her.

A. No. I went to school with her brother and saw Irene at his home.

Q. How long has it been since you saw Irene.

A. About ten years.

Q. Was she a blond then?

A. No her hair was darker.

Q. Was Irene shackled to the bench in the cell in Phoenix?

A. No.

Q. Was Irene going to school when you went to school with her brother?

A. I don't think so.

By Margiotti.

Q. You spoke of Joe Wells. Why were you taken out to see Joe Wells.

Objected to and withdrawn.

Q. Did you have an explanation about Joe Wells. Objection overruled.

A. Yes.

Q Make it.

A. When I was summoned to go to Phoenix it was not known whether the man held in Phoenix was Tom Crawford or not.

Mrs. Baldwin Testifies

Mrs. Eva Baldwin of the Butler road was called.

Q. Were you at home December 27 last?

A. I was.

Q. Who else was at home?

A. My boys, Samuel and Raymond.

Q. Was your husband home at the time of the shooting.

A. He was in the barn.

Q How was your attention attracted to the officers?

A. Raymond said that two officers were in the driveway. I said we would watch and see what they would do. I went to the west window. The boys were in the hall.

Q When you got to the window what did you do?

A. I watched the patrolmen.

Q What did they do?

A. They walked back and forth.

Q. See any automobiles?

A. Yes.

Q. Were any cars going to Butler stopped.

A. No they were waved past.

Q. Any from Butler stopped?

A. Yes they stopped a number.

Q. What happened?

A. About the sixth car was stopped in front of our driveway.

Q. What part of it could you see?

A. All of it.

Q. Did the trees obscure it-

A. Can't say they did.

Q. Were there any changes in physical conditions between December 27 and February 21 when the pictures were taken?

A None except that the trees were pruned.

Commonwealth offers the pictures taken from the Baldwin porch, in evidence.

Objected to by defense and overruled by the court.

Saw Shooting

Q. While you were at the window what did you see the officers do?

A. I saw the officers stop the car. One walked to the drivers side. The other was at his side. The taller officer went to the window and the other went to the rear of the car. The taller one I learned after was Brady Paul and the other E. C. Moore. The door came open and a man came out and then a woman. The woman came around to the right of the man. The man and woman had a gun in their hands. Some one yelled get back and Brady Paul backed up, with his hands up (illustrating). The woman was on this side of the man with the gun in her hand. They were along side of each other. The man had his gun drawn and Paul was backing up. He passed the back of the car. He hesitated for an instant at the back of the car. Then I saw the woman fire.

Q. How far was she from the rear of the car.

About five feet.

Q. Where was the man?

Q. Just turning.

Q What indicated that she fired.

A. I heard the shot and saw the smoke and saw Paul sway.

Q. Then what did you do?

A. I went to the phone.

Q. What did you do?

A. Called the Princeton operator and had him call the New Castle police. Then I went to the rear of the house and called my husband.

Q. While you were at the telephone did you see anything?

A. No. I heard several shots but didn't hear anything.

Q. After you got through telephoning where was the car?

A. It was gone.

Q. At the time this woman fired at Paul what position was Paul?

A. His right hand was at his side. I don't know if he had his gun or not.

Q. How was the man who got out of the car dressed?

A. He had on an overcoat and a soft hat.

Q. How was the woman dressed?

A. In black.

Q. When she fired the one shot did Paul fall or remain standing?

A. He remained standing.

Woman Fired First

Cross-examined by Jarrett.

Q. The first shot that you heard fired was the shot the woman fired?

A. The first one I heard.

Q. How many were fired when you were at the telephone?

A. Eight or ten.

Q How far was the woman from the back of the car?

A. Five or six feet.

Q. Did you see a third man then?

A. I think not.

Q. You say you saw the smoke of the gun?

A. Yes.

Q You can't be mistaken about that?

A. No sir.

Q. You were looking through the west window?

A. Yes.

Q. Curtains on the window?

A. Yes.

By Margiotti:

Q. What kind of day was it when the shooting occurred.

A. Clear.

Q. And when the picture was taken?

A. Clear.

That's all.

Samuel Baldwin, son of the preceding witness, was called. His testimony was similar to that of his mother. After his mother went to the telephone he saw Irene shoot Paul again, and saw Paul fall.

Court adjourned as the witness finished at 9:45 p. m.

The law of supply and demand seems now to affect everyone except the weather man.—The Akron Beacon Journal.

SAW SHOOTING

MRS. EVA BALDWIN

Who saw corporal Brady Paul Shot and Testified on Thursday night.

Bladder Weakness Troublesome Nights Swiftly Relieved

If you are troubled with a burning sensation, Bladder Weakness, frequent daily annoyance, getting-up-nights dull pains in back, lower abdomen and down through groins—you should try the amazing value of Dr. Southworth's "Uratabs" and see what a wonderful difference they make! If this grand old formula of a well known Physician brings you the swift and satisfying comfort it has brought to dozens of others, you surely will be thankful and very well pleased. If it does not satisfy, the druggist that supplied you is authorized to return your money on first box purchased. This gives you a ten-day test of "Uratabs" without risk of cost unless pleased with results—so, if you would know the joys of peaceful, restful sleep and a normal, healthy bladder, start the test today. Eckerd's or any good druggist can supply you.

"It Controls the Nerves"

"I am a saleslady in a store. My nerves got the best of me and I never had good finger nails because I could not stop biting them off. My appetite was poor and I was always tired. One of my friends told me about Lydia E. Pinkham's Vegetable Compound. I know that it controls the nerves because I have no desire to bite my nails now, and they are long and well kept. My appetite is enormous and I feel like a new person. I have recommended your medicine to many girls with the same good results."—*Ethel Fleetwood, 3023 Bandin Street, New Orleans, Louisiana.*

UNIVERSAL Washer and Dryer-

The Newer and Better Way to Solve Your Laundry Problem

When the new UNIVERSAL Washer and Dryer does your laundry work you are as fresh at the end as you were in the beginning—ready to enjoy the extra hours made possible by this new and better way.

Wash day becomes wash hour. Everything is done for you electrically—quickly and thoroughly. No wringer to take your attention—no water to empty by hand and the clothes are as spotlessly clean as you want them to be.

1 A new three-minute dryer expels surplus water quicker and more evenly than a wringer and with complete safety both to clothes and operator.

2 A small pump puts an end to all lifting of heavy water pails. After the clothes are cleaned turn a valve and the tub empties itself.

3 Through UNIVERSAL refinement of design the fastest and most thorough cleansing action known is at last made safe for the most delicate clothes.

4 The UNIVERSAL is positively safe in every respect for the operator and curious children. All moving parts are inclosed. Dryer cannot start until cover is securely fastened. Inclosed grease packed gears never wear out.

FREE Demonstration

Let us place the New UNIVERSAL in your home for a free trial and show you in terms of clean, wholesome clothes what this washer can do for you. Telephone us today.

Educator Hits Intelligence Tests

(International News Service)

WASHINGTON, Mar. 14.—Intelligence tests, used by the school authorities in various cities, should cause parents no alarm for they do not reveal the exact brain power of the pupils, Milton Fairchild, of the Character Education Institute, declared.

He said the tests merely disclose the mental characteristics and guide teachers in the training of various types of children. The slow thinker, Fairchild added, may actually be the creative and true thinker with vastly more brain power than the child termed "bright" by the tests.

As usual, the law doesn't mean what it says. The Pantages lawyers filed a "brief" of 1,132 pages.—The Indianapolis Star.

Gasoline Costs Slashed In Boston

(International News Service)

BOSTON, March 14—The price of gasoline in and about Boston has been cut to 14.5 cents, the lowest rate here since the World War. Officials of the various gasoline distributing companies deny that price cutting was is in progress.

Necessity for larger quarters and better facilities to handle our ever increasing business has forced us to move.

Holley Denies He Was Driving Car While Intoxicated

Claims That Anderson Wise, Whom He Had Engaged, Was Operating Machine

Vernon Holley, an insurance agent, was placed on trial before Judge James A. Chambers on Thursday afternoon on a charge of driving a motor vehicle while intoxicated. The motor vehicle was overturned on Montgomery avenue.

Clarence Campbell, policeman, testified that he got to the scene of the accident soon after it happened, and on learning that the machine belonged to Holley, he had placed him under arrest.

He said that he had found Holley, with others, standing by the side of the machine, which had been righted when he arrived. Holley, he said, was very much under the influence of liquor. He fell down three times while standing near the machine.

Campbell called the patrol and Thomas Lynch responded. Holley was taken to police headquarters. Lynch testified that he had learned that there was a colored man riding with Holley at the time of the accident.

Dr. William Cleland testified that he had examined Holley at the police headquarters, and found him to be intoxicated.

James Steiner, of the police department, testified that he had taken down a statement made by Holley at police headquarters.

Holley was placed on the witness stand in his own defense this morning. He testified that on Saturday afternoon, December 28 he had been out collecting insurance and had become intoxicated. During the evening he had stopped at the residence of Charles Kennedy and later at the home of Walter Johnston. It was about 11 o'clock Saturday night when he arrived at the Johnston home. He was under the influence of liquor and when he sat down in the warm room he became drowsy and fell asleep. He slept in a chair all night.

Next morning he said that he was still under the influence of liquor. He did not want to go home to his wife and child in that condition, and realized that he could not drive his car. He said that he had secured Anderson Wise, a colored man, to drive the car for him.

He got into the car with Wise and Charles Kennedy. Not wanting to go home until he sobered up he said that he had directed Wise to drive around. They drove down the West Pittsburg road, coming out on the New Castle-Beaver road near West Pittsburg, and then driving north to Mahoningtown. On Montgomery avenue the wheels locked when Wise put on the brake, the car turned around and overturned. Help came and they were pulled out from under the car. Holley said that Wise had been driving all the time they were out.

Anderson Wise corroborated Holley. He said that Holley had asked him to drive the car, and that he was at the wheel when the accident occurred on Montgomery avenue. Wise said that when the car overturned Holley was thrown on top of him. Wise had one arm skinned and his coat torn. At this writing the case is still on trial.

Detroit Woman Is Victim Of Suicide, Leaps From Hospital

DETROIT, Mar. 14.—Mrs. Stefania Valentia, 30, leaped from a third floor widow in Providence hospital today and was killed instantly.

She had been taken to the hospital for an operation.

Chicago Man Is Killed By Fall

(International News Service)

CHICAGO, Mar. 14.—Frank D. Ketcham, 65, a widower, was killed today when he fell or jumped from the window of his room on the eleventh floor of a Michigan avenue hotel here.

His body, clad in a sweater, shirt, trousers and socks, was found in the street by a taxicab driver.

Forney Is Given Freedom By Jury

Pittsburgh Court Judge Reprimands Jury For Giving Freedom To Alleged Gambler

(International News Service)

PITTSBURGH, March 14.—Al Forney, accused of being a common gambler and of maintaining gambling devices, was acquitted of the charges by a jury in criminal court here today, but was ordered to pay the costs.

The "Scotch verdict" came as a surprise to a crowded courtroom. Judge Frank P. Patterson scored the ten men and two women for acquitting Forney who is reputed to have reaped thousands of dollars from the machines.

"Your term of service is concluded," Judge Patterson told the jurors after the verdict had been read. "It is usual to discharge a jury with thanks for its services, but in this case there has been such an utter disregard of the law and the evidence, I will not do that."

Uncle Sam's Cash On Hand Is Slim

(International News Service)

WASHINGTON, March 14.—The U. S. treasury, whose cash on hand ordinarily runs high into the millions, is almost broke.

The daily treasury statement today, showing the condition as of March 12 disclosed the cash balance was only $665,231.04.

Veteran treasury employes said they believed it costituted a record—that never in history had the cash on hand sunk so low.

Relief already is in sight, for early income taxpayers are beginning to pour money into the treasury, and there is also $480,000,000 in sight from the sale of the treasury certificates this week.

Organize W. H. M. S. At King's Chapel

Mrs. C. G. Farr organized an auxiliary to the Women's Home Missionary Society in the home of Mrs. T. F. Neal of the Youngstown road on Thursday afternoon. This is in connection with the King's Chapel Methodist church.

Officers elected were Mrs. J. A. Chapin president, Mrs. T. F. Neal recording secretary, Mrs. Henry Shilling corresponding secretary and Mrs. F. A. Pinkerton treasurer.

Y. W. C. A. Notes

Posters In Cafeteria

Considerable attention has been given the posters in the Y. W. C. A. cafeteria, made by the Senior Girl Reserve club. The posters are pictures of the products of five local industries, and several questions or interesting acts about the industries are printed beneath the pictures. From time to time, new posters will be put in the cafeteria.

At present, there are pictures of the Buckeye company products, the Johnston Bronze, Universal Fixture company (the first company to make colored bathroom fixtures,) the Shenange Pottery (largest plant in the world which makes hotel vitrified china,) and the American Can company products.

REV. G. E. BROWN WILL PREACH AT HOPEWELL CHURCH

Rev. George E. Brown, of Ellsworth, Ohio, will preach at both morning and evening services in the Hopewell Presbyterian church at New Bedford, Sunday.

Dr. C. G. Farr Speaks At Banquet

Dr. and Mrs. C. G. Farr of Almira avenue were guests at a banquet held in Slippery Rock Thursday evening. The event was held in the Methodist church at that place and Dr. Isenberg's Sunday school class was host to the congregation of the church at a 6:30 dinner.

Dr. Farr was the guest speaker and presented an interesting and well received address.

L. L. O. I. CONFERS DEGREE

The L. L. O. I. 24 met in their hall in the Clendennin building Thursday evening and conferred the second degree on a large class of candidates.

At the conclusion of the regular lodge meeting Mrs. Agnes Watson and her committee had planned an agreeable social hour and served a delicious lunch.

March 27 the members will enjoy a tureen dinner with Mrs. Eliza Houston in charge of arrangements.

Motor Club Heads To Meet Tuesday

Members of the new board of governors of the New Castle Motor Club will hold an important meeting in the Castleton Tuesday evening, March 18, at 8 o'clock.

Plans are now under way for an intensive membership drive, which will probably be brought up at this time, in addition to other business of importance to the organization.

More Petitions Are Filed Today

(International News Service)

HARRISBURG, March 14.—John L. Murphy, Philadelphia, today filed both Republican and Democratic nomination petitions with the bureau of elections as a candidate for the house from the first district.

He was the first candidate to file petitions for two parties.

Three Republicans filed petitions for the house. They were Carl C. Baldrige, Edgewood, 10th Allegheny; Thomas C. Evans, Portage, 2nd Cambria and Joseph G. Magyor, Monmouth, 1st Westmoreland.

SCOUT LEADERS

Lawrence County Council Boy Scout leaders will assemble tonight at 7:30 o'clock as the guests of Scoutmaster Edwin C. Schmid at an oyster supper in the dining room of the First Presbyterian church. This will be the regular monthly meeting of the leaders.

Plans for future Lawrence County Boy Scout activities will be discussed.

Y. M. C. A. NOTES

Swimming Tournament

Associations at Sewickley, New Brighton, Butler, Sharpsburg, Coraopolis, New Kensington and Tarentum will send contestants here for the annual swimming tourament of the central west district for which plans were launched by local physical directors today. The meet will comprise the championship meet for the district.

LOCAL BAND TO BROADCAST MUSIC

Franklin Crisci Rythm Boys of New Castle, a local musical band which is making good on the radio will broadcast from the WKBN station between 3:30 p. m. and 4 p. m. Saturday.

LOCAL P-O

E. R. Grotefend, assistant cashier of the Pennsylvania-Ohio Electric company here for some time has been promoted to cashier of the Salem, O. office of the company, it is announced.

Mr. Grotefend is susceeded here by Ernest Crawford.

Two Senior Men Make Trip With Westminster Debaters

James Chambers

Paul Campbell

Special to The News

NEW WILMINGTON, March 14—James Chambers, New Castle, and Paul Campbell, Pittsburgh, two members of the senior class at Westminster College, are members of the team which will leave Saturday for a trip to six southern states where eight intercollegiate forensic contest have been scheduled.

Chambers, a members of Kappa Phi Lambda social fraternity and of Tau Kappa Alpha national debating fraternity, has been active in forensics for four years. Campbell, a member of Phi Pi Phi fraternity and of Tau Kappa Alpha, has also been a member of debate teams for four years. Campbell was star halfback on the Westminster football team for the last three seasons.

These men, together with Frank Douds, Beaver: Fred Williams, Carnegie: Scott Hadden, Meadville and Dr. Charles A. Dawson, coach, will spend two weeks in the south returning to College April 1.

Protection Sought For U. S. Bald Eagle

(International News Service)

WHITE PLAINS, N. Y., March 14—The bill introduced into congress which would provide complete protection for the eagle in the United States, Alaska and the other territories is being supported by conservation societies in all parts of the country, according to Colvin Farley, secretary of the Westchester County Conservation association.

The American bald eagle, honored as the emblem of the nation ever since the days of "Old Abe", famous war eagle of the Union army, is not only being persecuted in many parts of the United States but, according to Farley, is actually being slaughtered by the thousands in Alaska where a bounty of 50 cents a head is offered in the belief that the eagle damages the production of salmon fishermen and fox fur farmers.

Lake Cargo Coal Rate Case Will Be Opened Again

Complaint Filed With Interstate Commerce Commission By Coal Traffic Bureau

RIGID PROBE TO BE UNDERTAKEN

(International News Service)

WASHINGTON, March 14.—The famous lake cargo coal rate case will be reopened through a complaint filed today with the interstate commerce commission by the Western Pennsylvania Coal Traffic bureau and 18 coal companies.

The complaint charges coal operators in the Butler-Mercer, Freeport, Pittsburgh and Connellsville districts are in direct competition with operators in West Virginia, Virginia, Kentucky and Tennessee in the sale of coal and that this competition is especially keen in the sale of coal for trans-shipment as vessel cargo to and via Lake Erie ports to destinations on or beyond the Great Lakes.

No Southern Markets.

The complaint further states that Pennsylvania operators, by reason of their geographical location, enjoy no markets in the south, and despite their geographical location are disadvantaged in markets west and northwest and therefore lake cargo traffic is of vital importance to them.

The rates on coal to the Great Lakes give southern operators an undue and unreasonable preference and advantage, the complaint charges. In consequence Pennsylvania operators are deprived of the benefit of their geographical location and subjected "to an arbitrary and artificial handicap in marketing lake cargo coal in competition with mines in the various competing districts in the four states named."

The complaint asked the commission to make an investigation of the matter and to issue an order commanding the defendant railroads to establish rates which will not be unduly prejudicial to Pennsylvania operators.

HOSPITAL BENTFIT DRAWS LARGE CROWD; EXCELLENT PROGRAM

(Continued From Page One)

taking part have had considerable training and experience in theatrical presentations.

Hannon Interlocutor

Hughie Hannon, the interlocutor of the minstrel part is an old hand at the business, and he presided over his minstrel men with a capacity which recalls the memory of Al Fields and those other kings of minstrelsy of days gone by.

He was ably assisted by those inimitable end men, Hadyn Jones, Arch Cubbison, Paul Donley, and Tommy Blake, disguised under the title of Apostles of Sunshine with burnt cork and magnificent costumes. They put across some clever jokes, which kept the audience in an uproar. They were ably assisted by Ralph Eakin, Jack Ellis, Nick Faiello, Kenneth Myers, Clarence Reese, and Lou Pearsall.

The guests included William McCombs, William Roberts, Roger Francis, Reed McCullough, Bert Sanford, Walter Ashton, Glen Evans, Dolph Jones, Henry Jenkins, Dave Jones, Lew Sweet, Harry Masters, Chester Biddle and Russell Brenner.

The opening minstrel chorus was agumented by a banjo accompaniment furnished by Fred and Harry Sheppard and Arch Cubbison.

Outstanding Features

The work of Tommy Blake and Paul Donley was outstanding, while the song "Aren't We All" by William McCombs, made a big hit with the audience, although the entire cast presented their offerings in a manner that left little to be desired.

The revue program was one of the finest of its kind ever presented in an amateur production here. The choruses were drilled to perfection and were well chosen for their ability. The dance numbers were exceptionally clever, especially those of the Cecilia McCoy girls, and the specialty dances by Cecelia McCoy and Mary Louise Rea showed exceptional talent.

Miss Mary Louise Galvin also excelled in a special tap dance, with her girls, which made a tremendous hit with the audience.

Then in addition to this there were a number of comedy presentations, which featured Tully Caiazza and Lew Jenkins, those two funny boys. They are ably supported by Betty Rea, Mrs. Al Evans, Mary Lou Rea, P. J. Iodice, Randall Space and Robt. Steinbrink.

Those two "old favorites" Joe Love and Harry Elwell were back with new jokes and songs which made a big hit with the audience.

Another clever number on the program was the song by little Jean De Lillo, assisted by girls from the Smith-Williams Institute, which went over big.

Arrangements for the production have been in charge of Reed McCullough and David Fisher and to them goes much credit for the superb production which was given last evening, and will be again presented tonight. They have been ably assisted in their work by Dave Jones, who directed the minstrel part, P. J. Iodice, who had charge of the revue, and Abe Levine, who directed the music. The dances have been directed by Miss Cecelia McCoy and Mary Louise Galvin and showed careful training on the part of these two talented young women.

Taking Part

Those who take part in the revue are as follows:

Miss Frances Gibson, soloist; the ballet chorus girls under Miss McCoy's direction include Catherine Eagan, Charlotte Bartlett, Hazel Houston, Eleanore Blanning, Martha Jo McGoun, Doris Updegraff, Ruth Brenneman, Janet Brenneman, Elizabeth Connover, Dorothy Usselton, Hilda Newark, Margarite Hogue, Jessie May Weaver, Louise Fink, Mollie Livingston and Eveline Shriver.

The tap dancing girls, under Miss Mary Louise Galvin's direction, are as follows, Betty Miller, Florence Milson, Rita Cooley, Mary O'Connor, Martha Salvin, Eleanore McKee, Nancy Kirkner, Beryl Dent, Mary Curtis, Kathleen Collins, Regina Stevans, Velma Sontag, Maxine DeLillo, Peggy Dent, Jeanie DeLillo and Thelma Greer.

The principals are Mrs. Al Evans, Cecelia McCoy, Julia McCoy, Mary Lou Rea, Harold Black, Betty Rea, Al Evans, Robert Steinbrink, Lew Jenkins, Tully Caiazza, Joe Love, Harry Elwell, Randall Space, Mary Louise Galvin, Dave Jones, Chester Biddle, Bert Sanford, Russell Brenner, Dorothy Fletcher, Miss Frances Gibson, Fred Sheppard and Harry Sheppard.

High school girls include "Jo" McGoun, captain, "Gladie" Biddle, Rosalyn Freeman, Jane Moore, Harriet Kline, Frances Ailken, Lucille Kison, Ethelyn Douthett, Frances Amon, Helen Sheaffer, Ruth Kelly, Evelyn Swanson, "Dot" Sankey, "Dot" Young, Evelyn Gerould and "Dot" Cain.

Seek To Identify Prehistoric Skull

(International News Service)

BERKELEY, Cal., March 14—University of California paleontologists are seeking to give proper place in world history to a prehistoric man whose skull recently was found in China.

A photograph of the skull and the plaster cast of the big toe bone of another prehistoric individual have just been received from Dr. Davidson Black, head of the department of anatomy of Peking Medical college.

Professor W. D. Matthew, chairman of the department of paleontology, to whom the exhibits were sent, said the age of the skull is a subject of controversy.

It is thought to be older than the Nanderthal man and as old as the famous Heidelberg jaw in Europe, though not as old as the Piltdown jaw and skull found in England.

It is similar in form to the most primitive Asian skull ever found, that of Pithecanthropus erectus, but has a larger brain chamber.

Predicts Good Season For Copper

(International News Service)

JEROME, Ariz., March 14—Robert E. Talley, president of the United Verde Copper Co., largest and richest producer of the red metal in northern Arizona, today was on record with a declaration that the industry faced its best season.

"The price of copper is stable around 18 cents," Tally said, "and with the production in good shape, the market orderly for the domestic and export trade, the mineral producing areas can face the future with confidence."

Tally succeeded in the United Verde chiefship to the late Senator William A. Clark, Montana millionaire copper man.

COOPERATION

Forty years is not a very long stretch of miles on the endless road that a nation travels in the interest of her citizens. It is not very far to look back if you would glimpse again the farther end.

However, if we would look back over that stretch of 40 years of activities of health promoting organizations, not even our imagination could help us to visualize the time when the individual stood there practically alone fighting, yielding generally to the devastating hand of disease and the handicaps of physical and mental defects.

Our nation's life today is so accustomed to the health information that comes through the air and is gathered so easily from news-stands; so accustomed to weaving in and out through the doors of gymnasiums and the doors of clinics; so accustomed to make use of hospital facitities that it would take stronger glasses than we are wont to wear, periscopes even, to see over the towering health institutions, builded on every corner of our life, back to the time when these were not.

Impossible to see clearly, with all its meaning of a lonely road with little help available, the time when there were no health officers, no trained nurses, no research laboratories, no state or national health boards, no national societies for control of malignant and parisitic diseases, no American safety council, no child welfare commission, no health week, no baby week, no clean-up week, etc, etc.

Forty years—not a long time, and yet all these aids to health and better living have germinated slowly and struggled to find their place on the avenues and by-paths of our nation's life that they might be of help to the passing man, woman and child.

Each had its conception in the need of mankind but it was the public whose ear had listened long to the cry of baffled lives that saw the new vigor and the renewed vitality that might be put into our national life through the individual. It was the public that stressed the putting of each new-born aid to a practical, every-day use for man everywhere.

The work of health education and health building belongs, properly, to those organizations whose duty has been assigned them by federal or state authority but without the understanding, the good-will, and the cooperation of the public to sponsor their work it would come to naught or at least be interminably slow.

Always there must be a go-between who senses the possible benefit of each new organized effort and then brings the public to an understanding and acceptance of the proffered aid.

Not only that, but our government, both state and national, has been very slow in granting the necessary funds to carry on such work; too slow to meet the impatient demand of the public that the welfare of children and of adults, too, should be the first and chief concern of the nation.

Thus, for two reasons—to be an intelligent propagandist for worth-while movements and to provide funds for their furtherance where the state fails, clubs and welfare organizations are putting their united strength back of health organizations of the state. Understanding always, that it is the part of wisdom and of good citizenship to work under and in accord with, not independent of, such organizations.

That is why the health department of the County Federation of Women's Clubs, working in accord with the health department of the state, is asking all Lawrence county parents of pre-school age children to think through with them this matter of the preparation of the child for school—in the matter of health—before the school year begins.

The state health department is doing this work but lack of funds makes is very slow in its accomplishment.

Lawrence county need not wait. Volunteer service from the clubs and affiliated organizations and acceptance by parents of their responsibility will help us to put healthy, not sick, children to their task of learning.

To think it through together is wise.

Husband Wanted Obedience—And How!

(International News Service)

WASHINGTON, March 14—Mrs. Henry A. Montague claims her husband was more like a hard-boiled schoolmaster than a loving husband.

In a petition for divorce on file here she alleged he was not only cruel to her but on ten separate occasions made her write the following on a piece of paper, "I will obey my husband."

They were married last October 24 and Montague earns $12,000 annually, the petition said.

Treat Promised Sportsmen At Banquet On 20th

Five Wonderful Reels Of Moving Pictures Will Be Shown After Dinner

Those people who get tickets for the seventh annual banquet of the Lawrence County Sportsmen's Association to be held in the Cathedral Thursday evening, March 20, are assured a treat in speaking and also in special motion pictures secured for the occasion.

Following the dinner and the speaking program, there will be shown in the auditorium of the Cathedral, five or more reels of motion pictures taken by the Pathe company. These have never been seen here before.

The pictures will include big game hunting scenes secured in Alaska and dog trials held in Mississippi.

Tickets must be secured within the next few days, as it must be known shortly how many must be prepared for. These tickets cost a dollar and can be secured from City Treasurer L. W. McClung, Alderman O. H. P. Green or any member of the Association.

Police Down Sleuths In Shooting Contest

(International News Service)

DENVER, March 14. — The traffic squad of the Denver police force is handing the "merry berries"to the detective squad.

A team of five members of the traffic force defeated the detective's department team in a shooting contest by a score of 450 to 428 out of a possible 500.

Berlin police have clashed with jobless workers. What sort of a tariff bill is in a jam over there?—The Akron Beacon Journal.

French Vineyards Ruined by Flood

The partly submerged village of Languedoc during the recent disastrous flood which resulted from the collapse of the great Tarn River dam and swept over the Toulouse region, taking a toll of 172 lives and causing great property damage.

The heart of France's richest vineyard district was completely wiped out by the flood waters, which covered thousands of acres and washed away the foundations of homes.

(International Newsreel)

OH, THESE WOMEN!

By LEOLA ALLARD

A wise cry from a girl who says that the girls worth marrying, "those who work" (according to A Chicago Irishman) are the girls who haven't the opportunity to meet the right man.

"When one is associated with men of intelligence all day in business, it would be rather boresome to be married to a dull and stupid man such as most of us working girls have the chance to meet," she writes me.

There's something to that cry.

Girls who are on a lower, or at least different, social level than the men they work for become accustomed to lively thinkers, and the plodders who are content to go along on small salaries all their lives, and have no ambition, irritate them. What are they going to do about it?

The young woman who writes from Detroit, says: "Our Chicago Irishman must have had a bad taste left after his first mixture, but I'll wager if he had a chance at some nice office girls he would give up the ghost and say "I'll take another chance."

"I agree with him, an office girl knows what it means to be tired and would sympathize with a man. I have had eleven years experience and I know. But most of us stay single I guess, because we can't find anyone who comes up to our ideals. When one is associated with men of high intelligence all day in business, it would be boresome to be married to a dull, stupid man.

"Most of us in a large city, have a limited social circle, and are too tired most nights to get around and see whos who. One can't be a successful business girl and do too much playing around. If I'm wrong, then the Irishman must be wrong too."

B. P.

What a matrimonial bureau I could start if I had the inclination! Every woman who gets mad at a bachelor for saying that marriage is OUT, wants his address. I wonder what for? Every man who gets disgusted with a woman's views wants to express his, but he doesn't care where she is and has no inclination to meet her. Thats how the sexes are.

The girl from Detroit strikes a chord that has been sounded before. She is too smart to try toa start a flirtation with her employer. She isn't forever trying to vamp the men with whom she comes in contact in business. Because of her dignity and business like attitude the men don't ask her to go out to dinner. Consequently her social activities are confined to those in her own social circle whom she has outgrown mentally.

Every now and then a man discovers a girl like that, a big man with a fine mind and a great sense of appreciation and a successful romance is recorded. But the ones worth discovering, don't go out to "catch" anybody.

Yes, B. P., it IS quite a problem. (What do you men think about it?)

MARTIN POINTS TO EQUALITY IN TAXING METHODS

Treasurer Says Pennsylvania System Is Fair, Uniform

HARRISBURG, Mar. 14—Pennsylvania in its sevenue system has accomplished a greater degree of equality in the assessment and collection of taxes than any other American state according to General Edward Martin, State treasurer

"No system of taxation will ever be framed which will be perfect, or meet with universal approval," said General Martin today. "Human nature contains the elements of selfishness, and so long as this continues distribution of public burden will cause more or less friction and objection. Pennsylvania however, has accomplished substantial uniformity and its system has brought an enviable financial condition.

"Pennsylvania corporations pay a large proportion of the State's annual tax revenue. The individual citizen pays a comparatively small share. There is no state tax on real estate, nor does the State receive any portion of the personal property tax.

B. P. W. EMBLEM

Contributed)

The emblem of the National Federational of Business and Professional women.

Not Venus beautiful, but static, and sated with her own perfection, nor Minerva, cold and perfect in her wisdom, could typify this organization, but Nike, the Goddess of Victory.

This majestic marble figure in 360 B. C. stood upon the prow of a ship blowing the fanfare of triumph upon a trumpet held in her right hand, while in her left she carried a trophy commemorating a naval conquest. She sill rides the waves braced against the wind, her draperies fluttering in the breeze, every line of her splendid torso vibrant with strength and joy and the sense of progress. She is not passive. She is alive. She moves onward. The lines of her splendid figure are uplifted, pushing against the wind, her great wings not straining, but outstretched, her whole body eloquent of the onward movement.

So rides the woman today against the wind and waves of ancient prejudice and limitations, not static and satisfied, but moving steadily forward.

Caught and held in the endless circle of gold are the pertinent facts about this organization. The tiny initials at the base tell who we are. The date carved on the open scroll of learning tells when we were formed, and the clustered emblems, the Ship of Commerce, the Flaming Torch of Wisdom, and the Winged Wand of the Herald answer the question why, for they are the work and the vision, the knowledge and the far flung message of women victorious.

The members take great pride in wearing an emblem with such a purpose and realize that it expresses a determination to maintain high standards in business and professional life. It is a mark of distinction and a badge of identification wherever a member goes in the United States, Canada, Hawaii, and Alaska, and later on, perhaps, in Europe, for an International Federation is the aim of the Good Will Tourists in Europe this coming summer.

The local Business and Professional Women's Club through the courtesy of the Penna. Power company have decorated the window at the P. & O. Office for the week and have on display the Winged Victory, Nike, a picture of the emblem and their banner and invite the public to view it.

BOY SCOUT NEWS

BOB WHITE PATROL

Members of the Bob White patrol of the Elks Troop No. 5 held their regular meeting at the Elks home on March 11. The meeting was in charge of Robert Rodgers, patrol leader. The meeting was opened by Victor Zuchowski leading the boys in the Lord's prayer, Les Wooley in the scout oath, and Earl Davies in the pledge of allegiance. Dues were collected. Each boy cited a good turn and home duty which had been performed during the week. The boys planned for a hike on Saturday, March 15. Several business matters were brought up during the meeting. The patrol decided how the money made in a bake sale should be expended. The following games were played, "Black Smith," "Poison" and "Judge is in the Court House." All members are requested to be at the next meeting which is to be held on March 18.

Patrol Scribe, Robert Zahniser.

The straw vote on the wet and dry situation will have about the same effect as the testimony before the House Committee.— The Louisville Courier-Journal.

Germany's Great Specialist in Skin, Blood and Nerve Disorders, Tells Why He Openly Endorses Flaxolyn

Professor DR. REMY HIRSCH
Noted German Blood, Skin and Nerve Specialist.

Former head of the Nervous Disorders' Division of the Charité Krankenhäus, Berlin's largest hospital.

For years an Associate of the Staatliche Krankenhaus in Frankfort-am-Main, one of the most important hospitals in all Germany.

"HERE in Germany, where Science is king, physicians are prompt to take notice of so remarkable a health-restorer as Flaxolyn. I for one must HEARTILY APPROVE of a medicine that is so pleasant to take and yet powerful in its attack on Constipation and the hundred-and-one complaints that are directly caused by it.

BRIGHTENS LIFELESS COMPLEXION

"As a specialist in diseases of the skin and blood I recommend Flaxolyn to the fullest extent. Sluggish blood, and dull, lifeless complexions marred by unsightly blotches and pimples are often the result of a cause no more deeply-seated than faulty elimination. RETURN TO NORMAL BOWEL, KIDNEY AND LIVER ACTION, upon which healthy blood and tissue depend, is essential. In bringing this about Flaxolyn provides an invaluable SOURCE OF NEW STRENGTH AND ROBUST HEALTH.

Americans as a race are prone to be victims of sleeplessness, headaches, unexplainable fatigue, loss of appetite, gas on stomach, nervous indigestion and general run-down condition due to the almost unbelievably rapid tempo of modern American life.

STOP BURNING UP YOUR ENERGY

"The human body is literally being driven forward with every ounce of energy *burning up*, a strain that cannot help ending in collapse unless the delicate human machinery is kept free from internal disorders.

"Care before repair, is a rule I always lay down for my patients. I believe that fully 90% of the serious ills arising from improper functioning of liver, stomach and bowels would not exist if more persons knew of a SAFE, PLEASANT, POWERFUL REMEDY. To these sufferers I am glad to advise: "TAKE FLAXOLYN."

F. Remy Hirsch

MONEY BACK GUARANTEE

Certainly a man of the standing of Professor Dr. Remy Hirsch would not openly acclaim any medicinal product if he were not fully confident of its merits. Dr. Hirsch's frank endorsement of Flaxolyn should fully convince you that Flaxolyn is worthy of your prompt trial. *If you are already a user of Flaxolyn, Dr. Hirsch's statement cannot fail to impress you with the need for continuing its use.*

Tear out this convenient coupon as a reminder to obtain a bottle of Flaxolyn, in the attractive red-and-black carton, at your nearest drug store. Dr. Harris H. Luntz (M.D., D.O.), discoverer of Flaxolyn, cordially invites you to use Herbal Flaxolyn compound on his PERSONAL GUARANTEE that if you are not pleased with the improvement by the sixth pleasant spoonful, *you may return the partly used bottle and have the full purchase price refunded to you.*

There Can Be No Substitute for Flaxolyn

The basic formula of Dr. Luntz's vitaminized Herbal Flaxolyn compound is the result of 25 years devoted to the study of botanical therapy.

Chemists might take the very same ingredients that are in Flaxolyn, yet it would be utterly impossible to combine them with the same degree of balance and potency for which Dr. Luntz so long sought.

Flaxolyn contains only the purest of herbs, fortified by medicaments recommended and approved by high medical authority.

Supreme Court Asked To Decide On Ticklish Prohibition Question

Trouble Aplenty If Court Rules That Buyer Of Liquor Is Equally As Guilty

Hope For Court Ruling Before Adjournment For Summer Recess—Capital On Edge

By GEORGE R. HOLMES
International News Service Staff Correspondent

WASHINGTON, March 14.— Pandora's famous box of troubles will be as nothing compared to the package of difficulties that will be opened for the prohibition bureau if the supreme court decides that the buyers of liquor, as well as the seller, is guilty of a felony under the Volstead act.

The government has put the issue squarely to the court and hopes for a decision before the court recesses for the summer. The authorities are generally agreed that it is the most crucial question involving prohibition that has been submitted to the bench since the constitutionality of the Volstead act was decided.

In Felony Class

A victory for the government would put in the felony class every citizen who buys liquor, whether it be a drink or a barrel. He would be liable to the same unishment that is now meted out to the bootlegger; in the eyes of the law, in fact if the supreme court holds with the department of justice, the buyer of liquor becomes a bootlegger.

Thus, overnight almost, the court may multiply a thousand fold the "felon class" in the country. While publicly silent, the authorities privately are somewhat aghast at the prospect. Enforcement, they say, is difficult enough now, when it is directed only at the commercial dispenser of liquor. The prospect of trying to enforce it against the consumer as well makes them shake their heads.

Decision Wanted

Attorney General Mitchell, however, is intent upon getting a decision on the point. The case was before the court today on its squarest aspect, and there appears no avenue by which the court can avoid a direct yes-or-no answer.

As usual, the wets and drys were divided today as to what the ultimate effect will be if the government wins the decision.

Senator Sheppard (D) of Texas, author of the Eighteenth amendment, and some of his dry supporters, believe that the cause of enforcement will be immeasurably advanced if the government wins. If the court decides against the government, Senator Sheppard has ready a bill which will specifically make the buyer of liquor guilty of a felony.

BOEING TO BUILD PLANES FOR PERU

SEATTLE, Wash., March 14—Part of the $850,000 Peruvian government aircraft contract recently placed in the United States is being filled here by the Boeing AirplaneCompany.

The large order, including twenty-six planes, spare parts and extra engines, was placed through the United Aircraft and Transport Company. The order calls for twelve Corsairs, ten Stearman, three Boeing and one Hamilton plane for early delivery, Boeing officials said.

Miss Freda Blake and Willis Rodgers were Saturday evening callers at the home of the former's cousin Miss Corrine Porter.

Navy Crews Face Busy Season

(International News Service)

ANNAPOLIS, Md., March 14.—The Naval Academy Crews open a busy season on April 19 with an important race in which Columbia and Massachusettes Tech row against the Midshipment.

The Navy meets Syracuse on the Severn River on May 10 and goes to Cambridge the following week for a tiff with Harvard, University of Pennsylvania and M. I. T.

It is almost certain that the Naval Academy will be represented at Poughkeepsie by varsity junior varsity and plebe crews.

Leaves Baltimore For Long Island

(International News Service)

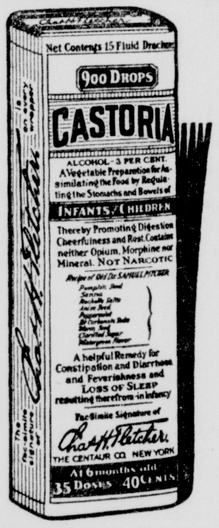

BALTIMORE, March 14—The Reverend Joseps H. Titus, acting rector of the Grace and St. Peters Protestant Episcopal church has accepted a call to the rectorship of Grace church at Jamaica, N. Y.

SEEKS RETURN OF WHIPPING POST

(International News Service)

MANCHESTER, N. H., March 14—The return of the whipping post was urged by Jay H. Corliss, secretary of the State Board of Public Welfare, for men who desert and neglect their families.

When BABIES are upset

Baby ills and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhea—a condition it is always important to check quickly. How would you meet this emergency—tonight? Have you a bottle of Castoria ready? There is nothing that can take the place of this harmless but effective remedy for children; nothing that acts quite the same, or has quite the same comforting effect on them.

For the protection of your wee one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. Its gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria; the genuine bears Chas. H. Fletcher's signature on the wrapper.

UNEARTHED OLD ABODE MISSION IN CALIFORNIA

(International News Service)

REDLANDS, Cal., March 14—Excavations on the site of the old sistencia of Mission San Gabriel, in San Bernardino county, have revealed several interesting facts relating to adobe construction by the mission fathers.

Part of a basket woven, of rushes, and used by the Iidians to carry adobe mortar, is among the relics found there. The original foundation made of cobblestones from the Santa Ana river wash, have been uncovered.

It is evident from the excations that a layer of cobbles, cemented with adobe mortar formed a base for these walls more than a century ago. Where ever possible, the foundations have been strengthened to form the base for the reconstructed walls in the restored buildings.

The mounds of earth found were some of the fourteen rooms of the Asistencia.

The new bell for the mission station has been hung in place and arrangements are being made for the unveiling ceremonies.

In donating the bell to the restored Asistencia, the Rev. Juan Caballeria, of Barcelona, Spain wrote that it is the kind carried on horseback by missionaries on their journeys in pagan lands.

LEESBURG

UNION SERVICE

Leesburg, Volant and Rich Hill Presbyterian churches will unite in a service Sunday afternoon at three o'clock in the Volant Presbyterian church, when Mrs. Carrie Donaldson, missionary from Albuquerque, N. M., will be the speaker.

COMMUNITY CLUB

A committee composed of Roy Orr, Frank Palmer, Walter Armstrong and Adam Kauffman entertained with a delicious chicken dinner Tuesday evening. County Agent Hagar and Harry Hunter were the speakers.

The next meeting will be held March 25 with Rev. H. M. Stevenson of Farrell speaking. The committe for that evening is Leonard Simon, William Mayberry and Robert Marshall. New electric lights have been installed in the clubroom.

PRESBYTERIAN CHURCH NOTES

Sunday school at 10 a. m.; morning worship at 11 a. m.; Christian Endeavor at seven p. m.; evening service at 7:45.

A meeting of the Sunday school teachers and officers was held at the manse Wednesday evening. Mrs. Warren Jordan and Gerald Palmer gave interesting accounts of the convention at Greenville, Pa.

The every member canvass is being conducted this week.

LEESBURG NOTES

Mr. and Mrs. A. J. Kauffman and family were dinner guests of Floyd Offutts Sunday evening.

Mr. and Mrs. Howard Armstrong and Mr. and Mrs. Charlie Sankey attended the funeral of John Grolderman at Millburn Monday.

Mrs. Pete Davis of New Castle was the guest of Miss Ella Scollard recently.

Miss Carrie Baughman has been visiting her parents in Youngstown, O.

The Dorcas Society held a handkerchief shower Thursday evening in honor of Mrs. Dave Fletcher.

Walker McCracken of near Mercer visited Cheron Allen recently.

Mr. and Mrs. Lester Blake were Mercer callers Monday.

O. C. Johnson was a caller at Volant Monday.

Mr. and Mrs. Dave Fletcher and son Vernon expect to move to Cleveland soon. Mr. Fletcher has been employed there for some time.

Mrs. Ezra Spiker and family have been visiting relatives in New Castle.

Chiron Allen was taken seriously ill Sunday morning. His condition is critical.

Mr. and Mrs. William Shuler, Mrs. James McCalla and son Clark of Mercer attended church here Sunday.

John Orr of near Mercer has sold his farm to Amos Weaver.

Mr. and Mrs. C. B. White and family of New Wilmington were Sunday callers here.

PAYS $27,500 FOR SADDLE HORSE

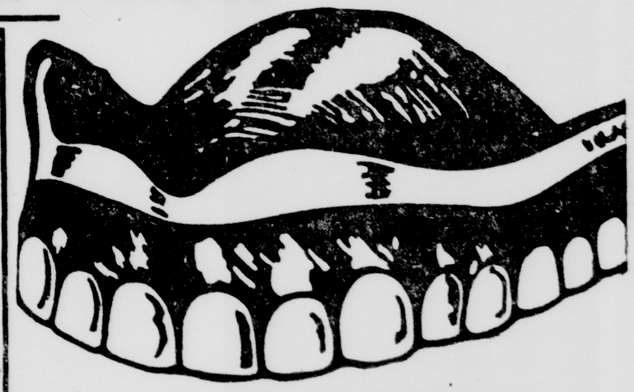

(International News Service)

KANSAS CITY, March 14—What is believed to be a record price for a saddle horse was paid here recently when Miss Mary Fiers, of Oklahoma City, purchased Herbert M. Wolf's three-gaited chestnut mare, Belle Delight, for $27,500.

It is usually considered some accomplishment to persuade a tightwad to loosen up.

Old Joe Grundy Now Realizes Influence Of Senatorial Toga

By CHARLES P. STEWART
Central Press Staff Writer

WASHINGTON, March 14—Old Joe Grundy of Pennsylvania has discovered that a man in a senatorial toga is more influential than he imagined.

Old Joe always recogized the utility of a staff of stuffed togas—working for him. Until recently, however, he evidently felt that the right place for a real politician was in the background, pulling strings for the stuffed togas to dance to.

When he allowed Governor Fisher, of Pennsylvania to appoint him, personally, last December, to serve for a congressional session as a toga's stuffing, it was not because he had any ambitions of that sort.

It was because one of Pennsylvania's togas had become unstuffed and had to be padded out somehow: and no ready made stuffing that suited old Joe being available on short notice he simply had to step into the garment temporarily (as he thought then) to keep it occupied.

* * *

Undoubtedly the experience humiliated old Joe at first, and yet it taught him a couple of lessons.

Firstly, it taught him that no stuffed toga can perform as effectively as a toga with an able, resolute, hard-boiled human being inside it. Secondly, it taught him that a human being, even of the admirable Rotarian typre aforesaid, can get away with certain desirable stunts, in a toga, with the same individual, clad in a sack suit, is apt to fail at.

So old Joe has decided to hang onto his toga—politics permitting.

* * *

For instance, nobody paid any attention to a speech old Joe made some time before last inauguration day, expressing strong skepticism concerning Mr. Hoover's political acumen. He did it in a sack suit: hence without a particle of eclat.

Then, in due course, as Senator Grundy, old Joe donned his toga.

Immediately all the newspapers dug up this very identical speech and plastered it all over their front pages.

As Senator Grundy (in a toga), old Joe created a first class sensation by broadcasting the recent story that President Hoover never did like the high tariff bill which the Republican house of representatives passed last spring, but is delighted with the anti-G. O. P. senate has torn the measure to pieces.

The same thing would have been little heeded, coming from him in a sack suit as plain Joseph G. Grundy.

* * *

Old Joe, who needs no X-ray machine to see through a grindstone, is quick to appreciate that the toga is what adds to his utterances' publicity value.

It is true that, in his pre-toga period, Senator Grundy could have dissembled his ideas through one of his stuffed togas, but it would not have had the same weight—because a stuffed toga speaks with nothing like the authority of a sure-enough senator, and Senator Grundy is genuine if ever a senator was, despite the fact that he is only an appointed one.

Elected, he will enjoy still more prestige, to be sure. Old Joe, perceives it. Accordingly next November he proposes to get himself elected.

Usually, what a man can have and does not want, he has difficulty in getting when he does want it.

It is the case of old Joe Grundy.

He could have been senator several times, before actual experience sold him on the propisition that a toga is worth having. Now that he is sold, he is going to have opposition.

William S. Vare is backing Secretary of Labor James J. Davis.

And a three-cornered race for the Republican gubernatorial nomination with a Grundy candidate, a Vare candidate and Gifford Pinchot, may complicate the senatorial primary and upset Grundy's "apple cart."

* * *

Pinchot was governor of Pennsylvania not so long ago—and not a popular one with the Keystone politicians either.

He will be able to exert some influence in the senatorial campaign—perhaps just enough to beat either candidate. Besides, friends of the White House may help the candidate from the cabinet, Vare's candidate.

Old Joe has not exerted himself to conceal his disapproval of some of the present White House tenant's policies. It is no secret that the senate's G. O. P. old guardsmen concur with him—though he is the boldest among them in revealing his sentiments. As a regularly-elected senator, he would be just the partner to improve their nerve immensely. He (and they) might have a lot to say at the 1932 G. O. P. convention.

Naturally Mr. Hover's supporters are not going to pray for Senator Grundy.

* * *

Old Joe is a most interesting personality but it remains to be seen how he will show up in primaries and at election.

Let time that makes you homely, make you sage.—Parnell.

EAST NEW CASTLE

OH, KAY

The Senior class of Shenango high school have decided to present the play "Oh, Kay". They will present it in the school auditorium. The characters have been selected and have started to practice. They are as follows:

Edith Whitman—Viola Schiedemantle.
Evelyn Whitman, her mother—Shirley Lawrence.
Arthur Whitman, her brother—Howard Boston.
Captain George Whitman, her father—James Cowmeadow.
"Gram" Penbroke—Lois Myer.
Alice Borden—Marie Hogue.
The "Black Terror"—Eli Lepisto.
"Gramp" Penbroke—George Body.
Jim Hayes—Kenneth Lang.
Kay Millis, of the Millis Detective agency—Lois Fombelle.
Fred Alden—Lloyd Shutts.

P. T. A. MEETING

The Parent-Teachers association meet on Monday evening in the Shenango auditorium. The business meeting was in charge of Mrs. George Body. The plans for a bake sale which were presented by the social committee were discussed. During the program Mr. Barnett of Energy gave a very interesting talk on the subject of, "How our school is benefiting the community," after which essays on the same subject were read by three senior girls, Anna Bintrim, Lois Myer and Shirley Lawrence. Mr. Claude Downs, also gave an interesting talk.

SAFETY FIRST

On Tuesday evening, March 18 the Senior class of East Brook high school will present the play "Safety First" in the Shenango auditorium. From the reports the play promises to be very promising so any one who spends next Tuesday evening at the play will be well rewarded.

EAST NEW CASTLE NOTES

Mrs. Ted Watson is on the sick list.

Mr. and Mrs. Henry Anderson spent Sunday in New Wilmington.

Anna Mae McCandless of the Old Pittsburgh road had the misfortune to be bitten by a dog recently.

Mrs. Mary Guy, Mr. and Mrs. Bookerman and daughter Janice of Youngstown, Ohio, visited at the home of Mr. and Mrs. I. A. Lytle, Sunday.

Mr. John Wilkinson of Niles, Ohio, visited at the home of Mrs. Agnes Wilkinson Tuesday.

Mrs. Homer Houk and children Delma, Ira, William and Martha of Energy Stop were dinner guests of Mr. and Mrs. Albert Moser Tuesday evening.

Miss Anna Moser of Butler spent the week-end with her parents Mr. and Mrs. Albert Moser.

Toxin-Anti-Toxin treatment was given to several children of Shenango township, at the Shenango high school Tuesday morning.

Miss Alva McCasland, a teacher in the Shenango school has been off school for the past few days on the account of sickness.

Mr. and Mrs. J. C. Davis and daughter Betty journeyed to New Wilmington Sunday, afternoon where they visited with their daughter Blodwin who attends Westminster college.

Mrs. Bert Stindurf of Sharon, Mr. and Mrs. Mitcheltree of Pulaski, Miss Nellie Johnston, and Mr. and Mrs. Melvin Johnston of Butler were week end visitors at the home of Mr. and Mrs. Clarence Johnston.

Mrs. Mazie Prim and Mrs. Harry Lutz and Mr. Kenneth Lutz were callers in Canton, Ohio, Saturday.

The Bible study class will meet in the home of Mrs. Oscer Graff next Monday evening.

Baltimorean Hits Daylight Saving

(International News Service)

BALTIMORE, March 14.—Daylight saving time is a blight to more than 90,000 Baltimoreans and to prove their dislike for it they would vote against it in a referendum, Frank W. Lawson, executive secretary of the Association Opposed to Daylight Saving, announced lately.

Beaver Townships

GRANGE LADIES TO MEET.

The Big Beaver Grange Ladies' club will meet on Tuesday, March 18, at 1:30 p. m., in the Grange Hall. Following the regular routine of business in charge of the president, Mrs. W. S. Chatley the entertainment will be in charge of Mrs. Norma Patterson, Mrs. J. C. Brittain and Mrs. C. H. McMillen. The committee is planning a St. Patrick's program, roll call to be answered by each lady responding with an Irish joke. Hostesses for the day will be Mrs. Duff and Mrs. Buchanan.

GRANGE TO MEET.

Big Beaver Grange met Tuesday evening for their regular meeting. During the lecture hour a fine program was presented in keeping with St. Patrick's day. This was followed by a social hour, when delicious refreshments were served by the ladies.

ATTENDING COURT.

Those attending court this week as jurors from the Beaver townships include Guy McCown, Allen C. Noggle, Joseph Veon and Myrtle Brown and Harriet Swoggers, Gertrude Kyle, Daisy Bright, Whan Hopper and Mary Patterson, North Beaver, and William Nesbit, Little Beaver township.

BEAVER TOWNSHIP NOTES.

Samuel Madden and daughter, Beryl, of East Palestine, Ohio, spent the first of this week with W. N. Walker and family of Little Beaver township.

The funeral service for J. Dodds Campbell, a highly esteemed retired farmer of North Beaver, were largely attended Wednesday at the home of his adopted daughter, Mrs. R. S. McAnlis, Big Beaver township.

R. E. McKinney and daughter, June Avis, and Mr. and Mrs. K. W. McHattie and daughter, Beulah, spent the first of this week with friends in Beaver Valley.

Mr. and Mrs. Roy Madden and family of East Palestine, Ohio, visited W. N. Walker and family the first of this week.

Mrs. Lydia Lusk has concluded a few days visit with her sister, Mrs. H. F. Leslie, Little Beaver.

Mr. and Mrs. Guy McCown have moved from J. C. McKinney place to the formerly James Davidson farm in Big Beaver township.

Mrs. William Buchanan of Big Beaver township, spent a few days this week in New Castle.

Ernest Scott Brittain of Big Beaver, is visiting this week with his sister, Mrs. John Smith and family, of near East Liverpool, Ohio.

W. N. Walker of Little Beaver, was a New Castle visitor on Tuesday.

Mrs. Grace Baker Ashenhart of Midland, Pa., spent the week with her mother, Mrs. O. C. Baker and family of Big Beaver township.

Mr. and Mrs. Harry Owens, Big Beaver, spent the first of this week with their son, Elmer Owens and family, of New Castle.

Born, a daughter to Mr. and Mrs. Floyd Hamilton of Big Beaver township, on Thursday, March 6.

Born, a son to Mr. and Mrs. Louis Senn of Big Beaver township, on Monday, March 10.

Born, a son to Mr. and Mrs. Alex W. Leslie of Little Beaver township, on Tuesday, March 11.

Those red outbreaks seem, after all, to have been nothing more than a mild case of eczema.—The Ann Arbor Daily News.

SEVENTH WARD NEWS

Minstrel Presented Thursday Evening In Mahoning M. E.

Large Crowd Enjoys Program—Other News Notes Of The Seventh Ward

An excellent program in the form of a Minstrel show was presented Thursday evening in the Mahoning M. E. church. A capacity audience was in attendance. The program was presented under the auspices of the Men's Bible class of the church. Singing of minstrel and popular songs, banjo selections, much humor and mirth afforded by jokes and repartee by interlocutor and end men and orchestra music comprised the program.

Jack Evans in the role of interlocutor was fine in his part of linking the minstrel numbers. The end men, black faced comedians attired in white suits furnished plenty of good humor. End men were, Loy Gwin, J. W. Miller, Dr. C. W. Davis, Ellis Howard, M. C. Adams and Q. E. Davy.

The Minstrel chorus comprised a group of twelve men and they were accompanied by two banjo players. The men in the chorus wore blue trousers and light coates. Solos were sung by, Jack Evans, Rev. David Daye Sleppy, David Daye Sleppy, Jr., Ellis Howard, Loy Gwin, Dr. C. W. Davis, M. C. Adams and Q. E. Davy.

The program was well presented and enjoyed by the audience. A fourteen piece orchestra played a number of selections and accompanied the minstrel singing. Chester Johnston presided at the piano.

This program will be presented again this evening in the church basement. Proceeds realized from the sale of tickets for the event will go toward the Joash campaign being conducted in the church.

Book Club Members Luncheon Guests

Mrs. Abram Rhodes and Mrs. F. W. Wallace were pleasing hostesses at a beautifully appointed 1 o'clock luncheon, to the members of the Mahoning Book club on Thursday. The luncheon table was attractive with spring flowers and appointments were carried out in green and white tones. Covers were arranged for 18. Mrs. John G. Fisher was a special guest. A delicious menu was enjoyed later. The after luncheon hours were spent informally in chat and the exchange of books.

In two weeks Mrs. H. E. Rhodes will be hostess to the club at her home on W. Madison avenue.

M. B. CLUB

Misses Effie Stickle and Sara Diffley were associate hostesses to the members of the M. B. club Thursday evening in the former's home on Boyles avenue. Fifteen were present. Miss Louise Reynolds was a special guest. The hours were enjoyably spent in games and music. At a seasonable hour dainty refreshments were served by the hostesses, assisted by Mrs. J. C. Coulter, Mrs. I. M. Stickle and Miss Helen Woods. Green and white tones were carried out in serving.

G. I. A. LODGE

The Grand International auxiliary to Brotherhood of Locomotive Engineers had their regular meeting on Thursday afternoon in the city hall. During the afternoon the routine meeting was conducted and lodge business transacted.

BOY SCOUTS

The Kiwanis Boy Scout troop number 4 are holding regular weekly meetings in the Mahoning school building. The troop meets on Monday evenings.

CHANGE RESIDENCE

Mr. and Mrs. Herman Meyer expect to move soon to 201 East Cherry street.

Mr. and Mrs. Hiriam Shaffer of 113 Lacock street are moving to 101 Ashland avenue.

HOME FROM CLEVELAND

Miss Leta Mae Edson of Cleveland is spending a few days at her home on Liberty street.

EXPECTED HOME

Mr. and Mrs. W. E. Barker of W. Madison avenue are expected to return Saturday from Kentucky where they have been the past two weeks visiting relatives.

MEETINGS TONIGHT

Queen Esther meeting with Mrs. Harry Wylie of West Madison avenue.

Sabbath school class taught by Miss Evelyn Marshall meeting with Cora Koltrider of Ashland avenue.

Joint meeting of children's classes of Christian church with Bernice Hammond, Lafayette street.

Union Meeting Of Lodges Planned

Mabel Wilson Lodge Has Regular Meeting On Thursday Morning

Mabel Wilson lodge No. 567 to Brotherhood of Railroad Trainmen had their lodge meeting Thursday evening in the Knights of Malta hall. Twenty-five were present. There were a number of applications for membership but there was no initiation last evening. The initiation of these candidates will take place at the union meeting of auxiliaries of Brotherhood of Railroad Trainmen to be held in Pittsburgh on March 27.

Seventeen auxiliaries of Pittsburgh district are cooperating in this union meeting. Mabel Wilson lodge of this city is one of the 17 lodges. The next regular meeting of this lodge falls on March 27. But no meeting will be held here, as many members as can are planning to attend the union gathering being held at the Elks club in Pittsburgh.

The committee for the union meeting from Mabel Wilson lodge comprises Mrs. George Fisher, Mrs. Sam Taylor and Mrs. William Ellgass. Committees of three from each of the 17 lodges comprise the general committee in charge of the arrangements for the union meeting.

AT ELLWOOD CITY

Raymond Taylor of N. Ashland avenue is spending a few days visiting with his sister, Mrs. Henry Thayer of Ellwood City.

EDUCATIONAL CLUBS

Mahoning school educational clubs had club meetings Thursday morning fourth period. There are six school clubs and they meet every two weeks.

Gospel Musical Sunday Evening

Will Be Held At Moravia Stop Alliance Church—Program Presented

The second gospel musical will be held in Moravia Stop Alliance church, on Sunday, March 16, at 7:45 p. m.

Miss George and Miss Sadie Lewes, gospel singers, well known in their singing ministery to a number of churches in this vicinity will render several selections, also Sam Burrows, Scotch gospel soloist, will also be present and sing. Master Kenneth Bunny from Hazel Dell, Ellwood City, a gifted young musician, will give a selection on the piano. Mrs. E. C. Anderson, lady evangelist, will give a brief gospel message.

The program is as follows:

Congregational Hymn—Piano and trombone accompanist.

Prayer—Glenn Hogue.

Scripture Reading — Miss Charlotte Galvin.

Children's Chorus—Piano accordian accompanist.

Piano Solo—Master Kenneth Bunny.

Instrumental Selection — Piano, musical saw, trombone, and vibraphone, Pastor and H. J. Miller.

Children's Hymn—Mrs. Grines Singers.

Young Peoples Chorus—Piano accompanist.

Vocal Duet—Miss George and Miss Lewis.

Vocal Solo—Mr. Sam Burrows.

Congregational Hymn—Piano accompanist.

Love Offering.

Reading—Miss Sadie Lewis, accompanied on vibra-phone.

Vocal Duet—Miss George and Miss Lewis.

Brief Message—Mrs. E. C. Anderson, lady evangelist.

Invitation Hymn—"God Be With You Till We Meet Again."

Allegheny County Lawyers To Aid In Choosing Of Judge

(International News Service)

PITTSBURGH, March 14.—Repeating the procedure carried out when previous vacancies occurred on the common pleas bench, a referendum for the expression of lawyers of Allegheny county of their choice of a man to fill the vacancy caused by the death of Judge Richard W. Martin will be proposed at the meeting today of the Allegheny County Bar Association.

Attorney William B McFall, chairman of the executive committee, said the resolution will be presented by that committee proposing the canvass. The results of the poll, if ratified by the association will be given Gov. John S. Fisher who will make the appointment to fill the vacancy.

TOUGH FOR HIM.

Beautiful Girl: No Sam I cannot be your wife. Please go away and forget me.

Dejected Iover: No use; I'm a memory expert.—Answers.

Wild Duck Colony Is Fed At Franklin

FRANKLIN, Pa., March 14—Wild ducks living in the colony here have increased in number as the result of protection and feeding, and now number more than 70.

The duck colony is on an island in French creek.

Employes of the Chicago Pneumatic Tool company plant and the Franklin Valveless Engine company have been feeding the birds regularly from their dinner pails.

We Please the Critical— Satisfy the Economical

It's when you please everyone—the critical—the economical—that you win a reputation as the best in your particular line of business.

By handling "better meats" — meats that are personally inspected before they are placed in our meat market—we always have been able to please particularly the great number of patrons who visit our shop and insist on having choice cuts of our "better meats." It's these choice cuts of personally inspected meats that win for us hundreds of exclusive patrons. (We don't blame our customers for being critical when buying their meats — we always desire the best when we make our purchases—why shouldn't you?)

It's not our policy to engage in a price-cutting war or to undersell all markets in the city, but for those patrons who wish "better meats" at prices that are right we too can satisfy that group — the so-called economical buyers. Our sole aim is to please everyone—we have been doing it for years—if you are not numbered among our patrons you are overlooking a real opportunity—an opportunity to buy at the meat market that pleases the critical and satisfies the economical.

We also handle a nice line of vegetables and groceries

For your convenience we list a few of our Saturday specials.

JURY GETS TESTIMONY ON HOW BRADY PAUL WAS SHOT BY WOMAN

Eye-Witnesses In Accord As To Fact That Woman Fired Shot That Struck Down State Highway Officer—Details Of Gun Battle Graphically Portrayed

Link by link, the commonwealth's chain of evidence against Irene Schroeder for the murder of Corporal Brady Paul on December 27, 1929, is being forged, and as each link is added to the lengthening chain the certainty of guilt seems more and more apparent.

Thursday night and this morning's sessions in Court Room No. 1, were perhaps the most vital portions of the commonwealth's case against the Trigger Blonde. By six eye witnesses the commonwealth showed that Corporal Brady Paul met his death at the hands of a woman, and this woman was identified as Irene Schroeder.

At the opening of court, the commonwealth recalled Mrs. Eva Baldwin and Ralph Newingham for minor additions to their testimony. Then more of the kind of testimony that is expected to secure meting out of the extreme penalty to the Gun Girl. Raymond Baldwin, fourteen year old son of Mrs. Eva Baldwin told of seeing the woman fire the shot, saw Paul fall, saw a man kick Ernest Moore out of the road of the automobile, and then saw the car drive away.

Mrs. Martha Williams

Mrs. Martha Williams, a neighbor of the Baldwin's told of being at her window when the "death car" was stopped, of watching the officers stop automobiles, of seeing a man and a woman get out and of hearing a shot and seeing smoke issue from the woman's hand.

George Book was the last witness of the morning session. He told of driving his truck towards New Castle and stopping in front of the Williams home shortly after the noon hour. He described the shooting as he saw it and like Mrs. Williams, "saw the smoke coming from the woman's hand."

Repeated assaults of the defense upon cross examination failed to shake the testimony of the eye witnesses in any material point. Back and forth the defense attorneys took the witnesses over their story, and at the end the salient feature stood out clearly, a woman shot Brady Paul, and that woman was identified as Irene Schroeder.

Still Stoic

Her usual stoicism marked the blond this morning as she sat in court. One might almost imagine her a modern Galatea as she sat there, unmoved, expressionless, silent, listening to the testimony in as detached a manner as the most casual spectator. That same iron nerve which carried her across a nation, shooting it out with cops has not yet deserted her and the slight indisposition of two days ago has passed. She is still garbed in the lace trimmed black dress, with the heavy black coat. The spring straw hat has been replaced by a chic black cloche hat which sets down on her head much like a headgear on a football center's head.

Apparently Attorney Charles J. Margiotti, special counsel for the commonwealth is confident of the outcome for on several occasions he refused to quibble over the admissability of evidence and withdrew the question at issue. With as much haste as seems expedient he puts the witnesses through their examination and by tonight that part of the testimony which deals with the actual shooting of Brady Paul will be in.

Other Witnesses

This afternoon it is expected that Howard Kelley, the undertaker who took Paul to the hospital, Mrs. John A. Crowl who was with him in the operating room when he died and several other witnesses who assisted in the taking of Paul to the hospital, will be heard.

The next step will probably be the testimony of Ray Horton and Elsie Nickum from whom the bandits stole an automobile after the death of Paul. Then the testimony of witnesses who have knowledge of what happened between New Castle, Wheeling, and Parkersburg., then St. Louis, Mo., and then Phoenix, Arizona.

The testimony taken this morning follows:

MORNING SESSION

Ernest C. Moore was recalled to the stand at the opening of court. He identified a picture of Brady Paul Commonwealth offers in evidence a picture of Brady Paul.

Mrs. Eva Baldwin was recalled. Her testimony was merely to add a few minor details as to position of objects near her home when the commonwealth took pictures on February 21. No cross examination.

Ralph Newingham was recalled and testified that the car he drove on Feb. 21 for the pictures was the same model Chevrolet coach as the one in which Irene Schroeder and Dague rode on December 27.

Boy Testifies

Raymond Baldwin, son of Mrs. Eva Baldwin was called to the stand.

Q. What grade are you in?
A. Eighth grade.
Q. Did you see the motor patrol at your lane December 27?
A. Yes. I watched them stop cars on the Butler road. After stopping 6 or 7 towards New Castle a Chevrolet came along and was stopped by Brady Paul. He walked to the window of the car and Ernest Moore was in back of him. A man got out and a woman followed. Both pulled their guns and pointed them at Brady Paul. He backed up towards Butler. The two people had their guns pointed at Paul. Ernest Moore was by the front fender.
Q. Did you see any shooting?

Woman Shot Paul

A. Yes the woman shot Brady Paul while the other one went around the car. A man got out of the car followed by a woman. The woman had her hand extended. Then I went to an adjoining window, a front window.
Q. What did you see them?
A. Well, I didn't have a good view of the rear of the car—I saw Moore crouched down in front of the radiator. I saw Corporal Paul and the lady at the rear of the car. She had her hand extended towards Paul I heard a shot and saw smoke from her hand.
Q. How far was Paul from the woman?
A. About 8 feet.
Q. Did you see anything at the front of the car?
A. Saw a man stooping over Moore.
Q. Did Paul get to the pole?
A. Yes.
Q. Up to that time had he shot?
A. No.
Q. Did he shoot?
A. Yes at the car as it was leaving.
Q. How many shots did he fire?
A. About 4.
Q. How was the man dressed?
A. A long dark overcoat and soft hat.
Q. How was the woman dressed?
A. Black coat and black hat.

Cross Examined by Jarrett

No change in the testimony of Mrs. Williams.

Howard Zeigler who resides on the Butler road saw the officers when they were in the lane. His attention was first attracted by a screeching brakes.
Q. Where were you then?
A. On the davenport.
Q. What did you do?
A. Went to the window and looked out.
Q. Did you point out the place you were standing to the photographer?
A. Yes.
Q Did you have an unobstructed view of the officer as well as the automobile?
A Yes, Paul stayed at the door of the car and Moore went around back A man and woman got out and they each had a gun in their hand. Paul backed up with the woman covering him. I saw his left hand but couldn't see Paul's right hand as they were in the road
Q Could you see them back of the car
A No, just the back of the woman and the man. I couldn't see Paul or Moore
Q Was the man next the car or the woman?
A The woman
Q Then what?
A I saw Moore coming around the front of the car and raise up
Q Did you see anyone in the car?
A No sir
Q What became of the man at the back of the car?
A He came around the side of the car
Q Where was Moore then?
A Getting down in front of the radiator
Q Did the man walk or run?
A Walked fast
Q What was Moore doing?
A Raising up
Q What did he do?
A Aimed at the left side of the car
Q Did he have anything in his hand
A A gun
Q Did you see the woman and Paul after you saw the woman disappear back of the car?
A I did not

Moved Moore With Foot

Q Did you see what the man did?
A He moved Moore over with his foot
Q Then what?
A Brady Paul was going towards the pole and the man ran after him and shot
Q Then what?
A The man ran back to the car, got in and the car left
Q Where was Paul?
A About 15 feet from the telephone pole
Q How many shots did the man fire at Paul?
A One
Q How was Paul going?
A Stooped over
Q Did Paul fire?
A Yes, once at the car as it was leaving.

Commonwealth offer an evidence a picture taken from where Zeigler saw the shooting. Objected to and omitted.

Short Recess

A recess of ten minutes was taken before Zeigler finished his direct testimony.
Q. Did you see the car go by?
A. Yes.
Q. Who was in it?
A. A man and a woman in the front seat and a man in the back seat.

Cross examined by Dickey.
Q. You say Moore went down once?
A. Yes.
Q. Then did he go clear down?
A. Yes.
Q. What kind of a day was it out there Howard?
A. Clear day.
Q. Did you go out of house when car drove away?
A. Yes.
Q. Did you notice a truck?
A. Yes it was backing up.
Q Where was Ernest Moore when you first saw him?
A. In the road stopping cars.
Q. See him walking around the car?
A. Yes.
Q. Did you notice what his gait was?
A. He was walking, kind of bent over a little bit.
Q. Did he have a gun in his hand?
A. Not as he was coming around to the front. He did when he got to the front of the car. He drew it then.

George Book

George Book, a truck driver who saw the battle from his truck on the Butler road was called.
Q. What kind of truck did you have?
A. A Ford.
Q. Were you on the Butler-New Castle road that day?
A. Yes.
Q. What time were you in the vicinity of the Baldwin home?
A. Shortly after 12 o'clock.
Q. When you came towards the William's home did you see a car?
A. Yes. I saw one there and two highway patrolmen.
Q. Did you designate to the engineer and photographers where you were on the road?
A. Yes.
Q Did you travel toward the car?
A. For a while. I stopped about 125 or 150 feet from the car.
Q. Did you observe the position of the car ahead of you?
A. Yes.

Witness identifies two pictures taken from where his truck was. Commonwealth offers both pictures in evidence. Objected to and overruled. Offer admitted.
Q. Did you see any officer?
A. Yes. One on one side of car and one just around behind it.
Q. See anybody getting out of car?
A. A man and woman were just getting out of the car as I came around the curve.
Q. Which was first?
A. The man.
Q. What did they do?
A. Looked to me as though the man gave Paul a shove. Then the woman backed Paul up.
Q. Where was she?
A. On the left side of the car.
Q. What happened?

Heard a Shot

A. I heard a shot.
Q. Where was the woman?
A. Right in front of Paul.
Q. Where was Paul with reference to the center line of the road?
A. To the north.
Q. You say you backed up?
A. Yes.
Q. Was Moore about when the shot was fired?
A. He was around the side of the car.
Q. Did you back fast or slow?
A. As fast as I could go.
Q. When you stopped did you look forward?

Paul Falls

A. Yes, then I saw the woman backing Paul up the road. Saw smoke coming from her hand. Paul fell. He went down completely.
Q. At the time Paul went down and you saw the smoke how did she have her hand?
A. Extended toward Paul.
Q. Did you notice where Paul had his hand?
A. I couldn't see.
Q. Was the shot fired by the woman?
A. Yes sir.
Q. Up to when he fell did you see Paul do any shooting?
A. No.
Q. Was there any other person between you and the car?
A. No sir.
Q. When Paul fell where did the woman go?
A. Back to the car.
Q. What did Paul do.
A. Got up.
Q. Was he facing New Castle.
A. Yes.

Witness then illustrated Paul's position.

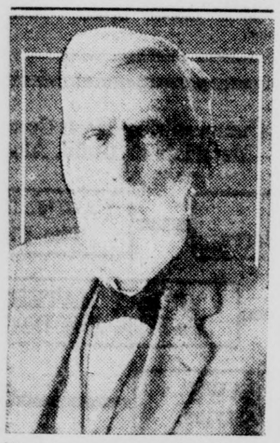

Went to Pole

Q. Did you have your attention on Paul as he went from where he fell to the pole.
A. Yes.
Q. How far did he have to go.
A. About 40 feet. Then he raised his gun.
Q. Did the car start to move.
A. Yes very shortly after.
Q. Did Paul shoot.
A. I do not know.
Q. Did you see Paul after the car went away.
A. Yes. I brought him in to New Castle.
Q. Did he get into the truck.
A. I took him by the arm and helped him.
Q. Where did he ride.
A. On the seat. He sat up for a while and then laid his head on my arm. He said, see where I got shot and showed me his coat.
Q. What did you do with Paul.
A. Took him to Kelley's undertaking room.
Q. Who took him in.
A. A couple of men helped him in.

Cross-examined by Dickey.
Q. You don't know who fired that shot.
A. No sir.
Q. You say the man shoved Paul.
A. Yes he shoved him a little.
Q. Did you see Moore.
A. Yes at the rear of the car.
Q. Was he standing still.
A. Yes.
Q. Was Brady Paul at the back of the car.
A. Didn't notice.
Q. As a matter of fact you didn't see anyone shoot.
A. I saw the smoke.
Q. Did you know if the shot struck.
A. I couldn't say.
Q. When Paul got to the pole did Paul shoot.
A. I can't say.
Q. Did you hear other shots.
A. Yes.
Q. When Brady Paul fell how did he go down.
A. Sideways.

Court adjourned for the noon recess.

Veteran Seeks Office

His 86 years are no handicap to General R. A. Sneed, commander of the United Confederate veterans, who is seeking his third nomination for state office in the Oklahoma Democratic primaries. General Sneed is state treasurer at present and aspires to the secretaryship of state, which office he held before he became treasurer.

FRIEND ESCORTS KEYES TO PRISON

His last appeal lost, Asa Keyes, widely known Los Angeles district attorney, who himself sent more than 5,000 persons to state's prison, has taken his place behind the bars in San Quentin prison, California, convicted of bribery in connection with the Julian oil cases. Keyes is shown here en route to the jail, left, in custody of Deputy Frank Cochran, a life-long friend.

Plans to Take Record From Zep

John Henry Mears, New York business man and world famous globe girdler, seated in the cockpit of a training plane at Central Airport, Camden, N. J., where he is taking flying instructions. His purpose is of course the unswerving determination to get one more hold on the record for the around-the-world trip. In 1920, with Pilot Captain Charles B. Collyer, he used a plane for a major part of the globe-circling exploit in which he established a record of 23 days. The record was shortlived, however, for the very next year the Graf Zeppelin made the trip in 21 days.

HIGH BEACONS TO LIGHT PATH OF AIRPLANES

By LYLE ABBOTT
International News Service Staff Correspondent

LOS ANGELES, March 14.—Coyotes that sing to the moon and ground owls that emerge from the burrows of prairie dogs to hover at night, soon will be disturbed in their desert haunts in southern California and Northern Arizona by the rhythmically flashing beacons of a modern airway.

Work has just been started on the first 245 miles of the Los Angeles-Kansas City airway, over which hundreds of passenger and mail planes now are plowing the upper pair.

The desert stretch will have towers 51 feet high, spaced from 29 to 38 miles apart, depending on the lay of the land.

Red flashers near each beacon will inform the night-flying pilot of his course and indentify each beacon station by means of a code of dots and dashes.

Airplane sight-seeing has given the modern-minded traveler an insight into hidden places that many generations of tourists have lacked because of the inaccessibility of the Grand Canyon.

Today the 1000-foot vertical walls of black volcanic rock between which the Boulder dam will be built, are a common scenic attraction because they no longer lie at the end of a hard horseback journey of several days from the nearest town.

S. W. Wright, who plies the Pickwick Latin-American airway with triweekly mail and passengers between Los Angeles, Mexico City, Guatemala and San Salvador claims a new record of safe flying.

Wright has flown 50,000 miles between August 1, 1929 and February 1, 1930, without accident. Few automobiles go 50,000 miles without a fender dent, Wright says.

Gas On Stomach Is Dangerous

TELLS HOW TO STOP IT

Gas, Pain, Bloating and a feeling of fullness after eating are almost certain evidence of excessive hydrochloric acid in the stomach.

Too much acid irritates the delicate stomach lining, frequently causing chronic Gastritis and dangerous Ulcers. Food ferments and sours, forming a gas that distends the stomach and often seriously affects the Heart.

It is genuine folly to neglect such a condition or to treat with artificial digestive aids that cannot neutralize the stomach acid. A better way is to get from any reliable drug store some Bisurated Magnesia (powder or tablets) and take a little in water after each meal. Bisurated Magnesia will stop the worst gas attack quickly and without embarrassment. Taken right after eating, it prevents formation of gas and acids so there is no sourness, bloating or pain. Pleasant and perfectly harmless to use—Bisurated Magnesia does give wonderful relief in nine out of ten cases. Ask your Doctor or Druggist. Try it today.

Is The World Getting Better Or Worse? Yes!

"Brass Tacks" On The Sunday School Lesson

The Golden Text

"The kingdom of God is not meat and drink; but righteousness, and peace, and joy in the Holy Ghost."—Romans 14:17.

By DR. ALVIN E. BELL

Is the world getting better? Some folks argue that it is, and point to numerous evidences of the progress of righteousness and good will in the world. Is the world getting worse? Other folks argue that it is, and can point to just as numerous evidences of the progress of iniquity, crime and strife in the world. The fact is that both are right. There is more good in the world today than ever before, and there is also more evil in the world than ever before. This is in accord with our Lord's parable of the tares and the wheat. "The field is the world: the good seed are the children of the kingdom, but the tares are the children of the wicked one: the enemy that sowed them is the devil." "Let both grow together until the harvest" is the King's own explanation of why he tolerates this increase of evil side by side with increasing righteousness.

The Mustard Seed and Leaven

The third of Christ's Kingdom parables pictured his kingdom as "like to a grain of mustard seed which a man took, and sewed in his field: which indeed is the least of all seeds: but when it is grown, it is the greatest among herbs, and becometh a tree, so that the birds of the air come and lodge in the branches thereof." It was a prophesy of that unfortunate day when the Church abandoned the spirit and policy of the lowly Nazarene and grasped after worldly glory and political power with the result that forces of evil like foul broods of birds found it paid to shelter in the Church.

The fourth of this group of parables is companion to the third and points to an unfortunate tendency of the Kingdom in another direction, viz., in its inner corruption within itself. "The Kingdom of heaven is like unto leaven , which a woman took and hid in three measures of meal, till the whole was leavened." Leaven or yeast always represents the principle of evil in doctrine or life, as Christ warned his disciples to "beware of the Pharisees and of the leaven of Herod." It was the King's warning against false teaching which by its subtle methods would pervade and corrupt the whole body of teaching and life.

The Treasure and the Pearl

Again in the fifth and sixth parables we have two companion parables representing respectively the treasure the King sees hidden in Israel and the pearl he finds in the Church. 'Again the Kingdom of Heaven is like unto treasure hid in a field: the which when a man hath found, he hideth and for joy thereof goeth and selleth all that he hath, and buyeth that field." From his own interpretation of the second parable we know that here, too, 'the field is the world" and the Son of Man is the one who has bought the world including Israel, which during these "times of the gentiles" is like a hidden treasure of unsuspected value which the Son of Man at his coming again will disclose in its richness. "Again, the kingdom of heaven is like unto a merchant man, seeking goodly pearls, who, when he had found one pearl of great price, went and sold all that he had, and bought it.' Christ is not this pearl of great price which we have bought by our surrender of all we have. We have not bought Christ, but he has bought us. He again as in all the other parables is the man of activity.

The Judgment Parable

The concluding parable of the group is that of the net and the separation of its contents, a parable of the final judgement at the end of the age in which evil will be separated from good, the good to finally come into his own in the triumph of which it has often been cheated in this life.

Americanization Committee Meets

Reports Of Neighborhood House Given At Monthly Meeting Wednesday

The monthly meeting of the Americanization committee was held Wednesday afternoon in the Neighborhood House with Mrs. T. W. Phillips presiding. Reports were heard from the treasurer, Mrs. Mollie Davis, and the welfare worker, Christine Butler, gave her monthly report of the work being done at the house.

Miss Butler reports 51 calls made, 789 books exchanged, 30 new testaments and L. T. L. pins given out to members attending 10 successive meetings. The Girl Reserves had a Valentine party and had Miss Imhoff of India as the speaker. There were a number of books donated for use of the library: Mrs. A. S. Webster donated 9, Mrs. F. E. Sowersby, 19, Mrs. William Schmid, Jr., 56, and Mrs. E. B. Hawkins, 110.

A committee was appointed to make arrangements for the rummage sale to be held at the Neighborhood House March 28 and includes, Mrs. C. H. Millholland, Mrs. O. A. Hartman, Mrs. S. E. Irvine, Mrs. Ethel Connery, Mrs. George White, Mrs. J. F. Rentz, and Miss Lowe.

All classes at the house are full and there are scholars waiting to be admitted to the various sewing, Bible and other classes that are so efficiently conducted by the women of the city.

Air Experts Believe Fog Problem Has Been Solved

By ROBERT S. THORNBURGH
International News Service Staff Correspondent

WASHINGTON, March 14.—Government aeronautical experts believe that the question of fog flying and landing virtually has been solved and that installation of the proper equipment at landing fields and in planes is about all that remains to be done to meet the problem.

Nevertheless, experts at the Bureau of Standards pointed out, it may be two years before aeronautical science is able to reach a complete solution. The Bureau has been engaged for about a year in the use of radio to aid airplanes landing at airports in dense fog, when the ground is invisible.

"The pilot landing in fog must be given instantaneous information on his three coordinates in space," the bureau said. "That, is, he must be guided to and along a suitable runway, must know how far along it he has gone, and the height of the landing path above the ground must be properly regulated.

"Of these requirements, the first is given by a small directive radio beacon, the second by a marker beacon and the third by a landing beam. The first has been installed by the bureau both at its own field, College Park, Md., and at Mitchel Field, L. I., for the Guggenheim Fund. At Mitchell field successful blind landings were made by Lieutenant J. H. Doolittle, using this beacon in conjunction with several non-radio instruments."

At College Park all three elements of the system have been installed, the small directive beacon, marker beacons and the landing beam. The first two are identical in principle with the same devices developed for use on the airways for guiding airplanes from one airport to another.

The method now being tried to provide the third element of the system, i. e., to regulate properly the height of the landing path as the airplane approaches the landing, is a directed beam. This beam, of 60,000 to 100,000 kilocycles, is directed at a small angle above the horizontal. A very simple receiving arrangement with visual indicator is used on the airplane. When the airplane is so maneuvered as to keep the deflection of the indicators always at a fixed point, the airplane follows a gliding path down to the ground which is quite suitable for the landing operation.

In one experiment the landing path marked out by the beam began at approximately three miles from the transmitter, at which time the plane was 2,000 feet above the ground. At two miles the plane was 500 feet up, one mile 240 feet, a half mile 85 feet and so on until at 500 feet from the transmitter it was five feet above the ground.

"It will be noted that the slope of this path decreases as the pilot approaches the ground, tending to facilitate a proper landing," an expert explained.

Census Will Show Whether Females Still Exceed Males

Pennsylvania Has Had Fewer Men Than Women For Past Two Decades, Records Show

By ARTHUR C. WIMER
Special Washington Correspondent Of The New Castle News

WASHINGTON, D. C. March 14,—One of the most important facts to be determined by the 1930 census in Pennsylvania will be the ratio of male to female in the State, Dr. Joseph A. Hill, acting director of the census, bureau, says.

Whether the males will continue to uphold their numerical superiority in Pennsylvania, in view of growing immigration restrictions which tend to cut down the males more than the females, will shortly be determined.

In common with most states of the country, Pennsylvania had slightly fewer males in proportion to females in 1920 than in 1910, census bureau figures for the last two decennial censuses reveal.

Ten years ago there were 103.2 men for every hundred women in the state, as compared with 105.9 men to every hundred women twenty years ago.

Likewise the ratio in the country at large changed from 106 males to 100 females in 1910 to 104 males for 100 females in 1920.

The information obtained through the census as to the sex ratio is indispensable in the calculation of life tables, in the determination of mortality rates, and in studying the incidence of disease, as well as in business, in legislation, and other connections.

Little Children Enjoy Visit At Public Library

West Side Kindergarten Class Hears Stories Told This Morning By Children's Librarian

Seventeen little children from the West Side kindergarten visited the New Castle free public library, this morning. They were brought in an automobile by their teacher, Miss Alice Warner.

The children were intensely interested in every detail about the public library, although they are not yet of the reading age.

After being taken through the children's department, the children were told stories by the children's librarian, Miss Alice Joyce. After the visit, the children, led by their teacher, filed out of the library, two by two, and all seventeen, systematically were put into the automobile of Miss Warner.

TWO BENEFIT BY PENSION BILLS

Prospect And Ellwood City Women Are Beneficiaries Of Pension Measures

WASHINGTON, D. C. March 14,—Cathrine Heyl of Prospect, Butler county, and Louisa Stevens of Ellwood City are the beneficiaries of two pensions bills introduced in the House by Congressman J. Howard Swick.

Mrs. Heyl is the widow of Henry Heyl, who served with Company G, 134th Pennsylvania Volunteer Infantry, and Mrs. Stevens is the widow of Henry Stevens, who fought in Company F, 140th Pennsylvania Volunteer Infantry, both in the Civil War.

The bills, which would increase Mrs. Heyl's government compensation from forty to fifty dollars per month and Mrs. Stevens' from thirty to fifty, respectively, have been refered to the House Committee on Invalid Pensions.

Andrew Bryer Suffering From Electric Burns

Andrew Bryer, aged 19, a son of Mr. and Mrs. Joseph Bryer, 214 East Grant street, met with an accident of some sort this morning which resulted in electric burns. He is employed as a bus driver at the convent in Wickliff Heights, Cleveland, Ohio, and no details were received as to how he met with the accident although it was expected he would not live.

Mary Jane Bryer, a sister, left this afternoon for Cleveland, to be at his bedside.

ST. PATRICK'S TALK GIVEN AT KIWANIS

Rev. George M. Landis, pastor of the First Baptist church of this city, delivered a most appropriate St. Patrick's day address before the local Kiwanis club on Wednesday.

THIN COLLEGE GIRLS ORGANIZE WAIST LINE CLUB

(International News Service)

DALLAS, Texas, March 14.—"The Waist Line Club," which originated at Southern Methodist University, and is fast becoming the latest college fad in the South among co-eds, would aid the former as best it can.

It would raise its members on dairy products.

The club, which draws its membership from the younger college set, started in the Sigma Phi Sorority at S. M. U. because the co-eds decided that every member should be able to wear gracefully the new tuck-in dresses.

"Every girl must be so proportioned that she can wear the tuck-in blouses without looking absurd," said Miss Mary Burks, of Dallas, sponsor of the idea, and president of the first "Waist Line Club."

"We have decided that it is all nonsense for any young girl to be fat. And if we find any of our members insisting on putting on extra weight, we will take them in hand and arrange their diet for them and see that they stay with it. If that doesn't work, out of the club they go," she explained.

Their exclusive diet of chiefly dairy products, by the way, was determined after consultation with college physicians.

Town Has No Births And No Deaths In Month

(International News Service)

MILL VALLEY, Cal., March 14.—Score one for Mill Valley!

Will Farley, city clerk, today reported to the State Board of Health that this city of 5,000 residents established the record of no deaths and no births for the month of January.

This was the most quiet vital statistic period in 20 years here, Farley reported.

EDENBURG

ATTEND FUNERAL

Among friends and relatives who attended the funeral of Mrs. James Leeper on Tuesday were Mr. and Mrs. T. L. Hofmeister, Mrs. Elmer Breckenridge, Mrs. Ralph Hoover and daughter Rachel Ann of Ashtabula, Mr. and Mrs. Fred Webb, Mr. and Mrs. Ernest Mitchell and son Clayton of West Middlesex, B. W. HIGHLIGHTS OF HISTORY

By J. Carroll Mansfield

America In The 20th Century
Early Career Of Woodrow Wilson

WOODROW WILSON, WHO ON MARCH 4, 1913, BECAME THE 28TH PRESIDENT OF THE UNITED STATES, WAS BORN IN STAUNTON, VIRGINIA, ON DECEMBER 28, 1856, THE SON OF A MINISTER. DURING HIS BOYHOOD HE LIVED IN VIRGINIA, GEORGIA AND SOUTH CAROLINA.

YOUNG WILSON, STUDIOUS AND AMBITIOUS TO BECOME A LEADER IN PUBLIC AFFAIRS, SPENT YEARS ACQUIRING A SPLENDID EDUCATION. HE GRADUATED FROM DAVIDSON COLLEGE IN 1875, FROM PRINCETON IN 1879, AND FROM THE UNIVERSITY OF VIRGINIA LAW SCHOOL IN 1882. FOR TWO YEARS HE PRACTICED LAW IN ATLANTA, BUT DEVOTED MOST OF THAT TIME TO WRITING A BOOK CALLED "CONGRESSIONAL GOVERNMENT".

LATER, HE STUDIED POLITICAL ECONOMY AT JOHNS HOPKINS, RECEIVING THE DEGREE OF PH. D. IN 1886. HE QUICKLY WON RECOGNITION AS AN AUTHORITY ON GOVERNMENT HISTORY, AND FOR A NUMBER OF YEARS WAS A PROFESSOR AT BRYN MAWR AND WESLEYAN. IN 1902 HE WAS MADE PRESIDENT OF PRINCETON UNIVERSITY.

AN ELOQUENT SPEAKER AND A CHAMPION OF PROGRESSIVE IDEAS, WOODROW WILSON IN 1910 WAS CHOSEN DEMOCRATIC CANDIDATE FOR GOVERNOR OF NEW JERSEY. HE WAS ELECTED, AND AS GOVERNOR ATTRACTED THE ATTENTION OF NATIONAL POLITICAL LEADERS BY HIS BRILLIANT CAMPAIGN FOR REFORMS IN HIS STATE.

HAPPENINGS IN WORLD OF SPORT

Cauthon And Huske Meet In Semi-Final

Evans Eliminates Himself And Huske's Knockout Topples Jadaberg

FRIEDMAN-ROCCO CONTINUE GRIND

Knockout Huske, Akron and Ralph Cauthon, Cleveland, middleweights, will fight the six round semi-final to the Emmett Rocco-Al Friedman 10 round feature bout, it was announced today. Huske scored a technical knockout over Henry Attel here and followed it up by knocking out Red Jadaberg in two sessions at Youngstown, Wednesday night. Cauthon hopes to beat Huske then challenge Henry Firpo. He is a colorful fighter and will give Huske a great fight.

The Huske-Cauthon bout should be miles better than the Dick Evans-Red Jadaberg tilt which was originally carded. Dick telegraphed that he had been forced to undergo treatment owing to kidney trouble and Jadaberg eliminated himself by losing to Huske.

Friedman is rounding into tiptop condition at Philadelphia and the local pride, Rocco, is already in good condition. He is training with Harold Scarney who two years ago felt a knockout delivered by Rocco. The bout is attracting attention from all sections of the country.

West Side Rivals Clash

This is due to Rocco's recent run of successes which were interpolated by only ne defeat. He knocked out Tom Kirby, beat Mose Boquillion, followed it with a victory over Marty Gallagher, dropped a 10 round decision to Frankie Sims then came back strong and knocked out Ed. Keeley.

Friedman has been battling regularly each week and last Friday astonished fistic sharpers by giving Tuffy Griffiths all he cared to handle in Boston. According to reports from the Hub City Friedman had Griffith tired and weary in the seventh round.

Don Morse, Jamestown, N. Y., will tackle Frankie Lands, New Castle, at 122 in a six round bout and Tommy Arnold will meet Billy Murphy in a six round setto at 147 pounds. There is considerable interest in the Arnold-Murphy fight as it will decide the West Side supremacy.

Falcon Juniors Defeat Ellwood

The Polish Falcon Juniors defeated the Christians of Ellwood City 39 to 31, in a game played at the Falcon court on Thursday night. It was a hard fought battle, and was featured by the great work of S. Koszela, Noga, and J. Kolodjieski. Huffer for Ellwood City played a whale of a game caging eight baskets, while A. Kolodjieski and B. Koszela also played good basketball.

The Falcon Juniors go to Scotland Lane tonight to battle the Union High team. The Union High boys are out to take the measure of the Falcons tonight. The Falcons will be without their coach Kolodjieski as he will accompany the Falcon Seniors to Wampum.

The summary:

Falcon Juniors 39		Ellwood City 31
S. Koszela	F	Criss
Noga	F	Huffer
J. Kolodjieski	C	Lape
A. Kolodjieski	G	Craven
Bujny	G	Hooker

Subs: A. Sir, Moosa, Bujny, Dudek, B. Koszela, F. Kurdrupski, Knight, Greer. Field goals: S. Koszela 7, Noga 4, J. Kolodjieski 3, A. Kolodjieski 2, Bujny, B. Koszela, Criss 3, Huffer 8, Knight. Fouls: Falcons 1 out of 4. Ellwood City 5 out of 9. Referee—A. Mehalic.

Geneva Prepares For Track Season

With Basketball Out Of Way, Geneva Turns Attention To Tri-State Track Meets

BEAVER FALLS, Pa., March 14.—With the basketball season having concluded, the athletics attention of Geneva College turns to track. For five consecutive years Geneva has been Tri-State Conference Champions in this sport. A number of years ago, Bo McMillin took over the coaching reins at the Covenanter institution and not only did he produce sensational football teams but started the Gold and White on the championship path in track when Bo switched to Kansas State.

Bob Park, cross-country coach, was elevated to the position of track and field mentor. Mr. Park is a [illegible] star of a decade ago and a famous athlete in his day, who last year succeeded in having his boys capture the crown against some staunch competition. The 1929 Commencement depleted the ranks of Covenanter track satellites by graduating Clair Merriman, Bill Lathom and Dwight Piper, experienced and certain first or second place winners. Individual Conference champions remaining in Geneva are Captain Waldo Ward, broad jump; Len Friedman, javelin; Bob Nulton, half-mile; and Fair Thomas, quarter mile. The schedule for the current season is as follows:

April 19th, West Virginia at Beaver Falls.
April 26th, Penn Relays.
May 2nd, Carnegie Tech at Pittsburgh.
May 7th, Alfred University at Alfred, N. Y.
May 10th, Bethany at Beaver Falls.
May 17th, Westminster at New Wilmington.
May 24th, Allegheny at Meadville.
May 30th, Tri-State Conference Championship Meet at Beaver Falls.

Four Games In Church League

Four games are on tap tonight in the New Castle Church Basketball League at the Y. M. C. A. floor. The first game starts at 8 o'clock.

In the first battle the Third U. P. and First M. E. teams tangle, the other games follow in order—Temple Israel vs. St. John's Lutherans, Croton vs. Central Christians and Mahoning M. E. vs. Highland U. P.

Saturday night two games are on tap as follows: Central Presbyterians vs. Epworth M. E. and Wesley M. E. vs. First Baptists.

New Castle High Plays Duquesne

New Castle Plays At Pitt Stadium In Semi-Finals Against Duquesne Saturday

Fourth Year Local High Passers Meet Duquesne In Battle For Title

Saturday night is the night when New Castle high school basketball team enters the semi-finals of the W. P. I. A. L. tourney race at the Pitt Stadium. Duquesne will oppose the local undefeated Red and Black quintet.

The final practice will be staged this afternoon for the senior high passers. Duquesne has a good team. On Thursday night they defeated North Braddock 27-24, in a fast game for the right to meet the Lawrence County basketball artists. Both coaches reported that they will present their strongest lineup in the hope that their cohorts will win and invade Pittsburgh on next Tuesday night to play for the schoolboy cup in the finals.

This is the fourth year the local high passers have played in the W. P. I. A. L. eliminations and Coach Bridenbaugh is after the second trophy. This is also the fourth year Duquesne has played the New Castle five. Each time these two teams have played the game proved a deciding factor for the championship. The first year New Castle traveled to the Pitt Stadium, Duquesne eliminated the locals and won the cup.

The following year New Castle defeated this same team in the final to cop the honors of the league. Then again these two teams met and Duquesne managed to defeat the Lawrance Countians. What will be the outcome this year? If New Castle wins, the team will enter the finals and have a good chance to win the urn this year.

If the locals lose, Duquesne will have the opportunity to continue where New Castle left off.

The largest crowd to watch a tournament game this year is expected to gather at the Pitt Stadium to see these two teams battle. There is plenty of rivalry between these two clubs. Faculty Manager Ralph H. Gardner is arranging to take care of the largest crowd of fans for the trip to Pittsburg. A special train will leave the P. & L. E. station on West Washington street at 5:45 Saturday afternoon.

Tickets for the game were placed on sale on Wednesday at the Sporting Goods Store on East Washington street and at the office of the senior high school.

HIS FIRST JOB

"So your son is in prison for theft?"

Father (proudly): Yes, at last he is earning his own keep.—Mostique, Charlerio.

Into Stardom Over Night

While the holdout to-do over Babe Ruth's salary demand has attracted practically all public interest in the New York Yankee's pre-season affairs, baseball insiders consider the Bam's bonanza embroglio to be but mere sideshow. Expert fans know the Yanks are rebuilding, and that even such a planet among the stars as Ruth is on the wane. They are looking for rising brilliants. That is why, for instance, they consider Catcher Bill Dickey's 1930 form will be of far more importance to the future of Gotham's American Leaguers than the roar over whether the Bable will be worth $80,000 during the next two seasons.

Of course, the most enthusiastic expert does not believe that Dickey will become another Bam. It took half a century of baseball to produce a Ruth. Far more than fifty years will pass probably before the game reveals another such colossus.

Nobody expects young Bill Dickey will prove another Ruth, but some close observers do say he is sure to rival the historic glory that keeps alive the fame of Buck Ewing, King Kelly, Johnny Kling, and other immortal catchers.

Dickey has the marked distinction of making the big league first string grade in his very first year of big time opportunity. When Benny Bengough, Yank catching ace, was incapacitated early last season, Bill was called on to substitute. Within two weeks he shaped up as a genuine star, handling all the club's pitchers in masterly style and hitting around the .340 mark.

Moreover, Dickey's throwing arm is the ideal baseball rifle. He picked off base-runners with sharp-shooting accuracy throughout the season. And he kept up his steady hitting pace with long and short range blows delivered when most needed.

Those who have studied the 1929 records through these Winter months have confirmed the judgement of many fans.

Dickey in his first major league year was second only to marvelous Mickey Cochrane of the Athletics as a catcher!

Scott Is Going Back To England

Before Boarding Ocean Liner Phil Scott Takes Rap At American Boxing Rules

BELIEVES HE WON FIGHT AT MIAMI

By DAVIS J. WALSH
International News Service Sports Editor

NEW YORK, March 14.—Vindictive now, where formerly he had been mildly plaintive, Phil Scott excoriated American ethics and sportsmanship as being no more than a mockery today and held them up to high scorn in a statement that fairly curled at the edges under the withering nature of its own heat. The statement was issued as Scott was preparing to board the Majestic tonight for a brief return to his home in England and it concerned itself with the moot question of whether the man was hit above or below the pantry in the Sharkey fight at Miami

"Is American boxing to be boxing or alley fighting?" he asked in one breath. And in another, he charged Referee Magnolia with having made two decisions, the first in favor of himself and the second and last in favor of Sharkey after the latter had rushed at the official in a rage and demanded a retraction.

Groaned In Pain

"I distinctly heard Magnolia say, 'go to your corner, Sharkey; you're disqualified,'" Scott went on. "And the fact is that Sharkey went. Meantime, I lay on the floor in great pain, so that there was only one of two things for Magnolia to do: Either count me out or award me the fight on a foul. He never as much as raised his hand to count over me and so when I was assisted to my corner without a count, it was an admission on the referee's part that I had been awarded the fight."

"If Sharkey won that fight, then your rules should be re-written or your boxing law repealed," was his next comment.

"Your officials are responsible for this outrage and, in time, they will reap their natural reward. They are killing their own game."

As for Sharkey and his ability, Scott expressed nothing but contempt. "He found h couldn't hit me legitimately, so he took the easiest way out," was his succinct summary of the American champion.

LAYDEN BURNED AS HE COMBATS BLAZE

Elmer Layden, football coach and athletic director at Duquesne U., Pittsburgh, sustained burns on his hands when he fought a blaze in his Mt. Lebanon home yesterday. A curtain caught fire.

Westminster Floormen Pick Opponents Teams

Duquesne High Defeats Scott

Duquesne Defeats North Braddock For Right To Meet New Castle In Semi-Final

For the fourth year in five years the Duquesne basketball team plays New Castle high school in the W. P. I. A. L. tournament. Duquesne defeated North Braddock on Thursday night at the Pitt Stadium in the second round elimination game 27-24 for the right to meet New Castle in the semi-finals on Saturday night.

Both teams held the lead at different stages of the game and the game was never cinched until the final sound of the gun. Beck and Harapas were the star performers for the winners while Tomko was the feature player of the loser.

The summary of the lineup follows:

Scott 24		Duquesne 27
Tomko	F	Beck
Kohlar	F	Harapas
V. Bache	C	Dorik
J. Bache	G	Servick
McMullen	G	Shulte

De Vos Favored Over Chastain

(International News Service)

CHICAGO, March 14.—Rene De Vos, veteran middleweight contender tonight will enter the ring a favorite to win over Clyde Chastain, the Texas youngster.

The two meet in a ten-round feature bout at Chicago stadium. De Vos is expected to enter the ring a firm 8 to 5 favorite to whip Chastain.

Eleanor Holm Wins Miami Swim Event

Eleanor Holm, New York, clipped 6 2-5 seconds from her record for the 300-yard medley individual in the National A. A. U. women's indoor swim events. Her time was 4 minutes 16 seconds. Adelaide Lambert was second.

Christian Cagle Passes Air Test

Christian (Red) Cagle, West Point football star for several seasons has passed examination for the air corps and will not be a member of the West Point coaching staff next fall.

Benedict, Montgomery And Ransom Get Places On Both Tri-State And District Teams

Rush, Damschroeder, Stavnitsky And Berger Get Other Places In Titan Voting

NEW WILMINGTON, Pa., March 14.—Votes cast by 13 members of the championship Westminster College basketball team and by Coach John Lawther on the outstanding players met both in conference and in district games during the season just closed reveal that the Titan players agree in most cases on rival stars. Very little difference is found in the all-conference team and the all-district team composed of Westminster opponents.

Benedict, captain and forward on the great Duquesne team, received 12 votes for a forward position on the conference team. Rush of Bethany received seven and gets the other forward position, although Captain Len Friedman of Geneva received six votes and Stephens of Duquesne received three.

There seemed to be no disagreement about the guard positions on the conference team. Montgomery of Geneva received all 14 votes for one of the jobs, while Damschroder of Bethany received 10 votes. Others who were mentioned were Flading, Bethany, 2; Lubic, Duquesne 1, and Benedict, Duquesne 1. For center on the league team, Big "Slim" Ransom of Geneva received 10 votes. Telfair, Bethany, was the only other pivot man mentioned. He received four votes.

District Team.

Benedict, Duquesne, also received a forward position on the all-district team. The Duke leader received 11 votes. Stavnitsky, Grove City, was the other forward selection of the Titans, receiving 10 votes. Others mentioned were: Friedman, Geneva 1; Bair, Allegheny, 1; Stephens, Duquesne, 1; Fegley, Grove City, 3, and Telfair, Bethany, 1.

For the guard positions on the district team Montgomery, Geneva, again won out with seven votes. Berger, Allegheny, was given the other post with six votes, although he was closely pressed by Ryan, Grove City, with five, and Damschoder, Bethany, with five. Others mentioned for the guard berths on the district team were Garbark, Allegheny, 2; Benedict, Duquesne, 2, and Lubic, Duquesne, 1.

For all-district center, "Slim" Ransom of Geneva again won out with 10 votes. Telfair, Bethany, received four votes for the position.

Lawther Picks Team.

Coach John Lawther selected an all-star team from district opponents which he claims would be hard to beat. Lawther placed Telfair, Bethany, and Stavnitsky, Grove City, at forward; Ransom, Geneva, at center, and Damschroder, Bethany, and Montgomery, Geneva, at guard. Such a team, composed of tall, ranky men, Lawther thinks would give any quintet in the country a battle.

All-Conference.

Benedict, Duquesne, forward.
Rush, Bethany, forward.
Ransom, Geneva, center.
Montgomery, Geneva, guard.
Damschroder, Bethany, guard.

All-District.

Stavnitsky, Grove City, forward.
Benedict, Duquesne, forward.
Ransom, Geneva, center.
Berger, Allegheny, guard.
Montgomery, Geneva, guard.

CLEARING THE WAY

Cadet Leader: What do you do when the message goes around: "Volunteers forward?"

Cadet: I move to one side to let the volunteers pass.—Buen Humor, Madrid.

Westminster Track Team Working Out Each Evening In Gym; Have Hard Schedule

(Special To The News)

NEW WILMINGTON, Pa., March 14.—With 25 candidates reporting each evening at 7:15, the Westminster College track team has started preparations for the hardest season in recent years. Another group of 25 men, mostly members of the varsity and intra-mural basketball teams, will report for track next week, giving the U. P.'s approximately 50 candidates.

Of this group about 16 men have had previous varsity experience on the blue and white team. A number of freshmen look good and may give Westminster a fairly strong cinder path and field team this spring. Led by co-captains Kenneth Delahunty and William Crowell, court stars, the Westminster team will face four district teams in dual meets and will try to finish high in the annual Tri-State Conference championship meet.

Among the new men who should strengthen the blue and white team are: Lorenz Stocker, two miler; Robert Deacle, football fullback, weight thrower; Glenn Rehfus, football tackle, javelin thrower; Donald Cleland, football guard, weight thrower; Mauno Siljander, basketball player, sprinter and broad jumper; Paul Banks, pole vaulter and broad jumper and hurdler; Harry Parkinson, distance runner.

From last year's team which placed second in the conference and defeated Grove City and Allegheny in dual meets, Captain Walter Hutchison, now at the Ithaca School of Physical Education; Elmer Reiber, now at Duke University; Chester Campbell, now at Duke University; Harold Forsha, who dropped out of college; and Ross Ellis, who was graduated, will be missed.

Graduate Manager A. A. McDonald that the upper field will be conditioned for outdoor workouts as soon as weather permits. In the meantime, practice sessions will be held in the gymnasium. For the first week the indoor workouts were held at night so as not to conflict with intra-mural basketball league games. Starting on Monday, practice sessions will be held starting at 4 o'clock.

The schedule as planned by McDonald follows: Saturday, April 26, Carnegie Tech at Pittsburgh; Saturday, May 3, Grove City at New Wilmington; Saturday, May 10, Allegheny at New Wilmington; Saturday, May 17, Geneva at New Wilmington; Friday, May 30, Tri-State Conference championships at Beaver Falls.

District Games At Grove City

District Scholastic Teams Meet In Annual Tournament At Grove City College Tonight

GROVE CITY, Pa., March 14.—Three of the four district high school champions of northwestern Pennsylvania have been determined, and they will come to Grove City Friday and Saturday for the eliminations, which will determine the sectional winner. Erie East and Meadville will meet tonight at Allegheny College to decide the title in section 3.

For several weeks Punxsutawney has been assured participation in the 11th annual northwestern tournament here this week. The Groundhogs have represented section 1 for the past three years. Sharon, by virtue of capturing the Mercer county title in the final game with Farrell Saturday, will represent section 4. Sharon is a four-time county winner and for the last three years won the northwestern meet.

Results in section 2 were not determined until Saturday night, when Sheffield defeated Bradford in the final game. The teams were bunched and a Bradford win would have meant a triple tie, with St. Marys as the other team in the deadlock. It was Sheffield's first championship since entering the league.

Drawings for position in the tournament will be held Friday afternoon when the squads arrive for the annual eliminations. Cal Bolster and Walter Waite, well-known officials of the Pittsburgh district, will have been named to handle the tournament.

Orphans Home Band To Play

ZELIENOPLE, Mar. 14—The band at the Children's Orphans Home and farm school will soon be able to play in public. There are about 35 pieces in the band and they are being trained each week by C. C. Stover and assisted by other local musicians. The band will play for the annual Donation Day in June and may be able to play before then.

The band was made possible by the donation of ten instruments from the H. N. White company and Mr. B. M. Hildebrand of this place, who donated three instruments. Mr. Stover is giving his services free, as well as others who are assisting. A fre will offering purchased the other instruments and filled a long felt want at the Home. Members of the band are all boys.

First Christians Take Church Bowling Trophy

Mahoning M. E. Contenders Lose Deciding Match At Y. M. C. A. Alleys

J. RYAN HIGH MAN WITH 183 POINTERS

Bowling in the church league came to an end this week at the Y. M. C. A. when the First Christians rolled the Mahoning M. E. bowlers and defeated them in the game which decided this year's church league championship.

The Christians won both halves of the league bowling by outclassing the Mahoning M. E. team for the count of 34 to 29 games in the first half and 20 to 19 games in the second half.

Much of the keen but friendly competition in this winter's bowling was due to the enthusiastic interests of the First Christians and Mahoning bowlers. This would be regarded as highly responsible for the First Christians winning the coveted trophy this year.

According to Y officials the awarding of the trophy will be delayed until later, because the basketball season is now at its heighth.

Team Standing

The final standing for the league teams:

	Won	Lost	Pct.
First Christians	54	12	.810
Mahoning M. E.	48	18	.720
Second U. P.	33	33	.500
Epworth M. E.	27	39	.405

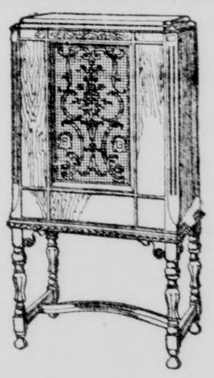

First Christians average:
Single game, 657 pins
Thre games: 1807 pins
Team average, .625 pct.
Mahoning M. E. average:
Single game, 648 pins
Three games, 1807 pins
Team average, .623 pct.

Ryan Honor Man

High honors for the season go to J. Ryan with Watson a close second. Ryan has an average of 183 pins for a single game with 481 pins for three games. Watson's average was 177 for a single game and 462 pins for three games.

Single games averages for the regulars on both teams are as follows:

First Christians	Mahoning M. E.
Morgan .121	Adams .117
Wagner .118	Watson .134
Davis .117	C. Johnston .118
G. Ryan .133	Willson .126
J. Ryan .136	A. Johnston .128

TWO ARE INJURED IN ELLWOOD CRASH

ELLWOOD CITY, March 14.—An accident occurred at the intersection of Second street and Fountain avenue Thursday afternoon about 4 o'clock involving two cars and a street car.

As near as witnesses can testify, the street car and the car owned by Heron Kirk of Wurtemburg were traveling north on Fountain avenue, when the street car slowed up to permit a car, said to be operated by Clarence Weeter of Fountain avenue, to pass across Fountain avenue. It seems the Kirk car, not knowing the other car was passing in front of the street car, came on around the car and was struck by the Weeter car, resulting in its upset. Vincent Graham, a passenger in the Kirk car, was thrown against the windshield and received a broken nose and cuts about the face He was taken to a nearby physician who rendered first aid, and later took him to his home in Wurtemburg.

Clarence Weeter is also said to have been hurt about the face in the accident. Both parties have registered the accident with the local police Both cars were badly damaged, although one was able to be driven off under its own power. Cause of the collision has not been placed as yet although spectators state that the motorman of the street car motioned for the Weeter car to cross the street.

Pupils See Fine Operetta Thursday

ELLWOOD CITY, Mar. 14—Those few hundreds of students in the local schools who are not taking part in the Music and Health demonstration, enjoyed a premier showing of the demonstration before the students of the schools Thursday afternoon in the Lincoln gymnasium.

The entertainment included drills, songs, playettes and orchestra music. All the schools of the city are taking part and the main show will be presented this evening in the gymnasium of the Lincoln school.

The Circle school will present an operetta entitled "The Smuggleman" under the direction of Miss Elizabeth Stoner, Miss Robinson and Miss Cain. Attillio Decosimo has the main part and is supported by seven characters, and groups of choruses. The little play is well presented and very worth while.

Matrons Entertain For Visitors Here

ELLWOOD CITY, March 14.—Mrs. H. E. Clymmonds and Mrs. John Brennamen entertained jointly Thursday night for Mrs. William Gribben of Pasedena, California and Mrs. H. S. Hancher of Zanesville, O., at the McClymmond home on Second street.

Two tables of bridge were in play, and a pleasant evening was enjoyed. Later the hostesses served delicious refreshments in the dining room, and a feature of entertainment was that the guests had to cross the Irish channel to get the lunch.

Those enjoying the event were: Mrs. William Gribben, Mrs. H. S. Hancher, Mrs. Ray Chambers, Mrs. Loren Springer, Mrs. Carl Davidson and Mrs. Walter Close.

Ladies Aid Has Pleasant Meeting

ELLWOOD CITY, March 14—Members of the Ladies Aid society of the M. E. church conducted a pleasant meeting at the home of Mrs. J. C. McDevitt on Wayne avenue Thursday night with Mrs. Milliken assisting.

A brief business session was conducted at which time plans for spring money-making were discussed. Later a social period and lunch was enjoyed. The society will meet again in April, place of meeting to be announced later.

a pleasant visit with the former's mother, Mrs. Mary French of Wurtemburg.

Willing Workers Have Pleasant Evening

ELLWOOD CITY, March 14.—Fifteen members of the Willing Workers society of the Christian church conducted a monthly meeting Thursday night at the home of Mrs. Ira Covert of Crescent avenue.

A brief business meeting was conducted, after which the evening was turned over to the Eentertainment committee, with games and contest. Prize winners were: Mesdames Bertha French, Ernest Sarver, Gladys Covert, Mrs. Deemer, Mrs. Kelly and Mrs. Pearl Shontz, a special guest at the meeting.

Later a delicious lunch was served by the hostess, and the colors were green and white. The April meeting will take place at the home of Mrs. Kenneth White of this city, and members of the Enttertainment committee will be Mrs. Florence Dobson and Mrs. Walter Howell.

Mrs. Anderson To Conduct Meetings

ELLWOOD CITY, March 14.—Mrs. E. C. Anderson, lady evangelist, will begin a revival campaign in the Alliance Mission on Bell avenue, Ellwood City, at 3:30 p. m. service Sunday. Mrs. Anderson is the wife of Rev. E. C. Anderson, pastor of the Pearson street Alliance church of New Castle, and has held several campaigns in the south, also meetings in Sharon.

Miss George and Miss Sadie Lewis noted gospel singers, will sing throughout the meetings.

There will be musical selections on musical saw, trombone, piano-accordian and vibra-phone, also during the revival.

MEETING POSTPONED

ELLWOOD CITY, March 14.—The meeting of the Ellwood Quota club, scheduled for this evening in the dining room of the M. E. church, has been postponed until next Wednesday evening.

HOSPITAL NOTES

ELLWOOD CITY, March 14.—Discharged yesterday: Charles Burns of Ellwood City R. D. Admitted: John Wilson of this city.

ELLWOOD PERSONALS

Mrs. Nora Moyer of Lawrence avenue, was a Pittsburgh visitor yesterday.

Mrs. Frank Weddell and daughter Cherrie Maxine, returned to their home in Youngstown, O., concluding

Friends of Mrs. John Spielhaupter will regret to hear of her continued illness at the home of her aunt Mrs. A. J. Deemer of the New Castle road. She had been ill for the past five months, and her condition is said to be critical.

Rotarians Against Trashy Magazines

Rotarians Hear Fine Talk By Manager Of Local Store At Meeting Here

ELLWOOD CITY, March 14.—At the regular weekly dinner meeting of the local Rotary club, that took place Thursday night in the dining room of the First Presbyterian church, a heated discussion took place regarding the printing and circulation of trashy magazines.

Several magazines came in for severe condemnation. No definite action was taken at the meeting but a committee has been appointed to look into the matter. Dr. H. D. Patterson heads the committee.

The speaker of the evening was James Birchfield, manager of the J. C. Penny company, who gave his version of "Chain Stores." In his idea there is no such thing as a chain store. He went back through the years, when the first Penny store was started out in Wyoming, with a partner, who branched off later into his own store, with another partner, who in turn branched out, etc., etc., until the present aggregation of 800 stores had been built. Mr. Birchfield contends that it is just one large company, and that each manager as 1-3 interest in his store.

A new member taken in last night was Frank Smith. The program was under the direction of Richard Hawk, chairman of the Vocational committee.

Carnera Offered Godfrey Battle

(International News Service)

NEW YORK, March 14.—Boxing promoters in Philadelphia have offered Primo Carnera, Italian giant, a guarantee of $100,000 to box George Godfrey, Philadelphia colored heavyweight, in the Pennsylvania city, it was learned today. A privilege of taking 45 per cent of the receipts was also offered the Venetian man-mountain.

The worst break the kaiser ever got was that Heinie was born 10 years too late.

Connie Mack Looks For Tough Battle

Hopes His Athletics Can Repeat Their Splendid Performance Of Last Year

Will Stand Pat With Same Lineup That Ended The World's Series Against Cubs

By JAMES L. KILGALLEN
International News Service Sports Writer

FOR MYERS, Fla., March 14—"I'd like my boys to win the pennant again this year but if we do it won't be an easy task."

Connie Mack, 67 year old manager of the Philadelphia Athletics, world champions, made this declaration today as he sat in the sun on a bench back of the first base at Terry Park and watched his players cavort around the diamond and outfield. "Kid" Gleason, his grayhaired coach, was injecting "pep" into the workout by hititng whizzing grounders from the home plate and Eddie Collins, former "king of the second basemen" who was raised in the Mack school of baseball, hustled around the premises jabbering advice to rookies and veterans alike. It was a wide-awake, gingery aggregation.

Mack Looks Good

"They look good, don't they" said Connie, crushing his scorecard in his enthusiasm. "Their condition is much better than this time last year. They have a smoothness, a championship class about them. I suppose it comes from their winning the world's championship. They'll be hard to beat this year."

Asked how the team would line up for the first game of the season, Mack quickly replied:

"Exactly as they lineup in the world series. Mickey Cochrane behind the plate, Jimmy Fox at first, Max Bishop at second, John Boley at short, Jimmy Dykes at third, Bing Miller in right field, Mule Haas in center and Al Simmons in left. Of course I don't know this early who will pitch the opening game."

Depends On Pitchers

Mack's pitchers are rapidly rounding into form. He has as possible starting pitchers Lefty Grove, Rube Walberg, George Earnshaw, Eddie Rommel, Jack Quin, Howard Ehmke and Ossie Orwoll—perhaps the grandest array of flingers in the league. He also has several excellent prospects, including Bill Breckinridge, Leroy Mahaffey, Glenn Liebhart and Al Mahon, Breckinridge was with the "A's" last season: Mahaffey is a six footer purchased from Portland: Liebhart is the 19 year old son of the former Cleveland pitcher and Mahon is a twenty year old youngster from Pilger, Neb.

"It won't be easy for us to repeat this year because the other clubs in our league have improved" said Mack. "The Yankees are a powerful hitting team, of course. Cleveland and St. Louis are first class clubs. I like the Chicago White Sox's chances very much for they have developed some fine youngsters.

Solomon Wins From Colored Welterweight

Mickie Solomon defeated Allen Beatty in ten rounds last night at McKeesport. It was the fourth time they fought. Dom Profio and Billy Holt fought a sensational six round semi-final. Several times each was near a knockout.

BUT WITH SLEEP.

"Do you think they approved of my sermon?" asked the newly appinted vicar.

"Yes, I think so," replied his wife," they were all nodding "—Answers.

Engineers' Society Will Meet Monday

Dr. E. Ward Tillotson, Assistant Director Of Mellon Institute, Will Speak

The Engineers' Society of New Castle will have its regular meeting, Monday, March 17, at 7:30 p. m., in the lecture room of the Pennsylvania Power Company building.

The society is fortunate in having Dr. E. Ward Tillotson, assistant director of the Mellon Institute, University of Pittsburgh, as the speaker for this meeting. His subject, "The Work of The Mellon Institute of Industrial Research."

A short musical program will precede the technical session.

Fitted lines with feminine trimming are high points in lingerie collections for the season.

Try for Yanks

Two rookies and a veteran trying to win berths with the New York Yankees are Roy Chapman, top; Floyd Van Pelt, center, and Ken Williams, the old St. Louis Brown slugger, below.

Another Babe Ruth

Recognize him? It's Bobby Jones, America's foremost golfer, trying his hand in a different field of sport. With that free and natural swing that gives him such great distance on the links, Bobby ought to give the Bam some great competition.

Boston Red Sox Need More Batting "Punch"

By JAMES L. KILGALLEN
International News Service Sports Writer

PENSACOLA, Fla., March 14.—Under a new manager, Charles (Heinie) Wagner, the Boston Red Sox, "cellar champs" of the American League, are rapidly rounding into form at Pensacola Park. They are a young, lively aggregation and, according to Wagner, "may cause plenty of trouble" around the circuit this year.

Wagner would make no predictions as to where the Red Sox would finish in 1930 but he will be greatly disappointed if they do not make creditable showing irom the opening gong.

He realizes he has inherited a hard job in taking over the management of a club that the veteran and experienced field general, Bill Carrigan, could not make into a winner.

"I need a couple of good hitters more than anything else. Give this team a little more batting punch and we will be tough to beat. We are well fixed with pitcners and the spirit and morale of the club is great."

Pitchers Look Good

Wagner said he has five first class pitchers and several others who look very good. His favorite five pitchers at present are "Big Ed" Morris, who won 14 and lost 14 with the club last season in spite of the fact that Boston finished last; Charlie Ruffing; Milton Gaston; Jack Russell and Danndy MacFayden. All are right handers and hard workers.

Bill Sweeney, is after the veteran Phil Todt's position at first base, Otis Miller is trying hard for Bill Regan's job at second base. The shortstop post has developed into a battle between Harold Thyne and Bill Narlesky.

Ernest Holman is trying to land Bob Reeves' job at third base.

"The outfield probably will be made up of Bill Barrett in right, Jack Rothrock in center and Russell Scarritt in right, all young and experienced players," said Wagner.

"I expect most of our catching will be done by Johnny Heving and Charlie Berry, with Bob Asbjornson helping them out."

Reds Held at Pier

By holding twenty newly arrived emissaries from Soviet Russia for nearly a day at Ellis Island, Federal immigration officials added a fresh complication to the anti-Communist stir that is agitating New York. Picture shows Mrs. Robert Miner, wife of one of the Red leaders, leaving court. The Communist leaders were released in $17,000 bail.

Famous Canadian Ace Killed in Plane Crash

Colonel William G. Barker, Canadian war ace and recently appointed vice-president and managing director of the Fairchild Aviation Company, was killed in a plane crash at Ottawa. Colonel Barker was one of the outstanding heroes of the World War, being credited with downing fifty-two enemy planes.

NEW YORK STOCKS

Oil Stocks Show Improvement Today

(International News Service)

NEW YORK, March 14.—Reduction of the New York Reserve bank rate to 3½ per cent was clearly foreshadowed and the stock market today showed little effect of the change. Professionals were more inclined to sell the stocks that have been advancing brilliantly in the last few days in anticipation of this action than to rush into buy.

Atlantic Refining and the Standard oils improved on the highest prices recorded yesterday. Sinclair pushed ahead to a new high at 28 and a number of the low-priced oils sold up about a point.

Electric Light and Power climbed to above 78, Federal Light and Traction up 3¾ to 84, Davison Chemical up 2¼ to 42¼, U. S. Steel was down a point and Bethlehem fractionally lower.

Chesapeake and Ohio moved up 3 points to 229. Standard Brands dropped to 24. Motors were inactive and slightly lower.

Call money renewed at 3½ per cent and "outside" money was available at 3 per cent. Cotton and grain were firm.

Peggy Stars in Newark Nuptial Act

The attractive miss with the telephone is Peggy Udell, who, at Newark, N. J., became the bride of Peter Michon, one of the Michon Brothers, noted vaudeville team. The stage beauty has temporarily retired from the footlights.

Seeks New Record

Marshall Beadle will take off shortly with a load of 1,100 pounds and will endeavor to climb 31,000 feet in the air for a new altitude record for America. Present mark of 30,200 feet is held by a German pilot. Beadle's wife is with him.

NEW CASTLE DRY GOODS CO.

Bo'Broadway

by JOSEPH VAN RAALTE

NEW YORK, March 14. — Word reached us from Manhattan's Litsy Lagoons that Queen Marie of Roumania has signed a contract to write her memories—no cheaten', she's got to do it all herself, in pusson.

Fair enough. And now the world will hold its breath waiting to see if she'll give us a low-down on the price she got for inditing those snappy cold cream, safety pin and toothpick ads.

* * *

Hard Luck

Imagine the feeling of a man who doesn't care for Rudy Vallee when he has to listen to one of his thousand and one rotten imitators.

* * *

Artistic Footwear

Once upon a time woman's shoes were things to keep her feet off the ground. Now they're "foot millinery." Color harmonies are eagerly pursued and a swank New York pedal parlor is exhibiting official shoe leather color-card for the Spring season containing ten shades.

Some of the names certainly stimulate the imagination, four of them carrying us in fancy straight to Southern Europe.

There is "Riviera Blue"—a color richer than the sea or the sky at Nice or Cannes—bluer than Pop on the first of the month. There is "Venetian Purple," "Prado Brown," suggesting the walls of that superb treasure house of paintings, the Prado Museum in Madrid. And from Spain, too, comes "Corrida Red"—the crimson of the flaming cloaks of the torreadors.

And with all this indstry and creation in mind, I can visualize Longacre Lil, returning to the stew-dyo after the show, flopping down into the brocaded Mayfair chair, kicking off her "Venetian Purple" foot millinery, sitting there massaging her aristocratic instep as she exclaims:

"Muh dawgs has sure been frettin' me all night!"

* * *

His Hope Has Fled

Gil Frazer, hat check captain at the Biltmore hotel sighs for a return of the days B. P.—before prohibition — when people seemed to be more happy and contented.

Them is Gil's woids, not mine.

"O' course, he adds, "that may be my imagination; but I don't think so. I been knockin' round hotels all me life an' I've fallen into th' way o' studyin' people an' trends an' times, if you get what I mean?"

"I'm right behind you, Gil," I told him. "Proceed."

But the sequence had been broken and with transition sweet, Gil entered upon a dissertation on hat checking. He is the victim, it seems, of an ambition unfulfilled—a longing, that tugs at his heart strings.

He Springtime of its sunlight and ravishes the rose of its fragrance.

In all the years he's been at the Biltmore, he's never yet been called upon to check Al. Smith's brown derby. The Biltmore is Al's favorite Manhattan hostelry and hundreds of times the justly celebrated brown "bifer," as Al calls it, has reposed on the shelves of the check room; but never placed with loving care by the reverend hand of Gil Frazer.

I tried to cheer him. "Maybe," I said, "some day—"

But he interrupted me by the elevation of a deprecating mitt—a red, moist, earnest mitt—and shook his head with the lugubrious certitude of one in whom hope is already dead.

Entertaining Royalty

The Grand Duchess Marie, cousin of Czar Nick II, who hauled her mess kit here after the works had gone up, is the mistress of a little mid-town flat—four rooms, bath, guitar and imported janitor.

She holds down a job as fashion arbiter for the ultra, in one of the snootiest gown shops in town.

You must be at least two generations removed from the wash tub before you can qualify as "ultra" in Tammany Town. There are exceptions to this, of course; but very, very few.

And that's where the Grand Duchess Marie Pavloona of Rossia comes in. You have no idea what a kick Park Avenue gets from being exploited by Royalty.

When everyone has been grovelling at your feet all day, you have no idea how refreshing it is to encounter the proud, cold, level stare of a Grand Duchess—a stare that says plainer than words could utter it: "How'd you like to . . . "

Really, it's refreshing.

The Ladies Missionary society will meet Friday afternoon, March 14 at the home of Mrs. T. A. George. Mrs. Harry Buzton, leader. Foreign subject—Japan. National subject— Foreign speaking people.

Mrs. Robert Elder and daughter, Bobbie Jean returned to their home in New Kensington last week after having spent a week here with the former's parents.

Many a motorist apparently is under the impression that his car-license is also a deed to the road. —The San Antonio Evening Mail.

English Children Are Getting Taller

(International News Service)

LONDON, March 14.—Working under the direction of the board of education, a committee has found that English children are becoming taller but on the average are not quite as heavy.

The board of education reports that this increased height is due to health training that the children are receiving in school.
